Las Vegas, NV, October 7, 2024 (GLOBE NEWSWIRE) -- **Titan Lithium Inc., (OTC Markets: CDSG)** (the “**Company**” or “**CDSG**”) is a supplement.

On September 18, 2024, China Dongsheng International, Inc. (CDSG), all officers, Titan Lithium Inc., our lawyer Donald Keer and Henning Mager received a legal demand from an individual, Mr. Sylvester, who had entered into a private Share Purchase Agreement with another shareholder, Henning Mager. The SPA was executed, finalized and the shares were transferred to Mr. Sylvester from Mr. Mager and are recorded at the Transfer Agent. These funds were never received by CDSG nor is there any record anyone else who received the funds other than Mr. Mager. The case is spurious and a dispute between two private investors and not the Company. I, Caren Currier, feel that my time and efforts are more effectively allocated to other OTC clients. and I have decided to resign.

About the Company: China Dongsheng International Inc. (OTC Markets: CDSG), is a mineral explorer and developer with operations in Nevada, USA and The United Republic of Tanzania.

Forward-Looking Statements:

This press release may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, such as statements relating to financial results and plans for future development activities and are thus prospective. Forward-looking statements include all statements that are not statements of historical fact regarding the intent, belief or current expectations of the Company, its directors or its officers. Investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, many of which are beyond the Company's ability to control. Actual results may differ materially from those projected in the forward-looking statements. Among the factors that could cause actual results to differ materially from those indicated in the forward-looking statements are risks and uncertainties associated with the Company's business and finances in general, including the ability to continue and manage its growth, competition, global economic conditions and other factors discussed in detail in the Company's periodic filings with the Securities and Exchange Commission.
