**NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS**

National Asset Recovery Corporation (“the Company”), formerly known as Nasus Consulting, Inc. is a Nevada corporation incorporated in February 2009 and the successor by merger to a Massachusetts corporation incorporated on August 1, 2000.

Nasus Consulting, Inc. was incorporated in the Commonwealth of Massachusetts on August 1, 2000.

On August 27, 2010, the Company changed its business model to be a repossession company of motor vehicles, luxury assets and heavy equipment. The Company's intended clients were proposed to be banks and lenders that have loaned money to consumers who purchased autos/trucks, airplanes, boats/yachts and construction equipment. The Company plans to enter the market in Florida and to expand nationwide with strategic mergers and alliances.

On March 05, 2019, the eighth judicial District Court of Nevada appointed Custodian Ventures, LLC as custodian for National Asset Recovery Corporation, proper notice having been given to the officers and directors of National Asset Recovery Corporation. There was no opposition.

On March 06, 2019, the Company filed a certificate of revival with the state of Nevada, appointing David Lazar as, President, Secretary, Treasurer and Director.

On March 18, 2019, the Company issued 5,000,000 shares of series B Preferred stock to Custodian Ventures, LLC at par for shares valued at \$5,000 in exchange for settlement of a portion of a related party loan for amounts advanced to the Company in the amount of \$5,000.

These shares were transferred to Randall Lanham on September 10, 2019, for the purchase price of \$75,000 USD.

On June 8, 2023 the Company executed the merger agreement with GreetEat LLC (“GreetEat”). The agreement is pending submission to the Secretary of State of the State of Nevada.

GreetEat is a technology company that was created to connect colleagues, business partners, customers, and prospects to food services during virtual meetings or conferences. GreetEat provides a simple to use proprietary platform to host a video conference and send the guests a food delivery voucher at the same time. The goal is to create an efficient bridge to both a business meal, and a secure video conference accessible to anyone in a remote environment. This process allows the host to avoid expensive catering and venue costs while allowing the guests to order a meal from their favorite participating local provider.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation*

The Company’s unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The accompanying unaudited financial statements reflect all adjustments, consisting of only normal recurring items, which, in the opinion of management, are necessary for a fair statement of the results of operations for the periods shown and are not necessarily indicative of the results to be expected for the full year ending December 31, 2024.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Concentration of credit risk*

Financial instruments which potentially subject the Company to concentration of credit risk consist of cash deposits and customer receivables. The Company maintains cash with various major financial institutions. The Company performs periodic evaluations of the relative credit standing of these institutions. To reduce risk, the Company performs credit evaluations of its customers and maintains reserves when necessary for potential credit losses.

#### Recent Accounting Pronouncements

The Company has implemented all applicable accounting pronouncements that are in effect. These pronouncements did not have any material impact on the unaudited financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its unaudited financial position or results of operations.

#### **NOTE 3 - GOING CONCERN**

The Company's ability to raise additional capital through the future issuances of common stock is unknown. The obtainment of additional financing, the successful development of the Company's contemplated plan of operations, and its transition, ultimately, to the attainment of profitable operations are necessary for the Company to continue operations. These conditions and the ability to successfully resolve these factors raise substantial doubt about the Company's ability to continue as a going concern. The unaudited financial statements of the Company do not include any adjustments that may result from the outcome of these uncertainties.
