#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of presentation

The Company's unaudited financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP"), and pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") and reflect all adjustments, consisting of normal recurring adjustments, which management believes are necessary to fairly present the financial position, results of operations and cash flows of the Company as of and for the quarter ended June 30, 2024.

#### Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Revenue Recognition

Revenue is recognized when services are performed and is recognized in an amount that reflects the consideration that an entity expects to receive in exchange for those services. In addition, the standard requires disclosure of the nature, amount, timing, and uncertainty of revenue and cash flows arising from

contracts with customers. The amount of revenue that is recorded reflects the consideration that the Company expects to receive in exchange for those services. The Company applies the following five-step model to determine this amount:

- 1) identification of the promised services in the contract;
- 2) determination of whether the promised services are performance obligations, including whether they are distinct in the context of the contract;
- 3) measurement of the transaction price, including the constraint on variable consideration;
- 4) allocation of the transaction price to the performance obligations; and
- 5) recognition of revenue when (or as) the Company satisfies each performance obligation.

For the Quarter ended June 30, 2024, the Company recognized revenue of \$2,500 for software licensing activities which represents 10% of the first year's amount due of \$25,000 under an evergreen contract with an option to renew on an annual basis. The remaining balance of \$22,500 is shown on the balance sheet as an accounts receivable of \$22,500 with an offset in deferred revenue (unearned income as money that is expected but not yet received).

Recently issued accounting pronouncements

The Company has implemented all new applicable accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

#### **NOTE 7 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events pursuant to the requirements of ASC Topic 855, from the balance sheet date through the date the unaudited financial statements were issued, and has determined that the following material subsequent event has taken place:

d. Pre-existing obligations: The plaintiff, EROP, in a lawsuit was owed \$825,000, plus attorney's fees and other costs. On May 25, 2022, a Florida court approved a settlement of \$1,375,000 (see 2) below) in full settlement of the claims plus an additional 598,000 shares of common stock ("the fee shares") to cover certain expenses incurred by plaintiff during the Settlement process. The settlement involved the issuance and exchange of securities for debt. On November 17, 2023, the Company (defendant), Bell Buckle Holdings, Inc. was authorized and instructed by the Court to reserve 750,000,000 (see 1.i below) shares for this specific transaction. EROP has sold 181,000,000 (see 1.ii below) shares leaving 569,000,000 shares as a remaining reserve balance.

Calculation of Outstanding Balance and Principal Amount at Issuance:

- 1. Outstanding Balance:
  - (i) **Settlement amount** = 750,000,000 shares x 0.0018333333333333 = \$1,375,000
  - (ii) Shares sold 07/30/2024 = 181,000,000 shares x 0.0018333333333333 = \$331,833
  - (iii) **Outstanding Balance** = \$1,375,000 \$331,833 = \$1,043,167
- **2. Principal Amount at Issuance of \$1,375,000** was derived from the Court ordered "Amended Order Approving Fairness of Settlement Agreement and Stipulation For Dismissal" document.
- e. On April 13, 2024 the following individuals have been appointed to the Company's Board of Directors:
  - 1. Tim Gargaro, CFO, CPA, MBA
  - 2. Roger Stevenson Hood, JD
  - **3.** Reginald Brian Kelley, Sr.
  - 4. Patrick Ong
