A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Consumer Automotive Finance, Inc. was originally incorporated in the State of Nevada on August 19, 1998 as WH Holdings, Inc. In June 2004 the Company changed its name to Automotive Capital Group, Inc. In August 2004 the Company changed its name to NowAuto, Inc. In July 2015 the Company changed its name to NowAuto Group, Inc. and in March 2016 the Company changed its name to Consumer Automotive Finance, Inc. to properly reflect the business direction of the Company at that time. The Company is in the process of changing its name to Innate Global, Inc. as it has taking on a new direction.

B. List any subsidiaries, parent company, or affiliated companies.

The Quickness Patent – patent on the development of particular athletic equipment.

Astound NMN – brand of anti-aging DNA repairing supplements.

51Labs, LLC – Brand of Sports Supplements.

Drago Knives LLC – Knife manufacturing

C. Describe the issuers' principal products or services.

51 Labs, LLC is a health and wellness company that specializes in providing high-quality sports supplements, such as protein powder, creatine, glutamine, pre-workout, BCAA's, and probiotics for athletes and health-conscious individuals. The company was founded with the vision of using carefully formulated products to provide essential nutrients that can help athletes perform at their best.

The company has been launched under the leadership of Brandon Spikes, former NFL player and current CEO of CAFI and is led by CEO, Robert Clark. 51 Labs, LLC is confident that their products are made with the highest quality ingredients and will be well-received by their target market.

As a health and wellness company, 51 Labs, LLC aims to promote a healthy lifestyle and empower individuals to reach their fitness goals. The company will continue to innovate and expand its product line to meet the needs of its customers.

The Quickness Patent: The Quickness Patent: The Quickness is a patent that is poised to revolutionize the way linebackers train for football. With our cutting-edge athletic equipment, we provide a more realistic and dynamic approach to training, giving players real-time game experience to prepare them for the element of surprise on the field.

At The Quickness, we are proud to have developed strong partnerships with colleges and high schools, who are eager to incorporate our equipment into their training programs. With our first prototype currently in the early stages of development, we are focused on raising the necessary funding to bring this groundbreaking technology to the football community.

Our patent has the potential to transform the way linebackers train and perform, providing them with the skills and confidence needed to excel on the field. With our innovative equipment, players can train smarter, not just harder, and gain a competitive edge in real game situations.

We are committed to providing the highest quality equipment and training programs to our customers, and we believe that The Quickness has the potential to become a game-changer in the world of football training. With the support of our partners and investors, we are excited to bring this cutting-edge technology to the football community and help players of all levels achieve their full potential.

Astound NMN: Astound NMN is a premium brand that is committed to providing the highest quality NMN (Nicotinamide Mononucleotide) supplements to its customers. NMN is a naturally occurring compound found in the body that has been shown to support cellular health and repair. As we age, our bodies produce less NMN, which can lead to a decline in overall health and vitality.

Astound NMN is dedicated to sourcing the purest, highest-quality NMN available on the market. Our products are carefully formulated and rigorously tested to ensure maximum efficacy and bioavailability. We use only the highest-quality ingredients and the latest manufacturing techniques to produce supplements that are both safe and effective.

What sets Astound NMN apart from other brands is our commitment to transparency and quality. We believe that our customers have the right to know exactly what they are putting into their bodies, which is why we list all of our ingredients and their sources on our product labels. We also partner with independent third-party labs to test our products for purity and potency.

Our goal is to empower our customers to take control of their health and well-being by providing them with the highest-quality NMN supplements available. We are constantly innovating and improving our products to ensure that we remain at the forefront of the NMN market. With Astound NMN, you can trust that you are getting the best that science and nature have to offer.

All revenues come through its website at www.astoundnmn.com and they are in the process of getting onto Amazon.

Drago Knives, LLC is a knife manufacturing company that specializes in throwing knives. Drago Knives has a patent pending provisional patent on a throwing knife design with specific notches that advise a user on finger placement when throwing a knife.

CONSUMER AUTOMOTIVE FINANCE, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2024

NOTE 1 - ORGANIZATION AND OPERATIONS

Consumer Automotive Finance, Inc. (the "Company") was originally incorporated in the State of Nevada on August 19, 1998 as WH Holdings, Inc. In June 2004 the Company changed its name to Automotive Capital Group, Inc. In August 2004 the Company changed its name to NowAuto, Inc. In July 2015 the Company changed its name to NowAuto Group, Inc. and the Company changed its name to Consumer Automotive Finance, Inc. to properly reflect the business direction. Currently the company is in the process of changing its name to Innate Global, Inc. to reflect its current business model.

The Company now owns four subsidiaries, 51 Labs, a sports supplement and nutrition company, Drago Knives, a knife manufacturer specializing in throwing knives with a utility patent, The Quickness patent, a patent on the development of particular athletic equipment, and Astound NMN, brand of anti-aging DNA repairing supplements.

51Labs: 51 Labs is a sports supplement company founded by Brandon Spikes who won two national championships with the Florida Gators and had a long career in the NFL. Mr. Spikes is currently back at the University of Florida where he works on the coaching staff. Mr. Spikes passion for bettering oneself led to the development of 51labs and it's great sports nutrition products used by your average gym going to professional athletes.

Drago Knives: Drago Knives was founded by an ex Serbian military veteran who specialized in knife throwing. Drago Knives is currently in the process of obtaining a utility patent on the design of a throwing knife that has special notches to advise the user on where to place their fingers to ensure accuracy and placement when throwing the knife.

The Quickness Patent: The Quickness Patent: The Quickness is a patent that is poised to revolutionize the way linebackers train for football. With our cutting-edge athletic equipment, we provide a more realistic and dynamic approach to training, giving players real-time game experience to prepare them for the element of surprise on the field.

At The Quickness, we are proud to have developed strong partnerships with colleges and high schools, who are eager to incorporate our equipment into their training programs. With our first prototype currently in the early stages of development, we are focused on raising the necessary funding to bring this groundbreaking technology to the football community.

Our patent has the potential to transform the way linebackers train and perform, providing them with the skills and confidence needed to excel on the field. With our innovative equipment, players can train smarter, not just harder, and gain a competitive edge in real game situations.

We are committed to providing the highest quality equipment and training programs to our customers, and we believe that The Quickness has the potential to become a game-changer in the world of football training. With the support of our partners and investors, we are excited to bring this cutting-edge technology to the football community and help players of all levels achieve their full potential.

Astound NMN is a premium brand that is committed to providing the highest quality NMN (Nicotinamide Mononucleotide) supplements to its customers. NMN is a naturally occurring compound found in the body that has been shown to support cellular health and repair. As we age, our bodies produce less NMN, which can lead to a decline in overall health and vitality.

Astound NMN is dedicated to sourcing the purest, highest-quality NMN available on the market. Our products are carefully formulated and rigorously tested to ensure maximum efficacy and bioavailability. We use only the highest-quality ingredients and the latest manufacturing techniques to produce supplements that are both safe and effective.

What sets Astound NMN apart from other brands is our commitment to transparency and quality. We believe that our customers have the right to know exactly what they are putting into their bodies, which is why we list all of our ingredients and their sources on our product labels. We also partner with independent third-party labs to test our products for purity and potency.

Our goal is to empower our customers to take control of their health and well-being by providing them with the highest-quality NMN supplements available. We are constantly innovating and improving our products to ensure that we remain at the forefront of the NMN market. With Astound NMN, you can trust that you are getting the best that science and nature have to offer.

The Company, in April of 2023 has acquired H2O and Solar Energy Solutions.

H2O and Solar Energy Solutions is a provider of water purification and solar energy systems based in central Florida. H2O and Solar Energy Solutions is a provider of water purification and solar energy systems based in central Florida, with over \$430,000 in revenue generated in 2022. H2O and Solar Energy Solutions provide customized solutions for residential and commercial customers, offering free quotations and home testing to ensure customer satisfaction. With a strong focus on expanding its sales team, H2O and Solar Energy Solutions aims to generate over One Million Dollars (\$1,000,000) in revenue in 2023.

In September of 2023, the Company spun off H2O and Solar Energy Solutions, which is now a private company.

On August 1, 2024 the board of directors approved a resolution to update the series B preferred shares to reflect the following:

Conversion Formula. At the Conversion Time, each share of Series B Preferred Stock subject to conversion shall be convertible into 350 shares of Common Stock (the "Series B Preferred Stock Conversion Formula"). The Series B Preferred Stock Conversion Formula shall be subject to adjustment pursuant to Section 6 from time to time. Following each adjustment, such adjusted Series B Preferred Stock Conversion Formula shall remain in effect until a further adjustment hereunder.

NOTE 2 – GOING CONCERN

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern, which contemplates continuity of operations, realization of assets, and liquidation of liabilities in the normal course of business.

While the Company is attempting to commence operations and generate revenues, the Company's cash position may not be significant enough to support the Company's daily operations. Management intends to raise additional funds by way of a public or private offering. Management believes that the actions presently being taken to further implement its business plan and generate revenues provide the opportunity for the Company to continue as a going concern. While the Company believes in the viability of its strategy to generate revenues and in its ability to raise additional funds, there can be no assurances to that effect. The ability of the Company to continue as a going concern is dependent upon the Company's ability to further implement its business plan and generate revenues.
