RE: Recreatives Industries, Inc. ("The Issuer")

Dear Sir or Madam:

I represent Recreatives Industries, Inc., (Symbol: RECX), a Nevada corporation (the "Issuer") as its legal counsel. It should be noted that the Company was formerly known as Planet Resource Recovery, Inc. (Symbol: PRRY) until October My client has requested that I render a legal opinion as to whether there is adequate current information available on the OTC Disclosure and News Service for the Issuer and related matters relative to its Annual Disclosure Statement for the year ended December 31 2023 as well as its Quarterly Disclosure Statements for the periods ended March 31, 2024 and June 30, 2024. I am not an employee of the Issuer. Further, I have no agreement in place to receive future shares of the Issuer's stock in payment for services and I do not own, directly or beneficially, any shares of the Issuer's securities.

This opinion is meant to apply to the laws of the United States. I am a resident of the United States and licensed to practice in the state courts of Oregon and Washington and am also admitted to practice in the U.S. District Court for the District of Oregon and in the U.S. Tax Court. I am also permitted to practice before the Securities and Exchange Commission ("SEC"), and have not been prohibited from practice thereunder. I am not now nor have I ever been the subject of an investigation, hearing or proceeding by the SEC, the U.S. Commodity Futures Trading Commission (CFTC), the Financial Industry Regulatory Authority (FINRA), or any other federal, state or foreign regulatory agency. I am not now nor have I ever been suspended or barred from practicing in any state or jurisdiction nor have I ever been charged in a civil or criminal case.

This opinion does not rely on the work of other counsel.

I have examined the corporate records, documents and such questions of law that I consider necessary or appropriate for purposes of rendering this Opinion Letter. In my review I have met with the Board of Directors and management of the Issuer and have relied upon the representations of management and officers whom I believe to be reliable sources. I have reviewed the Issuer's corporate records including the following:

- Annual Disclosure Statement (as amended) for the year ended December 31, 2023 (posted September 16, 2024)

September 24, 2024

- Quarterly Disclosure Statement (as amended) for the quarter ended March 31, 2024, (posted September 16, 2024)
- Quarterly Disclosure Statement (as amended) for the quarter ended June 30, 2024, (posted September 16, 2024)

In my review I have relied upon the representations of management and officers of the Issuer and on publicly available information regarding the Issuer including financial statements listed above.

I have previously met with Andrew Lapp, CEO and a member of the Board of Directors, Galen Reich, President, and Gerald Mounger, a member of the Board of Directors and, on the basis of those prior meetings, have determined that subsequent email and telephone communications with those individuals can be relied upon as truthful, honest, and not deceitful in any way. Thus, I have reviewed the Disclosure Statements referenced herein, as amended and published through the OTC Disclosure & News Service and discussed the information contained therein with the members of management listed immediately above who confirmed, to my satisfaction, the truthfulness and accuracy of said information. In addition, I have communicated with Rodney Hershberger, a former member of the Board of Directors who was a member of the Board of Directors at all times relevant to this letter, who also confirmed that the information is true and accurate to the best of his knowledge and belief. All of the information I requested as a basis for this opinion has been provided to me and I believe the sources of information reviewed are reliable. In addition, I have reviewed the definition of current information set forth in SEC Rule 144(c)(2) under the Act ("Other Public Information") as well as the relevant provisions of Rule 15c2-11 of the Securities Exchange Act of 1934 (the "Exchange Act"), and the OTC Markets Group's Pink Basic Guidelines for Providing Adequate Current Information, In my opinion, the information provided:

(A) constitutes "adequate public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144(c)(2) of the Act;

(B) includes all of the information that a broker-dealer would be required to obtain from the issuer to publish a quotation for the Securities under Rule 15c2-11 under the Exchange Act;

(C) complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current Information, which is located at:

[www.otcmarkets.com](http://www.otcmarkets.com)

and

(D) has been posted through the OTC Disclosure and News Service.

The Issuer represents that it is not now a "shell" corporation as defined in Rules 405 of the Securities Act of 1933 and 12b-2 of the Exchange Act of 1934. My research of public filings supports this statement. Further, the issuer has never indicated in any prior public filings that it was ever a shell corporation. My research and analysis of public filings supports this statement as well.

In fact, the only transfer of Company stock occurring in the last twelve months was non-public and pursuant to the Settlement Agreement of April 22, 2024, referenced above.

I have confirmed with management that management is not aware of any investigation of the Issuer or of any beneficial owner, officer, director or legal counsel of the Issuer by any federal or state regulatory authority, including the SEC. After a review of documents as set forth above, and consultation with management, it is my opinion that
