

#### Forward Looking Statements

This presentation has been prepared by Bowhead Specialty Holdings Inc. ("we," "us," "our," "Bowhead" or the "Company") on a confidential basis for the exclusive use of the party to whom Bowhead delivers this presentation

This presentation has been prepared by Bowhead for informational purposes only and not for any other purpose. Nothing contained in this presentation is, or should be construed as, a recommendation, promise or representation by the presentation by the presentation governed or any officer, director, employee, agent or advisor of Bowhead. This presentation does not purport to be all inclusive or to contain all of the information provided in this presentation speaks only as of the date hereof. Bowhead assumes no obligation to update any information or statement after the date of this presentation as a result of new information, subsequent events, or any other circumstances. We request that you keep any information at this meeting confidential and that you do not disclose any of the information to any other parties without the Company's prior express written permission.

This presentation contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical facts contained in this presentation, including statements regarding our future results of operations or financial condition, business strategy and plans, and objectives of management for future operations are forward-looking statements. Some of the forward-looking statements are be identified by the use of terms such as "believes", "expects", "may," "will", "should", "could", "seeks", "intends", "plans", "estimates", "anticipates" or other comparable terms. However, not all forward-looking statements include all matters that are not related to present at a number of places throughout this presentation and include statements regarding our intentions, beliefs or current expectations concerning, among other things, our consolidated results of operations, financial condition, liquidity, prospects and growth strategies and the industries in which we operate, and including, without limitation, statements relating to our future performance. Forward-looking statements are subject to known and unknown risks and uncertainties, many of which are beyond our control. Our actual results may differ materially from those expressed in, or implied by, the forward-looking statements included in this presentation as a result of various factors, including among others, the factors discussed under the heading "Risk Factors" in our Quarterfy Report on Form 10-Q for the quarterfy period ended June 30, 2024. The forward-looking statements made in this presentation relate only to events as of the date on which the statements are made. We undertake no obligation to update any forward-looking statements, and you should not place on our forward-looking statements.

Unless otherwise indicated, information contained in this presentation concerning our industry and the markets in which we operate, including our general expectations, market opportunity, is based on our management's estimates and research, as well as industry and general publications and research, surveys and studies conducted by third parties, industry publications, studies and surveys generally state that they have been obtained from sources believed to be reliable, although they do not guarantee the accuracy or completeness of such information. We believe that the information from these third-party publications, research, surveys and studies included in this presentation is reliable. Management's estimates are derived from publicly available information, their knowledge of our industry and their assumptions based on such information and knowledge, which we believe to be reasonable. This data involves a number of assumptions and limitations which are necessarily subject to a high degree of uncertainty and risk due to a variety of factors. These and other factors could cause our future performance to differ materially from our assumptions and estimates.

This presentation contains references to our trademarks and service marks and to those belonging to other entities. Solely for convenience, trademarks and trade names referred to in this presentation may appear without the ® or TM symbols, but such references are not intended to indicate, in any way, that we will not assert, to the fullest extent under applicable law, our rights or the rights of the applicable licensor to these trademarks and trade names. We do not intend our use or display of other companies' trade names, trademarks to imply a relationship with, or endorsement or sponsorship of us by, any other companies.

"Non-admitted" or excess and surplus ("E&S") lines refers to policies generally not subject to regulations governing premium rates or policy language. We also consider insurance written on an admitted basis through either the New York Free Trade Zone or similar commercial deregulation exemptions available in certain jurisdictions, and as a result free of rate and form restrictions, to be E&S business.

This presentation contains certain financial measures that are not presented in accordance with generally accepted accounting principles in the United States ("U.S. GAAP"). Under U.S. securities laws, these measures are called "non-GAAP financial measures." We use these non-GAAP financial measures when planning, monitoring and evaluating our performance. We believe these non-GAAP financial measures give our management and other users of our financial information useful insight into our underlying business performance. You should not rely on these non-GAAP financial measures as a substitute for any U.S. GAAP financial measures are useful in evaluating our business, this information should be considered supplemental in nature and is not meant to be an alternative to our reported results prepared in accordance with U.S. GAAP. In addition, other companies, including companies in our industry, may calculate such measures differently, which reduces their usefulness as comparative measures. For a reconciliation of such measures (measures in which the necessary information is not available and cannot be obtained without unreasonable efforts) to comparable U.S. GAAP financial measures, see the Appendix of this presentation.

Movement in loss ratio from last year reflects a shift in the mix of our business to a greater percentage of our book being in Casualty, where industry loss ratios have deteriorated. We did not take down any reserves, nor did we experience any loss activity in excess of our own expectations; Non-GAAP financial measure. See "Non-GAAP measure; Adjusted ROE for three months ended June 30, 2024 was impacted by the \$213.2 million increase in mezzanine and stockholders' equity and a \$3.0 million reduction in after tax net income as a result of our initial public offering.

### Well-positioned for continued growth

Bowhead's long-term growth strategy balances existing "craft" underwriting strategy with "flow" business launched in 2024

#### Bowhead ("Craft")

Individual, custom underwriting of large, complicated risks

- · 100% of existing book
- · Go-to-market brand: Bowhead Specialty
- Lines: Casualty, Professional Liability and Healthcare Liability
- · Distribution: Wholesale and retail
- · Paper: Admitted and non-admitted
- Underwriting-first culture
- · Expertise-driven, customized approach for each risk
- Individualized underwriting with collaborative roundtables

#### Baleen ("Flow")

Streamlined underwriting of small, hard-to-place E&S risks

- · New capability launched late in Q2 2024
- · Go-to-market brand: Baleen
- Products: Launching our Minimum Viable Product, General Liability for contractors
- · Distribution: Major wholesale partners
- · Paper: Non-admitted
- · Maintain 100% control of underwriting; no delegated authority
- · Set clear appetite and rules criteria during product development
- Straight-through processing delivers instant quotes

#### Growth levers for both "craft" and "flow" business

Grow market share through superior industry relationships

Benefit from rate increases in some lines Expand account size and/or geographic appetite as market allows

Add new distribution relationships Develop new products within existing lines Enter new lines/markets by hiring subject matter experts
