Address of Principal Executive Office:

Reason for Delay in Posting Financial Report: State below in reasonable detail why the Annual/Quarterly Report could not be filed within the prescribed time period.

The time involved in preparing the required report has exceeded the available man hours in the period allocated to prepare the report for a timely filing due to the additional time to close the reporting period by multiple accounting staff members and third party accountants. The additional time required is directly related to operating entity Vetcomm LLC and the additional time and effort required for management to assess the month over month revenues, unearned portions and allocated costs and operating expenses. The Company is in the process of implementing policies and best practices in order to streamline the reporting process on a quarterly basis. The Company is working to close the interim report as quickly as possible in light of its recent growth, and expects to file as quickly as possible.
