

Know Labs, Inc. Reports Fourth Quarter and Fiscal Year 2024 Results

SEATTLE--(BUSINESS WIRE)-- <u>Know Labs, Inc.</u> (NYSE American: KNW), an emerging developer of non-invasive medical diagnostic technology, today reported financial results for the fourth quarter and fiscal year ended September 30, 2024.

Financial Highlights:

- Know Labs reported a net loss of \$16.58 million dollars in FY2024, compared to a net loss of \$15.29 million dollars in FY2023, an increase in net loss of 8.4%. This translates to Earnings Per Share of a loss of \$0.20, better than FY2023 Earnings Per Share Loss of \$0.41, an improvement of 51%, before preferred stock dividends.
- In FY2024, recorded a non-cash charge to earnings of \$4.93 million, compared to \$4.77 million FY2023. The non-cash items include (i) depreciation and amortization of \$81,000; (ii) stock based compensation-stock options of \$2,958,000; (iii) issuance of common stock for services of \$277,000; (iv) amortization of operating lease right-of-use asset of \$189,000; amortization of debt issuance costs of \$831,000; and (v) interest expense for extension of notes and warrants of \$594,000.
- Research and development expense for FY2024 was \$6.11 million dollars as compared to \$7.73 million dollars in FY2023, a decrease of 21.0% year over year. The decrease in R&D expense was related to decreases in engineering, third-party technical services, and expenditures related to the development of our Generation 2 device, which we completed and announced on February 27, 2024, as we continue to execute our path to FDA clinical trials and commercialization.
- Selling, general and administrative expenses for the year ended September 30, 2024 increased \$2,538,000 to \$9,109,000 as compared to \$6,571,000 for the year ended September 30, 2023. The increase primarily was due to (i) an increase of \$1,257,000 in salaries; (ii) an increase in legal expenses of \$669,000; (iii) issuance of common stock for services of \$277,000; and (iv) an increase in other expenses of \$335,000. As part of the selling, general and administrative expenses for the years ended September 30, 2024 and 2023, we recorded \$606,000 and \$305,000, respectively, of investor relationship and business development expenses.
- As of September 30, 2024, we have cash and cash equivalents of \$3.11 million, as compared to \$8.02 million dollars at the end of September 30, 2023. Net cash used in operations for FY2024 was \$12.83 million dollars compared with \$10.35 million in the prior year.
- During the year ended September 30, 2024, the Company made adjustments to its
 fixed expenses and the impact of those adjustments has significantly reduced our
 monthly burn rate. Given the significant reduction in fixed expenses, the Company
 believes that it has enough available cash and flexibility with its operating expenses to
 operate through February 28, 2025. As we have stated in our FY2024 10-K, we expect
 to raise additional funds through the issuance of equity, preferred stock and
 convertible debentures.
- Shareholder equity for the fiscal year 2024 was -\$2.16 million versus \$3.74 million in

fiscal year 2023.

About Know Labs, Inc.

Know Labs, Inc. is a public company whose shares trade on the NYSE American Exchange under the stock symbol "KNW." The Company's platform technology uses spectroscopy to direct electromagnetic energy through a substance or material to capture a unique molecular signature. The technology is designed to able to integrate into a variety of wearable, mobile or bench-top form factors. The Company believes that this patented and patent-pending technology makes it possible to effectively identify and monitor analytes that could only previously be performed by invasive and/or expensive and time-consuming lab-based tests. The Company's first expected application of the technology will be in a product marketed as a non-invasive glucose monitor. The device is designed to provide the user with accessible and affordable real-time information on blood glucose levels. This product will require U.S. Food and Drug Administration clearance prior to its introduction to the market.

Safe Harbor Statement

This release contains statements that constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements appear in a number of places in this release and include all statements that are not statements of historical fact regarding the intent, belief or current expectations of Know Labs, Inc., its directors or its officers with respect to, among other things: (i) financing plans; (ii) trends affecting its financial condition or results of operations; (iii) growth strategy and operating strategy; and (iv) performance of products. You can identify these statements by the use of the words "may," "will," "could," "should," "would," "plans," "expects," "anticipates," "continue," "estimate," "project," "intend," "likely," "forecast," "probable," "potential," and similar expressions and variations thereof are intended to identify forward-looking statements. Investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, many of which are beyond Know Labs, Inc.'s ability to control, and actual results may differ materially from those projected in the forward-looking statements as a result of various factors. These risks and uncertainties also include such additional risk factors as are discussed in the Company's filings with the U.S. Securities and Exchange Commission, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2024, Forms 10-Q and 8-K, and in other filings we make with the Securities and Exchange Commission from time to time. These documents are available on the SEC Filings section of the Investor Relations section of our website at www.knowlabs.co. The Company cautions readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made.
