

## **Elbit Systems Awarded a Contract of Approximately \$340 Million for the Supply of Ammunition to the Israeli Ministry of Defense**

**Haifa, Israel, August 1, 2024 – Elbit Systems Ltd. (NASDAQ: ESLT and TASE: ESLT)** (“Elbit Systems” or the “Company”) announced today, that it was awarded a contract in an amount of approximately \$340 million for the supply of ammunition to the Israeli Ministry of Defense (IMOD). The contract will be performed over a period of 10 years. Elbit Systems will establish a manufacturing facility to produce the ammunition.

**Bezhalel (Butzi) Machlis, President and CEO of Elbit Systems:** "We continue to expand our production infrastructure and capabilities to support our customers. I thank the IMOD for the trust placed in our management and employees. Elbit Systems continues to develop, manufacture and deliver top-tier technological solutions and products that are combat proven, to our customers in Israel and worldwide."

### **About Elbit Systems**

Elbit Systems is a leading global defense technology company, delivering advanced solutions for a secure and safer world. Elbit Systems develops, manufactures, integrates and sustains a range of next-generation solutions across multiple domains.

Driven by its agile, collaborative culture, and leveraging Israel's technology ecosystem, Elbit Systems enables customers to address rapidly evolving battlefield challenges and overcome threats.

This press release may contain forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934, as amended, and the Israeli Securities Law, 1968) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current facts. Forward-looking statements are based on management's current expectations, estimates, projections and assumptions about future events. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions about the Company, which are difficult to predict, including projections of the Company's future financial results, its anticipated growth strategies and anticipated trends in its business. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States, among others, including the duration and scope of the current war in Israel, and the potential impact on our operations; changes in global health and macro-economic conditions; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; changes in the competitive environment; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. Although the Company believes the expectations reflected in the forward-looking statements contained herein are reasonable, it cannot guarantee future results, level of activity, performance or achievements. Moreover, neither the Company nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. The Company does not undertake to update its forward-looking statements.
