**Therapeutic Solutions International, Inc.’s
Common Stock Dividend Election in Subsidiary Campbell Neurosciences, Inc.**

Dear [Broker Name]:

This is notice of an elective dividend offer to Therapeutic Solutions International, Inc. (“TSOI”) shareholders and you are listed as a Participant broker with the DTCC. The quantity of positions in TSOI (CUSIP No. 883378101) that you are listed as having is: _____. As this is an “elective” dividend offer, FINRA has declined to publish the announcement because it’s not an “all or nothing” event. This Notice and attached election form is being published through the DTCC’s legal notice system (LENS).

In order for Beneficial Holders of common stock of TSOI to receive the common shares of Campbell Neurosciences Inc (“CNSI”) “loyalty” dividend distribution, they must indicate a positive election on a form under your letterhead in a manner substantially like the **NOTICE OF ELECTION OF THE DIVIDEND OF COMMON STOCK OFFERED BY THERAPEUTIC SOLUTIONS INTERNATIONAL, INC., OF CAMPBELL NEUROSCIENCES, INC.’S COMMON STOCK** attached hereto, which contains the minimum data required, and provide a fully executed copy of the affirmative election along with the information requested below.

TSOI and CNSI are using the same transfer agent for this Dividend Offer. Those shares of the common stock of CNSI will be restricted book entry securities; therefore, those shares will be represented by book entry statements and will show the restricted legend, which will be distributed to the appropriate broker on behalf of their shareholders that elected to receive the dividend.

The information required for that beneficial holder breakdown is:
