(a) the bid price determined by the Loan Pricing Corporation, Markit Group Limited, Loan X Mark-It Partners, Thompson Reuters Pricing Service, Bloomberg or any other nationally recognized loan pricing service selected by the Collateral Manager with notice to each Rating Agency; or

(b) if a price described in clause (i) is not available,

(i) the average of the bid prices determined by three broker-dealers active in the trading of such asset that are Independent from each other and the Issuer and the Collateral Manager;

(ii) if only two such bids can be obtained, the lower of the bid prices of such two bids; or

(iii) if only one such bid can be obtained, and such bid was obtained from a Qualified Broker/Dealer, the bid price of such bid; or

(c) if a price described in clause (i) or (ii) is not available, then the Market Value of an asset shall be the lower of (x) 70% of the notional amount of such asset and (y) the price at which the Collateral Manager reasonably believes such asset could be sold in the market within 30 days, as certified by the Collateral Manager to the Trustee and determined by the Collateral Manager consistent with the manner in which it would determine the market value of an asset for purposes of other funds or accounts managed by it; provided, however, that, if the Collateral Manager is not a Registered Investment Advisor, the Market Value of any such asset may not be determined in accordance with this clause (iii) for more than 30 days; or

(d) if the Market Value of an asset is not determined in accordance with clause (i), (ii) or (iii) above, then such Market Value shall be deemed to be zero until such determination is made in accordance with clause (i) or (ii) above.

"Material Change": With respect to any Collateral Obligation, the occurrence of any of the following events: (a) a restructuring, (b) a recapitalization or (c) any material amendment to the Underlying Instruments of that Collateral Obligation that, in the Collateral Manager's commercially reasonable judgment, shall materially alter the overall risk profile of such Collateral Obligation.

"Matrix": Matrix No. 1, Matrix No. 2 or Matrix No. 3, as applicable, in each case as used to determine the Matrix Case for purposes of determining compliance with the Matrix Tests.

"Matrix Case": (i) If the Weighted Average Life Value is greater than ~~6.50~~7, the applicable "row/column combination" of Matrix No. 1 chosen by the Collateral Manager (or by interpolating between two adjacent rows and/or two adjacent columns, as applicable), (ii) if the Weighted Average Life Value is less than or equal to ~~6.50~~7 but greater than ~~4.00~~5, the applicable "row/column combination" of Matrix No. 2 chosen by the Collateral Manager (or by interpolating between two adjacent rows and/or two adjacent columns, as applicable) and (iii) if the Weighted Average Life Value is less than or equal to ~~4.00~~5, the applicable "row/column combination" of Matrix No. 3 chosen by the Collateral Manager (or by interpolating between two adjacent rows and/or two adjacent columns, as applicable). On any date of determination, the Matrix Case of the applicable Matrix that then applies for purposes of determining compliance with the Matrix Tests shall also be the Matrix Case of the applicable Weighted Average Moody's Rating Factor Matrix that applies for purposes of determining the Moody's Weighted Average Recovery Adjustment.

"Matrix No. 1": The following chart (or any replacement chart (or portion thereof) identified by the Issuer (or the Collateral Manager on its behalf) and satisfying the Moody's Rating Condition) used to determine that Matrix Case that applicable for purposes of determining compliance with the Matrix Tests, as set forth herein.

Moody's Weighted Average Recovery Adjustment

"Weighted Average Moody's Recovery Rate": As of any date of determination, the number, expressed as a percentage, obtained by summing the product of the Moody's Recovery Rate on such Measurement Date of each Collateral Obligation (excluding any Defaulted Obligations) and the Principal Balance of such Collateral Obligation, dividing such sum by the Aggregate Principal Balance of all such Collateral Obligations and rounding up to the first decimal place.

"Weighted Average Spread": As of any Measurement Date, is the number obtained by dividing:

(a) the amount equal to (i) the Aggregate Funded Spread plus (ii) the Aggregate Unfunded Spread *plus* (iii) the Aggregate Excess Funded Spread; *by*

(b) an amount equal to the lesser of (i) the Reinvestment Target Par Balance and (ii) the Aggregate Principal Balance of all Floating Rate Obligations as of such

Measurement Date, in each case, excluding (A) any Defaulted Obligation and (B) any Deferrable Obligation or Partial Deferrable Obligation to the extent of any non-cash interest.

"Workout Instrument": Restructured Loans and Specified Equity Securities, collectively.

"Workout Loan": A ~~Restructured Loan that (i) satisfies~~loan acquired by the Issuer or the Issuer Subsidiary resulting from, or received in connection with, the workout or restructuring of a Collateral Obligation which does not satisfy the Investment Criteria at the time of acquisition; provided that (i) a Workout Loan shall be required to satisfy the definition of "Collateral Obligation" ~~(~~other than clauses (b), (d)(B), (h), (j)~~, and~~ (l)(y)~~, (n) (solely to the extent that such Workout Loan may include equity securities that are received or attached as part of a "unit", provided that no portion of the purchase price of such Workout Loan may be attributable to such equity securities), (o), (p), (t) and (x) thereof), (ii) is~~ thereof, (ii) such Workout Loan shall be senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer ~~and~~, (iii) ~~satisfies~~all acquisitions of Workout Loans by the Issuer shall be subject to the limitations in the Tax Guidelines and (iv) the Collateral Manager reasonably expects that acquiring such Workout Loan will result in a better overall recovery with respect to the Collateral Obligation subject to such workout or restructuring; provided, further, that, on any Business Day as of which such Workout Loan satisfies the definition of ~~"~~Collateral Obligation~~"~~ (~~provided, such Workout Loan shall be treated as though it was acquired by the Issuer on such Business Day for purposes of such determination~~without regard to the proviso above), the Collateral Manager may designate (by written notice to the Issuer and the Collateral Administrator) such Workout Loan as a "Collateral Obligation" as of such date. For the avoidance of doubt, any Workout Loan designated as a Collateral Obligation in accordance with the terms of this definition shall constitute a Collateral Obligation (and not a Workout Loan), following such designation.

"Workout Security": An equity security (A) purchased with Principal Proceeds or (B) acquired by the Issuer or the Issuer Subsidiary resulting from, or received in connection with, the workout or restructuring of a Collateral Obligation. For the avoidance of doubt, all acquisitions of Workout Securities by the Issuer shall be subject to the limitations in the Tax Guidelines.

"Zero Coupon Obligation": Any debt security that by its terms (a) does not bear interest for all or part of the remaining period that it is outstanding, (b) provides for periodic payments of interest in Cash less frequently than semi-annually or (c) pays interest only at its stated maturity.

Section 1.2 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this

Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a Principal Balance equal to zero.

(b) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(c) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the Coverage Tests and Interest Diversion Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(d) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(e) For purposes of calculating compliance with each of the Concentration Limitations, all calculations shall be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(f) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(g) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the applicable Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, shall be available in the Collection Account at the end of such Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(h) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at an Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for

application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(i) For purposes of the applicable determinations required by Section 10.8(b)(iv), Article 12 and the definition of "Interest Coverage Ratio", the expected interest on the Secured Notes and Floating Rate Obligations shall be calculated using the then current interest rates applicable thereto.

(j) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the Obligor of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the Sale of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(l) If a Collateral Obligation (or a portion thereof) included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation", then one or more Current Pay Obligations (or such portion thereof) with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligation as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation shall be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(m) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(n) For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within 10 Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that

(i) subject to the restrictions on Trading Plans otherwise contained in this clause (n), the Collateral Manager may modify any Trading Plan during the related Trading Plan Period, and such modification shall not be deemed to constitute a failure of such Trading Plan, (ii) so long as the Investment Criteria are satisfied upon the expiry of the applicable Trading Plan Period (as it may be amended), the failure of any of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan, (iii) the Collateral Manager reasonably believes at the commencement of the relevant Trading Plan Period that the Issuer shall be able to enter into binding commitment(s) for all sales and reinvestments proposed in such Trading Plan, (iv) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (v) no Trading Plan Period may include a Determination Date (provided that any such Trading Plan Period may end on a Determination Date), (vi) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (vii) the difference between the earliest maturity date of any Collateral Obligation included in a Trading Plan and the latest maturity date of any Collateral Obligation included in a Trading Plan is not greater than three ~~and a half~~ (~~3.5~~3.0) years, (viii) no Trading Plan may result in the purchase of a Collateral Obligation that would mature less than six months after its date of purchase and (ix) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period (except in cases where such non-compliance results from changes in the Collateral Obligations owned by the Issuer that are not part of such Trading Plan), notice shall be provided to each Rating Agency. The Collateral Manager shall provide the Rating Agencies and the Collateral Administrator with notice of the composition of the Collateral Obligations (and their attributes) in any Trading Plan. For the avoidance of doubt, Trading Plans shall not apply for purposes of the definition of "Discount Obligation."

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(p) If U.S. withholding tax is imposed on any commitment fees, amendment fees, waiver fees, consent fees, extension fees or similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Spread, the Weighted Average Coupon and the Interest Coverage Test, as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the aggregate outstanding principal balance of the Collateral Obligations, Equity Securities, Restructured Loans and Workout Instruments plus the aggregate outstanding principal balance of Eligible Investments representing Principal Proceeds as of the first day of the Collection Period.

(r) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator, together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(s) For purposes of calculating compliance with any tests hereunder (including the Refinancing Target ~~Initial~~ Par Condition, the Investment Criteria, Collateral Quality Test, the Coverage Tests and Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used by the relevant party undertaking such calculation in accordance with the Transaction Documents.

(t) The equity interest in any Issuer Subsidiary permitted under this Indenture and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security, Restructured Loan, Workout Loan or Specified Equity Security if acquired and held by the Issuer, an Equity Security, Restructured Loan, Workout Loan or Specified Equity Security, as applicable) for all purposes of this Indenture (other than Tax) and each reference to Assets, Collateral Obligations, Equity Securities, Restructured Loans, Workout Loans or Specified Equity Securities herein shall be construed accordingly, provided that, for financial accounting reporting purposes (including each Monthly Report) and the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer shall be deemed to own the Equity Security, Restructured Loan, Workout Loan, Specified Equity Security or Collateral Obligation held by such Issuer Subsidiary and not the equity interest in such Issuer Subsidiary.

(u) For purposes of calculating the Weighted Average Spread, the Weighted Average Coupon and each Interest Coverage Test, any future anticipated tax liability of the Issuer Subsidiary related to an Equity Security or Collateral Obligation held by such Issuer Subsidiary shall be excluded.

(v) No ~~Workout Instrument (other than a Workout Loan, in the case of the Coverage Tests)~~Restructured Loan shall be included in the calculation of any Coverage Test, the Interest Diversion Test or any Collateral Quality Test, regardless of whether such ~~Workout Instrument~~Restructured Loan would otherwise qualify as a Collateral Obligation; provided that any ~~Workout Instruments~~Restructured Loans that satisfy the definition of "Collateral Obligation" and have been designated by the Collateral Manager as a "Collateral Obligation" shall be included in the calculation of the forgoing tests.

(w) Solely with respect to any reporting that may be required prior to the Anniversary Date, if the Benchmark Rate is required to be determined for the initial Interest Accrual Period prior to the commencement of the second Notional Determination Date, the

Benchmark Rate for the second Notional Determination Date shall be deemed to be the same as the Benchmark Rate that was in effect as of the first Notional Determination Date.

(x) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Collateral Manager on which the Trustee may rely for all purposes herein.

(y) All calculations required under this Indenture that would otherwise be calculated cumulatively from the Closing Date are reset at zero on the First Refinancing Date and will be reset at zero on ~~the~~any future date of any Refinancing of the Secured Notes in whole.

(z) To the fullest extent permitted by applicable law and subject to the standard of care under the Collateral Management Agreement and the legal, contractual and fiduciary duties owed by the Collateral Manager, including the duty to act in the best interest of the Issuer, whenever in this Indenture or any other Transaction Document the Collateral Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Collateral Manager shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting any other Person. The intent of granting authority to act in its "discretion" to the Collateral Manager is that no other party's express consent is required to be obtained by the Collateral Manager when acting pursuant to such grant of authority under this Indenture; provided that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Collateral Manager.

(aa) Notwithstanding anything else in this Indenture, (i) Principal Proceeds may not be withdrawn from the Collection Account to acquire equity securities or any other Asset or right to acquire an Asset (other than (x) any Collateral Obligations and Eligible Investments or (y) any Workout Loans) and (ii) Interest Proceeds may not be withdrawn from the Collection Account to acquire any assets in connection with a workout, restructuring or bankruptcy or similar process if, after giving effect to such acquisition, all other dispositions and acquisitions previously or simultaneously committed to and any scheduled distributions expected to be received during the related Collection Period, there will be insufficient Interest Proceeds to pay all accrued and unpaid interest on any Secured Notes (as determined on a pro forma basis by the Collateral Manager in its reasonable discretion based solely upon information available to the Collateral Manager at the time of such determination) on the following Payment Date solely due to the withdrawal of such Interest Proceeds from the Collection Account.

(bb) In determining any amount required to satisfy any Coverage Test, for purposes of the priorities set forth under Section 11(a)(i), the Collateral Principal Amount and the Aggregate Outstanding Amount of the Notes shall give effect, first, to the application of Principal Proceeds to be used on the applicable Payment Date to repay principal of the Secured

Notes and, second, to the application of Interest Proceeds on such Payment Date pursuant to all prior clauses in the priorities set forth under Section 11(a)(i).

(cc) Unless otherwise expressly set forth herein, any notice period or other deliverable period set forth herein may be shortened if the Person delivering such notice or other deliverables and each of the recipients thereof (other than the Rating Agency) consent to such shorter period.

(dd) In the sole discretion of the Collateral Manager, with at least four Business Days prior notice to the Trustee, Interest Proceeds received after the applicable Determination Date but before the applicable Payment Date, may be included as Interest Proceeds received during the respective Collection Period so long as each Coverage Test and the Interest Diversion Test are satisfied after such inclusion of Interest Proceeds.

Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Section 2.3 Authorized Amount; Stated Maturity; Denominations. ~~(3) The spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) with respect to the Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing Amendment of such Class of Notes, subject to the conditions described under Section 9.7.~~

(1) As of the First Refinancing Date.

(2) The Benchmark Rate shall initially be Term SOFR. During the first Notional Accrual Period, Term SOFR will equal the rate determined by interpolating linearly between (x) Term SOFR for the next shorter period of time for which rates are published by the Term SOFR Administrator (or SOFR as available on such determination date, if applicable) and (y) Term SOFR for the next longer period of time for which rates are published by the Term SOFR Administrator, in each case, as such rate is published by the Term SOFR Administrator on the related Interest Determination Date. Under certain circumstances and pursuant to the conditions set forth in this Indenture, the Benchmark Rate will be changed to a Benchmark Replacement Rate or DTR Proposed Rate.

(3) The spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) with respect to the Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing Amendment of such Class of Notes, subject to the conditions described under Section 9.7.

(3) Represents $52,516,250 principal amount of Subordinated Notes issued on the Closing Date and $39,683,750 principal amount of additional Subordinated Notes issued on the First Refinancing Date.

The Notes of each Class will be issued in at least the Minimum Denominations applicable to such Class.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic as described in Section 14.13.

Notes bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order (which Issuer Order shall, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee) on the Closing Date or the First Refinancing Date shall be dated as of the Closing Date or the First Refinancing Date, respectively. All other Notes that are authenticated and delivered after the

Closing Date or the First Refinancing Date, as applicable for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article 2, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual ~~(or, in the case of a Global Note, electronic)~~ signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "Note Register") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes, including an indication, in the case of a Class of ERISA Restricted Notes, as to whether the holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Trustee is hereby initially appointed "registrar" (the "Note Registrar") for the purpose of registering the Notes and transfers of such Notes in the Note Register. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Note Registrar.

If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer shall give the Trustee prompt notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Register, and the Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders and the principal amounts and registration numbers of any Notes.

Upon satisfaction of the conditions for a transfer or exchange set forth in this Section 2.5 (including, if applicable, surrender of the related Note), the Applicable Issuer shall issue for the Note being transferred or exchanged for registration in the name of the designated transferee or transferees one or more new Notes of an authorized Minimum Denomination and of like terms and a like aggregate principal amount and, if applicable, executed Notes and, upon receipt of such executed Notes, the Trustee shall authenticate and deliver such Notes.

All Notes issued and, if applicable, authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the

same debt, and entitled to the same benefits under this Indenture, as the Notes being exchanged or transferred.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Applicable Issuer and the Note Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing. The Trustee or Note Registrar shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee, including a Medallion Signature Guarantee.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Note Registrar, the Trustee or the Transfer Agent may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Neither Applicable Issuer nor the Note Registrar shall be required to issue, register the transfer of or exchange any Note during a period beginning at the opening of business on the Record Date for an Optional Redemption or Clean-Up Optional Redemption (unless the notice of redemption is withdrawn) and ending at the close of business on the Redemption Date.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt under applicable state securities laws.

No Note may be offered, sold or delivered (i) as part of the distribution by the Placement Agent or the Refinancing Initial Purchaser at any time or (ii) in the case of Co-Issued Notes otherwise, until 40 days after the Closing Date or the First Refinancing Date, as applicable, within the United States or to, or for the benefit of, U.S. Persons except in accordance with Rule 144A or another exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers, for which the purchaser is acting as fiduciary or agent. Notes may be sold or resold, as the case may be, in offshore transactions to non-U.S. Persons in reliance on Regulation S. In addition, (x) no Rule 144A Global Note may at any time be held by or on behalf of any U.S. Person that is not both a Qualified Institutional Buyer and a Qualified Purchaser and (y) no Regulation S Global Note may at any time be held by or on behalf of U.S. Persons. Neither Applicable Issuer, the Trustee nor any other Person may register the Notes under the Securities Act or any state securities laws.

ERISA Restricted Notes shall not be permitted to be sold or transferred to Purchasers that have represented that they are, or are acting on behalf of or with the assets of, Benefit Plan Investors or Controlling Persons to the extent that such sale may result in Benefit Plan Investors owning 25% or more of the total value of any Class of the ERISA Restricted Notes determined in accordance with the Plan Asset Regulation and this Indenture and assuming that all of the representations made (or deemed to be made) by Purchasers of Notes are true. For purposes of such calculation, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the significant participation test in accordance

with Section 3(42) of ERISA and 29 C.F.R. Section 2510.3-101(f) only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Note held as principal by the Collateral Manager, the Placement Agent, the Refinancing Initial Purchaser, the Trustee, the Collateral Administrator and any of their respective Affiliates and Persons that have represented that they are Controlling Persons shall be disregarded and shall not be treated as outstanding for purposes of determining compliance with such 25% Limitation. Each purchaser of a Class ~~E~~E-R Note in the form of a Certificated Note, each purchaser of a Class ~~E~~E-R Note in the form of a Global Note on the Closing Date or the First Refinancing Date, as applicable, who is a Benefit Plan Investor or a Controlling Person, each purchaser of a Class ~~E~~E-R Note in the form of a Global Note after the Closing Date or the First Refinancing Date, as applicable, with the prior written consent of the Issuer, who is a Controlling Person, each purchaser of a Subordinated Note on the Closing Date or the First Refinancing Date, as applicable, who is a Benefit Plan Investor or a Controlling Person, each purchaser of a Subordinated Note in the form of a Global Note after the Closing Date or the First Refinancing Date, as applicable, with the prior written consent of the Issuer, who is a Controlling Person and each purchaser of a Subordinated Note in the form of a Certificated Note shall provide to the Issuer a written certification substantially in the form of Exhibit B5 attached hereto. Class ~~E~~E-R Notes and Subordinated Notes in the form of Global Notes shall be not be permitted to be sold or transferred to Benefit Plan Investors or Controlling Persons after the Closing Date or the First Refinancing Date, as applicable, (except that Class ~~E~~E-R Notes and Subordinated Notes in the form of Global Notes may be permitted to be sold or transferred to Controlling Persons after the Closing Date or the First Refinancing Date, as applicable, with the prior written consent of the Issuer).

For so long as any of the Notes are Outstanding, neither of the Co-Issuers shall transfer any of its ordinary shares or common stock, as applicable, to U.S. Persons.

(c) Upon final payment thereof, the Holder of a Certificated Note shall present and surrender such Note as directed by the Trustee.

(d) So long as a Global Note remains Outstanding, transfers of a Global Note, in whole or in part, shall only be made in accordance with Section 2.2(c) and this Section 2.5(d).

(i) Subject to clauses (ii), (iii) and (iv) of this Section 2.5(d), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Rule 144A Global Note to Regulation S Global Note. (i) If Notes are issued upon the transfer or exchange of Notes or replacement of Notes and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuer such satisfactory evidence, which may include an Opinion of Counsel, as may be reasonably required by the Applicable Issuer to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Section 4(a)(2) of the Securities Act or Regulation S, as applicable, or the Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, upon Issuer Order from the Applicable Issuer, shall authenticate and deliver Notes that do not bear such applicable legend.

Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by holders of ERISA Restricted Notes shall not record or otherwise recognize any transfer of ERISA Restricted Notes if such transfer would result in a violation of the 25% Limitation. Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Note Registrar shall be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(k) Neither the Trustee nor the Note Registrar shall be liable for any delay in the delivery of directions from the Clearing Corporation and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Notes shall be registered or as to delivery instructions for such Notes.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable

Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith. In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Secured Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferred Interest Secured Notes, shall constitute "Secured Note Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of

Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Secured Note Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Secured Notes and (iii) the Stated Maturity of such Class of Deferred Interest Secured Notes. Secured Note Deferred Interest on any Class of Deferred Interest Secured Notes shall be added to the principal balance of such Class of Deferred Interest Secured Notes and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (A) which is the Redemption Date with respect to such Class of Deferred Interest Secured Notes and (B) which is the Stated Maturity of such Class of Deferred Interest Secured Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Secured Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Secured Notes) to pay previously accrued Secured Note Deferred Interest, such previously accrued Secured Note Deferred Interest shall not be due and payable on such Payment Date and any failure to pay such previously accrued Secured Note Deferred Interest on such Payment Date shall not be an Event of Default. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A-1-R Note, Class A-2-R Note or Class ~~B~~B-R Note or, if no Class A-1-R Notes, Class A-2-R Notes or Class ~~B~~B-R Notes are Outstanding, any Class ~~C~~C-R Note or, if no Class A-1-R Notes, Class A-2-R Notes, Class ~~B~~B-R Notes or Class ~~C~~C-R Notes are Outstanding, any Class D-1-R Note or, if no Class A-1-R Notes, Class A-2-R Notes, Class ~~B~~B-R Notes, Class ~~C~~C-R Notes or Class D-1-R Notes are Outstanding, any Class ~~E~~D-2-R Note or, if no Class A-1-R Notes, Class A-2-R Notes, Class B-R Notes, Class C-R Notes, Class D-1-R Notes or Class D-2-R Notes are Outstanding, any Class E-R Note, shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Secured Note Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Section 9.1.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person or the applicable IRS Form W-8 (or applicable successor form) together with appropriate attachments in the case of a Person that is not a United States person), or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Note Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender any related Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note. Neither the Co-Issuers, the Trustee, the Collateral Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 3 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Note Register a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes or original principal amount of Subordinated Notes and the place where Notes may be presented and surrendered for such payment.

(f) Payments to Holders of the Notes of each Class shall be made ratably among the Holders of the Notes of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Interest accrued with respect to any Floating Rate Note shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to any Fixed Rate Note shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers arising from time to time and at any time under the Notes and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets available at such time and following realization of the Assets available at such time and the proceeds therefrom, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member or incorporator of the Co-Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (1) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (2) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer and the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note (a) for the purpose of receiving payments on such Note (whether or not such Note is overdue), the Person in whose name such Note is registered on the Note Register at the close of business on the applicable Record Date and (b) on any other date for all other purposes whatsoever (whether

or not such Note is overdue), the Person in whose name such Note is then registered on the Note Register, and none of the Issuer, the Co-Issuer, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9 Cancellation~~Cancellation~~. All Notes surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein under Sections 2.6(a), 2.7(e), 2.13, or Article 9 of this Indenture, or for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen (collectively, "Permitted Cancellations"); notwithstanding anything herein to the contrary, any Note surrendered or cancelled other than in accordance with a Permitted Cancellation shall be considered Outstanding (until all Notes senior to such Note have been repaid) for purposes of any Overcollateralization Test, the Interest Diversion Test and, so long as any Class A-1-R Notes are outstanding, clause (g) of the definition of "Event of Default." Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated or registered in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.10 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x)(i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the applicable Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized Minimum Denominations. Any Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of clause (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in clause (a) of this Section 2.10, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Notes.

In the event that Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by clause (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article 5 of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Notes had been issued; provided that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership.

Section 2.11 Non-Permitted Holders or Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Notes to a Non-Permitted Holder shall be null and void *ab initio* and any such purported transfer of which the Applicable Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Person that is a Non-Permitted Holder with respect to any Note becomes the beneficial owner of such Note, the Issuer shall, promptly after discovery of any such Non-Permitted Holder by any of the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder, transfer its interest in such Notes to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer the applicable Notes or interest, the Issuer or the Collateral Manager acting for the Issuer shall have the right (1) to compel such holder to sell its interest in the Notes, (2) to assign to such Notes a separate CUSIP number or numbers, or (3) without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes, as applicable, to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of and at the direction of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such interest to the highest such bidder; provided, however, that the Issuer or the Collateral Manager (acting at the Issuer's direction) may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, as applicable, by their acceptance of an interest in the applicable Notes agree to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction representation or a Benefit Plan Investor, Controlling Person, Other Plan Law or Similar Law representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes or results in Benefit Plan Investors owning 25% or more of the total value of any Class of ERISA Restricted Notes (any such Person, a "Non-Permitted ERISA Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee (if a Trust Officer of the Trustee obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery and who, in each case, agree to notify the Issuer of such discovery, send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes (or interests therein) held by such Person to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes (or its interests therein), the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interests in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes (or interests therein) to the highest such bidder. However, the Issuer or the Collateral Manager on its behalf may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note (or any interest therein), the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of the Note (or any interest therein) agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee, the Note Registrar or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Additional Issuance of Notes. (a) At any time during the Reinvestment Period (or, in the case of the issuance of additional Subordinated Notes and/or Junior Mezzanine Notes only, during or after the Reinvestment Period), the Co-Issuers (or the Issuer, as applicable) may issue and sell (A) additional Junior Mezzanine Notes and/or (B) additional Notes of any one or more existing Classes of Notes and, in each case, use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, with respect to the issuance of additional Subordinated Notes and/or Junior Mezzanine Notes to apply proceeds of such issuance as Principal Proceeds and/or Interest Proceeds) in accordance with the respective percentages thereof Outstanding on the issuance date; provided that the following conditions are met:

(i) such issuance is consented to by the Collateral Manager and a Majority of the Subordinated Notes;

(ii) unless (x) the Collateral Manager has determined, in its sole discretion, that such issuance is required for compliance with any Applicable Risk Retention Rules by the Collateral Manager and/or the "sponsor" (as such term is defined in the U.S. Risk Retention Rules) (a "Risk Retention Issuance") or (y) such issuance is an issuance of only Junior Mezzanine Notes or additional Subordinated Notes, such issuance is consented to by a Majority of the Controlling Class;

(iii) other than in connection with a Risk Retention Issuance, in the case of additional notes of any one or more existing Classes, the aggregate principal amount of Notes of such Class issued in all additional issuances shall not exceed 100% of the respective original outstanding principal amount of the Notes of such Class;

(iv) other than in connection with a Risk Retention Issuance, in the case of additional notes of any one or more existing Classes, the terms of the Notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that (A) the interest due on such additional notes shall accrue from the issue date of such additional notes, (B) in the case of Secured Notes, the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) applicable to such additional notes may be different from the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) applicable to the initial Notes of that Class, but shall not exceed the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) applicable to the initial Notes of that Class and (C) the additional notes may not have any ratings);

(v) in the case of additional notes of any one or more existing Classes, unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, additional notes of all Classes (including Subordinated Notes and any Junior Mezzanine Notes) must be issued and such issuance of additional notes must be proportional across all Classes (including Subordinated Notes and Junior Mezzanine Notes) in accordance with their respective percentages thereof outstanding on the issuance date; provided that the principal amount of Subordinated Notes or any Junior Mezzanine Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes or the Junior Mezzanine Notes, as applicable;

(vi) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, the Moody's Rating Condition shall be satisfied with respect to any Secured Notes and notice will be provided to Fitch;

(vii) the proceeds of any additional notes (A) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, (B) will be used to invest in Eligible Investments, (C) will be applied as Principal Proceeds pursuant to the Priority of Payments, (D) will be used to pay the expenses incurred in connection with such issuance or (E) solely in the case of an issuance of additional Subordinated Notes and/or Junior Mezzanine

Notes, in the sole discretion of the Collateral Manager, will be treated as Interest Proceeds and/or used for Permitted Uses;

(viii) immediately after giving effect to such issuance (other than in the case of the issuance of additional Subordinated Notes and/or Junior Mezzanine Notes only), ~~(i)~~ the degree of compliance with each Overcollateralization Test is maintained or improved ~~immediately after giving effect to such issuance and (ii) a Majority of the Controlling Class has consented to such additional issuance~~;

(ix) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, written advice of Latham & Watkins LLP or ~~DLA Piper LLP (~~Allen Overy Shearman Sterling US~~)~~ LLP, or an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Issuer to the effect that any additional Class A-1-R Notes, Class A-2-R Notes, Class ~~B~~B-R Notes, Class C-1-AR Notes, Class C-2-AR Notes, Class C-B-R Notes, Class D-1-R Notes and Class D-2-R Notes will be treated, and any additional Class ~~E~~E-R Notes should be treated, as indebtedness for U.S. federal income tax purposes; provided, however, that such advice or opinion of tax counsel shall not be required with respect to any additional notes that bear a different securities identifier from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(x) if only additional Subordinated Notes (and not additional Secured Notes) are to be issued, the Issuer has notified each Rating Agency of such issuance prior to the issuance date; and

(xi) an Officer's certificate of the Issuer is delivered to the Trustee stating that the foregoing conditions (i) through (x) have been satisfied.

For the avoidance of doubt, the requirements for additional issuance above shall apply to all additional issuances of Notes that are *pari passu* in right of payment.

(b) Other than in connection with a Risk Retention Issuance, any additional Junior Mezzanine Notes or Subordinated Notes issued as described above shall, to the extent reasonably practicable, be offered first to Holders of the Subordinated Notes and any existing Junior Mezzanine Notes in such amounts as are necessary to preserve their *pro rata* holdings of the Junior Mezzanine Notes and the Subordinated Notes on a combined basis. Any such offer to an existing Holder of Subordinated Notes and/or Junior Mezzanine Notes which has not been accepted within 10 Business Days after delivery of such offer by or on behalf of the Issuer shall be deemed a notice by such Holder that it declines to purchase such additional Junior Mezzanine Notes or Subordinated Notes, as applicable.

(c)

For the avoidance of doubt, the fees and expenses associated with each such additional issuance shall, to the extent not paid from the proceeds of the issuance of such additional Notes, be payable by the Issuer as Administrative Expenses and subject to the Priority of Payments.

Section 2.13 Issuer Purchases of Secured Notes. Notwithstanding anything herein to the contrary, the Issuer or the Collateral Manager, on behalf of the Issuer, may conduct purchases of the Secured Notes, in whole or in part, with the consent of a Majority of the Subordinated Notes and in accordance with, and subject to, the terms and conditions set forth below. Notwithstanding the provisions Sections 10.2 and 10.3(a) hereof, amounts in the Principal Collection Subaccount and the Permitted Use Principal Subaccount may be disbursed for purchases of Secured Notes in accordance with the provisions described in this section. The Trustee shall cancel, in accordance with Section 2.9 hereof, any such purchased Secured Notes or, in the case of any Global Notes, the Trustee shall decrease the aggregate outstanding principal amount of such Global Notes in its records by the full par amount of the purchased Secured Notes, and instruct DTC or its nominee, as the case may be, to conform its records.

No purchases of any Class of Secured Notes may occur unless each of the following conditions is satisfied:

(i) such purchases of Secured Notes shall occur in the order of priority set out in the Note Payment Sequence;

(ii) (1) each such purchase of Secured Notes of any Class shall be made pursuant to an offer made to all Holders of the Secured Notes of such Class, by notice to such Holders, which notice shall specify the purchase price (as a percentage of par) at which such purchase will be effected, the maximum amount of Principal Proceeds that will be used to effect such purchase and the length of the period during which such offer will be open for acceptance, (2) each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms and (3) if the aggregate outstanding principal amount of Notes of the relevant Class held by Holders who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Secured Notes of each accepting Holder shall be purchased pro rata based on the respective principal amount held by each such Holder;

(iii) each such purchase shall be effected only at prices equal to or discounted from par;

(iv) each such purchase of Secured Notes shall occur during the Reinvestment Period and shall be effected with Principal Proceeds and/or amounts held in the Permitted Use Principal Subaccount;

(v) each Coverage Test will be satisfied after giving effect to each such purchase;

(vi) no Event of Default shall have occurred and be continuing;

(vii) with respect to each such purchase, the Moody's Rating Condition shall have been satisfied (or deemed inapplicable) with respect to any outstanding Secured Notes of any Class then rated by Moody's that will remain outstanding following such purchase and Fitch has been provided notice; and

(viii) each such purchase will otherwise be conducted in accordance with applicable law; and

(ix) the Trustee has received an officer's certificate of the Collateral Manager to the effect that the conditions in this Section 2.13 have been satisfied.

Any Secured Notes to be purchased shall be surrendered to the Trustee for cancellation as described under Section 2.9 of this Indenture.

Section 2.14 Tax Treatment; Tax Certifications. (a) Each Holder (including for purposes of this Section 2.14, any beneficial owner of Notes) will treat the Issuer as a corporation, the Co-Issuer as a disregarded entity, the Secured Notes as indebtedness and the Subordinated Notes as equity, in each case, for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law; provided that a Holder of Class ~~E~~E-R Notes may make a protective "qualified electing fund" ("QEF") election (as defined in the Code) and file protective information returns with respect to such Notes.

(b) Each Holder will timely furnish the Issuer or its agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to enable the Issuer or its agents to (A) make payments to the Holder without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, and (C) satisfy reporting and other obligations under the Code, Treasury Regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. The Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any Holder Tax Information. In the event the Holder fails to provide such information or documentation for purposes of FATCA, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA or other adverse consequence under any other Tax Account Reporting Rules, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. Each Holder and beneficial owner of Notes acknowledges that any transfer of Notes in accordance with this Section 2.14 may be for less than the fair value of such Notes. The

Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. The Holder agrees that the Issuer and its agents may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer achieves Tax Account Reporting Rules Compliance.

(d) Each Holder of Class ~~E~~E-R Notes or Subordinated Notes that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) represents that:

(i) either:

(A) it is not a bank (within the meaning of Section 881(c)(3)(A) of the Code);

(B) after giving effect to its purchase of Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury Regulations Section 1.881-3);

(C) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business within the United States and includible in its gross income; or

(D) it is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; and

(ii) it has not purchased the Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(e) Each Holder of Subordinated Notes, if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations Section 1.1471-5(i) (or any successor provision)), it represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations Section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial

owner" within the meaning of Treasury Regulations Section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) No Holder will treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

have otherwise been irrevocably deposited in trust with the Trustee for such purpose; provided that, in each case, the Co-Issuers have delivered to the Trustee Officers' certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Collateral Manager and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.15 shall survive.

The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee under this Indenture to refrain from taking action in the absence of

ARTICLE 5

(b) the failure on any Payment Date to disburse amounts (other than Dissolution Expenses) available in the Payment Account in excess of U.S.$100,000 in accordance with the Priority of Payments and continuation of such failure for a period of five Business Days; provided that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, Trustee, Collateral Administrator, note registrar of the Issuer or any Paying Agent, such default shall not be an Event of Default unless such failure continues for seven Business Days after a Trust Officer of the Trustee, such Paying Agent or note registrar receives written notice or has actual knowledge of such administrative error or omission;

Default and any failure to satisfy the requirements of Section 7.18 is not an Event of Default) or the failure in any material respect of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in each case in all material respects when the same shall have been made that such failure has had a material adverse effect on such holder and the continuation of such default, breach or failure for a period of 45 days after notice to the Issuer or the Co-Issuer, as applicable, and the Collateral Manager by registered or certified mail or overnight courier, by the Trustee, the Issuer, the Co-Issuer or the Collateral Manager, or to the Issuer or the Co-Issuer, as applicable, the Collateral Manager and the Trustee at the direction of the Holders of at least a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided that, if the Issuer or the Co-Issuer, as applicable (as notified to the Trustee by the Collateral Manager in writing), has commenced curing such default, breach or failure during the 45-day period specified above, such default, breach or failure shall not constitute an Event of Default under this clause (d) unless it continues for a period of 60 days (rather than, and not in addition to, such 45-day period specified above) after such notice (to the extent such default, breach or failure can be cured); provided further that any failure to effect a Refinancing, Optional Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(f) the institution by the Issuer or the Co-Issuer of Proceedings to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or the Co-Issuer, as the case may be, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action; or

plus (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1-R Notes, to equal or exceed 102.5%;

provided that, notwithstanding anything to the contrary set forth herein, a failed Optional Redemption shall not constitute an Event of Default pursuant to clause (a)(ii) above to the extent that such failure results solely from a failed Refinancing on the anticipated Redemption Date.

Upon obtaining actual knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Collateral Manager shall notify each other to the extent that such other party or parties have not received notice with respect to such Event of Default. Upon the occurrence of an Event of Default known to a Trust Officer of the Trustee, the Trustee shall, not later than three Business Days thereafter, notify the Noteholders (as their names appear on the Note Register), each Paying Agent, DTC, each of the Rating Agencies of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Co-Issuers, the Collateral Manager and each Rating Agency, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration the principal of the Secured Notes, together with all accrued and unpaid interest thereon (including, in the case of the Deferred Interest Secured Notes, any Secured Note Deferred Interest), and other amounts payable hereunder through the date of acceleration, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder through the date of acceleration, shall become immediately and automatically due and payable without any declaration or other act on the part of the Trustee or any Noteholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Cash due has been obtained by the Trustee as hereinafter provided in this Article 5, a Majority of the Controlling Class, by written notice to the Issuer, the Trustee and the Rating Agencies, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid amounts then due and payable on the Secured Notes (without regard to such acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Secured Note Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Senior Collateral Management Fee and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Senior Collateral Management Fee; and

(ii) it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Notes shall not be subject to acceleration by the Trustee or a Majority of the Controlling Class solely as a result of the failure to pay (i) at any time when the Class A-1-R Notes, the Class A-2-R Notes or the Class ~~B~~B-R Notes are the Controlling Class, any amount due on any Notes other than the Senior Notes or (ii) at any other time, any amount due on any Notes that are not of the Controlling Class.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Cash adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default has occurred and is continuing, the Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in

aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

Subject always to the provisions of Section 5.8, in case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Class of Secured ~~Note~~Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Secured Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Cash or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any

Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies~~Remedies~~. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared or have become due and payable (an "Acceleration Event") and such Acceleration Event and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Notes, which may be the Placement Agent or the Refinancing Initial Purchaser, as applicable, as to the

feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than the Majority of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

The Trustee shall be entitled to notify the Collateral Manager in advance of any such exercise of remedies for purposes of determining whether the Collateral Manager or its Related Parties are interested in the potential exercise of the purchase right described above. The Trustee shall have no liability for selling a Collateral Obligation or other Asset to the Collateral Manager or its Affiliates or Related Entities as described above, or any liability for any delay, failure or loss of value in liquidating a Collateral Obligation or other Asset as a result of the requirements above.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of Cash by the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties, the Noteholders or beneficial owner may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of

all Notes and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee, any Secured Party or any Noteholder or beneficial owner (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party or such Noteholder or beneficial owner, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article 10, Article 12 and Article 13 unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Secured Note Deferred Interest) and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to payments on the Subordinated Notes (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid Senior Collateral Management Fee) and a Majority of the Controlling Class agrees with such determination;

(ii) if an Event of Default specified under clauses (a), (e), (f) or (g) of the definition of "Event of Default" has occurred and is continuing (regardless of whether an Event of Default under another clause of the definition of "Event of Default" occurred prior to or subsequent to such Event of Default), a Majority of the Controlling Class directs the sale and liquidation of the Assets in accordance with this Indenture; provided that this clause (ii) shall not apply in the case of an Event of Default pursuant to clause (a)(i) of the definition of "Event of Default" relating to the failure to pay interest on the Class A-2-R Notes or the Class ~~B~~B-R Notes while the Class A-1-R Notes are the Controlling Class that arises solely from the application of Section 11.1(a)(iii) due to the acceleration of the Secured Notes resulting from an Event of Default arising pursuant to clauses (b), (c) or (d) of the definition of "Event of Default";

(iii) if any other Event of Default (other than those described in sub-clause (ii) above) has occurred and is continuing, a Supermajority of each Class of Secured Notes (in each case voting separately by Class) may direct the sale and liquidation of the Assets in accordance with this Indenture; or

(iv) if all of the Secured Notes have been repaid in full, a Majority of the Subordinated Notes directs, subject to the provisions of this Indenture and in compliance with applicable law, such sale and liquidation.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Collateral Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

Section 5.6 Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Cash Collected. Any Cash collected by the Trustee with respect to the Notes pursuant to this Article 5 and any Cash that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee (each such date to occur on a Payment Date). Upon the final distribution of

all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article 4.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, with respect to the Notes, or any other remedy under the Notes, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than the Majority of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still

Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that subject to Section 6.1, the Trustee need not take any action that it determines might cause it to incur any liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Cash due has been obtained by the Trustee, as provided in this Article 5, a Majority of the Controlling Class may, on behalf of the Holders of all of the Notes, waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any Event of Default or occurrence described below shall require the additional consent of:

(a) in the case of a failure to pay interest on the Controlling Class, the consent of the Holders of 100% of the Controlling Class;

(b) in the case of a failure to pay interest on the Class A-2-R Notes, the consent of the Holders of 100% of the Class A-2-R Notes;

(c) in the case of a failure to pay interest on the Class ~~B~~B-R Notes, the consent of the Holders of 100% of the Class ~~B~~B-R Notes;

(d) in the case of a failure to pay principal of any Class of Secured Notes, the consent of the Holders of 100% of such Class; or

(e) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding ~~Note~~Class of Notes materially and adversely affected thereby (which may be waived only with the consent of each such Holder).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 25% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment

of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshaling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale or other disposition (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may, upon notice to the Noteholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall, without recourse, representation or warranty, execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action

necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Cash.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE 6

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article 5, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Sections 5.1(c), (d), (e), or (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. (e) Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, notify the Noteholders (as their names appear in the Note Register).

(g) The Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(h) If, after delivery of financial information or disbursements by the Trustee on behalf of the Issuer pursuant to this Indenture (including any delivery made via posting to the Trustee's website) a Trust Officer of the Trustee receives written notice of an error or omission related thereto, the Trustee shall provide a copy of such notice to the Collateral Manager and the Issuer.

(i) The Trustee shall have no responsibility or liability for (i) the selection of or designation of a Benchmark Replacement Rate, DTR Proposed Rate or a Fallback Rate or (ii) a determination as to whether any asset is an ESG Collateral Obligation.

(j) The Trustee shall have no responsibility for monitoring or verifying whether any party is complying with (i) the Applicable Risk Retention Rules, (ii) the Cayman AML Regulations or (iv) the Volcker Rule.

(k) The Trustee shall have no obligation to determine or verify whether (i) a Restructured Loan, Workout Instrument or Workout Loan constitutes a Collateral Obligation or (ii) the ~~Initial Majority Subordinated Noteholder continues to hold a Majority of the Subordinated Notes~~Interest Proceeds Designation Restriction or Refinancing Target Par Condition has been satisfied.

(l) With regards to the Trustee and the Bank in each of its other capacities under the Transaction Documents, each of the Co-Issuers and the Collateral Manager hereby covenant and represent, on a several and not joint basis, that none of it or its subsidiaries, directors or officers, are the target or subject of any sanctions enforced by the United States Government, (including, the Office of Foreign Assets Control of the United States Department of the Treasury), the United Nations Security Council, the European Union, HM Treasury, or other relevant sanctions authority (collectively "Sanctions"). Section 6.2 Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall ~~transmit by mail to~~notify the Cayman Islands Stock Exchange (for so long as any Class of Notes is listed on the Cayman Islands Stock Exchange and so long as the guidance of such exchange so requires), the Co-Issuers, Collateral Manager, each Rating Agency, and all Holders of Notes, as their names and addresses appear on the Note Register and

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, electronic communication notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided that the Trustee shall,

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10(a)) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, or loss or malfunctions of utilities, computer (hardware or software) or communications services);

The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by

If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(v) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Cash paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Note Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or

pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Note Registrar or such other agent.

Section 6.6 Cash Held in Trust. Cash held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Cash received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) Subject to Section 6.7(b) below, the Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof or exercise of remedies under Article 5.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in Sections 11.1(a)(i), (ii), (iii) and (iv) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing

herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing against the Issuer, the Co-Issuer or any Issuer Subsidiary of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or (f), the expenses are intended to constitute expenses of administration under the Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having (i) a long-term issuer rating of at least "BBB+" by Fitch and a short-term issuer rating of at least "F1" by Fitch and (ii) a counterparty risk assessment of at least "Baa3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "Baa3(cr)" by Moody's, ~~and~~in each case, having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Collateral Manager, the Holders of the Notes and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by

written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of each Class of Secured Notes (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class; provided further, that if a Majority of each Class of Secured Notes (or, at any time when an Event of Default shall have occurred and be continuing, a Majority of the Controlling Class) do not provide written notice to the Co-Issuers objecting to such appointment within ten days of receipt of notice of such appointment from the Co-Issuers, such Notes shall be deemed to have consented to such appointment and approved of such successor trustee or trustees for purposes hereof. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Secured Notes (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, if the Co-Issuers fail to appoint a successor Trustee within 30 days, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no

successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event to the Collateral Manager, to each Rating Agency and to the Holders of the Notes as their names and addresses appear in the Note Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Calculation Agent, Note Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Cash held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided that such organization or entity shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee

(subject to satisfaction of the Moody's Rating Condition with respect to any such appointment), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Collateral Administrator provides the Trustee with notice that a payment with respect to any Asset has not been received on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the Obligor of such Asset, the trustee or administrative agent under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.9 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets. The foregoing shall not preclude any other exercise of any right or remedy by the Issuer with respect to any default or event of default arising under a Collateral Obligation.

Section 6.14 Authenticating Agents~~Authenticating Agents~~. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any

Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding~~Withholding~~. If any withholding tax is imposed on the Issuer's payments (or allocations of income) under the Notes by law or pursuant to the Issuer's agreement with a Governmental Authority, such tax shall reduce the amount otherwise distributable to the relevant Holder or beneficial owner or intermediary. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder or beneficial owner or intermediary sufficient funds for the payment of any tax that is required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a Governmental Authority (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed by law or pursuant to the Issuer's agreement with a Governmental Authority with respect to any Note shall be treated as Cash distributed to the relevant Holder or beneficial owner or intermediary at the time it is withheld by the Trustee. If there is a possibility that withholding tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold any amounts it reasonably believes are required to be withheld in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for Each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a ~~limited purpose~~ national banking association with trust powers under the laws of the

United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Note Registrar, Transfer Agent and Calculation Agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound that is likely to affect the legality, enforceability against it of this Indenture or any Transaction Document to which it is a party or its ability (as a matter of law) to perform its obligations under this Indenture or any such other Transaction Document to which the Bank is a party.

ARTICLE 7

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a Governmental Authority by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; provided that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities. If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers hereby appoint Corporation Service Company as their agent (in such capacity, the "Process Agent"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby. The Co-Issuers may at any time and from time to time vary or terminate the appointment of such Process Agent or appoint an additional process agent; provided that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

The Co-Issuers shall at all times maintain a duplicate copy of the Note Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, the Collateral Manager, each Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Cash for Note Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Note Registrar, they shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Cash deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 10.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that such Paying Agent shall satisfy the Fitch Eligible Counterparty Rating and so long as the Notes of any Class are rated by Moody's, with respect to any additional or successor Paying Agent, such Paying Agent has a counterparty risk assessment of "Baa3(cr)" or higher by Moody's (or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured debt rating of at least "Baa1" and (not on credit watch with negative implications) by Moody's).If such successor Paying Agent ceases to have a counterparty risk assessment of "Baa3(cr)" or higher by Moody's (or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured debt rating of at least "Baa1" and (not on credit watch with negative implications) by Moody's), the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent which has such required debt ratings. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Cash.

Except as otherwise required by applicable law, any Cash deposited with the Trustee or any Paying Agent with respect to Notes in trust for any payment on any Note (whether such payment be in respect of principal, interest or other amount payable on such Notes) and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Cash shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Cash due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; provided that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer (or the Collateral Manager on behalf of the Issuer) so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Trustee to the Holders, the Collateral Manager and each Rating Agency, (iii) the Moody's Rating Condition is satisfied and (iv) on or prior to the 15th Business Day following receipt of such notice, the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change and (y) the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such

action the Issuer receives a legal opinion from nationally recognized tax counsel to the effect that taking such action outside of the United States will not cause the Issuer to become subject to U.S. federal, state or local income taxes on a net income basis or any material other taxes to which the Issuer would not otherwise be subject.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored (other than, in the case of the Co-Issuer, for U.S. federal income tax purposes) or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiaries), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's declaration of trust by Walkers Fiduciary Limited, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate (if any) financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person and (J) correct any known misunderstanding regarding its separate identity.

(c) The Co-Issuers and the Trustee agree, for the benefit of all Holders of each Class of Notes, not to institute against any Issuer Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, a winding-up or liquidation of an Issuer Subsidiary that no longer holds any assets), until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year, or if longer, the applicable preference period then in effect, plus one day, following such payment in full.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will take or cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets (as determined by the Collateral Manager in its good faith discretion); provided that the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from

time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Notes hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Secured Notes in the Assets against the claims of all Persons and parties;

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets or

(vii) if required to avoid or reduce the withholding, deduction, or imposition of United States income or withholding tax, and if reasonably able to do so, deliver or cause to be delivered a IRS Form W-8BEN-E or successor applicable form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction and to otherwise pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than 'Excepted Property'" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Section 5.5 or Section 10.9(a), (b), and (c), as applicable, permit the removal of any portion of the Assets or

transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. Within the six month period preceding the fifth anniversary of the Closing Date (and every five years thereafter), commencing in 2026, the Issuer shall furnish to the Trustee, the Collateral Manager and, so long as any Class of Notes rated by Moody's is Outstanding, Moody's an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, stating that, as for the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby (including consenting to any amendment or modification to the documents governing any Collateral Obligation); provided, however, that the Co-Issuers shall not be required to take any action following the release of any Obligor under any Collateral Obligation to the extent such release is completed pursuant to the Underlying Instruments related to such Collateral Obligation in accordance with their terms.

(b) The Applicable Issuers may, with the prior written consent of a Majority of the Controlling Class (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) Other than in the event that the Trustee has notified the Rating Agencies, the Issuer shall notify each Rating Agency within 10 Business Days after becoming

aware of any material breach of any Transaction Document and the expiration of any applicable cure period for such breach.

Section 7.8 Negative Covenants~~Negative Covenants~~. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer will not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities except in accordance with Section 2.12 and 3.2 or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be expressly permitted hereby or by the Collateral Management Agreement, (B) except as expressly permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as expressly permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article 15 of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the Co-Issuer and any Issuer Subsidiaries);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) acquire or hold title to any real property or controlling interest in any entity that holds real property except to the extent permitted under Section 7.17; or

(xii) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not and any Person acting on their behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The requirements of this Section 7.8(c) will be deemed to be satisfied if the Issuer (and the Collateral Manager acting on the Issuer's behalf) complies with the Tax Guidelines, except to the extent~~, as a result of~~ that there has been a change in law after the date hereof that, the Issuer or an Authorized Officer of the Collateral Manager actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) would cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis as a result of such action, it being understood that the Issuer and Collateral Manager shall not be required to independently investigate the tax impact of an action to satisfy the "actual knowledge" element of this provision.

~~(d) In furtherance and not in limitation of Section 7.8(c), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines; provided, however, that the Tax Guidelines may be waived, amended, eliminated, modified or supplemented (in each case, without execution of an amendment to the Collateral Management Agreement) if the Issuer and the Collateral Manager receive written advice of Latham & Watkins LLP, or an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis. For the avoidance of doubt, no consent of any Holder or satisfaction of the Moody's Rating Condition shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines in accordance with the terms thereof.~~

(d) ~~(e)~~ The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation or any other standard forms or similar documentation.

(e) ~~(f)~~ The Issuer and the Co-Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying each Rating Agency and (other than as expressly provided herein or in such Transaction Document) without the prior written confirmation from Moody's that such amendment, modification or termination will not cause Moody's rating of any applicable Class of Secured Notes to be reduced or withdrawn.

(f) ~~(g)~~ The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned) except as described under Section 2.13. This Section 7.8(~~g~~f) shall not be deemed to limit an optional or mandatory redemption pursuant to the terms of this Indenture.

(g) ~~(h)~~ The Issuer may, but is not required to, enter into one or more Hedge Agreements after the Closing Date solely for the purpose of managing interest rate and foreign exchange risks in connection with the Issuer's issuance of, and making payments on, the Notes, upon execution of a supplemental indenture in accordance with Section 8.1. However, the Issuer shall not enter into or amend any agreement governing any interest rate swap, floor, cap or other hedging transaction (a "Hedge Agreement") unless (i) the Moody's Rating Condition has been satisfied with respect thereto and notice has been provided to Fitch, (ii) a Majority of the Controlling Class and a Majority of the Subordinated Notes have consented to such Hedge Agreement and (iii) it obtains written advice of counsel of national reputation (with a certificate to the Trustee from the Collateral Manager (on which the Trustee may conclusively rely) that it has received such advice) that either (x) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended (the "CEA"), (y) the Issuer will be operated such that the Collateral Manager, the Trustee and/or such other relevant party to the transaction, as applicable, will be eligible for an exemption from registration as a "commodity pool operator" and a "commodity trading advisor" under the CEA and all conditions precedent to obtaining such an exemption have been satisfied or (z) the Collateral Manager and/or any other relevant party required to register as a "commodity pool operator" and/or a "commodity trading advisor" under the Commodity Exchange Act have registered as such and (iv) such Hedge Counterparty satisfies the Fitch Eligible Counterparty Rating.

(h) ~~(i)~~ The Co-Issuer shall not fail to maintain an independent manager under its limited liability company agreement.

Section 7.9 Statement as to Compliance. On or before October 27th in each calendar year, commencing in 2022 or immediately if there has been an Event of Default under this

Indenture and prior to the issuance of any additional notes pursuant to Section 2.12, the Issuer shall deliver to the Trustee (to be forwarded by the Trustee to the Collateral Manager, each Noteholder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer stating that, having made reasonable inquiries of the Collateral Manager, it does not have actual knowledge of any Event of Default hereunder as of a date not more than five days prior to the date of the certificate or, if such Event of Default did then exist, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class;

provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency shall have been notified in writing of such consolidation or merger and the Moody's Rating Condition shall have been satisfied;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee, the Collateral Manager and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in clause (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming

such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Notes and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Trustee to pursue any such other matters;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified each Rating Agency of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article 7 and that all conditions precedent in this Article 7 relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause any Class of Secured Notes to be deemed retired and reissued;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) shall be (i) required to register as an investment company under the Investment Company Act or (ii) considered engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis; and

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11 Successor Substituted~~Successor Substituted~~. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound up and

liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all of the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business~~No Other Business~~. The Issuer shall not have any employees (other than its directors) and shall not engage in any business or activity other than issuing, paying and redeeming the Notes and any additional notes issued pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations, Eligible Investments and any other Assets, acquiring, holding, selling, exchanging, redeeming and pledging shares in the Co-Issuer or Issuer Subsidiaries and other activities incidental thereto, including entering into, and performing its obligations under, the Transaction Documents to which it is a party and other documents contemplated thereby and/or incidental thereto. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Notes and any additional rated notes issued pursuant to this Indenture and other activities incidental thereto, including entering into, and performing its obligations under, the Transaction Documents to which it is a party and other documents and agreements contemplated thereby and/or incidental thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles and certificate of incorporation or limited liability company agreement and certificate of formation, respectively, only upon satisfaction of the Moody's Rating Condition and notice will be provided to Fitch.

Section 7.13 Maintenance of Listing. So long as any Listed Notes remain Outstanding, the Issuer shall use reasonable efforts to maintain listing of such ~~Noes~~Notes on the Cayman Islands Stock Exchange.

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Notes of any Class remain Outstanding, on or before ~~October 27th~~December 14th in each calendar year, commencing in ~~2022~~2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Notes from Moody's and/or Fitch. The Applicable Issuers shall promptly notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Secured Notes has been, or is known will be, changed or withdrawn. So long as any Notes are listed on the Cayman Islands Stock Exchange, upon receipt of such notice, the Trustee, in the name of and at the expense of the Issuer, shall notify the Cayman Islands Stock Exchange of any reduction or withdrawal in the rating of the Notes, if any such listed Notes are affected thereby.

(b) The Issuer shall obtain and pay for (i) an annual review of any Collateral Obligation which has a Moody's Rating pursuant to a credit estimate and any DIP Collateral Obligation, (ii) the review of any Collateral Obligation upon the occurrence of a Specified Amendment and (iii) an annual review of any Collateral Obligation with a credit estimate from Moody's.

Section 7.15 Reporting~~Reporting~~. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such

Holder or beneficial owner, or by Issuer Order to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. Section 7.16 Calculation Agent~~Calculation Agent~~. (a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to determine the Benchmark Rate in respect of each Interest Accrual Period or Notional Accrual Period, as applicable, in accordance with the definition thereof (the "Calculation Agent").The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible after 11:00 a.m. New York time on each Interest Determination Date (or, in the case of the first Interest Accrual Period, on the last Notional Determination Date), but in no event later than 11:00 a.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date (or, in the case of the first Interest Accrual Period, on the last Notional Determination Date), the Calculation Agent shall calculate the Interest Rate applicable to each Class of Floating Rate Notes during the related Interest Accrual Period or Notional Accrual Period, as applicable, and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Notes in respect of the related Interest Accrual Period. At such time, the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear, Clearstream and the Cayman Islands Stock Exchange (by email to Listing@csx.ky and csx@csx.ky).The Calculation Agent shall also specify to the Co-Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date (or, in the case of the first Interest Accrual Period, on the last Notional Determination Date) if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period or Notional Accrual Period, as applicable, shall (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Trustee, ~~any~~ Paying Agent nor ~~the~~ Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of

Term SOFR (or other applicable ~~Benchmark Rate~~benchmark), or whether or when there has occurred, or to give notice to any other ~~transaction party~~person of the occurrence of, any such unavailability or cessation or whether a Benchmark Transition Event or a Benchmark Replacement Date has occurred or any event which would give rise to the selection of a ~~Benchmark Replacement Rate, unless the Issuer or Collateral Manager requests that a notice be given~~Fallback Rate, (ii) to select, determine or designate any Benchmark Replacement Rate or DTR Proposed Rate, or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any Benchmark Replacement Rate Adjustment~~,~~ or other ~~adjustment or~~ modifier to ~~a Benchmark Rate~~any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Rate Conforming Changes or other conforming changes or alternative procedures are necessary or advisable, if any, in connection with any of the foregoing. None of the Trustee, any Paying Agent, nor the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture or any other Transaction Document as a result of the unavailability of Term SOFR (or other applicable ~~Benchmark Rate~~benchmark) and absence of a Fallback Rate, designated Benchmark Replacement Rate or DTR Proposed Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Designated Transaction Representative, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture or any other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR as determined on the previous Interest Determination Date or prior U.S. Government Securities Business Day, as applicable, if so required under the definition of "Term SOFR." If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Designated Transaction Representative, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Benchmark Replacement Rate or DTR Proposed Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in ~~this~~the Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Collateral Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Collateral Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative.

Section 7.17 Certain Tax Matters. (a) The Issuer and the Co-Issuer will treat the Issuer as a corporation, the Co-Issuer as a disregarded entity, the Secured Notes as indebtedness and the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and the Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and

the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide (to the extent such information is reasonably available to the Issuer and as soon as commercially practicable after the end of the taxable year) to each Holder any information that such holder reasonably requests in order for such Holder to (i) comply with its federal, state, or local tax return filing and information reporting obligations, (ii) make and maintain a QEF election with respect to the Issuer and any Issuer Subsidiary (such information to be provided at the Issuer's expense), (iii) file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer or any Issuer Subsidiary (such information to be provided at such Holder's expense, at the discretion of the Issuer or the Issuer's accountants), or (iv) comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at the Holder's expense, at the discretion of the Issuer or the Issuer's accountants).

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, and 1472, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by the Issuer or its agents on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

Upon written request, the Trustee, the Paying Agent and the Note Registrar shall provide to the Issuer, the Collateral Manager, or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Note Registrar, as the case may be, and may be necessary for the Issuer's compliance with FATCA, the Cayman FATCA Legislation, and the CRS. The Issuer (or an agent acting on its behalf) will take such commercially reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for compliance with FATCA, the Cayman FATCA Legislation, and the CRS including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA, the Cayman FATCA Legislation, and the CRS, and any other action that the Issuer would be permitted to take under this Indenture necessary for compliance with FATCA, the Cayman FATCA Legislation, and the CRS.

(d) Upon the Trustee's receipt of a request of a Holder, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its

Independent accountants to provide promptly to the Trustee and such requesting Holder all of such information.

(e) If the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation or any Collateral Obligation would be modified in such a manner, in either case, that would cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis (such Collateral Obligation or related asset, an "Ineligible Obligation"), the Issuer will (i) sell or otherwise dispose of all or a portion of such Ineligible Obligation (or the right to receive such Ineligible Obligation), (ii) set up one or more wholly owned special purpose vehicles of the Issuer that are treated as corporations for U.S. federal income tax purposes (each, an "Issuer Subsidiary") to receive and hold any such Ineligible Obligation (or the right to receive such Ineligible Obligation) or (iii) cause an existing Issuer Subsidiary to receive and hold such Ineligible Obligation (or the right to receive such Ineligible Obligation), in either case (i), (ii) or (iii), in a manner so that such acquisition, receipt or modification would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes. Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents complying with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to (i) the acquisition, receipt, holding, management and disposition of Collateral Obligations referred to in Section 7.17(e) and any assets, income and proceeds received in respect thereof and (ii) in the case of any Workout Instrument, the direct acquisition by the Issuer Subsidiary (collectively, "Issuer Subsidiary Assets"), and shall require each Issuer Subsidiary to distribute 100% of the net proceeds of any sale of such Issuer Subsidiary Assets, net of any tax or other liabilities, to the Issuer. No supplemental indenture pursuant to Section 8.1 or Section 8.2 hereof shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary. The Issuer (or the Collateral Manager on behalf of the Issuer) shall provide to the Rating Agencies prior notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary. For the avoidance of doubt, any Issuer Subsidiary may distribute an Issuer Subsidiary Asset to the Issuer if such distribution does not otherwise violate this Indenture and the acquisition, ownership, and disposition of such asset by the Issuer will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net basis.

(f) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary

Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(iii) [reserved];

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than its directors), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.17 applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(v) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to the assets of such Issuer Subsidiary and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) it will be subject to the limitations on powers set forth in the organizational documents of the Issuer;

(vii) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or Governmental Authority against or affecting such Issuer Subsidiary;

(ix) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.17(e);

(xi) the Issuer shall keep in full effect the existence, rights and franchises of such Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by such Issuer Subsidiary. In addition, the Issuer and such Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Issuer Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary at any time;

(xii) the parties hereto agree that any reports prepared by the Trustee, the Collateral Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that any Issuer Subsidiary Assets are held by an Issuer Subsidiary, and shall refer directly and solely to such Issuer Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Collateral Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year, or any longer applicable preference period then in effect, and one day, after the payment in full of all of the Notes issued under this Indenture;

(xiv) in connection with the organization of such Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary pursuant to Section 7.17(e), the Issuer Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or the Custodian to hold the Issuer Subsidiary Assets pursuant to an account control agreement substantially in the form of the Securities Account Control Agreement; provided that (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xv) subject to the other provisions of this Indenture, the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Collateral Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Subaccount or the Interest Collection Subaccount, as applicable); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests, the ownership interests of the Issuer in such Issuer Subsidiary or any property distributed to the Issuer by the Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s)). If, prior to its transfer to the Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by such Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that

such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any mandatory redemption, a Clean-Up Optional Redemption, a Tax Redemption or other prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary; and

(xix) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis.

(g) Each contribution by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in the relevant asset to the Issuer Subsidiary; provided that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on written advice of Latham & Watkins LLP, or an opinion or written advice of other tax counsel of nationally recognized standing in the United States experienced in such matters.

(h) None of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer shall at any time consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code unless, upon written advice of Latham & Watkins LLP, or an opinion or written advice of other nationally recognized U.S. tax counsel experienced in such matters, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided, that, for the avoidance of doubt, nothing in this Section 7.17(h) shall be construed to permit the Issuer to purchase real estate mortgages.

(i) The Issuer has not elected and will not elect to be treated as other than a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or a disregarded entity for U.S. federal, state or local income or franchise tax purposes. The Co-Issuer shall not elect to be treated for U.S. federal income tax purposes as other than a disregard entity.

(j) Notwithstanding anything herein to the contrary, the Collateral Manager, the Issuer, the Co-Issuer, the Trustee, the Holders and beneficial owners of the Notes and each listed employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. federal, state, or local tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Co-Issuers, the Trustee, or any other party to the transactions contemplated by this Indenture, the Offering, or the pricing (except to the extent such information is relevant to the U.S. federal, state, or local tax structure or tax treatment of such transactions).

(k) The Issuer shall use reasonable best efforts to (i) qualify as, and comply with any obligations or requirements imposed on, a "deemed-compliant FFI" within the meaning of the Code or any Treasury Regulations promulgated thereunder and in furtherance thereof will comply with the Cayman FATCA Legislation and (ii) make any amendments to this Indenture reasonably necessary to enable the Issuer to comply with FATCA, the Cayman FATCA Legislation and the CRS. Upon written request, the Trustee and the Note Registrar shall provide to the Issuer, the Collateral Manager or any agent thereof any information specified by such parties regarding the Holders and payments on the Notes that is in the possession of and reasonably available to the Trustee or the Note Registrar, as the case may be, and may reasonably be necessary for the Issuer to comply with FATCA, the Cayman FATCA Legislation and the CRS. The Trustee and the Note Registrar shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

(l) Upon a Re-Pricing, the Issuer will cause its Independent accountants to comply with any requirements under Treasury Regulations Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Pricing Affected Class or Notes replacing the Re-Pricing Affected Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations. (a) The conditions set forth in Section 7.18 of the Second Supplemental Indenture were satisfied by the Issuer prior to the date hereof.

~~Section 7.18 Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase) Collateral Obligations on or before March 9, 2022 such that the Target Initial Par Condition is satisfied, and within two Business Days of written notice from the Collateral Manager to the Trustee and the Collateral Administrator that the Target Initial Par Condition has been satisfied, the Trustee shall post to the Trustee's Website such notice that it has received from the Collateral Manager.~~

(b) During the period from the Closing Date to and including the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Test.

(c) Unless clause (d) below is applicable, within 30 Business Days after the Effective Date, the Issuer shall provide, or cause the Collateral Manager to provide the following documents:

(i) to each Rating Agency, a report (which the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) identifying the Collateral Obligations;

(ii) to each Rating Agency and the Trustee, (x) a report (which the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) in form satisfactory to the Rating Agencies stating the following information (the "Effective Date Report"): (A) the issuer, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, and country of Domicile with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security), by reference to such sources as shall be specified therein, (B) as of the Effective Date, the level of compliance with, and satisfaction or non-satisfaction of (1) the Target Initial Par Condition, (2) each Overcollateralization Test, (3) the Concentration Limitations and (4) the Collateral Quality Test (the items in this clause (B), collectively, the "Specified Tested Items"); and (C) the purchase price (if the settlement date has not yet occurred), LoanX ID, identification whether such Collateral Obligation is a First Lien Last Out Loan and Moody's Industry Classification with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security), by reference to such sources as shall be specified therein and (y) a certificate of the Collateral Manager certifying that the Collateral Manager has received an Accountants' Report that recalculates and compares the information set forth clause (x)(A) and (B) above (the "Effective Date Collateral Manager Certificate"); and

(iii) to the Trustee, the Effective Date Accountants' Report.

Upon receipt of the Effective Date Report, the Trustee (if not the same person as the Collateral Administrator) shall compare the information contained in such Effective Date Report to the information contained in its records with respect to the Assets and shall, within three Business Days after receipt of such Effective Date Report, notify the Issuer, the Collateral Administrator, each Rating Agency and the Collateral Manager if the information contained in the Effective Date Report does not conform to the information maintained by the Trustee with

respect to the Assets. In the event that any discrepancy exists, the Trustee shall attempt to resolve the discrepancy with the Collateral Administrator. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days notify the Collateral Manager who shall, on behalf of the Issuer, request that the Collateral Administrator review such Effective Date Report and the Trustee's records to determine the cause of such discrepancy. If such review reveals an error in the Effective Date Report or the Trustee's records, the Effective Date Report or the Trustee's records shall be revised accordingly and notice of any error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report. For the avoidance of doubt, the Effective Date Report and the Effective Date Collateral Manager Certificate shall not contain or include any Effective Date Accountants' Report. The Trustee, in each of its capacities, shall not disclose any Effective Date Accountants' Report received by it from such firm of Independent accountants, other than as provided in any access letter between the Trustee and such accountants.

(d) If (1) the Issuer or the Collateral Manager, as the case may be, has not provided to Moody's both (A) an Effective Date Report described in Section 7.18(c)(ii) that shows that the Target Initial Par Condition was satisfied, each Overcollateralization Test was satisfied, the Concentration Limitations were complied with and the Collateral Quality Test was satisfied and (B) the Effective Date Collateral Manager Certificate (such Effective Date Collateral Manager Certificate together with the Effective Date Report referred to in clause (A) collectively, a "Passing Report") prior to the date that is 30 Business Days after the Effective Date or (2) any of the tests referred to in Section 7.18(c)(ii)(x)(B) above are not satisfied ((1) or (2) constituting a "Moody's Ramp-Up Failure"), then the Issuer (or the Collateral Manager on the Issuer's behalf and at the Issuer's expense) may (A) instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, purchase additional Collateral Obligations in an amount sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to (i) provide a Passing Report to Moody's or (ii) satisfy the Moody's Rating Condition and/or (B) take such action, including but not limited to, an Effective Date Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to satisfy the Moody's Rating Condition;

provided that, in the case of the foregoing clause (d), amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to such transfer, (I) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay the full amount of the accrued and unpaid interest on any Class of Secured Notes on such next succeeding Payment Date or (II) such transfer would result in a deferral of interest with respect to the Deferred Interest Secured Notes on the next succeeding Payment Date; provided, further, that the Issuer (or the Collateral Manager on its behalf) shall provide notice to Moody's of a Moody's Ramp-Up Failure.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.18 shall not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance of the Notes which are not applied to pay for the purchase of Collateral Obligations purchased by the Issuer on or before the Closing Date

~~(including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the Closing Date) or to pay other applicable fees and expenses, the amount specified in Section 3.1(a)(xiii)(A) shall be deposited in the Ramp-Up Account on the Closing Date. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).~~

~~(f)~~ (b) Matrix. On or prior to the Effective Date, the Collateral Manager may elect the Matrix Case of the applicable Matrix that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the Matrix Tests, and if such Matrix Case differs from the Matrix Case chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Trustee, Moody's and the Collateral Administrator. Thereafter, at any time on written notice of one Business Day to the Trustee, the Collateral Administrator and Moody's, the Collateral Manager may elect a different Matrix Case to apply to the Collateral Obligations; *provided* that if: (i) the Collateral Obligations are currently in compliance with each of the Matrix Tests based on the Matrix Case then applicable to the Collateral Obligations, the Collateral Obligations continue to comply with each of the Matrix Tests after giving effect to the Matrix Case to which the Collateral Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with any of the Matrix Tests based on the Matrix Case then applicable to the Collateral Obligations or would not be in compliance with all of the Matrix Tests if any other Matrix Case were chosen to apply, the Collateral Obligations need not comply with the Matrix Case to which the Collateral Manager desires to change but such change must either maintain or improve compliance with any Matrix Test that is not currently in compliance in the Matrix Case then applicable to the Collateral Obligations and maintain compliance with any Matrix Test that is currently in compliance; provided that if subsequent to such election the Collateral Obligations could comply with all of the Matrix Tests if a different Matrix Case were chosen to apply, the Collateral Manager may elect to apply such other Matrix Case. (v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of any Class of Secured Notes whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Sections 5.4 or 5.5;

(vi) modify any of the provisions of this Indenture with respect to entering into supplemental indentures, except to increase the percentage of outstanding Notes, the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note outstanding affected thereby;

(vii) modify the definition of the term "Controlling Class", the definition of the term "Outstanding" or the Priority of Payments set forth in Section 11.1(a); or

(viii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest (other than in the case of a Re-Pricing Amendment, a DTR Proposed Amendment or in connection with the adoption of a Benchmark Replacement Rate) or principal on any Secured Note or any amount available for distribution to the Subordinated Notes, or to affect the rights of the Holders of any Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein; provided that any Re-Pricing Amendment that would have the effect of reducing the rate of interest payable on any Class of Secured Notes shall not be subject to the terms of this clause and shall instead be governed by the terms set forth under Section 9.7; provided, further, that notwithstanding anything herein to the contrary, this Indenture may, but shall not be required to, be amended without regard to the consent requirements in this Article 8 to facilitate the adoption of a Benchmark Replacement Rate.

Section 8.3 Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture and make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) With respect to any supplemental indenture permitted by Section 8.1 or 8.2 and the consent to which is expressly required from all or a Majority of each, or any specified, Class of Notes materially and adversely affected thereby, the Trustee and the Issuer shall be entitled to conclusively rely upon an Opinion of Counsel as to matters of law

(which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or an Officer's certificate of the Collateral Manager, as to whether or not any Class of Notes would be materially and adversely affected by a supplemental indenture; provided that, for any supplemental indenture which requires the consent of a Majority (or such other applicable specified percentage) of the Notes of any such Class and notice has been provided to the Trustee at least one Business Day prior to the execution of such supplemental indenture that such Class would be materially and adversely affected thereby, the Trustee shall not enter into such supplemental indenture without the consent of a Majority (or such other applicable specified percentage) of such Class. Such determination shall be conclusive and binding on all present and future Holders. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee and the Issuer shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. Neither the Trustee nor the Issuer shall be liable for any reliance made in good faith upon such an Opinion of Counsel or an Officer's certificate of the Collateral Manager.

(c) At the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 15 Business Days (or five Business Days in connection with an additional issuance, Refinancing or Re-Pricing Amendment) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee shall deliver to the Collateral Manager, the Collateral Administrator and the Noteholders a notice attaching a copy of such supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than (i) to correct typographical errors or to adjust formatting or (ii) to make a modification to a Re-Pricing Amendment as contemplated by Section 9.7, then at the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than ~~three Business Days~~ one Business Day (or, in the case of any supplemental indenture pursuant to Sections 8.1(viii), 8.1(x) through 8.1(xiv), 8.1(xxi) through 8.1(xxiii), 8.1(xxviii), 8.1(xxx) or Section 8.2, not later than three days) prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days or five Business Days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Noteholder has provided its written consent to the supplemental indenture as initially distributed, such Noteholder will be deemed to have consented in writing to the supplemental indenture as revised unless such Noteholder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. Neither the Issuer nor the Trustee shall have any responsibility or liability for failure or delay on the part of a Holder to provide a written notice of withdrawal of consent in response to any such notice, including without limitation, in respect of any reliance on such failure to withdraw for purposes of any supplemental indenture. The Trustee shall have no obligation to request that such holders consent unless the Trustee is requested in writing to do so

by or on behalf of the Issuer, the Placement Agent, the Refinancing Initial Purchaser or a Holder or beneficial owner of Notes; provided that without receipt of such consent the Trustee shall not enter into any supplemental indenture unless such supplemental indenture effects only changes described in Section 8.1. At the cost of the Co-Issuers, for so long as any Class of Secured Notes shall remain Outstanding and such Class is rated by a Rating Agency, the Trustee shall provide to such Rating Agency a copy of any proposed supplemental indenture at least 10 Business Days prior to the execution thereof by the Trustee (unless such period is waived by the applicable Rating Agency) and, as soon as practicable after the execution of any such supplemental indenture, provide to such Rating Agency a copy of the executed supplemental indenture. The Trustee shall, at the expense of the Co-Issuers, notify the Noteholders of any determination by Moody's with respect to the Moody's Rating Condition with respect to any applicable supplemental indenture. At the cost of the Co-Issuers, the Trustee shall provide to the Holders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

~~(d) [Reserved].~~

(d) Notwithstanding anything to the contrary contained herein, no supplemental indenture, or other modification or amendment of this Indenture, may become effective without the consent of the Collateral Manager and each Holder of each outstanding Note of each Class unless such supplemental indenture or other modification or amendment would not, in the reasonable judgment of the Issuer in consultation with legal counsel experienced in such matters, as certified by the Issuer to the Trustee (upon which certification the Trustee may conclusively rely), (i) result in the Issuer being treated as engaged in a trade or business within the United States or otherwise becoming subject to U.S. federal income tax on a net income basis, or (ii) have a material adverse effect on the tax treatment of the Issuer or result in materially different U.S. federal income tax consequences to the holders of any Class of Notes that remains outstanding at the time of execution of such supplemental indenture or other modification or amendment without regard to whether Holders or beneficial owners of any Class of Notes outstanding will be required to recognize gain or loss due to such a supplemental indenture or other modification or amendment.

(e) It shall not be necessary for any Act of any Holders of Notes to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any such Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(f) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture until it has received a copy of any such supplement from, or on behalf of, the Issuer and has consented in writing to be bound by such supplement, as provided herein. The Issuer agrees that it will not, without the prior written consent of the Collateral Manager, permit to become effective any supplement or modification to this Indenture which could (i) modify the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Manager), or change the economic consequences to, the Collateral Manager, (ii) directly or indirectly modify the restrictions on the purchases or sales or other dispositions of

Collateral Obligations or any other Assets under this Indenture or the Investment Criteria, (iii) expand or restrict the Collateral Manager's discretion, (iv) adversely affect the Collateral Manager or its Related Entities, (v) potentially result in non-compliance by the Collateral Manager (as determined by the Collateral Manager in its sole discretion) of any applicable law, rule or regulation or any related internal policies or procedures of the Collateral Manager or its Affiliates or (vi) potentially result (in the good faith belief of the Collateral Manager) in non-compliance by the Collateral Manager with any Applicable Risk Retention Rules or require it to acquire, or otherwise increase its interest (if any) in, any Notes, and the Collateral Manager shall not be bound thereby unless the Collateral Manager has consented in advance thereto in writing. No amendment to this Indenture shall be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(g) In connection with a Refinancing of all Classes of Secured Notes in full, with the approval of the Collateral Manager and consent from ~~the Initial~~a Majority of the Subordinated ~~Noteholder~~Notes, but without regard for any other consent requirements specified in this ~~Section 8.3~~Article VIII, the agreements relating to the Refinancing may be amended to (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for replacement notes or prohibit a future Refinancing of such replacement notes, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of the replacement notes or loans or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity of the Secured Notes, (e) effect an extension of the Stated Maturity of the Subordinated Notes or (f) make any other supplements or amendments that would otherwise be subject to the consent or objection rights described in this Section 8.3 (any such amendment, a "Reset Amendment").

(h) With respect to any amendment or supplemental indenture entered into in accordance with the terms of this Indenture for the purpose of complying with a change in law or regulations and which expressly requires the consent of Holders of any Class of Notes, such consent shall be deemed given in the event the applicable Holders have not provided a consent or rejection by the time the applicable notice period has expired. Neither the Issuer nor the Trustee shall have any responsibility or liability for any failure or delay on the part of a Holder (i) to provide written notice that it would be materially and adversely affected by any such proposed supplemental indenture as described herein, including without limitation, in respect of any reliance on such failure to provide such notice for purposes of any supplemental indenture or (ii) to provide written objection in response to any such notice, including without limitation in respect of any reliance on such failure to object for purposes of any supplemental indenture.

(i) To the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture pursuant to any clauses set forth under Section 8.1~~(viii)~~ and one or more other amendment provisions described herein also applies, such supplemental indenture or other modification or amendment of this Indenture shall be deemed to be a supplemental indenture, modification or amendment ~~to conform this Indenture to the Offering Circular or correct an ambiguity~~ pursuant to ~~Section 8.1(viii)~~the applicable clause

only regardless of the applicability of any other provision regarding supplemental indentures set forth herein.

(j) In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of redeemed Notes be considered to have a material adverse effect on any Holder of such Class (provided that the redemption of such Class is effected on such Redemption Date), and no Holder of such Class shall have an objection right or consent right to such supplemental indenture on the basis of a material and adverse effect.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article 2 of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Issuer shall, bear a notice as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform (in the opinion of the Co-Issuers) to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and, upon Issuer Order, authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE 9

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption~~Mandatory Redemption~~. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Notes in accordance with the Note Payment Sequence to the extent necessary to cause such Coverage Test to be satisfied as specified in the Priority of Payments.

Section 9.2 Optional Redemption and Clean-Up Optional Redemption. (a) If directed in writing by the Collateral Manager (if RTCM or one of its affiliates is the Collateral Manager and with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes, the Applicable Issuers shall, on any Redemption Date after the Non-Call Period, redeem the Secured Notes (i) in whole (with respect to all Classes of Secured Notes) from Refinancing Proceeds and/or Sale Proceeds or (ii) in part by Class from Refinancing Proceeds and Available Interest Proceeds (so long as any Class of Secured Notes to be redeemed ~~represents~~represent the entire Class of such Secured Notes). Additionally, if the Aggregate Principal Balance of the Collateral Obligations is then less than 15% of the Target Initial Par Amount as of any Measurement Date, all of the Notes shall be redeemable by the Applicable Issuers from Sale Proceeds on any Redemption Date after the Non-Call Period in whole (with respect to all Classes of Notes) but not in part at the written direction of the Collateral Manager (any such redemption

a "Clean-Up Optional Redemption"). In connection with any Optional Redemption or Clean-Up Optional Redemption, the Class or Classes of Notes, as applicable, being redeemed shall be redeemed at the applicable Redemption Prices. In connection with a prospective Clean-Up Optional Redemption, the Collateral Manager shall notify the Issuer, the Trustee, the Collateral Administrator and the Holders of the Subordinated Notes if, as of any Measurement Date following the Non-Call Period, the Aggregate Principal Balance of the Collateral Obligations decreases to less than 20% of the Target Initial Par Amount. To effect an Optional Redemption (i) in whole of the Secured Notes with Sale Proceeds and/or Refinancing Proceeds, the Collateral Manager or a Majority of the Subordinated Notes, as applicable, must provide the above described written direction to the Issuer, the Trustee and the Collateral Manager not later than 12 Business Days prior to the Redemption Date on which such redemption is to be made, and (ii) of one or more Classes of Notes pursuant to a Refinancing, a Majority of Subordinated Notes or the Collateral Manager, as applicable, must provide the above described written direction to the Issuer, the Trustee and the Collateral Manager at least 12 Business Days prior to the Redemption Date on which such redemption is to be made; provided that all Secured Notes to be redeemed must be redeemed simultaneously; provided further, that with respect to an Optional Redemption of one or more Classes of Notes pursuant to a Refinancing, the Collateral Manager may, in its sole discretion, upon written notification to the Issuer, the Trustee, Fitch and the Holders of the Subordinated Notes delivered not later than five Business Days prior to the proposed Redemption Date, extend the Redemption Date to a Business Day up to 30 days after the Redemption Date designated in such written direction.

(b) Upon receipt of a notice of an Optional Redemption of the Secured Notes in whole but not in part or a Clean-Up Optional Redemption of the Secured Notes in whole but not in part, and in each case pursuant to Section 9.2(a) (subject to Sections 9.2(e) and 9.2(f) with respect to a redemption from proceeds that include Refinancing Proceeds), the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and any Eligible Investments or other saleable Assets in an amount sufficient that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account shall be at least sufficient to pay the Redemption Prices of the Secured Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and all Management Fees payable under the Priority of Payments. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Notes and pay such fees and expenses, the Secured Notes may not be redeemed. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement (including any Sale of the Collateral Obligations in a single transaction). In connection with any Optional Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(c) The Subordinated Notes may be redeemed, in whole but not in part, on any Redemption Date on or after the redemption or repayment in full of the Secured Notes, at the direction of the Collateral Manager or a Majority of the Subordinated Notes, which direction may be given in connection with a direction to redeem the Secured Notes or at any time

after the Secured Notes have been paid in full. The payment of the Redemption Price of the Subordinated Notes is not required to be paid on one single Business Day and may be paid over the course of multiple Business Days. The Issuer (or the Collateral Manager on behalf of the Issuer) shall have discretion to determine the timing of asset sales in connection with a redemption of the Subordinated Notes and may elect to delay the sale of an asset for liquidity purposes or if it reasonably determines (based on the date of determination, not to be called into question as a result of subsequent events or information) that such delay may increase returns to the Subordinated Notes.

(d) With the consent of the Collateral Manager and a Majority of the Subordinated Notes, without the consent of any other person, the Issuer may, in connection with a Refinancing of all Secured Notes, enter into a Reset Amendment.

(e) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), the Secured Notes may, after the Non-Call Period, following receipt of a direction specified in Section 9.2(a) be redeemed (i) in whole (but not in part) from Refinancing Proceeds and/or Sale Proceeds or (ii) in part by Class from Refinancing Proceeds (so long as any Class of Secured Notes to be redeemed represents the entire Class of such Secured Notes) by obtaining a Refinancing or issuing, as the case may be, another Refinancing Obligation, which will be negotiated by the Collateral Manager on behalf of the Issuer, from one or more financial institutions or purchasers, it being understood that any rating of such Refinancing Obligations by a Rating Agency will be based on a credit analysis specific to such Refinancing Obligations and independent of the rating of the Notes being refinanced. The Collateral Manager shall have no obligation to arrange or seek to arrange any Refinancing at any time.

(f) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(e), such Refinancing shall be effective only if (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, Available Interest Proceeds and all other available funds shall be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Administrative Expenses incurred in connection with such Refinancing (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee, the Placement Agent, the Refinancing Initial Purchaser, the Collateral Manager and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) the Sale Proceeds, Refinancing Proceeds and other available funds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i) and Section 13.1(d) and (iv) the Collateral Manager has consented to such Refinancing, which consent may be withheld in the Collateral Manager's sole discretion, including if the Collateral Manager determines that, to the extent the U.S. Risk Retention Rules apply to such Refinancing, any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will fail to be in compliance with the U.S. Risk Retention Rules immediately following the Refinancing (provided that, unless it consents to do so, none of the Collateral Manager, the Related Entities or any Affiliate thereof or any "sponsor" (as such term is defined in the U.S.

Risk Retention Rules) will be under any obligation to purchase any obligations of the Issuer or the Co-Issuer in connection with such Refinancing). In connection with a Refinancing pursuant to which all Secured Notes are being refinanced, the Collateral Manager may, without the consent of any person, including any Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date.

(g) In the case of a Refinancing upon a redemption of the Secured Notes in part by Class pursuant to Section 9.2(e), such Refinancing shall be effective only if (i) the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) of the related class of Refinancing Obligations (or with respect to a Refinancing of multiple Classes, the weighted average of the interest rate of the related classes of Refinancing Obligations) does not exceed the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) of the Class of Secured Notes being refinanced (or with respect to a Refinancing of multiple Classes, the weighted average of the interest rate of the Classes being ~~refinanced) (and, if multiple classes are issued with respect to one Class of Secured Notes that is being refinanced, both (x) such classes are *pari passu* with respect to interest and principal entitlements among themselves and (y) no such class has an interest rate in excess of the interest rate of the Class of Secured Notes being~~ refinanced); provided that (x) any Class of Fixed Rate Notes may be refinanced with obligations that bear interest at a floating rate (i.e., at a stated spread over the Benchmark Rate) so long as the floating rate of the Refinancing Obligations is less than the applicable Interest Rate with respect to such Class of Fixed Rate Notes of the date of such Refinancing and (y) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the Refinancing Obligations is less than the Benchmark Rate plus the relevant spread with respect to such Class of Secured Notes on the date of such Refinancing, (ii) the Refinancing Proceeds, Available Interest Proceeds and all other available amounts shall be in an amount equal to the amount required to pay the Redemption Price with respect to the Class(es) of Notes to be redeemed, (iii) all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, does not exceed the amount of Interest Proceeds available, after taking into account all amounts required to be paid pursuant to the Priority of Payments prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes by the third Payment Date following the related Redemption Date, unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuer, (iv) the Refinancing Proceeds are used to make such redemption, (v) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i) and Section 13.1(d), (vi) the Issuer provides notice to each Rating Agency of such redemption pursuant to a Refinancing, (vii) the Refinancing Obligations created in accordance with such redemption pursuant to a Refinancing must have the same maturity as the Notes Outstanding prior to such Refinancing, (viii) such Refinancing is done only through the issuance of new notes or loans and not the sale of any Assets, (ix) any Refinancing Obligations created in accordance with such redemption pursuant to a Refinancing must have the same aggregate outstanding amount as the Notes Outstanding prior to such Refinancing (except that if the junior most Class of Secured Notes Outstanding is redeemed in full, such Class of Secured Notes may be replaced by new notes with a greater

aggregate outstanding amount), (x) the voting rights, consent rights, redemption rights, priority of payment rights and other rights of the Refinancing Obligations are the same in all material respects as the rights of the corresponding Class of Secured Notes that is being refinanced ~~and~~, (xi) the Collateral Manager has consented to such Refinancing, which consent may be withheld in the Collateral Manager's sole discretion, including if the Collateral Manager determines that, to the extent the U.S. Risk Retention Rules apply to such Refinancing, any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will fail to be in compliance with the U.S. Risk Retention Rules immediately following the Refinancing (provided that, unless it consents to do so, none of the Collateral Manager, the Related Entities or any Affiliate thereof or any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will be under any obligation to purchase any obligations of the Issuer or the Co-Issuer in connection with such Refinancing) and (xii) if either of the Class C-1-AR Notes or the Class C-2-AR Notes is subject to such Refinancing, then both of the Class C-1-AR Notes and the Class C-2-AR Notes must be subject to such Refinancing. Notwithstanding the foregoing, the terms of the issuance providing the Refinancing may either (i) contain a make-whole fee in the case of an early repayment of such issuance or (ii) provide that the non-call period applicable to such issuance may be extended beyond the Non-Call Period, in each case, with the consent of the Collateral Manager and a Majority of the Subordinated Notes. Notice of any such designation will be provided to the Trustee (with copies to the Rating Agencies) on or before the related Determination Date.

(h) The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing, including, for the avoidance of doubt, if the Collateral Manager withholds consent to any such Refinancing based on its determination in its sole discretion that, to the extent the U.S. Risk Retention Rules apply to such Refinancing, any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will fail to be in compliance with the U.S. Risk Retention Rules immediately following the Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers and, at the direction of the Issuer (or the Collateral Manager on its behalf), the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than Holders of the Subordinated Notes directing the redemption, if applicable. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate and/or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds).

(i) On any Refinancing Redemption Date other than a Payment Date, Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied (together with the Available Interest Proceeds) pursuant to Section 11.1(a)(iv) on the Refinancing Redemption Date to redeem the Notes that are being refinanced and (to the extent funds are available therefor) pay expenses and fees relating to such Refinancing without regard

to the Priority of Payments (other than Section 11.1(a)(iv)); provided that, to the extent that any Refinancing Proceeds remain after payment of the Redemption Price of each redeemed Class of Notes and related expenses, such Refinancing Proceeds will be treated as Interest Proceeds or Principal Proceeds, in each case as designated by the Collateral Manager in its sole discretion.

(j) In the event of any Optional Redemption or Clean-Up Optional Redemption, the Issuer shall, at least 12 Business Days prior to the Redemption Date (or such shorter period as agreed to by the Trustee in its sole discretion), notify the Trustee in writing of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption~~Tax Redemption~~. (a) The Secured Notes and the Subordinated Notes shall be redeemed in whole but not in part (any such redemption, a "Tax Redemption") at the written direction (delivered to the Trustee) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case following (I) the occurrence and continuation of a Tax Event with respect to payments under one or more Collateral Obligations forming part of the Assets which results in a payment by, or charge or tax burden to, the Issuer that results or will result in the withholding of 5% or more of scheduled distributions for any Collection Period; or (II) the occurrence and continuation of a Tax Event resulting in a tax burden on the Issuer in an aggregate amount in any Collection Period in excess of U.S.$1,000,000.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders and each Rating Agency thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes and each Rating Agency thereof.

Section 9.4 Redemption Procedures~~Redemption Procedures~~. (a) In the event of any Optional Redemption, the written direction of the Collateral Manager or a Majority of the Subordinated Notes (~~with the consent of the Collateral Manager~~subject in each case to the applicable consents), as applicable, shall be provided to the Issuer, the Trustee and the Collateral Manager in accordance with Section 9.2(a). The Issuer (or the Collateral Manager on its behalf) will provide notice of any such Optional Redemption ~~mailed~~delivered no later than 12 Business Days prior to the applicable Redemption Date to the Trustee. In the event of a Clean-Up Optional Redemption, the written direction of the Collateral Manager shall be provided to the Issuer and the Trustee in accordance with Section 9.2(a). In the event of any Optional Redemption, Clean-Up Optional Redemption or Tax Redemption, a notice of redemption, specifying the Redemption Date and the applicable Redemption Prices, shall be given by the

Issuer (or the Trustee on its behalf) not later than 10 Business Days prior to the applicable Redemption Date, to each Holder of Notes~~, at such Holder's address in the Note Register and each Rating Agency~~ by making such notice available on the Trustee's website. Notes called for redemption must be surrendered at the office of any Paying Agent. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of the Cayman Islands Stock Exchange so require, notice of an Optional Redemption, a Tax Redemption or a Clean-Up Optional Redemption to the Holders of such Notes shall also be given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) that all of the Secured Notes to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(iv) the place or places where Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(v) if all Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where any Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

The Co-Issuers or the Issuer, as applicable, shall have the option to amend (or, if such notice was provided by the Trustee on the Issuer's behalf, the Issuer may direct the Trustee to amend) any such notice of an Optional Redemption, a Clean-Up Optional Redemption or a Tax Redemption for any purpose, including, without limitation, to postpone the scheduled Redemption Date, at any time up to and including the Business Day prior to the scheduled Redemption Date by written notice to the Trustee, the Rating Agencies and the Collateral Manager (without regard for the notice period set forth in Section 9.4(a) above). If any such notice of redemption is amended, the Trustee shall, at the expense of the Issuer, not later than one (1) Business Day before the previously proposed Redemption Date: (i) provide notice of such amendment to each Holder of the Classes that were to be redeemed, at such Holder's address in the Register and to each Rating Agency; and (ii) post notice of such amendment to the Trustee's internet website.

The Co-Issuers or the Issuer, as applicable, acting at the direction of the Collateral Manager, shall have the option to withdraw any such notice of an Optional Redemption or Clean-Up Optional Redemption (or any such notice of a Tax Redemption given pursuant to Section 9.3 if proceeds from the sale of the Collateral Obligations and other Assets shall be insufficient to pay, together with other required amounts, the Redemption Price of any Class of

Secured Notes, and holders of such Class have not elected to receive the lesser amount that shall be available) on any day up to and including the Business Day prior to the proposed Redemption Date. Any withdrawal of such notice of an Optional Redemption, Clean-Up Optional Redemption or Tax Redemption shall be made by written notice to the Trustee, each Rating Agency and the Collateral Manager. If any such notice of redemption is withdrawn, the Trustee shall, at the expense of the Issuer, not later than one (1) Business Day before the previously proposed Redemption Date: (i) provide notice of such withdrawal to each Holder of the Classes that were to be redeemed, at such Holder's address in the Register and to each Rating Agency; and (ii) post notice of such withdrawal to the Trustee's internet website. In addition, so long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of such withdrawal will be given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange. If the Co-Issuers or the Issuer, as applicable, so withdraw or are deemed to withdraw any notice of an Optional Redemption or Clean-Up Optional Redemption, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may, at the Collateral Manager's sole discretion, be reinvested in accordance with Section 12.2 (to the extent reinvestment is permissible in accordance with the provisions thereof). Subject to Section 9.4(e), if any notice of Optional Redemption, Clean-Up Optional Redemption or Tax Redemption is neither withdrawn nor deemed to have been withdrawn and the proceeds of the Sale of the Collateral Obligations are not sufficient to pay the Redemption Price of each Class of Secured Notes, including as a result of the failure of any Sale of all or any portion of the Collateral Obligations to settle on the Business Day immediately preceding the applicable Redemption Date, (I) the Secured Notes shall be due and payable on such Redemption Date and the failure to pay the Redemption Price for such Secured Notes shall constitute an Event of Default hereunder and (II) all available Sale Proceeds from the Sale of the Collateral Obligations (net of any expenses incurred in connection with such Sale) shall be distributed in accordance with the Priority of Payments.

Notice of an Optional Redemption, Clean-Up Optional Redemption or Tax Redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

Notwithstanding anything contained herein to the contrary, any notice of redemption delivered pursuant to Section 9.4(a) shall list a definitive Redemption Date; provided that the parties providing such direction may subsequently elect to postpone such Redemption Date to a later date by providing a subsequent direction letter to the Issuer, the Trustee and, if applicable, the Collateral Manager not later than the Business Day prior to the then specified Redemption Date. If any such Redemption Date is postponed, the Trustee (at the direction of the Issuer (or the Collateral Manager on its behalf)) shall, not later than one (1) Business Day before the previously proposed Redemption Date: (i) provide notice of such postponement to each Holder of Notes to be redeemed, at such Holder's address in the Register and to each Rating Agency; and (ii) post notice of such postponement to the Trustee's internet website.

(c) Unless Refinancing Proceeds are being used to redeem the Secured Notes, in the event of any Optional Redemption, Clean-Up Optional Redemption or Tax

Redemption, no Secured Notes may be optionally redeemed unless (i) at least five Business Days (or such shorter period as the Trustee and the Collateral Manager may agree to) before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence (which may be in the form of an Officer's certificate) in a form reasonably satisfactory to the Trustee that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions ~~whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "P-1" by Moody's (or a lower rating by Moody's if all of the purchases pursuant to such agreement settle prior to the latest date on which the Issuer or Co-Issuers, as applicable, may withdraw the notice of applicable redemption) or a collateralized loan obligation transaction or similar transaction or other special purpose vehicle~~ to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the Obligor thereof at par on or prior to the scheduled Redemption Date, to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and all Management Fees payable in accordance with the Priority of Payments and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Prices (or, in the case of any Class of Secured Notes, such lesser amount that the Holders of such Class have elected to receive, in the case of a Tax Redemption where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class); (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, and (B) for each Collateral Obligation, its ~~Market Value~~sales proceeds less the amount of any expenses expected to be incurred in connection with such sale (including any commission payable in connection with the sale of any Collateral Obligations), shall exceed the sum of (x) the aggregate Redemption Prices (or, in the case of any Class of Secured Notes, such other amount that the Holders of such Class have elected to receive, in the case of a Tax Redemption where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) of the Outstanding Secured Notes and (y) all Administrative Expenses (regardless of the Administrative Expense Cap) and all Management Fees payable under the Priority of Payments; or (iii) at least one Business Day before the scheduled Redemption Date, the Collateral Manager has certified to the Trustee that the Issuer shall have received (or entered into escrow arrangements with respect to) proceeds of disposition of all or part of the Assets at least sufficient to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and all Management Fees payable under the Priority of Payments and to redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Prices (or with respect to any Secured Notes in which all of the Holders of such Notes have elected to receive less than 100% of the Redemption Price that would otherwise be payable to such Holders of the Secured Notes of the relevant Class, such lesser amount that such Holders have elected to receive). Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this Section 9.4(c). Any Holder of Notes, the Collateral Manager and its

Related Entities and any Affiliates thereof shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption, Clean-Up Optional Redemption or Tax Redemption.

(d) If a Majority of the Subordinated Notes objects to a Refinancing directed by the Collateral Manager prior to the second Business Day before the scheduled Redemption Date or if the Collateral Manager determines, at any time prior to the applicable Redemption Date, that, based on information reasonably available to the Collateral Manager, in its judgment, it is not reasonably likely to be able to deliver evidence of the sale agreement or agreements referred to in Section 9.4(c)(i) or the certification referred to in Section 9.4(c)(ii) or Section 9.4(c)(iii), as applicable, the Collateral Manager shall promptly notify the Trustee. Upon receipt of such notice, (1) the Trustee shall notify the Issuer of objection by a Majority of the Subordinated Notes or of such determination by the Collateral Manager and (2) the notice of Tax Redemption or Optional Redemption shall be deemed to have been withdrawn by the Co-Issuers and any obligation of the Issuer to complete a Tax Redemption or Optional Redemption on such Redemption Date shall immediately be terminated.

(e) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Collateral Manager and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then, upon notice from the Issuer to the Trustee that sufficient funds are now available to complete such redemption, such Secured Notes may be redeemed using such funds on any Business Day prior to the first Payment Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Payment Date after the original scheduled redemption date, such redemption will be cancelled without further action.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and 9.4(d) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note. Payments of interest on Secured Notes so to be redeemed which are payable on or prior to the Redemption

Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; provided that the reason for such non-payment is not the fault of the relevant Noteholder.

Section 9.6 Special Redemption~~Special Redemption~~. The Secured Notes shall be subject to redemption in part by the Applicable Issuers on any Redemption Date ~~(i)~~ during the Reinvestment Period, if the Collateral Manager notifies Fitch and the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Reinvestment Special Redemption") ~~or (ii) in connection with the Effective Date, if the Collateral Manager notifies the Trustee that a prepayment is required pursuant to Section 7.18 in order to remedy a Moody's Ramp-Up Failure (an "Effective Date Special Redemption" and, together with any Reinvestment Special Redemption, a "Special Redemption")~~. Any such notice ~~in the case of clause (i) above~~ shall be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as described above. On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing ~~(1) in the case of a Reinvestment Special Redemption,~~ Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations ~~or (2) in the case of an Effective Date Special Redemption, all Interest Proceeds and all other Principal Proceeds available in accordance with the Priority of Payments, shall in each case~~, shall be applied in accordance with the Priority of Payments. ~~In the case of clause (2), such amounts shall be used for application in accordance with the Note Payment Sequence in an amount sufficient to satisfy the Moody's Rating Condition. Notice of a~~Notice of a Reinvestment Special Redemption shall be given by the Trustee not less than ~~(x) in the case of a Reinvestment Special Redemption,~~ three Business Days prior to the applicable Special Redemption Date ~~and (y) in the case of an Effective Date Special Redemption, one Business Day prior to the applicable Special Redemption Date, in each case~~ by first class mail, postage prepaid, to each Holder of Secured Notes affected thereby at such Holder's mailing address in the Note Register and to each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Reinvestment Special Redemption to the Holders of such Notes shall also be provided to the Cayman Islands Stock Exchange. Upon the completion of any Reinvestment Special Redemption, the Reinvestment Period will terminate.

Section 9.7 Re-Pricing Amendments. (a) On any Business Day that occurs after the end of the Non-Call Period, the Collateral Manager (with the consent of a Majority of the

Subordinated Notes) or a Majority of the Subordinated Notes with the consent of the Collateral Manager (and, in each case, without the consent of any other Holders of the Notes), may through a written notice (a "Re-Pricing Proposal Notice") delivered to the Co-Issuers, the Trustee and the Holders of the Subordinated Notes (if the Re-Pricing Amendment is directed by the Collateral Manager), direct the Co-Issuers and the Trustee (subject to Section 8.3 hereof), without regard for the provisions of Article 8 and without the consent of any other Person, to enter into an amendment or supplemental indenture to this Indenture (a "Re-Pricing Amendment") in order to cause the spread over the Benchmark Rate used to determine the Interest Rate (or in the case of any Fixed Rate Notes, the Interest Rate) with respect to each Class of Re-Pricing Eligible Notes to be reduced to an amount specified in such notice (a "Re-Pricing"). Any such notice must specify: (i) the Class or Classes that shall be the subject of such Re-Pricing Amendment (each, a "Re-Pricing Affected Class"); and (ii) the proposed spreads over the Benchmark Rate (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) or in the case of any Fixed Rate Notes, the proposed interest rates, with respect to each of the Re-Pricing Affected Classes (the "Re-Pricing Rate"). The Issuer shall also arrange for any Re-Pricing Proposal Notice to be delivered to the Cayman Islands Stock Exchange so long as any Notes are listed thereon and so long as the guidelines of such exchange so require. In connection with any Re-Pricing Amendment, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the direction of the Collateral Manager or a Majority of the Subordinated Notes (in consultation with, and with the consent of, the Collateral Manager), as the case may be, to assist the Issuer in effecting the Re-Pricing Amendment.

(b) The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, upon its receipt of a Re-Pricing Proposal Notice, shall deliver written notice in the form attached hereto as Exhibit H (a "Re-Pricing Notice") at least 10 Business Days prior to the proposed effective date of such Re-Pricing Amendment (the "Re-Pricing Date") to the Holders of Notes of each of the Re-Pricing Affected Classes (with a copy to the Collateral Manager, the Holders of the Subordinated Notes, each Rating Agency and the Trustee) requesting each holder of the Re-Pricing Affected Classes to consent to the proposed Re-Pricing Amendment. Each Re-Pricing Notice shall specify the same information as set forth in the related Re-Pricing Proposal Notice; provided that the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, at the direction of the Collateral Manager or a Majority of the Subordinated Notes (with the consent of the Collateral Manager), may modify the proposed Re-Pricing Amendment by delivery of a revised Re-Pricing Notice at any time up to seven Business Days prior to the proposed Re-Pricing Date and shall deliver to the Holders of the proposed Re-Pricing Affected Class (with a copy to the Collateral Manager, the Trustee and each Rating Agency) a notice reflecting such modification of the proposed Re-Pricing Amendment.

(c) Not later than seven Business Days prior to the Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the consenting holders of the Re-Pricing Affected Class (the "Consenting Holders"), specifying the final Re-Pricing Date, the Re-Pricing Rate and the Aggregate Outstanding Amount of the Notes of the Re-Pricing Affected Class held by the non-consenting holders (each such Holder is referred to herein as a "Transferring Noteholder"; and any Notes so held by such Holder are referred to herein as "Transferred Notes"). The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall also request each Consenting Holder to provide written notice to the Issuer, the Re-Pricing Intermediary, the Trustee and the Collateral Manager if such Holder would like to

purchase all or any portion of the Transferred Notes (each such notice, an "Exercise Notice") no later than three Business Days prior to the Re-Pricing Date. In the event the Issuer receives Exercise Notices at the Re-Pricing Rate with respect to more than the Aggregate Outstanding Amount of Notes of the Re-Pricing Affected Class held by Transferring Noteholders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Transferred Notes, without further notice to any Transferring Noteholders thereof, on the Re-Pricing Date to the Consenting Holders, such that each Consenting Holder shall receive an Aggregate Outstanding Amount of the Re-Pricing Affected Class equal to the lesser of (x) its original Aggregate Outstanding Amount of the Re-Pricing Affected Class and (y) the Aggregate Outstanding Amount of the Re-Pricing Affected Class such Consenting Holder indicated it would be willing to maintain at the Re-Pricing Rate. The Aggregate Outstanding Amount of the Re-Pricing Affected Class in excess of the Aggregate Outstanding Amount shall be allocated *pro rata* among the Consenting Holders indicating a willingness to purchase Transferred Notes (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary, to comply with the applicable minimum denomination requirements and the applicable procedures of DTC) based on the additional Aggregate Outstanding Amount of the Transferred Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event the Issuer receives Exercise Notices at the Re-Pricing Rate with respect to less than the Aggregate Outstanding Amount of Notes of the Re-Pricing Affected Class held by Transferring Noteholders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Transferred Notes on the Re-Pricing Date to the Consenting Holders, in the case of each such Consenting Holder, in an amount equal to the Aggregate Outstanding Amount of the Re-Pricing Affected Class such Consenting Holder requested to purchase at the Re-Pricing Rate, and the excess shall be sold to one or more transferees designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Secured Notes to be effected in connection with a Re-Pricing Amendment shall be made at the Redemption Price with respect to such Secured Notes, and shall be effected only if the related Re-Pricing Amendment is effected in accordance with the applicable provisions hereof. The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in such Re-Pricing Eligible Notes, agrees to sell and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary and the Trustee to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than two Business Days prior to the Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Transferred Notes.

Notwithstanding the foregoing, in the event any Transferring Noteholder does not cooperate in accordance with the preceding paragraph to effect the sale and transfer of its Notes, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, with the consent of the Collateral Manager, may (i) effect the Re-Pricing Amendment with respect to the Notes of the Consenting Holders and issue Notes of the Re-Pricing Affected Class with new securities identifiers (such Notes, the "Re-Priced Notes") to such Consenting Holders and any third party purchasers of the Notes of the Re-Pricing Affected Class held by Transferring Noteholders or (ii) pursuant to a Refinancing, redeem the Notes held by Transferring Noteholders with the Refinancing Proceeds, described in subclause (B) of the following sentence. For purposes of the redemption described in clause (ii) of the preceding sentence, (A) the issuance of Re-Priced Notes or the corresponding Class of Secured Notes, as the case may be, to the purchasers of the Notes of the Re-Pricing Affected Class held by Transferring Noteholders shall be deemed to

constitute a Refinancing with respect to the Re-Pricing Affected Class, and (B) the purchase price paid for the Re-Priced Notes by the purchasers of the Transferred Notes pursuant to clause (A) above (which shall be an amount equal to the Redemption Price with respect to such Notes) shall be deemed to constitute Refinancing Proceeds. For the avoidance of doubt, with respect to any such redemption pursuant to this paragraph, (i) notwithstanding anything to the contrary in this Article 9, such redemption shall apply only to the Notes of the Re-Pricing Affected Class with the original securities identifier and not to the Re-Priced Notes, and the requirements in this Indenture applicable to a Refinancing shall be interpreted in accordance therewith, and (ii) such redemption may be accomplished without regard for any applicable notice and timing requirements specified in this Indenture for a Refinancing.

(d) No Re-Pricing Amendment shall be effective unless: (i) the Co-Issuers, the Collateral Manager, and the Trustee have entered into a supplemental indenture dated as of the Re-Pricing Date solely to decrease the spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Pricing Affected Class, (ii) each Transferring Noteholder shall have received on or prior to the effective date of the Re-Pricing Amendment a purchase price for the Transferred Notes equal to the Redemption Price of such Notes as of the effective date, (iii) each Rating Agency shall have been notified of such Re-Pricing Amendment and (iv) the Collateral Manager has determined in its sole discretion that, to the extent the U.S. Risk Retention Rules apply to such Re-Pricing Amendment, no "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will fail to be in compliance with the U.S. Risk Retention Rules immediately following the effectiveness of the Re-Pricing Amendment (provided that, unless it consents to do so, none of the Collateral Manager, the Related Entities or any Affiliate thereof or any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will be under any obligation to purchase any obligations of the Issuer or the Co-Issuer in connection with such Re-Pricing Amendment). The Issuer may extend the effective date of the Re-Pricing Amendment to a date no later than five Business Days after the proposed Re-Pricing Date to facilitate the settlement of the sales in respect of Transferring Noteholders.

(e) By purchasing the Re-Pricing Eligible Notes, the holders of such Notes shall be deemed to have irrevocably acknowledged and agreed that the Interest Rate on such Notes may be reduced by a Re-Pricing Amendment as described above, subject only to their right to consent to such Re-Pricing Amendment or have their Notes transferred or redeemed at the applicable Redemption Price and to the other conditions prescribed by this Indenture with respect to any such Re-Pricing Amendment.

(f) Any expenses associated with effecting any Re-Pricing Amendment shall be payable as Administrative Expenses pursuant to the Priority of Payments, so long as such expenses do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to the Priority of Payments on the related Payment Date prior to the distribution of any remaining Interest Proceeds to the holders of the Subordinated Notes, unless such expenses shall have been paid or shall be adequately provided for by the Issuer or adequately provided for by an entity other than the Issuer. The Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing Amendment is permitted by this Indenture, that the execution and delivery of the supplemental indenture proposed to be entered into in connection therewith is authorized or

permitted under this Indenture, and that all conditions precedent to such Re-Pricing Amendment and the execution and delivery of such supplemental indenture have been complied with.

(g) If the Trustee receives written notice from the Issuer that a proposed Re-Pricing is not effectuated by the proposed Re-Pricing Date, the Trustee shall post notice to the Trustee's website and notify the holders of the Notes of the Re-Pricing Affected Class and each Rating Agency that such proposed Re-Pricing was not effectuated.

(h) The Issuer will direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing, and the Trustee will have the authority to take such actions as may be directed by the Issuer or the Collateral Manager to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by Transferring Noteholders and Consenting Holders consenting to the Re-Pricing.

(i) As part of a Re-Pricing Amendment, (a) the Non-Call Period for the Re-Pricing Affected Class may be extended at the direction of the Collateral Manager (subject to the prior written consent of a Majority of the Subordinated Notes) prior to such Re-Pricing Amendment, (b) the definition of "Redemption Price" may be revised, with the written consent of a Majority of the Subordinated Notes and the Collateral Manager, to reflect any agreed upon make-whole payments for the applicable Re-Pricing Affected Class and/or (c) so long as a Majority of the Controlling Class has not objected in writing to such changes prior to the second Business Day before the scheduled Re-Pricing Date, the Matrices or the Weighted Average Moody's Rating Factor Matrices may, without regard for any other consent requirements specified in Article 8, be adjusted to account for changes in the interest rates of any of the Secured Notes (subject, in the case of this clause (c) only, to satisfaction of the Moody's Rating Condition). In addition, in connection with a Re-Pricing Amendment, the Co-Issuers may (x) make modifications that are determined by the Collateral Manager in its sole discretion to be necessary in order for such Re-Pricing Amendment not to be subject to any Applicable Risk Retention Rules or (y) with the consent of a Majority of the Controlling Class and subject to satisfaction of the Moody's Rating Condition, to make changes to any Collateral Quality Test or definition related thereto to take into account the changes to the Interest Rates in respect of the Re-Priced Classes.

Notwithstanding anything contained herein to the contrary, failure to effect a Re-Pricing Amendment, whether or not notice of a Re-Pricing Amendment has been withdrawn, shall not constitute an Event of Default.

ARTICLE 10

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Cash. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Cash and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall

segregate and hold all such Cash and property received by it in trust for the Holders and shall apply it as provided in this Indenture. Each of the Accounts will be established and maintained (a) with a federal or state chartered depository institution with (1) a long-term deposit rating of at least "A" by Fitch and a short-term deposit rating of at least "F1" by Fitch (or a long-term deposit rating of at least "A+" by Fitch if such institution has no short-term rating) and if such institution's long-term deposit rating falls below "A" by Fitch or its short-term deposit rating falls below "F1" by Fitch (or its long-term deposit rating falls below "A+" by Fitch if such institution has no short-term rating), the assets held in such Account shall be moved within 30 calendar days to another institution that has a long-term deposit rating of at least "A" by Fitch and a short-term deposit rating of at least "F1" by Fitch (or a long-term deposit rating of at least "A+" by Fitch if such institution has no short-term rating) and (2) a short-term deposit rating of at least "P-1" by Moody's (or a long-term deposit rating of at least "A1" by Moody's if such institution has no short-term deposit rating) and if such institution's short-term deposit rating falls below "P-1" by Moody's (or its long-term deposit rating falls below "A1" by Moody's if such institution has no short-term deposit rating), the assets held in such Account shall be moved within 30 calendar days to another institution that has a short-term deposit rating of at least "P-1" by Moody's (or a long-term deposit rating of at least "A1" by Moody's if such institution has no short-term deposit rating) or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered depository institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b) with ~~a~~(1) a long-term deposit rating of at least "A" by Fitch and a short-term deposit rating of at least "F1" by Fitch (or a long-term deposit rating of at least "A+" by Fitch if such institution has no short-term rating) and if such institution's long-term deposit rating falls below "A" by Fitch or its short-term deposit rating falls below "F1" by Fitch (or its long-term deposit rating falls below "A+" by Fitch if such institution has no short-term rating), the assets held in such Account shall be moved within 30 calendar days to another institution that has a long-term deposit rating of at least "A" by Fitch and a short-term deposit rating of at least "F1" by Fitch (or a long-term deposit rating of at least "A+" by Fitch if such institution has no short-term rating) and (2) a long-term counterparty risk assessment of at least "Baa3(cr)" (or, in the case of an Account containing cash, "A2(cr)") by Moody's and if such institution's long-term counterparty risk assessment falls below "Baa3(cr)" (or, in the case of an Account containing cash, "A2(cr)") by Moody's, the assets held in such Account shall be moved within 30 calendar days to another institution that has a long-term counterparty risk assessment of at least "Baa3(cr)" (or, in the case of an Account containing cash, "A2(cr)") by Moody's. Such institution shall have a combined capital and surplus of at least U.S.$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a ~~fiduciary~~custodial capacity; provided that the foregoing shall not be construed to prevent the Trustee or Custodian from investing the Assets of the Issuer in Eligible Investments described in clause (ii) of the definition thereof that are obligations of the Bank.

Section 10.2 Collection Account~~Collection Account~~. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Trustee ~~shall,~~ prior to the Closing Date, ~~establish~~established at the Custodian two segregated ~~trust~~securities accounts, one of which ~~shall be~~is designated the "Interest Collection Subaccount" and one of which ~~shall be~~is designated

(i) The Collateral Manager may direct the Trustee to accept any Offer in the manner specified in Section 10.9(c) at any time without restriction.

Unsalable Assets to the Collateral Manager or one or more Related Entities thereof, at the respective Market Value of such Unsalable Assets, if the Collateral Manager determines in its sole discretion (not to be called into question as a result of subsequent events) that an auction of such Unsalable Assets pursuant to clause (A) above would increase costs to the Issuer on a net basis after taking into account expected proceeds from such auction.

(ii) Promptly after receipt of such direction, the Trustee will provide notice (in such form as is prepared by the Collateral Manager) to the Holders of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

To the extent that minimum denominations do not permit a pro rata distribution, the Collateral Manager will identify and the Trustee will distribute the Unsalable Assets on a pro rata basis to the extent possible and the Collateral Manager will select by lottery the Holder to whom the remaining amount will be delivered. The Trustee will use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders of Notes shall not operate to reduce the principal amount of the related Class of Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee will promptly notify the Collateral Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee will take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

The Trustee will have no duty, obligation or responsibility with respect to the sale of any Unsalable Asset under this clause (j) other than to act upon the instruction of the Collateral Manager.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and, with respect to any Eligible Post-Reinvestment Proceeds, on any date after the Reinvestment Period), the Collateral Manager on behalf of the Issuer may subject to the other requirements in this Indenture and the Tax Guidelines, but shall not be required to, direct

the Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Section 2.12 and 3.2, amounts on deposit in the Ramp-Up Account and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions (the "Investment Criteria") is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case immediately after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to, and meeting the following requirements which, except for clause (A)(i) below, need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(A) During the Reinvestment Period:

(i) such obligation is a Collateral Obligation;

(ii) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Test, on or after the Interest Coverage Test Effective Date), each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved;

(iii) other than in connection with a Distressed Exchange, in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation sold at the discretion of the Collateral Manager (as set forth in Section 12.1(a)) or a Defaulted Obligation (as set forth in Section 12.1(c)), after giving effect to such purchases, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the related Sale Proceeds, (2) the Aggregate Principal Balance of the Collateral Obligations shall be maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale or payment), (3) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (4) the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligations being sold, but including, without duplication, the Collateral Obligations being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) and the aggregate amount of Principal Proceeds in any Account (other than the Revolver Funding Account) (including, without duplication, the anticipated net proceeds of such sale) shall be greater than the Reinvestment Target Par Balance;

(iv) in the case of additional Collateral Obligations purchased with the Sale Proceeds from the sale of a Credit Improved Obligation or from a Discretionary Sale of a Collateral Obligation sold at the discretion of the Collateral Manager (as set forth in clauses (b) and (g), respectively, of Section 12.1) or Principal Proceeds received with respect to Unscheduled Principal Payments or scheduled distributions of principal, the Collateral Manager shall use commercially reasonable efforts to ensure that after giving effect to such purchases either (1) the Aggregate Principal Balance of the Collateral Obligations shall be maintained or

increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale or payment), (2) the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold, but including, without duplication, the Collateral Obligations being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the aggregate amount of Principal Proceeds in any Account (excluding the Revolver Funding Account) shall be greater than the Reinvestment Target Par Balance, (3) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (4) the Investment Criteria Adjusted Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the Investment Criteria Adjusted Balance of the related sold Collateral Obligations; and

(v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved after giving effect to the reinvestment;

provided that, (x) clauses (iii) through (v) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in connection with a Trading Plan and (y) clause (ii) and the Collateral Quality Test in clause (v) above need not be satisfied with respect to any obligation acquired in a Distressed Exchange; provided further that, for the purposes of clauses (iii)(4) and (iv)(2) above, any Defaulted Obligation shall be deemed to have a Principal Balance equal to its Moody's Collateral Value.

During the Reinvestment Period, following any Discretionary Sale of a Collateral Obligation, the Collateral Manager shall use its reasonable efforts to purchase additional Collateral Obligations within the time period set forth in Section 12.1(g)(ii)(B); provided that any such purchase must comply with the requirements of this Section 12.2.

(B) After the Reinvestment Period and provided that no Event of Default has occurred and is continuing, the Collateral Manager may, but shall not be required to, invest Eligible Post-Reinvestment Proceeds that were received with respect to:

(i) Credit Risk Obligations within the longer of (a) 45 days of the Issuer's receipt thereof and (b) the last day of the related Collection Period; provided that the Collateral Manager may not reinvest such Principal Proceeds unless the Collateral Manager reasonably believes that after giving effect to any such reinvestment (A) each component of the Collateral Quality Test shall be satisfied, or if not satisfied, shall be maintained or improved, (B) each Coverage Test shall be satisfied, (C) a Restricted Trading Period is not then in effect, (D)(1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations shall at least equal the related Sale Proceeds, (2) the Aggregate Principal Balance of the Collateral Obligations shall be maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale), (3) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to the receipt of such Eligible Post-Reinvestment Proceeds) or (4) the Aggregate Principal Balance of

the Collateral Obligations (excluding the related Credit Risk Obligations sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the additional Collateral Obligations purchased) will be equal to or greater than the Reinvestment Target Par Balance, (E) the Concentration Limitations will be either satisfied or maintained or improved, (F) the stated maturity of the additional Collateral Obligation purchased is no later than the stated maturity of the related Collateral Obligation giving rise to the Eligible Post-Reinvestment Proceeds; and (G) the Moody's Default Probability Rating of the additional Collateral Obligation purchased is the same as or better than the Moody's Default Probability Rating of the related Collateral Obligation giving rise to the Eligible Post-Reinvestment Proceeds; and

(ii) Unscheduled Principal Payments within the longer of (a) 45 days of the Issuer's receipt thereof and (b) the last day of the related Collection Period; provided that the Collateral Manager may not reinvest such Principal Proceeds unless the Collateral Manager reasonably believes that after giving effect to any such reinvestment (A) each component of the Collateral Quality Test shall be satisfied, or if not satisfied, shall be maintained or improved, (B) each Coverage Test shall be satisfied, (C) a Restricted Trading Period is not then in effect, (D)(1) the Aggregate Principal Balance of the additional Collateral Obligations purchased equals or exceeds the outstanding principal balance of the related Collateral Obligations giving rise to the Unscheduled Principal Payments, (2) the Investment Criteria Adjusted Balance of the additional Collateral Obligations purchased equals or exceeds the Investment Criteria Adjusted Balance of the Collateral Obligations giving rise to the Unscheduled Principal Payments, (3) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to the receipt of such Eligible Post-Reinvestment Proceeds) or (4) the Aggregate Principal Balance of the Collateral Obligations (excluding the related Collateral Obligations giving rise to the Unscheduled Principal Payments) and Eligible Investments constituting Principal Proceeds (including, without duplication, the additional Collateral Obligations purchased) shall be equal to or greater than the Reinvestment Target Par Balance, (E) the Concentration Limitations will be either satisfied or maintained or improved, (F) the stated maturity of the additional Collateral Obligation purchased is no later than the stated maturity of the related Collateral Obligation giving rise to the Eligible Post-Reinvestment Proceeds and (G) the Moody's Default Probability Rating of the additional Collateral Obligation purchased is the same as or better than the Moody's Default Probability Rating of the related Collateral Obligation giving rise to the Eligible Post-Reinvestment Proceeds;

provided that, the criteria in this Section 12.2(a)(B) need not be satisfied with respect to one single reinvestment if such criteria are satisfied on an aggregate basis in connection with a Trading Plan; provided further that, for the purposes of clauses (i)(D)(4) and (ii)(D)(4) above, any Defaulted Obligation shall be deemed to have a Principal Balance equal to ~~its~~the Moody's Collateral Value.

Notwithstanding anything herein to the contrary, as a condition to any purchase of an additional Collateral Obligation, if, as determined by the Collateral Manager, the balance in the Principal Collection Subaccount after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipt of Principal Proceeds (for the avoidance of doubt, including any future

redemption or prepayment in respect of a Collateral Obligation of which the Collateral Manager is aware), is a negative amount ~~(x) during the Reinvestment Period~~, the absolute value of such amount may not be greater than ~~3~~5% of the Adjusted Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase ~~and (y) following the Reinvestment Period, the Issuer shall not purchase such Collateral Obligation on such date.~~. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Subaccount, and the Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

Notwithstanding anything to the contrary contained herein, but subject to the requirements in the Tax Guidelines at any time during or after the Reinvestment Period, the Collateral Manager (on behalf of the Issuer) may in its sole discretion direct the Trustee to sell, purchase and/or exchange any Collateral Obligation in connection with a Distressed Exchange and/or apply in connection therewith Permitted Use Available Funds to one or more Permitted Uses.

Notwithstanding anything to the contrary herein, the acquisition of Workout Instruments will not be required to satisfy any of the Investment Criteria.~~to one or more Permitted Uses.

Notwithstanding the other requirements set forth in herein and described above, the Issuer will have the right to effect any sale of any Asset or purchase of any Collateral Obligation (which purchase nonetheless must be in compliance with the Tax Guidelines) (x) that has been consented to by holders of Notes evidencing a Supermajority of each Class of Notes (voting separately by Class) and (y) of which each Rating Agency, the Collateral Administrator and the Trustee has been notified; provided that, in accordance with this Indenture, cash on deposit in any Account (other than the Payment Account, the Custodial Account and the Hedge Counterparty Collateral Account) may be invested in Eligible Investments following the Reinvestment Period. Any funds on deposit in any Hedge Counterparty Collateral Account will be invested at the direction of the Collateral Manager to the extent permitted under the applicable Hedge Agreement.

The Issuer (or the Collateral Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if, as determined by the Collateral Manager, (A) the Weighted Average Life Test will be satisfied, or if not satisfied, will be maintained or improved, after giving effect to such Maturity Amendment, in either case after giving effect to any Trading Plan in effect during the applicable Trading Plan Period and (B) after giving effect to such Maturity Amendment, not more than 1.0% of the Collateral Principal Amount consists of Collateral Obligations, the stated maturity of which is later than the Stated Maturity of the Notes as a result of Maturity Amendments made with the Collateral Manager's affirmative vote; provided that the

Weighted Average Life Test will not be required to be satisfied, maintained or improved, if (x) the Maturity Amendment is a Credit Amendment or (y) such amendment or modification is in connection with an insolvency, bankruptcy, reorganization, debt restructuring or workout of the obligor of such Collateral Obligation; provided further that (1) the Aggregate Principal Balance of all Collateral Obligations subject to Credit Amendments or amendments described in clause (y) above with the affirmative vote of the Collateral Manager, measured cumulatively since the ~~Closing~~First Refinancing Date may not exceed 15.0% of the Target Initial Par Amount and (2) the Aggregate Principal Balance of all Collateral Obligations subject to Credit Amendments with the affirmative vote of the Collateral Manager may not exceed 7.5% of the Target Initial Par Amount at any time. Notwithstanding the foregoing, the Issuer (or the Collateral Manager on behalf of the Issuer) may vote in favor of any Maturity Amendment without regard to clauses (A) or (B) in the preceding sentence, so long as (1) the Collateral Manager (a) shall use reasonable efforts to sell the applicable Collateral Obligation within 30 days after the effective date of such Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30-day period and (b) has not previously failed to sell any applicable Collateral Obligation within such 30-day period in reliance on this clause (1) and (2) the Aggregate Principal Balance of all Collateral Obligations then subject to the lien of this Indenture that have been subject to a Maturity Amendment with the affirmative vote of the Collateral Manager pursuant to clause (1) of this sentence (other than amendments described in clause (iii) of the definition of the term "Credit Amendment") may not exceed 2.0% of the Target Initial Par Amount at any time; *provided* that, any such Collateral Obligation subject to a Maturity Amendment with the affirmative vote of the Issuer (or the Collateral Manager on behalf of the Issuer) as permitted pursuant to this sentence that has not been sold within such 30-day period (a "Maturity Amendment Obligation") shall be treated as a Defaulted Obligation for all purposes under this Indenture.

(b) Certification by Collateral Manager. Not later than the Subsequent Delivery Date for any Collateral Obligation purchased after the Effective Date in accordance with this Section 12.2, the Collateral Manager shall deliver by email or other electronic transmission to the Trustee and the Collateral Administrator an Officer's certificate of the Collateral Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (which certificate shall be deemed to have been provided upon the delivery of an Issuer Order or trade ticket in respect of such purchases).

that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article 12, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(x); provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation (which purchase nonetheless must be in compliance with the Tax Guidelines) (x) that has been consented to by Noteholders evidencing a Supermajority of each Class of Notes (voting separately by Class) and (y) of which each Rating Agency, the Collateral Administrator and the Trustee has been notified; provided that, in accordance with Article 10 hereof, cash on deposit in any Account (other than the Payment Account, the Custodial Account and the Hedge Counterparty Collateral Account) may be invested in Eligible Investments following the Reinvestment Period. Any funds on deposit in any Hedge Counterparty Collateral Account shall be invested at the direction of the Collateral Manager to the extent permitted in the Hedge Agreement.

ARTICLE 13

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination~~Subordination~~. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is not waived in accordance with Article 5, including as a result of an Event of Default specified in Section 5.1(e) or (f), each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such

payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes and each other Secured Party, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year, or if longer, the applicable preference period then in effect, plus one day, following such payment in full. In the event one or more Holders of Notes cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary prior to the expiration of such period, any claim that such Holders have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder of any Note (and each other Secured Party) that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder of any Note (and each other Secured Party) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments set forth herein (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement shall constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of amounts payable to Holders, which amounts are subordinated pursuant to this clause.

(e) Notwithstanding any provision in this Indenture or any other Transaction Document to the contrary, if a bankruptcy petition is filed in violation of Section 13.1(d), the Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, subject to the availability of funds as described in the immediately following two sentences, shall promptly object to the institution of any such proceeding against it (other than an Approved Issuer Subsidiary Liquidation) and take all necessary or advisable steps to cause the dismissal of any such proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement,

adjustment or composition in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The costs and expenses (including, without limitation, fees and expenses of counsel to the Co-Issuers or any Issuer Subsidiary) incurred by the Co-Issuers or any Issuer Subsidiary in connection with their obligations described in the immediately preceding sentence (collectively, "Petition Expenses") shall be payable as Administrative Expenses without regard to the Administrative Expense Cap up to an aggregate amount, for all Payment Dates (until the Notes are paid in full or until this Indenture is otherwise terminated, in which case it shall equal zero), of U.S.$250,000 (such amount, the "Petition Expense Amount"). Any Petition Expenses in excess of the Petition Expense Amount shall be payable as Administrative Expenses subject to the Administrative Expense Cap.

(f) The Holders of each Class of Notes agree that the foregoing restrictions in this Section are a material inducement for each holder of Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any holder of Notes, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE 14

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may and, where required by the Issuer or Co-Issuer, shall be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that

such counsel is a nationally or internationally recognized and reputable law firm (which shall include, for these purposes, each law firm identified in the Offering Circular) one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may and, where required by the Issuer or Co-Issuer, shall be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the Act of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee's website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Notes so owned; provided that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; provided further that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

Section 14.3 Notices, etc., to Trustee, the Co-Issuers, the Collateral Manager, the Collateral Administrator, the Paying Agent, the Administrator, the Placement Agent, the Refinancing Initial Purchaser and each Rating Agency. (d) Any reference herein to information being provided "in writing" shall be deemed to include each permitted method of delivery specified in subclause (a) above.

(e) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to the Transaction Documents and delivered using Electronic Means; provided, however, that the instructing party shall provide to the Trustee an incumbency certificate listing Authorized Officers and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by such party whenever a person is to be added or deleted from the listing. If such party elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. Each party understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. Each instructing party shall be responsible for ensuring that only Authorized Officers

transmit such Instructions to the Trustee and that such party and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by such party. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from its reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Each instructing party agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by such party; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. For purposes of the foregoing, "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

(f) Notices to the Rating Agencies.

(i) Written Communications. Any notice, document or other written communication required or permitted to be delivered to each Rating Agency pursuant to this Indenture shall be sufficient for every purpose hereunder if the notice, document or other written communication (each, a "Written Communication") is delivered to each Rating Agency in the following manner:

(I) in the case of a Written Communication being provided by the Collateral Manager or any other Person:

(A) *first,* the Written Communication is sent by the party delivering the Written Communication to the Information Agent by email to the Information Agent Address (as defined in the Collateral Administration Agreement) with the subject line "17g-5 Information for Rockford Tower CLO 2021-3, Ltd." for posting by the Information Agent to the 17g-5 Website on the Business Day on which it is received or, if the Written Communication is received by the Information Agent after 2:00 p.m. (New York time) on any Business Day, for posting on the immediately following Business Day;

(B) *second*, the Information Agent provides email or oral confirmation to the party delivering the Written Communication that the Written Communication has been forwarded for posting on the 17g-5 Website; and

(C) *third,* following the confirmation by the Information Agent that it has forwarded the Written Communication to the 17g-5 Website, the party

delivering the Written Communication sends an email to Moody's at cdomonitoring@moodys.com that information has been posted to the 17g-5 Website.

(II) solely in the case of Written Communications to be provided by the Collateral Manager to each Rating Agency, the Collateral Manager delivers such Written Communication contemporaneously to each Rating Agency by email to the email address set forth above and the 17g-5 Address (as defined in the Collateral Administration Agreement).

If each Rating Agency provides in writing a replacement email address for any email address listed in this Section 14.3(f), such replacement email address shall apply for purposes hereof.

(ii) Oral Communications. Any oral communication to any Rating Agency by the Collateral Manager that the Collateral Manager determines in its sole discretion constitutes Rule 17g-5 Information or by any other Person shall be sufficient if made in one of the following alternative manners:

(A) promptly following the oral communication with such Rating Agency, the Collateral Manager or such other Person shall prepare a written summary of the oral communication and provide the written summary to the Information Agent for posting by the Information Agent to the 17g-5 Website in accordance with clause (i), or, solely in the case of the Collateral Manager, sent directly to the 17g-5 Address in accordance with clause (i)(II); or

(B) the Collateral Manager or such other Person shall create (or cause to be created) an audio recording of the oral communication with such Rating Agency and the Collateral Manager or such other Person shall provide a copy of such audio recording to the Information Agent for posting by the Information Agent to the 17g-5 Website in accordance with clause (i), or, solely in the case of the Collateral Manager, sent directly to the 17g-5 Address in accordance with clause (i)(II).

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Note Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each Holder affected by such event), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language. Such notices shall be deemed to have been given on the date of such mailing.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Islands Stock Exchange so require, documents delivered to Holders of such Listed Notes will be provided to the Cayman Islands Stock Exchange.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

The Trustee shall make available to the Holders any information or notice relating to this Indenture in the possession of the Trustee requested to be so delivered by at least the Majority of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

The Trustee shall deliver to any Holder of Notes, or any Person that has certified to the Trustee in writing substantially in the form of Exhibit D to this Indenture that it is the owner of a beneficial interest in a Global Note (including any documentation that the Trustee may request in order to verify ownership), any information or notice provided or listed on the Note Register and requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee by reason of it acting in such capacity and all related costs shall be borne by the Issuer as Administrative Expenses. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability~~Severability~~. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant

jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), shall continue in full force and effect, and such unenforceability, invalidity, or illegality shall not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, shall not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Notes, the other Secured Parties and (to the extent provided herein) the Administrator (solely in its capacity as such) and U.S. Bank National Association in its capacity as Securities Intermediary, any benefit or any legal or equitable right, remedy or claim under this Indenture. The Co-Issuers and the Trustee agree that the Collateral Manager shall be a third party beneficiary to this Indenture, and shall be entitled to rely upon and enforce such provisions of this Indenture to the same extent as if it were a party hereto, it being understood that the foregoing shall not be construed to impose upon the Trustee any fiduciary duties with respect to any Holder of Subordinated Notes.

Section 14.9 Legal Holidays~~Legal Holidays~~. In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity, as the case may be, and except as provided in the definition of "Interest Accrual Period", no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.10 Governing Law~~Governing Law~~. This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes and any matters arising out of or relating in any way whatsoever to this Indenture or the Notes (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), each party, to the fullest extent permitted by applicable law, irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor shall the bringing of

Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 WAIVER OF JURY TRIAL. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts~~Counterparts~~. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile or electronic mail transmission (including.pdf file, .jpeg file or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee)), each of which shall be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by e-mail (PDF), facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 14.14 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Notwithstanding anything herein to the contrary, with respect to any request, demand, authorization, direction, notice, consent or waiver to be given to a Rating Agency by the Issuer, the Issuer may instead provide such document or notification to the Collateral Manager, and the Collateral Manager may then provide such document or notification to the applicable Rating Agency on the behalf of the Issuer.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 and Section 7.20 unless otherwise agreed to in writing by the Collateral Manager.

Section 14.15 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers, any Issuer Subsidiary or otherwise, none of the Co-Issuers or any Issuer Subsidiary (each, a "Party") shall have any liability whatsoever to any other Party under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, none of the Parties shall be entitled to take any action to enforce, or bring any action or proceeding, in

respect of this Indenture, the Notes, any such agreement or otherwise against any other Party. In particular, none of the Parties shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of any other Party or shall have any claim in respect to any assets of any other Party.

Section 14.16 Contributions~~Contributions~~. Subject to the prior written consent of the Collateral Manager (other than in the case of a Fee Contribution) and the other conditions specified below, at any time, and from time to time, during or after the Reinvestment Period, (i) by delivery of a written notice in the form of Exhibit E, any Holder of Subordinated Notes may make a voluntary contribution of cash (each, a "Cash Contribution"), (ii) by delivery of a written notice in the form of Exhibit E, any Holder of Subordinated Notes issued in the form of Certificated Notes may, with notice to the Trustee delivered at least three Business Days prior to the related Payment Date, designate as a contribution to the Issuer any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed to such Holder in accordance with the Priority of Payments (each, a "Reinvestment Contribution") and (iii) the Collateral Manager may, in its sole discretion, with notice to the Trustee delivered at least two Business Days prior to the related Payment Date, elect to contribute all or any portion of the Management Fees payable to the Collateral Manager on any Payment Date pursuant to the Collateral Management Agreement (each, a "Fee Contribution" and, together with Cash Contributions and Reinvestment Contributions, "Contributions"); provided, that each Contribution (other than a Fee Contribution) must be in an aggregate amount at least equal to U.S.$1,000,000 (taking into account all other Contributions made on such date)~~; provided further that any additional Contributions in excess of five (other than any Fee Contributions) may only be made with the consent of a Majority of the Controlling Class~~. The Collateral Manager, on behalf of the Issuer, may accept or reject any Cash Contribution or Reinvestment Contribution in its sole discretion (notice of which determination shall be provided to the Issuer and the Trustee). The Trustee shall, at the direction of the Collateral Manager and within one Business Day of the Trustee having received written notice that the Collateral Manager has consented to a Contribution from a Holder of Subordinated Notes, notify the remaining Holders of the Subordinated Notes of its receipt thereof in substantially the form of Exhibit F and extend to the other Holders of Subordinated Notes the opportunity to participate in the related Contribution in proportion to their then-current ownership of Subordinated Notes. Any Holder of existing Subordinated Notes that has not, within three Business Days (the "Contribution Participation Option Period") after delivery of such notice of a Contribution from the Trustee, elected to participate in such Contribution by delivery of a notice thereof in respect thereof to the Issuer (with a copy to the Collateral Manager) and the Trustee will be deemed to have irrevocably declined to participate in such Contribution. The Issuer (or the Trustee on its behalf) will not accept any Contribution until after the expiration of the Contribution Participation Option Period.

No Cash Contribution or Reinvestment Contribution or portion thereof will be returned to the Contributor at any time other than by operation of the Priority of Payments. No Fee Contribution will be returned to the Collateral Manager at any time and the Collateral Manager will be deemed to have waived any Management Fee it designates as a Fee Contribution.

Each Contribution will be deposited into the Permitted Use Account and applied by the Collateral Manager on behalf of the Issuer, in its sole discretion, to a Permitted Use (including for use to repurchase Notes or for the purchase or acquisition of additional Collateral Obligations

during or after the Reinvestment Period for the account of the Issuer). For the avoidance of doubt, (i) any amounts deposited into the Permitted Use Account pursuant to a Reinvestment Contribution shall be deemed for all purposes as having been paid to such Holder of the Subordinated Notes pursuant to the Priority of Payments and (ii) any amounts deposited into the Permitted Use Account pursuant to a Cash Contribution after a Determination Date may not be applied on the related Payment Date. Any amounts deposited into the Permitted Use Account pursuant to a Reinvestment Contribution shall be deemed for all purposes as having been paid to the contributor pursuant to the Priority of Payments.

Section 14.17 Liability of the Collateral Manager. Each Holder of a Note, by holding such Note, acknowledges that the Collateral Management Agreement contains certain limitations on the potential liability of the Collateral Manager.

Section 14.18 Collateral Manager Consent to Optional Redemption, Issuance of Additional Notes or Re-Pricing. With respect to any Optional Redemption that requires the consent of the Collateral Manager, any issuance of additional notes and any Re-Pricing, the Collateral Manager may withhold its consent to such Optional Redemption or Re-Pricing, if the Collateral Manager determines, in its sole discretion that, to the extent the U.S. Risk Retention Rules apply to such Optional Redemption or Re-Pricing, any "sponsor" (as such term is defined in the U.S. Risk Retention Rules) will fail to be in compliance with the U.S. Risk Retention Rules immediately following such Optional Redemption, issuance of additional Notes or Re-Pricing. The Collateral Manager may withhold its consent to any issuance of additional Notes for any reason. Neither the Collateral Manager nor any of its Affiliates shall be obligated to acquire any Notes or other obligations of the Issuer or Co-Issuer in connection with any Optional Redemption, issuance of additional Notes or Re-Pricing.

ARTICLE 15

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the

Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the standard of care set forth in the Collateral Management Agreement) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Trustee as representative of the Noteholders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Trustee.

(iii) The Collateral Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) Neither the Issuer nor the Collateral Manager shall enter into any agreement amending, modifying or terminating the Collateral Management Agreement (other than an amendment to correct any inconsistencies or cure any ambiguities, omissions or manifest errors in the Collateral Management Agreement or conform the Collateral Management Agreement to the Offering Circular with respect to the Notes or to this Indenture (as it may be amended from time to time pursuant to Article 8) or permanently remove any Management Fee payable to the Collateral Manager) or selecting or consenting to a successor manager except with the consents and satisfaction of the conditions specified in the Collateral Management Agreement entered into on the Closing Date or the First Refinancing Date, as applicable.

(v) Except as otherwise set forth herein and therein, the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Collateral Manager under the Collateral Management Agreement until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and the expiration of a period equal to one year, or if longer, the applicable preference period, and a day following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(g) Upon a Trust Officer of the Trustee (i) receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, (ii) receiving written notice that the Collateral Manager is resigning or is being removed or (iii) receiving written notice of a successor collateral manager, the Trustee shall, not later than three Business Days thereafter, notify the Noteholders (as their names appear in the Note Register) and each Rating Agency.

DIVERSITY SCORE CALCULATION

For purposes of the Moody's Diversity Test, the Diversity Score is calculated as follows:

(i) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all Affiliates.

(ii) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(iii) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(iv) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(v) An "Industry Diversity Score" is then established for each Moody's industry classification group by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that, if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

Schedule 5

MOODY'S RATING DEFINITIONS

"Assigned Moody's Rating" means the monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

"CFR" means, with respect to an Obligor of a Collateral Obligation, if such Obligor has a corporate family rating by Moody's, then such corporate family rating; provided that, if such Obligor does not have a corporate family rating by Moody's but any entity in the Obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

"Moody's Default Probability Rating" means:

(a) If the obligor of such Collateral Obligation has a CFR, then such CFR;

(b) If not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(c) If not determined pursuant to clauses (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;

(d) If not determined pursuant to clauses (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that, if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating shall be deemed to be "Caa3"; provided that the Issuer will, on a quarterly basis, notify Moody's of any material documentary change (that is known to the Issuer or the Collateral Manager to have occurred during the related calendar quarter and deemed to be material by the Collateral Manager) with respect to any such Collateral Obligation;

(e) If such Collateral Obligation is a DIP Collateral Obligation, then:

(i) one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; provided that if such the rating of

such DIP Collateral Obligation has expired or was withdrawn, the Moody's Default Probability Rating shall be (i) until 12 months have elapsed following the assignment of such rating, such expired or withdrawn rating, (ii) after 12 months have elapsed following the assignment of such rating but until 18 months have elapsed following the assignment of such rating, one subcategory below the expired or withdrawn rating and (iii) thereafter, if the Issuer requests that Moody's assign a credit estimate to such Collateral Obligation (x) the credit estimate assigned to such Collateral Obligation by Moody's or (y) if Moody's declines to provide a credit estimate to such Collateral Obligation, the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's (regardless whether such rating has expired or was withdrawn); or

(ii) with respect to any Collateral Obligation that is a Pending Rating DIP Loan, the credit rating determined by the Collateral Manager in accordance with the definition of Pending Rating DIP Loan; or

(~~ii~~iii) if not determined pursuant to clause (a) above, a rating of "Caa1".

(f) If not determined pursuant to any of clauses (a) through (e) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(g) If not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation shall be deemed to have a Moody's Default Probability Rating of "Caa3."

"Moody's Derived Rating" means, with respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating thereof, the rating as determined in the manner set forth below:

(a) If another obligation of the Obligor is rated by Moody's, by adjusting the rating of the related Moody's rated obligations of the related Obligor by the number of rating subcategories according to the table below:

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

(b) If not determined pursuant to clause (1) above, then by using any one of the methods provided below:

(i) pursuant to the table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	"BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	"BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(ii) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause(B));

(iii) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided that the aggregate principal balance of the Collateral Obligations that may have a Moody's Rating or a Moody's Default Probability Rating derived from an S&P Rating as set forth in sub-clauses (A) or (B) of this clause (2) may not exceed 10.0% of the Collateral Principal Amount.

(c) If not determined pursuant to clauses (1) or (2) above and such Collateral Obligation is not rated by Moody's and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B3" and if the aggregate principal balance of Collateral Obligations determined pursuant to this clause (3)(i) does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa1."

"Moody's Rating" means:

(a) with respect to a Collateral Obligation that is a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(ii) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(iii) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(iv) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(v) if none of clauses (A) through (D) above apply, the Collateral Obligation shall be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation other than a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(ii) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(iii) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(iv) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(v) if none of clauses (A) through (D) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(vi) if none of clauses (A) through (E) above apply, the Collateral Obligation shall be deemed to have a Moody's Rating of "Caa3".

S&P RATING DEFINITIONS

~~"S&P Publication": The 2011 S&P Credit Estimates Publication and related Credit FAQ: What Are Credit Estimates and How Do They Differ From Ratings?, dated as of April 6, 2011.~~

"S&P Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) ~~(a)~~ with respect to a Collateral Obligation that is not a DIP Collateral Obligation (i) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty satisfying the then-current S&P guarantee criteria, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer) or (ii) if there is no issuer credit rating of the issuer by S&P but (A) if there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; (B) if there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory below such rating; and (C) if there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory above such rating;

(b) ~~(b)~~ with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used until the earlier of (i) 12 months after the assignment of such rating, or (ii) the occurrence of any "material change" as described in the Required S&P ~~Publication~~Credit Estimate Information; provided that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation shall be "CCC-" until such credit rating is obtained from S&P;

(c) ~~(c)~~ if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's or Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating ~~set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower;~~or the Fitch Rating, as applicable;

(d) ~~(d)~~ the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Required S&P Credit Estimate Information in respect of such application) to S&P for a

For any given case:

(a) the applicable value for determining satisfaction of the Maximum Fitch Rating Factor Test will be the value set forth in the column header (or linear interpolation between two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager;

(b) the applicable value for determining the Minimum Fitch Floating Spread will be the percentage set forth in the row header (or linear interpolation between two adjacent rows as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager; and

(c) the applicable value for determining satisfaction of the Minimum Weighted Average Fitch Recovery Rate Test will be the value in the intersection cell (or linear interpolation between two adjacent rows and/or two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager in relation to (a) and (b) above.

On the First Refinancing Date, the Collateral Manager will be required to elect which case shall apply initially by written notice to the Issuer, the Trustee, the Collateral Administrator and Fitch. Thereafter, on two Business Days' notice to the Issuer, the Trustee, the Collateral Administrator and Fitch, the Collateral Manager may elect to have a different case apply; *provided* that (x) the Maximum Fitch Rating Factor Test, the Minimum Weighted Average Fitch Recovery Rate Test and the Minimum Fitch Floating Spread applicable to the case to which the Collateral Manager desires to change are satisfied after giving effect to such change or, in the case of any tests that are not satisfied, the Issuer's level of compliance with such tests is improved after giving effect to the application of the different case and (y) the Collateral Manager may at any time elect to change whether the applicable matrix in clause (i) or the applicable matrix in clause (ii) is then in effect, with no limit on the number of such changes that may be effected, provided that any matrix may only be in effect on or after the first date of determination after the First Refinancing Date on which the applicable conditions therein are satisfied.

Such determination shall be conclusive and binding on all present and future Holders. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee and the Issuer shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than (i) to correct typographical errors or to adjust formatting or (ii) to make a modification to a Re-Pricing Amendment as contemplated by Section 9.7, then at the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than one Business Day (or, in the case of any supplemental indenture pursuant to Sections 8.1(viii), 8.1(x) through 8.1(xiv), 8.1(xxi) through 8.1(xxiii), 8.1(xxviii), 8.1(xxx) or Section 8.2, not later than three days) prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days or five Business Days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Noteholder has provided its written consent to the supplemental indenture as initially distributed, such Noteholder will be deemed to have consented in writing to the supplemental indenture as revised

(i) To the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture pursuant to any clauses set forth under Section 8.1 and one or more other amendment provisions described herein also applies, such supplemental indenture or other modification or amendment of this Indenture shall be deemed to be a supplemental indenture, modification or amendment ~~to conform this Indenture to the Offering Circular or correct an ambiguity~~ pursuant to the applicable clause only regardless of the applicability of any other provision regarding supplemental indentures set forth herein.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article 2 of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Issuer shall, bear a notice as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform (in the opinion of the Co-Issuers) to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and, upon Issuer Order, authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 10.3 Transaction Accounts.

Fitch Test Matrix

Subject to the provisions provided below, on or after the First Refinancing Date, the Collateral Manager will have the option to elect which of the cases set forth in the matrix below (the "**Fitch Test Matrix**") shall be applicable for purposes of the Maximum Fitch Rating Factor Test, the Minimum Weighted Average Fitch Recovery Rate Test and the Minimum Fitch Floating Spread. For any given case:

(a) the applicable value for determining satisfaction of the Maximum Fitch Rating Factor Test will be the value set forth in the column header (or linear interpolation between two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager;

(b) the applicable value for determining the Minimum Fitch Floating Spread will be the percentage set forth in the row header (or linear interpolation between two adjacent rows as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager; and

(c) the applicable value for determining satisfaction of the Minimum Weighted Average Fitch Recovery Rate Test will be the value in the intersection cell (or linear interpolation between two adjacent rows and/or two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Collateral Manager in relation to (a) and (b) above.

On the First Refinancing Date, the Collateral Manager will be required to elect which case shall apply initially by written notice to the Issuer, the Trustee, the Collateral Administrator and Fitch. Thereafter, on two Business Days' notice to the Issuer, the Trustee, the Collateral Administrator and Fitch, the Collateral Manager may elect to have a different case apply; *provided* that (x) the Maximum Fitch Rating Factor Test, the Minimum Weighted Average Fitch Recovery Rate Test and the Minimum Fitch Floating Spread applicable to the case to which the Collateral Manager desires to change are satisfied after giving effect to such change or, in the case of any tests that are not satisfied, the Issuer's level of compliance with such tests is improved after giving effect to the application of the different case and (y) the Collateral Manager may at any time elect to change whether the applicable matrix in clause (i) or the applicable matrix in clause (ii) is then in effect, with no limit on the number of such changes that may be effected, provided that any matrix may only be in effect on or after the first date of determination after the First Refinancing Date on which the applicable conditions therein are satisfied.
