SETO HOLDINGS, INC.  
NOTES TO FINANCIAL STATEMENTS  
September 30, 2024  
(Unaudited)

NOTE 1 – BASIS OF PRESENTATION AND GOING CONCERN

Basis of Presentation

These financial statements are presented to conform to Generally Accepted Accounting Principles. There have been no financial statements since the Six months ended June 30, 2018. Further statements covering January 1, 2016 through June 30, 2018, were incomplete and assumptions had to be made to get beginning balances for the statements presented in this report. We constructed the financials in this report on anecdotal evidence that has occurred in the last from statements provided to OTC Markets for 2016 through June of 2018.

Facts we have determined about the Company:

- 1) By April 2022, when a Custodian was appointed, the corporation had been inactive and had no operations for an extended period.
- 2) As of 06/30/2018, the date of the last report filed prior to this inactivity, the total common stock issued and outstanding was 82,221,600.
- 3) As of 05/26/2022, the date of the initial shareholder list provided to the Custodian by the transfer agent, the total common stock issued and outstanding was 82,221,600.
- 4) As of 03/31/2024, the end date of this reporting period, the total common stock issued and outstanding was 82,221,600; as of 12/31/2023, the end date of the prior annual reporting period, the total common stock issued and outstanding was 82,221,600.

The basis of our beginning balances included the following:

- 1) All assets no longer exist or were previously disposed of. Although some of the Company's prior assets may conceivably still exist, the Company has no access to them.
- 2) All payables to vendors and accrued expenses have been eliminated due to the passage of time.
- 3) All expenses associated with reviving the Company were paid by the Custodian for its benefit and per its obligation under the terms of the custodianship. Expenses that would normally be the obligation of the Company have been included in the Statement of Income. Funds provided by the Custodian for these expenses have been included as Additional Paid-In Capital.

- 4) Establishment of beginning equity balances were partially constructed from an audit report dated for the period ended October 31, 2004, and the Company's last filings published in 2018.
- 5) The number of outstanding shares of Common stock increased to the 2016 balance sheet amount at some point prior to January 1, 2015, as no increases were reported on the OTC Disclosure Statement as of December 2017 or for the two years prior.
- 6) Sometime between 2018 and 2020, it appears that operations ceased. Unfortunately, assumptions had to be made in order to prepare these statements. We believe that in the absence of reliable and reported data, there were no operational activities from July 1, 2018, through the date of these reports.
- 7) The fact that the Company was assigned a Custodial agent indicates that no former control persons were active and had abandoned the Company.

### Going Concern

The accompanying unaudited financial statements have been prepared in conformity with GAAP, which contemplates continuation of the Company as a going concern, which is dependent upon the Company's ability to establish itself as a profitable business. As of September 30, 2024, the Company has an accumulated deficit of \$ 4,292,756 and no working capital. These matters raise substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include any adjustments that might result from the outcome of these uncertainties, nor do they include adjustments relating to the recoverability and realization of assets and classification of liabilities that might be necessary should the Company be unable to continue in operation. The Company's ability to continue in business is dependent upon obtaining sufficient financing or attaining profitable operations. However, there can be no assurance that management will be successful in obtaining additional funding or in attaining profitable operations.

### NOTE 2 – STOCKHOLDER CHANGES

The common stock of the Company has not changed since prior to January 1, 2015.

A custodian was appointed in April 2022, and a class of Preferred Stock was issued as 2022 Special Series A Preferred Shares in which 1 share was issued. The 2022 Special Series A Preferred stock has no dividends, no liquidation rights, but does have a 60% voting block over all voting shares.

### NOTE 3 – EXPENSES

No expenses for the Company for the period ending September 30, 2024. There were no income or expense transactions for the Company attributable to the quarter ending September 30, 2023. Expenses for the 2023 calendar year did not commence until after the quarter ending September 30, 2023.

#### NOTE 4– SUBSEQUENT EVENTS
