## **7) Legal/Disciplinary History**

A. Identify and provide a brief explanation as to whether any of the persons or entities listed above in Section 6 have, in the past 10 years:

1. Been the subject of an indictment or conviction in a criminal proceeding or plea agreement or named as a defendant in a pending criminal proceeding (excluding minor traffic violations);

All priors have been removed by way of exchange cancelling large blocks and removed from > 5% ownership.

2. Been the subject of the entry of an order, judgment, or decree, not subsequently reversed, suspended or vacated, by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, financial- or investment-related, insurance or banking activities;

None.

3. Been the subject of a finding, disciplinary order or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, a state securities regulator of a violation of federal or state securities or commodities law, or a foreign regulatory body or court, which finding or judgment has not been reversed, suspended, or vacated;

None.

4. Named as a defendant or a respondent in a regulatory complaint or proceeding that could result in a "yes" answer to part 3 above; or

As of June 2024 Bryant and the former Company was named as a defendant in a civil action by Reich Brothers Inc against Agent Quantum Omega LLC - whereby Reich alleges that his property was taken and sold without his permission, citing fraud, conversion, unjust enrichment etc. The property in question, 250 million shares, was placed into a private placement (bid tender), on behalf of then unknown Criminal Bad Actor barring such actions. So Quantum Cancelled outright for Par Value (\$.00001) and no monies were received. The shares have been counterclaimed by (Agent) in a dissolution action from the "Prior Ceased Operations" noted on the balance sheet. The net SET ASIDE from Reich (owing

\$500k + \$250k) netted out the \$500k and \$250k in damages for costing parties at private sale for their own share certificates. Bryant has alleged inducement, deceit, fraud, conversion, malfeasance and has submitted records to the court for consideration of a summary judgement. At the time the Company entered into the original agreements, Reich was defunct, and concealed a criminal conviction from us, (Felony Conversion, Federal). Reich had other prior lawsuits indicating his behaviors which he also concealed. As a "Disqualified Person" Reich is barred from using Rule 144 as a means to obtain unrestricted shares. As our shares are unregistered, his bearer records will need to be adjudicated in court for him to receive any possible value. Respondents have moved for dismissal with prejudice and have ascertained a counterclaim without value citing damages based upon harassment, deceit, fraud, etc. against Reich, owing to the Windup of both, the prior Company, 3<sup>rd</sup> party Agent - Quantum Omega LLC which was employed to manage capital on behalf of the Company including private sale of any stock holdings of various shareholders, citing potential trade values quoted on private inter-dealer systems (OTC). The Company believes there is no merit to these claims and believes the likelihood of an adverse judgement requiring a liability is remote.

5. Been the subject of an order by a self-regulatory organization that permanently or temporarily barred, suspended, or otherwise limited such person's involvement in any type of business or securities activities.

None.

6. Been the subject of a U.S Postal Service false representation order, or a temporary restraining order, or preliminary injunction with respect to conduct alleged to have violated the false representation statute that applies to U.S mail.

None.
