It is understood that the foregoing provisions of this Section 5(c) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Refinancing Debt or secured by the Indenture as supplemented by this Supplemental Indenture until the assets constituting the Assets have been realized. It is further understood that the foregoing provisions of this Section 5(c) shall not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Refinancing Debt or the Indenture as supplemented by this Supplemental Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(d) Notwithstanding any other provision of the Indenture as supplemented by this Supplemental Indenture, none of the Issuer, the Trustee, the Secured Parties or the Holders may, prior to the date which is one year and one day (or if longer, any applicable preference period and one day) after the payment in full of all Debt, institute against, or join any other Person in instituting against, the Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under U.S. federal or State bankruptcy or similar laws. Nothing in this Section 5(d) shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(e) The Trustee assumes no responsibility for the correctness of the recitals contained herein, which shall be taken as the statements of the Issuer and, except as provided in the Indenture, the Trustee shall not be responsible or accountable in any way whatsoever for or with respect to the validity, execution or sufficiency of this Supplemental Indenture and makes no representation with respect thereto. In entering into this Supplemental Indenture, the Trustee shall be entitled to the benefit of every provision of the Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee. The Issuer hereby directs the Trustee to execute this Supplemental Indenture, and the Issuer hereby acknowledges and agrees that the Trustee shall be fully protected in relying upon the foregoing direction.

(f) The Issuer represents and warrants to the Trustee that this Supplemental Indenture has been duly and validly executed and delivered by the Issuer and constitutes its respective legal, valid and binding obligation, enforceable against the Issuer in accordance with its terms.

With respect to all terms in this Indenture, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to “writing” include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all amendments, modifications and supplements thereto or any changes therein entered into in accordance with their respective terms and not prohibited by this Indenture; references to Persons include their permitted successors and assigns; and the term “including” means “including without limitation.”

Section 1.3 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this

Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the Coverage Tests or the Interest Diversion Test, as applicable, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (including Current Pay Obligations and DIP Collateral Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Collateral Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Debt or other amounts payable pursuant to this Indenture or the Credit Agreement. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of “Interest Coverage Ratio”, the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a “*pro forma* basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations,

Defaulted Obligations will be treated as having a Principal Balance equal to the Defaulted Obligation Balance.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in clause (x) of the proviso to the definition of “Defaulted Obligation”, then the Current Pay Obligations with the lowest Market Value (expressed as a percentage of the outstanding principal balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Tests.

(i) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation as of the date of such sale or other disposition until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(j) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be *rounded* to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be *rounded* to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(k) Except as expressly set forth in this Indenture, the “principal balance” and “outstanding principal balance” of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation shall include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(m) Any reference herein to an amount of the Trustee’s or the Collateral Administrator’s fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of the actual number of days in the applicable Interest Accrual Period *divided by* 360 and shall be based on the aggregate face amount of the Assets.

(n) To the extent of any ambiguity in the interpretation of any definition or term contained herein or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Collateral Manager, as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(o) For purposes of calculating the Collateral Quality Tests, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(p) For purposes of calculating compliance with any tests under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(q) For all purposes where expressly used in this Indenture, the “principal balance” and “outstanding principal balance” shall exclude capitalized interest, if any.

(r) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication) from the Collateral Manager on which the Trustee and the Collateral Administrator may rely.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of the Issuer by one of its Officers. The signature of such Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at the time of execution the Officers of the Issuer shall bind the Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided herein and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date or the First Refinancing Date, as applicable shall be dated as of the Closing Date or the First Refinancing Date, as applicable. All other Notes that are authenticated after the Closing Date or the First Refinancing Date, as applicable for any other purpose under this Indenture shall be dated the date of their authentication.

If any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be registered and shall cause to be kept a register (the “Register”) at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed registrar (the “Registrar”) for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agents, any beneficial owner of a Note who provides the Trustee with a certification substantially in the form of Exhibit C or any Holder of a Certificated Note a current list of Holders (and their holdings) as reflected in the Register, and at the Issuer’s expense, a list of participants in DTC holding positions in the Notes. In addition and upon written request, and at the expense of the requesting party, at any time unless prohibited by applicable law, the Registrar shall provide to the Issuer, the Collateral Manager, any beneficial owner of a Note who provides the Trustee with a certification substantially in the form of Exhibit C or any Holder of a Certificated Note any such information contained in any beneficial owners’ certifications, substantially in the form of Exhibit C, that the Trustee has received from beneficial owners of Notes and any other forms submitted to a Trust Officer of the Trustee in connection with such beneficial owner’s interest, the Holder of such beneficial owner’s interest or other Persons being granted access to the Trustee’s website; *provided, further*, that the Trustee shall make no representation and give no warranties as to the accuracy or correctness of any information so provided.

At any time, the Issuer, the Collateral Manager or ~~the~~any Placement ~~Agents~~Agent may request a list of Holders from the Trustee.

In addition, when permitted under this Indenture, the Issuer, the Trustee and the Collateral Manager shall be entitled to rely conclusively upon any certificate of ownership

provided to the Trustee by a beneficial owner of a Note (including a Beneficial Ownership Certificate or a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership as to the names and addresses of such beneficial owner and the Classes, principal amounts and CUSIP numbers of Notes beneficially owned thereby. At any time, upon request of the Issuer, the Collateral Manager or ~~the~~any Placement Agents Agent, the Trustee shall provide such requesting Person a copy of each Beneficial Ownership Certificate that the Trustee has received; *provided*, however, the Trustee shall have no obligation or duty to verify information with respect to such Beneficial Ownership Certificate or certificate in the form of Exhibit C and shall only be required to retain copies of such documents presented to it.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in a form reasonably satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No transfer of any Class E Note (or any interest therein) will be effective if after giving effect to such transfer 25% or more of the total value of the Class E Notes would be held by Persons who have represented that they are Benefit Plan Investors, disregarding Class E Notes held by Controlling Persons.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any transfer, tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause the Issuer to become subject to the requirement that it register as an investment company under the 1940 Act.

(c) No transfer of any Class E Note or Subordinated Note (or any interest therein) will be effective, and the Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the Class E Notes or the Subordinated Notes would be held by Persons who have represented that they are Benefit Plan Investors. For purposes of these calculations and all other calculations required by this sub-section, (A) any Debt of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person, the Trustee, the Collateral Manager, the Placement Agents or any of their respective affiliates (other than those interests held by a Benefit Plan Investor) shall be disregarded and not treated as Outstanding and (B) an “affiliate” of a Person shall include any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and “control” with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. The Trustee shall be entitled to rely exclusively upon the information set forth in the transfer certificates received pursuant to the terms of this Section 2.5 and only Debt that a Trust Officer of the Trustee actually knows to be so held shall be so disregarded. In addition, no Class E Notes in the form of a Global Secured Note or Global Subordinated Notes (other than such Global Notes purchased from the Issuer as part of the initial offering) may be held by or transferred to a Benefit Plan Investor or Controlling Person and each beneficial owner of a Class E Notes in the form of a Global Secured Note or Global Subordinated Notes acquiring its interest in the Class E Note or the Subordinated Notes in the initial offering shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto.

(d) Each subsequent transferee of a Note, by acceptance of such Notes or an interest in such Notes, shall be deemed to have agreed to comply with Section 2.12.

(e) Notwithstanding anything contained herein to the contrary, the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the 1940 Act, or the terms hereof; *provided* that if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same and the Issuer if such certificate does not comply with such terms.

(f) For so long as any of the Debt is Outstanding, the Issuer shall ensure that beneficial ownership interests in the Issuer are acquired or held only by (1) Qualified Purchasers within the meaning of the 1940 Act and (2) investors who are not Benefit Plan Investors within the meaning of the plan asset regulations of the U.S. Department of Labor, 29 CFR Section 2510.3-101(f) and Section 3(42) of ERISA to the extent that the assets of the Issuer would be treated as plan assets for purposes of ERISA or Section 4975 of the Code.

(g) Transfers of Global Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(g).

(i) Rule 144A Global Secured Note to Regulation S Global Secured Note. If a holder of a beneficial interest in a Rule 144A Global Secured Note ~~(other than a Class E Note)~~ deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Secured Note for an interest in the corresponding Regulation S Global Secured Note, or to transfer its interest in such Rule 144A Global Secured Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Secured Note, such holder (*provided* that such holder or, in the case of a transfer, the transferee is a Qualified Purchaser not a U.S. person and is acquiring such interest in an offshore transaction (as defined in Regulation S)) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Secured Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Secured Note, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Secured Notes, including that the holder or the transferee, as applicable, is not a U.S. person, and is acquiring such interest in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B-8 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S and is a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser), then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Secured Note and to increase the principal amount of the Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Agent Member specified in such instructions a beneficial interest in the corresponding Regulation S Global Secured Note equal to the reduction in the principal amount of the Rule 144A Global Secured Note.

(ii) Regulation S Global Secured Note to Rule 144A Global Secured Note. If a holder of a beneficial interest in a Regulation S Global Secured Note

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

(a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date or Interim Payment Date (solely with respect to any Class that will have an Aggregate Outstanding Amount equal to zero following the payment of Principal Proceeds on such Interim Payment Date) on the Aggregate Outstanding Amount (and, with respect to the Class C Notes, the Class D Notes or the Class E Notes, any Deferred Interest thereon, as applicable, as described below) thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below; *provided* that, for the avoidance of doubt, with respect to any payment of interest on a Redemption Date, such interest shall be determined in accordance with the calculation above solely for the period from, and including, the first day of such Interest Accrual Period through, but excluding, such Redemption Date; *provided further*, that, notwithstanding the foregoing, the Aggregate Outstanding Amount of any Class of Debt paid on an Interim Payment Date pursuant to Section 10.2(h) shall be redetermined after giving effect to such payment for purposes of the Debt of such Class accruing interest pursuant to this Section 2.7(a) for the period following such Interim Payment Date (but, for the avoidance of doubt, not for the period preceding such Interim Payment Date). Payment of interest on each Class of Secured Debt (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the Class C Notes, the Class D Notes or the Class E Notes, any payment of interest due on the Class C Notes, the Class D Notes or the Class E Notes, as applicable, which is not available to be paid (“Deferred Interest”) in accordance with the Priority of Payments on any Payment Date shall not be considered “due and payable” for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to the Class C Notes, the Class D Notes or the Class E Notes, as applicable and (iii) the Stated Maturity of the Class C Notes, the Class D Notes or the Class E Notes, as applicable. Deferred Interest on the Class C Notes, the Class D Notes or the Class E Notes shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date with respect to the Class C Notes, the Class D Notes or the Class E Notes, as applicable and (ii) which is the Stated Maturity of the Class C Notes, the Class D Notes or the Class E Notes, as applicable. Regardless of whether any Priority Class is Outstanding with respect to the Class C Notes, the Class D Notes or the Class E Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such applicable Debt) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest may be deferred on the Class C Notes, the Class D Notes or the Class E Notes as long as any Priority Class is Outstanding. Interest will cease to accrue on the Secured Debt, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class X Notes, Class A Notes or Class B Notes, or if no Class X Notes, Class A Notes or Class B Notes are Outstanding, any Class C Notes, or, if there are no Class X Notes, Class A Notes, Class B Notes

or Class C Notes Outstanding, any Class D Note, or, if there are no [Class X Notes](#), Class A Notes, Class B Notes, Class C Notes or Class D Notes Outstanding, any Class E Note shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of the Secured Debt of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption or prepayment or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, and distributions of Principal Proceeds to Holders of the Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Debt or any Redemption Date), because of insufficient funds therefor shall not be considered “due and payable” for purposes of [Section 5.1\(a\)](#) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Debt will be made in accordance with the Priority of Payments and [Article IX](#).

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States Tax Person or the appropriate IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States Tax Person) or other certification acceptable to it to enable the Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements (including any cost basis reporting obligations) under any such law or regulation and the delivery of any information required under FATCA to prevent the Issuer from being subject to withholding and to determine if payments by the Issuer are subject to withholding. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Debt as a result of deduction or withholding for or on account of any Taxes with respect to the Debt (including any amounts deducted on account of FATCA). Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Debt and any payment with respect to any Subordinated Note shall be made by the Trustee in

Dollars (i) to DTC or its designee with respect to a Global Note, (ii) to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder and (iii) to the Loan Agent for distribution to the Class A-~~H~~1LR Lenders with respect to the Class A-~~H~~1LR Loans pursuant to the Credit Agreement, in immediately available funds to a Dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note or the Loan Agent on behalf of the Class A-~~H~~1LR Lenders; *provided* that in the case of a Certificated Note (1) the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of Debt, the Holder thereof shall present and surrender such Debt at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that if the Trustee and the Issuer shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuer or the Trustee that the applicable Debt has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Issuer, the Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records (or for maintaining, supervising or reviewing such records) maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Debt (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Issuer shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 original principal amount of Secured Debt, original principal amount of Subordinated Notes and the place where such Debt may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Debt of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date. All payments on the Class A-~~H~~1LR Loans shall be made by the Trustee or the applicable Paying Agent to the Loan Agent for disbursement in accordance with the Credit Agreement.

(g) Interest accrued with respect to the ~~Floating-Rate~~Secured Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest

Accrual Period *divided by 360*. ~~Interest accrued with respect to the Fixed Rate Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months; provided, that if a redemption occurs on a Business Day that would not otherwise be a Payment Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.~~

(h) All reductions in the principal amount of any DebtNotes (or one or more predecessor DebtNote instruments, as applicable) effected by payments of installments of principal made on any Payment Date, Redemption Date or Regulatory Refinancing Date shall be binding upon all future Holders of such DebtNotes and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer under the Debt, this Indenture and the Credit Agreement are limited recourse obligations of the Issuer payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, manager, partner, member, employee, shareholder, authorized Person, trustee or incorporator of the Issuer the Collateral Manager, the Retention Provider or their respective Affiliates, successors or assigns for any amounts payable under the Debt ~~or~~, this Indenture or the Credit Agreement. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Debt or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt ~~or~~, this Indenture or the Credit Agreement, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Trustee, and any agent of the Issuer or the Trustee shall treat as the owner of any Debt the Person in whose name such Debt is registered on the Register or the Loan Register, as applicable, on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Debt and on any other date for all other purposes whatsoever (whether or not such Debt is overdue), and none of the Issuer, the ~~Trustee, the~~ Loan Agent, the Trustee or any agent of the Issuer, the Loan Agent or the Trustee shall be affected by notice to the contrary.

Section 2.9 Cancellation. (a) All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, gift, donation or other cause or event) except for payment as provided herein, for registration of transfer, exchange or redemption in accordance with Article IX hereof (in the case of a Special Redemption or a mandatory redemption, only to the extent that such Special Redemption or mandatory redemption results in payment in full of the applicable Class of Debt), or for replacement in connection with any Note deemed lost or stolen. Any Notes surrendered for cancellation as permitted by this Section 2.9 shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it.

(b) In addition to a cancellation pursuant to Section 2.9(a), the Issuer may, with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes, (x) apply any amount on deposit in the Supplemental Reserve Account to acquire any Class of Secured Debt (or beneficial interests therein) or (y) apply any amount on deposit in the Principal Collection Subaccount to acquire Secured Debt (or beneficial interests therein) in accordance with applicable law and in the following sequential order of priority: first, the Class ~~A-1A~~X Notes, ~~the Class A-1B Notes, the Class A-1L1 Loans~~ and the Class ~~A-1L2 Loans~~-1 Debt, *pro rata* based on the Aggregate Outstanding Amount of each Class, until the Class X Notes and the Class A-1 Debt is retired in full; second, the Class A-2 Notes, until the Class A-2 Notes are retired in full; third, the Class ~~B-1~~ Notes ~~and the Class B-2 Notes, pro rata based on the Aggregate Outstanding Amount of each Class~~, until the Class B Notes are retired in full; fourth, the Class C Notes until the Class C Notes are retired in full; fifth, the Class D Notes until the Class D Notes are retired in full; and sixth, the Class E Notes until the Class E Notes are retired in full (any such Secured Debt, “Repurchased Debt”). In addition, the following additional requirements shall apply to the acquisition of Repurchased Debt from Principal Proceeds on deposit in the Principal Collection Subaccount pursuant to Section 2.9(b)(y):

(i) any offer for such purchase must be extended to all Holders of Secured Debt of such Class (provided that no such Holder shall be obligated to accept any such offer);

(ii) no Event of Default has occurred and is continuing on the date of such offer or such acquisition;

(iii) each Coverage Test (as calculated below) is satisfied both immediately before and immediately after giving effect to such acquisition;

(iv) to the extent that Sale Proceeds are used to consummate the acquisition by the Issuer of any such Repurchased Debt, each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality

Tests will be satisfied, maintained or improved after giving effect to such acquisition of Repurchased Debt; and

(v) the purchase price of such Repurchased Debt must be equal to or below par.

Any such Repurchased Debt will be delivered (at the direction of the Issuer (or the Collateral Manager on its behalf)) to the Trustee for cancellation. All Repurchased Debt will be promptly canceled by the Trustee at the direction of the Issuer (or the Collateral Manager on its behalf) and may not be reissued or resold; provided that, solely in the case of Repurchased Debt acquired pursuant to clause (x) above, such Repurchased Debt will continue to be treated as Outstanding under this Indenture solely for purposes of calculating any Coverage Test and the Interest Diversion Test until all Secured Debt of the applicable Class and each Class that is senior in right of payment thereto in the Debt Payment Sequence has been retired, redeemed or prepaid, having an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of repurchase, reduced proportionately with, and to the extent of, any payments of principal on Secured Debt of the same Class thereafter.

Section 2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x) (i) DTC notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Issuer within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in sub-section (a) of this Section 2.10, the Issuer will promptly make available to the Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by sub-section (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership.

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere herein, any transfer of a beneficial interest in any Note to (x) a U.S. person that is not a QIB/QP (other than a U.S. person that is an Institutional Accredited Investor and is also a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser)), (y) any non-U.S. person that is not purchasing such beneficial interest in an offshore transaction pursuant to Regulation S or that is not a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) or (z) in the case of a Class E Note or a Subordinated Note, any non-U.S. person (within the meaning of Regulation S) that is not a QIB/QP, shall be null and void and any such purported transfer of which the Issuer or the Trustee shall have notice may be disregarded by the Issuer and the Trustee for all purposes.

(b) If (i) any U.S. person that is not a QIB/QP (other than a U.S. person that is an Institutional Accredited Investor and is also a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser)) shall become the beneficial owner of an interest in any Note, (ii) any non-U.S. person that is not purchasing such beneficial interest in an offshore transaction pursuant to Regulation S or that is not a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) shall become the beneficial owner of an interest in any Note or (iii) any non-U.S. person (within the meaning of Regulation S) that is not a QIB/QP shall become the beneficial owner of an interest in a Class E Note or a Subordinated Note (any such Person a "Non-Permitted Holder"), the acquisition of Notes by such holder shall be null and void *ab initio*. The Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted Holder or upon notice from the Trustee to the Issuer (who agrees to notify the Issuer of such discovery if a Trust Officer of the Trustee obtains actual knowledge thereof), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such Person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such

Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the ~~Notes~~Debt and sell such Notes to the highest such bidder; *provided* that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of ~~the Notes~~each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any such sale shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere herein, any transfer of a beneficial interest in any Class E Note, Subordinated Note or Certificate to a Person who has made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer or the Trustee shall have notice may be disregarded by the Issuer and the Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any ~~Notes~~Note or any Certificate is a Non-Permitted ERISA Holder, the Issuer shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder or upon notice from the Trustee to the Issuer (who agrees to notify the Issuer of such discovery if a Trust Officer of the Trustee obtains actual knowledge thereof), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes or Certificates held by such Person to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes or Certificates, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes or Certificates to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes or Certificates, as applicable, and selling such Notes or Certificates, as applicable, to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by the Issuer in its sole discretion. The Holder of each Note or Certificate, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes

or Certificates, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes or Certificates sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Treatment and Tax Certification. (a) Each Holder of a Secured Note (including, for purposes of this Section 2.12, a beneficial owner of an interest therein) will represent and agree, or by acquiring a Secured Note or an interest therein will be deemed to represent and agree, to treat such Note as indebtedness for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law.

(a) Each Holder of a Subordinated Note (or an interest therein) will represent and agree, or by acquiring a Subordinated Note (or an interest therein) will be deemed to have represented and agreed, to treat such Note as equity for U.S. federal, state and local income and franchise tax purposes.

(b) Each Holder of a Note (or an interest therein) will acknowledge, or by acquiring a Note (or an interest therein) will be deemed to acknowledge, that the failure to provide the Issuer and the Trustee (and any of their agents) with the properly completed and signed tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a person that is a United States Tax Person or the appropriate IRS Form W-8 (or applicable successor form) in the case of a person that is not a United States Tax Person) may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

(c) Each Holder of a Secured Note (or any interest therein) other than a Class E Note, that is not a United States Tax Person represents, or by acquiring such Note (or any interest therein) will be deemed to represent, to the effect that (i) either (a) it is not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), (b) it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States or (c) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it on the Notes or any interest therein are effectively connected with the conduct of a trade or business in the United States, and (ii) it is not purchasing the Notes or any interest therein in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan within the meaning of Treasury Regulations Section 1.881-3.

(d) Each Holder of a Class E Note or Subordinated Note (or any interest therein) that is not a United States Tax Person represents and agrees, or by acquiring such Note (or any interest therein) will be deemed to represent and agree, that (i) it has provided an IRS Form W-8BEN or W-8BEN-E and it is not a bank (within the meaning

of Section 881(c)(3)(A) of the Code), (ii) it is not, and will provide the Issuer with certifications necessary to establish that it is not, subject to U.S. federal withholding tax under FATCA and (iii) it will not: (a) treat its income in respect of such Note as effectively connected with the conduct of a trade or business in the United States for U.S. federal income tax purposes or (b) provide to the Issuer or its agents an IRS Form W-8ECI (or successor form).

(e) Each Holder of a Secured Note (or an interest therein) that is not a United States Tax Person represents and agrees, or by acquiring such Note (or an interest therein) will be deemed to represent and agree, that it is not and will not become a member of an "expanded group" (within the meaning of the regulations issued under section 385 of the Code) that includes a domestic corporation (as determined for U.S. federal income tax purposes) if (i) such domestic corporation directly or indirectly (through one or more entities that are treated for U.S. federal income tax purposes as partnerships, disregarded entities, or grantor trusts) owns any equity interests in the Issuer and (ii) the Issuer is a "controlled partnership" (within the meaning of the regulations issued under section 385 of the Code) with respect to such expanded group.

(f) Each Holder of a Class E Note or Subordinated Note (or an interest therein) represents and agrees, or by acquiring a Class E Note or Subordinated Note (or an interest therein) will be deemed to represent and agree, that if classified as a partnership, Subchapter S corporation or grantor trust, it will not acquire or own such Note unless (I) (A) except in the case of Woodmont Intermediate 2022-9 Trust, none of the direct or indirect beneficial owners of any interest in such person have or ever will have more than 40% of the value of its interest in such person attributable to the aggregate interest of such person in the combined value of the Class E Notes, the Subordinated Notes and any equity interests in the Issuer, and (B) it is not and will not be a principal purpose of the arrangement involving the investment of such person in any Class E Notes, the Subordinated Notes and any equity interests of the Issuer to permit any partnership to satisfy the 100-partner limitation of Treasury Regulations Section 1.7704-1(h)(1)(ii) or (II) such person obtains written advice of Dechert LLP or an opinion of nationally recognized U.S. tax counsel reasonably acceptable to the Issuer that such transfer will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation.

(g) Each Holder of a Class E Note or Subordinated Note (or an interest therein) represents and agrees, or by acquiring such Note (or an interest therein) will be deemed to represent and agree, that it will not participate in the creation or other transfer of any financial instrument or contract the value of which is determined in whole or in part by reference to the Issuer (including the amount of distributions by the Issuer, the value of the Issuer's assets or the results of the Issuer's operations), the Class E Notes or the Subordinated Notes.

(h) Each Holder of a Class E Note or Subordinated Note (or an interest therein) represents and agrees, or by acquiring a Class E Note or Subordinated Note (or an interest therein) will be deemed to represent and agree, that it will not acquire, or sell, transfer, assign, participate, pledge or otherwise dispose of a Class E Note or

Subordinated Note (or an interest therein) or cause a Class E Note or Subordinated Note (or an interest therein) to be marketed, (I) on or through an “established securities market” within the meaning of Section 7704(b)(1) of the Code and Treasury Regulations Section 1.7704-1(b), including without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations or (II) if such acquisition, sale, transfer, assignment, participation, pledge or other disposition would cause the combined number of holders of Class E Notes, the Subordinated Notes, and any equity interests in the Issuer to be more than 90.

(i) Each Holder of a Class E Note or Subordinated Note (or an interest therein) will acknowledge and agree, or by acquiring a Class E Note, Subordinated Note or an interest therein will be deemed to have acknowledged and agreed, that any sale, transfer, assignment, participation, pledge, or other disposition of a Class E Note or Subordinated Note (or an interest therein) that would violate any of the three preceding paragraphs above or otherwise cause the Issuer to be unable to rely on the “private placement” safe harbor of Treasury Regulations Section 1.7704-1(h) will be void and of no force or effect, and it will not transfer any interest in a Class E Note or Subordinated Note to any person that does not agree to be bound by the three preceding paragraphs above or by this paragraph, unless the Issuer obtains written advice of Dechert LLP or an opinion of nationally recognized U.S. tax counsel reasonably acceptable to the Issuer that such violation will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation.

(j) No acquisition of an interest in a Subordinated Note shall be valid or otherwise recognized if such acquisition results in a single holder (or persons treated for U.S. federal income tax purposes as a single holder) owning more than 98% of the outstanding Subordinated Notes.

(k) Each Holder of a Note (or an interest therein) agrees that it will deliver to the Trustee or its agents within 10 Business Days of its purchase or transfer, and thereafter if reasonably requested by the Trustee (at the direction of the Collateral Manager) or its agents, a certificate in the form of Exhibit G (a “Qualified Holder Certificate”). The Issuer may waive the requirement for any initial purchaser or transferee of a Note to deliver a Qualified Holder Certificate or may permit such certificate to be delivered following such 10 Business Day period in its sole discretion.

(l) Except in the case of Woodmont Intermediate 2022-9 Trust or as agreed in writing by the Issuer upon advice of counsel, each purchaser or transferee beneficially entitled to interest payable to it under the Class E Notes represents that it is (A) an association taxable as corporation that is subject to tax in the United States on its worldwide income provided that such association is not acting for this purpose through a branch or agency in Ireland, or (B) a limited liability company (“LLC”) or limited partnership (“LP”) created or organized, in each case, in the United States or under the laws of the United States or of any state thereunder whose members or partners, as applicable, consist solely of persons described in (A) above and the business conducted

through the LLC or LP is structured for market reasons and not for tax avoidance purposes.

Each Holder of a Note (or an interest therein) will agree, or by acquiring a Note or an interest therein will be deemed to agree, to indemnify the Issuer, the Trustee and their respective agents and each of the holders of the Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such holder to comply with its obligations under a Note. Each holder of a Note (and any interest therein) acknowledges, or by acquiring a Note (or an interest therein) will be deemed to acknowledge, that this indemnification will continue with respect to any period during which it held a Note (or an interest therein) notwithstanding it ceasing to be a holder of the Note.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of a Risk Retention Issuance only, during or after the Reinvestment Period), the Issuer may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof, issue, incur and sell Additional Debt of each Class (other than the Class X Notes) (on a *pro rata* basis with respect to each Class of Debt or, if additional Class A-1 Debt is not being issued or incurred, on a *pro rata* basis for all Classes of Debt that are subordinate to the Class A-1 Debt, except, in each case, that a larger proportion of Subordinated Notes may be issued) and use the proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture; *provided* that, other than in connection with a Risk Retention Issuance, the following conditions are met:

- (i) the Collateral Manager consents to such issuance and such issuance is approved by a Majority of the Subordinated Notes;
- (ii) the aggregate principal amount of Additional Debt of any Class issued or incurred in all additional issuances or incurrences shall not exceed 100% of the respective original outstanding principal amount of the Debt of such Class;
- (iii) the Issuer has provided prior written notice of such issuance to S&P and unless only additional Subordinated Notes are being issued, the S&P Rating Condition shall be satisfied in connection therewith;
- (iv) the proceeds of any Additional Debt (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds or used to purchase additional Collateral Obligations;
- (v) the net proceeds of the issuance of any additional Subordinated Notes shall be deposited in the Supplemental Reserve Account and employed in connection with any Permitted Use; *provided* that this subclause (v) shall only apply if such additional Subordinated Notes are the only Notes included in such additional issuance;
- (vi) other than with respect to the first \$300,000,000 in principal amount of Additional Debt, the prior written consent of a Majority of the Class A-1 Debt shall have been obtained;

Upon the occurrence of an Event of Default known to a Trust Officer of the Trustee, the Trustee shall promptly (and in no event later than three Business Days thereafter) notify the Holders (as their names appear on the Register or Loan Register, as applicable), the Paying Agent and the Rating Agency of such Event of Default in writing (unless such Event of Default has been cured or waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Issuer and the Rating Agency, declare the principal of all the Secured Debt to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder and under the Credit Agreement, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Debtholder; *provided* that the Trustee shall promptly give written notice of any such acceleration of maturity to the Rating Agency.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) The Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Issuer and other sums paid or advanced by the Trustee hereunder; or by the Collateral Administrator under the Collateral Administration Agreement or hereunder or by the Loan Agent under the Credit Agreement, accrued and unpaid Aggregate Collateral Management Fees then due and owing and any other amounts then payable by the Issuer hereunder prior to such

Administrative Expenses and such Aggregate Collateral Management Fees.

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have:

(A) been cured; and

(I) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A-1 Debt or the Class A-2 Notes (unless such default is caused solely by the application of Section 11.1(a)(iii) following acceleration), the Holders of at least a Majority of the Class A-1 Debt (so long as the Class A-1 Debt is Outstanding) or the Class A-2 Notes (so long as the Class A-2 Notes are Outstanding and if the Class A-1 Debt is no longer Outstanding), by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld); *provided* that no Class of Debt (other than the applicable Class A Debt) shall have any rights pursuant to this subclause (I), regardless of whether any such Class subsequently becomes the Controlling Class;

(II) in the case of an Event of Default specified in Section 5.1(g), the Holders of at least a Majority of the Class A-1 Debt, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld); *provided* that no Class of Debt (other than the Class A-1 Debt) shall have any rights pursuant to this subclause (II), regardless of whether any such Class subsequently becomes the Controlling Class; or

(III) in the case of any other Event of Default, the Holders of at least a Supermajority of each Class of Secured Debt (voting separately by Class), in each case, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld); or

(B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. The Trustee shall promptly give written notice of any such rescission to the Rating Agency.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Debt will not be subject to acceleration by the Trustee solely as a result of the failure to

pay any amount due on the Secured Debt that are not of the Controlling Class other than any failure to pay interest due on the Class B Notes.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenants that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Issuer will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement herein or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or any other obligor upon the Secured Debt under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

- (a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or

advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Secured Debt allowed in any Proceedings relative to the Issuer or to the creditors or property of the Issuer;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of Secured Debt upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Debtholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Debt to make payments to the Trustee, and, if the Trustee shall consent to the making of payments directly to the Holders of Secured Debt to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders of Secured Debt, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders of Secured Debt, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Debt ~~have~~has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuer agrees that the Trustee may, and shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof; *provided* that the Trustee shall promptly give written notice of any such sale of Assets to the Rating Agency;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Debt hereunder (including exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

*provided* that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Debt, which may be the Placement Agents, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the direction of a Majority of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or

any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Issuer, the Trustee and the Holders of the Debt, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Issuer, any Tax Subsidiary, the Trustee, the Secured Parties or the Debtholders may, prior to the date which is one year and one day (or if longer, any applicable preference period and one day) after the payment in full of all Debt, institute against, or join any other Person in instituting against the Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or any Tax Subsidiary or any of its respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein (but subject to the right of the Collateral Manager to direct the Trustee to sell Collateral Obligations or Equity Securities in strict compliance with Section 12.1), if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Debt intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Secured Debt (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid

Senior Collateral Management Fee) and a Majority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A-1 Debt or the Class A-2 Notes (unless such default is caused solely by the application of Section 11.1(a)(iii) following acceleration), the Holders of at least a Majority of the Class A-1 Debt (so long as the Class A-1 Debt is Outstanding) or the Class A-2 Notes (so long as the Class A-2 Notes are Outstanding and if the Class A-1 Debt is no longer Outstanding) or direct the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default); *provided* that no Class of Debt (other than the applicable Class A Debt) shall have any rights to direct the sale and liquidation of the Assets pursuant to this clause (ii), regardless of whether any such Class subsequently becomes the Controlling Class;

(iii) in the case of an Event of Default specified in Section 5.1(g), the Holders of at least a Majority of the Class A-1 Debt directs the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default); *provided* that no Class of Secured Debt (other than the Class A-1 Debt) shall have any rights to direct the sale and liquidation of the Assets pursuant to this clause (iii), regardless of whether any such Class subsequently becomes the Controlling Class; or

(iv) in the case of each other Event of Default, the Holders of at least a Supermajority of each Class of Secured Debt (in each case, voting separately by Class) direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i), (ii), or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Secured Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Asset from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such Assets and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Asset. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to each Asset from one nationally recognized dealer at the time making a market in such

Assets, the Trustee shall compute the anticipated proceeds of the sale or liquidation on the basis of such one bid price for each such Asset. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

(d) The Trustee shall deliver to the Debtholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

(e) Prior to the sale of any Assets in connection with Section 5.5(a)(i), the Trustee shall offer the Collateral Manager or an Affiliate thereof the right to purchase such Asset at a price equal to the highest bid price received by the Trustee in accordance with Section 5.5(c) (or if only one bid price is received, such bid price). The Collateral Manager or an Affiliate thereof shall have the right to bid on any Assets sold in any sale pursuant to this Section 5.5.

Section 5.6 Trustee May Enforce Claims Without Possession of Debt. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Debt pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Debt hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV. Furthermore, upon such liquidation and final distribution, the Subordinated Notes shall be deemed to be redeemed and paid in full, even if amounts paid pursuant to Section 11.1(a) are insufficient to pay the Subordinated Notes in full as set forth in Section 4.4(b).

Section 5.8 Limitation on Suits. No Holder of any Debt shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, the Credit Agreement or for the appointment of a receiver or trustee, or for any other remedy hereunder or under the Credit Agreement, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than a Majority of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Debt shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Debt of the same Class or to enforce any right under this Indenture or the Credit Agreement, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class (or from the Holders of the Class B Notes where permitted herein), each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Holders of Secured Debt to Receive Principal and Interest. Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture or the Credit Agreement, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Debt still Outstanding shall have no right to institute Proceedings or, except as otherwise expressly set forth in Section 5.8(b), to request the Trustee to institute proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Debtholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Debtholder, then and in every such case the Issuer, the Trustee and the Debtholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Debtholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Debtholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Debt.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance, of an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture or the Credit Agreement;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with an indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Debt representing the requisite percentage of the Aggregate Outstanding Amount of Debt specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a

Majority of the Controlling Class may on behalf of the Holders of all the Debt waive any past Default or Event of Default and its consequences, except a Default:

- (a) in the payment of the principal of any Secured Debt (which may be waived only with the consent of the Holder of such Secured Debt);
- (b) in the payment of interest on any Secured Debt (which may be waived only with the consent of the Holder of such Secured Debt);
- (c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Debt materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or
- (d) in respect of a representation contained in Section 7.19 (which may be waived only by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Issuer, the Trustee and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Rating Agency, the Collateral Manager and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Debt by such Holder's acceptance thereof or entry into the Credit Agreement, as applicable, shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Debtholder, or group of Debtholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Debtholder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants set forth in, the performance of, or any remedies under this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby

expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a “Sale”) of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired (subject to Section 5.5(e) in the case of sales pursuant to Section 5.5) until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Debtholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee and the Collateral Manager (and/or any of its affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee’s authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice to the Holders of the Debt as soon as reasonably practicable of any public Sale, and the Holders of the Debt, and the Collateral Manager (and each of their Affiliates) shall be permitted to participate in any such public Sale to the extent permitted by applicable law and to the extent such Holders or the Collateral Manager (or their Affiliates), as applicable, meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Debt. The Trustee's right to seek and recover judgment on the Debt or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Debtholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer.

## ARTICLE VI

### THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth herein, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Debtholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-section shall not be construed to limit the effect of sub-section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary incidental services, including mailing of notices under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), or (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Debt generally, the Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made herein to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, forward

such notice to the Debtholders (as their names appear in the Register or Loan Register, as applicable).

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) The Trustee shall forward any notices to the Holders of Class A-1 Debt to the Loan Agent for forwarding to the Class A-~~H~~1LR Lenders.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Collateral Manager, the Rating Agency, and all Holders, as their names and addresses appear on the Register or Loan Register, as applicable, notice of all Event of Defaults hereunder known to the Trustee, unless such Event of Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, request and rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in Assets of the type being valued, securities quotation services, loan pricing services and loan valuation agents;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the

Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall (subject to the right hereunder to be indemnified to its reasonable satisfaction for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Issuer and the Collateral Manager, to examine the books and records relating to the Debt and the Assets, personally or by agent or attorney, during the Issuer's or the Collateral Manager's normal business hours; *provided* that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through Affiliates, agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent appointed or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants identified in the Accountants' Report (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent

accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream, or any other clearing agency or depository and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a “securities intermediary” as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent, Loan Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Credit Agreement, Collateral Administration Agreement, Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated herein shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Debt generally, the Issuer or this Indenture. Whenever reference is made herein to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, terrorism, loss or malfunctions of utilities, computer (hardware or software) or communications services, any act or provision of any present or future law or regulation or governmental authority, accidents, labor disputes, disease, epidemic, pandemic, quarantine, national emergency or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility);

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) to the extent not inconsistent herewith, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Bank in each of its capacities and also to the Collateral Administrator; *provided* that, with respect to the Collateral Administrator, such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(t) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third party or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(u) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(v) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance; and

(w) unless the Trustee receives written notice of an error or omission related to financial information or disbursements provided to Holders within 90 days of Holders'

receipt of the same, the Trustee shall have no liability in connection with such and, absent direction by the requisite percentage of Holders entitled to direct the Trustee, no further obligations in connection thereof.

Section 6.4 Not Responsible for Recitals or Issuance of Debt. The recitals contained herein and in the Debt, other than the Certificate of Authentication thereon, shall be taken as the statements of the Issuer; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Debt. The Trustee shall not be accountable for the use or application by the Issuer of the Debt or the proceeds thereof or any Money paid to the Issuer pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Trustee, the Loan Agent, any Paying Agent, Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Issuer or any of their Affiliates with the same rights it would have if it were not Trustee, Loan Agent, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, any costs related to FATCA compliance, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense

(including reasonable attorneys' fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Trustee is a party only as provided in Sections 11.1(a)(i), (ii) and (iii) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Debtholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If, on any date when a fee or an expense shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing against the Issuer or any of its subsidiaries, of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or, if longer, the applicable preference period then in effect and one day, after the payment in full of all Debt issued under this Indenture or incurred under the Credit Agreement.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or Section 5.1(f), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a long-term issuer credit rating of at least "BBB" by S&P and having an office within the United States; *provided*, that if the Trustee, or its successor's ratings at any time are below the minimum

rating or combine capital and surplus requirements as set forth in this sentence, the Trustee (x) shall promptly notify the Issuer and the Collateral Manager and (y) may retain its eligibility if it obtains or has obtained (i) a confirmation from the Rating Agency that the Rating Agency's then-current ratings of the Class A ~~1A Notes, the Class A 1B Notes, the Class A 1L1 Loans, the Class A 1L2 Loans and the Class A 2 Notes~~ Debt will not be downgraded or withdrawn by reason of the Trustee's rating or capitalization or (ii) a written waiver or other written acknowledgement (which may be evidenced by an exchange of electronic messages or facsimiles) from the Rating Agency that it will not review the Rating Agency's then current rating of the Debt in such circumstances. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10. If at any time the Bank shall resign or be removed as Loan Agent under the Credit Agreement, such resignation or removal shall not be deemed to be a resignation or removal of the Bank as Trustee hereunder.

(b) Subject to Section 6.9(a), the Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Issuer, the Collateral Manager, the Holders of the Debt and the Rating Agency. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by a Responsible Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; *provided* that such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Debt of each Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days written notice by Act of a Majority of each Class of Debt or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuer.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Issuer, by Issuer Order, shall promptly appoint a successor Trustee. If the Issuer shall fail to appoint a successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Trustee or any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, to the Rating Agency and to the Holders of the Debt as their names and addresses appear in the Register or Loan Register, as applicable. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuer fails to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuer. If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Issuer and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee;

but, on request of the Issuer or a Majority of any Class of Secured Debt or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

**Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.** Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

**Section 6.12 Co-Trustees.** At any time or times, the Issuer and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to written notice to the Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer does not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Issuer be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer. The Issuer agrees to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

- (a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of the Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify the Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. If the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or a paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement or under this Indenture, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made

provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any Person into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any Person succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor Person.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax (which, for the avoidance of doubt, shall include any withholding required on account of FATCA) is imposed by applicable law on the Issuer's payment (or allocations of income) under the Debt or if any tax is imposed on a payment to the Issuer on account of a failure of a Holder of Debt or owner of any interest therein to comply with (i) FATCA or (ii) any requirements to provide documentation to avoid withholding, such tax shall reduce the amount otherwise distributable to the relevant Holder of Debt or owner of any interest therein, and each such Holder and owner shall indemnify the Issuer for any withholding that would not have been imposed if the Holder or owner had complied with such obligations. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings) or may be withheld because of a failure by a Holder to provide any information required under FATCA or otherwise and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Debt shall be treated as Cash distributed to the

relevant Holder at the time it is withheld by the Trustee. If there is a reasonable possibility that withholding is required by applicable law with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Except as may be required under FATCA, nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Debt.

Section 6.16 Representative for Holders of the Secured Debt Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any item of Asset to the Trustee is to the Trustee as representative of the Holders of the Secured Debt and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, and the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Secured Debt, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Loan Agent, Paying Agent, Registrar, Transfer Agent and Calculation Agent under this Indenture and the Credit Agreement. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture and the Credit Agreement, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture and the Credit Agreement, nor the consummation of the transactions

contemplated by this Indenture ~~and the Credit Agreement~~, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank.

The Issuer hereby appoints CT Corporation System (the "Process Agent"), 28 Liberty Street, New York, NY 10005, as its agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided* that (x) the Issuer will maintain in the Borough of Manhattan, the City of New York, an office or agency where notices and demands to or upon the Issuer in respect of the Debt and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Debt may be presented for payment; and (y) no paying agent shall be appointed in a jurisdiction which subjects payments on the Debt to withholding tax solely as a result of such Paying Agent's activities. The Issuer shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Issuer shall give prompt written notice to the Trustee, the Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer shall fail to maintain any such required office or agency in the Borough of Manhattan, the City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at, notices and demands may be served on the Issuer, and Debt may be presented and surrendered for payment to the appropriate Paying

Whenever the Issuer shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the NotesDebt with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article XI.

The initial Paying Agent shall be as set forth in Section 7.2. If such successor Paying Agent ceases to meet the minimum rating provided in Section 6.8, the Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state banking authorities. The Issuer shall cause any Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

- (a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the ~~Notes~~Debt in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee, the Loan Agent or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee, the Loan Agent or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee, the Loan Agent or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Issuer. (a) The Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as a statutory trust formed under the laws of the State of Delaware, and shall obtain and preserve its qualification to do business as a foreign entity in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Credit Agreement, the Debt, or any of the Assets; *provided* that the Issuer shall be entitled to change its jurisdiction of formation from the State of Delaware to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such

change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee by the Issuer, which notice shall be promptly forwarded by the Trustee to the Holders, the Collateral Manager, the Loan Agent (for forwarding to the Class A-~~H~~ILR Lenders) and to the Rating Agency and (iii) on or prior to the 15<sup>th</sup> Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer (i) shall ensure that all organizational or other formalities regarding its existence (including, if required, holding regular meetings of the Principal Trustee, or other similar meetings) are followed and (ii) shall not have any employees (other than its trustees to the extent they are employees). The Issuer shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (A) the Issuer shall not have any subsidiaries other than any subsidiary that (x) meets the then-current general criteria of the Rating Agency for bankruptcy remote entities, (y) is formed for the sole purpose of holding assets that the Issuer is precluded from owning pursuant to the Tax Guidelines (excluding, for the avoidance of doubt, any interest that causes the Issuer's subsidiary to have or be deemed to have an ownership interest or a controlling interest in real property or an ownership interest in an entity that has a controlling interest in real property), in each case, either (i) received (by such subsidiary) as a result of a workout of a Defaulted Obligation that was previously acquired by the Issuer or (ii) was previously a Collateral Obligation, but that the Issuer is otherwise precluded from owning during the workout process and (z) includes customary "non-petition" and "limited recourse" provisions in any agreement to which it is a party (any such subsidiary, a "Tax Subsidiary"); (B) (x) the Issuer shall not (1) except as contemplated by the Collateral Management Agreement or the Trust Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (2) pay dividends other than in accordance with the terms of this Indenture and the Trust Agreement and (y) the Issuer shall (1) maintain books and records separate from any other Person, (2) maintain its accounts separate from those of any other Person, (3) not commingle its assets with those of any other Person, (4) conduct its own business in its own name, (5) maintain separate financial statements, (6) pay its own liabilities out of its own funds, (7) maintain an arm's length relationship with its Affiliates, (8) use separate stationery, invoices and checks, (9) hold itself out as a separate Person, (10) correct any known misunderstanding regarding its separate identity and (11) have at least one trustee that is Independent of the Collateral Manager.

(c) The Issuer shall ensure that any Tax Subsidiary (i) is wholly owned by the Issuer, (ii) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents, (iii) will not have any subsidiaries, (iv) will comply with the restrictions set forth in Section 7.8(a)(ix) and (x) of this Indenture, (v) will not incur or guarantee any indebtedness and will not hold itself out as being liable of the debts of any other Person, (vi) will include in its constituent documents a limitation on its business such that it may only engage in the acquisition of

assets permitted under this Indenture and the disposition of such assets and the proceeds thereof to the Issuer (and activities ancillary thereto), (vii) will have at least one director that is Independent from the Collateral Manager, (viii) will distribute 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer, (ix) will not acquire title to real property, (x) will be treated (or will elect to be treated) as a corporation for U.S. federal income tax purposes, (xi) shall not take any action, or conduct its affairs in a manner, that is likely to result in such Tax Subsidiary's separate existence being ignored or its assets and liabilities being substantively consolidated with any other person in a bankruptcy, reorganization or other insolvency proceeding and (xii) shall dispose of any assets acquired prior to the earliest Stated Maturity of the Debt.

(d) The Issuer shall provide the Rating Agency with prior written notice of the formation of any Tax Subsidiary and of the transfer of any asset to any Tax Subsidiary.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; *provided* that the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Debt hereunder and to:

- (i) Grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Assets or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Debt in the Assets against the claims of all Persons and parties; or
- (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Section 5.5 or Section 10.8(a), (b) and (c), as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. Within the six-month period preceding the fifth anniversary of the Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee an Opinion of Counsel either (i) stating that, in the opinion of such counsel, such action has been taken (including without limitation with respect to the filing of any Financing Statements and continuation statements) as is necessary to maintain the lien and security interest created by this Indenture and reciting the details of such action or (ii) describing the filing of any Financing Statements and continuation statements that shall, in the opinion of such counsel, be required to maintain the lien and security interest of this Indenture.

Section 7.7 Performance of Obligations. (a) The Issuer, as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity therewith or with this Indenture, as applicable, or as otherwise required hereby or deemed necessary or advisable by the Collateral Manager in accordance with the Collateral Management Agreement.

(b) The Issuer shall notify the Rating Agency within 10 Business Days after it has received notice from any Debtholder or the Issuer of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer will not from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture, the Credit Agreement or the Debt except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(ix) conduct business under any name other than its own;

(x) have any employees (other than their respective directors and managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement; and

(b) The Issuer shall not be party to any agreements without including customary “non-petition” and “limited recourse” provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Assets which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(c) Notwithstanding anything contained herein to the contrary, the Issuer may not acquire any of the Secured Debt; *provided* that this Section 7.8(c) shall not be deemed to limit an optional or mandatory redemption pursuant to the terms of this Indenture.

Section 7.9 Statement as to Compliance. On or before February ~~28th~~28 in each calendar year commencing in ~~2023~~2025, or immediately if there has been a Default under this Indenture and prior to the issuance or incurrence of any Additional Debt pursuant to Section 2.13, the Issuer shall deliver to the Trustee (to be forwarded by the Trustee to the Collateral Manager, the Collateral Administrator, the Loan Agent, each Debtholder making a written request therefor and the Rating Agency) an Officer’s certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Issuer May Consolidate, etc., Only on Certain Terms. The Issuer (the “Merging Entity”) shall not consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by United States and Delaware law and unless:

(a) the Merging Entity shall be the surviving entity, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the “Successor Entity”) (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the State of Delaware or such other jurisdiction approved by a Majority of the Controlling Class; *provided* that no such approval shall be required in connection with any such transaction undertaken solely to

(b) the Rating Agency shall have been notified in writing of such consolidation or merger and the Trustee shall have received written confirmation from S&P that its then-current ratings issued with respect to the Secured Debt then rated by the Rating Agency will not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving entity as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee and the Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in sub-section (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of a supplemental indenture hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture and any other Permitted Liens, to the Assets securing all of the Secured Debt and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Debt; and in each case as to such other matters as the Trustee or any Debtholder may reasonably require; *provided* that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Rating Agency of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Debtholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, the Issuer (or, if applicable, the Successor Entity) will not be required to register as an investment company under the 1940 Act;

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the 1940 Act by any U.S. Person;

(i) the fees, costs and expenses of the Trustee (including any reasonable legal fees and expenses) associated with the matters addressed in this Section 7.10 shall have been paid by the Merging Entity (or, if applicable, the Successor Entity) or otherwise provided for to the satisfaction of the Trustee; and

(j) the Successor Entity will not be treated as an association taxable as a corporation for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis (including any tax imposed under Section 1446 of the Code).

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer in accordance with Section 7.10 in which the Merging Entity is not the surviving entity, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Debt and from its obligations under this Indenture, the Credit Agreement and the other Transaction Documents to which it is a party.

Section 7.12 No Other Business. The Issuer shall not have any employees (other than its trustees to the extent they are employees) and shall not engage in any business or activity other than issuing, selling, paying and redeeming the Debt and any Additional Debt issued pursuant to this Indenture or incurred pursuant to the Credit Agreement, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, the Assets and other incidental activities thereto, including entering into the Transaction Documents to which it is a party and establishing and owning any Tax Subsidiary. The Issuer shall not engage in any

business or activity other than issuing and selling the Class X Notes, the Class A-1 Debt, the Class ~~A-2 Notes, the Class~~ B Notes, the Class C Notes, the Class D Notes and the Class E Notes pursuant to this Indenture, the Credit Agreement and other incidental activities thereto. The Issuer may amend, or permit the amendment of, its Trust Agreement or Certificate of Trust with written notice to the Rating Agency.

Section 7.13 Listing; Notice Requirements. So long as the Listed Notes remain Outstanding, the Issuer shall use all reasonable efforts to maintain listing on ~~Euronext Dublin~~the Cayman Islands Stock Exchange (and/or any other listing obtained in respect of the Listed Notes).

(b) So long as the Listed Notes are listed on ~~Euronext Dublin~~the Cayman Islands Stock Exchange (and the guidelines of such exchange so require), all notices delivered to Holders pursuant to the terms of this Indenture shall also be delivered to ~~Euronext Dublin~~the Cayman Islands Stock Exchange. Upon the cancellation of Listed Notes in accordance with the provisions of Section 2.9, the Trustee shall arrange for notice of such cancellation to be delivered to ~~Euronext Dublin~~the Cayman Islands Stock Exchange, so long as any Listed Notes are listed thereon and the guidelines of such exchange so required.

Section 7.14 Annual Rating Review. So long as any of the Secured Debt of any Class remain Outstanding, on or before February ~~28th~~28 in each year commencing in ~~2023~~2025, the Issuer shall obtain and pay for an annual review of the rating of each such Class of Secured Debt from the Rating Agency. The Issuer shall promptly notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the then-current rating of any such Class of Secured Debt has been, or is known will be, changed or withdrawn.

Section 7.15 Reporting. At any time when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3 - 2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuer shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. “Rule 144A Information” shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Secured Debt remains Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, each portion thereof) in accordance with the definition of “Benchmark” (the “Calculation Agent”). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the

Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, as described in sub-section (b), in respect of any Interest Accrual Period, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, on each Interest Determination Date, as soon as possible but in no event later than 5:00 p.m. New York time on such Interest Determination Date, the Calculation Agent shall calculate the Interest Rate applicable to each Class of Secured Debt during the related Interest Accrual Period and the Debt Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Secured Debt in respect of the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Issuer, the Trustee, the ~~Loan Agent, the~~ Paying Agent, the Loan Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent will also specify to the Issuer the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Issuer before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Debt Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Trustee nor the Calculation Agent shall have any liability or responsibility for the determination (other than the calculation of such rate once such applicable rate has been selected), selection or verification of a Benchmark (including SOFR or the Term SOFR Rate) or the Fallback Rate or any Base Rate Modifier, or whether the conditions for the designation of any such rate or adjustment have been satisfied. The Trustee and the Calculation Agent shall be entitled to rely upon the Collateral Manager's designation of any such rate and shall have no liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a base rate as described herein and shall have no obligation to calculate any Fallback Rate to the extent it is incapable of implementing operationally.

Section 7.17 Certain Tax Matters. (a) The Issuer shall treat itself as a partnership for U.S. federal income tax purposes, and shall not make any election to be treated as an association taxable as a corporation for U.S. federal income tax purposes.

(b) The Issuer shall treat (i) the Secured Debt as indebtedness of the Issuer for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law and (ii) the Subordinated Notes as equity in the Issuer for U.S. federal, state and local income and franchise tax purposes.

(c) Upon the designation of a Fallback Rate that results in a "significant modification" for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury Regulations Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether the ~~Notes are~~ Debt is traded on an established market, and (ii) if so traded, to determine the fair market value of such ~~Notes~~ Debt and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of such designation of a Fallback Rate.

(d) The Issuer shall prepare and file, and the Issuer shall cause each Tax Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer and the Tax Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority that the Issuer or the Tax Subsidiary are required to file (and, where applicable, deliver), provided that the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States on the basis that it is engaged in a trade or business in the United States for U.S. federal income tax purposes unless it shall have obtained an opinion or advice from Approved Tax Counsel, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) If the Issuer has purchased an interest and the Issuer is aware that such interest is a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of a Subordinated Note (or any Note that is required to be treated as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

(f) Notwithstanding anything herein to the contrary, the Collateral Manager, the Trustee, the Collateral Administrator, the Placement Agents, the Retention Provider, the Holders and beneficial owners of the Debt and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Issuer, the Trustee, the Collateral Administrator, the Placement Agents, the Retention Provider or any other party to the transactions contemplated by this Indenture, the Offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

(g) Upon the Issuer's receipt of a request of a Holder of a Class C Note, a Class D Note or a Class E Note or written request of a Person certifying that it is an owner of a beneficial interest in a Class C Note, a Class D Note or a Class E Note (including, in each case, Holders and beneficial owners of any Additional Debt issued hereunder) for the information described in United States Treasury Regulation Section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause its Independent certified public accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information. Upon request by the Independent accountants, the Trustee shall provide to the Independent accountants information reasonably available to it as reasonably requested by the Independent accountants to comply with this Section 7.17, including information contained in the Register.

(h) If required to prevent the withholding and imposition of United States income tax on payments made to the Issuer, the Issuer shall deliver or cause to be delivered the appropriate IRS Form(s) W-8 or W-9, as applicable, or applicable successor form(s) certifying as to the United States Tax Person status of the Issuer, together with any other tax certifications or agreements, to each issuer or Obligor of or counterparty with respect to an Asset at the time such Asset is purchased or entered into by the Issuer and thereafter prior to the obsolescence or expiration of such form.

(i) The Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority, and shall provide to each Holder of a Class E Notes or a Subordinated Note, any information that such Holder reasonably requests in order for such Holder to (i) comply with its federal, state, or local tax return filing and information reporting obligations, (ii) make and maintain a "qualified electing fund" ("QEF") election (as defined in the Code) with respect to any foreign Tax Subsidiary, (iii) file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to any foreign Tax Subsidiary, or (iv) comply with filing requirements that arise as a result of the Issuer being classified as a partnership for U.S. federal income tax purposes.

(j) If so requested by a Majority of the Subordinated Notes, and if such Holders agree to reimburse the Issuer for all costs associated with such election, the Issuer is authorized to make (or hire accountants to make) an election under Section 754 of the Code.

(k)

(i) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Partner in accordance with Section 704(b) of the Code and Treasury Regulations Section 1.704-1(b)(2)(iv).

(ii) For capital account purposes, all items of income, gain, loss and deduction shall be allocated among the Partners in a manner such that, if the Issuer were dissolved, its affairs wound up, its assets sold for their respective

"book values" (within the meaning of Treasury Regulations Section 1.704-1(b)(2)(iv)) and its liabilities satisfied in full (except that nonrecourse liabilities with respect to an asset shall be satisfied only to the extent that such nonrecourse liabilities do not exceed the book value of such asset) and its assets distributed to the Partners in accordance with their respective capital account balances immediately after making such allocation, such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to the provisions of this Indenture. Any special allocations provided for in Section 7.17(jk)(iv)-(vii) shall be taken into account for capital account purposes. For U.S. federal, state and local income tax purposes, items of income, gain, loss, deduction and credit shall be allocated to the Partners in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17(jk), except that items with respect to which there is a difference between tax and book basis will be allocated in accordance with Section 704(c) of the Code and Treasury Regulations Section 1.704-1(b)(4)(i).

(iii) The provisions of this Section 7.17(jk) relating to the maintenance of capital accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such regulations. The Partnership Representative shall be authorized to make appropriate amendments to the allocations of items pursuant to this Section 7.17(jk) if necessary in order to comply with Section 704 of the Code or the appropriate provisions of Treasury Regulations.

(iv) Notwithstanding any other provision set forth in this Section 7.17(jk), no item of deduction or loss shall be allocated to a Partner to the extent the allocation would cause a negative balance in the Partner's capital account (after taking into account the adjustments, allocations and distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6)) that exceeds the amount that such Partner would be required to reimburse the Issuer pursuant to this Indenture or under applicable law. In the event some but not all of the Partners would have such excess capital account deficits as a consequence of such an allocation of loss or deduction, the limitation set forth in this Section 7.17(jk)(iv) shall be applied on a Partner-by-Partner basis so as to allocate the maximum permissible deduction or loss to each such Partner under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). In the event any loss or deduction is specially allocated to a Partner pursuant to either of the two preceding sentences, an equal amount of income of the Issuer shall be specially allocated to such Partner prior to any allocation pursuant to Section 7.17(jk)(ii).

(v) In the event any Partner unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6), items of Issuer income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate as quickly as possible any deficit balance in its capital account in excess of that permitted under Section 7.17(jk)(iv) created by such adjustments, allocations or distributions. Any special allocations of items of income or gain

pursuant to this Section 7.17(jk)(v) shall be taken into account in computing subsequent allocations pursuant to this Section 7.17(jk)(v) so that the net amount of any items so allocated and all other items allocated to each Partner pursuant to this Section 7.17(jk)(v) shall, to the extent possible, be equal to the net amount that would have been allocated to each such Partner pursuant to the provisions of this Section 7.17(jk) if such unexpected adjustments, allocations or distributions had not occurred.

(vi) In the event the Issuer incurs any nonrecourse liabilities, income and gain shall be allocated in accordance with the "minimum gain chargeback" provisions of Treasury Regulations Sections 1.704-1(b)(4)(iv) and 1.704-2.

(vii) The capital accounts of the Partners shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) to reflect the fair market value of Issuer property whenever a Partnership Interest is relinquished to the Issuer, whenever an additional Person becomes a Partner as permitted under this Indenture, upon any termination of the Issuer within the meaning of Section 708 of the Code, and when the Issuer is liquidated as permitted under this Indenture, and shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(e) in the case of a distribution of any property (other than cash).

(l) The Collateral Manager shall be the "partnership representative" for purposes of Section 6223 of the Code, as amended by the Bipartisan Budget Act of 2015 (the "Partnership Representative") (or, if not eligible to be the Partnership Representative, as agent-in-fact of the Partnership Representative), ~~and may designate the Partnership Representative from time to time from among any willing Holder of Subordinated Notes (including itself and any of its Affiliates) with respect to any taxable year of the Issuer during which the Initial Majority Subordinated ~~Noteholder~~Noteholders or any of its Affiliates holds or has held any Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative~~ for any of the Initial Majority Subordinated Noteholders, it shall be the agent and attorney-in-fact of the Partnership Representative); provided, that during any other period or if any of the Initial Majority Subordinated ~~Noteholder declines~~Noteholders decline to so designate a Partnership Representative, the Issuer (after consultation with the Collateral Manager) shall designate the Partnership Representative from among any Holder of Subordinated Notes (excluding the Initial Majority Subordinated ~~Noteholder~~Noteholders and its Affiliates) (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative). The Partnership Representative (or, if applicable, its agent and attorney-in- fact) shall sign the Issuer's tax returns and is authorized to make tax elections on behalf of the Issuer in its reasonable discretion, to determine the amount and characterization of any allocations or tax items described in this Section 7.17 in its reasonable discretion, and to take all actions and do such things as required or as it shall deem appropriate under the Code, at the Issuer's sole expense, including representing the Issuer before taxing authorities and courts in tax matters affecting the Issuer and the Partners. Any action taken by the Partnership Representative in connection with audits of the Issuer under the Code will, to the extent

permitted by law, be binding upon the Partners. Each such Partner agrees that it will treat any Issuer item on such Partner's income tax returns consistently with the treatment of the item on the Issuer's tax return and that such Partner will not independently act with respect to tax audits or tax litigation affecting the Issuer, unless previously authorized to do so in writing by the Partnership Representative (or, if applicable, its agent and attorney-in-fact), which authorization may be withheld in the complete discretion of the Partnership Representative (or, if applicable, its agent and attorney-in fact). The Issuer will, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative and any agent and attorney-in-fact of such Partnership Representative in connection with any expenses reasonably incurred in connection with its performance of its duties as or on behalf of the Partnership Representative. For the avoidance of doubt, any indemnity or reimbursement provided pursuant to the immediately foregoing sentence shall be treated as an Administrative Expense pursuant to the definition thereof.

(m) If the IRS, in connection with an audit governed by the tax audit rules that apply to partnerships that are contemplated by the Bipartisan Budget Act of 2015 (the "Partnership Tax Audit Rules"), proposes an adjustment greater than \$25,000 in the amount of any item of income, gain, loss, deduction or credit of the Issuer, or any Partner's distributive share thereof, and such adjustment results in an "imputed underpayment" as described in Section 6225(b) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions (a "Covered Audit Adjustment"), the Partnership Representative will use commercially reasonable efforts (taking into account whether the Partnership Representative has received any needed information on a timely basis from the Partners), to apply the alternative method provided by Section 6226 of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions (the "Alternative Method"). In the event the proposed adjustment is equal to or less than \$25,000, the Partnership Representative may in its sole discretion elect to have the Issuer pay such adjustment. To the extent that the Partnership Representative does not (or is unable to) elect the Alternative Method with respect to a Covered Audit Adjustment and such Covered Audit Adjustment is material as to the Issuer (determined in the Partnership Representative's sole discretion), the Partnership Representative shall use commercially reasonable efforts to (i) to the extent not economically or administratively burdensome or onerous, make reasonable modifications available under Sections 6225(c)(3), (4) and (5) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions, to the extent that such modifications are available (taking into account whether the Partnership Representative has received any needed information on a timely basis from the Partners) and would reduce any taxes payable by the Issuer with respect to the Covered Audit Adjustment, and (ii) if reasonably requested by a Partner, provide to such Partner available information allowing such Partner to file an amended U.S. federal income tax return, as described in Section 6225(c)(2) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions, to the extent that such amended return and payment of any related U.S. federal income taxes would reduce any taxes payable by the Issuer with respect to the Covered Audit Adjustment (after taking into account any modifications described in clause (i)). Similar procedures shall be followed in connection

with any state or local income tax audit governed by the Partnership Tax Audit Rules. Any U.S. federal income taxes (and any related interest and penalties) paid by the Issuer (or any diminution in distributable proceeds resulting from an adjustment under Partnership Tax Audit Rules) may be allocated in the reasonable discretion of the Issuer to those Partners to whom such amounts are specifically attributable (whether as a result of their status, actions, inactions or otherwise), as determined in the reasonable discretion of the Issuer. The Issuer shall not elect or cause any election to be made to apply the Partnership Tax Audit Rules to the Issuer prior to the generally applicable effective date of such legislation, unless the Issuer, in good faith, reasonably determines that such an election would be in the best interests of the Issuer and all Holders of the Debt.

(n) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not and any Person acting on their behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The requirements of this Section 7.17(n) will be deemed to be satisfied if the Issuer (and the Collateral Manager acting on the Issuer's behalf) complies with the Tax Guidelines, except to the extent that there has been a change in law after the date hereof that the Issuer or the Collateral Manager actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) would cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis, it being understood that the Issuer and Collateral Manager shall not be required to independently investigate the tax impact of an action to satisfy the "actual knowledge" element of this provision.

(o) In furtherance and not in limitation of Section 7.17(n), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines. For the avoidance of doubt, no consent of any Holder or satisfaction of the S&P Rating Condition shall be required in order to comply with this Section 7.17(n) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines in accordance with the terms thereof.

#### Section 7.18 S&P Recovery Rate.

(a) Weighted Average S&P Recovery Rate. The Collateral Manager may, at any time after the ~~Closing~~First Refinancing Date upon at least 5 Business Days' prior written notice to S&P, the Trustee and the Collateral Administrator, elect to utilize the S&P CDO Monitor in determining compliance with the S&P CDO Monitor Test (the effective date specified by the Collateral Manager for such election, the "S&P CDO Monitor Election Date"); *provided* that, following an S&P CDO Formula Election Date, an S&P CDO Monitor Election Date may only occur once. On or prior to the S&P CDO Monitor Election Date, the Collateral Manager shall elect the Weighted Average S&P

Recovery Rate that shall apply on and after such date to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and the Collateral Manager will so notify the Trustee and the Collateral Administrator. Thereafter, at any time during any S&P CDO Monitor Election Period on written notice to the Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided, that if (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change, then such changed case shall not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 4. If the Collateral Manager does not notify the Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth above, the Weighted Average S&P Recovery Rate chosen as of the S&P CDO Monitor Election Date shall continue to apply.

Section 7.19 Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase, on or before the Effective Date, Collateral Obligations (i) such that the Target Initial Par Condition is satisfied and (ii) that satisfy, as of the Effective Date, the Concentration Limitations, the Collateral Quality Tests and the Coverage Tests.

(b) During the period from the ~~Closing~~First Refinancing Date to and including the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, *first*, any amounts on deposit in the Ramp-Up Account, and *second*, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation, *first*, any amounts on deposit in the Ramp-Up Account and *second*, any Principal Proceeds on deposit in the Collection Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy, on the Effective Date, the Concentration Limitations, the Collateral Quality Tests and each Overcollateralization Ratio Test.

(c) Within 30 calendar days after the Effective Date (but in any event, prior to the Determination Date relating to the second Payment Date), the Issuer shall provide, or (at the Issuer's expense) cause the Collateral Manager to provide, the following documents:

(i) to the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com), a report identifying Collateral Obligations and a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Collateral Manager shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each

Collateral Obligation: LoanX identification number, CUSIP number (if any), name of Obligor, coupon, spread (if applicable), Benchmark floor (if any), legal final maturity date, average life, outstanding principal balance, Principal Balance, identification as a Cov-Lite Loan or otherwise, identification as a First-Lien Last-Out Loan or otherwise, settlement date, the purchase price with respect to any Collateral Obligation the purchase of which has not settled, S&P Industry Classification and S&P Recovery Rate, and requesting that S&P reaffirm its Initial Ratings of the Secured Debt;

(ii) to the Trustee and the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com) a report, prepared by the Collateral Administrator pursuant to the Collateral Administration Agreement (the “Effective Date Report”), (A) setting forth the issuer, principal balance, coupon/spread, Stated Maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and (B) calculating as of the Effective Date the level of compliance with, or satisfaction or non-satisfaction of (1) each Overcollateralization Ratio Test, (2) the Collateral Quality Tests (excluding the S&P CDO Monitor Test), (3) the Concentration Limitations and (4) the Target Initial Par Condition;

(iii) to the Trustee and the Collateral Manager, (A) an Accountants’ Report comparing, as of the Effective Date, the issuer, Principal Balance, coupon/spread, stated maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation by reference to such sources as shall be specified therein (such report, the “Accountants’ Effective Date Comparison AUP Report”) and (B) an Accountants’ Report performing agreed upon procedures as of the Effective Date including recalculating and comparing the following items in the Effective Date Report: (1) each Overcollateralization Ratio Test, the Collateral Quality Tests (excluding the S&P CDO Monitor Test) and the Concentration Limitations, and (2) whether the Target Initial Par Condition is satisfied (such report, the “Accountants’ Effective Date Recalculation AUP Report” and together with the Accountants’ Effective Date Comparison AUP Report, the “Accountants’ Effective Date AUP Reports”), with both Accountants’ Effective Date AUP Reports containing a statement specifying the procedures undertaken by them to review data and computations relating to such Accountants’ Effective Date AUP Reports; and

(iv) to the Trustee and the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com) an Officer's certificate of the Issuer (the “Effective Date Certificate”) certifying as to the level of compliance with, or satisfaction or non-satisfaction of, (1) each Overcollateralization Ratio Test, (2) the Collateral Quality Tests (excluding the S&P CDO Monitor Test), (3) the Concentration Limitations, and (4) the Target Initial Par Condition, in each case, as of the Effective Date.

(d) For the avoidance of doubt, the Effective Date Certificate and the Effective Date Report shall not include or refer to the Accountants’ Effective Date AUP Reports.

In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer and Information Agent who will forward such Form 15-E for posting on the Issuer's Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including the Rating Agency or posted on the Issuer's Website (other than as provided in any access letter between such Person and the accountants).

(e) If, by the Determination Date relating to the second Payment Date, (1) S&P has not provided written confirmation of its Initial Ratings of the Secured Debt or (2) there has occurred no S&P Deemed Rating Confirmation as described below (an "S&P Rating Confirmation Failure"), then the Collateral Manager, on behalf of the Issuer, shall instruct the Trustee in writing to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount (and with such funds the Issuer shall purchase additional Collateral Obligations) in an amount sufficient to obtain from S&P a confirmation of its Initial Ratings of the Secured Debt (*provided* that the amount of such transfer would not result in default in the payment of interest with respect to the Class X Notes, the Class A-1 Debt, the Class A-2 Notes or the Class B Notes); *provided* that, in the alternative, the Collateral Manager on behalf of the Issuer may take such other action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to obtain from S&P a confirmation of its Initial Ratings of the Secured Debt.

(f) If S&P has not provided written confirmation of its initial ratings of the Secured Debt within 30 calendar days after the Effective Date and (w) the Issuer causes the Collateral Manager to provide to S&P the Effective Date Report and the Effective Date Report confirms satisfaction of the S&P CDO Monitor Test as of the Effective Date, (x) the Collateral Manager certifies to S&P (which confirmation may be in the form of an email) that as of the Effective Date the S&P CDO Monitor Test is satisfied (testing as though an S&P CDO Formula Election Period were in effect and taking into account the S&P CDO Monitor Non-Model Adjustments described below) and (y) the Collateral Manager provides to S&P an electronic copy of the Current Portfolio used to generate the passing test result, then a written confirmation from S&P of its initial ratings of the Secured Debt will be deemed to have been provided (an "S&P Deemed Rating Confirmation"); *provided* that, for purposes of determining compliance with the S&P CDO Monitor Test in connection with such Effective Date Report, the Aggregate Funded Spread will be calculated without giving effect to the proviso to clause (a) of the definition of "Aggregate Funded Spread" and by assuming that any Collateral Obligation subject to a Benchmark floor bears interest at a rate equal to the stated interest rate spread over the Benchmark-based index for such Collateral Obligation (the "S&P CDO Monitor Non-Model Adjustments").

(g) The failure of the Issuer to satisfy the requirements of this Section 7.19 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance or incurrence of the Debt

which are not applied to pay for the purchase of Collateral Obligations purchased by the Issuer on or before the ClosingFirst Refinancing Date (including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the ClosingFirst Refinancing Date) or to pay other applicable fees and expenses, funds will be deposited in the Ramp-Up Account on the ClosingFirst Refinancing Date in the amounts specified in writing to the Trustee by the Issuer. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the ClosingFirst Refinancing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

Section 8.3 Execution of Supplemental Indentures. (a) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has consented thereto in accordance with this Article VIII. (b) [Reserved].

(c) The Trustee and the Loan Agent may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a Responsible Officer's certificate of the Collateral Manager as to whether the interests of any holder of Debt would be materially and adversely affected by the modifications set forth in any supplemental indenture, it being expressly understood and agreed that neither the Trustee nor the Loan Agent shall have any obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or such Responsible Officer's certificate. Such determination by such Class as to whether the interests of any Holder have been materially and adversely affected shall be conclusive and binding on all present and future Holders. Neither the Trustee nor the Loan Agent shall be liable for any determination made in good faith and in reliance upon an Opinion of Counsel or such a Responsible Officer's certificate delivered to the Trustee and the Loan Agent, as applicable, as described herein.

(d) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(e) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel. Such determination shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners.

(f) At the cost of the Issuer, for so long as any Debt shall remain Outstanding, not later than 10 Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 and not later than 7 Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.2, the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, the Loan Agent (for forwarding to the Class A-~~H~~ILR Lenders) and the Debtholders a copy of such proposed supplemental indenture. At the cost of the Issuer, for so long as any Class of Secured Debt shall remain Outstanding and such Class is rated by the Rating Agency, the Trustee shall provide to the Rating Agency a copy of any proposed supplemental indenture at least 10 Business Days or 7 Business Days, as applicable, prior to the execution thereof by the Trustee (unless such period is waived by the Rating Agency) and a copy of the executed supplemental indenture after its execution. Following such deliveries by the Trustee, if any changes are made to such proposed supplemental indenture other than to correct typographical errors or to adjust formatting, then at the cost of the Issuer, for so long as any Debt shall remain Outstanding, not later than 3 Business Days prior to the

execution of such proposed supplemental indenture (*provided* that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 10 Business Days or 7 Business Days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(f)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, the Loan Agent (for forwarding to the Class A-~~HL~~ILR Lenders), the Debtholders and the Rating Agency a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture at the cost of the Issuer. Any failure of the Trustee (or the Loan Agent) to publish or deliver such notices, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(xii)(A), the foregoing notice periods shall not apply and a copy of the proposed supplemental indenture shall be included in the notice of Optional Redemption given to each holder of Secured Debt under Section 9.2; and, upon execution of the supplemental indenture, at the cost of the Issuer, a copy thereof shall be delivered to the Rating Agency and each Holder of Debt.

(g) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(h) At any time during or after the Reinvestment Period, at the written direction (with a copy of such direction to be provided by the Issuer to the Rating Agency) of any Holder or Holders of Subordinated Notes, substantially in the form of Exhibit E (solely for Contributions of Cash or Eligible Investments), but without any amendment to this Indenture, satisfaction of the S&P Rating Condition or the consent of any other holder of Debt (i) such Holder may make a Contribution of Cash, Eligible Investments or Collateral Obligations or (ii) solely with respect to Holders of Certificated Subordinated Notes, such Holder may direct the Issuer to designate (prior to the Determination Date) (and the Issuer shall direct the Trustee) that all or a specified portion of amounts that would otherwise be distributed on such Payment Date to such Holder or Holders of Subordinated Notes be retained by the Trustee in the Supplemental Reserve Account as a Contribution and be available for reinvestment in additional Collateral Obligations and other Permitted Uses as directed by the applicable Contributor, so long as the Collateral Manager consents to such Permitted Use(s) (or, if no direction is given by the Contributor, at the Collateral Manager's reasonable discretion).

(i) To the extent the Issuer executes a supplemental indenture or other modification or amendment of this Indenture for purposes of correcting any inconsistency or curing any ambiguity, omission or errors in this Indenture or conforming this Indenture to the Offering Circular pursuant to Section 8.1(a)(ix) or Section 8.1(a)(x) and one or

more other amendment provisions described above also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment to correct any inconsistency or cure any ambiguity, omission or errors in this Indenture or conform this Indenture to the Offering Circular pursuant to Section 8.1(a)(ix) or Section 8.1(a)(x) regardless of the applicability of any other provision regarding supplemental indentures set forth in this Indenture.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt theretofore and thereafter authenticated and delivered hereunder or incurred under the Credit Agreement shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Hedge Agreements. The Issuer and the Trustee shall not enter into any supplemental indenture that permits the Issuer to enter into a hedge agreement unless the S&P Rating Condition is satisfied with respect thereto and the Issuer obtains (a) written advice of counsel that such hedge agreement will not cause any person to be required to register as a “commodity pool operator” (within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer and (b) the consent of a Majority of the Controlling Class.

Section 10.12 Section 3(c)(7) Procedures. For so long as any Debt is Outstanding, the Issuer shall do the following:

(a) Each Monthly Report sent or caused to be sent by the Issuer to the Holders will include a notice to the following effect:

“The Investment Company Act of 1940, as amended (the “1940 Act”), requires that all holders of the outstanding securities of the Issuer be “Qualified Purchasers” (“Qualified Purchasers”) as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, the Issuer must have a “reasonable belief” that all holders of its outstanding securities, including transferees, are Qualified Purchasers. Consequently, all sales and resales of the Notes must be made solely to purchasers that are Qualified Purchasers. Each purchaser of a Note will be deemed to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser who is (x) an Institutional Accredited Investor (“IAI”) within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act of 1933, as amended (the “Securities Act”), (y) a qualified institutional buyer as defined in Rule 144A under the Securities Act (“QIB”) or (z) in the case of Secured Notes (other than Class E Notes) only, not a “U.S. person” as defined in Regulation S and is acquiring the Notes in an offshore transaction (as defined in Regulation S) in reliance on the exemption from registration provided by Regulation S; (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser who is a QIB, IAI or, in the case of the Secured Notes only, not a U.S. Person (as defined in Regulation S) (as applicable); (iii) the purchaser is not formed for the purpose of investing in Issuer; (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the Minimum Denominations of the Notes specified in the Indenture; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Notes may only be transferred to another Qualified Purchaser who is also a QIB, IAI or, in the case of the Secured Notes only, not a U.S. Person (as defined in Regulation S) (as applicable) and all subsequent transferees are deemed to have made representations (i) through (vi) above.”

“The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.”

“The Indenture provides that if, notwithstanding the restrictions on transfer contained therein, the Issuer (or the Collateral Manager on behalf of the Issuer) discovers, or upon notice from the Trustee to the Issuer (who agrees to notify the Issuer of such discovery if a Trust Officer of the Trustee obtains actual knowledge thereof), that any holder of, or beneficial owner of an interest in a Note who is determined not to have been a Qualified Purchaser at the time of acquisition of such Note or beneficial interest therein, the Issuer shall send notice to such Holder or beneficial owner (with a copy to the Collateral Manager), demanding that such Holder or beneficial owner sell all of its right, title and interest to such Note (or any interest therein) to a Person that is a Qualified Purchaser that is either (x) solely in the case of the Secured Notes, not a “U.S. person” (as defined in Regulation S) or (y) an IAI or a QIB (as applicable), with such sale to be effected within 30 days after notice of such sale requirement is given. If such holder or beneficial owner fails to effect the transfer required within such 30-day period, the Issuer (or the Collateral Manager acting on behalf of and at the direction for the Issuer) shall, without further notice to the Non-Permitted Holder, sell such Notes or interest in such Notes to a purchaser selected by the Issuer that the Issuer reasonably determines is not a Non-Permitted Holder on such terms as the Issuer may choose in its sole discretion. The Issuer (or the Collateral Manager acting on behalf of and at the direction of the Issuer) in its sole discretion may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that deal in securities similar to the Notes and sell such Notes to such bidder or bidders for an aggregate purchase price determined by the Collateral Manager in its sole discretion; *provided* that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled (but shall not be obligated) to bid in any such sale and may purchase such Notes pursuant thereto at a price which, in the good faith estimate of the Collateral Manager, results in the highest aggregate purchase price for the totality of such Notes. However, the Issuer (or the Collateral Manager acting on behalf of and at the direction of the Issuer) may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any such sale shall be determined in the sole discretion of the Issuer (or the Collateral Manager acting on behalf of the Issuer), and none of the Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion and shall not be liable to any Person for failing to discover that any Person is a Non-Permitted Holder.”

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Secured Notes:

(i) The Issuer will direct DTC to include the marker “3c7” in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Secured Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security

descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a “3c7” indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7).

(iii) On or prior to the ~~Closing~~First Refinancing Date, the Issuer will instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Global Secured Notes.

Without limiting the foregoing, the Placement Agents will request that each third-party vendor include the following legends on each screen containing information about the Notes:

To the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee shall distribute the Unsaleable Assets on a *pro rata* basis to the extent possible and the Issuer or the Collateral Manager shall select by lottery the Holder to whom the remaining amount will be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests.

(D) If no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Collateral Manager and offer to deliver (at no cost to the Trustee) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Collateral Manager (on behalf of the Issuer) shall direct action to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means, and the Trustee (at no expense to the Trustee) shall take such action as so directed.

(f) [Reserved].

(g) Equity Securities may be received at any time by the Issuer in exchange for a Collateral Obligation or a portion thereof in connection with an insolvency, bankruptcy, winding-up, reorganization, debt restructuring or workout of the Obligor thereof. In addition, at any time the Collateral Manager may direct the Trustee in writing to exercise an option, warrant, right of conversion, pre-emptive right, rights offering, credit bid or similar right or pay for the acquisition of an Equity Security or any other security (except as otherwise set forth herein) which is not eligible for acquisition by the Issuer hereunder using amounts designated for a Permitted Use and/or Interest Proceeds in connection with an insolvency, bankruptcy, winding-up, reorganization, debt restructuring or workout of the Obligor of such Collateral Obligation, so long as such Equity Security or other security is issued by the same Obligor as the Collateral Obligation, as applicable (or an affiliate of or successor to such Obligor or an entity that succeeds to substantially all of the assets of such Obligor or a significant portion of such assets); *provided*, that if using Interest Proceeds, the Issuer shall only effect such payment if after giving effect to such acquisition, there would be sufficient proceeds pursuant to the Priority of Payments to pay in full all amounts due and payable through and including Section 11.1(a)(i)(K). Any such exchange or acquisition shall not constitute a sale hereunder or be subject to the Investment Criteria.

(h) During or after the Reinvestment Period the Issuer may use amounts designated for a Permitted Use, Interest Proceeds or Principal Proceeds on deposit in the

Collection Account to acquire a Workout Loan; provided that (x) Interest Proceeds may only be used to acquire a Workout Loan to the extent that such acquisition will not render insufficient the available Interest Proceeds remaining on the next Payment Date to pay in full all amounts due and payable through and including Section 11.1(a)(i)(K) and (y) Principal Proceeds may only be used to acquire a Workout Loan so long as (A) such Workout Loan ranks senior to or pari passu with the Collateral Obligation subject to the applicable workout or restructuring, (B) such Workout Loan is a Senior Secured Loan, (C) the Overcollateralization Ratio Test with respect to the Class D Notes is satisfied immediately following the acquisition of such Workout Loan, (D) such Workout Loan is not a Long-Dated Obligation and (E) the aggregate amount of Principal Proceeds used to acquire Workout Loans pursuant to this Section 12.2(h) (1) since the ClosingFirst Refinancing Date shall not exceed 10.0% of the Target Initial Par Amount after giving effect to such acquisition and (2) that remain in the Assets after giving effect to such acquisition shall not exceed 5.0% of the Collateral Principal Amount. Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. Any transaction effected under this Article XII or in connection with the acquisition or disposition of any Asset shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that in the case of any Collateral Obligation sold or otherwise transferred to a Person so Affiliated, the value thereof shall be the mid-point between the "bid" and "ask" prices provided by a nationally recognized independent pricing service or, if unavailable or determined by the Collateral Manager to be unreliable, the fair market value of such Collateral Obligation as reasonably determined by the Collateral Manager (so long as the Collateral Manager is a Registered Investment Adviser) consistent with the Collateral Manager Standard, and such Affiliate shall acquire such Collateral Obligation for a price equal to the value so determined. Notwithstanding anything contained in this Article XII to the contrary, after the ClosingFirst Refinancing Date, the Issuer shall not acquire any Collateral Obligation from an Affiliate of the Collateral Manager unless (i) such transfer is from the Retention Provider pursuant to the Master Loan Sale Agreement or (ii) such transfer is from an Affiliate of the Collateral Manager that is a bankruptcy remote special purpose vehicle.

(a) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Cut-Off Date, an Officer's certificate of the Issuer containing the statements set forth in a Delivery Certificate; provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket in respect thereof that is signed by a Responsible Officer of the Collateral Manager.

Collateral Obligation (1) with the consent of Debtholders evidencing at least (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Debt and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Debt and (2) of which the Rating Agency and the Trustee has been notified.

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary, upon the occurrence and during the continuance of an Enforcement Event, the Issuer shall not have the right to effect any sale of any Asset or purchase of any Collateral Obligation without the consent of a Majority of the Controlling Class.

## ARTICLE XIII

### DEBTHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture, the Credit Agreement or the Debt to the contrary notwithstanding, the Holders of each Class of Debt that constitute a Junior Class agree for the benefit of the Holders of the Debt of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class to the extent and in the manner expressly set forth in the Priority of Payments. In the event one or more Holders or beneficial owners of Debt cause the filing of a petition in bankruptcy against the Issuer prior to the expiration of the period set forth in clause (b) of this Section 13.1, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) have against the Issuer (including under all Debt of any Class held by such Holder(s)) or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until all Debt (and each claim of each other secured creditor) held by each Holder of any Debt that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments set forth herein (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement shall constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code.

(b) The Holders of each Class of Debt and beneficial owners of each Class of Debt agree, for the benefit of all Holders of each Class of Debt and beneficial owners of each Class of Debt, not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States or any other jurisdiction against or cause the Issuer or any Tax Subsidiary to petition for bankruptcy until the payment in full of all Debt and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full. In addition, (i) the Issuer agrees not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States or any other jurisdiction against any Tax Subsidiary and (ii) each Tax Subsidiary agrees not to cause the filing of a

petition in bankruptcy, insolvency or a similar proceeding in the United States or any other jurisdiction against the Issuer until the payment in full of all Debt and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full.

(c) The Issuer or any Tax Subsidiary, as applicable shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding in bankruptcy, insolvency or other similar proceeding in the United States or any other jurisdiction to have the Issuer or the Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Tax Subsidiary, as the case may be, under the Bankruptcy Code or other applicable law. The reasonable fees, costs, charges and expenses incurred by the Issuer or any Tax Subsidiary (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be payable as "Administrative Expenses."

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

## ARTICLE XIV

### MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia, which law firm may, except as otherwise expressly provided herein, be counsel for the Issuer), unless such Officer knows, or should know, that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to

factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Collateral Manager or any other Person (on which the Trustee shall be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager or the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Bank (in any capacity under the Transaction Documents) agrees to accept and act upon instructions or directions pursuant to the Transaction Documents sent by unsecured email or facsimile transmission or other similar unsecured electronic methods; *provided* that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing authorized persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced

thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee reasonably deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person’s holding the same, shall be proved by the Register or shall be provided by certification by such Holder.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee’s website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate (a “Beneficial Ownership Certificate”) to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, (ii) the amount and Class of Notes so owned, and (iii) that such Person will notify the Trustee when it sells all or a portion of its beneficial interest in such Class of Notes. A separate Beneficial Ownership Certificate must be delivered each time any such vote, consent or direction is given; *provided* that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; *provided further* that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each Beneficial Ownership Certificate and shall not be required to obtain any further information in this regard.

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, or by overnight delivery service (or, in the case of Holders of Global Notes, e-mailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register or Loan Register, as applicable, not earlier than the earliest date and not later than the latest date prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. Notices for Holders may also be posted to the Trustee's internet website.

Subject to the requirements of Section 14.15, the Trustee will deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Debt (by Aggregate Outstanding Amount), at the expense of the Issuer; *provided* that the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder or (iii) applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Debtholder status.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.8 Benefits of Indenture. Except as otherwise expressly set forth in this Indenture, nothing herein or in the Debt, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Loan Agent, the Holders of the Debt and (to the extent provided herein) the

other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.10 Governing Law. This Indenture shall be construed in accordance with, and this Indenture and any matters arising out of or relating in any way whatsoever to this Indenture (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture (“Proceedings”), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing herein precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE DEBT OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by e-mail (.pdf) or facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, “Signature Law”), in each case to the extent applicable. Each faxed, scanned,

or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings. Delivery of an executed counterpart signature page of this Indenture by e-mail (.pdf) or facsimile shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to the Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.16, unless otherwise agreed to in writing by the Collateral Manager.

(g) In connection with providing access to the Issuer's Website, the Issuer may require registration and the acceptance of a disclaimer. This Section 14.17 may be amended or modified by agreement of the Collateral Manager, the Issuer, the Trustee, the Information Agent and the Rating Agency, without the consent of any Debtholders or any other Person.

## ARTICLE XV

### ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture applicable thereto.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee at any time, including following the resignation or removal of the Collateral Manager.

(c) Upon the retirement of the Debt, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Debtholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that, as of the date hereof, the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of

further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the Collateral Manager Standard) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Trustee as representative of the Debtholders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Trustee.

(iii) The Collateral Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) Neither the Issuer nor the Collateral Manager will enter into any agreement amending, modifying or supplementing the Collateral Management Agreement except in accordance with the terms thereof.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Collateral Manager under the Collateral Management Agreement until the payment in full of all Debt issued under this Indenture or incurred under the Credit Agreement and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period and one day, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer or any of its properties any legal action which is

not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Debt and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Collateral Manager will give written notice briefly describing such conflict and the action it proposes to take to the Trustee, who shall promptly forward such notice to the relevant Holder. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Collateral Management Agreement.

(vii) On each Measurement Date on which the S&P CDO Monitor Test is used, the Collateral Manager on behalf of the Issuer will measure compliance under such test.

(g) The Issuer and the Trustee agree that the Collateral Manager shall be a third party beneficiary of this Indenture, and shall be entitled to rely upon and enforce such provisions of this Indenture to the same extent as if it were a party hereto.

(h) Upon a Trust Officer of the Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than two Business Days thereafter, forward such notice to the Debtholders (as their names appear in the Register or Loan Register, as applicable).

With respect to any Collateral Obligation, as of any date of determination, that rating determined in accordance with the following methodology:

(a) if such Collateral Obligation is a Senior Secured Loan other than a DIP Collateral Obligation:

(1) if the obligor of such Collateral Obligation has a CFR or a long-term issuer rating by Moody's, then such CFR or long-term issuer rating by Moody's;

(2) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR or a long-term issuer rating by Moody's, then the Moody's rating that is one subcategory higher than such CFR or long-term issuer rating by Moody's;

(3) if neither clause (1) nor (2) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(4) if none of clauses (1) through (3) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(5) if none of clauses (1) through (4) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "B2;" and

(b) with respect to a Collateral Obligation other than a Senior Secured Loan or a DIP Collateral Obligation:

(1) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(2) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(3) if neither clause (1) nor (2) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR or a long-term issuer rating by Moody's, then the Moody's rating that is one subcategory lower than such CFR or long-term issuer rating by Moody's;

(4) if none of clauses (1), (2) or (3) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(5) if none of clauses (1) through (4) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(6) if none of clauses (1) through (5) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "B2"; and

(c) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof.

### MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating is determined in the manner set forth below:

(a) with respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation shall be the rating that is the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation shall be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; *provided, however*, if such facility rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, or if no such facility rating exists or is available, then such DIP Collateral Obligation will be deemed to have a Moody's Rating of "B2";

(b) if not determined pursuant to clause (a) above, then by using any one of the methods provided below:

(1) pursuant to the table below:

Type of Collateral Obligation	S&P Rating or Fitch Rating*	Collateral Obligation Rated by S&P or Fitch	Number of Subcategories Relative to Moody's Equivalent of S&P Rating or Fitch rating
Not Structured Finance Obligation	≥ BBB-	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ BB+	Not a Loan or Participation Interest	-2

Type of Collateral Obligation	S&P Rating or Fitch Rating*	Collateral Obligation Rated by S&P or Fitch	Number of Subcategories Relative to Moody's Equivalent of S&P Rating or Fitch rating
Not Structured Finance Obligation		in Loan Loan or Participation Interest in Loan	0

\* If such Collateral Obligation has both an S&P Rating and a Fitch rating, the Moody's Derived Rating shall be determined pursuant to this clause (b) with respect to the higher of the S&P Rating and the Fitch rating, unless otherwise determined by the Collateral Manager.

(2) In the event, the Collateral Obligation does not have an S&P rating or a Fitch rating, but another security or obligation of the Obligor is publicly rated by S&P or Fitch:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

(3) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating may be determined based on a rating by S&P, Fitch or any other rating agency.

For purposes of this Schedule 3, the following terms shall have the definitions listed below:

**“Assigned Moody's Rating”**: The publicly available rating, unpublished monitored rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; *provided* that, so long as the Issuer (or the Collateral Manager on its behalf) applies for a new estimated rating, or renewal of an estimated rating, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have a Moody's Rating of “B3” for purposes of this definition if the Collateral Manager certifies to the Trustee that the Collateral Manager believes that such estimated rating will be at least “B3” and (ii) thereafter, such debt obligation will have a Moody's Rating of “Caa3,” or (B) in the case of a request for a renewal of an estimated rating following a material deterioration in the creditworthiness of the obligor or a Specified Amendment, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation and (y) the criteria specified in clause (A) in connection with an annual

request for a renewal of an estimated rating becomes applicable in respect of such debt obligation.

“CFR”: With respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody’s, then such corporate family rating; *provided* that, if such obligor does not have a corporate family rating by Moody’s but any entity in the obligor’s corporate family does have a corporate family rating, then the CFR is such corporate family rating.

## Schedule 4

### S&P RATING

“**S&P Rating**” means, with respect to any Collateral Obligation (other than a Current Pay Obligation), as of any date of determination, the rating determined in accordance with the following methodology:

(a) (i) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty which complies with S&P’s then-current criteria with respect to guarantees, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer, *provided* that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if the related obligor has consented to the disclosure thereof and a copy of such consent has been provided to S&P) or (ii) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category above such rating;

(b) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P; *provided* that (x) such rating was assigned within 12 months of the applicable date of issue and (y) the Collateral Manager (on behalf of the Issuer) will notify S&P if the Collateral Manager has actual knowledge of the occurrence of any material amendment or event with respect to such Collateral Obligation that would, in the reasonable business judgment of the Collateral Manager, have a material adverse impact on the credit quality of such Collateral Obligation, including any amortization modifications, extensions of maturity, reductions of principal amount owed, or non-payment of timely interest or principal due;

(c) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (i) through (iii) below:

(i) if an obligation of the issuer is publicly rated by Moody’s, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody’s Rating set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody’s Rating if such Moody’s Rating is “Baa3” or higher and (2) two sub-categories below the S&P equivalent of the Moody’s Rating if such Moody’s Rating is “Ba1” or lower; *provided* that the Aggregate Principal Balance of the

Collateral Obligations that may have an S&P Rating derived from a Moody's Rating as set forth in this clause (i) may not exceed 10% of the Collateral Principal Amount;

(ii) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; *provided* that until the receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; *provided further* that, if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided further* that, if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months (or such other period as provided in S&P's then-current criteria) have elapsed after the withdrawal or suspension of the public rating; *provided further* that with respect to any Collateral Obligation for which S&P has provided a credit estimate, the Collateral Manager (on behalf of the Issuer) will request that S&P confirm or update such estimate annually (and pending receipt of such confirmation or new estimate, the Collateral Obligation will have the prior estimate); *provided further* that such credit estimate shall expire 12 months after the acquisition of such Collateral Obligation, following which such Collateral Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with this Indenture (and concurrently submits all available Information in respect of such renewal), in which case such credit estimate shall continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Obligation; *provided further* that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the acquisition of such Collateral Obligation and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; *provided further* that the Issuer will submit all available Information in respect of such Collateral Obligation to S&P notwithstanding that the Issuer is not applying to S&P for a confirmed or updated credit estimate; *provided further* that the Issuer

will promptly notify S&P of any material events affecting any such Collateral Obligation if the Collateral Manager reasonably determines that such notice is required in accordance with S&P's published criteria for credit estimates titled "*Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It?*" dated January 2021 (as the same may be amended or updated from time to time); or

(iii) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-;" *provided* (A) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings and (B) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Obligation are current and the Collateral Manager reasonably expects them to remain current; *provided* that the Issuer will submit all available Information in respect of such Collateral Obligation to S&P as if the Issuer were applying to S&P for a credit estimate; *provided further* that the Issuer will promptly notify S&P of any material events affecting any such Collateral Obligation if the Collateral Manager reasonably determines that such notice is required in accordance with S&P's published criteria for credit estimates titled "*Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It?*" dated January 2021 (as the same may be amended or updated from time to time); or

(d) with respect to a DIP Collateral Obligation that has no issue rating by S&P, the S&P Rating of such DIP Collateral Obligation will be, at the election of the Issuer (at the direction of the Collateral Manager), "CCC-;" *provided* that such DIP Collateral Obligation will have an S&P Rating of up to "B-" (as determined by the Collateral Manager in its sole discretion) for a period of up to 90 days following the issuance of such DIP Collateral Obligation if the Collateral Manager reasonably expects S&P will issue a rating at equal to or higher than such interim rating within the such 90 day period;

*provided* that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating; *provided further* that, for purposes of the determination of the S&P Rating, if (x) the issuer or Obligor of any Collateral Obligation (or, in the case of clause (i) in the definition of "Defaulted Obligation," any Selling Institution) was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an S&P rating of "SD" or "CC" or lower from S&P or had an S&P rating that was withdrawn by S&P and (y) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such

issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an S&P rating of “SD” or “CC” or lower from S&P (or, in the case of any withdrawal, continues to have no S&P rating), the S&P Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, shall be deemed to be “CCC-”, so long as S&P has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11; *provided further* that, (i) if any issuer, Obligor or Selling Institution, as applicable, has not exited the applicable bankruptcy proceeding and (ii) the applicable rating assigned by S&P to such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) has been withdrawn, then the S&P Rating for such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) shall be deemed to be such withdrawn S&P rating, so long as S&P has not taken any rating action with respect thereto since the date on which such S&P rating was withdrawn.

The S&P Rating of any Collateral Obligation that is a Current Pay Obligation will be the higher of (a) such Current Pay Obligation’s S&P Issue Rating and (b) “CCC”.

### S&P RECOVERY RATE TABLES

(ii) If (x) a Collateral Obligation does not have an S&P Recovery Rating and such Collateral Obligation is a senior unsecured loan or second lien loan and (y) the issuer of such Collateral Obligation has issued another debt instrument that is outstanding and senior to such Collateral Obligation (a “Senior Secured Debt Instrument”) that has an S&P Recovery Rating, the S&P Recovery Rate for such Collateral Obligation shall be determined as follows:

For purposes of calculating the Collateral Quality Tests, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loan.

The applicable weighted average spread will be the spread between 1.50% and 7.00% (in increments of .01%) without exceeding the Weighted Average Floating Spread (determined for purposes of this definition as if all Discount Obligations instead constituted Collateral Obligations that are not Discount Obligations) as of such Measurement Date.

EACH PERSON WHO ACQUIRES AN INTEREST IN A GLOBAL SUBORDINATED NOTE OTHER THAN FROM THE ISSUER OR PLACEMENT AGENTS ON THE FIRST REFINANCING DATE AND WITH THE EXPRESS WRITTEN CONSENT OF THE ISSUER AS PART OF THE INITIAL OFFERING WILL BE REQUIRED OR DEEMED TO

REPRESENT AND WARRANT THAT (A) IT IS NOT, AND IS NOT ACTING ON BEHALF OF, AND FOR SO LONG AS IT HOLDS THIS NOTE OR AN INTEREST HEREIN IT WILL NOT BE, AND WILL NOT BE ACTING ON BEHALF OF, A BENEFIT PLAN INVESTOR OR A CONTROLLING PERSON, (B) SUCH PERSON IS NOT, AND FOR SO LONG AS IT HOLDS THIS NOTE OR AN INTEREST HEREIN IT WILL NOT BE, SUBJECT TO ANY SIMILAR LAW AND (C) SUCH PERSON'S ACQUISITION, HOLDING AND DISPOSITION OF SUCH NOTES WILL NOT CONSTITUTE OR RESULT IN A NON-EXEMPT VIOLATION OF ANY SUCH OTHER PLAN LAW.

THE ISSUER HAS THE RIGHT, UNDER THE INDENTURE, TO COMPEL ANY BENEFICIAL OWNER OF A SUBORDINATED NOTE WHO HAS MADE OR HAS BEEN DEEMED TO MAKE A PROHIBITED TRANSACTION, BENEFIT PLAN INVESTOR, CONTROLLING PERSON, SIMILAR LAW OR OTHER PLAN LAW REPRESENTATION THAT IS SUBSEQUENTLY SHOWN TO BE FALSE OR MISLEADING OR WHOSE OWNERSHIP OTHERWISE CAUSES A VIOLATION OF THE 25% LIMITATION TO SELL ITS INTEREST IN THE SUBORDINATED NOTE, OR TO SELL SUCH INTEREST ON BEHALF OF SUCH OWNER.

ANY TRANSFER, PLEDGE OR OTHER USE OF THIS NOTE FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN, UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY ("DTC"), NEW YORK, NEW YORK, TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT AND ANY NOTE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. The Subordinated Notes represent unsecured, subordinated obligations of the Issuer and are not entitled to security under the indenture.

Payments of Interest Proceeds and Principal Proceeds to the Holders of the Subordinated Notes are subordinated to payments in respect of other classes of Notes as set forth in the Indenture and failure to pay such amounts will not constitute an Event of Default under the Indenture.

Unless the certificate of authentication hereon has been executed by the Trustee or the Authenticating Agent by the manual signature of one of their authorized signatories, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Rule 144A Global Note is subject to mandatory exchange for Certificated Notes under the limited circumstances set forth in the Indenture.

Upon redemption, exchange of or increase in any interest represented by this Rule 144A Global Note, this Rule 144A Global Note shall be deemed to be endorsed on Schedule A hereto to reflect the reduction of or increase in the principal amount evidenced hereby.

The Subordinated Notes will be issued in minimum denominations of \$3,500,000 and integral multiples of \$1.00 in excess thereof.

The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or the signature of the transferor and the transferee.

Each holder and beneficial owner of this Note, by its acceptance of this Note, hereby agrees that it shall not institute against, or join any other Person in instituting against the Issuer any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings or other proceedings under U.S. federal or state bankruptcy laws or any similar laws until at least one year and one day after payment in full of the Notes, or, if longer, the applicable preference period then in effect plus one day following such payment in full.

Reference is hereby made to the Indenture and Security Agreement, dated as of June 7, 2022, among the Issuer and Computershare Trust Company, N.A., as Trustee (as supplemented by that certain First Supplemental Indenture, dated as of September 5, 2024, and as may be further amended, supplemented and restated from time to time, the “Indenture”). Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the final Offering Circular of the Issuer or the Indenture.

This letter relates to U.S.\$\_\_\_\_\_ Aggregate Outstanding Amount of Class [X][A-1R][A-2R][B-R][C-R][D-R] Notes (the “Notes”), in the form of one or more Certificated Notes to effect the transfer of the Notes to \_\_\_\_\_ (the “Transferee”).

In connection with such request, and in respect of such Notes, the Transferee does hereby certify that the Notes are being transferred (i) in accordance with the transfer restrictions set forth in the Indenture and (ii) pursuant to an exemption from registration under the United States Securities Act of 1933, as amended (the “Securities Act”) and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

In addition, the Transferee hereby represents, warrants and covenants for the benefit of the Issuer and its counsel that it is:

In particular, it understands that the Notes may be transferred only to a person that is a “qualified purchaser” (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a “qualified purchaser” that in each case is (a) either (i) a “qualified institutional buyer” as defined in Rule 144A under the Securities Act who purchases such Notes in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder or (ii) solely in the case of Notes that are issued in the form of Certificated Notes, an institutional “accredited investor” as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act or (b) a person that is not a “U.S. person” as defined in Regulation S under the Securities Act, and is acquiring the Notes in an offshore transaction (as defined in Regulation S thereunder) in reliance on the exemption from registration provided by Regulation S thereunder. It acknowledges that no representation is made as to the availability of any exemption under the Securities Act or any state securities laws for resale of the Notes.
2. It shall provide a certificate in the form of Exhibit B-5 of the Indenture. Further, it understands and agrees that it will be required to represent whether it is or is not, or is or is not acting on behalf of, a Benefit Plan Investor or a Controlling Person, and that no transfer of such [Class E][Subordinated] Notes or any interest therein will be permitted, and the Issuer will not recognize any such transfer, if it would cause 25% or more of the total value of the [Class E][Subordinated] Notes to be held by Benefit Plan Investors.

5. It will treat the [Class E][Subordinated] Notes (other than the [Class E][Subordinated] Notes held or beneficially owned by the sole beneficial owner of the Certificates) as indebtedness for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law.
6. It represents that, with respect to any period that any of the [Class E][Subordinated] Notes or the Certificates are held by more than one beneficial owner, it is a “United States person” within the meaning of Section 7701(a)(30) of the Code, and has provided a valid IRS Form W-9 (or applicable successor form).
7. It agrees that, prior to transferring a [Class E][Subordinated] Note (or any interest therein), it will deliver to the acquirer, with a copy to the Trustee, a properly completed certificate, in a form reasonably acceptable to the acquirer and the Issuer, stating, under penalty of perjury, its United States taxpayer identification number and that it is not a foreign person within the meaning of Section 1446(f)(2) of the Code (such certificate, a “Non-Foreign Status Certificate”). It understands that the failure to provide a Non-Foreign Status Certificate to the acquirer may result in withholding on the amount realized on its disposition of a [Class E][Subordinated] Note.
8. Except in the case of Woodmont Intermediate 2022-9 Trust or as agreed in writing by the Issuer upon advice of counsel, it, if beneficially entitled to interest payable to it under the [Class E][Subordinated] Notes, represents that it is (A) an association taxable as a corporation that is subject to tax in the United States on its worldwide income provided that such association is not acting for this purpose through a branch or agency in Ireland, or (B) a limited liability company (“LLC”) or limited partnership (“LP”) created or organized, in each case, in the United States or under the laws of the United States or of

any state thereunder whose members or partners, as applicable, consist solely of persons described in (A) above and the business conducted through the LLC or LP is structured for market reasons and not for tax avoidance purposes.

9. It (except in the case of Woodmont Intermediate 2022-9 Trust) represents that it is not, and it represents that it will not transfer a [Class E][Subordinated] Note to any person (other than Woodmont Intermediate 2022-9 Trust) that is, classified for U.S. federal income tax purposes as a partnership, Subchapter S corporation or grantor trust unless (I) (A) none of the direct or indirect beneficial owners of any interest in such person have or ever will have more than 40% of the value of its interest in such person attributable to the aggregate interest of such person in the combined value of the [Class E][Subordinated] Notes and any equity interests in the Issuer, and (B) it is not and will not be a principal purpose of the arrangement involving the investment of such person in any [Class E][Subordinated] Notes and any equity interests of the Issuer to permit any partnership to satisfy the 100 partner limitation of Treas. Reg. § 1.7704-1(h)(1)(ii) or (II) such person obtains an opinion of nationally recognized U.S. tax counsel reasonably acceptable to the Issuer that such transfer will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation.
10. It represents that it will not participate in the creation or other transfer of any financial instrument or contract the value of which is determined in whole or in part by reference to the Issuer (including the amount of distributions by the Issuer, the value of the Issuer's assets or the results of the Issuer's operations) or the [Class E][Subordinated] Notes.
11. It represents that it will not acquire, or sell, transfer, assign, participate, pledge or otherwise dispose of a [Class E][Subordinated] Note (and any interest therein) or cause a [Class E][Subordinated] Note (and any interest therein) to be marketed, (I) on or through an "established securities market" within the meaning of Section 7704(b)(1) of the Code and Treas. Reg. § 1.7704-1(b), including without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations or (II) if such acquisition, sale, transfer, assignment, participation, pledge or other disposition would cause the combined number of holders of [Class E][Subordinated] Notes and any equity interests in the Issuer to be more than [90].
12. It acknowledges and agrees that any sale, transfer, assignment, participation, pledge, or other disposition of a [Class E][Subordinated] Note (and any interest therein) that would violate any of the three preceding paragraphs above or otherwise cause the Issuer to be unable to rely on the "private placement" safe harbor of Treas. Reg. § 1.7704-1(h) will be void and of no force or effect, and it will not transfer any interest in a Class E Note to any person that does not agree to be bound by the three preceding paragraphs above or by this paragraph.
13. It understands that the Issuer (or an agent acting on its behalf) may, in its sole discretion, compel any holder or beneficial owner of an interest in a [Class E][Subordinated] Note that fails to comply with the foregoing requirements to sell its interest in such [Class E][Subordinated], or to sell such interest on behalf of such owner. It will indemnify the Issuer, the Trustee and their respective agents and each of the holders of the Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest,

additions to tax, or penalties) resulting from the failure by such holder to comply with its obligations under the [Class E][Subordinated] Notes. It understands that this indemnification will continue with respect to any period during which it held a [Class E][Subordinated] Note (or any interest therein) notwithstanding it ceasing to be a holder of the [Class E][Subordinated] Notes.

14. It represents and warrants that \_\_\_\_\_ (check if applicable) upon acquisition of the [Class E][Subordinated] Notes, the [Class E][Subordinated] Notes will represent Collateral Manager Securities; or \_\_\_\_\_ (check if applicable) upon its acquisition of the [Class E][Subordinated] Notes, the [Class E][Subordinated] will not constitute Collateral Manager Securities.
15. - (iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the [Class E][Subordinated] Notes and selling such securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;
- (iv) by our acceptance of an interest in the [Class E][Subordinated] Notes, we agree to cooperate with the Issuer to effect such transfers;
- (v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and

7. **Required Notification and Agreement.** We hereby agree that we (a) will inform the Issuer and the Trustee of any proposed transfer by us of all or a specified portion of the [Class E][Subordinated] Notes and (b) will not initiate any such transfer after we have been informed by the Issuer, the Trustee or the Transfer Agent in writing that such transfer would cause the 25% Limitation to be exceeded. We hereby agree and acknowledge that after the Trustee effects any permitted transfer of [Class E][Subordinated] Notes owned by us to a Benefit Plan Investor or a Controlling Person or receives notice of any such permitted change of status, the Trustee shall include such [Class E][Subordinated] Notes shall be included in future calculations of the 25% Limitation made pursuant hereto unless the Issuer and the Trustee subsequently notified that such [Class E][Subordinated] Notes (or such portion), as applicable, would no longer be deemed to be held by Benefit Plan Investors or Controlling Persons.

We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Trustee to determine that Benefit Plan Investors own or

hold less than 25% of the value of the [Class E][Subordinated] Notes upon any subsequent transfer of the [Class E][Subordinated] Notes in accordance with the Indenture.

9. **Further Acknowledgement and Agreement.** We acknowledge and agree that (i) all of the representations, warranties, agreements and assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Placement Agents and the Collateral Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Trustee, the Placement Agents, the Collateral Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of the [Class E][Subordinated] Notes by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.

7. It will treat such Notes (other than the Class E Notes held or beneficially owned by the sole beneficial owner of the Subordinated Notes) as indebtedness for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law.

8. If it is acquiring a Class X Note, Class A-1 Note, Class A-2 Note, Class B Note, Class C Note or Class D Note, it is \_\_\_\_\_ (check if applicable) a “United States person” within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed IRS Form W-9 (or applicable successor form) is attached hereto; or \_\_\_\_\_ (check if applicable) not a “United States person” within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed applicable IRS Form W-8 (or applicable successor form) is attached hereto. 9. If it is acquiring a Class E Note, it represents that, with respect to any period that any of the Class E Notes are held by more than one beneficial owner, it is a “United States person” within the meaning of Section 7701(a)(30) of the Code, and has provided a valid IRS Form W-9 (or applicable successor form).

10. If it is acquiring a Class E Note, it agrees that, prior to transferring a Class E Note (or any interest therein), it will deliver to the acquirer, with a copy to the Trustee, a properly completed certificate, in a form reasonably acceptable to the acquirer and the Issuer, stating, under penalty of perjury, its United States taxpayer identification number and that it is not a foreign person within the meaning of Section 1446(f)(2) of the Code (such certificate, a “Non-Foreign Status

Certificate”). It understands that the failure to provide a Non-Foreign Status Certificate to the acquirer may result in withholding on the amount realized on its disposition of a Class E Note.

11. If it is acquiring a Class X Note, Class A-1 Note, Class A-2 Note, Class B Note, Class C Note or Class D Note and it is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, it hereby represents that either (A) it is not (i) a bank (or an entity affiliated with a bank) extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(a) of the Code), (ii) a controlled foreign corporation related to the Issuer, and (iii) a holder (directly or by attribution) of at least 10 percent of an interest (including a capital or profits interest) in the Issuer, or (B) it has provided an IRS Form W-8BEN (or applicable successor form) or an IRS Form W-8BEN-E (or applicable successor form), as applicable, representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States or (C) it has provided an IRS Form W-8ECI (or applicable successor form) representing that all payments received or to be received by it on the Notes are effectively connected with the conduct of a trade or business in the United States.

12. If it is acquiring a Class X Note, Class A-1 Note, Class A-2 Note, Class B Note, Class C Note or Class D Note and is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, it represents that it is not and will not become a member of an “expanded group” (within the meaning of Treasury Regulation Section 1.385-1(c)(4)) that includes a domestic corporation (as determined for U.S. federal income tax purposes) if such domestic corporation directly or indirectly (through one or more entities that are treated for U.S. federal income tax purposes as partnerships, disregarded entities, or grantor trusts) owns Certificates or any other equity interests in the Issuer.

13. If it is acquiring a Class E Note, except in the case of Woodmont Intermediate 2022-9 Trust or as agreed in writing by the Issuer upon advice of counsel, it, if beneficially entitled to interest payable to it under the Class E Notes, represents that it is (A) an association taxable as a corporation that is subject to tax in the United States on its worldwide income provided that such association is not acting for this purpose through a branch or agency in Ireland, or (B) a limited liability company (“LLC”) or limited partnership (“LP”) created or organized, in each case, in the United States or under the laws of the United States or of any state thereunder whose members or partners, as applicable, consist solely of persons described in (A) above and the business conducted through the LLC or LP is structured for market reasons and not for tax avoidance purposes.

14. If it is acquiring a Class E Note, it represents that it is not, and it represents that it will not transfer a Class E Note to any person (other than Woodmont Intermediate 2022-9 Trust) that is, classified for U.S. federal income tax purposes as a partnership, Subchapter S corporation or grantor trust unless (I) (A) none of the direct or indirect beneficial owners of any interest in such person have or ever will have more than 40% of the value of its interest in such person attributable to the aggregate interest of such person in the combined value of the Class E Notes and any equity interests in the Issuer, and (B) it is not and will not be a principal purpose of the arrangement involving the investment of such person in any Class E Notes and any equity interests of the Issuer to permit any partnership to satisfy the 100 partner limitation of Treas.

Reg. § 1.7704-1(h)(1)(ii) or (II) such person obtains an opinion of nationally recognized U.S. tax counsel reasonably acceptable to the Issuer that such transfer will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation.

15. If it acquiring a Class E Note, it represents that it will not participate in the creation or other transfer of any financial instrument or contract the value of which is determined in whole or in part by reference to the Issuer (including the amount of distributions by the Issuer, the value of the Issuer's assets or the results of the Issuer's operations) or the Class E Notes.

16. If it acquiring a Class E Note, it represents that it will not acquire, or sell, transfer, assign, participate, pledge or otherwise dispose of a Class E Note (and any interest therein) or cause a Class E Note (and any interest therein) to be marketed, (I) on or through an "established securities market" within the meaning of Section 7704(b)(1) of the Code and Treas. Reg. § 1.7704-1(b), including without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations or (II) if such acquisition, sale, transfer, assignment, participation, pledge or other disposition would cause the combined number of holders of Class E Notes and any equity interests in the Issuer to be more than [90].

17. If it is acquiring a Class E Note, it acknowledges and agrees that any sale, transfer, assignment, participation, pledge, or other disposition of a Class E Note (and any interest therein) that would violate any of the three preceding paragraphs above or otherwise cause the Issuer to be unable to rely on the "private placement" safe harbor of Treas. Reg. § 1.7704-1(h) will be void and of no force or effect, and it will not transfer any interest in a Class E Note to any person that does not agree to be bound by the three preceding paragraphs above or by this paragraph.

18. It understands that the Issuer (or an agent acting on its behalf) may, in its sole discretion, compel any holder or beneficial owner of an interest in a Note that fails to comply with the foregoing requirements to sell its interest in such Note, or to sell such interest on behalf of such owner. It will indemnify the Issuer, the Trustee and their respective agents and each of the holders of the Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such holder to comply with its obligations under the Notes. It understands that this indemnification will continue with respect to any period during which it held a Note (or any interest therein) notwithstanding it ceasing to be a holder of the Notes.

19. It will deliver to the Trustee or its agents within 10 Business Days of this transfer, and thereafter if reasonably requested by the Trustee (at the direction of the Collateral Manager) or its agents a certificate in the form of Exhibit F to the Indenture.

20. It agrees to be subject to the Bankruptcy Subordination Agreement.

21. To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon notice to the Trustee, impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar

laws or regulations, including, without limitation, requiring each transferee of a Note to make representations to the Issuer in connection with such compliance.

22. It understands that the Issuer, the Trustee, the Placement Agents and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

23. If it is a Benefit Plan Investor, it represents warrants and agrees that (i) none of the Issuer, the Collateral Manager, the Trustee, the Collateral Administrator, the Placement Agents, or any of their respective affiliates, has provided any investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor, or to any fiduciary or other person investing the assets of the Benefit Plan Investor (“Fiduciary”), in connection with its acquisition of Notes and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

The Transferee acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of the Notes. The Transferee understands that the Issuer has not been registered under the Investment Company Act, and that the Issuer is excepted from the definition of an “investment company” by virtue of Section 3(c)(7) of the Investment Company Act.

as amended (the “Code”), and (B) if it is, or is acting on behalf of, a governmental, church, non-U.S. or other plan, its acquisition, holding and disposition of such Notes do not and will not constitute or give rise to a non-exempt violation of any law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (“Other Plan Law”).

5. It represents, warrants and agrees that (A) it is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person (or if it is, or is acting on behalf of, a Benefit Plan Investor or Controlling Person it is acquiring such Note with the express written agreement of the Issuer on the First Refinancing Date, and it has provided to the Trustee an investor questionnaire substantially in the form attached as Exhibit B-5 of the Indenture), (B) that no transfer of such Note or any interest therein will be permitted, and the Trustee will not recognize any such transfer, if it would cause 25% or more of the total value of the Subordinated Notes to be held by Benefit Plan Investors, disregarding such Notes (or interests therein) held by Controlling Persons, (C) it is not subject to any Similar Law and (D) its acquisition, holding and disposition of such Notes will not constitute or result in a non-exempt violation of any such Other Plan Law.

6. It agrees not to seek to commence in respect of the Issuer, or cause the Issuer to commence, a bankruptcy proceeding before a year and a day has elapsed since the payment in full to the holders of the Notes issued pursuant to the Indenture or, if longer, the applicable preference period (plus one day) then in effect.

7. It will treat such Notes as equity for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law.

8. It is \_\_\_\_\_ (check if applicable) a “United States person” within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed IRS Form W-9 (or applicable successor form) is attached hereto; or \_\_\_\_\_ (check if applicable) not a “United States person” within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed applicable IRS Form W-8 (or applicable successor form) is attached hereto. It understands and acknowledges that failure to provide the Issuer or the Trustee with the applicable tax certifications may result in withholding or back-up withholding from payments to it in respect of the Notes.

9. It represents that, with respect to any period that any of the Notes are held by more than one beneficial owner, it is a “United States person” within the meaning of Section 7701(a)(30) of the Code, and has provided a valid IRS Form W-9 (or applicable successor form).

10. It agrees that, prior to transferring a Subordinated Note (or any interest therein), it will deliver to the acquirer, with a copy to the Trustee, a properly completed certificate, in a form reasonably acceptable to the acquirer and the Issuer, stating, under penalty of perjury, its United States taxpayer identification number and that it is not a foreign person within the meaning of Section 1446(f)(2) of the Code (such certificate, a “Non-Foreign Status Certificate”). It understands that the failure to provide a Non-Foreign Status Certificate to the acquirer may result in withholding on the amount realized on its disposition of a Subordinated Note.

13. Except in the case of Woodmont Intermediate 2022-9 Trust or as agreed in writing by the Issuer upon advice of counsel, it, if beneficially entitled to interest payable to it under the Notes, represents that it is (A) an association taxable as a corporation that is subject to tax in the United States on its worldwide income provided that such association is not acting for this purpose through a branch or agency in Ireland, or (B) a limited liability company (“LLC”) or limited partnership (“LP”) created or organized, in each case, in the United States or under the laws of the United States or of any state thereunder whose members or partners, as applicable, consist solely of persons described in (A) above and the business conducted through the LLC or LP is structured for market reasons and not for tax avoidance purposes.

14. It represents that it is not, and it represents that it will not transfer a Subordinated Note to any person (other than Woodmont Intermediate 2022-9 Trust) that is, classified for U.S. federal income tax purposes as a partnership, Subchapter S corporation or grantor trust unless (I) (A) none of the direct or indirect beneficial owners of any interest in such person have or ever will have more than 40% of the value of its interest in such person attributable to the aggregate interest of such person in the combined value of the Subordinated Notes and any equity interests in the Issuer, and (B) it is not and will not be a principal purpose of the arrangement involving the investment of such person in any Subordinated Notes and any equity interests of the Issuer to permit any partnership to satisfy the 100 partner limitation of Treas. Reg. § 1.7704-1(h)(1)(ii) or (II) such person obtains an opinion of nationally recognized U.S. tax counsel reasonably acceptable to the Issuer that such transfer will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation.

15. It represents that it will not participate in the creation or other transfer of any financial instrument or contract the value of which is determined in whole or in part by reference to the Issuer (including the amount of distributions by the Issuer, the value of the Issuer’s assets or the results of the Issuer’s operations) or the Subordinated Notes.

16. It represents that it will not acquire, or sell, transfer, assign, participate, pledge or otherwise dispose of a Subordinated Note (and any interest therein) or cause a Subordinated Note (and any interest therein) to be marketed, (I) on or through an “established securities market” within the meaning of Section 7704(b)(1) of the Code and Treas. Reg. § 1.7704-1(b), including without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations or (II) if such acquisition, sale, transfer, assignment, participation, pledge or other disposition would cause the combined number of holders of Subordinated Notes and any equity interests in the Issuer to be more than [90].

17. It acknowledges and agrees that any sale, transfer, assignment, participation, pledge, or other disposition of a Subordinated Note (and any interest therein) that would violate any of the three preceding paragraphs above or otherwise cause the Issuer to be unable to rely on the “private placement” safe harbor of Treas. Reg. § 1.7704-1(h) will be void and of no force or effect, and it will not transfer any interest in a Subordinated Note to any person that does not agree to be bound by the three preceding paragraphs above or by this paragraph.

18. It understands that the Issuer (or an agent acting on its behalf) may, in its sole discretion, compel any holder or beneficial owner of an interest in a Note that fails to comply with the foregoing requirements to sell its interest in such Note, or to sell such interest on behalf of such

owner. It will indemnify the Issuer, the Trustee and their respective agents and each of the holders of the Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such holder to comply with its obligations under the Notes. It understands that this indemnification will continue with respect to any period during which it held a Note (or any interest therein) notwithstanding it ceasing to be a holder of the Notes.

19. It will deliver to the Trustee or its agents within 10 Business Days of this transfer, and thereafter if reasonably requested by the Trustee (at the direction of the Collateral Manager) or its agents a certificate in the form of Exhibit F to the Indenture.

20. It agrees to be subject to the Bankruptcy Subordination Agreement.

21. To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon notice to the Trustee, impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of a Note to make representations to the Issuer in connection with such compliance.

22. It understands that the Issuer, the Trustee, the Placement Agents and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

23. If it is a Benefit Plan Investor, it represents warrants and agrees that (i) none of the Issuer, the Collateral Manager, the Trustee, the Collateral Administrator, the Placement Agents, or any of their respective affiliates, has provided any investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor, or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary"), in connection with its acquisition of Notes and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(a) The Collateral Administrator will have no responsibility under this Agreement other than to render the services expressly called for hereunder in good faith and without willful misfeasance, gross negligence or reckless disregard of its duties hereunder. The Collateral Administrator shall incur no liability to anyone in acting upon any signature, instrument, statement, notice, resolution, request, direction, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. Subject to the provisions of Section 13 hereof, the Collateral Administrator may exercise any of its rights or powers hereunder or perform any of its duties hereunder either directly or by or through agents or attorneys, and the Collateral Administrator shall not be responsible for any misfeasance or negligence on the part of any agent or attorney appointed hereunder with due care by it. Neither the Collateral Administrator nor any of its affiliates, directors, officers, shareholders, agents or employees will be liable to the Collateral Manager, the Issuer, the Trustee, the Holders or any other Person, except by reason of acts or omissions by the Collateral Administrator constituting criminal conduct, fraud, bad faith, willful misfeasance, gross negligence or reckless disregard of the Collateral Administrator's duties hereunder. The Collateral Administrator shall in no event have any liability for the actions or omissions of the Issuer, the Collateral Manager, the Trustee (if not the same Person as the Collateral Administrator) or any other Person, and shall have no liability for any inaccuracy or error in any duty performed by it that results from or is caused by inaccurate, untimely or incomplete information or data received by it from the Issuer, the Collateral Manager, the Trustee (if not the same Person as the Collateral Administrator) or another Person except to the extent that such inaccuracies or errors are caused by the Collateral Administrator's own criminal conduct, fraud, bad faith, willful misfeasance, gross negligence or reckless disregard of its duties hereunder. The Collateral Administrator shall not be liable for any failure to perform or delay in performing its specified duties hereunder which results from or is caused by a failure or delay on the part of the Issuer, the Collateral Manager, the Trustee (if not the same Person as the Collateral Administrator) or another Person in furnishing necessary, timely and accurate information to the Collateral Administrator except to the extent that any failure or delay is caused by the Collateral

Administrator's own criminal conduct, fraud, bad faith, willful misfeasance, gross negligence or reckless disregard of its duties hereunder. The duties and obligations of the Collateral Administrator and its employees or agents shall be determined solely by the express provisions of this Agreement and they shall not be under any obligation or duty except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants shall be read into this Agreement against them. The Collateral Administrator may consult with and shall be entitled to rely on the advice of legal counsel and independent accountants in performing its duties hereunder and shall be protected and deemed to have acted in good faith if it acts in accordance with such advice in the absence of criminal conduct, fraud, willful misfeasance, gross negligence, or reckless disregard on the part of the Collateral Administrator.

(b) The Collateral Administrator may rely conclusively on any notice, certificate or other document (including, without limitation, telecopier or electronically transmitted instructions, documents or information) furnished to it hereunder and reasonably believed by it in good faith to be genuine. The Collateral Administrator shall not be liable for any action taken by it in good faith in reliance upon such notice, certificate or document and reasonably believed by it to be within the discretion or powers conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed hereunder, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action. The Collateral Administrator shall not be bound to make any investigation into the facts or matters stated in any certificate, report or other document; provided, however, that if the form thereof is prescribed by this Agreement, the Collateral Administrator shall examine the same to determine whether it conforms on its face to the requirements hereof.

(c) The Collateral Administrator shall not be deemed to have knowledge or notice of any matter unless a Trust Officer working in its Corporate Trust Office has actual knowledge of such matter or has received written notice of such matter in accordance with this Agreement or the Indenture. Under no circumstances shall the Collateral Administrator be liable for indirect, punitive, special or consequential damages loss or damage of any kind whatsoever (including but not limited to lost profits), under or pursuant to this Agreement, its duties or obligations hereunder or arising out of or relating to the subject matter hereof even if the Collateral Administrator has been advised of such loss or damage and regardless of the form of action. It is expressly acknowledged that the application and performance by the Collateral Administrator of its various duties hereunder (including recalculations to be performed in respect of the matters contemplated hereby) shall, in part, be based upon, and in reliance upon, data and information provided to it by the Collateral Manager, the Issuer and/or the Trustee with respect to the Assets. Notwithstanding anything herein and without limiting the generality of any terms of this Section 4, the Collateral Administrator shall have no liability to the extent of any expense, loss, damage, demand, charge or claim resulting from or caused by events or circumstances beyond the reasonable control of the Collateral Administrator including, without limitation, any act of God, natural disaster, war, terrorism, civil unrest, accidents, labor dispute, disease, epidemic or pandemic, quarantine, national emergency, loss or malfunction of utility or computer software or hardware, communications system failure, malware or ransomware or unavailability of the Federal Reserve Bank wire or telex system or other wire or funds transfer systems, or unavailability of any securities clearing system.

(d) The Issuer shall, and hereby agrees to, indemnify, defend and hold harmless the Collateral Administrator and its affiliates, directors, officers, shareholders, agents and employees from any and all losses, damages, liabilities, demands, charges, costs, expenses (including the reasonable fees and expenses of counsel and other experts) and claims of any nature in respect of, or arising from any acts or omissions performed or omitted by the Collateral Administrator, its affiliates, directors, officers, shareholders, agents or employees pursuant to or in connection with the terms of this Agreement, or in the performance or observance of its duties or obligations under this Agreement; provided such acts or omissions are in good faith, do not constitute criminal conduct, are without fraud, willful misfeasance and gross negligence on the part of the Collateral Administrator and are without reckless disregard of its duties hereunder. For the avoidance of doubt, all indemnities payable under this subsection (d) shall be payable only in accordance with the order specified in the Priority of Payments as set forth in Section 11.1 of the Indenture.

(e) Notwithstanding anything herein and without limiting the generality of any terms of this Section 4, the Collateral Administrator shall have no liability for any failure, inability or unwillingness on the part of the Collateral Manager or the Issuer (or the Trustee, if not the same Person as the Collateral Administrator) to provide accurate and complete information on a timely basis to the Collateral Administrator, or otherwise on the part of any such party to comply with the terms of this Agreement, and shall have no liability for any inaccuracy or error in the performance or observance on the Collateral Administrator's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

Further, nothing herein shall impose or imply any duty or obligation on the part of the Collateral Administrator to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis (x) whether any issuer of the securities or loans included in the Assets is in default or in compliance with the Underlying Instruments governing or securing such securities or loans, (y) whether the Issuer, E.U./UK Retention Provider or any other person is in compliance with the E.U. Securitization Laws or the U.S. Risk Retention Rules, (z) include with any Monthly Report, any correspondence from the Retention Provider to the extent such

Upon receipt of a Certification, the Collateral Administrator shall (i) review such Certification to confirm that it conforms substantially on its face to the form attached hereto as Annex A and (ii) reasonably promptly notify the Collateral Manager of receipt of such Certification. We acknowledge and agree that the Collateral Administrator has no responsibility or liability to any person for the Information nor for the adequacy, accuracy, reasonableness or completeness of such Information or whether the Information is sufficient for any purpose (including without limitation for purposes of, or for compliance with, the Transparency and Reporting Requirements), which is provided in its capacity as Collateral Administrator on behalf of the Issuer. The Information has been based on information provided to the Collateral Administrator by third parties, and has not been independently verified, audited, reconciled or recalculated by the Collateral Administrator or at all.
