

Humble Energy, Inc.
447 Broadway, 2nd Floor
Unit 103
New York, NY 10013

August 12, 2024- Supplemental Information Disclosure for Humble Energy, Inc. (the “Company”):

On August 2, 2024, Humble Energy, Inc. and PanMeridian KS Holdings, LLC (“PMKS”) formally completed all the terms of the Agreement and Plan of Reorganization previously announced on February 7, 2024 and executed a Change of Control Agreement.

PMKS has exchanged all of its 10,000,000 membership interest units for 1,000,000 Series A Preferred Shares and 171,649,510 shares of restricted common stock to become a wholly owned subsidiary of the Company.

Mark Morelli has become the interim CEO of the Company and Paul Strickland has resigned from all positions he personally holds with the Company.

On July 30, 2024, the Company entered into a \$200,000 10% convertible promissory note with PMKS, a related party, as part of the Change of Control Agreement in conjunction with the transaction described above.

On July 30, 2024, the Company entered into an Anti-dilution Agreement with Selkirk Global Holdings, LLC, an entity controlled by the Company’s former Director and Secretary, as part of the Change of Control Agreement in conjunction with the transaction described above.

About PMKS

PanMeridian KS Holdings, LLC, owns various non-operated working interests in 173 wells in the Bradshaw Gas Field, an extension of the Hugoton Field, in Hamilton and Greeley Counties, Kansas. The discovery well was drilled in 1922 in Seward County, Kansas. There are currently 11,000+/- wells producing in the Hugoton Field, of which 7,800+/- are producing from Chase Group formations. All production is gas, and contains natural gas liquids and helium.
