

Alternative Reporting Standard: Disclosure Guidelines for the Pink[®] Market

Federal and state securities laws require issuers to provide *current information* to the public markets. With a view to facilitating compliance with these laws, OTC Markets Group has created these Disclosure Guidelines (“Guidelines”)¹ that set forth the disclosure obligations that make up the “Alternative Reporting Standard” for Pink companies. Companies on the Pink Market that do not make disclosure directly to the SEC (via EDGAR), a banking regulator, or a non-U.S. regulatory authority may provide disclosure under our “Alternative Reporting Standard.” We use information provided by companies under these Guidelines to designate the appropriate tier in the Pink Market: Current Information or Limited Information.²

Pink Current Information Tier

To qualify for the Current Information Tier:

1. **Subscribe to the OTC Disclosure & News Service:** To submit an application, visit [Gateway](#) to sign in or create a new account. Allow OTC Markets Group 2-4 weeks to process your application and provide authorized user credentials to OTCIQ.

2. **Publish Initial Disclosure:** Upload the following documents through OTCIQ:

- Annual Report for the most recently completed fiscal year.
- All Quarterly Reports for the Current Fiscal Year.

Annual or Quarterly Reports are composed of:

- **Disclosure Statements:** Disclosure information pursuant to these Guidelines for the applicable period. Available as a fillable form beginning on page 4 of these Guidelines.
- **Financial Statements:** Qualifying Financial Statements in accordance with the Financial Statement Requirements specified in Item 9 of these Guidelines.

Qualifying Financial Statements include:

- Audit Letter, if audited
- Balance Sheet
- Statement of Income
- Statement of Cash Flows
- Statement of Retained Earnings (Statement of Changes in Stockholders’ Equity)
- Notes to Financial Statements

3. **Publish Attorney Letter:** If financial statements are not audited by a PCAOB registered firm, companies must retain U.S. counsel to review their disclosure and provide a letter to OTC Markets Group with respect to adequate current information by providing the following:

- Attorney Letter Agreement: The attorney for the company must submit a signed Attorney Letter Agreement according to the Attorney Letter Agreement Instructions.

¹ These Guidelines have been designed to encompass the “current information” requirements under state and federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) as well as Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws. However, these Guidelines have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator. These Guidelines do not constitute legal advice, and OTC Markets Group makes no assurance that compliance with our disclosure requirements will satisfy any legal requirements. These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice.

² OTC Markets Group may require companies with securities designated as “Caveat Emptor” or other compliance flags to make additional disclosures to qualify for the Pink Current Information tier.

- **Attorney Letter:** After the attorney reviews the company's disclosure, publish the "Attorney Letter With Respect to Current Information" through OTCIQ. Attorney Letters must be in accordance with the Attorney Letter Guidelines.
4. **Verify Profile:** Verify the Company Profile through OTCIQ. This includes the complete list of current officers, directors, and service providers; outstanding shares; a business description; contact information; and the names of all company insiders and beneficial owners of 10% or more of the outstanding units or shares of any class of any equity security of the issuer.
 5. **OTC Markets Group Processing of Reports:** Allow OTC Markets Group to process the posted documents (typically three to five business days) and provide any comments. Companies will only be evaluated for Current Information once all required documentation has been submitted. A new Attorney Letter is required upon amendment of any referenced report.
 6. **Ongoing Requirements:** To qualify for Current Information on an ongoing basis, companies must:
 - Publish reports through OTCIQ on the following schedule:
 - Quarterly Report within **45 days** of the quarter end
 - Annual Report within **90 days** of the fiscal year end
 - Attorney Letter within **120 days** of the fiscal year end if financial statements are unaudited.
 - Maintain a Verified Profile. At least once every six months, review and verify the Company Profile through OTCIQ.
 - Maintain Transfer Agent Verified share data. If your transfer agent participates in the Transfer Agent Verified Shares Program, then your securities must have current share data verified by the transfer agent.

Security Description:

The goal of this section is to provide a clear understanding of the material rights and privileges of the securities issued by the company. Please provide the below information for each class of the company's equity securities, as applicable:

1. For common equity, describe any dividend, voting and preemption rights.

Dividends are declared by management. Each common share is entitled to one vote. There are no preemptive rights.

2. For preferred stock, describe the dividend, voting, conversion, and liquidation rights as well as redemption or sinking fund provisions.

With respect to Convertible Series B Preferred Stock, it has no dividend rights, liquidation rights nor redemption or sinking fund provisions. However, it does have the following provisions;

A) Can vote on an as-converted basis

B) Can convert into common shares based on a 1:1,000,000 ratio (each Convertible Series B Preferred tock will convert into 1,000,000 common stock) that can never be adjusted

C) Are not subject to dilution

D) Not subject to any adverse effects as a result of any reverse splits

E) Holders that are non-directors can only convert their Convertible Series B Preferred stock into common shares so that their beneficial ownership never exceeds 9.9% of the current issued and outstanding common share count.

With respect to the Preferred Shares, it has no dividend rights, liquidation rights nor redemption or sinking fund provisions. However, it does have the following provisions;

It has its conversion ratio changed to 1000:1 so that 1000 preferred stock will be convertible into 1 common share.

The corporation's Preferred Shares shall be convertible into common shares at a ratio so that 1000 preferred stock will be convertible into 1 common share.. These preferred shares shall not be subject to any dilution or the effects as a result of any reverse splits. Further these shares shall have voting rights valued as if converted at the above-stated ratio but without the need to do so but shall, in no event, be allowed to out-vote Kenneth Williams at any time that he serves as a director of the corporation.

3. **Describe any other material rights of common or preferred stockholders.**

Pursuant to a Certificate Of Amendment filed with the Secretary of State of Nevada on February 26, 2021, the conversion ratio for the preferred shares was changed to 1000 Preferred stock (not the Convertible Series B Preferred Shares) for each common share making them practically worthless with respect to conversion and voting rights.

This class of Preferred shares will eventually be not authorized with the Secretary of State of Nevada

The applicable GAAP guidance establishes that share-based payment transactions with nonemployees shall be measured at the fair value of the consideration received or the fair value of the equity instruments issued, whichever is more reliably measurable.

Use of Estimates

Actual results could differ from those estimates.

Management plans to continue to seek funding from its shareholders and other qualified investors to pursue its business plan. NOTE 5. REAL ESTATE ASSETS

The Company specializes in residential and commercial real estate investment and development. Our Company's success has worked to form lasting, concrete relationships with top equity suppliers, such as individual, commercial, and institutional sources. These relationships enable Immediate Properties to provide beyond typical market approaches to finding and acquiring income-producing projects.

The company specializes in value-add investment and development in "A" locations in urban infill areas. It has expertise in multifamily, retail, office, mixed-use, adaptive re-use of industrial buildings and historic renovations. Immediate's current investment portfolio includes properties across Northern and Southern

California, Atlanta, and Nevada. The Company is actively investing in California and other select metro areas where we believe relatively high cap rates are not justified due to strong fundamentals.
