Section 1.2 Usage of Terms. (a) With respect to all terms in this Indenture, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to "writing" include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all amendments, modifications and supplements thereto or any changes therein entered into in accordance with their respective terms and not prohibited by this Indenture; references to Persons include their permitted successors and assigns.

(b) With respect to any provision herein described as a right of a Holder or Holders of Preferred Shares, it shall be deemed to be a right of the Fiscal Agent acting at the direction of the applicable Holder or Holders of Preferred Shares pursuant to the terms of the

Fiscal Agency Agreement. For the avoidance of doubt, the Preferred Shares are not secured by any of the Assets and Holders thereof are not entitled to exercise remedies under this Indenture.

Section 1.3 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Accounts, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the Obligor of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations, and any determination of the Weighted Average Life with respect to any Collateral Obligation shall be made by the Collateral Manager using the assumption that such Collateral Obligation will not default or be disposed of.

(b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the Coverage Tests or the Interest Diversion Test, as applicable, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any Determination Date, the Scheduled Distribution on any Asset (including Current Pay Obligations and DIP Collateral Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have Scheduled Distributions of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer on or before such Determination Date that were not disbursed on or before such Determination Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in

accordance with the terms hereof, to payments of principal of or interest on or make distributions on the Offered Securities or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Article XI, Article XII and the definition of "Interest Coverage Ratio" with respect to any specified Class or Classes of Secured Notes, the expected interest on the Secured Notes and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations and Equity Securities will be treated as having a Principal Balance equal to zero.

(g) If the Issuer (or the Collateral Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of any Revolving Collateral Obligation or Delayed Drawdown Collateral Obligation that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the applicable Collateral Quality Test, the Coverage Tests and the Interest Diversion Test shall be calculated thereafter net of the full amount of such withholding tax unless the related Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instruments with respect thereto.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test. For purposes of calculating compliance with clause (v) of the Concentration Limitations, on any date that the Collateral Principal Amount exceeds the Reinvestment Target Par Balance, the calculations for such limitation may (in the sole discretion of the Collateral Manager) exclude any Collateral Obligations or portions thereof up to an amount equal to the excess of the Collateral Principal Amount over the Reinvestment Target Par Balance.

(i) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be *rounded* to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be *rounded* to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(j) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(k) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Collateral Manager as to the interpretation and/or methodology to be

used, and the Collateral Administrator and the Trustee shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(l) For purposes of calculating compliance with any tests under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(m) The equity interest in any Tax Subsidiary permitted under this Indenture and each asset of any such Tax Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes under this Indenture (other than for tax purposes) and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(n) For all purposes when determining the Concentration Limitations, the Collateral Quality Test, the Collateral Principal Amount, the Coverage Tests and the Interest Diversion Test (but excluding for purposes of the calculation of the Aggregate Funded Spread), the Principal Balance of (x) an EC Ineligible Asset shall be treated as that of an Equity Security for so long as such asset does not satisfy the definition of Collateral Obligation and (y) a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(o) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation", then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligation as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(p) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations shall be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(q) Any future anticipated tax liabilities of a Tax Subsidiary related to a Tax Subsidiary Asset held by such Tax Subsidiary shall be excluded from the calculation of the Weighted Average Floating Spread (which exclusion, for the avoidance of doubt, may result in such Tax Subsidiary Asset having a negative interest rate spread for purposes of such calculation) and the Interest Coverage Ratio with respect to any specified Class or Classes of Secured Notes. For purposes of calculating the Overcollateralization Ratio with respect to any specified Class or Classes of Secured Notes, any Tax Subsidiary Asset shall be treated as having a value no more than the lesser of (x) the amount of Cash that the Collateral Manager expects will be received by the Issuer upon the final repayment or redemption of such Tax

Subsidiary Asset and (y) the applicable value therefor as determined pursuant to the definition of Adjusted Collateral Principal Amount.

(r) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(s) At the direction of the Collateral Manager, Interest Proceeds received by the Issuer following the Closing Date up to the first Payment Date following the Effective Date up to an amount specified in the certification set forth in clause (i) of the definition of Principal Financed Accrued Interest may be deposited directly to the Collection Account as Principal Proceeds.

(t) All calculations related to Maturity Amendments (and definitions related to Maturity Amendments and Section 12.2(d) that would otherwise be calculated cumulatively) will be reset at zero on the date on which the Class A-1 Notes (or any Refinancing Obligations with an equivalent rating) have been subject to a Refinancing in whole.

(u) For purposes of calculating the Weighted Average Floating Spread or Weighted Average Coupon, a Step-Up Obligation, a Step-Down Obligation, and any DIP Obligation or Bridge Loan that provides for an increase or decrease in the interest rate or spread over the applicable index or benchmark solely as the result of the passage of time, will be treated as having the then current per annum interest rate or spread over the applicable index or benchmark rate.

(v) Any reference to "execute", "executed", "sign", "signed", "signature" or any other like term hereunder shall include execution by electronic signature (including, without limitation, any .pdf file, .jpeg file, or any other electronic or image file, or any "electronic signature" as defined under the U.S. Electronic Signatures in Global and National Commerce Act ("E-SIGN") or the New York Electronic Signatures and Records Act ("ESRA"), which includes any electronic signature provided using Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee), except to the extent the Trustee requests otherwise. Any such electronic signatures shall be valid, effective and legally binding as if such electronic signatures were handwritten signatures and shall be deemed to have been duly and validly delivered for all purposes hereunder.

(w) For purposes of clause (i) of the Concentration Limitations, a Senior Secured Note shall be deemed to be a Senior Secured Loan for purposes of the Concentration Limitations if such Senior Secured Note, (A) if it were a loan, would meet the definition of Senior Secured Loan and (B) has an S&P Issue Rating that is not lower than such obligor's S&P issuer credit rating and a Moody's Rating that is not lower than such obligor's CFR.

ARTICLE II

THE NOTES

Section 2.1 Forms Generally. The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article II, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuer executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Section 2.2 Forms of Notes. (a) The forms of the Notes, including the forms of the Certificated Notes and the Global Notes, shall be as set forth in the applicable part of Exhibit A hereto.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Global Notes and Certificated Notes of any Class may have the same identifying number (*e.g.*, CUSIPs).

Section 2.3 Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture, is limited, on and after the Second Refinancing Date, to U.S.$434,000,000 in aggregate principal amount of Notes (except for (i) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.6 or (ii) additional securities issued in accordance with Sections 2.13 and 3.2). (1) For any Interpolated Period, unless the Collateral Manager on behalf of the Issuer provides prior written notice to the Trustee and the Calculation Agent (which may be by email) that no such interpolating shall occur, the Benchmark will be determined by interpolating linearly between the rate for the next shorter period of time for which rates are available and the rate for the next longer period of time for which rates are available.

* The Issuer ~~will~~ also ~~issue~~issued the Equity Incentive Notes on the Second Refinancing Date to the Retention Holder. No principal or interest will be payable in respect of the Equity Incentive Notes, but payments will be made on the Equity Incentive Notes on each Payment Date in accordance with the Priority of Payments. The Preferred Return Notes will have a notional balance of U.S.$250,000. The Performance Notes will have a notional balance of U.S.$1,000,000. As used herein, the Issuer will be the Applicable Issuer with respect to the Equity Incentive Notes,

each Class of Secured Notes will be a Priority Class with respect to the Equity Incentive Notes and the Stated Maturity of the Equity Incentive Notes will be the Payment Date in January 2120. The Preferred Shares are the *Pari Passu* Class of the Preferred Return Notes and a Junior Class of the Performance Notes. The Equity Incentive Notes will not be listed.

The Secured Notes shall be issued in minimum denominations of U.S.$250,000 and integral multiples of U.S.$1.00 in excess thereof (the "Minimum Denominations"). The Notes shall only be transferred or resold in compliance with the terms of this Indenture.

In addition to the 35,750 Preferred Shares the Issuer issued on the First Refinancing Date, on the Second Refinancing Date the Issuer will issue 50,960 Preferred Shares at an issue price and stated value of $1,000 each pursuant to the Memorandum and Articles and subject to the terms of the Fiscal Agency Agreement.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

Notes bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount (or, in the case of the Equity Incentive Notes, notional amount) of the Notes so transferred, exchanged or replaced, but shall represent only the then-current Aggregate Outstanding Amount (or, in the case of the Equity Incentive Notes, notional amount) of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the Aggregate Outstanding Amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original Aggregate Outstanding Amount (or, in the case of the Equity Incentive Notes, notional amount) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such Certificate of Authentication upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be registered and shall cause to be kept a register (the "Register") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed registrar (the "Registrar") for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Collateral Manager, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~Arrangers, any beneficial owner of a Note who provides the Trustee with a certification substantially in the form of Exhibit C or any Holder of a Certificated Note a current list of Holders (and their holdings) as reflected in the Register, and at the Issuer's expense, a list of participants in DTC holding positions in the Notes. In addition and upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~Arrangers, any beneficial owner of a Note who provides the Trustee with a certification substantially in the form of Exhibit C or any Holder of a Certificated Note any information the Registrar actually possesses regarding the name and contact information of any beneficial owner of any Note (and its holdings); *provided* that, such information shall include at least (A) any such information contained in any beneficial owners' certifications, substantially in the form of Exhibit C, that the Trustee has received from beneficial owners of Notes and (B) any other forms or information submitted to the Trustee in connection with such beneficial owner's interest, the Holder of such beneficial owner's interest or other Persons being granted access to the Trustee Website; *provided*, *further*, that the Trustee shall make no representation and give no warranties as to the accuracy or correctness of any information so provided.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the

designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

With respect to the Equity Incentive Notes, upon satisfaction of the conditions for a transfer or exchange set forth in this Section 2.5 (including, if applicable, surrender of the related Note), the Issuer shall issue for the Equity Incentive Note being transferred or exchanged for registration in the name of the designated transferee or transferees one or more new Equity Incentive Notes (in a Minimum Denomination of U.S.$250,000 in the case of the Performance Notes and U.S.$125,000 in the case of the Preferred Return Notes) and of like terms and a like notional amount and, if applicable, execute Certificated Notes representing such Equity Incentive Notes and, upon receipt of an Issuer Order, the Trustee shall authenticate and deliver such Certificated Notes. All Equity Incentive Notes issued and, in the case of Certificated Notes, authenticated upon any registration of transfer or exchange of Equity Incentive Notes shall be the valid obligations of the Issuer, evidencing the rights to the same payments under the Priorities of Payment, and entitled to the same benefits under this Indenture, as the Equity Incentive Notes being exchanged or transferred. Notwithstanding anything else contained herein, no Equity Incentive Note may be transferred in part, and any such partial transfer shall be considered null and void and shall not be given effect for any purpose whatsoever.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with (if required by the Registrar) signature guarantee by an eligible guarantor institution meeting the requirements of the Registrar (which requirements may include membership or participation in a signature guarantee program acceptable to the Registrar).

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state

securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) No transfer of an ERISA-Restricted Note (or any interest therein) will be effective, and the Trustee will not recognize any such transfer, if it is a transfer to a Benefit Plan Investor. The Issuer and the Trustee shall be entitled to rely exclusively upon the information set forth on the face of the transfer certificates received pursuant to the terms of this Section 2.5 and only Notes that a Trust Officer of the Trustee actually knows to be so held shall be so disregarded.

(d) Notwithstanding anything contained herein to the contrary, except as provided in Section 2.5(c), the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the Investment Company Act, or the terms hereof; *provided* that, if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a purchaser or by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Global Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (*provided* that, such holder (or, in the case of a transfer, the transferee) is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date and each Redemption Date that is not a Payment Date and, following an Enforcement Event, any other date fixed by the Trustee on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Fiscal Agent (for payment to Holders of the Preferred Shares)) will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class of Secured Notes is Outstanding with respect to the Deferrable Notes, any payment of interest due on the Deferrable Notes, respectively, which is not available to be paid ("Deferred Interest") in accordance with the Priority of Payments on any Payment Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default), but will be deferred and will bear interest at the Interest Rate for such Class of Secured Notes until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Secured Notes and (iii) the Stated Maturity of such Class of Secured Notes. Regardless of whether any Priority Class of Secured Notes is Outstanding with respect to the Deferrable Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Secured Notes) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of

repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A-1 Notes or Class A-2 Notes or, if no Class A-1 Notes or Class A-2 Notes are Outstanding, any Class B Notes or, if no Class B Notes are Outstanding, any Class C Notes or, if no Class C Notes are Outstanding, any Class D Notes shall accrue at the Interest Rate for such Class until paid as provided herein. The Equity Incentive Notes will not bear a stated rate of interest but will be entitled to receive distributions on each Payment Date if and to the extent funds are available for such in accordance with the Priority of Payments.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of available Principal Proceeds to the Fiscal Agent (for payment to Holders of the Preferred Shares)) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes (and distributions of available Principal Proceeds to Holders of Preferred Shares) which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Article IX.

(d) As a condition to the payment of any amounts on any Note without the imposition of withholding or back-up withholding tax, any Paying Agent (including the Trustee serving in such capacity) shall require certification acceptable to it to enable it to determine its duties and liabilities, or such certification as the Issuer, the Co-Issuer or any Paying Agent shall request to enable such party to determine its duties and liabilities, with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of FATCA or any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or the Co-Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Note shall be made by the Trustee in Dollars to DTC or its designee with respect to a Global Note and to

the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; *provided* that, (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office or at the office of any Paying Agent on or prior to such Maturity; *provided* that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Notes of such Class on such Record Date. Payments on each Equity Incentive Note shall be made to the Person in whose name that Equity Incentive Note (or one or more predecessor Equity Incentive Notes) is registered in the security Register at the close of business on the relevant Record Date. Payments to the Holders of the Preferred Return Notes and Performance Notes shall be made in the proportion that the notional balance of the Preferred Return Notes and/or Performance Notes, as applicable, registered in the name of each such Holder on the applicable Record Date bears to the total notional balance of all Preferred Return Notes or Performance Notes, as applicable, on such Record Date.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to any Fixed Rate Notes shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued

upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers arising from time to time and at any time under the Offered Securities and this Indenture are limited recourse obligations of the Applicable Issuers and the Preferred Shares are equity interests in the Issuer payable solely from the Assets available at such time and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, manager, member, employee, shareholder, authorized person, organizer or incorporator of the Co-Issuers (or, in the case of the Issuer-Only Notes, the Issuer), the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Offered Securities or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Offered Securities (to the extent they evidence debt) or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Offered Securities or this Indenture, so long as no judgment seeking personal liability shall be asked for or (if obtained) enforced against any such Person. The Preferred Shares are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

(a) All Offered Securities surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly canceled by the Trustee or the Fiscal Agent, as applicable, and may not be reissued or resold. All canceled Offered Securities held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. The Issuer may not purchase any of the Offered Securities except as permitted under Section 2.9(b).

(b) In addition to a cancellation pursuant to Section 2.9(a), the Issuer may, (x) apply any amount on deposit in the Supplemental Reserve Account, as set forth in Section 10.3(e) to acquire Secured Notes (or beneficial interests therein) and/or (y) apply any amount on deposit in the Principal Collection Subaccount, as set forth in Section 10.2(c) to acquire Secured Notes (or beneficial interests therein) in each case, in sequential order of priority and in accordance with applicable law (any such Secured Notes, "Repurchased Notes"). In addition, the following additional requirements shall apply to the acquisition of Repurchased Notes from Principal Proceeds on deposit in the Principal Collection Subaccount pursuant to Section 2.9 (b)(y):

(i) any offer for such purchase must be extended to all Holders of Secured Notes of such Class, to the extent reasonably practicable, in such amounts as are necessary to preserve their pro rata holdings of such Class (*provided* that no such Holder shall be obligated to accept any such offer);

(ii) no Event of Default has occurred and is continuing on the date of such offer or such acquisition;

(iii) each Coverage Test is satisfied, or if not satisfied immediately before giving effect to such acquisition, is maintained or improved immediately after giving effect to such acquisition;

(iv) to the extent that Sale Proceeds are used to consummate the acquisition by the Issuer of any such Repurchased Notes, each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except the S&P CDO Monitor Test) will be satisfied, maintained or improved after giving effect to such acquisition of Repurchased Notes; and

(v) the purchase price of such Repurchased Notes must be equal to or less than par.

Any such Repurchased Notes will be delivered (at the direction of the Issuer (or the Collateral Manager on its behalf)) to the Trustee for cancellation. All Repurchased Notes will be promptly canceled by the Trustee at the direction of the Issuer (or the Collateral Manager on its behalf) and may not be reissued or resold and such Repurchased Notes will no longer be treated as Outstanding under this Indenture for any purpose (including, without limitation, for purposes of calculating any Coverage Test). The Issuer shall provide notice of its purchase of any Repurchased Notes to S&P and Moody's.

Section 2.10 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 and (B) (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that, the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership. In addition, the beneficial owners of interest in Global Notes may provide (and the Trustee may receive and rely on) consents to the Trustee that the Holders of a Global Note would be entitled to provide in accordance with this Indenture (but only to the extent of such beneficial owner's interest in the Global Note, as applicable).

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on,

such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. person that is not a QIB/QP (or, solely in the case of any Note issued in the form of a Certificated Note, an IAI/QP) shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted ERISA Holder shall be null and void *ab initio*.

(b) If (i) any U.S. person that is not a QIB/QP (or, in the case of any Note issued in the form of a Certificated Note, an IAI/QP) shall become the Holder or beneficial owner of an interest in a Note or (ii) any Holder or beneficial owner of Notes shall fail to provide the Issuer (or an agent on its behalf) with any information that the Issuer (or an agent on its behalf) reasonably believes may be required for the Issuer to achieve FATCA Compliance or if the Issuer reasonably believes that such holding otherwise prevents the Issuer from achieving FATCA Compliance (any such Person, a "Non-Permitted Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall (or, in the case of clause (ii) above, may), promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or the Co-Issuer to the Issuer, if the Co-Issuer makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes, as applicable, held by such Person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, as applicable, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes, as applicable, to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; *provided* that, the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, as applicable, agrees to cooperate with the Issuer and the Trustee to effectuate such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes, as applicable, sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made an ERISA-related

representation required by Section 2.5 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Similar Law, Other Plan Law or other ERISA representation required by Section 2.5 that is subsequently shown to be false or misleading (any such Person a "Non-Permitted ERISA Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or the Co-Issuer to the Issuer if the Co-Issuer makes the discovery) send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest in such Notes, as applicable, to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes, as applicable, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes, as applicable, to the highest such bidder; *provided* that, the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale (but only if such bidding entity is not a Non-Permitted ERISA Holder and such bid or resulting acquisition would not result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a non-exempt violation of Other Plan Law). However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes, as applicable, sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Taxes. Each Holder and beneficial owner of a Note agrees to the matters set forth in Section 7.17.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of an issuance of Additional Junior Securities and Preferred Shares, during or after the Reinvestment Period), the Applicable Issuer may (x) issue and sell additional securities of any one or more new classes of Additional Junior Securities and/or (y) issue and sell additional securities of any one or more existing Classes (other than, for the avoidance of doubt, any Equity Incentive Notes) (subject, in the case of additional securities of an existing Class of Secured Notes, to Section 2.13(a)(iv)) and use the net

proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, in the case of an issuance of additional Preferred Shares or Additional Junior Securities, during or after the Reinvestment Period, to apply such proceeds as Principal Proceeds or to deposit such proceeds into the Supplemental Reserve Account to be applied towards a Permitted Use (as applicable, in accordance with this Section 2.13)); *provided* that, the following conditions are met:

(i) (A) the Collateral Manager and the Retention Holder consent to such issuance; (B) such issuance is consented to by a Majority of the Preferred Shares; *provided* that, the consent specified in this subclause (B) shall not be required with respect to any additional issuance if such additional issuance is effected, in the sole discretion of the Collateral Manager, in order to permit the Collateral Manager to comply with the Risk Retention Rules; (C) the reasonable fees, costs, charges and expenses incurred in connection with such additional issuance have been paid or will be adequately provided for from (1) the additional issuance and (2) any amounts on deposit in, or reasonably expected to be deposited into, the Expense Reserve Account or the Supplemental Reserve Account that are designated to pay fees, costs, charges and expenses incurred in connection with such additional issuance (except for expenses owed to Persons that the Collateral Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments) and (D) such issuance is consented to by a Supermajority of the Class A-1a Notes; *provided* that, the consent specified in clause (D) above shall not be required with respect to any additional issuance that is solely an additional issuance of Additional Junior Securities and/or Preferred Shares;

(ii) in the case of additional securities of any one or more existing Classes (other than the Preferred Shares), the aggregate principal amount of Secured Notes of such Class issued in all additional issuances with respect to such Class may not exceed 100% of the Aggregate Outstanding Amount of the Secured Notes of such Class on the Second Refinancing Date;

(iii) in the case of additional securities of any one or more existing Classes (other than, for the avoidance of doubt, any Equity Incentive Notes), the terms of the securities issued must be identical to the respective terms of previously issued Offered Securities of the applicable Class (except that the interest due on additional Secured Notes will accrue from the issue date of such additional Secured Notes and the interest rate and price of such Offered Securities do not have to be identical to those of the initial Offered Securities of that Class; *provided* that, the interest rate of any such additional Secured Notes will not be greater than the interest rate on the initial Offered Securities of that Class of Secured Notes as of the Last Closing Event) and such additional issuance shall not be considered a Refinancing hereunder;

(iv) in the case of additional securities of any one or more existing Classes, unless only additional Preferred Shares are being issued, additional securities of all Junior Classes and Pari Passu Classes (relative to the Highest Ranking Class being issued) must be issued and such issuance of additional securities must be proportional across all

Classes; *provided* that, the number of Preferred Shares issued in any such issuance may exceed the proportion otherwise applicable to the Preferred Shares;

(v) in the case of additional securities of any one or more existing Classes, unless only additional Preferred Shares are being issued, the Global Rating Agency Condition has been satisfied; *provided* that, in the case of an additional issuance of Additional Junior Securities, each Rating Agency shall be notified of any such issuance;

(vi) the proceeds of any additional securities (net of fees and expenses incurred in connection with such issuance) shall not be treated as Refinancing Proceeds and such proceeds shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations (during the Reinvestment Period), to invest in Eligible Investments or to apply pursuant to the Priority of Payments; *provided* that, notwithstanding the foregoing, the net proceeds from the issuance of any Additional Junior Securities or any additional Preferred Shares may be deposited into the Supplemental Reserve Account at the direction of the Collateral Manager and applied for any Permitted Use;

(vii) immediately after giving effect to such issuance and the application of the proceeds thereof, each Coverage Test is satisfied; *provided* that, in no event shall any Overcollateralization Ratio relating to any Overcollateralization Ratio Test (after giving effect to such issuance) be less than the applicable Overcollateralization Ratio as of the Closing Date (assuming, for purposes of this clause (vii), that the Aggregate Principal Balance of the Collateral Obligations as of the Last Closing Event is equal to the Target Initial Par Amount);

(viii) written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters will be delivered to the Issuer (with a copy to the Trustee), in form and substance satisfactory to the Collateral Manager, to the effect that any additional Class A Notes, Class B Notes and Class C Notes will, and any additional Class D Notes should, be treated as debt for U.S. federal income tax purposes; *provided* that the written advice or opinion, as applicable, described in this Section 2.13(a)(viii) will not be required with respect to any additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that were issued on the Closing Date and are Outstanding at the time of the additional issuance;

(ix) such issuance is accomplished in a manner that allows the accountants of the Issuer to accurately provide the tax information relating to original issue discount required under this Indenture to be provided to the Holders of Secured Notes (including the additional securities);

(x) [reserved]; and

(xi) an Officer's certificate of the Applicable Issuer shall be delivered to the Trustee certifying that all conditions precedent applicable to the issuance of such additional securities under this Indenture, including those requirements set forth in this Section 2.13(a), have been satisfied.

(b) Upon satisfaction of the foregoing conditions and the applicable conditions set forth in Article VIII, the Issuer may execute a supplemental indenture pursuant to Section 8.1(xii) herein to reflect the terms of such additional issuance, including, for the avoidance of doubt, any amendments that are necessary or helpful in order to maintain a rating on any existing Class of Secured Notes or to obtain a rating on or successfully place or sell any Additional Junior Securities; provided that, the Co-Issuers or the Issuer may also issue additional notes in connection with a Refinancing, which issuance will not be subject to Section 2.13(a) but will be subject only to Section 9.2.

(c) Any additional securities of the Class A-1 Notes or the Class A-2 Notes issued as described above will, to the extent reasonably practicable, be offered first to Holders of such Class in such amounts as are necessary to preserve their *pro rata* holdings of Offered Securities of such Class.

(b) Each time that the Collateral Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment or other investment, the Collateral Manager (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment or other investment is required to be, but has not already been, transferred to the relevant Account, cause the Collateral Obligation, Eligible Investment or other investment to be Delivered to the Custodian to be held in the Custodial Account (or in the case of any such investment that is not a Collateral Obligation, in the Account in which the funds used to purchase the investment are held in accordance with Article X) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other investment so acquired, including all interests of the Issuer in to any contracts related to and proceeds of such Collateral Obligation, Eligible Investment or other investment.

In connection with delivery by each of the Co-Issuers of the Officer's certificate referred to in clause (a)(iii) above, the Trustee will confirm to the Co-Issuers that to the best of its knowledge (i) there are no pledged Collateral Obligations that remain subject to the lien of this Indenture and (ii) no funds remain on deposit in any of the Accounts (or such funds are being held in trust for the benefit of the Secured Parties). Upon the discharge of this Indenture, the Trustee shall provide such certifications to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Upon obtaining actual knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) a Responsible Officer of the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer of the Trustee, the Trustee shall, not later than three Business Days thereafter, notify the Noteholders (as their names appear on the Register), each Paying Agent, the Collateral Manager and the Issuer and, subject to Section 14.3(c), the Issuer shall notify each of the Rating Agencies (if then rating a

Class of Secured Notes) and Euronext Dublin (for so long as the any Listed Notes are listed on Euronext Dublin and so long as the guidelines of such exchange so require) of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Co-Issuer, the Issuer (subject to Section 14.3(c), which notice the Issuer shall provide to each Rating Agency (if then rating a Class of Secured Notes)) and a Responsible Officer of the Collateral Manager, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon (including any Deferred Interest), and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer (subject to Section 14.3(c), which notice the Issuer shall provide to each Rating Agency) and the Trustee, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Collateral Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Collateral Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Secured Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to make payments to the Trustee, and, if the Trustee shall consent to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers

agree that the Trustee may, and shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Notes, which may be ~~the Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~an Arranger or other appropriate advisor, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) shall have occurred and be continuing the Trustee may, and at the direction of a Majority of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any

part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability. Any Holder bidding at such sale may, in payment of the purchase price, deliver to the Trustee for surrender and cancellation any of the Notes owned by such Holder in lieu of Cash equal to the amount which would, upon distribution of the net proceeds of such sale, be payable on the Notes so delivered by such Holder (taking into account the Class of such Notes, the Priority of Payments and Article XIII).

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders or beneficial owners of the Offered Securities may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Offered Securities, institute (or, in the case of the Trustee, cause the share trustee of the Issuer under the declaration of trust, to institute) against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Furthermore, to the maximum extent permitted by applicable law, the Board of Directors will not institute against the Issuer any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings for so long as the Secured Notes are outstanding. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Tax Subsidiary, the Issuer, the Co-Issuer or such Tax Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, will promptly object to the institution of any such Proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Tax Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action

will be paid as Administrative Expenses. Any Person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Secured Notes institutes, or joins in the institution of, a Proceeding described in clause (i) above against the Issuer in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each Holder or beneficial owners of any Secured Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee or the Fiscal Agent, as applicable, shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

In addition, nothing in this Section 5.4 shall preclude, or be deemed to stop, any Holder or beneficial owner of Notes (1) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) and one day period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer (other than such a filing or commencement caused or directed by such Holder or beneficial owner) or (B) any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in the institution or commencement of (or cause or direct any other Person to institute or commence), or (2) from filing proofs of claim in any Proceeding voluntarily filed or commenced by either of the Co-Issuers (other than such a filing or commencement caused or directed by such Holder or beneficial owner) or any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in the institution or commencement of (or cause or direct any other Person to institute or commence).

(iv) The restrictions described in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and is continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Offered Securities in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(d), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Notes (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Collateral Management Fees and amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of such Hedge Agreement as a result of a Priority Termination Event), and a Majority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay principal or interest on the Class A-1a Notes or the Class A-1b Notes or Section 5.1(g), a Majority of the Controlling Class, so long as the Controlling Class consists of the Class A-1 Notes and, for the avoidance of doubt, no other Class of Secured Notes, regardless of whether any such other Class subsequently becomes the Controlling Class), directs the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior to, contemporaneously with or subsequent to such Event of Default);

(iii) in the case of an Event of Default specified in clauses (a) (other than due to failure to pay principal or interest on the Class A-1 Notes), (b), (c), (d), (e) or (f) of the definition of such term, a Supermajority (or, in the case of the Class A-1a Notes and the Class A-1b Notes, a Majority) of each Class of Secured Notes (voting separately by Class) directs the sale and liquidation of the Assets; or

(iv) if only Preferred Shares are then Outstanding, a Majority of the Preferred Shares directs the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist; *provided* that, upon commencement of any liquidation proceeding pursuant to this Section 5.5(a), the Trustee shall provide notice to each Rating Agency.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) Prior to the sale of any Collateral Obligation in connection with Section 5.5(a) and subject to the right of the Controlling Class to postpone such sale under Section 5.17 or otherwise cancel such sale in accordance with this Article V or under law, the Trustee will use commercially reasonable efforts to notify the Collateral Manager of its intent to sell any Collateral Obligation in accordance with this Article V. Prior to the Trustee accepting any bid in respect of such a sale of a Collateral Obligation, the Collateral Manager shall have the right, by giving notice to the Trustee within three hours after the Trustee has notified the Collateral Manager of the bid proposed to be accepted by the Trustee, to submit (on its behalf or on behalf of funds or accounts managed by the Collateral Manager) and the Trustee shall accept, a Firm Bid to purchase such Collateral Obligation on the same terms and conditions applicable to the potential purchaser.

(d) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Loan contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market therein and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Loan. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a Loan contained in the Assets from one nationally recognized dealer at the time making a market therein, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm, or other appropriate advisor, of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i); *provided* that, any such request

made more frequently than once in any 90 day period shall be at the expense of such requesting party or parties.

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, Equity Securities and the Eligible Investments effected hereunder, the provisions of Section 4.1(a)(i) and (a)(ii) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder or beneficial owner of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder or beneficial owner has previously given to the Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than a Majority of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders or beneficial owners have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders or beneficial owners of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture or the Notes to affect, disturb or prejudice the rights of any other Holders or beneficial owners of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders or beneficial owners of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein and therein provided and for the equal and ratable benefit of all the Holders or beneficial owners of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders or beneficial owners of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders or beneficial owners with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders or beneficial owners of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes and Class(es) thereof, as applicable, specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders and beneficial owners of all the Notes waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note when due and payable (which may be waived only with the consent of the Holder or beneficial owner of such Secured Note);

(b) in the payment of interest on any Secured Note when due and payable (which may be waived only with the consent of the Holder or beneficial owner of such Secured Note); or

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder or beneficial owner of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder or beneficial owner).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency (if then providing a rating on any Class of Secured Notes)) and each Holder. Upon any such waiver, such Default shall cease to exist, and

any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder and beneficial owner of any Note by such Holder's or beneficial owner's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity of the Secured Notes (or, in the case of any redemption whose failure to pay would constitute an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Noteholders and a Responsible Officer of the Collateral Manager, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that, the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee and the Collateral Manager (and/or any of its Affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof (including, in the case of the Collateral Manager or an Affiliate thereof, pursuant to

Section 5.5(c)), and the Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 or other applicable terms hereof. The Secured Notes do not need to be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice to the Holders of the Secured Notes and the Holders of the Preferred Shares as soon as reasonably practicable of any public Sale, and the Holders of the Secured Notes, the Holders of the Preferred Shares and the Collateral Manager (and each of their Affiliates) shall be permitted to participate in any such public Sale to the extent permitted by applicable law and to the extent such Holders or the Collateral Manager (or their Affiliates), as applicable, meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the

Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including diminution in value or lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), or (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Not later than one Business Day after the Trustee receives (i) notice of assignment pursuant to Section 13(d) of the Collateral Management Agreement, (ii) a Termination Notice (as defined in the Collateral Management Agreement) or a Statement of Cause (as defined in the Collateral Management Agreement) pursuant to Section 14(a) of the Collateral Management Agreement or (iii) a notice from the Collateral Manager pursuant to Section 14(b) of the Collateral Management Agreement, the Trustee shall forward a copy of such notice to the Noteholders (as their names appear in the Register).

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Tax Event unless it receives written notice of the occurrence of a Tax Event from the Collateral Manager.

(h) The Trustee shall notify the Issuer, the Collateral Manager and the Holders promptly if the Trustee has received Banking Entity Notices from Holders certifying that they hold 100% of the Aggregate Outstanding Amount of any Class of Notes.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to

the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail or e-mail to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency (if then providing a rating on any Class of Secured Notes)), and all Holders, as their names and addresses appear on the Register, and Euronext Dublin (for so long as any Listed Notes are listed on Euronext Dublin and so long as the guidelines of such exchange so require) notice of any Event of Default hereunder known to the Trustee, unless such Event of Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper, electronic communication or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Any electronically signed document delivered via email from a person purporting to be an Authorized Officer shall be considered signed or executed by such Authorized Officer on behalf of the applicable Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in complying with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper, electronic communication or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall (subject to the right hereunder to be reasonably satisfactorily indemnified for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior written notice to the Co-Issuers and a Responsible Officer of the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; *provided* that, the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided, further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that, the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information (including the Asset Replacement Percentage) received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants appointed by the Issuer pursuant to Section 10.7(a) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall, upon reasonable (but no less than three Business Days') prior written notice, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making

any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

(l) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream, or any other Clearing Agency or depository and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(m) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(n) in the event the Bank is also acting in the capacity of Paying Agent, Collateral Administrator, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that, such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement, the Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party; *provided further,* however, that the foregoing shall not be construed to impose upon the Paying Agent, Collateral Administrator, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary any of the duties or standards of care (including without limitation any duties of a prudent person) of the Trustee;

(o) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(p) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(q) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the

part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(r) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(s) to the extent not inconsistent herewith, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator; *provided* that, such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(t) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a sub-agent of the Trustee or for any third Person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(u) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(v) to help fight the funding of terrorism and money laundering activities, the Trustee shall obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee shall ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(w) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any Financing Statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) the Trustee shall be entitled to conclusively rely on the information set forth in a Banking Entity Notice (including the continued ownership of any Notes indicated on Annex I and Annex II attached thereto, as applicable, by the applicable Section 13 Banking Entity) or other information or certification provided by a Section 13 Banking Entity and shall have no liability for relying on the same;

(y) none of the Trustee, the Calculation Agent or the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation or Eligible Investment meets the criteria or eligibility restrictions imposed by this Indenture or (ii) if the Collateral Manager has not provided it with the information necessary for making such determination, whether the conditions specified in the definition of "Delivered" have been complied with;

(z) neither the Trustee nor the Collateral Administrator shall have any obligation or duty to determine or otherwise monitor the Collateral Manager's or the Retention Holder's compliance with the Risk Retention Rules nor any duty or obligation to determine or otherwise monitor the Issuer's or Collateral Manager's compliance with the Transparency and Reporting Requirements; and

(aa) none of the Trustee, the Collateral Administrator or the Calculation Agent shall have any responsibility or liability for (i) determining, monitoring or verifying the unavailability or cessation of the Benchmark or whether or when a Benchmark Transition Event and its related Benchmark Replacement Date have occurred or (ii) whether or what Benchmark Replacement Conforming Changes are necessary or advisable in connection with the implementation of an Alternative Reference Rate.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Offered Securities. The Trustee, any Paying Agent, the Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Offered Securities and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee and the Bank in each of its other capacities on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by the Trustee and the Bank in each of its other capacities hereunder

and under the Transaction Documents (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to pay or reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable fees and expenses of attorneys and experts) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with acting or serving as Trustee under this Indenture, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim (whether brought by or involving the Issuer or any third party) or liability in connection with the administration, exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto and of enforcing this Indenture and any indemnification rights hereunder; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Trustee is a party only as provided in Sections 11.1(a)(i) and (ii) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that, nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or an expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least

one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa1(cr)" by Moody's and a rating of at least "BBB+" by S&P and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers (and, subject to Section 14.3(c), the Issuer shall provide notice to each Rating Agency (if then rating a Class of Secured Notes)), the Collateral Manager and the Holders of the Notes. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; *provided* that, such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Notes of each Class (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Notes (voting separately by Class) or, at any time when an Event of Default shall have

occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, subject to Section 14.3(c) each Rating Agency (if then rating a Class of Secured Notes) and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause, subject to Section 14.3(c), such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment and making representations and warranties set forth in Section 6.17 and

Section 6.18. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* that, such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Subject to Section 14.3(c), the Issuer shall notify each Rating Agency (if then rating a Class of Secured Notes) of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. If the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the Obligor or issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or

Event of Default under this Indenture. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.6 and Article XII, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.13 and 8.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by applicable law or in connection with FATCA on the Issuer's payment (or allocations of income) under the Notes, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee and any other Paying Agent are hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer, including in connection with FATCA, (but such authorization shall not prevent the Trustee or any such other Paying Agent from contesting any such tax in appropriate Proceedings and withholding

payment of such tax, if permitted by law, pending the outcome of such Proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee or any other Paying Agent. If there is a reasonable possibility that withholding is required by applicable law, including in connection with FATCA, with respect to a distribution, the Trustee or such other Paying Agent may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee or such other Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any other Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for Each Other Secured Party. With respect to the security interest created hereunder, the delivery of any item of Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders, and agent for each other Secured Party.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a Proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

Section 6.18 Representations and Warranties of the Trustee. Neither U.S. Bank National Association nor the Trustee is "affiliated," as such term is defined in Rule 405 under the Securities Act, with the Issuer or with any Person involved in the organization or operation of the Issuer.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Secured Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Preferred Shares to the Fiscal Agent, in accordance with the Fiscal Agency Agreement and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law or in connection with FATCA by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee as Transfer Agent at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company (the "Process Agent"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided* that, (x) the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or

agency outside of the United States where Notes may be presented for payment; and (y) no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax in excess of any withholding tax imposed on such payments immediately before the appointment. The Co-Issuers hereby appoint, for so long as any Listed Notes are listed on Euronext Dublin, Walkers Listing Services Limited (the "Irish Listing Agent") as listing agent in Ireland with respect to the Listed Notes. In the event that the Irish Listing Agent is replaced at any time during such period, notice of the appointment of any replacement shall be sent to Euronext Dublin by the Issuer as promptly as practicable after such appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency (if then rating a Class of Secured Notes) and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office, and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided* that, so long as the Notes of any Class are rated by a Rating Agency, with respect to

any additional or successor Paying Agent, either (i) such Paying Agent has a long-term debt rating of "A+" or higher by S&P and a long-term counterparty risk assessment of "A1(cr)" or higher by Moody's or a short-term debt rating of "A-1" by S&P and a short-term counterparty risk assessment of "P-1(cr)" by Moody's or (ii) the Global Rating Agency Condition is satisfied. If such successor Paying Agent ceases to have a long-term debt rating of "A+" or higher by S&P and a long-term counterparty risk assessment of "A1(cr)" or higher by Moody's or a short-term debt rating of "A-1" by S&P and a short-term counterparty risk assessment of "P-1(cr)" by Moody's, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; *provided* that, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer at the direction of the Collateral Manager so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee and, subject to Section 14.3(c), each Rating Agency (if then rating a Class of Secured Notes) by the Issuer, which notice shall be promptly forwarded by the Trustee to the Holders and the Collateral Manager and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any Tax Subsidiary; (ii) the Co-Issuer shall not have any subsidiaries; and (iii) except to the extent contemplated in the Administration Agreement or the declaration of trust (as amended from time to time) (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers to the extent they are employees), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the

Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person (other than as may be required for tax purposes), (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Collateral Manager.

(c) The Issuer shall provide Moody's and S&P with prior written notice of the formation of any Tax Subsidiary and of the transfer of any asset to any Tax Subsidiary.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; *provided* that, the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Notes hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Secured Notes in the Assets against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all property of the Debtor now owned or hereafter acquired, other than "Excepted Property"" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Section 5.5, Section 10.6(a), (b) and (c) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered on the Closing Date pursuant to Section 3.1(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. Following the Second Refinancing Date, (i) once in the six months preceding August 6, 2023 (but in no event later than 30 days before August 6, 2023) and thereafter (ii) every fifth calendar year measured from September 12, 2023, the Issuer shall furnish to the Trustee, Moody's and S&P an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, stating that, as of the date of such Opinion of Counsel, the lien and security interest created by this Indenture with respect to the Assets remain in effect and is perfected and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness and perfection of such lien over the next five years.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer shall notify the Rating Agencies within 10 Business Days after it has received notice from any Noteholder or the Issuer of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix), (x) and (xii) the Co-Issuer will not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets or any Margin Stock, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby or (B) (1) issue or co-issue, as applicable, any additional Class of securities except in accordance with Section 2.13 and 3.2 or (2) issue or co-issue, as applicable, any additional ordinary shares;

(iv)(A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets or any Margin Stock, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV (which right shall include, without limitation, the right to enter into the Assignment Agreement and the Collateral Management Agreement with RRAM on the Second Refinancing Date);

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (except, in the case of the Issuer, the Co-Issuer and any Tax Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement;

(xii) fail to maintain an independent manager under the Co-Issuer's limited liability company agreement; or

(xiii) fail to maintain an independent director (the "Independent Director"), which independent director, for the avoidance of doubt, shall be Independent of the Collateral Manager.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The requirements of this Section 7.8(d) will be deemed to be satisfied if the Tax Guidelines (or any permitted deviations therefrom based upon written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters) have been complied with. In furtherance and not in limitation of this Section 7.8(d), notwithstanding anything to the contrary contained herein, the Issuer shall comply with all of the provisions set forth in the Tax Guidelines (or any permitted deviations therefrom based upon written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters).

Section 7.9 Statement as to Compliance. At least once annually, and commencing in the year following the Second Refinancing Date, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional notes pursuant to Section 2.13, the Issuer, subject to Section 14.3(c), shall deliver to each Rating Agency (if then rating a Class of Secured Notes), the Trustee, the Collateral Manager and

the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to each Noteholder making a written request therefor) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of such certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc. Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or, except as otherwise permitted under this Indenture, convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; *provided* that, no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Global Rating Agency Condition shall have been satisfied with respect to such consolidation or merger;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee, the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have delivered to each Rating Agency (if then rating a Class of Secured Notes)) an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is

organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture and any other Permitted Lien, to the Assets securing all of the Notes and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; *provided* that, nothing in this clause (ii) shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have notified each Rating Agency (if then rating a Class of Secured Notes)) of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such transaction will not (1) result in the Successor Entity becoming subject to U.S. federal income taxation with respect to its net income or (2) result in the Successor Entity being treated as being engaged in a trade or business within the United States for U.S. federal income tax purposes;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act;

(h) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person;

(i) the fees, costs and expenses of the Trustee (including any reasonable legal fees and expenses) associated with the matters addressed in this Section 7.10 shall have been paid by the Merging Entity (or, if applicable, the Successor Entity) or otherwise provided for to the satisfaction of the Trustee; and

(j) if the Merging Entity is the Issuer, unanimous consent of the Board of Directors, including the Independent Director, has been obtained.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not have any employees (other than its directors to the extent they are employees) and shall not engage in any business or activity other than issuing or co-issuing, as applicable, selling, paying and redeeming the Offered Securities and any additional securities issued or co-issued, as applicable, pursuant to this Indenture or the Fiscal Agency Agreement, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, the Assets and other incidental activities, including entering into the Transaction Documents to which it is a party and establishing and owning any Tax Subsidiary. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. The Issuer shall not loan any Collateral Obligation to a securities lending counterparty pursuant to a securities lending agreement. The Co-Issuer shall not engage in any business or activity other than co-issuing and selling the Class A Notes, the Class B Notes and the Class C Notes and any additional rated notes co-issued pursuant to this Indenture and other incidental activities. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or certificate of formation and limited liability company agreement, respectively, only if such amendment would satisfy the Global Rating Agency Condition.

Section 7.13 Maintenance of Listing. So long as any Listed Notes remain Outstanding, the Co-Issuers shall use reasonable efforts to maintain the listing of such Notes on Euronext Dublin.

Section 7.14 Ratings. The Applicable Issuers shall promptly notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the then-current rating of any such Class of Secured Notes has been, or is known will be, changed or withdrawn.

Section 7.15 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to

Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Secured Notes remain Outstanding there will at all times be an agent appointed (which does not control or is not controlled by or under common control with the Issuer, the Collateral Manager or their respective Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period in accordance with the terms specified in the definition of "Benchmark" and "Term SOFR Rate" in Section 1.1 (the "Calculation Agent"); *provided* that if a Benchmark Replacement or Alternative Reference Rate has been selected by the Collateral Manager or adopted, "Benchmark" and "Term SOFR Rate", as applicable, in respect of each such Interest Accrual Period shall be deemed to refer to such Benchmark Replacement or Alternative Reference Rate. The Issuer hereby appoints the Collateral Administrator as the initial Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, or if the Calculation Agent fails to determine any of the information described in subsection (b), in respect of any such Interest Accrual Period, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent has agreed) that, as soon as possible after 5:00 a.m. Chicago time on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on such Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Secured Notes during the related Interest Accrual Period and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Secured Notes in respect of the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or, in the case of the first Interest

Accrual Period commencing on the Closing Date, each portion thereof) will (in the absence of manifest error) be final and binding upon all parties.

(c) [Reserved].

(d) None of the Trustee, Paying Agent or the Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of the Benchmark or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark Transition Event or Benchmark Replacement Date, (ii) to select, determine or designate any Alternative Reference Rate or Benchmark Replacement, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, or (iii) to select, determine or designate any Benchmark Replacement Adjustment, or any other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Conforming Changes (including any amendments pursuant to Section 8.1(xxx)) are necessary or advisable, if any, in connection with any of the foregoing.

(e) None of the Trustee, Paying Agent or Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture as a result of the unavailability of the Benchmark and absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties. Notwithstanding the foregoing, the Collateral Manager shall provide direction to the Calculation Agent facilitating or specifying administrative procedures with respect to the calculation of any other applicable benchmark upon which directions the Calculation Agent may conclusively rely.

Section 7.17 Certain Tax Matters. (a) (i) The Issuer and the Co-Issuer will treat the Secured Notes as indebtedness of the Issuer for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law; the Co-Issuers will, and each Holder or beneficial owner of an Equity Incentive Note represents and agrees to treat the Equity Incentive Notes as equity for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law; *provided*, that the foregoing shall not prevent the Issuer or its agents from providing the information described in Section 7.17(g) to a Holder (which, for purposes of this Section 7.17, shall include any holder of a beneficial interest in an Offered Security) of a Class D Note seeking to make a protective qualified electing fund election and file protective information returns with respect to an investment in such Note.

(ii) Each Holder (including, for purposes of this Section 7.17, each beneficial owner) will treat the Secured Notes as indebtedness of the Issuer for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law; *provided*, that the foregoing shall not prevent a Holder of a Class D Note from

making a protective qualified electing fund election and filing protective information returns with respect to an investment in such Note.

(b) Each Holder or beneficial owner of an Offered Security will timely furnish the Issuer, the Trustee or any agent of the Issuer (including any Paying Agent) with any U.S. federal income tax forms or certifications (including IRS Forms W-8 and W-9, or any successors to such IRS forms) that the Issuer or its agents (including any Paying Agent) may reasonably request, and any documentation, agreements, information, or certifications that are reasonably requested by the Issuer or its agents (including any Paying Agent) to enable the Issuer or its agents to (A) make payments to it without, or at a reduced rate of, deduction or withholding, (B) qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) satisfy reporting and other obligations, and shall update or replace such documentation, agreements, information, or certifications as appropriate or in accordance with their terms or subsequent amendments, and acknowledges that the failure to provide, update or replace any such documentation, agreements, information, or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder. Amounts withheld pursuant to applicable tax laws will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder or beneficial owner of an Offered Security will (i) provide the Issuer, the Collateral Manager, the Trustee and their respective agents with any correct, complete and accurate information that the Issuer or Collateral Manager may be required to request to achieve FATCA Compliance and will take any other actions that the Issuer, the Collateral Manager, the Trustee or their respective agents deem necessary to enable the Issuer to achieve FATCA Compliance and (ii) update any such information provided in clause (i) promptly upon learning that any such information previously provided has become obsolete or incorrect. (e) The Issuer shall not elect to be treated as other than a corporation for U.S. federal income tax purposes.

(f) Each Holder or beneficial owner of an Offered Security that is not a U.S. Tax Person will make, or by acquiring such Offered Security will be deemed to make, a representation to the effect that (i) either (a) it is not a bank (or an entity affiliated with a bank) extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), (b) it has provided an IRS Form W-8BEN or W-8BEN-E representing that it is a Person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States, or (c) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it on the Offered Securities or any interest therein are effectively connected with the conduct of a trade or business in the United States for U.S. federal income tax purposes, and (ii) it is not purchasing such Offered Security or an interest in such Offered Security in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan within the meaning of Treasury ~~Regulation~~Regulations Section 1.881-3.

The Issuer shall provide to a Holder of a Class D Note (at such requesting Holder's expense) any information that such Holder reasonably requests in order for such Holder to make and maintain a protective QEF election and file protective information returns with respect to an investment in such Note. Upon a determination by the IRS, or a United States court, or upon receipt of written advice (including email) of an Approved Tax Counsel that any other security or Note is characterized as equity in the Issuer for U.S. federal income tax purposes, the Issuer will also provide the information described in the preceding two sentences to any Holders of such Notes or other securities. national reputation in the United States to satisfy the Issuer's obligations described in this Section 7.17(g).

(h) Each Holder or beneficial owner of the Offered Securities will indemnify the Issuer, the Trustee and their respective agents from any and all damages, costs and expenses (including, without limitation, reasonable attorneys' fees and costs, and any amount of taxes, fees, interest, additions to tax, or penalties) resulting from the Issuer's inability to achieve FATCA Compliance to the extent attributable to the failure by such Holder or beneficial owner to comply with FATCA and the Cayman FATCA Legislation. (k) (i) Prior to the time that the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be subject to U.S. federal income tax on a net income basis, (ii) prior to the time that any Collateral Obligation is modified in a manner that would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be subject to U.S. federal income tax on a net income basis, or (iii) upon discovery that an asset would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be subject to U.S. federal income tax on a net income basis, the Issuer will either (x) organize one or more wholly-owned special purpose vehicles of the Issuer that are treated as corporations for U.S. federal income tax purposes (each, a "Tax Subsidiary"), and contribute to a Tax Subsidiary the right to receive such asset described above, the Collateral Obligation that is the subject of the workout, restructuring or modification or the asset described above, (y) contribute to an existing Tax Subsidiary the right to receive such asset described above, such Collateral Obligation that is the subject of the workout, restructuring or modification or such asset described above or (z)

sell the right to receive such asset described above, such Collateral Obligation that is the subject of the workout, restructuring or modification or such asset described above. For the avoidance of doubt, in determining whether an asset is described in the first sentence of this Section 7.17(k), the Issuer shall be entitled to rely on written advice (including email) of an Approved Tax Counsel, or the opinion of another nationally recognized tax counsel experienced in such matters to the effect that the Issuer's acquisition, receipt, ownership, and disposition of such asset or the modification of such Collateral Obligation, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis.

(l) Each Tax Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Tax Subsidiary's organizational documents, which organizational documents shall comply with any applicable Rating Agency rating criteria. At the request of the Collateral Manager, the Issuer will cause any Tax Subsidiary to enter into a separate management agreement with the Collateral Manager which agreement shall be substantially in the form of the Collateral Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to each of the Rating Agencies. No supplemental indenture shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up a Tax Subsidiary. For the avoidance of doubt, any Tax Subsidiary may distribute a Tax Subsidiary Asset to the Issuer if the Issuer has received written advice (including email) of an Approved Tax Counsel or an opinion of other nationally recognized tax counsel experienced in such matters to the effect that such distribution does not otherwise violate this Indenture and the acquisition, ownership, and disposition of such asset by the Issuer will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net income basis.

(m) With respect to any Tax Subsidiary:

(i) the Issuer shall not allow such Tax Subsidiary to (A) purchase any assets or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(vi) the Issuer shall ensure that such Tax Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(vii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or Proceeding by or before any arbiter or governmental authority against or affecting such Tax Subsidiary;

(viii) the Issuer shall ensure that such Tax Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Tax Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted to contribute to a Tax Subsidiary from time to time any Collateral Obligation that is expected to be converted into an asset described in Section 7.17(k)(i) or Section 7.17(k)(ii), and to take any actions and enter into any agreements, including any transfer with respect to the Collateral Obligation, to effect the transfer of any such asset to a Tax Subsidiary;

(xi) with respect to any Tax Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Collateral Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Tax Subsidiary Assets and related assets are held by the Tax Subsidiary, shall refer directly and solely to the related Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

(xii) the Issuer, the Co-Issuer, the Collateral Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer applicable preference period then in effect plus one day, after the payment in full of all the Offered Securities;

(xiii) in connection with the organization of any Tax Subsidiary and the contribution of any assets to such Tax Subsidiary pursuant to this Section 7.17, such Tax Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or a financial institution meeting the requirements of Section 10.1 to hold the Tax Subsidiary Assets and any proceeds thereof pursuant to an account control agreement; *provided* that, (i) a Tax Subsidiary Asset or any other asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Tax Subsidiary Asset or any other asset and (ii) the Issuer may pledge a Tax Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xv) notwithstanding the complete and absolute transfer of a Tax Subsidiary Asset to a Tax Subsidiary, for purposes of measuring compliance with the Concentration Limitations, the Collateral Quality Test, the Coverage Tests and Section 5.1(g) or for purposes of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in a Tax Subsidiary or any property distributed to the Issuer by a Tax Subsidiary (other than Cash) shall be treated as a continuation of its ownership of the Tax Subsidiary Asset that was transferred to such Tax Subsidiary (and shall be treated as having the same characteristics as such Tax Subsidiary Asset or of any asset received in consideration of such Tax Subsidiary Asset(s)). If, prior to its transfer to a Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Tax Subsidiary

shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by a Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer; and

(xvii) if (A) any Event of Default occurs, the Secured Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any mandatory redemption, auction call redemption, Optional Redemption, Tax Redemption, clean-up call or other prepayment in full or repayment in full of all Offered Securities Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity of the Secured Notes has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) instruct each Tax Subsidiary to sell each Tax Subsidiary Asset and all other assets held by such Tax Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer or (y) sell its interest in such Tax Subsidiary.

Each contribution by the Issuer to a Tax Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in the relevant asset to the Tax Subsidiary, if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes based on written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters.

(n) Notwithstanding anything herein to the contrary, the Collateral Manager, the Co-Issuers, the Trustee, the Collateral Administrator, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent,~~Arrangers, the Holders and beneficial owners of the Notes, and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Co-Issuers, the Trustee, the Collateral Administrator, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~Arrangers or any other party to the transactions contemplated by this Indenture, the offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

In addition, the Issuer shall, and shall cause each Tax Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications (including an applicable IRS Form W-8 or W-9, as applicable) to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

(q) Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Collateral Manager, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~Arrangers or any agent thereof any information specified by such parties regarding the Holders of the Offered Securities and payments on the Offered Securities that is reasonably available to the Trustee or the Registrar, as the case may be, and may be necessary to achieve FATCA Compliance; *provided* that nothing herein shall be construed to impose any liability or obligation on the part of the Trustee to monitor FATCA Compliance by any other party.

(iv) The Accounts are not in the name of any Person other than "RR 12 LTD, subject to the lien of U.S. Bank National Association, as Trustee". The Issuer has not consented to the Custodian to comply with the entitlement order of any Person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or will have caused, within 10 days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

Section 7.20 Rule 17g-5 Compliance. (a) To enable the Rating Agencies to comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), the Issuer shall cause to be posted on a password-protected internet website initially located at https://www.structuredfn.com (such website, or such other website address as the Issuer may provide to the Trustee, the Collateral Administrator, the Collateral Manager and the Rating Agencies, the "Issuer's Website"), at the same time such information is provided to the Rating Agencies, all information the Issuer provides to the Rating Agencies for the purposes of determining the Initial Rating of the Secured Notes or undertaking credit rating surveillance of the Secured Notes.

(b) Pursuant to the Collateral Administration Agreement, the Issuer has appointed the Collateral Administrator as its agent (in such capacity, the "Information Agent") to post to the Issuer's Website any information that the Information Agent receives from the Co-Issuers, the Trustee or the Collateral Manager (or their respective representatives or advisors) that is designated as information to be so posted.

(c) The Co-Issuers, the Collateral Manager and the Trustee agree that any notice, report, request for satisfaction of the Global Rating Agency Condition, the Moody's Rating Condition or the S&P Rating Condition, confirmations from any Rating Agency or other information provided by either of the Co-Issuers, the Collateral Manager or the Trustee (or any of their respective representatives or advisors) to any Rating Agency hereunder or under any other Transaction Document for the purposes of undertaking credit rating surveillance of the Secured Notes shall be provided, substantially concurrently, by the Co-Issuers, the Collateral Manager or the Trustee, as the case may be, to the Information Agent for posting on the Issuer's Website. For the avoidance of doubt, the agreement by each of the parties set forth in the immediately preceding sentence is an agreement by such party solely with respect to such party's own performance, and is not an assurance of any other party's performance.

(d) Notwithstanding any term contained in this Indenture or elsewhere to the contrary, the Trustee may (but shall have no obligation to) engage in or respond to any oral communications with respect to the transactions contemplated hereby, any Transaction Documents relating hereto or in any way relating to the Notes or for the purposes of determining the Initial Ratings of the Secured Notes or undertaking credit rating surveillance of the Secured Notes with any Rating Agency or any of its respective officers, directors or employees.

(e) The Trustee shall not be responsible for maintaining the Issuer's Website, posting any information to the Issuer's Website or assuring that the Issuer's Website complies

with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event shall the Trustee be deemed to make any representation in respect of the content of the Issuer's Website or compliance by the Issuer's Website with this Indenture, Rule 17g-5 or any other law or regulation.

(f) The Information Agent and the Trustee shall not be responsible or liable for the dissemination of any identification numbers or passwords for the Issuer's Website, including by the Co-Issuers, the Rating Agencies, any nationally recognized statistical rating organization, any of their respective agents or any other party. Additionally, neither the Information Agent nor the Trustee shall be liable for the use of information posted on the Issuer's Website, whether by the Co-Issuers, the Rating Agencies, any nationally recognized statistical rating organization or any other third party that may gain access to the Issuer's Website or the information posted thereon.

(g) Notwithstanding anything therein to the contrary, the maintenance by the Trustee of the Trustee Website shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(h) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 7.20 shall not constitute a Default or an Event of Default.

(i) For the avoidance of doubt, no reports of Independent accountants provided for hereunder shall be posted to the Issuer's Website except as may be required by any applicable law or by any regulatory or governmental authority.

Section 7.21 Transparency and Reporting Requirements. In accordance with the terms of the Collateral Administration Agreement, the Issuer agrees and further covenants that it will make available to the Holders, any potential investors in the Notes (upon request thereby) and the competent authorities (as determined under the Securitization Regulation) (together, the "Relevant Recipients") the documents, reports and information necessary to fulfill any applicable reporting obligations under the Transparency and Reporting Requirements. The Issuer shall also determine (which determination may be made in consultation with the Collateral Manager) whether any reports, data and other information is necessary or essential in connection with the preparation of any loan level reports, investor reports and any reports in respect of inside information and significant events (such reports, collectively, the "Transparency Reports"). As more fully described in, and subject to, the Collateral Administration Agreement, the Collateral Administrator (on behalf of and at the expense of the Issuer and in consultation with the Collateral Manager) shall compile the Transparency Reports, subject to its receipt of any reports, data and other information that is not otherwise in its possession or reasonably available to it in the ordinary course, and on behalf of the Issuer make the Transparency Reports available via the website of the Collateral Administrator which may be the Trustee Website currently located at http://pivot.usbank.com (or such other website as may be notified in writing by the Collateral Administrator to the Issuer, the Co-Issuer, the Trustee, the Collateral Manager and each Rating Agency and as further notified by the Trustee to the Holders in accordance with Section 14.4) which shall be accessible to any person who certifies to the Issuer and the Collateral Administrator (such certification to be in the form set out in the

Collateral Administration Agreement) that it is a Relevant Recipient. The Issuer shall also be entitled (with the consent of the Collateral Manager at the cost and expense of the Issuer, subject to and in accordance with the Priority of Payments) to appoint a Reporting Agent to prepare, or assist in the preparation of, the Transparency Reports and/or to make such information available to any Relevant Recipients.

The Co-Issuers and the Trustee may, pursuant to clause (xii)(C) of Section 8.1 and as described in Section 9.2, without regard to the other provisions of this Article VIII, enter into a

supplemental indenture to reflect the terms of a Refinancing upon a redemption of the Secured Notes in whole but not in part, including to make any supplements or amendments to this Indenture that would otherwise be subject to the other provisions of this Article VIII, with the written consent of the Collateral Manager and a Majority of the Preferred Shares, if the Preferred Shares are materially and adversely affected thereby. The Co-Issuers shall deliver a copy of any such supplemental indenture to the Holders prior to the execution of any such supplemental indenture. Notwithstanding anything else in this Indenture to the contrary, with respect to any proposed supplemental indenture pursuant to Section 8.2, Section 8.4 shall not apply to any Holder of Class A-1 Notes prior to the satisfaction of the Controlling Class Condition.

Section 8.3 Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) With respect to (x) any supplemental indenture permitted by Section 8.2 and (y) any supplemental indenture under clause (xxv), (xxvii) or (xxix) of Section 8.1, the Issuer and the Trustee shall be entitled to receive, and may conclusively rely upon, an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or an Officer's certificate of the Collateral Manager (as applicable) as to whether or not any Class of Offered Securities would be materially and adversely affected by any such supplemental indenture. In addition, in executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and an Opinion of Counsel or an Officer's certificate of the Collateral Manager stating that all conditions precedent thereto have been satisfied. The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel or such an Officer's certificate of the Collateral Manager. Such determination shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners.

(c) At the cost of the Co-Issuers, for so long as any Offered Securities shall remain Outstanding, not later than 15 Business Days prior to the execution of any proposed supplemental indenture, the Trustee shall deliver to the Collateral Manager, the Retention Holder, the Collateral Administrator, each Hedge Counterparty, the Fiscal Agent, the Rating Agencies (if then rating a Class of Secured Notes) and the Holders a copy of such supplemental indenture, except that in the case of a supplemental indenture to be entered into pursuant to clause (xii) of Section 8.1, the foregoing notice period shall not apply and a copy of the proposed supplemental indenture shall be included in, in the case of an additional issuance, the notice of such additional issuance described in Section 2.13, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each Holder of the Re-Priced Class (with a copy to the Collateral Manager, the Trustee and each Rating Agency) described in Section 9.7(b) and, in

the case of a Refinancing, the notice of Optional Redemption given to each Holder of Notes to be redeemed described in Section 9.4. Following such delivery by the Trustee, if any changes are made to such supplemental indenture (excluding any supplemental indenture pursuant to clause (xii) of Section 8.1) other than changes of a technical nature or to correct typographical errors, to conform to Rating Agency requirements or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Offered Securities shall remain outstanding, not later than five Business Days prior to the execution of such proposed supplemental indenture (*provided* that, the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days or ten Business Days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this paragraph), the Trustee shall deliver to the Collateral Manager, the Retention Holder, the Collateral Administrator, each Hedge Counterparty, the Rating Agencies (if then rating a Class of Secured Notes) and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. With respect to any supplemental indenture pursuant to clause (xii) of Section 8.1, the Trustee may, at the direction of the Collateral Manager, deliver a copy of any proposed supplemental indenture as revised at any time prior to the proposed effective date of such supplemental indenture. At the cost of the Co-Issuers, the Trustee shall provide to the Holders (in the manner described in Section 14.4) and each Rating Agency a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(d) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has consented thereto in accordance with this Article VIII. The Issuer will not permit to become effective any supplemental indenture that modifies the obligations or liabilities of the Collateral Manager or affects the amount or basis of calculation or priority any fees payable to the Collateral Manager unless the Collateral Manager has been given prior written notice of such amendment and unless the Collateral Manager has expressly consented thereto in writing.

(f) The Trustee shall not be obligated to enter into any supplemental indenture which affects the Trustee's (or, for so long as the Bank is also the Collateral Administrator, including in its capacity as Calculation Agent, the Collateral Administrator's) own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law. The Calculation Agent shall not be bound to follow or agree to any amendment or supplement to this Indenture (including, without limitation, in connection with the adoption of an Alternative Reference Rate) that would increase or materially change or affect the duties,

obligations or liabilities of the Calculation Agent (including without limitation the imposition or expansion of discretionary authority), or reduce, eliminate, limit or otherwise change any right, privilege or protection of the Calculation Agent, or would otherwise materially and adversely affect the Calculation Agent, in each case in its reasonable judgment, without the Calculation Agent's express written consent.

(g) Notwithstanding anything to the contrary herein, no supplemental indenture may become effective without the consent of each holder of each Outstanding Offered Security of each Class unless such supplemental indenture would not, in the reasonable judgment of the Issuer in consultation with Approved Tax Counsel (or based upon an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters), as certified by the Issuer to the Trustee (upon which certification the Trustee may conclusively rely), in form and substance satisfactory to the Collateral Manager, result in the Issuer being treated as being engaged in a trade or business within the United States or otherwise becoming subject to U.S. federal income tax with respect to its net income.

(h) In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of Notes be considered to have a material adverse effect on any Holder of such Class (*provided* that, the redemption of such Class is effected on such Redemption Date), and no Holder of such Class shall have an objection right or consent right to such supplemental indenture on the basis of a material and adverse effect.

(i) In addition, no supplemental indenture which would modify the Investment Criteria, the Concentration Limitations or the Collateral Quality Test, in each case, that would affect the Retention Holder's ability to comply with the ~~EU~~ Securitization Laws (other than those made to ensure compliance with the ~~EU~~ Securitization Laws and which the Retention Holder has consented to) will be effective unless the Retention Holder provides its prior written consent.

(j) Any supplemental indenture may be in the form of a document that states that this Indenture is amended and restated in its entirety to read as set forth in an attached exhibit to such document consisting of an unmarked copy of this Indenture as amended and restated.

(k) Notwithstanding any other provision of this Indenture or the other transaction documents to the contrary, Holders of the Equity Incentive Notes will not be entitled to make or give any vote, request, demand, authorization, direction, notice, consent, waiver or similar action (whether collectively or otherwise) (other than any express rights to make elections regarding any Deferred Preferred Return Note Payment Amount or Deferred Performance Note Payment Amount) and will not constitute part of any Majority or Supermajority of Notes, except that Holders of the Preferred Return Notes or the Performance Notes, as applicable, will be entitled to vote in connection with any supplemental indenture or amendment which affects the Holders of the Preferred Return Notes or the Performance Notes, as applicable, exclusively and differently from the Holders of any other Class (including, without limitation, any supplemental indenture or amendment that would reduce the amount payable on such Preferred Return Notes or Performance Notes, as applicable) or as specifically set forth in Section 8.1(xii). The Trustee may rely on an Opinion of Counsel (which may be

supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) in order to determine whether any supplemental indenture or amendment would affect the holders of the Preferred Return Notes or the Performance Notes, as applicable, exclusively and differently from the Holders of any other Class, provided that the Holders of the Preferred Return Notes or the Performance Notes, as applicable, may waive any such requirement for an Opinion of Counsel in connection with any proposed supplemental indenture or amendment by written notice to the Trustee.

(l) With respect to any supplemental indenture adopted pursuant to Section 8.1(xiv) that is entered into contemporaneously with a Refinancing of less than all Classes of Secured Notes that includes the Controlling Class but does not include the Class B Notes, no such supplemental indenture shall become effective unless the written consent of a Majority of the most senior Class of Secured Notes that is not subject to such Refinancing has been obtained.

(m) For so long as any Listed Notes are listed on Euronext Dublin, the Issuer shall notify Euronext Dublin of any modification to this Indenture.

(n) If a Refinancing is obtained meeting the applicable requirements specified in Section 9.2 as certified by the Collateral Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing (including, for the avoidance of doubt, any amendments that are necessary or helpful in order to maintain a rating on any existing Class of Secured Notes or to obtain a rating on or successfully place or sell any Refinancing Obligations) and no further consent for such amendments shall be required from the Holders of Notes other than the Holders of the Preferred Shares directing the redemption (if any).

Section 8.4 Deemed Consent for purposes of Section 8.2. (a) Notwithstanding anything herein to the contrary and solely for the purpose of Section 8.2, "Consent" means, with respect to any proposed supplemental indenture proposed by the Issuer (or the Collateral Manager on its behalf) under Section 8.2, for any Notes or Preferred Shares registered to a Holder or such Holder's DTC custodian, (i) such Holder (via its DTC custodian or for any Certificated Notes or Certificated Preferred Shares, on behalf of itself), affirmatively provides written consent to a proposed supplemental indenture on or before the last day of the Investor Consent Period, (ii) such Holder (via its DTC custodian or for any Certificated Notes or Certificated Preferred Shares, on behalf of itself), fails to affirmatively provide that it does not consent to a proposed supplemental indenture on or before the last day of the Investor Consent Period, or (iii) following the Investor Consent Period, the Collateral Manager declares a Non-Consenting Holder Liquidity Offering Event with respect to certain Notes or Preferred Shares registered to such Non-Consenting Holders (or a portion thereof) and delivers written notice to the Issuer, the Trustee and the Fiscal Agent that the applicable Non-Consenting Holders (or portion thereof) are no longer Holders of such Notes and/or Preferred Shares at the time of execution of the applicable supplemental indenture, in which case, the transferees will be deemed to Consent; *provided* that, with respect to any Secured Notes or Preferred Shares registered to a Holder or such Holder's DTC custodian that has, prior to the last day of any such Investor Consent Period,

delivered by email a properly completed and executed non-consent form to the Issuer, the Trustee, the Non-Consenting Holder Registrar and the Collateral Manager substantially in the form of Exhibit D-1 hereto (a "Non-Consent to Supplemental Indenture Form") that remains listed on the Non-Consenting Holder Register as of the last day of any such Investor Consent Period shall be deemed not to Consent; *provided, further* that, the immediately preceding proviso shall have no effect with respect to any Holder that has, prior to the execution of the applicable supplemental indenture, (x) provided consent pursuant to clause (i) of the definition of Consent and/or (y) revoked such Non-Consent to Supplemental Indenture Form in writing (which may be by email) to the Issuer, the Trustee, the Non-Consenting Holder Registrar and the Collateral Manager. The "Investor Consent Period" will begin on the Supplemental Indenture Record Date with respect to a proposed supplemental indenture and will end (x) with respect to any proposed supplemental indenture relating to a Refinancing, 5 Business Days after the first notice of proposed supplemental indenture relating to the Refinancing is posted to the Trustee Website, and (y) with respect to any other proposed supplemental indenture proposed hereunder, 7 Business Days after the first notice of supplemental indenture is posted to the Trustee Website.

(b) Following the applicable Investor Consent Period, at the request of the Collateral Manager, the Trustee (in consultation with the Collateral Manager) shall calculate as soon as practicable and in any event within one Business Day after its receipt of the Non-Consenting Holder Register from the Non-Consenting Holder Registrar (and report to the Issuer and the Collateral Manager) the percentage of Holders having affirmatively consented to such proposed supplemental indenture pursuant to Section 8.4(a)(i) or deemed to have consented to such proposed supplemental indenture pursuant to Section 8.4(a)(ii), including, based upon the Non-Consent to Supplemental Indenture Forms and Non-Consenting Holder Register received by the Trustee from the Non-Consenting Holder Register and identifying the percentage of Non-Consenting Holders by Class. Upon receipt of the information described in the preceding sentence, the Issuer (or the Collateral Manager on its behalf) may declare a Non-Consenting Holder Liquidity Offering Event with respect to any Non-Consenting Holders as selected by the Issuer or the Collateral Manager.

(c) Notwithstanding the foregoing, any Holder may at any time deliver (via its DTC custodian or for any Certificated Notes or Certificated Preferred Shares, on behalf of itself) an executed Non-Consent to Supplemental Indenture Form to the Non-Consenting Holder Registrar, the Trustee, the Collateral Manager and the Issuer which will serve as a standing instruction to the Non-Consenting Holder Registrar, the Trustee, the Collateral Manager and the Issuer that it does not consent to any proposed supplemental indenture under Section 8.2, until such time as it (through its DTC custodian or for any Certificated Notes or Certificated Preferred Shares, on behalf of itself) notifies the Non-Consenting Holder Registrar, the Trustee, the Collateral Manager and the Issuer in writing (which may include by email) that it revokes such Non-Consent to Supplemental Indenture Form, in which case such Holder shall be deemed to Consent in accordance with the provisions of Section 8.4(a). Such revocation shall specifically refer to such Holder's Non-Consent to Supplemental Indenture Form previously delivered to the Non-Consenting Holder Registrar, the Trustee, the Collateral Manager and the Issuer.

(d) The Trustee shall have no responsibility or liability to any Person (including to the Issuer, the Collateral Manager, the Non-Consenting Holder Registrar, a Holder or beneficial owner of such Secured Notes or Preferred Shares or a transferee thereof) whatsoever relating to or arising out of a Consent, including the Non-Consenting Holder Registrar Certificate or a determination of whether or not the requisite percentage of Holders have consented or are deemed to have consented to a proposed supplemental indenture. The Trustee may conclusively rely on the accuracy of such information provided to it by the Non-Consenting Holder Registrar and contained in such Non-Consent to Supplemental Indenture Form, including the name of the DTC custodian, the CUSIP number and the amount held by such beneficial holder. The Trustee shall have no duty or responsibility to any transferee of any Non-Consenting Holder who fails to affirmatively provide that it does not consent to a proposed supplemental indenture or deliver an executed Non-Consent to Supplemental Indenture Form and is deemed to have consented to any proposed supplemental indenture under Section 8.4(a)(ii).

(e) The Issuer shall cause to be kept a register (the "Non-Consenting Holder Register") at the office of the Non-Consenting Holder Registrar in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Non-Consent to Supplemental Indenture Forms delivered by Holders in accordance with Section 8.4(a). The Non-Consenting Holder Register shall contain, to the extent such information is included in a Non-Consent to Supplemental Indenture Form, (i)(x) the name of the record Holder for any Certificated Notes or Certificated Preferred Shares or (y) the beneficial Holder for Global Notes and Global Preferred Shares and its DTC custodian, (ii) the addresses of the Holders of the Offered Securities, (iii) the CUSIP numbers of the Offered Securities and (iv) the original Aggregate Outstanding Amount of such Offered Securities and the current Aggregate Outstanding Amount of such Notes or the Number of Preferred Shares and the Aggregate Outstanding Notional Amount of Preferred Shares. Walkers Fiduciary Limited is hereby initially appointed registrar (the "Non-Consenting Holder Registrar") for the purpose of recording and maintaining Non-Consent to Supplemental Indenture Forms delivered by Holders. Upon any resignation or removal of the Non-Consenting Holder Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Non-Consenting Holder Registrar. Upon receipt by the Non-Consenting Holder Registrar of any new or modified Non-Consent to Supplemental Indenture Form, the Non-Consenting Holder Registrar shall update the Non-Consenting Holder Register and shall promptly provide a copy of the updated Non-Consenting Holder Register to the Issuer, the Co-Issuer, the Trustee and the Collateral Manager. The Non-Consenting Holder Registrar shall provide the Non-Consenting Holder Register to the Trustee as soon as practicable and in any event within one Business Day of the last day of the Investor Consent Period with respect to an applicable supplemental indenture.

(f) If a Person other than the initial Non-Consenting Holder Registrar is appointed by the Issuer as Non-Consenting Holder Registrar, the Issuer will give the Trustee prompt written notice of the appointment of such Non-Consenting Holder Registrar and of the location, and any change in the location, of the Non-Consenting Holder Register, and the Trustee shall have the right to inspect the Non-Consenting Holder Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to request and conclusively rely upon a certificate executed on behalf of the Non-Consenting Holder Registrar

by an Officer thereof as to (i) (x) the name of the record Holder for any Certificated Notes or Certificated Preferred Shares or (y) the beneficial Holder for Global Notes and Global Preferred Shares and its DTC custodian, (ii) the addresses of the Holders of the Offered Securities, (iii) the CUSIP numbers of the Offered Securities and (iv) the original Aggregate Outstanding Amount of such Notes and the current Aggregate Outstanding Amount of such Notes or the Number of Preferred Shares and the Aggregate Outstanding Notional Amount of Preferred Shares ("Non-Consenting Holder Registrar Certificate"); *provided* that, the information listed in clauses (i) through (iv) shall only be required in a Non-Consenting Holder Registrar Certificate to the extent such information was included in the applicable Non-Consent to Supplemental Indenture Form.

(g) At least once annually, and commencing in the year following the Second Refinancing Date, or at any time upon the request of the Issuer (or the Collateral Manager on its behalf), the Non-Consenting Holder Registrar shall request that each Non-Consenting Holder listed in the Non-Consenting Holder Register provide confirmation in the form of Exhibit D-2 (a "Non-Consenting Holder Confirmation") within 30 days of the information included in the last Non-Consent to Supplemental Indenture Form provided by such Holder. If any Non-Consenting Holder returns a Non-Consenting Holder Confirmation indicating that it no longer owns all or a portion of the Notes identified in the applicable Non-Consent to Supplemental Indenture Form, the Non-Consenting Holder Registrar shall update the Non-Consenting Holder Register by removing the applicable Non-Consent to Supplemental Indenture Form and, if applicable, including the revised Non-Consent to Supplemental Indenture Form delivered in connection with such Non-Consenting Holder Confirmation. If a Non-Consenting Holder does not return a Non-Consenting Holder Confirmation, or returns a Non-Consenting Holder Confirmation indicating that it owns all of the Notes identified in the applicable Non-Consent to Supplemental Indenture Form and such Non-Consent to Supplemental Indenture Form remains in effect, such Holder's Non-Consent to Supplemental Indenture Form shall remain listed in the Non-Consenting Holder Register. In addition, the Non-Consenting Holder Registrar shall update the Non-Consenting Holder Register promptly upon notice from any Non-Consenting Holder that it (x) has sold all or a portion of the Notes identified in the applicable Non-Consent to Supplemental Indenture Form listed in the Non-Consenting Holder Register or (y) otherwise revokes (in part or in whole) its Non-Consent to Supplemental Indenture Form and directs the Non-Consenting Holder Registrar to update or remove such entry from the Non-Consenting Holder Registrar.

(h) The Non-Consenting Holder Registrar shall have no responsibility or liability to any Person (including to the Trustee, the Issuer, the Collateral Manager, or a Holder or beneficial owner of any Notes or Preferred Shares) whatsoever relating to or arising out of (x) delivery of a Non-Consenting Holder Registrar Certificate or its role as Non-Consenting Holder Registrar, in each case, absent gross-negligence, fraud or willful misconduct in maintaining the Non-Consenting Holder Register or providing the Non-Consenting Holder Registrar Certificate, and (y) a Consent, including a determination of whether or not the requisite percentage of Holders have consented or are deemed to have consented to a proposed supplemental indenture. The Non-Consenting Holder Registrar may conclusively rely on the accuracy of such information provided to it by the Holder and contained in such Non-Consent to Supplemental Indenture Form, including the name of the DTC custodian, the CUSIP number and the amount held by such beneficial holder as they appear on the applicable Non-Consent to

Supplemental Indenture Form and shall be under no duty nor obligation to verify and confirm the accuracy of such information. The Non-Consenting Holder Registrar shall have no duty or responsibility to any transferee of any Non-Consenting Holder who fails to affirmatively provide that it does not consent to a proposed supplemental indenture or deliver an executed Non-Consent to Supplemental Indenture Form to the Non-Consenting Holder Registrar and is later deemed to have consented to any proposed supplemental indenture under Section 8.4(a)(ii).

Section 8.5 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder or beneficial owner of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.6 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.7 Re-Pricing Amendment. For the avoidance of doubt, the Co-Issuers and the Trustee may enter into a supplemental indenture with the consent of a Majority of the Preferred Shares or the Collateral Manager, as applicable, pursuant to Section 9.7(d) solely to modify the spread over the Benchmark (or, in the case of the Fixed Rate Notes, the Interest Rate) applicable to a Re-Priced Class; *provided* that the Trustee shall remain entitled to an opinion of counsel under Section 8.3(b).

Section 8.8 Effect of Benchmark Transition Event. (a) If the Collateral Manager determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, then upon written notice from the Collateral Manager to the Issuer, the Calculation Agent, the Collateral Administrator and the Trustee (who will forward such notice to the Holders and S&P), the Alternative Reference Rate will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates. A supplemental indenture shall not be required in order to adopt an Alternative Reference Rate.

(b) In connection with the implementation of an Alternative Reference Rate, the Collateral Manager will have the right to make Benchmark Replacement Conforming Changes from time to time without the need for a supplemental indenture by sending notice of such Benchmark Replacement Conforming Changes pursuant to the following sentence. Notice of any such Benchmark Replacement Conforming Changes shall be delivered to the Issuer, the

Trustee (who shall forward such notice to the Holders and post such notice to the Trustee Website at the direction of the Collateral Manager), the Collateral Administrator, the Calculation Agent and the Rating Agencies.

(c) Any determination, decision or election that may be made by the Collateral Manager pursuant to this Section 8.8, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Collateral Manager's sole discretion, and, notwithstanding anything to the contrary in the documentation relating to the Notes, shall become effective without consent from any other party, and the Calculation Agent, the Collateral Administrator and the Trustee may conclusively rely on any such determination, decisions or election that may be made by the Collateral Manager.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Notes pursuant to the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Notes shall be redeemable by the Applicable Issuers (x) (i) in whole (with respect to all Classes of Secured Notes) but not in part on any Business Day after the end of the Non-Call Period from (A) Sale Proceeds if directed in writing by the Collateral Manager or a Majority of the Preferred Shares and/or (B) Refinancing Proceeds if directed in writing by the Collateral Manager (for so long as RRAM, Apollo Credit or any of their respective Affiliates is the Collateral Manager) or a Majority of the Preferred Shares (with the consent of the Collateral Manager, for so long as RRAM, Apollo Credit or any of their respective Affiliates is the Collateral Manager) or (ii) in part by Class from Refinancing Proceeds on any Business Day after the end of the Non-Call Period if directed in writing by the Collateral Manager (for so long as RRAM, Apollo Credit or any of their respective Affiliates is the Collateral Manager) or a Majority of the Preferred Shares (with the consent of the Collateral Manager, for so long as RRAM, Apollo Credit or any of their respective Affiliates is the Collateral Manager), as long as the Secured Notes to be redeemed represent not less than the entire Class of such Secured Notes or (y) in whole (with respect to all Classes of Secured Notes) but not in part from Sale Proceeds on any Business Day following the end of the Non-Call Period if the Collateral Principal Amount is less than 15% of the Target Initial Par Amount and if directed in writing by the Collateral Manager (each such redemption referred to in clause (y), a "Clean-Up Call Redemption" and, together with each redemption referred to in clause (x), an "Optional Redemption"). In connection with any such redemption, the Secured Notes to be redeemed shall be redeemed at the applicable Redemption Prices (subject, in the case of an Optional Redemption of the Secured Notes, to the right of Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes to elect to receive less than 100% of the Redemption Price that would

otherwise be payable to the Holders of such Class of Secured Notes pursuant to Section 9.2(h)) and the Person or Persons entitled to give the above described written direction must provide the above described written direction to the Issuer and the Trustee not later than 14 Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the date on which such redemption is to be made; *provided* that, all Secured Notes to be redeemed must be redeemed simultaneously. Any such redemption must comply with the procedures described in Section 9.4. Notwithstanding anything to the contrary herein, an Optional Redemption or a Clean-Up Call Redemption may occur on any Business Day following the end of the Reinvestment Period. The Equity Incentive Notes will not be subject to redemption, but may be cancelled, exchanged, amended or otherwise modified in connection with any Optional Redemption, Refinancing or Additional Issuance of Notes.

(b) Prior to a Majority of the Preferred Shares (the "Directing Holders") providing the written direction described above, the Directing Holders shall notify the Collateral Manager in writing of its intent to direct an Optional Redemption. No later than two Business Days following receipt of such notice from the Directing Holders, the Collateral Manager shall notify the Directing Holders (i) that it (or its designee) elects to purchase the Preferred Shares of the Directing Holders at the NAV Amount, in lieu of effecting the Optional Redemption on behalf of the Issuer, and the proposed date of such transfer or (ii) that it does not so elect, in which case the Directing Holders shall provide such written direction.

(c) The Secured Notes may be redeemed in whole from Refinancing Proceeds and/or Sale Proceeds as provided in Section 9.2(a)(x)(i) or Section 9.2(a)(y) or in part by Class from Refinancing Proceeds as provided in Section 9.2(a)(x)(ii) by a Refinancing; *provided* that, the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to (x) the Collateral Manager (including any requirements of the Risk Retention Rules triggered by such Refinancing) and (y) if the Preferred Shares are materially and adversely affected thereby, a Majority of the Preferred Shares, and such Refinancing otherwise satisfies the conditions described below. Prior to effectuating any Refinancing, the Issuer shall, in relation to such Refinancing, provide notice to S&P and Moody's.

(d) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(a), such Refinancing will be effective only if (i) the Refinancing Proceeds and all other available funds (including, without limitation, any amounts on deposit in, or to be deposited into, the Supplemental Reserve Account that are designated to pay fees, costs, charges and expenses incurred in connection with such Refinancing and the proceeds of any Contribution) will be at least sufficient to redeem simultaneously the Secured Notes then required to be redeemed, in whole but not in part at the Redemption Price thereof (subject to any election by Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes to receive less than 100% of the Redemption Price pursuant to Section 9.2(h)), (ii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from (x) the Refinancing Proceeds, (y) any amounts on deposit in, or to be deposited into, the Supplemental Reserve Account that are designated to pay fees, costs, charges and expenses incurred in connection with such Refinancing and (z) all other available

amounts, including the proceeds of Contributions (it being understood that expenses owed to Persons that the Collateral Manager informs the Trustee will be paid solely as Administrative Expenses may be paid as Administrative Expenses on or after the applicable Redemption Date in compliance with the Priority of Payments and Article X), (iii) the Refinancing Proceeds, the Sale Proceeds, if any, and other available funds are used (to the extent necessary) to make such redemption and (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i).

(e) In the case of a Refinancing upon a redemption of the Secured Notes in part by Class pursuant to Section 9.2(a), such Refinancing will be effective only if the Collateral Manager has certified to the Trustee and the Issuer in writing that: (i) notice has been provided to S&P and Moody's, (ii) the Refinancing Proceeds and all other available amounts (including, without limitation, the proceeds of any Contribution, Interest Proceeds available pursuant to the Priority of Payments and Partial Redemption Interest Proceeds, as applicable) will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i), (v) the principal amount of the Refinancing Obligations for each redeemed Class is equal to the Aggregate Outstanding Amount of the Notes of such Class being redeemed with the proceeds of such obligations, (vi) the stated maturity of each class of the Refinancing Obligations is no earlier than the corresponding Stated Maturity of each Class of Secured Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for on or prior to the second Payment Date immediately following such Refinancing (*provided* that, such payment will not be subject to the Administrative Expense Cap) from (x) the Refinancing Proceeds, (y) any amounts on deposit in, or to be deposited into, the Supplemental Reserve Account that are designated to pay fees, costs, charges and expenses incurred in connection with such Refinancing and (z) all other available amounts, including the proceeds of Contributions, Interest Proceeds available pursuant to the Priority of Payments and Partial Redemption Interest Proceeds, as applicable (it being understood that expenses owed to Persons that the Collateral Manager informs the Trustee will be paid solely as Administrative Expenses may be paid as Administrative Expenses on or after the applicable Redemption Date in compliance with the Priority of Payments and Article X of this Indenture), (viii) (x) the spread over the Benchmark (or, in the case of a Refinancing of the Fixed Rate Notes, the Interest Rate) with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any Class of Secured Notes does not exceed the spread over the Benchmark (or, in the case of a Refinancing of the Fixed Rate Notes, the Interest Rate) of such Class of Secured Notes being redeemed; *provided* that if the Benchmark with respect to the Refinancing Obligations is different than the Benchmark of the Class of Secured Notes being redeemed, the spread over the Benchmark for the Refinancing Obligations may be greater than the spread over the Benchmark for such Class of Secured Notes being redeemed so long as the Interest Rate of the Refinancing Obligations is less than the Interest Rate of such Class of Secured Notes being redeemed or (y) the Global Rating Agency Condition is satisfied and the weighted average spread over the Benchmark (or, in the case of a Refinancing of the Fixed Rate Notes, the Interest Rate) with respect to the Refinancing Obligations does not exceed the weighted

average spread over the Benchmark (or, in the case of a Refinancing of the Fixed Rate Notes, the Interest Rate) of the Class (or Classes, as applicable) of Secured Notes being refinanced, (ix) the Refinancing Obligations are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced, (x) such redemption is conducted using only Refinancing Proceeds and amounts otherwise provided for such purpose under this Indenture (including, but not limited to, amounts on deposit in the Supplemental Reserve Account) and not with Sale Proceeds and (xi) written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters is delivered to the Issuer (with a copy to the Trustee), in form and substance satisfactory to the Collateral Manager, to the effect that such Refinancing will not result in the Issuer becoming subject to U.S. federal income tax with respect to its net income.

(f) The Holders of the Preferred Shares will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Offered Securities other than a Majority of the Preferred Shares, if the Preferred Shares are materially and adversely affected thereby. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture without the consent of the Holders of the Offered Securities (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds).

(g) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 14 Business Days prior to the Redemption Date (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable), notify the Trustee and the Fiscal Agent in writing of such Redemption Date, the applicable Record Date, the principal amount of Secured Notes to be redeemed on such Redemption Date and the applicable Redemption Prices; *provided* that, failure to effectuate any Optional Redemption which is withdrawn by the Co-Issuers in accordance with this Indenture or with respect to which a Refinancing fails to occur shall not constitute an Event of Default.

(h) In connection with any Optional Redemption of the Secured Notes, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(i) The Issuer may redeem the Preferred Shares at their Redemption Price, in whole but not in part, on any Business Day upon five Business Days' notice to the Trustee and

the Fiscal Agent on or after the Optional Redemption or repayment of the Secured Notes in full, at the direction of the Collateral Manager or at the direction of a Majority of the Preferred Shares (with the consent of the Collateral Manager).

Section 9.3 Tax Redemption. (a) The Notes (other than the Equity Incentive Notes) shall be redeemed in whole but not in part on any Business Day (any such redemption, a "Tax Redemption") at their applicable Redemption Prices (subject to any election by Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes to receive less than 100% of the Redemption Price pursuant to Section 9.3(b)) at the written direction (delivered to the Trustee) of (x) a Majority of any Affected Class or (y) a Majority of the Preferred Shares (with the consent of the Collateral Manager, for so long as RRAM, Apollo Credit or any of their respective Affiliates is the Collateral Manager), in either case following the occurrence and during the continuation of a Tax Event.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders and the Issuer (which shall notify each Rating Agency (if then rating a Class of Secured Notes)) thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer (which shall notify each Rating Agency (if then rating a Class of Secured Notes)), the Collateral Administrator, and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2 or 9.3 the written direction required thereby shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 15 Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made (which date shall be designated in such notice). In the event of any redemption pursuant to Section 9.2 or 9.3, a notice of redemption shall be given by first class mail, postage prepaid, mailed not later than ten Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the applicable Redemption Date, to each Holder of Notes at such Holder's address in the Register, the Fiscal Agent and each Rating Agency (if then rating a Class of Secured Notes). Preferred Shares called for redemption must be surrendered at the office of the Fiscal Agent. In addition, for so long as any Listed Notes are listed on Euronext Dublin and so long as the guidelines of such exchange so require, notice of redemption pursuant to Section 9.2 or 9.3 shall also be given to the Holders thereof by publication on Euronext Dublin.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Notes to be redeemed and, if applicable, the estimated Redemption Price of the Preferred Shares;

(iii) all of the Secured Notes that are to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Business Day specified in the notice;

(iv) the place or places where the Secured Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 and, with respect to the Preferred Shares, shall be the office of the Fiscal Agent; and

(v) if all Secured Notes are being redeemed, whether the Preferred Shares are to be redeemed in full on such Redemption Date and, if so, the place or places where the Preferred Shares are to be surrendered for payment of the Redemption Prices, which shall, with respect to the Notes, be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

(c) The Co-Issuers or the Person or Persons so directing an Optional Redemption or a Tax Redemption may withdraw any such notice of redemption delivered pursuant to Section 9.2 or Section 9.3 on any day up to and including the Business Day immediately preceding the scheduled Redemption Date. The failure to effectuate any Optional Redemption or Tax Redemption which is so withdrawn in accordance with this Indenture or, in the case of an Optional Redemption with respect to which a Refinancing fails, to occur shall not constitute an Event of Default.

(d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

(e) Upon receipt of a notice of redemption of the Secured Notes pursuant to Section 9.2 (unless any such Optional Redemption is being effected solely through a Refinancing) or Section 9.3, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Notes to be redeemed (subject to any election by Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes pursuant to Sections 9.2(h) or 9.3(b), as applicable) and to pay all Administrative Expenses (without regard to the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Collateral Management Fees due and payable under the Priority of

Payments, as more particularly set forth in Section 9.4(f) below. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Notes then required to be redeemed and to pay such fees and expenses, the Secured Notes may not be redeemed. The Collateral Manager, in its sole discretion, may effectuate the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Unless Refinancing Proceeds are being used to redeem the Secured Notes in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least three Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee (which may, at the Trustee's option, be in the form of an Officer's certificate of the Collateral Manager in form reasonably acceptable to the Trustee), that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (directly or by participation or other arrangement), not later than the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or any Hedge Agreements at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, all funds available in the Collection Account and any payments to be received in respect of any Hedge Agreements to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Collateral Management Fees payable in accordance with the Priority of Payments and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Prices (or such other amount that the holders of a Class of Secured Notes have elected to receive, in the case of a redemption pursuant to Sections 9.2 or 9.3 where the holders of 100% of the Aggregate Outstanding Amount of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class), (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from any Hedge Agreements and expected proceeds from the sale of Eligible Investments, (B) for each Collateral Obligation, the product of its Principal Balance and its Market Value (expressed as a percentage of the par amount of such Collateral Obligation), and (C) all funds available in the Collection Account shall exceed the sum of (x) the aggregate Redemption Prices (or such other amount that the holders of a Class of Secured Notes have elected to receive, in the case of a redemption pursuant to Sections 9.2 or 9.3 where the holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class) of the Outstanding Secured Notes and (y) all accrued and unpaid Administrative Expenses (without regard to the Administrative Expense Cap) any amounts due to Hedge Counterparties and accrued and unpaid Collateral Management Fees payable under the Priority of Payments, (iii) at least one Business Day before the scheduled Redemption Date, the Collateral Manager has furnished to the Trustee evidence in form reasonably satisfactory to the Trustee that the Collateral Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction, the net proceeds of which will

at least equal, in each case, an amount sufficient, together with the proceeds from the Eligible Investments (maturing on or prior to the scheduled Redemption Date) and without duplication any Cash to be applied to such redemption and (without duplication) the aggregate amount of the expected proceeds from the sale of the Assets and Eligible Investments not later than the Business Day immediately preceding the scheduled Redemption Date, (A) to pay all Administrative Expenses payable under the Priority of Payments (regardless of the Administrative Expense Cap), (B) to pay any accrued and unpaid amounts due to any Hedge Counterparty, (C) to pay any accrued and unpaid Collateral Management Fee and (D) to redeem such Secured Notes in whole but not in part on the scheduled Redemption Date at the applicable Redemption Prices or (iv) at least one Business Day before the scheduled Redemption Date, the Collateral Manager has furnished to the Trustee evidence in form reasonably satisfactory to the Trustee that the Issuer possesses adequate Interest Proceeds and Principal Proceeds to pay the amounts specified in clause (iii) above. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(f) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.4(f). Any Holder or beneficial owner of Notes, the Collateral Manager or any of the Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(g) At least three Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) before any scheduled Redemption Date, the Issuer (or the Collateral Manager on its behalf) may, by written notice to the Trustee (who shall forward such notice to the Holders of Notes and each Rating Agency) and the Fiscal Agent (who shall forward such notice to holders of the Preferred Shares), elect to postpone such scheduled Redemption Date by up to 15 Business Days.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(f) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) or the failure of any Refinancing to occur, become due and payable at the Redemption Prices with respect thereto, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices) all Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest and principal on Secured Notes so to be redeemed which are payable on any Business Day on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Secured Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; *provided* that, the reason for such non-payment is not the fault of such Noteholder.

Section 9.6 Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period if the Collateral Manager in its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 30 consecutive Business Days to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Reinvestment Special Redemption" or a "Special Redemption" and the date of any such notice, the "Reinvestment Special Redemption Notice Date"). On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing in the case of a Reinvestment Special Redemption, Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, a "Special Redemption Amount") will be applied in accordance with the Priority of Payments.

Notice of payments pursuant to this Section 9.6 shall be given by the Trustee not less than three Business Days prior to the applicable Special Redemption Date by facsimile, email transmission, first class mail, postage prepaid or by posting to the Trustee Website, to each Holder of Secured Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Register or otherwise by posting such information to the Trustee Website and, subject to Section 14.3(c), to each Rating Agency (if then rating a Class of Secured Notes). In addition, for so long as any Listed Notes are listed on Euronext Dublin and so long as the guidelines of such exchange so require, notice of Special Redemption to the Holders of such Notes shall also be given by the Issuer or, upon Issuer Order, by the Trustee to the Irish Listing Agent in the name and at the expense of the Co-Issuers, to Noteholders by publication on Euronext Dublin.

Section 9.7 Re-Pricing. (a) On any Business Day on or after the end of the Non-Call Period, at the written direction of the Collateral Manager or a Majority of the Preferred Shares (with the consent of the Collateral Manager), the Issuer shall reduce the spread over the Benchmark (or, in the case of a Re-Pricing of the Fixed Rate Notes, the Interest Rate) applicable with respect to any Class of Re-Pricing Eligible Notes (such reduction with respect to any such Class of Secured Notes, a "Re-Pricing" and any Class of Secured Notes to be subject to a Re-Pricing, a "Re-Priced Class"); *provided* that, the Issuer shall not effectuate any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto; *provided, further*, that after it receives notice that any Re-Pricing is effected, the Trustee on behalf of the Issuer shall notify each Rating Agency in writing of such Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a

broker-dealer (the "Re-Pricing Intermediary") upon the recommendation of the Collateral Manager and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing. For the avoidance of doubt, only Re-Pricing Eligible Notes will be subject to Re-Pricing.

Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with Section 9.7(b), the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer in accordance with the Operational Arrangements (defined below) (a "Mandatory Tender") or redeemed in a Re-Pricing Redemption, in each case at the respective Redemption Price, in accordance with the provisions of this Section 9.7. Each Holder, by its acceptance of an interest of Notes in a Class of Re-Pricing Eligible Notes, agrees that (i) it will tender and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such tender and transfer and (ii) its Securities may be redeemed in a Re-Pricing Redemption.

(b) At least 15 Business Days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the Business Day fixed by the Collateral Manager or at least a Majority of the Preferred Shares (with the consent of the Collateral Manager) for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer shall deliver a notice (with a copy to the Collateral Manager, the Trustee and each Rating Agency) through the facilities of DTC (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall:

(i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark (or, in the case of a Re-Pricing of the Fixed Rate Notes, the Interest Rate) or range of spreads over the Benchmark (or, in the case of a Re-Pricing of the Fixed Rate Notes, the Interest Rate) to be applied with respect to such Class (the "Re-Pricing Rate");

(ii) request each Holder of the Re-Priced Class communicate through the facilities of DTC whether such Holder (x) approves the proposed Re-Pricing and (y) elects to retain the Securities of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements");

(iii) specify the applicable Redemption Price that will be received by any Holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain;

(iv) state that Non-Electing Holders of the Re-Priced Class will either be (x) subject to a Mandatory Tender or (y) redeemed in a Re-Pricing Redemption with Re-Pricing Proceeds; and

(v) state the period for which the Holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period

shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement.

Prior to the Issuer distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the Holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other email addresses as necessary), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain will be a "Non-Electing Holder" and any Holder of the Re-Priced Class that does approve the Re-Pricing and exercises an Election to Retain will be an "Electing Holder." Upon the expiration of the period for which Holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt by the Trustee of information from DTC) shall provide to the Issuer, the Collateral Manager and the Re-Pricing Intermediary, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Securities held by Electing Holders and Non-Electing Holders.

At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. Subject to Section 6.1, the Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Collateral Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

The Trustee shall also arrange for notice of any Re-Pricing and notice of any withdrawal of a notice of Re-Pricing to be delivered to the Irish Listing Agent to deliver to Euronext Dublin so long as any Listed Notes are listed thereon and so long as the guidelines of such exchange so require.

(c) If the Issuer, the Collateral Manager and the Re-Pricing Intermediary, if any, have been informed of the existence of Non-Electing Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Holders, the Issuer, or the Re-Pricing Intermediary (if any) on behalf of the Issuer, shall deliver, not later than the eighth Business Day prior to the proposed Re-Pricing Date, written notice thereof to the Electing Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Electing Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such Non-Electing Holders, and shall request each such Electing Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) (which notice may be either through the facilities of DTC or directly to the Trustee, the Collateral Manager, on behalf of the Issuer, and the Re-Pricing Intermediary, if any) not later than six Business Days prior to the proposed Re-Pricing Date if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the Non-Electing Holders (each such notice, an "Exercise Notice"). In the event that the Issuer receives Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Electing Holders, the Issuer, or the Re-Pricing Intermediary (if any) on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes held by Non-Electing Holders to the Holders delivering Exercise Notices, sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Electing Holders' Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Electing Holders thereof. Sales of Notes of the Re-Priced Class held by Non-Electing Holders and sales of Re-Pricing Replacement Notes, in each case, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be pro rata based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Electing Holders, the Issuer, or the Re-Pricing Intermediary (if any) on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes, without further notice to the Non-Electing Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, or the Issuer may redeem such Notes with Re-Pricing Proceeds. Any excess Notes of the Re-Priced Class held by Non-Electing Holders may be sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary (if any) on behalf of the Issuer or redeemed with Re-Pricing Proceeds. All Mandatory Tenders of Notes to be effectuated pursuant to this paragraph (i) will be made at the applicable Redemption Price, (ii) will be effected only if the related Re-Pricing is effected in accordance with the provisions of this Indenture and in accordance with the Operational Arrangements. Unless the Issuer (or the Collateral Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Electing Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Electing Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary (if any) on behalf of the Issuer in connection with such Mandatory Tender. The Issuer, or the Re-Pricing Intermediary (if any) on behalf of the Issuer, shall deliver written notice to the Trustee and the

Collateral Manager not later than one Business Day prior to the proposed Re-Pricing Date confirming that the Issuer (or the Re-Pricing Intermediary (if any)) expects to have sufficient funds for the Mandatory Tender and transfer or the redemption of all Notes of the Re-Priced Class held by Non-Electing Holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless the Issuer (or the Collateral Manager on its behalf) certifies that: (i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date to modify the spread over the Benchmark applicable to the Re-Priced Class and/or, in the case of an issuance of Re-Pricing Replacement Notes, to issue such Re-Pricing Replacement Notes; (ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Electing Holders have been subject to Mandatory Tender and transfer or redeemed pursuant to clause (c) above; (iii) each Rating Agency shall have been notified of such Re-Pricing; (iv) written advice (including email) of an Approved Tax Counsel or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters is delivered to the Issuer (with a copy to the Trustee), in form and substance satisfactory to the Collateral Manager, to the effect that such Re-Pricing will not result in the Issuer becoming subject to U.S. federal income tax with respect to its net income and (v) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary (if any) and fees of counsel) incurred in connection with the Re-Pricing do not exceed the sum of (x) the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to clauses (A) through (R) of Section 11.1(a)(i) on the immediately succeeding Payment Date and (y) any amounts on deposit in, or to be deposited into, the Supplemental Reserve Account that are designated to pay expenses incurred in connection with such Re-Pricing (except for expenses owed to Persons that the Collateral Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments), unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuer. If the Trustee receives written notice from the Issuer that a proposed Re-Pricing is not effected by the proposed Re-Pricing Date, the Trustee shall post notice to the Trustee Website and notify the Holders of the Notes and each Rating Agency that such proposed Re-Pricing was not effected.

(e) Any notice of a Re-Pricing may be withdrawn by the Collateral Manager or a Majority of the Preferred Shares on or prior to the fourth Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and the Collateral Manager for any reason. Any notice of Re-Pricing will be automatically withdrawn by the Issuer if the Issuer or the Re-Pricing Intermediary (if any) provides written notice to the Trustee and the Collateral Manager that there are insufficient funds to complete a related Mandatory Tender and transfer or Re-Pricing Redemption. Upon receipt of such notice or a notice of withdrawal, the Trustee shall send such notice to the Holders of the Re-Priced Class and each Rating Agency and the Secured Notes of such Re-Priced Class shall continue to bear interest at the then existing Interest Rate.

(f) Notwithstanding anything to the contrary in this Section 9.7, any Redemption Price payable in connection with a Re-Pricing may be paid with proceeds from the sale of Re-Pricing Replacement Notes and amounts deposited in the Supplemental Reserve Account.

(g) The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.7.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be established and maintained with (a) a federal or state-chartered depository institution that has (x) a short-term issuer credit rating of at least "A-1" by S&P (or a long-term issuer credit rating of at least "A+" by S&P if such institution has no short-term rating) and (y) a deposit rating or senior unsecured rating of at least "P-1" and "A1" by Moody's (so long as any Notes rated by Moody's are Outstanding), and if (x) such institution's short-term issuer credit rating falls below "A-1" by S&P (or a long-term issuer credit rating of "A+" by S&P if such institution has no short-term rating) or (y) such institution's deposit rating or senior unsecured rating falls below "P-1" or "A1" by Moody's (so long as any Notes rated by Moody's are Outstanding), the Issuer (or the Trustee at the direction of the Issuer) shall use commercially reasonable efforts to move the assets held in such Account within 30 days to another institution that satisfies such ratings or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered deposit institution that (x) has a short-term issuer credit rating of at least "A-1" by S&P (or a long-term issuer credit rating of at least "A+" by S&P if such institution has no short-term rating) and (y) has a counterparty risk assessment of at least "P-1(cr)" and "A1(cr)" by Moody's (so long as any Notes rated by Moody's are Outstanding) and subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b) and, if such institution's short-term issuer credit rating or counterparty risk assessment, as applicable, falls below "A-1" by S&P (or a long-term issuer credit rating of "A+" by S&P if such institution has no short-term rating) or below "P-1(cr)" or "A1(cr)" by Moody's (so long as any Notes rated by Moody's are Outstanding), the Issuer (or the Trustee at the direction of the Issuer) shall use commercially reasonable efforts to move the assets held in such Account within 30 days to another institution that satisfies such ratings. Such institution shall have a combined capital and surplus of at least U.S.$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity. The Accounts established by the Trustee pursuant to this Article X may include any number of sub-accounts requested by the Trustee or the Collateral Manager for convenience in administering the Assets and

any Account required hereunder may be established as a sub-account of any other Account. Each Account (including any subaccount) established pursuant to this Indenture shall be a securities account established with U.S. Bank National Association, in the name of "RR 12 LTD, subject to the lien of U.S. Bank National Association, as Trustee" as of the Second Refinancing Date and shall be maintained by U.S. Bank National Association in accordance with the Securities Account Control Agreement.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish two segregated accounts, one of which will be designated the "Interest Collection Subaccount" and one of which will be designated the "Principal Collection Subaccount" (and which together will comprise the "Collection Account"). The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.4(a), immediately upon receipt thereof or upon transfer from the Interest Reserve Account or the Payment Account, all Interest Proceeds (unless simultaneously reinvested in accordance with Article XII or in Eligible Investments). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.4(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in accordance with Article XII or in Eligible Investments). The Issuer may, but under no circumstances shall be required to, from time to time prior to the second Payment Date following the Closing Date, deposit into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.4(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; *provided* that, the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments, Defaulted Obligations or Equity Securities or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will

sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but, in connection with any such reinvestment, only to the extent used to pay for accrued interest on an additional Collateral Obligation) and reinvest such funds in additional Collateral Obligations in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations. At any time, the Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such direction the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds to repurchase Secured Notes in accordance with the requirements of Section 2.9(b) and such direction.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided* that, the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; *provided, further,* that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense pursuant to this Section 10.2 on any day other than a Payment Date if, in its reasonable determination, the payment of such amount is likely to leave insufficient funds available to pay in full each of the items described in Section 11.1(a)(i)(A) as reasonably anticipated to be or become due and payable on the next Payment Date, taking into account the Administrative Expense Cap.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a) and Section 10.2(f), on the Business Day immediately preceding each Payment Date or Interim Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date or, with respect to an Interim Payment Date, an amount reasonably determined by the Issuer or the Collateral Manager in its reasonable determination as required to make the payments required and permitted on such Interim Payment Date pursuant to Section 10.2(f).

(f) Following the Reinvestment Period, the Issuer (or the Collateral Manager on behalf of the Issuer) may declare the 15th day of any calendar month in which a Payment Date does not occur (or, if such day is not a Business Day, the next succeeding Business Day) (each such date, unless withdrawn pursuant to clause (i) of the following proviso, an "Interim

(h) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer from amounts on deposit in the Principal Collection Subaccount into the Revolver Funding Account amounts that are required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations.

The Trustee shall have the right to open such subaccounts of any such account as it deems necessary or appropriate for convenience of administration.

Section 10.10 Investment Company Act Procedures. For so long as any Offered Securities are Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the Holders will include a notice to the following effect:

"The Investment Company Act of 1940, as amended (the "1940 Act"), requires that all holders of the outstanding securities of the Co-Issuers that are U.S. persons (as defined in Regulation S) be "Qualified Purchasers" ("Qualified Purchasers") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, each of the Co-Issuers must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Consequently, all sales and resales of the Offered Securities in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Each purchaser of an Offered Security in the United States who is a "U.S. person" (as defined in Regulation S) (such Offered Security, a "Restricted Security") will be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or an entity owned exclusively by Qualified Purchasers who is also a qualified institutional buyer as defined in Rule 144A under the Securities Act ("QIB") (or, solely in the case of Notes issued in the form of Certificated Notes, a Person that is an "accredited investor" within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act or any entity in which all of the equity owners come within such paragraphs (an "IAI")); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB (or an IAI, to the extent set forth above); (iii) the purchaser is not formed for the purpose of investing in either of the Co-Issuers; (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the Minimum Denominations specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Securities may only be transferred to transferee who is a both (I) a (x) Qualified Purchaser or (y) entity owned exclusively by Qualified Purchasers and

(II) a QIB and all subsequent transferees are deemed to have made representations (i) through (vi) above.

The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.

If, notwithstanding the restrictions on transfer contained therein, the Co-Issuers determine that any "U.S. person" (as defined in Regulation S) who is a Holder or beneficial owner of an interest in a Restricted Security is determined not to have been a Qualified Purchaser at the time of acquisition of such Restricted Security or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Security (or any interest therein) to a Person that is either (A) not a "U.S. person" (as defined in Regulation S) or (B) both (x) a (I) Qualified Purchaser or (II) entity owned exclusively by Qualified Purchasers and (y) a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, (i) the Issuer (or the Collateral Manager acting on behalf of the Issuer), without further notice to such Holder or beneficial owner, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Security or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Collateral Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Trustee, the Co-Issuers and the Collateral Manager, in connection with such transfer, that such Person meets the qualifications set forth in clauses (A) or (B) above and pending such transfer, no further payments will be made in respect of such Restricted Security or beneficial interest therein held by such Holder or beneficial owner.

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer will direct DTC to include the marker "3c7" in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a "3c7" indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7).

(iii) On or prior to the Closing Date, the Issuer will instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Global Notes.

(iv) In addition to the obligations of the Registrar set forth in Section 2.5, the Issuer will from time to time (upon the request of the Trustee) make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Global Notes.

(v) The Issuer will cause each CUSIP number obtained for a Global Note to have a fixed field containing "3c7" and "144A" indicators, as applicable, attached to such CUSIP number.

(c) Bloomberg Screens, etc. The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the Investment Company Act restrictions on the Global Notes. Without limiting the foregoing, the Issuer will request that each third-party vendor include the following legends on each screen containing information about the Notes:

(i) Bloomberg.

(1) "Iss'd Under 144A/3c7", to be stated in the "Note Box" on the bottom of the "Security Display" page describing the Global Notes;

(2) a flashing red indicator stating "See Other Available Information" located on the "Security Display" page;

(3) a link to an "Additional Security Information" page on such indicator stating that the Global Notes are being offered in reliance on the exception from registration under Rule 144A under the Securities Act of 1933 to persons that are both (i) "Qualified Institutional Buyers" as defined in Rule 144A under the Securities Act and (ii) "Qualified Purchasers" as defined under Section 2(a)(51) of the Investment Company Act of 1940, as amended; and

(4) a statement on the "Disclaimer" page for the Global Notes that the Global Notes will not be and have not been registered under the Securities Act of 1933, as amended, that the Issuer has not been registered under the Investment Company Act of 1940, as amended, and that the Global Notes may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act of 1940, as amended.

(ii) Reuters.

(1) a "144A – 3c7" notation included in the security name field at the top of the Reuters Instrument Code screen;

(2) a <144A3c7Disclaimer> indicator appearing on the right side of the Reuters Instrument Code screen; and

(3) a link from such <144A3c7Disclaimer> indicator to a disclaimer screen containing the following language: "These Notes may be sold or transferred only to Persons who are both (i) Qualified Institutional Buyers, as

defined in Rule 144A under the Securities Act, and (ii) "Qualified Purchasers", as defined under Section 3(c)(7) under the U.S. Investment Company Act of 1940."

the Trustee and the Collateral Manager in writing that the No Dividend Payment Condition is no longer continuing (or, in the case of any payments which would otherwise be payable on any Redemption Date, until the first succeeding Business Day). Any amounts so retained will be held in the Preferred Shares Payment Account until such amounts are paid, subject to the availability of such funds under Cayman Islands law to pay any liability of the Issuer not limited in recourse to the Assets. (c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available (and subject to the order of priority set forth in the definition of "Administrative Expenses"), as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date.

(d) The Collateral Manager may, in its sole discretion, elect to defer or irrevocably waive payment of any or all of any Collateral Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and day as may be consented to by the Trustee) in accordance with the terms of Section 8(b) of the Collateral Management Agreement. Any such Collateral Management Fee so deferred with

respect to which the Collateral Manager later rescinds such deferral in accordance with the terms of Section 8(b) of the Collateral Management Agreement shall be payable on subsequent Payment Dates (unless otherwise agreed to by the Collateral Manager) in accordance with the Priority of Payments. Any such Collateral Management Fee, once waived, shall not thereafter become due and payable and any claim of the Collateral Manager therein shall be extinguished.

(e) The Holders of the Performance Notes may, in their sole discretion, elect to defer or irrevocably waive payment of any or all of the amounts otherwise due and payable on any Payment Date in respect of any Performance Notes (any such deferred amount, the "Deferred Performance Note Payment Amount") by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and day as may be consented to by the Trustee). Any such payment on any Performance Notes so deferred with respect to which the Holder of such Performance Notes later rescinds such deferral, by notice to the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and day as may be consented to by the Trustee) shall be payable on subsequent Payment Dates (unless otherwise agreed to by the Holder of the Performance Note) in accordance with the Priority of Payments. Any such payments on the Performance Notes, once waived, shall not thereafter become due and payable and any claim of such Holder to payment of such waived amounts shall be extinguished.

(f) The Holders of the Preferred Return Notes may, in their sole discretion, elect to defer or irrevocably waive payment of any or all of the amounts otherwise due and payable on any Payment Date in respect of any Preferred Return Notes (any such deferred amount, the "Deferred Preferred Return Note Payment Amount") by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and day as may be consented to by the Trustee). Any such payment on any Preferred Return Notes so deferred with respect to which the Holder of such Preferred Return Notes later rescinds such deferral, by notice to the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and day as may be consented to by the Trustee) shall be payable on subsequent Payment Dates (unless otherwise agreed to by the Holder of the Preferred Return Note) in accordance with the Priority of Payments. Any such payments on the Preferred Return Notes, once waived, shall not thereafter become due and payable and any claim of such Holder to payment of such waived amounts shall be extinguished.

(g) At any time during or after the Reinvestment Period, by notification to the Issuer, the Trustee, the Fiscal Agent and the Collateral Manager, (i) any Person may propose to make a Cash Contribution to the Issuer or (ii) any Holder of a Preferred Share may propose to designate as a Contribution to the Issuer all or a specified portion of Interest Proceeds that would otherwise be distributed on a Payment Date to the Fiscal Agent for distribution to such Holder pursuant to Section 11.1(a)(i)(X) or Section 11.1(a)(i)(Y)(1) (each proposed contribution described above, a "Contribution"); *provided* that, each Contribution shall be in an amount equal to or greater than U.S.$1,000,000. The Collateral Manager, in consultation with the applicable Holders (but in the Collateral Manager's sole discretion), will determine (A) whether to accept any proposed Contribution and (B) the Permitted Use to which such proposed Contribution would be applied. The Collateral Manager will provide written notice

of such determination to the applicable Contributor(s) (with a copy to the Trustee) thereof. In connection with each proposed Contribution, the related Contributor shall deliver a Notice of Contribution to the Collateral Manager and the Trustee substantially in the form of Exhibit F hereto. If such Contribution is accepted by the Collateral Manager, as soon as reasonably practicable thereafter, but no later than one Business Day prior to the applicable Payment Date, the Collateral Manager will notify the Trustee that it has accepted such Contribution (and whether the Contribution shall be made pursuant to subclause (i) or (ii) above), and such Contribution will be deposited by the Trustee in the Supplemental Reserve Account, and applied to a Permitted Use determined by the Collateral Manager. Except for purposes of calculating the Internal Rate of Return, amounts deposited pursuant to subclause (ii) above shall be deemed to constitute payment of the amounts designated thereunder for purposes of all distributions from the Payment Account to be made on such Payment Date (for the avoidance of doubt, amounts deposited pursuant to subclause (ii) above will not be deemed to have been paid for purposes of calculating the Internal Rate of Return until such Contributions have been returned to the applicable Contributor(s) as provided in Sections 11.1(a)(i), (ii) or (iii)). Contribution Repayment Amounts shall not earn interest nor shall any Contribution or Contribution Repayment Amount increase the number of the related Preferred Shares. Unless retained as directed by the Collateral Manager in accordance with the terms of this Indenture, Contribution Repayment Amounts designated by the Collateral Manager (in its sole discretion on behalf of the Issuer) to be paid on a particular Payment Date (as notified to the Trustee on or prior to the related Determination Date) will be paid to the Fiscal Agent for payment to each applicable Contributor on the first subsequent Payment Date Interest Proceeds or Principal Proceeds are available therefor (or such later Payment Date(s), as determined by the Collateral Manager in its sole discretion) as provided in Section 11.1(a)(i), (ii) or (iii), as applicable; provided that any Contributor (with the consent of the Collateral Manager) may irrevocably waive all or a portion of the Contribution Repayment Amount payable to it. Any request of any Contributor under clause (ii) above shall specify the amount of Contribution being designated, expressed as a percentage of the full amount that such Contributor is entitled to receive on the applicable Payment Date in respect of distributions pursuant to Section 11.1(a)(i)(X) or Section 11.1(a)(i)(Y)(1) (such Contributor's "Distribution Amount") that such Contributor wishes the Trustee to deposit in the Supplemental Reserve Account, in lieu of distribution to such Contributor on such Payment Date. The Collateral Manager on behalf of the Issuer shall provide each such Contributor with an estimate of such Contributor's Distribution Amount not later than two Business Days prior to any subsequent Payment Date.

After the Issuer has notified the Trustee of an Optional Redemption (including a Clean-Up Call Redemption) of the Secured Notes from Sale Proceeds in accordance with Section 9.2, the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use commercially reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Preferred Shares has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale

(i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Second Refinancing Date, during the period commencing on the Second Refinancing Date) is not greater than 30% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Second Refinancing Date, as the case may be); and

(G) with respect to the use of Sale Proceeds of Collateral Obligations sold in accordance with Section 12.1(g), any of the following conditions is satisfied (I) the Aggregate Principal Balance of all Collateral Obligations purchased with such Sale Proceeds will be greater than or equal to the Investment Criteria Adjusted Balance of the disposed Collateral Obligations, (II) after giving effect to such purchase, the Adjusted Collateral Principal Amount shall be maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (III) after giving effect to such reinvestment of such Sale Proceeds, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated Cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance.

(ii) If such commitment to purchase occurs after the Reinvestment Period, any Post-Reinvestment Principal Proceeds may, in the sole discretion of the Collateral

Manager (with notice to the Trustee and the Collateral Administrator), be reinvested in additional Collateral Obligations ("Substitute Obligations") subject to the satisfaction of the following conditions:

(A) no Event of Default has occurred and is continuing;

(B) (x) with respect to the use of Post-Reinvestment Principal Proceeds from sales of Credit Risk Obligations only, the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the related Post-Reinvestment Principal Proceeds or (y) with respect to the use of any Post-Reinvestment Principal Proceeds, after giving effect to such reinvestment, (1) the Adjusted Collateral Principal Amount will be maintained or increased or (2) the Aggregate Principal Balance of all Collateral Obligations *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance;

(C) the stated maturity of each Substitute Obligation is the same as or earlier than the stated maturity of the Collateral Obligation that produced the Post-Reinvestment Principal Proceeds;

(D) (x) the Substitute Obligations purchased must have the same or higher Moody's Default Probability Ratings as the Collateral Obligations that produced the Post-Reinvestment Principal Proceeds and (y) either (I) the Class Scenario Default Rate is maintained or improved or (II)the Substitute Obligations purchased shall have the same or higher S&P Ratings as the Collateral Obligations that produced the Post-Reinvestment Principal Proceeds;

(E) each Coverage Test is satisfied after giving effect to such reinvestment;

(F) a Restricted Trading Period is not then in effect;

(G) either (x) each requirement of the Concentration Limitations and each of the Moody's Matrix Test, the Maximum Moody's Rating Factor Test, the Minimum Floating Spread Test, the Minimum Weighted Average Coupon Test, the Minimum Weighted Average S&P Recovery Rate Test, the Weighted Average Life Test, the Minimum Weighted Average Moody's Recovery Rate Test and the Moody's Diversity Test will be satisfied after giving effect to such reinvestment or (y) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to such reinvestment;

(H) such reinvestment occurs within the later of (x) 30 days from the Issuer's receipt of such Post-Reinvestment Principal Proceeds and (y) the last day of the then-current Collection Period; and

(I) with respect to the purchase of any Senior Secured Note or Senior Secured Bond, clause (i) of the Concentration Limitations will be satisfied after giving effect to such reinvestment.

Notwithstanding anything in this Indenture to the contrary, as a condition to any purchase of an additional Collateral Obligation (as determined by the Collateral Manager), if the balance in the Principal Collection Subaccount after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds, is a negative amount, the absolute value of such amount may not be greater than 3.0% of the Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase. The Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

(b) Purchase of Defaulted Obligations in Exchange Transactions. Notwithstanding Section 12.2(a), a Defaulted Obligation (a "Purchased Defaulted Obligation") may be purchased with all or a portion of the Sale Proceeds of another Defaulted Obligation (an "Exchanged Defaulted Obligation") (each such exchange referred to as an "Exchange Transaction") if:

(i) when compared to the Exchanged Defaulted Obligation, the Purchased Defaulted Obligation (A) is issued by a different obligor, (B) but for the fact that such debt obligation is a Defaulted Obligation, such Purchased Defaulted Obligation would otherwise qualify as a Collateral Obligation and (C) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Collateral Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(ii) the Collateral Manager has certified in writing to the Trustee (which may be in electronic form, including by email) that:

(1) at the time of the purchase, the Purchased Defaulted Obligation is no less senior in right of payment vis-à-vis its related obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation;

(2) after giving effect to the purchase, each of the Overcollateralization Ratio Test is satisfied, or if not satisfied, maintained or improved after giving effect to such purchase (or commitment to purchase) as immediately prior to such purchase (or commitment to purchase);

(3) both prior to and after giving effect to such purchase, the Concentration Limitations were and will be satisfied or, if any Concentration Limitation was not satisfied prior to such purchase, such Concentration Limitation will be maintained or improved;

(4) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when

determining the period for which the Issuer holds the Purchased Defaulted Obligation;

(5) the Exchanged Defaulted Obligation was not previously a Purchased Defaulted Obligation acquired in a transaction described under this heading; and

(6) the Restricted Trading Period is not applicable; and

(iii) such purchase of the Purchased Defaulted Obligation will not (i) when taken together with all other Purchased Defaulted Obligations then held by the Issuer, cause the Aggregate Principal Balance of all of Purchased Defaulted Obligations then held by Issuer to exceed 5.0% of the Collateral Principal Amount or (ii) cause the Aggregate Principal Balance of all Purchased Defaulted Obligations purchased by the Issuer since the Last Closing Event to exceed 10.0% of the Target Initial Par Amount.

For the avoidance of doubt, Exchange Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation it shall no longer be considered a Purchased Defaulted Obligation.

(c) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the three Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that, (A) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (B) no Trading Plan Period may include a Payment Date, (C) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (D) the execution of a Trading Plan will not result in the averaging of the purchase price of a Collateral Obligation or Collateral Obligations purchased at separate times for purposes of determining whether any particular Collateral Obligation is a Discount Obligation, (E) the difference between the remaining maturities of the proposed investment with the shortest remaining maturity and the proposed investment with the longest remaining maturity will not exceed thirty-six months, (F) none of the proposed investments may have a remaining maturity shorter than six months and (G) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan, but are not satisfied upon the expiry of the related Trading Plan Period, the Collateral Manager will notify the Rating Agencies; *provided* that, the Issuer (or the Collateral Manager on its behalf) shall provide prior written notice to Moody's and S&P and the Trustee and the Collateral Administrator of any Trading Plan, which notice shall specify the proposed investments identified by the Collateral Manager for acquisition as part of such Trading Plan.

(d) Maturity Amendments. During or after the Reinvestment Period, the Issuer (or the Collateral Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment unless, as determined by the Collateral Manager, after giving effect to such Maturity Amendment, (i) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the Stated Maturity of the Secured Notes and (ii) either (a) the Weighted Average Life Test will be satisfied after giving effect to such amendment or (b) if the Weighted Average Life Test was not satisfied immediately prior to such amendment, (I) the level of compliance with the test will be maintained or improved and (II) the Aggregate Principal Balance of the new Collateral Obligations exchanged or deemed to be acquired through a Maturity Amendment for which this clause (b) is applicable will not exceed 5.0% of the Reinvestment Target Par Balance; provided that this clause (ii) is not required to be satisfied if such amendment is being executed in connection with the restructuring of such Collateral Obligation as a result of the financial distress, or an actual or foreseeable default, bankruptcy or insolvency of the related obligor.

(e) Certifications by Collateral Manager. Upon delivery by the Collateral Manager of an investment direction or trade ticket under this Section 12.2, the Collateral Manager shall be deemed to have confirmed to the Trustee and the Collateral Administrator that such purchase complies with this Section 12.2 and Section 12.3.

(f) Unsaleable Assets. Notwithstanding the other requirements set forth in this Indenture, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this Section 12.2(f). Promptly after receipt of written notice from the Collateral Manager of such auction, the Trustee will provide notice (in such form as is prepared by the Collateral Manager) to the Holders (and, for so long as any Notes rated by S&P are Outstanding, S&P) of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Offered Securities may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Offered Securities submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee will provide notice thereof to each Holder and offer to deliver (at such Holder's expense) a pro rata portion (as determined by the Collateral Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to Minimum Denominations; *provided* that, to the extent that Minimum Denominations do not permit a pro rata distribution, the Trustee will distribute the Unsaleable Assets on a pro rata basis to the extent possible and the Collateral Manager will select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Trustee; *provided, further*, that the Trustee will use commercially reasonable efforts to effect delivery of such interests; and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee will promptly notify the Collateral

Manager and offer to deliver (at the cost of the Collateral Manager) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee will take such action as directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

(g) Insolvency, Bankruptcy, Reorganization, Restructuring and Workouts. Notwithstanding anything contained in this Indenture to the contrary, in connection with an insolvency, bankruptcy, reorganization, restructuring or workout (or, in the commercially reasonable judgement of the Collateral Manager, to avoid an actual or foreseeable default):

(i) the Issuer shall have the right to pay for the acquisition of any loan asset, security, equity, warrant, rights offering or similar right that does not meet the definition of "Collateral Obligation" from amounts available in the Collection Account so long as such loan asset, security, equity, warrant, rights offering or similar right will be sold or otherwise transferred or distributed to another Person prior to or on the same Business Day as the Issuer's receipt thereof for a price equal to or greater the price paid the Issuer (to the extent paid for by the Issuer); and

(ii) for purposes of this Indenture and the other Transaction Documents, (x) any Eligible Paper and/or any loan asset received under Section 10.2(g)(ii) shall be treated, in the sole determination of the Collateral Manager, as either a Collateral Obligation, a Defaulted Obligation or an EC Ineligible Asset (as applicable) in accordance with the definitions thereof; and (y) any asset (other than a Collateral Obligation, Eligible Paper and/or another loan asset received under Section 10.2(g)(ii)) received under Section 10.2(g)(i) or Section 12.2(h)(i) shall be treated as an Equity Security.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 5 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; *provided* that, for the avoidance of doubt, it is hereby acknowledged the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(viii) as of such Subsequent Delivery Date; *provided* that, such requirement shall be satisfied, and such statements shall be deemed to have been made by the

Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Collateral Manager.

(c) The Collateral Manager on behalf of the Issuer may direct the Trustee to withdraw Interest Proceeds or Principal Proceeds from the Collection Account on any Business Day during any Interest Accrual Period in accordance with Section 10.2(g).

(d) Notwithstanding anything in this Indenture or the Collateral Management Agreement to the contrary, the Collateral Manager may enter into commitments to acquire Collateral Obligations on the basis of Principal Proceeds which have not yet been received, but (i) which will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or (ii) with respect to which the Collateral Manager reasonably expects to receive such Principal Proceeds or has received written notice from the Obligor, administrative agent or other similar Person in writing that such Principal Proceeds are scheduled to be paid (including, without limitation, by the dissemination or posting to an internet site of a report stating or indicating that such payment is scheduled to be paid).

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture.

(b) If any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; *provided* that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that, after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes and beneficial owners of each Class of Notes agree, for the benefit of all Holders of each Class of Notes and beneficial owners of each Class of Notes, to the provisions of Section 5.4(d). In addition, the Co-Issuer agrees not to cause the filing of a petition in bankruptcy, insolvency or a similar Proceeding in the United States, the Cayman Islands or any other jurisdiction against any Tax Subsidiary until the payment in full of all Notes and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture, each Holder and each beneficial owner of Notes or Preferred Shares (a) does not owe any duty of care to any Person and is not obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Notes or Preferred Shares, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager); (b) shall only consider the interests of itself and/or its Affiliates; and (c) will not be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Notes or Preferred Shares, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager), nor shall any such restrictions apply to any Affiliates of any Holder or beneficial owner.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that, such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee shall also be entitled to rely), stating that the

information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, the Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods, provided, however, that any Person providing such instructions or directions shall, upon reasonable request of the Bank, provide to the Bank an incumbency certificate listing Authorized Officers designated to provide such instructions or directions. If such Person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any Person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders or beneficial owners of Notes may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders or such beneficial owners in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and

evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(b) If any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other Person, the Trustee's receipt of such

notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other Person unless otherwise expressly specified herein.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to be sent to either or both of the Rating Agencies shall be sent by the Collateral Manager on behalf of the Issuer and, if pursuant to the terms of this Indenture, the Trustee is to send such request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to the Rating Agencies, it shall instead be sent to the Collateral Manager first for dissemination to the Rating Agencies.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to Euronext Dublin) may be provided by providing access to a password-protected website containing such information.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein (including, for the avoidance of doubt, Section 14.3(d)), where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid (or, in the case of Holders of Global Notes, e-mailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register or the Share Register, as applicable, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that, if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. In lieu of the foregoing, notices for Holders may also be posted to the Trustee Website.

Subject to the requirements of Section 14.15, the Trustee will deliver to the Holders any written information reasonably available to the Trustee without undue burden or expense or written notice received by the Trustee relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes or Preferred Shares (by Aggregate Outstanding Amount), at the expense of the Issuer; *provided* that, the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder, (iii) applicable law or (iv) the terms

of any confidentiality or non-disclosure agreement to which the Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgment governing any report, statement or certificate prepared by the Issuer's accountants). The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder or Shareholder status, as applicable. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Subject to the requirements of Section 14.15, the Trustee will deliver to any Holder of Notes or Preferred Shares or any Person that has certified to the Trustee in accordance with this Indenture (or the Fiscal Agency Agreement in the case of the Preferred Shares) that it is the owner of a beneficial interest in a Global Secured Note or a Regulation S Global Preferred Share (as defined in the Fiscal Agency Agreement), any report, information or notice requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee.

Subject to the Trustee's rights under Section 6.3(e), any Holder may deliver to the Trustee in writing a notice (any such notice, a "Holder Notice") which the Trustee shall promptly deliver to all Holders of any Class directed by the Holder delivering the Holder Notice to the Trustee; *provided* that, nothing herein shall be construed to obligate the Trustee to distribute any notice that the Trustee reasonably determines to be contrary to the terms of this Indenture or its duties and obligations hereunder or applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status. Any related costs associated with up to three Holder Notices in any 12-month period shall be borne by the Issuer as Administrative Expenses and related costs associated with any additional Holder Notices shall be borne by the requesting Holder, regardless of whether such requesting Holder has made any prior request for a Holder Notice.

Neither the failure to mail or deliver otherwise any notice, nor any defect in any notice so given, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Notes and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture; *provided* that, each of the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents and the Placement Agent~~Arrangers shall be an express third-party beneficiary of clause (x) of Section 8.1, the second sentence of Section 8.3(c) and Section 16.1(i).

Section 14.9 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date.

Section 14.10 Governing Law. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND THIS INDENTURE AND THE NOTES AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS INDENTURE OR THE NOTES (WHETHER IN CONTRACT, TORT OR OTHERWISE), SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and

any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any suit, action or Proceedings brought in any such court, waives any claim that such suit, action or Proceedings has been brought in an inconvenient forum and further waives the right to object, with respect to such suit, action or Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing suit, action or Proceedings in any other jurisdiction, nor will the bringing of suit, action or Proceedings in any one or more jurisdictions preclude the bringing of suit, action or Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Notes may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Counterparts may be executed and delivered via facsimile, electronic mail or other transmission method and may be executed by electronic signature (including, without limitation, any .pdf file, .jpeg file, or any other electronic or image file, or any "electronic signature" as defined under E-SIGN or ESRA, which includes any electronic signature provided using Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee) and any counterpart so delivered shall be valid, effective and legally binding as if such electronic signatures were handwritten signatures and shall be deemed to have been duly and validly delivered for all purposes hereunder. Delivery of an executed counterpart signature page of this Indenture by e-mail (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.17, unless otherwise agreed to in writing by the Collateral Manager.

Section 14.15 Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder and beneficial owner of Notes will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by

the Issuer (after consultation with the Co-Issuer) or such Holder or beneficial owner in good faith to protect Confidential Information of third parties delivered to such Person; *provided* that, such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and Affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's legal advisors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder, or any of the other parties to this Indenture, the Collateral Management Agreement or the Collateral Administration Agreement; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Notes in accordance with the requirements of Section 2.5 to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) Moody's or S&P (subject to Section 14.17 and, with respect to the Collateral Administrator, Section 23 of the Collateral Administration Agreement); (ix) any other Person with the consent of the Co-Issuers and the Collateral Manager; or (x) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture or (E) in the Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other Transaction Document related thereto; *provided*, *further*, that delivery to Holders or beneficial owners by the Trustee or the Collateral Administrator of any report or information required by the terms of this Indenture to be provided to Holders or beneficial owners shall not be a violation of this Section 14.15. Each Holder and beneficial owner of Notes agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes;

and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders or beneficial owners of Notes any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and each beneficial owner of a Note, by its acceptance of its interest in such Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder or beneficial owner of Notes by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that, such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or beneficial owner or any Person acting on behalf of the Trustee, the Collateral Administrator or any Holder or beneficial owner; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder or beneficial owner other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority, and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder or under the Collateral Administration Agreement. In addition, the Trustee, the Collateral Administrator, the Holders and beneficial owners of the Notes (and each of their respective employees, representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the U.S. federal, state and local income tax treatment of the Co-Issuers, the Offered Securities, and the transactions contemplated by this Indenture and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state, and local tax treatment and that may be relevant to understanding such U.S. federal, state, and local tax treatment. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Co-Issuers, the Trustee, the Collateral Administrator, the ~~Second Refinancing Initial Purchaser, the Refinancing Placement Agents, the Placement Agent~~Arrangers or any other party to the transactions contemplated by this Indenture, the offering or the pricing (except to the extent such information is relevant to the U.S. tax structure or tax treatment of such transactions).

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of

the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any suit, action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, none of the Co-Issuers or any Tax Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Tax Subsidiary or shall have any claim in respect to any assets of the other of the Co-Issuers or any Tax Subsidiary.

Section 14.17 Communications with Rating Agencies. If the Issuer shall receive any written or oral communication from any Rating Agency (or any of their respective officers, directors or employees) with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Collateral Manager of such communication. The Issuer agrees that in no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager. The Trustee agrees that in no event shall a Trust Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency without the prior written consent (which may be in the form of e-mail correspondence) or participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager; *provided* that, nothing in this Section 14.17 shall prohibit the Trustee from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Notes or this Indenture.

ARTICLE XV

ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that, notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default

hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Offered Securities, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) Upon a Trust Officer of the Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than one Business Day thereafter, notify the Noteholders (as their names appear in the Register).

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) Subject to the terms of this Section 16.1, the Issuer (or the Collateral Manager on behalf of the Issuer) may enter into Hedge Agreements from time to time on or after the Closing Date solely for the purpose of managing interest rate and/or foreign exchange risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Trustee and the Collateral Administrator. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Collateral Manager on behalf of the Issuer) shall not enter into any Hedge Agreement unless the Global Rating Agency Condition has been satisfied with respect thereto. The Issuer shall provide a copy of each Hedge Agreement to each Rating Agency and the Trustee.

(b) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and

Section 2.7(i). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the Global Rating Agency Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Collateral Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement.

(f) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty credit support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under a Hedge Agreement, promptly after becoming aware thereof the Collateral Manager shall make a demand on such Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Trustee, demanding payment thereunder.

(h) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets pursuant to Sections 5.4 and 5.5 has commenced.

(i) The Issuer will not be permitted to enter into or amend Hedge Agreements unless the following conditions are satisfied: (a) it obtains an opinion of counsel of national reputation experienced in such matters that either (i) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10)

of the CEA or (ii) if the Issuer would be a commodity pool, that (A) the Collateral Manager, and no other party, would be the commodity pool operator and commodity trading adviser and (B) with respect to the Issuer as a commodity pool, the Collateral Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading adviser and all conditions precedent to obtaining such an exemption have been satisfied; (b) the Collateral Manager agrees in writing (or the supplemental indenture requires) that for so long as the Issuer is a commodity pool it will take all actions necessary to ensure ongoing compliance with the applicable exemption from registration as a commodity pool operator and commodity trading adviser with respect to the Issuer, and any other actions required as a commodity pool operator and commodity trading adviser with respect to the Issuer; (c) the Issuer receives a written opinion of counsel of national reputation experienced in such matters that the Issuer entering into such Hedge Agreement will not cause the Issuer to become a "hedge fund or a private equity fund" as defined for the purposes of Section 13 of the Bank Holding Company Act, as amended; (d) the Issuer receives the consent of a Majority of the Controlling Class; (e) the Global Rating Agency Condition has been satisfied; and (f) the Collateral Manager has certified to the Issuer and the Trustee that (A) the written terms of such Hedge Agreement directly relate to the Collateral Obligations and the Notes and (B) such Hedge Agreement reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Notes.

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

(a) Subject to clause (e) below, with respect to a Collateral Obligation, if the Obligor of such Collateral Obligation has a CFR, then such CFR;

(b) Subject to clause (e) below, with respect to a Collateral Obligation, if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating (other than any estimated rating), then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(c) Subject to clause (e) below, with respect to a Collateral Obligation, if not determined pursuant to clauses (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion; *provided* that if a Collateral Obligation has an Assigned Moody's Rating determined pursuant to clause (A)(i) of the proviso to the definition of such term, the Moody's rating will be such Assigned Moody's Rating for the 90 day period set forth therein;

(d) Subject to clause (e) below, with respect to a Collateral Obligation if not determined pursuant to clauses (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that, if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3;"

(e) If such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof;

(f) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(g) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

MOODY'S RATING

With respect to any Collateral Obligation, as of any date of determination, that rating determined in accordance with the following methodology:

(a) if such Collateral Obligation is a Senior Secured Loan other than a DIP Collateral Obligation:

(1) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(2) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(3) if neither clause (1) nor (2) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(4) if none of clauses (1) through (3) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(5) if none of clauses (1) through (4) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3;" and

(b) with respect to a Collateral Obligation other than a Senior Secured Loan or a DIP Collateral Obligation:

(1) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(2) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(3) if neither clause (1) nor (2) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(4) if none of clauses (1), (2) or (3) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(5) if none of clauses (1) through (4) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(6) if none of clauses (1) through (5) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(c) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating is determined in the manner set forth below:

(a) with respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation shall be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; *provided*, *however*, (A) if such facility rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, the facility rating of such DIP Collateral Obligation shall be the facility rating from Moody's applicable to such DIP Collateral Obligation prior to such withdrawal; *provided further* that if such DIP Collateral Obligation was assigned a point-in-time rating by Moody's, the Moody's Derived Rating shall be such rating for 12 months after the assignment of such rating, following which such DIP Collateral Obligation shall have a Moody's Derived Rating one subcategory below such point-in-time rating; *provided* that after 15 months following the assignment of such rating, the Moody's Derived Rating for such DIP Collateral Obligation shall be deemed to be "Caa3" and (B) if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Collateral Manager expects a Moody's facility rating within 90 days, the Moody's Rating of such Collateral Obligation will be (1) as determined by the Collateral Manager for a period of up to 90 days after acquisition of such DIP Collateral Obligation if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes, based on information available to it at the time, such anticipated rating from Moody's will be at least equal to the rating assigned by the Collateral Manager; *provided* that such rating determined pursuant to this clause (1) shall be no higher than "B2" and (2) "Caa3" following such 90 day period, unless, during such 90 day period, the Collateral Manager has requested the extension of such period and Moody's, in its sole discretion, has granted such request; *provided* that if a Moody's facility rating is assigned to such Collateral

Obligation at any time during such 90 day period (or such extension period, if applicable), such Moody's facility rating shall apply;

(b) if not determined pursuant to clause (a) above, then by using any one of the methods provided below:

(1) pursuant to the table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)*	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ BBB-	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ BB+	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(2) In the event, the Collateral Obligation does not have an S&P rating, but another security or obligation of the Obligor is publicly rated by S&P:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

or

(3) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency; and

(c) if not determined pursuant to clauses (a) or (b) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B2" or lower if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B2" or lower and if the Aggregate Principal Balance of Collateral Obligations determined

pursuant to this clause (c)(i) and clause (a) above does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa1."

* Solely for the purpose of determining the S&P Recovery Rate for such loan, no loan will constitute a "Senior Secured Loan" unless such loan (a) is secured by a valid first priority security interest in collateral and is not (and cannot by its terms become) subordinated in right of payment to any other obligation of the obligor, (b) is not secured solely or primarily by equity or common stock and (c) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such loan's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal amount of all loans senior or *pari passu* to such loans and (ii) the outstanding principal balance of such loan, which value may be derived from, among other things, the enterprise value of the issuer of such loan (*provided* that, the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer and the Collateral Manager upon written notice to the Trustee and the Collateral Administrator (without the consent of any Holder of any Note), subject to the satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such loans); *provided* that, if (x) a senior secured loan secured primarily by equity or common stock was upgraded by S&P to an investment-grade rating less than three months prior to such date of determination and (y) as a result of such upgrade, S&P withdrew the S&P Recovery Rating that had been assigned to such loan prior to such upgrade, the Collateral Manager will be able to determine the S&P Recovery Rating for such loan using the withdrawn S&P Recovery Rating pursuant to the table under clause (a) above.

** For purposes of determining the S&P Recovery Rate of a Collateral Obligation that is a Senior Secured Loan that is also a Cov-Lite Loan, the proviso in the definition of "Cov-Lite Loan" shall have no effect.

*** For purposes of determining the S&P Recovery Rate of a Collateral Obligation that is a Senior Secured Loan that is also a First-Lien Last-Out Loan shall be deemed to be a First-Lien Last-Out Loan. Second Lien Loans with an aggregate principal balance in excess of 15% of the Collateral Principal Amount shall use the "Subordinated loans" Priority Category for the purpose of determining their S&P Recovery Rate.

SCHEDULE 5

S&P RATINGS DEFINITIONS

"S&P Rating" means, with respect to any Collateral Obligation (other than a Current Pay Obligation), as of any date of determination, the rating determined as follows:

(a) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (i) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published (which may be via email) by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that complies with then-current S&P criteria, then the S&P Rating will be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer) or (ii) if there is no issuer credit rating of the issuer by S&P but (A) if there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation will equal such rating; (B) if there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one subcategory below such rating; and (C) if there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one subcategory above such rating;

(b) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating (*provided* that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such DIP Collateral Obligation and (2) "CCC-" following such 90 day period; unless, during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided* that if an S&P Rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such S&P Rating shall apply);

(c) if an obligation of the issuer is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (A) one subcategory below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (B) two subcategories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower; *provided* that the Aggregate Principal Balance of the Collateral Obligations that may have an S&P Rating derived from a Moody's Rating as set forth in this clause (c) may not exceed 10.0% of the Collateral Principal Amount;

(d) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Required S&P Credit Estimate

Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; *provided* that, until the receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; *provided*, *further*, that if such Required S&P Credit Estimate Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90 day period; unless, during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided*, *further*, that such confirmed or updated credit estimate will expire on the 12 month anniversary of such confirmation or update, unless confirmed or updated prior thereto;

(e) with respect to a DIP Collateral Obligation, if the S&P Rating cannot otherwise be determined pursuant to this definition, the S&P Rating of such Collateral Obligation will be "CCC-"; and

(f) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-"; *provided* that (i) the Collateral Manager expects the Obligor in respect of such Collateral Obligation to continue to meet its payment obligations under such Collateral Obligation, (ii) such Obligor is not currently in reorganization or bankruptcy, (iii) such Obligor has not defaulted on any of its debts during the immediately preceding two year period and (iv) at any time that more than 10% of the Collateral Principal Amount consists of Collateral Obligations with S&P Ratings determined pursuant to this clause (f), the Issuer will submit all available Required S&P Credit Estimate Information in respect of such Collateral Obligations to S&P;

provided that for purposes of the determination of the S&P Rating, (A) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one subcategory above such assigned rating, (B) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch negative" by S&P, such rating shall be treated as being one subcategory below such assigned rating and (C) any reference to the S&P rating in this definition shall mean the public S&P rating and will not include any private or confidential S&P rating unless (1) the Obligor and any other relevant party has provided written consent to S&P for the use of such rating and (2) such rating is subject to continuous monitoring by S&P; *provided further* that, for purposes of the determination of the S&P Rating, if (x) the issuer or Obligor of any Collateral Obligation (or, in the case of clause (i) in the definition of "Defaulted Obligation," any Selling Institution) was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an S&P rating of "SD" or "CC" or lower from S&P or had an S&P rating that was withdrawn by S&P and (y) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an S&P rating of "SD" or "CC" or lower from S&P (or, in the case of any withdrawal, continues to have no S&P rating),

the S&P Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, shall be deemed to be "CCC-", so long as S&P has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11; *provided further* that, (i) if any issuer, Obligor or Selling Institution, as applicable, has not exited the applicable bankruptcy proceeding and (ii) the applicable rating assigned by S&P to such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) has been withdrawn, then the S&P Rating for such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) shall be deemed to be such withdrawn S&P rating, so long as S&P has not taken any rating action with respect thereto since the date on which such S&P rating was withdrawn.

The S&P Rating of any Collateral Obligation that is a Current Pay Obligation will be the higher of (a) such Current Pay Obligation's S&P Issue Rating and (b) "CCC".

"Required S&P Credit Estimate Information" means S&P's "Credit Estimate Information Requirements" dated April 2011 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

Moody's credit rating of Selling Institution (at or below)	**Aggregate Percentage Limit**	**Individual Percentage Limit**
Aaa	20%	20.0%
Aa1	20%	10.0%
Aa2	20%	10.0%
Aa3	15%	10.0%

A2 or below	0%	0%

* Permitted only if entity also has a Moody's short-term rating of P–1.

"Moody's DIP Collateral Obligation": As of any date of determination, a DIP Collateral Obligation that does not have an Assigned Moody's Rating.

"Moody's Industry Classification": The industry classifications set forth in Schedule 2 hereto, as such industry classifications shall be updated at the option of the Collateral Manager if Moody's publishes revised industry classifications.

"Moody's Matrix Test": A test that will be deemed satisfied on any Measurement Date ~~if the Adjusted Moody's Matrix Test Input of the Collateral Obligations is less than or equal to the lower of (x)(i) the number set forth in the Asset Quality Matrix at the intersection of the applicable "row/column combination" chosen by the Collateral Manager (or interpolating between two adjacent rows and/or two adjacent columns, as applicable) as set forth in Section 7.18(i) plus (ii) the Moody's Weighted Average Recovery Adjustment and (y) 3300.~~on and after the Third Refinancing Date.

"Moody's Rating Condition": For so long as Moody's is a Rating Agency, a condition that is satisfied if, with respect to an event or circumstance, Moody's provides written confirmation (which may take the form of a press release or other written communication) that the occurrence of that event or circumstance will not cause Moody's to downgrade or withdraw its then-current ratings of the Class A-1 Notes; *provided* that, the Moody's Rating Condition will be deemed inapplicable if no Class A-1 Notes are then Outstanding;

provided, *further*, that notwithstanding the foregoing, with respect to any event or circumstance that requires satisfaction of the Moody's Rating Condition, such Moody's Rating Condition shall be deemed inapplicable with respect to such event or circumstance if (x) Moody's has made a public statement to the effect that it will no longer review events or circumstances of the type requiring satisfaction of the Moody's Rating Condition in this Indenture for purposes of evaluating whether to confirm the then-current ratings (or initial ratings) of obligations rated by Moody's, (y) Moody's has communicated to the Issuer, the Collateral Manager or the Trustee (or their counsel) that it will not review such event or circumstance for purposes of evaluating whether to confirm the then-current rating (or Initial Rating) of the Class A-1 Notes or (z) Moody's rating of the Class A-1 Notes has been withdrawn.

"Moody's Recovery Amount": With respect to any Collateral Obligation that is a Defaulted Obligation or a Deferring Obligation, an amount equal to (a) the applicable Moody's Recovery Rate *multiplied by* (b) the Principal Balance of such Collateral Obligation.

"Moody's Recovery Rate": With respect to any Collateral Obligation, as of any Measurement Date, the recovery rate determined in accordance with the following, in the following order of priority:

(i) if the Collateral Obligation has been specifically assigned a recovery rate by Moody's (for example, in connection with the assignment by Moody's of an estimated rating), such recovery rate;

(ii) if the preceding clause does not apply to the Collateral Obligation, except with respect to DIP Collateral Obligations, the rate determined pursuant to the table below based on the number of rating subcategories difference between the Collateral Obligation's Moody's Rating and its Moody's Default Probability Rating (for purposes of clarification, if the Moody's Rating is higher than the Moody's Default Probability Rating, the rating subcategories difference will be positive and if it is lower, negative):

SCHEDULE 8

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all Affiliates.

(b) An "Average Par Amount" is calculated by *summing* the Issuer Par Amounts for all issuers, and *dividing* by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer *divided by* the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classification groups, shown on Schedule 7, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's Industry Classification group, shown on Schedule 7, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that, if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

(f) The Diversity Score is then calculated by *summing* each of the Industry Diversity Scores for each Moody's Industry Classification group shown on Schedule 7.

(g) For purposes of calculating the Diversity Score, Affiliated issuers in the same industry are deemed to be a single issuer except as otherwise agreed to by Moody's.
