## SAFE HARBOR DISCLOSURE

This presentation contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. The words “anticipate,” “expect,” “believe,” “will,” “may,” “should,” “estimate,” “project,” “outlook,” “forecast” or other similar words are used to identify such forward-looking statements. However, the absence of these words does not mean that the statements are not forward-looking. The forward-looking statements represent NETGEAR, Inc.’s expectations or beliefs concerning future events based on information available at the time such statements were made and include statements regarding: NETGEAR’s future operating performance and financial condition, including expectations regarding continued profitability and cash generation; expectations regarding continuing market demand for the Company’s products and the Company’s ability to respond to this demand; the timing, distribution, sales momentum and market acceptance of recent and anticipated new product introductions that position the Company for growth and market share gain; and expectations regarding NETGEAR’s paid subscriber base growth. These statements are based on management’s current expectations and are subject to certain risks and uncertainties, including the following: uncertainty surrounding the duration and impact of the global COVID-19 pandemic; future demand for the Company’s products may be lower than anticipated; the Company may be unsuccessful, or experience delays, in manufacturing and distributing its new and existing products; consumers may choose not to adopt the Company’s new product offerings or adopt competing products; the Company may be unable to continue to grow its number of registered users, its number of registered app users and/or its paid subscriber base; product performance may be adversely affected by real world operating conditions; the Company may fail to manage costs, including the cost of developing new products and manufacturing and distribution of its existing offerings; the Company may fail to successfully continue to effect operating expense savings; changes in the level of NETGEAR’s cash resources and the Company’s planned usage of such resources, including potential repurchases of the Company’s common stock; changes in the Company’s stock price and developments in the business that could increase the Company’s cash needs; fluctuations in foreign exchange rates; and the actions and financial health of the Company’s customers, including the Company’s ability to collect receivables as they become due. Further, certain forward-looking statements are based on assumptions as to future events that may not prove to be accurate. Therefore, actual outcomes and results may differ materially from what is expressed or forecast in such forward-looking statements. Further information on potential risk factors that could affect NETGEAR and its business are detailed in the Company’s periodic filings with the Securities and Exchange Commission, including, but not limited to, those risks and uncertainties listed in the section entitled “Part I - Item 1A. Risk Factors” in the Company’s quarterly report on Form 10-K for the fiscal year ended December 31, 2020, filed with the Securities and Exchange Commission on February 16, 2021. Given these circumstances, you should not place undue reliance on these forward-looking statements. NETGEAR undertakes no obligation to release publicly any revisions to any forward-looking statements contained herein to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events, except as required by law.

All product and company names herein are or may be trademarks of their respective owners.
