GENERAL INSTRUCTIONS

A. Rule as to Use of Form 8-K.

1. Form 8-K shall be used for current reports under Section 13 or 15(d) of the Securities Exchange Act of 1934, filed pursuant to Rule 13a-11 or Rule 15d-11 and for reports of nonpublic information required to be disclosed by Regulation FD (17 CFR 243.100 and 243.101).

2. Form 8-K may be used by a registrant to satisfy its filing obligations pursuant to Rule 425 under the Securities Act, regarding written communications related to business combination transactions, or Rules 14a-12(b) or Rule 14d-2(b) under the Exchange Act, relating to soliciting materials and pre-commencement communications pursuant to tender offers, respectively, provided that the Form 8-K filing satisfies all the substantive requirements of those rules (other than the Rule 425(c) requirement to include certain specified information in any prospectus filed pursuant to such rule). Such filing is also deemed to be filed pursuant to any rule for which the box is checked. A registrant is not required to check the box in connection with Rule 14a-12(b) or Rule 14d-2(b) if the communication is filed pursuant to Rule 425. Communications filed pursuant to Rule 425 are deemed filed under the other applicable sections. See Note 2 to Rule 425, Rule 14a-12(b) and Instruction 2 to Rule 14d-2(b)(2).

B. Events to be Reported and Time for Filing of Reports.

1. A report on this Form is required to be filed or furnished, as applicable, upon the occurrence of any one or more of the events specified in the items in Sections 1–6 and 9 of this Form. Unless otherwise specified, a report is to be filed or furnished within four business days after occurrence of the event. If the event occurs on a Saturday, Sunday or holiday on which the Commission is not open for business, then the four business day period shall begin to run on, and include, the first business day thereafter. A registrant either furnishing a report on this Form under Item 7.01 (Regulation FD Disclosure) or electing to file a report on this Form under Item 8.01 (Other Events) solely to satisfy its obligations under Regulation FD (17 CFR 243.100 and 243.101) must furnish such report or make such filing, as applicable, in accordance with the requirements of Rule 100(a) of Regulation FD (17 CFR 243.100(a)), including the deadline for furnishing or filing such report. A report pursuant to Item 5.08 is to be filed within four business days after the registrant determines the anticipated meeting date. A report pursuant to Item 1.05 is to be filed within four business days after the registrant determines that it has experienced a material cybersecurity incident.

2. The information in a report furnished pursuant to Item 2.02 (Results of Operations and Financial Condition) or Item 7.01 (Regulation FD Disclosure) shall not be deemed to be “filed” for purposes of Section 18 of the Exchange Act or otherwise subject to the liabilities of that section, unless the registrant specifically states that the information is to be considered “filed” under the Exchange Act or incorporates it by reference into a filing under the Securities Act or the Exchange Act. If a report on Form 8-K contains disclosures under Item 2.02 or Item 7.01, whether or not the report contains disclosures regarding other items, all exhibits to such report relating to Item 2.02 or Item 7.01 will be deemed furnished, and not filed, unless the registrant specifies, under Item 9.01 (Financial Statements and Exhibits), which exhibits, or portions of exhibits, are intended to be deemed filed rather than furnished pursuant to this instruction.

3. If the registrant previously has reported substantially the same information as required by this Form, the registrant need not make an additional report of the information on this Form. To the extent that an item calls for disclosure of developments concerning a previously reported event or transaction, any information required in the new report or amendment about the previously reported event or transaction may be provided by incorporation by reference to the previously filed report. The term previously reported is defined in Rule 12b-2 (17 CFR 240.12b-2).

4. Copies of agreements, amendments or other documents or instruments required to be filed pursuant to Form 8-K are not required to be filed or furnished as exhibits to the Form 8-K unless specifically required to be filed or furnished by the applicable Item. This instruction does not affect the requirement to otherwise file such agreements, amendments or other documents or instruments, including as exhibits to registration statements and periodic reports pursuant to the requirements of Item 601 of Regulation S-K.

5. When considering current reporting on this Form, particularly of other events of material importance pursuant to Item 7.01 (Regulation FD Disclosure) and Item 8.01 (Other Events), registrants should have due regard for the accuracy, completeness and currency of the information in registration statements filed under the Securities Act which incorporate by reference information in reports filed pursuant to the Exchange Act, including reports on this Form.

6. A registrant's report under Item 7.01 (Regulation FD Disclosure) or Item 8.01 (Other Events) will not be deemed an admission as to the materiality of any information in the report that is required to be disclosed solely by Regulation FD.

7. If a registrant's report or exhibit to such report relates to a de-SPAC transaction (as defined in Item 1601(a) of Regulation S-K (17 CFR 229.1601(a)) and includes projections that relate to the performance of the special purpose acquisition company or the target company, the report or exhibit, as applicable, must include the information required by paragraphs (a) and (b) of Item 1609 of Regulation S-K (17 CFR 229.1609(a), (b)).

C. Application of General Rules and Regulations.

1. The General Rules and Regulations under the Act (17 CFR Part 240) contain certain general requirements which are applicable to reports on any Form. These general requirements should be carefully read and observed in the preparation and filing of reports on this Form.

2. Particular attention is directed to Regulation 12B (17 CFR 240.12b-1 et seq.) which contains general requirements regarding matters such as the kind and size of paper to be used, the legibility of the report, the information to be given whenever the title of securities is required to be stated, and the filing of the report. The definitions contained in Rule 12b-2 should be especially noted. See also Regulations 13A (17 CFR 240.13a-1 et seq.) and 15D (17 CFR 240.15d-1 et seq.).

D. Preparation of Report.

This Form is not to be used as a blank Form to be filled in, but only as a guide in the preparation of the report on paper meeting the requirements of Rule 12b-12 (17 CFR 240.12b-12). The report shall contain the number and caption of the applicable item, but the text of such item may be omitted, provided the answers thereto are prepared in the manner specified in Rule 12b-13 (17 CFR 240.12b-13). To the extent that Item 1.01 and one or more other items of the Form are applicable, registrants need not provide the number and caption of Item 1.01 so long as the substantive disclosure required by Item 1.01 is disclosed in the report and the number and caption of the other applicable item(s) are provided. All items that are not required to be answered in a particular report may be omitted and no reference thereto need be made in the report. All instructions should also be omitted.

E. Signature and Filing of Report.

Three complete copies of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, and five additional copies which need not include exhibits, shall be filed with the Commission. At least one complete copy of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, shall be filed, with each exchange on which any class of securities of the registrant is registered. At least one complete copy of the report filed with the Commission and one such copy filed with each exchange shall be manually signed. Copies not manually signed shall bear typed or printed signatures.

F. Incorporation by Reference.

If the registrant makes available to its stockholders or otherwise publishes, within the period prescribed for filing the report, a press release or other document or statement containing information meeting some or all of the requirements of this Form, the information called for may be incorporated by reference to such published document or statement, in answer or partial answer to any item or items of this Form, provided copies thereof are filed as an exhibit to the report on this Form.

G. Use of this Form by Asset-Backed Issuers.

The following applies to registrants that are asset-backed issuers. Terms used in this General Instruction G. have the same meaning as in Item 1101 of Regulation AB (17 CFR 229.1101).

1. Reportable Events That May Be Omitted.

The registrant need not file a report on this Form upon the occurrence of any one or more of the events specified in the following:

2. Additional Disclosure for the Form 8-K Cover Page.

Immediately after the name of the issuing entity on the cover page of the Form 8-K, as separate line items, identify the exact name of the depositor as specified in its charter and the exact name of the sponsor as specified in its charter. Include a Central Index Key number for the depositor and the issuing entity, and if available, the sponsor.

3. Signatures.

The Form 8-K must be signed by the depositor. In the alternative, the Form 8-K may be signed on behalf of the issuing entity by a duly authorized representative of the servicer. If multiple servicers are involved in servicing the pool assets, a duly authorized representative of the master servicer (or entity performing the equivalent function) must sign if a representative of the servicer is to sign the report on behalf of the issuing entity.

INFORMATION TO BE INCLUDED IN THE REPORT

Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

(a) If the registrant has entered into a material definitive agreement not made in the ordinary course of business of the registrant, or into any amendment of such agreement that is material to the registrant, disclose the following information:

(1) the date on which the agreement was entered into or amended, the identity of the parties to the agreement or amendment and a brief description of any material relationship between the registrant or its affiliates and any of the parties, other than in respect of the material definitive agreement or amendment; and

(2) a brief description of the terms and conditions of the agreement or amendment that are material to the registrant.

(b) For purposes of this Item 1.01, a material definitive agreement means an agreement that provides for obligations that are material to and enforceable against the registrant, or rights that are material to the registrant and enforceable by the registrant against one or more other parties to the agreement, in each case whether or not subject to conditions.

Instructions.

1. Any material definitive agreement of the registrant not made in the ordinary course of the registrant's business must be disclosed under this Item 1.01. An agreement is deemed to be not made in the ordinary course of a registrant's business even if the agreement is such as ordinarily accompanies the kind of business conducted by the registrant if it involves the subject matter identified in Item 601(b)(10)(ii)(A) - (D) of Regulation S-K (17 CFR 229.601(b)(10)(ii)(A) - (D)). An agreement involving the subject matter identified in Item 601(b)(10)(iii)(A) or (B) need not be disclosed under this Item.

2. A registrant must provide disclosure under this Item 1.01 if the registrant succeeds as a party to the agreement or amendment to the agreement by assumption or assignment (other than in connection with a merger or acquisition or similar transaction).

3. With respect to asset-backed securities, as defined in Item 1101 of Regulation AB (17 CFR 229.1101), disclosure is required under this Item 1.01 regarding the entry into or an amendment to a definitive agreement that is material to the asset-backed securities transaction, even if the registrant is not a party to such agreement (e.g., a servicing agreement with a servicer contemplated by Item 1108(a)(3) of Regulation AB (17 CFR 229.1108(a)(3))).

4. To the extent a material definitive agreement is filed as an exhibit under this Item 1.01, schedules (or similar attachments) to the exhibits are not required to be filed unless they contain information material to an investment or voting decision and that information is not otherwise disclosed in the exhibit or the disclosure document. Each exhibit filed must contain a list briefly identifying the contents of all omitted schedules. Registrants need not prepare a separate list of

omitted information if such information is already included within the exhibit in a manner that conveys the subject matter of the omitted schedules and attachments. In addition, the registrant must provide a copy of any omitted schedule to the Commission or its staff upon request.

5. To the extent a material definitive agreement is filed as an exhibit under this Item 1.01, the registrant may redact information from the exhibit if disclosure of such information would constitute a clearly unwarranted invasion of personal privacy (e.g., disclosure of bank account numbers, social security numbers, home addresses and similar information).

6. To the extent a material definitive agreement is filed as an exhibit under this Item 1.01, the registrant may redact specific provisions or terms of the exhibit if the registrant customarily and actually treats that information as private or confidential and if the omitted information is not material, provided that the registrant intends to incorporate by reference this filing into its future periodic reports or registration statements, as applicable, in satisfaction of Item 601(b)(10) of Regulation S-K. If it does so, the registrant should mark the exhibit index to indicate that portions of the exhibit have been omitted and include a prominent statement on the first page of the redacted exhibit that certain identified information has been excluded from the exhibit because it is both not material and is the type that the registrant treats as private or confidential. The registrant also must include brackets indicating where the information is omitted from the filed version of the exhibit.

If requested by the Commission or its staff, the registrant must promptly provide on a supplemental basis an unredacted copy of the exhibit and its materiality and privacy or confidentiality analyses. Upon evaluation of the registrant's supplemental materials, the Commission or its staff may require the registrant to amend its filing to include in the exhibit any previously redacted information that is not adequately supported by the registrant's analyses.

The registrant may request confidential treatment of the supplemental material submitted under this instruction pursuant to Rule 83 (§ 200.83) while it is in the possession of the Commission or its staff. After completing its review of the supplemental information, the Commission or its staff will return or destroy it if the registrant complies with the procedures outlined in Rules 418 or 12b-4 (§ 230.418 or § 240.12b-4).

Item 1.02 Termination of a Material Definitive Agreement.

(a) If a material definitive agreement which was not made in the ordinary course of business of the registrant and to which the registrant is a party is terminated otherwise than by expiration of the agreement on its stated termination date, or as a result of all parties completing their obligations under such agreement, and such termination of the agreement is material to the registrant, disclose the following information:

(1) the date of the termination of the material definitive agreement, the identity of the parties to the agreement and a brief description of any material relationship between the registrant or its affiliates and any of the parties other than in respect of the material definitive agreement;

(2) a brief description of the terms and conditions of the agreement that are material to the registrant;

- (3) a brief description of the material circumstances surrounding the termination; and
- (4) any material early termination penalties incurred by the registrant.

(b) For purposes of this Item 1.02, the term material definitive agreement shall have the same meaning as set forth in Item 1.01(b).

Instructions.

1. No disclosure is required solely by reason of this Item 1.02 during negotiations or discussions regarding termination of a material definitive agreement unless and until the agreement has been terminated.

2. No disclosure is required solely by reason of this Item 1.02 if the registrant believes in good faith that the material definitive agreement has not been terminated, unless the registrant has received a notice of termination pursuant to the terms of agreement.

3. With respect to asset-backed securities, as defined in Item 1101 of Regulation AB (17 CFR 229.1101), disclosure is required under this Item 1.02 regarding the termination of a definitive agreement that is material to the asset-backed securities transaction (otherwise than by expiration of the agreement on its stated termination date or as a result of all parties completing their obligations under such agreement), even if the registrant is not a party to such agreement (e.g., a servicing agreement with a servicer contemplated by Item 1108(a)(3) of Regulation AB (17 CFR 229.1108(a)(3))).

Item 1.03 Bankruptcy or Receivership.

(a) If a receiver, fiscal agent or similar officer has been appointed for a registrant or its parent, in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the registrant or its parent, or if such jurisdiction has been assumed by leaving the existing directors and officers in possession but subject to the supervision and orders of a court or governmental authority, disclose the following information:

- (1) the name or other identification of the proceeding;
- (2) the identity of the court or governmental authority;
- (3) the date that jurisdiction was assumed; and

(4) the identity of the receiver, fiscal agent or similar officer and the date of his or her appointment.

(b) If an order confirming a plan of reorganization, arrangement or liquidation has been entered by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the registrant or its parent, disclose the following:

- (1) the identity of the court or governmental authority;

(2) the date that the order confirming the plan was entered by the court or governmental authority;

(3) a summary of the material features of the plan and, pursuant to Item 9.01 (Financial Statements and Exhibits), a copy of the plan as confirmed;

(4) the number of shares or other units of the registrant or its parent issued and outstanding, the number reserved for future issuance in respect of claims and interests filed and allowed under the plan, and the aggregate total of such numbers; and

(5) information as to the assets and liabilities of the registrant or its parent as of the date that the order confirming the plan was entered, or a date as close thereto as practicable.

Instructions.

1. The information called for in paragraph (b)(5) of this Item 1.03 may be presented in the Form in which it was furnished to the court or governmental authority.

2. With respect to asset-backed securities, disclosure also is required under this Item 1.03 if the depositor (or servicer if the servicer signs the report on Form 10-K (17 CFR 249.310) of the issuing entity) becomes aware of any instances described in paragraph (a) or (b) of this Item with respect to the sponsor, depositor, servicer contemplated by Item 1108(a)(3) of Regulation AB (17 CFR 229.1108(a)(3)), trustee, significant obligor, enhancement or support provider contemplated by Items 1114(b) or 1115 of Regulation AB (17 CFR 229.1114(b) or 229.1115) or other material party contemplated by Item 1101(d)(1) of Regulation AB (17 CFR 1101(d)(1)). Terms used in this Instruction 2 have the same meaning as in Item 1101 of Regulation AB (17 CFR 229.1101).

Item 1.04 Mine Safety – Reporting of Shutdowns and Patterns of Violations.

(a) If the registrant or a subsidiary of the registrant has received, with respect to a coal or other mine of which the registrant or a subsidiary of the registrant is an operator

- an imminent danger order issued under section 107(a) of the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 817(a));
- a written notice from the Mine Safety and Health Administration that the coal or other mine has a pattern of violations of mandatory health or safety standards that are of such nature as could have significantly and substantially contributed to the cause and effect of coal or other mine health or safety hazards under section 104(e) of such Act (30 U.S.C. 814(e)); or
- a written notice from the Mine Safety and Health Administration that the coal or other mine has the potential to have such a pattern, disclose the following information:
 - (1) The date of receipt by the issuer or a subsidiary of such order or notice.
 - (2) The category of the order or notice.

- (3) The name and location of the mine involved.

Instructions to Item 1.04.

1. The term “coal or other mine” means a coal or other mine, as defined in section 3 of the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 802), that is subject to the provisions of such Act (30 U.S.C. 801 et seq).

2. The term “operator” has the meaning given the term in section 3 of the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 802).

Item 1.05 Material Cybersecurity Incidents.

- (a) If the registrant experiences a cybersecurity incident that is determined by the registrant to be material, describe the material aspects of the nature, scope, and timing of the incident, and the material impact or reasonably likely material impact on the registrant, including its financial condition and results of operations.

- (b) A registrant shall provide the information required by this Item in an Interactive Data File in accordance with Rule 405 of Regulation S-T and the EDGAR Filer Manual.

- (c) Notwithstanding General Instruction B.1. to Form 8-K, if the United States Attorney General determines that disclosure required by paragraph (a) of this Item 1.05 poses a substantial risk to national security or public safety, and notifies the Commission of such determination in writing, the registrant may delay providing the disclosure required by this Item 1.05 for a time period specified by the Attorney General, up to 30 days following the date when the disclosure required by this Item 1.05 was otherwise required to be provided. Disclosure may be delayed for an additional period of up to 30 days if the Attorney General determines that disclosure continues to pose a substantial risk to national security or public safety and notifies the Commission of such determination in writing. In extraordinary circumstances, disclosure may be delayed for a final additional period of up to 60 days if the Attorney General determines that disclosure continues to pose a substantial risk to national security and notifies the Commission of such determination in writing. Beyond the final 60-day delay under this paragraph, if the Attorney General indicates that further delay is necessary, the Commission will consider additional requests for delay and may grant such relief through Commission exemptive order.

- (d) Notwithstanding General Instruction B.1. to Form 8-K, if a registrant that is subject to 47 CFR 64.2011 is required to delay disclosing a data breach pursuant to such rule, it may delay providing the disclosure required by this Item 1.05 for such period that is applicable under 47 CFR 64.2011(b)(1) and in no event for more than seven business days after notification required under such provision has been made, so long as the registrant notifies the Commission in correspondence submitted to the EDGAR system no later than the date when the disclosure required by this Item 1.05 was otherwise required to be provided.

Instructions to Item 1.05.

1. A registrant’s materiality determination regarding a cybersecurity incident must be made without unreasonable delay after discovery of the incident.

2. To the extent that the information called for in Item 1.05(a) is not determined or is unavailable at the time of the required filing, the registrant shall include a statement to this effect in the filing and then must file an amendment to its Form 8-K filing under this Item 1.05 containing such information within four business days after the registrant, without unreasonable delay, determines such information or within four business days after such information becomes available.

3. The definition of the term “cybersecurity incident” in §229.106(a) [Item 106(a) of Regulation S-K] applies to this Item.

4. A registrant need not disclose specific or technical information about its planned response to the incident or its cybersecurity systems, related networks and devices, or potential system vulnerabilities in such detail as would impede the registrant’s response or remediation of the incident.

Section 2 - Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets.

If the registrant or any of its subsidiaries consolidated has completed the acquisition or disposition of a significant amount of assets, otherwise than in the ordinary course of business, or the acquisition or disposition of a significant amount of assets that constitute a real estate operation as defined in § 210.3-14(a)(2) disclose the following information:

(a) the date of completion of the transaction;

(b) a brief description of the assets involved;

(c) the identity of the person(s) from whom the assets were acquired or to whom they were sold and the nature of any material relationship, other than in respect of the transaction, between such person(s) and the registrant or any of its affiliates, or any director or officer of the registrant, or any associate of any such director or officer;

(d) the nature and amount of consideration given or received for the assets and, if any material relationship is disclosed pursuant to paragraph (c) of this Item 2.01, the formula or principle followed in determining the amount of such consideration;

(e) if the transaction being reported is an acquisition and if a material relationship exists between the registrant or any of its affiliates and the source(s) of the funds used in the acquisition, the identity of the source(s) of the funds unless all or any part of the consideration used is a loan made in the ordinary course of business by a bank as defined by Section 3(a)(6) of the Act, in which case the identity of such bank may be omitted provided the registrant:

(1) has made a request for confidentiality pursuant to Section 13(d)(1)(B) of the Act;
and

(2) states in the report that the identity of the bank has been so omitted and filed separately with the Commission; and

(f) if the registrant was a shell company, other than a business combination related shell company, as those terms are defined in Rule 12b-2 under the Exchange Act (17 CFR 240.12b-2), immediately before the transaction in which the registrant acquired a business that is its predecessor, disclose the information that would be required if the acquired business or real estate operation that is its predecessor were filing a general form for registration of securities on Form 10 under the Exchange Act reflecting all classes of the registrant's securities subject to the reporting requirements of Section 13 (15 U.S.C. 78m) or Section 15(d) (15 U.S.C. 78o(d)) of such Act upon consummation of the transaction. However, when, at the time of filing, the predecessor meets the conditions of an emerging growth company, as defined in § 230.405 of this chapter (Rule 405 of the Securities Act) or § 240.12b-2 of this chapter (Rule 12b-2 of the Exchange Act), the registrant need not present audited financial statements for the predecessor for any period prior to the earliest audited period presented in its financial statements included in a previously filed registration or proxy statement for the transaction resulting in the loss of shell company status. Notwithstanding General Instruction B.3. to Form 8-K, if any disclosure required by this Item 2.01(f) is previously reported, as that term is defined in Rule 12b-2 under the Exchange Act (17 CFR 240.12b-2), the registrant may identify the filing in which that disclosure is included instead of including that disclosure in this report.

Instructions.

1. No information need be given as to:

- (i) any transaction between any person and any wholly-owned subsidiary of such person;
- (ii) any transaction between two or more wholly-owned subsidiaries of any person; or
- (iii) the redemption or other acquisition of securities from the public, or the sale or other disposition of securities to the public, by the issuer of such securities or by a wholly-owned subsidiary of that issuer.

2. The term acquisition includes every purchase, acquisition by lease, exchange, merger, consolidation, succession or other acquisition, except that the term does not include the construction or development of property by or for the registrant or its subsidiaries or the acquisition of materials for such purpose. The term disposition includes every sale, disposition by lease, exchange, merger, consolidation, mortgage, assignment or hypothecation of assets, whether for the benefit of creditors or otherwise, abandonment, destruction, or other disposition.

3. The information called for by this Item 2.01 is to be given as to each transaction or series of related transactions of the size indicated. The acquisition or disposition of securities is deemed the indirect acquisition or disposition of the assets represented by such securities if it results in the acquisition or disposition of control of such assets.

4. An acquisition or disposition will be deemed to involve a significant amount of assets:

- (i) if the registrant's and its other subsidiaries' equity in the net book value of such assets or the amount paid or received for the assets upon such acquisition or disposition exceeded 10 percent of the total assets of the registrant and its consolidated subsidiaries;

(ii) if it involved a business (see 17 CFR 210.11-01(d)) that is significant (see 17 CFR 210.11-01(b)). The acquisition of a business encompasses the acquisition of an interest in a business accounted for by the registrant under the equity method or, in lieu of the equity method, the fair value option; or

(iii) in the case of a business development company, if the amount paid for such assets exceeded 10 percent of the value of the total investments of the registrant and its consolidated subsidiaries.

The aggregate impact of acquired businesses are not required to be reported pursuant to this Item 2.01 unless they are related businesses (see 17 CFR 210.3-05(a)(3)), related real estate operations (see 17 CFR 210.3-14(a)(3)), or related funds (see 17 CFR 210.6-11(a)(3)), and are significant in the aggregate.

5. Attention is directed to the requirements in Item 9.01 (Financial Statements and Exhibits) with respect to the filing of:

- (i) financial statements of businesses or funds acquired;
- (ii) pro forma financial information; and
- (iii) copies of the plans of acquisition or disposition as exhibits to the report.

Item 2.02 Results of Operations and Financial Condition.

(a) If a registrant, or any person acting on its behalf, makes any public announcement or release (including any update of an earlier announcement or release) disclosing material non-public information regarding the registrant's results of operations or financial condition for a completed quarterly or annual fiscal period, the registrant shall disclose the date of the announcement or release, briefly identify the announcement or release and include the text of that announcement or release as an exhibit.

(b) A Form 8-K is not required to be furnished to the Commission under this Item 2.02 in the case of disclosure of material non-public information that is disclosed orally, telephonically, by webcast, by broadcast, or by similar means if:

(1) the information is provided as part of a presentation that is complementary to, and initially occurs within 48 hours after, a related, written announcement or release that has been furnished on Form 8-K pursuant to this Item 2.02 prior to the presentation;

(2) the presentation is broadly accessible to the public by dial-in conference call, by webcast, by broadcast or by similar means;

(3) the financial and other statistical information contained in the presentation is provided on the registrant's website, together with any information that would be required under 17 CFR 244.100; and

(4) the presentation was announced by a widely disseminated press release, that included instructions as to when and how to access the presentation and the location on the registrant's website where the information would be available.

Instructions.

1. The requirements of this Item 2.02 are triggered by the disclosure of material non-public information regarding a completed fiscal year or quarter. Release of additional or updated material non-public information regarding a completed fiscal year or quarter would trigger an additional Item 2.02 requirement.

2. The requirements of paragraph (e)(1)(i) of Item 10 of Regulation S-K (17 CFR 229.10(e)(1)(i)) shall apply to disclosures under this Item 2.02.

3. Issuers that make earnings announcements or other disclosures of material non-public information regarding a completed fiscal year or quarter in an interim or annual report to shareholders are permitted to specify which portion of the report contains the information required to be furnished under this Item 2.02.

4. This Item 2.02 does not apply in the case of a disclosure that is made in a quarterly report filed with the Commission on Form 10-Q (17 CFR 249.308a) or an annual report filed with the Commission on Form 10-K (17 CFR 249.310).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

(a) If the registrant becomes obligated on a direct financial obligation that is material to the registrant, disclose the following information:

(1) the date on which the registrant becomes obligated on the direct financial obligation and a brief description of the transaction or agreement creating the obligation;

(2) the amount of the obligation, including the terms of its payment and, if applicable, a brief description of the material terms under which it may be accelerated or increased and the nature of any recourse provisions that would enable the registrant to recover from third parties; and;

(3) a brief description of the other terms and conditions of the transaction or agreement that are material to the registrant.

(b) If the registrant becomes directly or contingently liable for an obligation that is material to the registrant arising out of an off-balance sheet arrangement, disclose the following information:

(1) the date on which the registrant becomes directly or contingently liable on the obligation and a brief description of the transaction or agreement creating the arrangement and obligation;

(2) a brief description of the nature and amount of the obligation of the registrant under the arrangement, including the material terms whereby it may become a direct obligation, if applicable, or may be accelerated or increased and the nature of any recourse provisions that would enable the registrant to recover from third parties;

(3) the maximum potential amount of future payments (undiscounted) that the registrant may be required to make, if different; and

(4) a brief description of the other terms and conditions of the obligation or arrangement that are material to the registrant.

(c) For purposes of this Item 2.03, direct financial obligation means any of the following:

(1) a long-term debt obligation means a payment obligation under long-term borrowings referenced in FASB ASC paragraph 470-10-50-1 (Debt Topic) as may be modified or supplemented;

(2) a finance lease obligation means a payment obligation under a lease that would be classified as a finance lease pursuant to FASB ASC Topic 842, Leases, as may be modified or supplemented;

(3) an operating lease obligation means a payment obligation under a lease that would be classified as an operating lease pursuant to FASB ASC Topic 840, as may be modified or supplemented; or

(4) a short-term debt obligation that arises other than in the ordinary course of business.

(d) For purposes of this Item 2.03, off-balance sheet arrangement means any transaction, agreement or other contractual arrangement to which an entity unconsolidated with the registrant is a party, under which the registrant has.

(1) Any obligation under a guarantee contract that has any of the characteristics identified in FASB ASC paragraph 460-10-15-4 (Guarantees Topic), as may be modified or supplemented, and that is not excluded from the initial recognition and measurement provisions of FASB ASC paragraphs 460-10-15-7, 460-10-25-1, and 460-10-30-1.

(2) A retained or contingent interest in assets transferred to an unconsolidated entity or similar arrangement that serves as credit, liquidity or market risk support to such entity for such assets;

(3) Any obligation, including a contingent obligation, under a contract that would be accounted for as a derivative instrument, except that it is both indexed to the registrant's own stock and classified in stockholders' equity in the registrant's statement of financial position, and therefore excluded from the scope of FASB ASC Topic 815, Derivatives and Hedging, pursuant to FASB ASC subparagraph 815-10-15-74(a), as may be modified or supplemented; or

(4) Any obligation, including a contingent obligation, arising out of a variable interest (as defined in the FASB ASC Master Glossary), as may be modified or supplemented in an

unconsolidated entity that is held by, and material to, the registrant, where such entity provides financing, liquidity, market risk or credit risk support to, or engages in leasing, hedging or research and development services with, the registrant.

(e) For purposes of this Item 2.03, short-term debt obligation means a payment obligation under a borrowing arrangement that is scheduled to mature within one year, or, for those registrants that use the operating cycle concept of working capital, within a registrant's operating cycle that is longer than one year, as discussed in FASB ASC paragraph 210-10-45-3 (Balance Sheet Topic).

Instructions.

1. A registrant has no obligation to disclose information under this Item 2.03 until the registrant enters into an agreement enforceable against the registrant, whether or not subject to conditions, under which the direct financial obligation will arise or be created or issued. If there is no such agreement, the registrant must provide the disclosure within four business days after the occurrence of the closing or settlement of the transaction or arrangement under which the direct financial obligation arises or is created.

2. A registrant must provide the disclosure required by paragraph (b) of this Item 2.03 whether or not the registrant is also a party to the transaction or agreement creating the contingent obligation arising under the off-balance sheet arrangement. In the event that neither the registrant nor any affiliate of the registrant is also a party to the transaction or agreement creating the contingent obligation arising under the off-balance sheet arrangement in question, the four business day period for reporting the event under this Item 2.03 shall begin on the earlier of (i) the fourth business day after the contingent obligation is created or arises, and (ii) the day on which an executive officer, as defined in 17 CFR 240.3b-7, of the registrant becomes aware of the contingent obligation.

3. In the event that an agreement, transaction or arrangement requiring disclosure under this Item 2.03 comprises a facility, program or similar arrangement that creates or may give rise to direct financial obligations of the registrant in connection with multiple transactions, the registrant shall:

(i) disclose the entering into of the facility, program or similar arrangement if the entering into of the facility is material to the registrant; and

(ii) as direct financial obligations arise or are created under the facility or program, disclose the required information under this Item 2.03 to the extent that the obligations are material to the registrant (including when a series of previously undisclosed individually immaterial obligations become material in the aggregate).

4. For purposes of Item 2.03(b)(3), the maximum amount of future payments shall not be reduced by the effect of any amounts that may possibly be recovered by the registrant under recourse or collateralization provisions in any guarantee agreement, transaction or arrangement.

5. If the obligation required to be disclosed under this Item 2.03 is a security, or a term of a security, that has been or will be sold pursuant to an effective registration statement of the

registrant, the registrant is not required to file a Form 8-K pursuant to this Item 2.03, provided that the prospectus relating to that sale contains the information required by this Item 2.03 and is filed within the required time period under Securities Act Rule 424 (§230.424 of this chapter).

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

(a) If a triggering event causing the increase or acceleration of a direct financial obligation of the registrant occurs and the consequences of the event, taking into account those described in paragraph (a)(4) of this Item 2.04, are material to the registrant, disclose the following information:

(1) the date of the triggering event and a brief description of the agreement or transaction under which the direct financial obligation was created and is increased or accelerated;

(2) a brief description of the triggering event;

(3) the amount of the direct financial obligation, as increased if applicable, and the terms of payment or acceleration that apply; and

(4) any other material obligations of the registrant that may arise, increase, be accelerated or become direct financial obligations as a result of the triggering event or the increase or acceleration of the direct financial obligation.

(b) If a triggering event occurs causing an obligation of the registrant under an off-balance sheet arrangement to increase or be accelerated, or causing a contingent obligation of the registrant under an off-balance sheet arrangement to become a direct financial obligation of the registrant, and the consequences of the event, taking into account those described in paragraph (b)(4) of this Item 2.04, are material to the registrant, disclose the following information:

(1) the date of the triggering event and a brief description of the off-balance sheet arrangement;

(2) a brief description of the triggering event;

(3) the nature and amount of the obligation, as increased if applicable, and the terms of payment or acceleration that apply; and

(4) any other material obligations of the registrant that may arise, increase, be accelerated or become direct financial obligations as a result of the triggering event or the increase or acceleration of the obligation under the off-balance sheet arrangement or its becoming a direct financial obligation of the registrant.

(c) For purposes of this Item 2.04, the term direct financial obligation has the meaning provided in Item 2.03 of this Form, but shall also include an obligation arising out of an off-balance sheet arrangement that is accrued under FASB ASC Section 450-20-25, Contingencies - Loss Contingencies – Recognition, as a probable loss contingency.

(d) For purposes of this Item 2.04, the term off-balance sheet arrangement has the meaning provided in Item 2.03 of this Form.

(e) For purposes of this Item 2.04, a triggering event is an event, including an event of default, event of acceleration or similar event, as a result of which a direct financial obligation of the registrant or an obligation of the registrant arising under an off-balance sheet arrangement is increased or becomes accelerated or as a result of which a contingent obligation of the registrant arising out of an off-balance sheet arrangement becomes a direct financial obligation of the registrant.

Instructions.

1. Disclosure is required if a triggering event occurs in respect of an obligation of the registrant under an off-balance sheet arrangement and the consequences are material to the registrant, whether or not the registrant is also a party to the transaction or agreement under which the triggering event occurs.

2. No disclosure is required under this Item 2.04 unless and until a triggering event has occurred in accordance with the terms of the relevant agreement, transaction or arrangement, including, if required, the sending to the registrant of notice of the occurrence of a triggering event pursuant to the terms of the agreement, transaction or arrangement and the satisfaction of all conditions to such occurrence, except the passage of time.

3. No disclosure is required solely by reason of this Item 2.04 if the registrant believes in good faith that no triggering event has occurred, unless the registrant has received a notice described in Instruction 2 to this Item 2.04.

4. Where a registrant is subject to an obligation arising out of an off-balance sheet arrangement, whether or not disclosed pursuant to Item 2.03 of this Form, if a triggering event occurs as a result of which under that obligation an accrual for a probable loss is required under FASB ASC Section 450-20-25, the obligation arising out of the off-balance sheet arrangement becomes a direct financial obligation as defined in this Item 2.04. In that situation, if the consequences as determined under Item 2.04(b) are material to the registrant, disclosure is required under this Item 2.04.

5. With respect to asset-backed securities, as defined in 17 CFR 229.1101, disclosure also is required under this Item 2.04 if an early amortization, performance trigger or other event, including an event of default, has occurred under the transaction agreements for the asset-backed securities that would materially alter the payment priority or distribution of cash flows regarding the asset-backed securities or the amortization schedule for the asset-backed securities. In providing the disclosure required by this Item, identify the changes to the payment priorities, flow of funds or asset-backed securities as a result. Disclosure is required under this Item whether or not the registrant is a party to the transaction agreement that results in the occurrence identified.

Item 2.05 Costs Associated with Exit or Disposal Activities.

If the registrant's board of directors, a committee of the board of directors or the officer or officers of the registrant authorized to take such action if board action is not required, commits the registrant to an exit or disposal plan, or otherwise disposes of a long-lived asset or terminates employees under a plan of termination described in FASB ASC paragraph 420-10-25-4 (Exit or Disposal Cost Obligations Topic), under which material charges will be incurred under generally accepted accounting principles applicable to the registrant, disclose the following information:

(a) the date of the commitment to the course of action and a description of the course of action, including the facts and circumstances leading to the expected action and the expected completion date;

(b) for each major type of cost associated with the course of action (for example, one-time termination benefits, contract termination costs and other associated costs), an estimate of the total amount or range of amounts expected to be incurred in connection with the action;

(c) an estimate of the total amount or range of amounts expected to be incurred in connection with the action; and

(d) the registrant's estimate of the amount or range of amounts of the charge that will result in future cash expenditures, provided, however, that if the registrant determines that at the time of filing it is unable in good faith to make a determination of an estimate required by paragraphs (b), (c) or (d) of this Item 2.05, no disclosure of such estimate shall be required; provided further, however, that in any such event, the registrant shall file an amended report on Form 8-K under this Item 2.05 within four business days after it makes a determination of such an estimate or range of estimates.

Item 2.06 Material Impairments.

If the registrant's board of directors, a committee of the board of directors or the officer or officers of the registrant authorized to take such action if board action is not required, concludes that a material charge for impairment to one or more of its assets, including, without limitation, impairments of securities or goodwill, is required under generally accepted accounting principles applicable to the registrant, disclose the following information:

(a) the date of the conclusion that a material charge is required and a description of the impaired asset or assets and the facts and circumstances leading to the conclusion that the charge for impairment is required;

(b) the registrant's estimate of the amount or range of amounts of the impairment charge; and

(c) the registrant's estimate of the amount or range of amounts of the impairment charge that will result in future cash expenditures, provided, however, that if the registrant determines that at the time of filing it is unable in good faith to make a determination of an estimate required by paragraphs (b) or (c) of this Item 2.06, no disclosure of such estimate shall be required; provided further, however, that in any such event, the registrant shall file an amended report on

Form 8-K under this Item 2.06 within four business days after it makes a determination of such an estimate or range of estimates.

Instruction.

No filing is required under this Item 2.06 if the conclusion is made in connection with the preparation, review or audit of financial statements required to be included in the next periodic report due to be filed under the Exchange Act, the periodic report is filed on a timely basis and such conclusion is disclosed in the report.

Section 3 - Securities and Trading Markets

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a) If the registrant has received notice from the national securities exchange or national securities association (or a facility thereof) that maintains the principal listing for any class of the registrant's common equity (as defined in Exchange Act Rule 12b-2 (17 CFR 240.12b-2)) that:

- the registrant or such class of the registrant's securities does not satisfy a rule or standard for continued listing on the exchange or association;
- the exchange has submitted an application under Exchange Act Rule 12d2-2 (17 CFR 240.12d2-2) to the Commission to delist such class of the registrant's securities; or
- the association has taken all necessary steps under its rules to delist the security from its automated inter-dealer quotation system,

the registrant must disclose:

- (i) the date that the registrant received the notice;
- (ii) the rule or standard for continued listing on the national securities exchange or national securities association that the registrant fails, or has failed to, satisfy; and
- (iii) any action or response that, at the time of filing, the registrant has determined to take in response to the notice.

(b) If the registrant has notified the national securities exchange or national securities association (or a facility thereof) that maintains the principal listing for any class of the registrant's common equity (as defined in Exchange Act Rule 12b-2 (17 CFR 240.12b-2)) that the registrant is aware of any material noncompliance with a rule or standard for continued listing on the exchange or association, the registrant must disclose:

- (i) the date that the registrant provided such notice to the exchange or association;
- (ii) the rule or standard for continued listing on the exchange or association that the registrant fails, or has failed, to satisfy; and

(iii) any action or response that, at the time of filing, the registrant has determined to take regarding its noncompliance.

(c) If the national securities exchange or national securities association (or a facility thereof) that maintains the principal listing for any class of the registrant's common equity (as defined in Exchange Act Rule 12b-2 (17 CFR 240.12b-2)), in lieu of suspending trading in or delisting such class of the registrant's securities, issues a public reprimand letter or similar communication indicating that the registrant has violated a rule or standard for continued listing on the exchange or association, the registrant must state the date, and summarize the contents of the letter or communication.

(d) If the registrant's board of directors, a committee of the board of directors or the officer or officers of the registrant authorized to take such action if board action is not required, has taken definitive action to cause the listing of a class of its common equity to be withdrawn from the national securities exchange, or terminated from the automated inter-dealer quotation system of a registered national securities association, where such exchange or association maintains the principal listing for such class of securities, including by reason of a transfer of the listing or quotation to another securities exchange or quotation system, describe the action taken and state the date of the action.

Instructions.

1. The registrant is not required to disclose any information required by paragraph (a) of this Item 3.01 where the delisting is a result of one of the following:

- the entire class of the security has been called for redemption, maturity or retirement; appropriate notice thereof has been given; if required by the terms of the securities, funds sufficient for the payment of all such securities have been deposited with an agency authorized to make such payments; and such funds have been made available to security holders;
- the entire class of the security has been redeemed or paid at maturity or retirement;
- the instruments representing the entire class of securities have come to evidence, by operation of law or otherwise, other securities in substitution therefor and represent no other right, except, if true, the right to receive an immediate cash payment (the right of dissenters to receive the appraised or fair value of their holdings shall not prevent the application of this provision); or
- all rights pertaining to the entire class of the security have been extinguished; provided, however, that where such an event occurs as the result of an order of a court or other governmental authority, the order shall be final, all applicable appeal periods shall have expired and no appeals shall be pending.

2. A registrant must provide the disclosure required by paragraph (a) or (b) of this Item 3.01, as applicable, regarding any failure to satisfy a rule or standard for continued listing on the national securities exchange or national securities association (or a facility thereof) that

maintains the principal listing for any class of the registrant's common equity (as defined in Exchange Act Rule 12b-2 (17 CFR 240.12b-2)) even if the registrant has the benefit of a grace period or similar extension period during which it may cure the deficiency that triggers the disclosure requirement.

3. Notices or other communications subsequent to an initial notice sent to, or by, a registrant under Item 3.01(a), (b) or (c) that continue to indicate that the registrant does not comply with the same rule or standard for continued listing that was the subject of the initial notice are not required to be filed, but may be filed voluntarily.

4. Registrants whose securities are quoted exclusively (i.e., the securities are not otherwise listed on an exchange or association) on automated inter-dealer quotation systems are not subject to this Item 3.01 and such registrants are thus not required to file a Form 8-K pursuant to this Item 3.01 if the securities are no longer quoted on such quotation system. If a security is listed on an exchange or association and is also quoted on an automated inter-dealer quotation system, the registrant is subject to the disclosure obligations of Item 3.01 if any of the events specified in Item 3.01 occur.

Item 3.02 Unregistered Sales of Equity Securities.

(a) If the registrant sells equity securities in a transaction that is not registered under the Securities Act, furnish the information set forth in paragraphs (a) and (c) through (e) of Item 701 of Regulation S-K (17 CFR 229.701(a) and (c) through (e)). For purposes of determining the required filing date for the Form 8-K under this Item 3.02(a), the registrant has no obligation to disclose information under this Item 3.02 until the registrant enters into an agreement enforceable against the registrant, whether or not subject to conditions, under which the equity securities are to be sold. If there is no such agreement, the registrant must provide the disclosure within four business days after the occurrence of the closing or settlement of the transaction or arrangement under which the equity securities are to be sold.

(b) No report need be filed under this Item 3.02 if the equity securities sold, in the aggregate since its last report filed under this Item 3.02 or its last periodic report, whichever is more recent, constitute less than 1% of the number of shares outstanding of the class of equity securities sold. In the case of a smaller reporting company, no report need be filed if the equity securities sold, in the aggregate since its last report filed under this Item 3.02 or its last periodic report, whichever is more recent, constitute less than 5% of the number of shares outstanding of the class of equity securities sold.

Instructions.

1. For purposes of this Item 3.02, "the number of shares outstanding" refers to the actual number of shares of equity securities of the class outstanding and does not include outstanding securities convertible into or exchangeable for such equity securities.

2. A smaller reporting company is defined under Item 10(f)(1) of Regulation S-K (17 CFR 229.10(f)(1)).

Item 3.03 Material Modification to Rights of Security Holders.

(a) If the constituent instruments defining the rights of the holders of any class of registered securities of the registrant have been materially modified, disclose the date of the modification, the title of the class of securities involved and briefly describe the general effect of such modification upon the rights of holders of such securities.

(b) If the rights evidenced by any class of registered securities have been materially limited or qualified by the issuance or modification of any other class of securities by the registrant, briefly disclose the date of the issuance or modification, the general effect of the issuance or modification of such other class of securities upon the rights of the holders of the registered securities.

Instruction.

Working capital restrictions and other limitations upon the payment of dividends must be reported pursuant to this Item 3.03.

Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant's Certifying Accountant.

(a) If an independent accountant who was previously engaged as the principal accountant to audit the registrant's financial statements, or an independent accountant upon whom the principal accountant expressed reliance in its report regarding a significant subsidiary, resigns (or indicates that it declines to stand for re-appointment after completion of the current audit) or is dismissed, disclose the information required by Item 304(a)(1) of Regulation S-K (17 CFR 229.304(a)(1) of this chapter), including compliance with Item 304(a)(3) of Regulation S-K (17 CFR 229.304(a)(3) of this chapter).

(b) If a new independent accountant has been engaged as either the principal accountant to audit the registrant's financial statements or as an independent accountant on whom the principal accountant is expected to express reliance in its report regarding a significant subsidiary, the registrant must disclose the information required by Item 304(a)(2) of Regulation S-K (17 CFR 229.304(a)(2)).

Instruction.

The resignation or dismissal of an independent accountant, or its refusal to stand for re-appointment, is a reportable event separate from the engagement of a new independent accountant. On some occasions, two reports on Form 8-K are required for a single change in accountants, the first on the resignation (or refusal to stand for re-appointment) or dismissal of the former accountant and the second when the new accountant is engaged. Information required in the second Form 8-K in such situations need not be provided to the extent that it has been reported previously in the first Form 8-K.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a) If the registrant's board of directors, a committee of the board of directors or the officer or officers of the registrant authorized to take such action if board action is not required, concludes that any previously issued financial statements, covering one or more years or interim periods for which the registrant is required to provide financial statements under Regulation S-X (17 CFR 210) should no longer be relied upon because of an error in such financial statements as addressed in FASB ASC Topic 250, Accounting Changes and Error Corrections, as may be modified, supplemented or succeeded, disclose the following information:

(1) the date of the conclusion regarding the non-reliance and an identification of the financial statements and years or periods covered that should no longer be relied upon;

(2) a brief description of the facts underlying the conclusion to the extent known to the registrant at the time of filing; and

(3) a statement of whether the audit committee, or the board of directors in the absence of an audit committee, or authorized officer or officers, discussed with the registrant's independent accountant the matters disclosed in the filing pursuant to this Item 4.02(a).

(b) If the registrant is advised by, or receives notice from, its independent accountant that disclosure should be made or action should be taken to prevent future reliance on a previously issued audit report or completed interim review related to previously issued financial statements, disclose the following information:

(1) the date on which the registrant was so advised or notified;

(2) identification of the financial statements that should no longer be relied upon;

(3) a brief description of the information provided by the accountant; and

(4) a statement of whether the audit committee, or the board of directors in the absence of an audit committee, or authorized officer or officers, discussed with the independent accountant the matters disclosed in the filing pursuant to this Item 4.02(b).

(c) If the registrant receives advisement or notice from its independent accountant requiring disclosure under paragraph (b) of this Item 4.02, the registrant must:

(1) provide the independent accountant with a copy of the disclosures it is making in response to this Item 4.02 that the independent accountant shall receive no later than the day that the disclosures are filed with the Commission;

(2) request the independent accountant to furnish to the registrant as promptly as possible a letter addressed to the Commission stating whether the independent accountant agrees with the statements made by the registrant in response to this Item 4.02 and, if not, stating the respects in which it does not agree; and

(3) amend the registrant's previously filed Form 8-K by filing the independent accountant's letter as an exhibit to the filed Form 8-K no later than two business days after the registrant's receipt of the letter.

Section 5 - Corporate Governance and Management

Item 5.01 Changes in Control of Registrant.

(a) If, to the knowledge of the registrant's board of directors, a committee of the board of directors or authorized officer or officers of the registrant, a change in control of the registrant has occurred, furnish the following information:

- (1) the identity of the person(s) who acquired such control;
- (2) the date and a description of the transaction(s) which resulted in the change in control;
- (3) the basis of the control, including the percentage of voting securities of the registrant now beneficially owned directly or indirectly by the person(s) who acquired control;
- (4) the amount of the consideration used by such person(s);
- (5) the source(s) of funds used by the person(s), unless all or any part of the consideration used is a loan made in the ordinary course of business by a bank as defined by Section 3(a)(6) of the Act, in which case the identity of such bank may be omitted provided the person who acquired control:
 - (i) has made a request for confidentiality pursuant to Section 13(d)(1)(B) of the Act; and
 - (ii) states in the report that the identity of the bank has been so omitted and filed separately with the Commission.
- (6) the identity of the person(s) from whom control was assumed;
- (7) any arrangements or understandings among members of both the former and new control groups and their associates with respect to election of directors or other matters; and

Salt Lake City, UT – November 15, 2024 - St. Joseph Inc. (OTC: STJO), today announced a significant restructuring of its operating companies aimed at reducing debt and positioning the company for sustainable growth in sales and profits. This proactive initiative underscores St. Joseph Inc.'s commitment to enhancing shareholder value and optimizing operational efficiency.

In the wake of recent market challenges, STJO undertook a comprehensive review of its business units, resulting in a streamlined structure that reduces overhead and eliminates non-core liabilities. This restructuring is designed to create a more agile organization that can quickly respond to market demands and capitalize on emerging opportunities.

STJO, a diversified holding company, is pleased to announce the successful unwinding of its acquisition of MedHab, Inc., a medical technology company previously held by STJO. The decision to divest MedHab was made after a thorough strategic review aimed at aligning STJO's portfolio with its long-term goals, prioritizing sustainable growth, and enhancing shareholder value. The unwinding of this acquisition means that STJO is now entirely free from the debt previously associated with MedHab, a milestone that strengthens the company's balance sheet and enhances its ability to pursue new opportunities.
