In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and, with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made. The Class X Notes shall not be included in the calculation of any Coverage Test or the Reinvestment Overcollateralization Test.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes,

distributions to the Fiscal Agent, each on behalf of the Issuer, or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.6(b)(iv), Article 12 and the definition of "Interest Coverage Ratio", the expected interest on the Notes and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation", then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(j) For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations identified by the Portfolio Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan")) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within fifteen (15) Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that (a)(i) the Portfolio Manager shall provide to the Trustee (with a copy to the Collateral Administrator) a report containing the details of a completed Trading Plan which the Trustee shall post on its website (such report to include details of the Collateral Obligations included in such Trading Plan and calculations showing whether the Trading Plan has complied with the Investment Criteria) and (ii) the Trustee shall either (A) certify that such Trading Plan is in compliance with the Investment Criteria or (B) upon a Securityholder's request, make the report referenced in the above clause (a)(i) available to such Securityholder, (b) no Trading Plan may

result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (c) no Trading Plan Period may include a Determination Date, (d) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (e) no Collateral Obligation that has a maturity date earlier than 6 months from the date of such Trading Plan may be purchased in connection with such Trading Plan and (f) for any Trading Plan entered into, the difference between the Collateral Obligation included in such Trading Plan that has the longest Average Life and the Collateral Obligation included in such Trading Plan that has the shortest Average Life shall not exceed 3.0 years; provided further that if the Investment Criteria are not satisfied with respect to any such Trading Plan, notice will be provided to each Rating Agency. The Portfolio Manager shall notify each Rating Agency and the Collateral Administrator of the commencement of any Trading Plan Period and any Collateral Obligations covered in such Trading Plan. For purposes of determining whether or not any Collateral Obligations satisfy the definition of "Discount Obligation," no such calculation or evaluation may be made using the weighted average price of any Collateral Obligation or any group of Collateral Obligations.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the definition of "Concentration Limitations", the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(o) For all purposes (including calculation of the Coverage Tests), the principal balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(p) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(q) If withholding tax is imposed on (w) any amounts associated with Withholding Tax Obligations, (x) late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, Weighted Average Coupon and the Interest Coverage Test, as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(r) Any reference in this Indenture to an amount of the Trustee's, the Collateral Administrator's or the Fiscal Agent's fees calculated with respect to a period at a per annum rate shall be computed on the basis of the actual number of days elapsed and a 360-day year prorated for the related Interest Accrual Period and shall be based on the Fee Basis Amount.

(s) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator or the Trustee shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator or the Trustee shall be entitled to follow such direction and shall be entitled to conclusively rely thereon without any responsibility or liability therefor. For the avoidance of doubt, the Collateral Administrator shall also be entitled to request direction from the Portfolio Manager with respect to any interpretations and/or methodologies to be used relating to the benchmarks used for the Collateral Obligations and the benchmark for the Notes.

(t) For purposes of calculating compliance with any tests hereunder (including the Investment Criteria, Collateral Quality Test, the Coverage Tests, the Reinvestment Overcollateralization Test and the Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used by the relevant party undertaking such calculation in accordance with the Transaction Documents.

(u) The equity interest in any Issuer Subsidiary permitted under Section 7.4 and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security, a Workout Asset, a Restructured Asset or a Specified Equity Security if acquired and held by the Issuer, an Equity Security, a Workout Asset, a Restructured Asset or a Specified Equity Security, as applicable) for all purposes of this Indenture (other than for tax purposes) and each reference to Assets, Collateral Obligations, Workout Assets, Restructured Assets, Specified Equity Securities and Equity Securities herein shall be construed accordingly; provided that, to the extent any Asset held by an Issuer Subsidiary generates interest or a capital gain, such interest or capital gain will be included net of any associated tax liability for purposes of the

calculation of the Minimum Floating Spread Test, the Minimum Weighted Average Coupon Test, the Overcollateralization Ratio Test and the Interest Coverage Test.

(v) All calculations including those related to Maturity Amendments, sales of Collateral Obligations, the Investment Criteria, Swapped Obligations (and definitions related to sales of Collateral Obligations, the Investment Criteria and Swapped Obligations) and any other tests and percentage limitations that would be measured cumulatively from the 2024 Closing Date onward will be reset at zero on any future date of any Optional Redemption or Refinancing of the Rated Securities in whole. For the avoidance of doubt, no calculation related to the Subordinated Securities Internal Rate of Return will be reset at zero on any such date.

(w) If at any time S&P ceases to provide rating services with respect to the Rated Securities, references to any tests of S&P in this Indenture shall be deemed to no longer apply to such Rated Securities. Further, if no Class of Rated Securities rated by S&P is Outstanding (or in connection with a Refinancing of any Class or Classes of Rated Securities, will remain Outstanding after such Refinancing), any requirement to satisfy the S&P Rating Condition will not apply.

(x) All calculations required to be made and all reports that are to be prepared pursuant to this Indenture with respect to the Assets shall be made, unless otherwise agreed to by the Portfolio Manager, on the basis that any events that occur after 5:00 p.m. (New York time) shall be considered to have occurred on the following day.

(y) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a Trade Ticket from the Issuer or the Portfolio Manager on which the Trustee and Collateral Administrator may rely for all purposes herein and any certifications required to be made by the Issuer or the Portfolio Manager shall be deemed to have been made upon delivery of such Trade Ticket. Furthermore, with respect to any instruction to the Trustee hereunder relating to the transfer of amounts on deposit in any of the Accounts, a copy of such instruction shall also be required to be given to the Collateral Administrator.

(z) Unless otherwise expressly set forth herein, any notice period or other deliverable period set forth herein may be shortened if the Person delivering such notice or other deliverables and each of the recipients thereof (other than the Rating Agencies, which shall not be subject to any shorter notice period) consent to such shorter period.

(aa) For purposes of determining whether any Drop Down Asset is a Middle Market Loan, the total potential indebtedness of the obligor thereof shall be deemed to include the total potential indebtedness of the obligor of the related Subject Asset.

(bb) For purposes of the calculations required under Section 12.2(c), any averaging of ratings will rely on the weighted average S&P Global Ratings' Rating Factor.

(cc) If no Class of Rated Securities is outstanding (including as a result of an Optional Redemption thereof), any periodic reporting requirements or deliverables set forth herein may be terminated in the sole discretion of the Portfolio Manager; provided, that in any event the information required pursuant to Section 10.6(b)(ii) through (vi) shall be required to

be provided solely to the Trustee, the Portfolio Manager and the Fiscal Agent, in a form as agreed between the Issuer, the Portfolio Manager and the Trustee (which for the avoidance of doubt shall not be reviewed by the Independent accountants).

2. THE NOTES AND THE SUBORDINATED NOTES

2.1 Forms Generally

The Notes, the Subordinated Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes or Subordinated Notes as evidenced by their execution of such Notes or Subordinated Notes. Any portion of the text of any such Note or Subordinated Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Note or Subordinated Note.

2.2 Forms of Notes and Subordinated Notes

(a) The forms of the Notes and the Subordinated Notes, including the forms of Certificated Notes, Regulation S Global Notes, and Rule 144A Global Notes, shall be as set forth in the applicable part of Exhibit A hereto.

(b) Regulation S Global Notes, Rule 144A Global Notes, and ERISA Restricted Certificated Notes.

(i) The Notes of each Class and the Subordinated Notes sold to persons who are not U.S. persons in offshore transactions in reliance on Regulation S shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the applicable form attached as Exhibit A hereto (each, a "Regulation S Global Note"), and shall be deposited on behalf of the subscribers for such Notes or Subordinated Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, DTC for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(ii) The Notes of each Class and the Subordinated Notes (other than ERISA Restricted Certificated Notes) sold to persons that are QIB/QPs shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the applicable form attached as Exhibit A hereto (each, a "Rule 144A Global Note") and shall be deposited on behalf of the subscribers for such Notes or Subordinated Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The Notes that are ERISA Restricted Securities (or, on the 2024 Closing Date, any other Class of

Notes) sold to persons that are Institutional Accredited Investors who are also Qualified Purchasers shall be issued in the form of Certificated Notes (the "ERISA Restricted Certificated Notes").

(iii) The aggregate principal amount of the Regulation S Global Notes and the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note or Subordinated Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note or Subordinated Note.

2.3 Authorized Amount; Stated Maturity; Denominations

The aggregate principal amount of Notes and Subordinated Notes that may be authenticated and delivered under this Indenture is limited to U.S.$498,900,000 aggregate principal amount of Notes and Subordinated Notes (except for (i) Note Deferred Interest with respect to the Deferred Interest Notes, (ii) Notes or Subordinated Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes or Subordinated Notes (or, in the case of the Subordinated Notes, in exchange for Preference Shares) pursuant to Section 2.5, Section 2.6 or Section 8.5 of this Indenture or (iii) additional notes or subordinated notes issued in accordance with Sections 2.13 and 3.2).

[1] The Reference Rate will be calculated by reference to the three-month Term SOFR Rate in accordance with this Indenture; provided that, the Term SOFR Rate for the first Interest Accrual Period with respect to the Floating Rate Notes will be set on two different Interest Determination Dates and, therefore, two different rates may apply during that period.

[2] The Subordinated Notes and the Preference Shares will rank pari passu with each other under the Priority of Payments.

[3] On the Original Closing Date, the Issuer issued U.S.$18,000,000 Subordinated Notes and 39,900 Preference Shares. After giving effect to the issuance of the additional Subordinated Securities on the 2024 Closing Date, there will be U.S.$29,443,000 Subordinated Notes and 53,457 Preference Shares Outstanding under the Indenture and the Preference Share Documents. The Preference Shares shall have a principal amount per share of U.S.$1,000.

On any Payment Date following an Enforcement Event, principal of the Class X-R2 Notes will be paid *pari passu* with principal of the Class A-R2 Notes. On any Redemption Date or on the Stated Maturity or to the extent of payments in accordance with the Note Payment Sequence, principal of the Class X-R2 Notes will be paid after principal of the Class A-R2 Notes. At all other times, principal of the Class X-R2 Notes will be paid prior to principal of the Class A-R2 Notes in accordance with the Priority of Payments.

The Notes and the Subordinated Notes will be issued in minimum denominations of U.S.$250,000 and integral multiples of U.S.$1.00 in excess thereof. The Notes and the Subordinated Notes shall only be transferred or resold in compliance with the terms of this Indenture.

2.4 Execution, Authentication, Delivery and Dating

The Notes and the Subordinated Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes and the Subordinated Notes may be manual, facsimile or electronic signature, as described in Section 14.13.

Securities bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Securities executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in respect of a transfer of Securities hereunder, have been deemed to have been provided upon the Issuer's delivery of executed Securities to the Trustee), shall authenticate and deliver such Securities as provided in this Indenture and not otherwise.

Each Note or Subordinated Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order (which Issuer Order shall, in respect of a transfer of Securities hereunder, have been deemed to have been provided upon the Issuer's delivery of executed Securities to the Trustee) on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, shall be dated as of the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, respectively. All other Securities that are authenticated and delivered after the 2024 Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Securities issued upon transfer, exchange or replacement of other Securities shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes or the Subordinated Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes or the Subordinated Notes so transferred, exchanged or replaced. In the event that any Note or Subordinated Note is divided into more than one Note or Subordinated Note in accordance with this Article 2, the original principal amount of such Note or Subordinated Note shall be proportionately divided among the Notes or the Subordinated Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Securities.

No Note or Subordinated Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note or Subordinated Note

a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note or Subordinated Note shall be conclusive evidence, and the only evidence, that such Note or Subordinated Note has been duly authenticated and delivered hereunder.

2.5 Registration, Registration of Transfer and Exchange

(a) The Issuer shall cause the Notes and the Subordinated Notes to be Registered and shall cause to be kept a register (the "Note Register") at the Corporate Trust Office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and Subordinated Notes and the registration of transfers of Notes and Subordinated Notes. The Trustee is hereby initially appointed "registrar" (the "Note Registrar") for the purpose of registering Notes and Subordinated Notes and transfers of such Notes and Subordinated Notes in the Note Register. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Note Registrar.

If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Register, and the Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the Subordinated Notes and the principal or face amounts and numbers of such Notes and Subordinated Notes. Upon written request at any time the Note Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser, the Placement Agent or any Holder a current list of Holders as reflected in the Note Register.

Subject to this Section 2.5, upon surrender for registration of transfer of any Securities at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities, as applicable, of any authorized denomination and of a like aggregate principal or face amount. At any time, the Initial Purchaser or the Placement Agent may request a list of Holders from the Trustee.

At the option of the Holder, Notes and Subordinated Securities may be exchanged for Securities of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes or the Subordinated Notes to be exchanged at such office or agency. Whenever any Note or Subordinated Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes or the Subordinated Notes that the Holder making the exchange is entitled to receive.

All Notes and Subordinated Securities authenticated and delivered upon any registration of transfer or exchange of Securities shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same

benefits under this Indenture as the Notes and the Subordinated Notes surrendered upon such registration of transfer or exchange.

Every Note or Subordinated Security presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Securities, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee, including a Medallion signature guarantee.

(b) No Note or Subordinated Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) (i) Each purchaser and transferee of Class X Notes, Class A Notes, Class B-1 Notes, Class B-2 Notes, Class C Notes, Class D-1 Notes or Class D-2 Notes (or any interest therein) will be deemed to represent, warrant and agree that either (a) it is not, and is not acting on behalf of (and for so long as it holds such Securities or interest therein will not be, and will not be acting on behalf of), a Benefit Plan Investor or a governmental, church, non-U.S. or other plan which is subject to any Similar Law, and no part of the assets to be used by it to acquire or hold such Note or any interest therein constitutes the assets of any Benefit Plan Investor or such governmental, church, non-U.S. or other plan; or (b)(1) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (2) if it is a governmental, church, non-U.S. or other plan, its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of any Similar Law.

(ii) No Global ERISA Restricted Security may be sold or transferred to a Benefit Plan Investor or a Controlling Person, and the Trustee will not recognize any such sale or transfer to a Person that has represented that it is, or is acting on behalf of, a Benefit Plan Investor or a Controlling Person (except in the case of (i) purchases on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where the purchaser has delivered a subscription agreement (unless otherwise agreed to or waived by the Placement Agent and the Initial Purchaser) and has obtained the prior written consent of the Issuer, (ii) any subsequent transfer from a Controlling Person that is an original purchaser of ERISA Restricted Securities from the Issuer on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where such transferee is an Affiliate of such original purchaser, or (iii) any subsequent transferee of ERISA Restricted Securities where such transferee is the Portfolio Manager or an Affiliate

thereof and has obtained the prior written consent of the Issuer). Each initial purchaser of a Global ERISA Restricted Security (or any interest therein) will be required to represent, warrant and agree, and each subsequent transferee of a Global ERISA Restricted Security or an interest therein will be deemed to have represented, warranted and agreed that (1) it is not, and is not acting on behalf of (and for as long as it holds such Security or interests therein, will not be, and will not be acting on behalf of), a Benefit Plan Investor or a Controlling Person (except in the case of (i) an original purchaser of Global ERISA Restricted Securities on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where the purchaser has delivered a subscription agreement (unless otherwise agreed to or waived by the Placement Agent and the Initial Purchaser) and has obtained the prior written consent of the Issuer, (ii) any subsequent transferee of ERISA Restricted Securities from a Controlling Person that is an original purchaser of ERISA Restricted Securities from the Issuer on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where such transferee is an Affiliate of such original purchaser or (iii) any subsequent transferee of ERISA Restricted Securities where such transferee is the Portfolio Manager or an Affiliate thereof and has obtained the prior written consent of the Issuer), and (2)(A) if it is, or is acting on behalf of a Benefit Plan Investor (to the extent permitted under (1) above), its acquisition, holding and disposition of such Global ERISA Restricted Securities (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (B) if such Person is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Global ERISA Restricted Security (or any interest therein) will not be, subject to Other Plan Law and (y) its acquisition, holding and disposition of such Global ERISA Restricted Security (or any interest therein) will not constitute or result in a violation of any Similar Law.

For purposes of these calculations and all other calculations required by this paragraph, (A) any Securities of the Issuer held by a Controlling Person, the Trustee, the Fiscal Agent, the Portfolio Manager or any of their

respective affiliates shall be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person shall include any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. Sale or transfer of a Global ERISA Restricted Security to a Person that is a Benefit Plan Investor or a Controlling Person will not be permitted and the Trustee will not recognize any such sale or transfer (except in the case of (i) purchases on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where the purchaser has delivered a subscription agreement (unless otherwise agreed to or waived by the Placement Agent and the Initial Purchaser) and has obtained the prior written consent of the Issuer, (ii) any subsequent transfer from a Controlling Person that is an original purchaser of ERISA Restricted Securities from the Issuer on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, where such transferee is an Affiliate of such original purchaser, or (iii) any subsequent transferee of ERISA Restricted Securities where such transferee is the Portfolio Manager or an Affiliate thereof and has obtained the prior written consent of the Issuer).

(v) If the purchaser or transferee of any Securities or any interest therein is, or is acting on behalf of, a Benefit Plan Investor, it will be further deemed or required to represent, warrant and agree that (i) none of the Issuer, the Co-Issuer, the Placement Agent, the Initial Purchaser, the Trustee, the Fiscal Agent, the Portfolio Manager, the Collateral Administrator, the Administrator or any of their respective affiliates has provided and none will provide any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary") in connection with its decision to invest in, hold or dispose of the Securities, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Fiduciary in connection with its acquisition of Securities, and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Securities.

(vi) Each initial purchaser of an ERISA Restricted Security (or any interest therein) on the Original Closing Date, the First Refinancing Date or the 2024 Closing Date, as applicable, will be required to provide the Issuer, the Placement Agent or the Initial Purchaser, as applicable, with a subscription agreement containing representations substantially similar to those set forth in Exhibit B4 hereto (unless otherwise agreed to or waived by the Placement Agent and the Initial Purchaser).

(vii) It understands that the representations made in this paragraph (c) will be deemed made on each day from the date of its acquisition through and including the date it disposes of such Securities (or interests therein). If any such representation becomes untrue, or if there is any change in Benefit Plan Investor or Controlling Person status, it will immediately notify the Trustee. It and any fiduciary causing it to invest in the Securities (or an interest therein) agree, to the fullest extent permissible under applicable law, to indemnify and hold harmless the Co-Issuers, the Placement Agent, the Initial Purchaser, the Trustee, the Fiscal Agent, the Portfolio Manager, the Collateral

Administrator, the Administrator and their respective affiliates from any cost, damage, or loss incurred by them as a result of any such representation in this paragraph (c) being untrue.

(d) Notwithstanding anything contained herein to the contrary, the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; provided that if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Note Registrar shall be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(e) For so long as any of the Notes or the Subordinated Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares (other than the 10% Shares and the Preference Shares) of the Issuer to U.S. persons, and the Co-Issuer shall not issue or permit the transfer of any membership interests of the Co-Issuer to U.S. persons.

(f) Transfers of Global Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Rule 144A Global Note to Regulation S Global Note. (n) A Holder or beneficial owner of Preference Shares may exchange, prior to the Final Subordinated Securities Redemption Date of the Subordinated Notes and subject to the applicable minimum authorized denomination requirements specified herein, its interest in Preference Shares for interests in Subordinated Notes in the manner provided below, subject to the following conditions: (1) the Issuer has consented to the exchange and provided a copy of such consent to the Trustee and the Fiscal Agent; (2) the exchange would not result in 25% or more of the total value of the relevant Class of ERISA Restricted Securities of the Issuer being held by Persons who have represented that they are Benefit Plan Investors, disregarding the relevant Class of ERISA Restricted Securities held by Controlling Persons; and (3) the exchange would not result in the Subordinated Notes or Preference Shares being held in an amount that is not a minimum authorized denomination or number specified herein or in the Fiscal Agency Agreement, as the case may be. For the avoidance of doubt, no Subordinated Note (or interest therein) may be transferred or exchanged for any Preference Shares (or interest therein).

to the increase in Subordinated Notes in the form of a Regulation S Global Note or 144A Global Note, as applicable, as described in the preceding clause (A).

(ii) In the case of the exchange by a Holder of Preference Shares in the form of Certificated Preference Shares for a Subordinated Note in the form of a Certificated Note, upon receipt by the Share Registrar of such Certificated Preference Shares surrendered for exchange in accordance with the terms and conditions of the Fiscal Agency Agreement, and delivery to the Trustee of a transferee certificate in the form of Exhibit B2 by the Holder of the Preference Shares to be exchanged for Subordinated Notes and written instructions to cause to be issued Subordinated Notes to such Holder in the form of a Certificated Note in an amount equal to the outstanding principal amount of the Preference Shares to be exchanged for such Subordinated Note at the Share Exchange Rate, then, upon cancellation of such Preference Shares in the form of Certificated Preference Shares by the Share Registrar in accordance with the Fiscal Agency Agreement (and the recording of the exchange in the Share Register), the Trustee shall deliver to such Holder the applicable Subordinated Notes in the form of a Certificated Note in an outstanding principal amount equal to the Preference Shares to be exchanged for such Subordinated Notes at the Share Exchange Rate.

(iii) The Holders of Subordinated Notes and the Holders of Preference Shares shall cooperate fully with the Trustee, the Fiscal Agent, the Note Registrar, the Share Registrar and the Issuer in effecting any exchange and shall provide all appropriate transfer forms, representations, delivery instructions and other materials requested by any of them in connection with such exchange. The Issuer, the Trustee and the Fiscal Agent (and the Share Registrar and the Note Registrar) shall each use their reasonable efforts to effect any such exchange and shall have no liability for any delay incurred in such exchange or the failure thereof as a result of a Holder of Subordinated Notes or Holder of Preference Shares failing to provide appropriate documentation or otherwise.

(iv) After any such exchange, the Holder or beneficial owner of Preference Shares, or an interest in Preference Shares, so exchanged will be the Holder or beneficial owner of an interest in the Subordinated Notes received upon such an exchange. No Holder or beneficial owner of Preference Shares in the form of Certificated Preference Shares will be entitled to exchange such Preference Shares for Subordinated Notes in the form of a Global Note. No Holder or beneficial owner of Preference Shares in the form of Global Preference Shares will be entitled to exchange such Preference Shares for Subordinated Notes in the form of a Certificated Note. Accordingly, the form of Security (certificated or global) held by the Holder of the interest after the exchange will be the same as the form held prior to the exchange. No service charge shall be made for any such exchange of Preference Shares for Subordinated Notes, but the Issuer, the Fiscal Agent or the Trustee may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with such exchange.

2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note or Subordinated Note

If (a) any mutilated or defaced Note or Subordinated Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant

Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note or Subordinated Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note or Subordinated Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note or Subordinated Note, a new Note or Subordinated Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note or Subordinated Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note or Subordinated Note, a protected purchaser of the predecessor Note or Subordinated Note presents for payment, transfer or exchange such predecessor Note or Subordinated Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note or Subordinated Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note or Subordinated Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note or Subordinated Note pay such Note or Subordinated Note without requiring surrender thereof except that any mutilated or defaced Note or Subordinated Note shall be surrendered.

Upon the issuance of any new Note or Subordinated Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note or Subordinated Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note or Subordinated Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note or Subordinated Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Securities.

2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved

(a) The Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each

Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Securities) will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferred Interest Notes, shall constitute "Note Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Note Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the Stated Maturity of such Class of Deferred Interest Notes. Note Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class of Deferred Interest Notes and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (A) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (B) which is the Stated Maturity of such Class of Deferred Interest Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Notes) to pay previously accrued Note Deferred Interest, such previously accrued Note Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Note Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class X Note, Class A Note, Class B-1 Note or Class B-2 Note (or, if there are no Class X Notes, Class A Notes, Class B-1 Notes or Class B-2 Notes Outstanding, any Note of the Controlling Class) shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Notes (and payments of Principal Proceeds to the Holders of the Subordinated Securities) may only occur (other than amounts constituting Note Deferred Interest thereon which will be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) in accordance with the Priority of Payments. Payments of principal on any Class of Notes, and distributions of Principal Proceeds to Holders of Subordinated Securities, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Section 9.1.

(d) As a condition to the payment of principal of and interest on any Note or the payment of any distribution on any Subordinated Note without the imposition of U.S. withholding tax, the Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) or other certification acceptable to it and the Issuer to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under FATCA or Cayman FATCA Legislation to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Security and any payment with respect to the Subordinated Notes, shall be made by the Trustee, in Dollars (i) to DTC or its nominee with respect to a Global Note and (ii) to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided that in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Neither the Co-Issuers, the Trustee, the Portfolio Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers

shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provide to the Persons entitled thereto at their addresses appearing on the Note Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Notes and the place where Notes may be presented and surrendered for such payment.

(f) Payments to Holders of the Notes of each Class shall be made ratably among the Holders of the Notes of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Interest accrued with respect to any Floating Rate Note shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest on any Fixed Rate Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Notes and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder or incorporator of the Co-Issuers, the Trustee, the Fiscal Agent, the Portfolio Manager, the Placement Agent, the Initial Purchaser or their respective affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Securities are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note and Subordinated Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note or Subordinated Note shall carry the rights to unpaid

interest and principal (or other applicable amount) that were carried by such other Note or Subordinated Note.

2.8 Persons Deemed Owners

The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note or Subordinated Note the Person in whose name such Note or Subordinated Note is registered on the Note Register on the applicable Record Date for the purpose of receiving payments on such Note or Subordinated Note and on any other date for all other purposes whatsoever (whether or not such Note or Subordinated Note is overdue), and none of the Issuer, the Co-Issuers, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

2.9 Cancellation

All Securities surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Note or Subordinated Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein (including pursuant to Section 2.14 of this Indenture), or for registration of transfer, exchange or redemption, or for replacement in connection with any Note or Subordinated Note mutilated, defaced or deemed lost or stolen. Any such Securities shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Securities shall be authenticated or registered in lieu of or in exchange for any Securities canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. For purposes of the calculation of (i) each Coverage Test, (ii) the Reinvestment Overcollateralization Test and (iii) the Reinvestment Target Par Balance, any Security or Securities surrendered in breach of the limitations set forth in this Section 2.9, shall be deemed to continue to be Outstanding in its or their full Aggregate Outstanding Amount immediately prior to such surrender.

2.10 DTC Ceases to be Depository

(a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x)(i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within ninety (90) days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the applicable Corporate Trust Office of the Trustee to be so transferred,

in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture, the Notes or the Subordinated Notes.

(d) In the event of the occurrence of either of the events specified in paragraph (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

> In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by paragraph (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article 5 of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership.

(e) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Note or Subordinated Note to a U.S. person that is not a QIB/QP (other than an Institutional Accredited Investor that is a Qualified Purchaser purchasing Issuer Only Notes or any other Class of Notes on the 2024 Closing Date) and that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act and (y) any transfer of a beneficial interest in any Subordinated Securities to a U.S. person that is not a Qualified Institutional Buyer or an Institutional Accredited Investor, in each case who is also a Qualified Purchaser, and that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act, in each case shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(f) If any U.S. person that is not both (i) a Qualified Institutional Buyer (or, solely in the case of the Issuer Only Notes and the Subordinated Securities, an Institutional Accredited Investor) and (ii) a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust) each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) or that does not have an exemption available under the Securities Act and the Investment Company Act shall become the holder or beneficial owner of an interest in a Security (any such person a "Non-Permitted Holder"), the Issuer shall,

promptly after obtaining actual knowledge or written notice that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee (if a Trust Officer of the Trustee obtains actual knowledge), the Fiscal Agent (if a Trust Officer of the Fiscal Agent obtains actual knowledge) or the Co-Issuer to the Issuer, if any of them makes the discovery), and who, in each case, agree to notify the Issuer of such discovery, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within thirty (30) days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Securities, the Issuer or the Portfolio Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Securities or interest in such Securities to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Securities and sell such Securities to the highest such bidder, provided that the Portfolio Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Portfolio Manager shall be entitled to bid in any such sale. However, the Issuer or the Portfolio Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note or Subordinated Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes or the Subordinated Notes, agrees to cooperate with the Issuer, the Fiscal Agent, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes or the Subordinated Notes sold as a result of any such sale or the exercise of such discretion.

2.11 Notes and Subordinated Notes Beneficially Owned by Persons Not QIB/QPs or Institutional Accredited Investors and Qualified Purchasers or in Violation of ERISA Representations

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any ERISA Restricted Security to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Person shall become the beneficial owner of an interest in any Security who has made or is deemed to have made a prohibited transaction representation or a Benefit Plan Investor, Controlling Person, Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such person a "Non-Permitted ERISA Holder"), the Issuer shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee (if a Trust Officer of the Trustee obtains actual knowledge), the Fiscal Agent (if a Trust Officer of the Fiscal Agent obtains actual knowledge) or the Co-Issuer to the Issuer, if any of them makes the discovery

and who, in each case, agree to notify the Issuer of such discovery, send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Securities held by such Person to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Securities or an interest therein) within seven (7) days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Securities the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Securities or interest in such Securities to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Securities or an interest therein) on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes or the Subordinated Notes and sell such Securities to the highest such bidder. The Holder of each Security, as applicable, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes or the Subordinated Notes agrees to cooperate with the Issuer, the Fiscal Agent, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes or the Subordinated Notes sold as a result of any such sale or the exercise of such discretion.

2.12 Tax Treatment and Tax Certification

(a) Each Holder (including, for purposes of this Section 2.12, any beneficial owner of an interest in a Security) agrees to treat the Issuer, the Co-Issuer, and the Securities as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer or its agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) make payments to it without, or at a reduced rate of deduction or withholding, (B) qualify for a reduced rate of deduction or withholding in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) satisfy reporting and other obligations under the Code and Treasury regulations or under any other applicable law, and shall update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to such Holder, or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to a Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA, the Cayman FATCA Legislation and

the CRS and for the Issuer to achieve AML Compliance and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer or any non-U.S. Issuer Subsidiary. In the event such Holder fails to provide such information or documentation for the purposes of FATCA, or to the extent that its ownership of Securities would otherwise cause the Issuer or any non-U.S. Issuer Subsidiary to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the investor as compensation for any tax imposed under FATCA as a result of such failure or such ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or such ownership, the Issuer will have the right to compel the investor to sell its Securities and, if such person does not sell its Securities within ten (10) Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Securities at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to such person as payment in full for such Securities. The Issuer may also assign each such Security a separate securities identifier in the Issuer's sole discretion. Each Holder agrees that the Issuer, the Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Securities to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and any non-U.S. Issuer Subsidiary complies with FATCA, the Cayman FATCA Legislation and the CRS and for the Issuer to achieve AML Compliance.

(d) Each Holder of an Issuer Only Note or a Subordinated Security, if not a "United States person" (as defined in Section 7701(a)(30) of the Code), represents that it

(i) either:

(A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code) or an entity affiliated with such a bank;

(B) after giving effect to its purchase of such Securities, will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Securities of such Class and any other Securities that are ranked *pari passu* with or are subordinated to such Securities, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3);

(C) has provided an IRS Form W-8BEN-E representing that it is a person that is eligible for benefits under an income tax treaty to which the United States is a party that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; or

(D) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business within the United States and includible in its gross income; and

(ii) has not purchased such Securities in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligation were held directly by it), pursuant to a tax avoidance plan within the meaning of Treasury regulations section 1.881-3).

(e) Each Holder of Subordinated Securities, if it owns more than 50% of the Subordinated Securities by value or if it is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) No Holder of Subordinated Securities will treat any income with respect to its Subordinated Securities as derived in connection with the Issuer's active conduct of a banking, financing, insurance or other similar business for purposes of Section 954(h)(2) of the Code.

2.13 Additional Issuance

(a) The Co-Issuers or the Issuer, as applicable, may (with notice to the Rating Agencies) issue and sell (x) during the Reinvestment Period, additional Notes of any one or more Classes (other than the Class X Notes) and (y) at any time during or after the Reinvestment Period, additional Subordinated Securities and/or additional notes or subordinated securities of one or more new classes that are fully subordinated to the existing Notes and, in each, case use the proceeds to purchase additional Collateral Obligations during the Reinvestment Period or as otherwise permitted under this Indenture, provided that the following conditions are met:

(i) the Portfolio Manager consents to such issuance and such issuance is consented to by (i) a Majority of the Subordinated Securities and (ii) solely in the case of the issuance of additional Class A Notes, a Majority of the Class A Notes; provided that only the consent of the Portfolio Manager will be required if the Portfolio Manager notifies the Trustee that any additional subordinated securities and/or other securities are being issued solely in order to permit the Portfolio Manager or any Affiliate thereof to comply with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements;

(ii) in the case of additional notes or subordinated securities of any one or more existing Classes, the aggregate principal amount of any Class of Rated Securities issued in all additional issuances shall not exceed 100% of the respective original outstanding principal amount of the Rated Securities of such Class;

(iii) in the case of additional notes or subordinated securities of any one or more existing Classes, the terms of the notes or the subordinated securities (as applicable) issued must be identical to the respective terms of previously issued Securities of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and the interest rate and price of such notes or subordinated securities do not have to be identical to those of the initial Securities of that Class, provided that the interest rate spread over the Reference Rate (or stated interest rate, as applicable) on such notes may not exceed the interest rate spread over the Reference Rate (or stated interest rate, as applicable) applicable to the initial Notes of that Class);

(viii) the degree of compliance with each Coverage Test is maintained or improved immediately after giving effect to such issuance and the application of the proceeds thereof; and

Class B-2 Notes, Class C Notes, Class D-1 Notes or Class D-2 Notes will be treated, and the Class E Notes should be treated as indebtedness for U.S. federal income tax purposes; provided, however, that the opinion described in this clause will not be required with respect to any additional Notes that bear a different securities identifier from the Securities of the same Class that were issued on the Original Closing Date or the 2024 Closing Date and are Outstanding at the time of the additional issuance.

(b) Unless such issuance is being issued in order to permit the Portfolio Manager or any Affiliate thereof to comply with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements, any additional notes or subordinated securities of an existing Class issued as described above will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their pro rata holdings of Securities of such Class.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Notes will not be subject to acceleration by the Trustee or the Holders of a Majority of the Controlling Class solely as a result of the failure to pay any amount due on the Notes that are not of the Controlling Class.

5.3 Collection of Indebtedness and Suits for Enforcement by Trustee

The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Note, the whole amount, if any, then due and payable on such Note for principal and interest with interest

upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders upon the direction of a Majority of the Controlling Class, in any election of a

trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Securityholders, any plan of reorganization, arrangement, adjustment or composition affecting the Securities or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Securityholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

5.4 Remedies

(a) If an Event of Default shall have occurred and be continuing, and the Notes have been declared or have become due and payable (an "Acceleration Event") and such Acceleration Event and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Notes hereunder (including exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Notes, which may be the Placement Agent or the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party or Holder may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of Sale Proceeds by the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties, the Holders or any Contributor may, prior to the date which is one year (or, if longer, any applicable preference period) plus one day after the payment in full of all Securities and any other debt obligations of the Issuer that have been rated upon issuance by

any rating agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee, any Secured Party, any Holder or any Contributor (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party, such Noteholder or such Contributor, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation Proceeding.

(ii) In the event one or more Holders or beneficial owners of Securities cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Notes that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder or beneficial owner of any Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

5.5 Optional Preservation of Assets

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Securities in accordance with the Priority of Payments and the provisions of Article 10, Article 12 and Article 13 unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Notes for principal and interest (including accrued and unpaid Note Deferred Interest), and all other amounts payable prior to payment of principal on such Notes (including amounts due and owing as Administrative

Expenses (without regard to the Administrative Expense Cap) and due and unpaid Base Management Fee) and a Majority of the Controlling Class agrees with such determination; provided that the Trustee shall provide notice of such liquidation to each Rating Agency; or

(ii) if an Event of Default referred to in clause (a), (e), (f) or (g) of the definition thereof has occurred and is continuing, a Majority of the Controlling Class directs the sale and liquidation of the Assets or (y) if any other Event of Default has occurred and is continuing, a Supermajority of each Class of the Notes (other than the Class X Notes) (voting separately by Class) direct the sale and liquidation of the Assets; provided that the Trustee shall provide notice of such liquidation to each Rating Agency.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Portfolio Manager and each Rating Agency. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation of the Portfolio Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Securityholders, the Fiscal Agent and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

5.6 Trustee May Enforce Claims Without Possession of Notes or the Subordinated Notes

All rights of action and claims under this Indenture or under any of the Notes or the Subordinated Notes may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any trial or other Proceeding relating thereto, and any

such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

5.7 Application of Money Collected

Any Money collected by the Trustee with respect to the Securities pursuant to this Article 5 and any Money that may then be held or thereafter received by the Trustee with respect to the Securities hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee (each such date to occur on a Payment Date). Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article 4.

5.8 Limitation on Suits

No Holder of any Security shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, any other Transaction Document, any of the Securities or any other matter related hereto or thereto, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made a written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Securities shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture, any other Transaction Document or any Security to affect, disturb or prejudice the rights of any other Holders of Securities of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Securities of the same Class or to enforce any right under this Indenture, any other Transaction Document or any Security except in the manner herein provided and for the equal and ratable benefit of all the Holders of Securities of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding

Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

5.9 Unconditional Rights of Noteholders to Receive Principal and Interest

Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Note ranking senior to such Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

5.10 Restoration of Rights and Remedies

If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

5.11 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

5.12 Delay or Omission Not Waiver

No delay or omission of the Trustee or any Holder of Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article 5 or by law to the Trustee or to the Holders of the Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Notes.

5.13 Control by Majority of Controlling Class

Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5.

5.14 Waiver of Past Defaults

Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article 5, a Majority of the Controlling Class may on behalf of the Holders of all the Notes and the Subordinated Notes waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Note (which may be waived only with the consent of the Holder of such Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived only with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Security materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived only by a Majority of the Controlling Class with notice to each Rating Agency).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Rating Agencies, the Portfolio Manager, the Fiscal Agent and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

5.15 Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, the Fiscal Agent, the Collateral Administrator or the Portfolio Manager for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

5.16 Waiver of Stay or Extension Laws

The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

5.17 Sale of Assets

(a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Securityholders and the Fiscal Agent, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting

against amounts owing on the Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) Prior to the sale of any Collateral Obligation in connection with an exercise of remedies described in Section 5.4 of this Indenture, the Trustee will use commercially reasonable efforts to notify the Portfolio Manager of its intent to sell any Collateral Obligation in accordance with this Indenture. Prior to the Trustee soliciting any bid in respect of such a sale of a Collateral Obligation, the Portfolio Manager will have the right, by giving notice to the Trustee within two (2) Business Days after the Trustee or the holders under this Indenture have notified such parties of the intention to sell and liquidate the Assets, to submit (on its behalf or on behalf of funds or accounts managed by such party) and the Trustee (on behalf of the Issuer) will accept, a Firm Bid to purchase such Collateral Obligation from the Issuer at the Market Value of such Collateral Obligation (as determined by the Portfolio Manager); provided that Market Value will be determined, solely for the purpose of this sub-Section, without taking into consideration clauses (iii) or (iv) of the definition of the term "Market Value". The Trustee shall be entitled to conclusively rely upon any determination of the Portfolio Manager of the Market Value of any Collateral Obligation. The Trustee shall have no responsibility or liability for (i) selling a Collateral Obligation to the Portfolio Manager (or any of its related parties described above) as described above, or the inability of any such party to provide a Firm Bid or (ii) any delay, failure or loss of value in liquidating a Collateral Obligation as a result of the requirements above.

5.18 Action on the Securities

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies

of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

6. THE TRUSTEE

6.1 Certain Duties and Responsibilities

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders and the Fiscal Agent.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause shall not be construed to limit the effect of paragraph (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other

percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability is reasonably expected not to exceed the amount payable to the Trustee pursuant to Section 11.1(a)(i)(A) on the immediately succeeding Payment Date net of the amounts specified in Section 6.7(a), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article 5, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Sections 5.1(c), (d), (f), or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Securities generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Trustee receiving written notice from the Portfolio Manager that an event constituting "Cause" as defined in the Portfolio Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, notify the Securityholders (as their names appear in the Note Register or the Share Register, as applicable) and the Fiscal Agent. In addition, the Trustee shall deliver all notices to the Securityholders and the Fiscal Agent forwarded to the Trustee by the Issuer or the Portfolio Manager for the purpose of delivery to the Securityholders and the Fiscal Agent.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

(g) The Trustee shall not have any obligation to confirm the compliance by the Issuer or any other Person with (i) the U.S. Risk Retention Rules or the risk retention rules or regulations of any other jurisdiction, including without limitation in connection with any

additional issuance, Re-Pricing or Refinancing or (ii) the UK Securitization Regulation or the EU Securitization Regulation.

(h) The Trustee shall have no obligation to determine or verify (i) whether any asset constitutes a Restructured Asset, Workout Asset, Specified Equity Security or Equity Security or (ii) whether the conditions to a Bankruptcy Exchange or the Bankruptcy Exchange Test is satisfied.

(i) The Trustee is authorized, at the request of the Portfolio Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Portfolio Manager.

6.2 Notice of Default

Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Portfolio Manager, the Rating Agencies and all Holders, as their names and addresses appear on the Note Register and the Fiscal Agent (for forwarding to the Holders of the Preference Shares), of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

6.3 Certain Rights of Trustee

Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, electronic communication, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel

shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of any Notes or Subordinated Notes pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction (including any actions in respect thereof);

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, electronic communication, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of any Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Securities and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided further that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent appointed and supervised, or non-Affiliated attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Portfolio Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8 (and in the absence of its receipt

of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of the Portfolio Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream or any clearing agency or depositary and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement, or to verify or independently determine (x) the authority of the Portfolio Manager to provide an instruction hereunder or under any other Transaction Document or (y) the accuracy of information received by the Trustee from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) the Paying Agent, the Note Registrar, the Share Registrar, the Transfer Agent, the Fiscal Agent, the Custodian, the Calculation Agent and the Securities Intermediary shall be afforded the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article 6 shall also be afforded to the Bank acting in such capacities; *provided* that (i) the Bank shall only be liable to extent of its gross negligence or willful misconduct; and (ii) the foregoing shall not be construed to impose upon such parties the duties or standard of care (including any prudent person standard) of the Trustee (it being understood, for the avoidance of doubt, that this proviso shall not be construed to relieve any such Person from the applicable duties or standards of care to which such Person is expressly subject when acting in such capacity); *provided further* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Securities Account Control Agreement, the Collateral Administration Agreement or any other documents to which the Bank in such capacity is a party;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any

liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided. In accordance with the U.S. Unlawful Internet Gambling Act (the "Gambling Act"), the Issuer may not use the Accounts or other Bank facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use it to process or facilitate payments for prohibited internet gambling transactions. For more information about the Gambling Act, including the types of transactions that are prohibited, please refer to the following link: http://www.federalreserve.gov/newsevents/press/bcreg/20081112b.htm;

(s) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by electronic mail will be encrypted. The recipient of the email communication will be required to complete a one-time registration process;

(t) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator; *provided* that the foregoing shall not be construed to impose upon the Collateral Administrator the duties or standard of care (including any prudent person standard) of the Trustee (it being understood, for the avoidance of doubt, that this proviso shall not be construed to relieve any such Person from the applicable duties or standards of care to which such Person is expressly subject when acting in such capacity); *provided further* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(u) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account, if

otherwise qualified, obligations of Citibank, N.A. or any of its affiliates shall qualify as Eligible Investments hereunder;

(v) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) the Trustee and the Collateral Administrator shall have no obligation to determine and shall be entitled to conclusively rely on the Portfolio Manager with respect to (i) whether or not a Collateral Obligation meets the criteria specified in the definition thereof or the eligibility restrictions imposed by this Indenture, (ii) the characterization, classification, designation or categorization of each Collateral Obligation to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature or based on information not readily available to the Trustee and the Collateral Administrator, as applicable, or (iii) whether the conditions specified in the definition of "Delivered" have been complied with;

(y) unless the Trustee receives written notice of an error or omission related to financial information or disbursements provided to the Holders within 90 days following the Holders' receipt of the same, the Trustee shall have no liability in connection with such and, absent direction by the requisite percentage of Holders entitled to direct the Trustee, no further obligation in connection thereof;

(z) the Trustee will be under no obligation to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with the Grant by the Issuer to the Trustee of any item constituting the Assets or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with applicable requirements of and restrictions on transfer of a Collateral Obligation;

(aa) Citibank, N.A. ("Citibank") (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email or other similar unsecured electronic methods, in each case, of an executed instruction or direction (which may be in the form of a .pdf or similar format file of a signed document); provided, however, that Citibank shall have received an incumbency certificate listing such person as a person designated to provide such instructions or directions, which incumbency certificate may be amended whenever a person is added or deleted from the listing. If such person elects to give Citibank email (or instructions by a similar electronic method) and Citibank in its discretion elects to act upon such instructions, Citibank's

reasonable understanding of such instructions shall be deemed controlling. Citibank shall not be liable for any losses, costs or expenses arising directly or indirectly from Citibank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to Citibank, including without limitation the risk of Citibank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances;

(bb) the Trustee shall have no responsibility or liability for determining or verifying the Reference Rate selected as a Fallback Rate (including, without limitation, whether the conditions to the designation of a such rate have been satisfied); and

(cc) with respect to any Permitted Non-Loan Corporate Actions (as defined in the Collateral Administration Agreement), the Trustee may require the Portfolio Manager to register with the Bank's corporate action notification system to receive any such Permitted Non-Loan Corporate Actions and thereafter the Trustee shall have no obligation or liability with respect to such Permitted Non-Loan Corporate Actions.

6.4 Not Responsible for Recitals or Issuance of Notes or the Subordinated Notes

The recitals contained herein and in the Notes and the Subordinated Notes, other than the Certificate of Authentication with respect to the Notes and the Subordinated Notes thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets, the Notes or the Subordinated Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the Subordinated Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

6.5 May Hold Securities

The Trustee, any Paying Agent, Fiscal Agent, Note Registrar, Share Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Fiscal Agent, Note Registrar, Share Registrar or such other agent.

6.6 Money Held in Trust

Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain actually received by the Trustee on Eligible Investments.

6.7 Compensation and Reimbursement

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.6, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses (including reasonable attorney's fees and costs) of enforcing this Indenture (including this section) and defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in Sections 11.1(a)(i), (ii) and (iii) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or other amount shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or other amount not so paid shall be deferred and payable on such later date on which a fee or other amount shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or, if longer, the applicable preference period then in effect) plus one day, after the payment in full of all Notes and Subordinated Securities (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and payment of any amounts to the Fiscal Agent pursuant to this Indenture for distribution to Holder of Preference Shares.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(f) or (g), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

6.8 Corporate Trustee Required; Eligibility

There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a rating of at least "BBB+" by S&P and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

6.9 Resignation and Removal; Appointment of Successor

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Portfolio Manager, the Fiscal Agent, the Noteholders and the Rating Agencies. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder, the Fiscal Agent and the Portfolio Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of the Securities of each Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the

Controlling Class; provided further, that if a Majority of the Holders of each Class (or, at any time when an Event of Default shall have occurred and be continuing, a Majority of the Controlling Class) do not provide written notice to the Co-Issuers objecting to such appointment within ten days of receipt of notice of such appointment from the Co-Issuers, such Holders shall be deemed to have consented to such appointment and approved of such successor trustee or trustees for purposes hereof. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Securities or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Noteholder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Noteholder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice

of such event by first class mail, postage prepaid, to the Portfolio Manager, to the Rating Agencies, to the Noteholders, as their names and addresses appear in the Note Register and to the Fiscal Agent (for forwarding to the Holders of the Preference Shares). Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten (10) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

6.10 Acceptance of Appointment by Successor

Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee

Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes or the Subordinated Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes and the Subordinated Notes, as applicable, so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

6.12 Co-Trustees

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the

Trustee shall have power to appoint one or more Persons to act as co-trustee, so long as notice is provided to S&P, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes and the Subordinated Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify the Rating Agencies of the appointment of a co-trustee hereunder.

6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds

In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

6.14 Authenticating Agents

Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes and the Subordinated Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes and Subordinated Notes. For all purposes of this Indenture, the authentication of Notes and Subordinated Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes and Subordinated Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

6.15 Withholding

If any withholding Tax is imposed on the Issuer's payment (or allocations of income) under the Notes or the Subordinated Notes by law or pursuant to the Issuer's agreement with a governmental authority, such Tax shall reduce the amount otherwise distributable to the relevant Holder. For the avoidance of doubt, any withholding tax required to be withheld under FATCA shall be treated as imposed by applicable law. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority, including pursuant to FATCA (but such authorization shall not prevent the Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings), and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Security shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Securities.

6.16 Representative for Noteholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes

With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of the Notes and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset are all undertaken by the Trustee in its capacity as representative of the Holders of the Notes and agent for each other Secured Party and Holders of the Subordinated Notes.

7. COVENANTS

7.1 Payment of Principal and Interest

The Applicable Issuers will duly and punctually pay the principal of and interest on the Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Securities, in accordance with the Preference Share Documents and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code, and the Treasury regulations promulgated thereunder or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Security shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

7.2 Maintenance of Office or Agency

The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; provided that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding Tax solely as a result of such Paying Agent's activities. If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers hereby appoint Corporation Service Company (the "Process Agent"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby. The Co-Issuers may at any time and from time to time vary or terminate the appointment of such Process Agent or appoint an additional Process Agent; provided that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

The Co-Issuers shall at all times maintain a duplicate copy of the Note Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, the Rating Agencies and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

7.3 Money for Security Payments to be Held in Trust

All payments of amounts due and payable with respect to any Securities that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Securities.

When the Applicable Issuers shall have a Paying Agent that is not also the Note Registrar, they shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Securities with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 10.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that so long as the Notes of any Class are rated by the applicable Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has a long-term issuer credit rating of "A+" or higher by S&P or a short-term issuer credit rating of "A-1" or higher by S&P. If such successor Paying Agent ceases to have such required ratings, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Securities for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Securities if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Securities) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee, the Fiscal Agent or any Paying Agent in trust for any payment on any Security and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee, the Fiscal Agent or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee, the Fiscal Agent or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Securities have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of the Fiscal Agent or any Paying Agent, at the last address of record of each such Holder.

7.4 Existence of Co-Issuers

(a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Securities, the Preference Share Documents or any of the Assets; provided that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) either (A) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders or (B) such change is being made in connection with a supplemental indenture pursuant to Section 8.1(a)(xxii), (ii) written notice of such change shall have been given by the Trustee to the Holders, the Portfolio Manager, the Fiscal Agent and the Rating Agencies, and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; and (y) the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives a legal opinion from nationally recognized tax counsel to the effect that it is not

necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal, state or local income taxes on a net basis. Notwithstanding the foregoing, the Issuer shall not change its jurisdiction of incorporation or organization to a jurisdiction that is not a Permitted Jurisdiction without the consent of a Majority of the Subordinated Securities. The Co-Issuer may not divide and no division of the Co-Issuer shall be permitted.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than any Issuer Subsidiaries and the Co-Issuer), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Declaration of Trust, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles, the Administration Agreement, or the Fiscal Agency Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends or any final distribution on the Subordinated Securities except in accordance with the Priority of Payments and the Preference Share Documents and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person and (J) correct any known misunderstanding regarding its separate identity.

(c) Prior to the time that:

(i) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis, or

(ii) any Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis,

the Issuer will either (x) organize a wholly owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an "Issuer Subsidiary") and contribute to the Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, (y) contribute to an existing Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring,

or modification, or (z) sell the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification.

(d) Notwithstanding Section 7.4(c), the Issuer shall not acquire any Collateral Obligation if a restructuring or workout of such Collateral Obligation is in process and if such restructuring or workout could reasonably result in the Issuer being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis.

(e) Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents and such organizational documents must comply with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of assets referred to in clauses (i) and (ii) of Section 7.4(c), and any assets, income and proceeds received in respect thereof (collectively, "Issuer Subsidiary Assets"), and shall require the Issuer Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer on or before the earliest Stated Maturity of the Securities or at such earlier time designated at the sole discretion of the Portfolio Manager. At the request of the Portfolio Manager, the Issuer will cause any Issuer Subsidiary to enter into a separate management agreement with the Portfolio Manager which agreement shall be substantially in the form of the Portfolio Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to the Rating Agencies. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary.

(f) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(iii) the Issuer Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. Federal income tax purposes;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than their respective directors, to the extent such directors are deemed to be employees), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in Section 7.4(e) and this Section 7.4(f) applicable to an Issuer

Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(v) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to its Issuer Subsidiary Assets and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) it will be subject to the limitations on powers set forth in the organizational documents of the Issuer;

(vii) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Issuer Subsidiary;

(ix) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by clause (c) above so long as they do not violate clause (d) above;

(xi) the Issuer shall keep in full effect the existence, rights and franchises of each Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by the related Issuer Subsidiary. In addition, the Issuer and each Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary at any time;

(xii) with respect to any Issuer Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Issuer Subsidiary Assets are held by the Issuer Subsidiary, shall refer

directly and solely to the related Issuer Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Portfolio Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer applicable preference period then in effect plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiv) in connection with the organization of any Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary pursuant to Section 7.4(c), such Issuer Subsidiary shall establish one or more custodial and/or collateral accounts meeting the requirements set forth in Section 10.1, as necessary, with the Bank or a financial institution as necessary to hold the Issuer Subsidiary Assets pursuant to an account control agreement; provided, however, that (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xv) the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable, as determined in accordance with subclause (xvii)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Tests, and Coverage Tests or for the purpose of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in an Issuer Subsidiary or any property distributed to the Issuer by an Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s) or of any asset received in consideration of such Issuer Subsidiary Asset(s)). If, prior to its transfer to an Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by an Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any Optional Redemption, Tax Redemption, Clean-Up Call Redemption, or other prepayment in full or repayment in full of all Notes Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within five Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(xix) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis;

(xx) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of an Issuer Subsidiary; and

(xxi) the Issuer shall ensure that such Issuer Subsidiary shall satisfy all then-current bankruptcy remoteness criteria of any Rating Agency then rating any Class of Secured Notes.

(g) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.4 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes, based on Tax Advice.

(h) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

7.5 Protection of Assets

(a) The Portfolio Manager on behalf of the Issuer will cause the taking of such action within the Portfolio Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided that the Portfolio Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Portfolio Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Notes hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Notes in the Assets against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Portfolio Manager's obligations under this Section 7.5. In connection with the Original Closing Date, the Issuer authorized and caused the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than 'Excepted Property'" (and that defines "Excepted Property" in accordance with its definition in the Existing Indenture) as the Assets in which the Trustee has a Grant. The Issuer hereby ratifies the filing of the 2017 Financing Statement as provided for under the Existing Indenture and acknowledges and agrees that the 2017 Financing Statement (including any continuation statement

filed with respect thereto) applies to the Assets under this Indenture and represents a continuous lien on the Assets for the period beginning on the Original Closing Date.

(b) The Trustee shall not, except in accordance with Section 5.5 or Section 10.7(a), (b) and (c), as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Original Closing Date pursuant to Section 3.1(a)(iii) of the Existing Indenture unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions).

7.6 Opinions as to Assets

So long as the Securities are Outstanding, within the six month period preceding the fifth anniversary of the Original Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

7.7 Performance of Obligations

(a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Notes and a Majority of the Subordinated Securities, in accordance with this Indenture and the Fiscal Agency Agreement (except in the case of the nature of the services set forth in the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Portfolio Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement or the Collateral Administration Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best

efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency within ten (10) Business Days after any material breach of any Transaction Document, following any applicable cure period for such breach.

7.8 Negative Covenants

(a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer will not, in each case from and after the 2024 Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture, the Fiscal Agency Agreement and the Portfolio Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Securities (other than amounts withheld or deducted in accordance with the Code, and the Treasury regulations promulgated thereunder or any applicable laws of the Cayman Islands or other applicable jurisdiction or pursuant to an agreement with a governmental authority);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Securities, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities except in accordance with Section 2.13 and 3.2 or (2) issue any additional shares (other than the Preference Shares authorized to be issued pursuant to Sections 2.13 and 3.2 and the Preference Share Documents);

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to the terms thereof and Article 15 of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, Issuer Subsidiaries and the Co-Issuer);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees); and

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets (including, without limitation, entering into any hedge or swap transactions), except as expressly permitted by both this Indenture and the Portfolio Management Agreement.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Portfolio Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity, or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the U.S. for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis or income tax on a net basis in any other jurisdiction; provided, however, that the Issuer shall not be deemed to have violated its obligations under this Section 7.8(c) if it has complied with the Investment Guidelines unless there has been a change in law subsequent to the date hereof that the Portfolio Manager actually knows would cause the Issuer to be treated as being engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis notwithstanding compliance with the Investment Guidelines. It being understood that in connection with the foregoing the Portfolio Manager shall not be required to make any independent investigation of any laws not otherwise known to it in connection with its obligations under this Indenture or the Portfolio Management Agreement, the Investment Guidelines, or the conduct of its business generally and shall not be required to make any independent investigation of any laws or regulations or interpretations thereof which may affect or be applicable to the holders of the Securities.

(d) In furtherance and not in limitation of Section 7.8(c), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Investment Guidelines. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplement of any provision of the Investment Guidelines in accordance with the terms thereof.

(e) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement that requires such provisions pursuant to this clause (e) to which it is party without the satisfaction of the S&P Rating Condition (or deemed inapplicability thereof pursuant to Section 14.17)), except for any agreements related to compliance with FATCA or the Cayman FATCA Legislation or to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(f) Subject to the following sentence, the Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying the Rating Agencies and (other than as expressly provided herein or in such Transaction Document) subject to satisfaction of the S&P Rating Condition (or deemed inapplicability thereof pursuant to Section 14.17) and, only with respect to the amendment, modification or termination of the Memorandum and Articles, the Declaration of Trust, the Co-Issuer's limited liability company agreement or the Co-Issuer's certificate of formation, the S&P Rating Condition (or deemed inapplicability thereof pursuant to Section 14.17). If, following the 2024 Closing Date, any Transaction Document is to be amended in order to modify the fees due and payable to an agent acting on behalf of the Issuer pursuant to the terms of such Transaction Document and which are Administrative Expenses, the Issuer may enter into such agreement without notice to the Rating Agencies or meeting the S&P Rating Condition.

(g) The Issuer may not acquire any of the Securities (including any Securities surrendered or abandoned) except pursuant to Section 2.14. This Section 7.8(g) shall not be deemed to limit an optional or mandatory redemption pursuant to the terms of this Indenture.

(h) The Issuer shall not fail to maintain an independent director of the Co-Issuer under the Co-Issuer's organizational documents.

(i) The Issuer shall not transfer its membership interest in the Co-Issuer so long as any Notes are Outstanding and the Co-Issuer shall not permit the transfer of its membership interests so long as any Notes are Outstanding.

(j) The Issuer shall not enter into or amend any agreement governing any interest rate swap, floor, cap or other hedging transaction (a "Hedge Agreement") unless (i) it satisfies the S&P Rating Condition, (ii) it obtains the prior written consent of a Majority of the Controlling Class and a Majority of the Subordinated Securities and (iii) either (A) it obtains the advice of Latham & Watkins LLP or Paul Hastings LLP or an Opinion of Counsel (with a copy to the Trustee on which the Trustee may rely) that the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section la(10) of the Commodity Exchange Act, as amended (the "CEA"), or (B) the Issuer will be operated such that the Portfolio Manager, the Trustee and/or such other relevant party to the transaction, as applicable, will be eligible for an exemption from registration as a "commodity pool operator" and a "commodity trading advisor" under the CEA and all conditions precedent to

obtaining such an exemption have been satisfied; provided that the Issuer (or the Portfolio Manager on behalf of the Issuer) will not enter into any Hedge Agreement unless such Hedge Agreement is an interest rate or foreign exchange derivative and (1) the written terms of such derivative directly relate to the Collateral Obligations and the Securities and (2) such derivative reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Securities.

7.9 Statement as to Compliance

On or before December 30 in each calendar year commencing in 2025, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional securities pursuant to Section 2.13, the Issuer shall deliver to the Trustee and the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to the Portfolio Manager, each Securityholder making a written request therefor to the Fiscal Agent and the Rating Agencies) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five (5) days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms

Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman FATCA Legislation law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, the Fiscal Agent and each Holder, the due and punctual payment of the principal of and interest on all Securities and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency shall have been notified in writing of such consolidation, merger, transfer or conveyance and the Trustee shall have received written confirmation from each Rating Agency that its ratings issued with respect to the Rated Securities will not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee and the Rating Agencies an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in paragraph (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets and (iii) such Successor Entity will not be subject to U.S. net income tax, foreign corporate tax in its jurisdiction of incorporation or be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; *provided* that nothing in this clause shall imply or impose a duty on the Trustee to pursue any such other matters;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified each Rating Agency of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee, the Fiscal Agent and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article 7 and that all conditions precedent in this Article 7 relating to such transaction have been complied with;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

Notwithstanding anything else to the contrary in this Indenture, the Portfolio Manager may, but shall not be obligated to, change the jurisdiction of incorporation of the Issuer whether by merger, consolidation, reincorporation or otherwise.

7.11 Successor Substituted

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

7.12 No Other Business

The Co-Issuers shall not have any employees (other than their respective directors) and the Issuer shall not engage in any business or activity other than issuing, paying and redeeming the Securities and any additional notes or subordinated notes issued pursuant to this Indenture and any additional preference shares pursuant to the Fiscal Agency Agreement, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and Eligible Investments, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, shares in Issuer Subsidiaries and other activities incidental thereto, including entering into the Transaction Documents to which it is a party, authorizing and effecting the transfer of 25 ordinary shares (the "10% Shares") in accordance with the Transaction Documents and any subsequent transfer of the 10% Shares. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes (other than the Issuer Only Notes) and certain additional rated notes issued pursuant to this Indenture and other activities incidental thereto, including entering into the Transaction Documents to which it is a party.

7.13 Annual Rating Review

(a) So long as any of the Notes of any Class remain Outstanding, on or before December 30 in each year commencing in 2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Rated Securities from the Rating Agencies. The Applicable Issuers shall promptly notify the Trustee and the Portfolio Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Rated Securities has been, or is known will be, changed or withdrawn.

(b) The Issuer shall obtain and pay for an annual review of any Collateral Obligation which has an S&P Rating derived as set forth in clause (iii)(b) of the definition of the term "S&P Rating".

7.14 Reporting

At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Security designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

7.15 Calculation Agent

(a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Reference Rate in respect of each Interest Accrual Period in accordance with the terms hereof (the "Calculation Agent"). The Issuer hereby appoints the Trustee as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed (except upon the occurrence of certain events described in the Collateral Administration Agreement) without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Trustee as Calculation Agent hereby agrees) that, as soon as practicable after 5:00 a.m. (Chicago time) on each Interest Determination Date, but in no event later than 5:00 p.m. (New York time) on such Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Notes for the related Interest Accrual Period and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, the Depository, Euroclear and Clearstream. The Calculation Agent will also notify the Co-Issuers before 5:00 p.m. (New York time) on each Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor.

The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Trustee, the Fiscal Agent, the Paying Agent, the Collateral Administrator or the Calculation Agent shall be under any obligation to (i) to monitor, determine or verify the unavailability or cessation of the Term SOFR Reference Rate (or other applicable Reference Rate), (ii) to select, determine or designate any Fallback Rate or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied and shall be entitled to rely upon any selection, determination or designation of such rate, (iii) to select, determine or designate any modifier to any replacement or successor index, or (iv) to determine whether or what conforming changes to this Indenture are necessary or advisable, if any, in connection with any of the foregoing. None of the Trustee, the Fiscal Agent, the Paying Agent or the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture or other Transaction Documents as a result of the unavailability of the Term SOFR Reference Rate (or other applicable Reference Rate) and absence of a Fallback Rate or other designated replacement Reference Rate including as a result of any inability, delay, error or inaccuracy on the part of any other Person, including without limitation, the Issuer or the Portfolio Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture or other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of the Reference Rate as determined on the previous Interest Determination Date if so required under the applicable definition hereunder. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instructions followed by written confirmation) from the Portfolio Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any designated Reference Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction.

(d) In connection with each Floating Rate Obligation, the Issuer (or the Portfolio Manager on its behalf) is responsible in each instance to (i) monitor the status of the Term SOFR Rate or other applicable benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitute index, and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person, and none of the Trustee or the Collateral Administrator shall have any responsibility or liability therefor.

7.16 <u>Certain Tax Matters</u>

(a) The Co-Issuers will treat the Co-Issuers and the Securities as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary, if any, to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer, the Co-Issuer and any Issuer Subsidiary the U.S. federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or any such Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder any information that such holder reasonably requests (to the extent such information is reasonably available to the Issuer and as soon as commercially practicable after the end of a taxable year) in order for such Holder to (i) comply with its U.S. federal, state, or local tax return filing and information reporting obligations, (ii) with respect to a Holder of a Subordinated Security (or any Note recharacterized as equity in the Issuer for U.S. federal income tax purposes), make and maintain a "qualified electing fund" ("QEF") election (as defined in the Code) with respect to the Issuer and any non-U.S. Issuer Subsidiary (such information to be provided at the Issuer's expense), (iii) with respect to a Holder of any Issuer Only Note, file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer or any non-U.S. Issuer Subsidiary (such information to be provided at such Holder's expense), or (iv) with respect to a Holder of a Subordinated Security (or any Note recharacterized as equity in the Issuer for U.S. federal income tax purposes), comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); provided that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States on the basis that it is engaged in a trade or business within the United States for U.S. federal income tax purposes unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Sections 1441, 1442, 1445, 1471 and 1472 of the Code, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by the Portfolio Manager on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax. Upon written request, the Trustee, the Paying Agent and the Note Registrar or the Share Registrar, as applicable, shall provide to the Issuer, the Portfolio Manager, or any agent thereof, at the Issuer's expense, any information specified by such parties regarding the Holders of the Securities and payments on the Securities that is reasonably available to the Trustee, the Paying Agent, the Note Registrar or the Share Registrar, as the case may be, and may be necessary for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and the Cayman FATCA Legislation.

The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and the Cayman FATCA Legislation, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA and the Cayman FATCA Legislation, and any other action that the Issuer would be permitted to take under this Indenture necessary for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and the Cayman FATCA Legislation.

(d) Upon the Issuer's receipt of a request of a Holder, delivered in accordance with the notice procedures of Section 14.3, for the information described in United States Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to such requesting Holder all of such information.

(e) Upon a Re-Pricing or the adoption of a Fallback Rate, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulations Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class, Notes that are subject to such Fallback Rate, or Notes replacing the Re-Priced Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to the Holders in a commercially reasonable fashion, within ninety (90) days of the date that the new Notes are issued.

(f) Notwithstanding anything herein to the contrary, the Portfolio Manager, the Co-Issuers, the Trustee, the Collateral Administrator, the Placement Agent, the Initial Purchaser, the Holders and beneficial owners of the Securities and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Portfolio Manager, the Co-Issuers, the Trustee, the Collateral Administrator, the Placement Agent, the Initial Purchaser or any other party to the transactions contemplated by this Indenture, the Offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel, or an Officer's certificate.

(c) At the cost of the Co-Issuers, for so long as any Securities shall remain Outstanding, not later than ten (10) Business Days (or shorter if each of the Holders consent, or five (5) Business Days if in connection with an additional issuance of Securities, Refinancing or Re-Pricing) prior to the effectiveness of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, the Rating Agencies, the Fiscal Agent and the Securityholders a notice attaching a copy of such supplemental indenture and indicating the proposed date of effectiveness of such supplemental indenture. Any consent given to a proposed supplemental indenture by the holder of any Securities shall be irrevocable and binding on all future holders or beneficial owners of that Security, irrespective of the effective date of the supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than to correct typographical errors, to adjust formatting, to implement comments from a rating agency rating any Securities to be issued in connection with such supplemental indenture or to implement changes that were described in a previously distributed copy of such proposed supplemental indenture, then at the cost of the Co-Issuers, for so long as any Securities shall remain Outstanding, not later than five (5) Business Days (or three (3) Business Days if in connection with an additional issuance of Securities, Refinancing, or Re-Pricing) prior to the effectiveness of such proposed supplemental indenture (provided that the effectiveness of such proposed supplemental indenture shall not in any case occur earlier than the date ten (10) Business Days (or five (5) Business Days, as applicable) after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c)), the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, the Rating Agencies, the Fiscal Agent and the Securityholders a copy of such supplemental indenture as revised, indicating the changes that were made. At the cost of the Co-Issuers, the Trustee shall provide to the Holders of the Notes and the Subordinated Securities (in the manner described in Section 14.4) and the Rating Agencies a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(d) It shall not be necessary for any Act of Noteholders or Preference Shareholders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Noteholders or Preference Shareholders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Portfolio Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such supplement and a copy of such supplement from the Issuer or the Trustee. The Issuer agrees that it will not permit to become effective any supplement or modification to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Portfolio Manager), or adversely change the economic consequences to, the Portfolio Manager, (ii) modify the restrictions on the sale or acquisition of Collateral Obligations, (iii) expand or restrict the Portfolio Manager's discretion, (iv) affect the amount or priority of any fees payable to the Portfolio Manager or (v) otherwise adversely affect the Portfolio Manager, and the Portfolio Manager shall not be bound thereby unless the Portfolio Manager shall have consented in advance thereto in writing. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(f) [Reserved].

(g) With respect to any supplemental indenture which, by its terms (x) provides for an Optional Redemption, with Refinancing Proceeds, of all, but not less than all, Classes of the Rated Securities in whole, but not in part, and (y) is consented to (and/or directed) by both the Portfolio Manager and the Holders of at least a Majority of the Subordinated Securities (the "Requisite Subordinated Securityholders"), notwithstanding anything to the contrary contained herein, the Portfolio Manager may, with such consent of the Requisite Subordinated Securityholders, without regard to any other noteholder consent requirement specified in this Indenture, cause such supplemental indenture to also (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for the replacement securities or loans issued to replace such Securities or prohibit a future refinancing of such replacement securities, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of such replacement securities or loans that is later than the Stated Maturity of the Securities, (e) effect an extension of the Stated Maturity of the Subordinated Securities, and/or (f) make any other supplements or amendments to this Indenture that would otherwise be subject to the noteholder consent rights of this Indenture (a "Reset Amendment"). For the avoidance of doubt, Reset Amendments are not subject to any noteholder consent requirements that would otherwise apply to supplemental indentures described this Indenture.

(h) Holders of Pari Passu Classes will vote together as a single Class in connection with any supplemental indenture, except that the holders of Pari Passu Classes will vote separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and materially differently than the holders of the other Pari Passu Class.

8.4 Effect of Supplemental Indentures

Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes and Subordinated Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

8.5 Reference in Notes and Subordinated Notes to Supplemental Indentures

Notes and Subordinated Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article 2 of Securities originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Securities, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

9. REDEMPTION OF SECURITIES

9.1 Mandatory Redemption

If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Securities.

9.2 Optional Redemption

(a) The Notes shall be redeemable by the Applicable Issuers, on any Business Day after the applicable Non-Call Period, (x) at the written direction of a Majority of the Subordinated Securities (with the consent of the Portfolio Manager, in the case of an Optional Redemption of the Notes from Refinancing Proceeds) or (y) at the written direction of the Portfolio Manager with the consent of a Majority of the Subordinated Securities (with a copy to the Trustee), as follows: based upon such written direction, (i) the Notes shall be redeemed in whole (with respect to all Classes of Notes) but not in part from Sale Proceeds, Refinancing Proceeds and Available Interest Proceeds; or (ii) the Notes shall be redeemed in part by Class from Refinancing Proceeds and Available Interest Proceeds (so long as any Class of Notes to be redeemed represents not less than the entire Class of such Notes). In connection with any such redemption, the Notes shall be redeemed at the applicable Redemption Prices. To effect an Optional Redemption, a Majority of the Subordinated Securities or the Portfolio Manager, as applicable, must provide the above described written direction to the Issuer and the Trustee (with a copy to the Portfolio Manager, if applicable) not later than ten (10) days (or such later date as is reasonably acceptable to the Trustee) prior to the Redemption Date on which such redemption is to be made; provided that all Notes to be redeemed must be redeemed simultaneously.

(b) Upon receipt of a notice of redemption of the Notes in whole but not in part pursuant to Section 9.2(a)(i) (subject to Sections 9.2(e) and 9.2(f) with respect to a redemption from proceeds that include Refinancing Proceeds), the Portfolio Manager in its sole discretion shall direct the sale (and the manner thereof, which may be by participation) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account (and any Interest Proceeds designated by the Portfolio Manager for such purpose) will be at least sufficient to pay the Redemption Prices of the Notes to be redeemed and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee, the Fiscal Agent and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such redemption. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Notes and to pay such fees and expenses, the Notes may not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement. In connection with any Optional Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Notes.

(c) The Subordinated Securities may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Notes, at the direction of the Portfolio Manager or a Majority of the Subordinated Securities.

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), the Notes may, after the applicable Non-Call Period, be redeemed in whole from Refinancing Proceeds, Available Interest Proceeds and Sale Proceeds or in part by Class from Refinancing Proceeds and Available Interest Proceeds as provided in Section 9.2(a)(ii) by a Refinancing; provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Notes in whole but not in part pursuant to Section 9.2(d), such Refinancing will be effective only if (i) the Refinancing Proceeds, Available Interest Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem simultaneously the Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee, the Fiscal Agent and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing; provided, that, if not paid on the date of the Refinancing, such amounts (other than the Redemption Prices) will be adequately provided for from the Interest Proceeds available to be applied to the payment thereof as Administrative Expenses under the Priority of Payments on the subsequent two Payment Dates, after taking

into account all amounts required to be paid pursuant to the Priority of Payments on such subsequent Payment Dates prior to distributions to the Holders of the Subordinated Securities, (ii) the Sale Proceeds, Refinancing Proceeds, Available Interest Proceeds and other available funds are used (to the extent necessary) to make such redemption and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i).

(f) In the case of a Refinancing upon a redemption of the Notes in part by Class pursuant to Section 9.2(d), such Refinancing will be effective only if: (i) each Rating Agency has been notified with respect to any remaining Notes that were not the subject of such Refinancing, (ii) the Refinancing Proceeds and Available Interest Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i), (v) the Aggregate Outstanding Amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Notes being redeemed with the proceeds of such obligations; *provided* for each Class of Notes not subject to such Refinancing, the Aggregate Outstanding Amount of all obligations providing such Refinancing that rank senior to such Class is less than or equal to the Aggregate Outstanding Amount of the Notes being redeemed with the proceeds of such obligations that were Priority Classes with respect to such Notes, (vi) the stated maturity of each class of obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from (a) the Refinancing Proceeds and Available Interest Proceeds, (b) the amounts on deposit in the Permitted Use Account and (c) *provided* that such amounts in clauses (a) and (b) are insufficient, Interest Proceeds available to be applied to the payment thereof under the Priority of Payments on the subsequent two Payment Dates, after taking into account all amounts required to be paid pursuant to the Priority of Payments on such subsequent Payment Dates prior to distributions to the Holders of the Subordinated Securities (except for expenses owed to persons that the Portfolio Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with Section 11.1(a)(i)(S) or Section 11.1(a)(ii)(Q) of the Priority of Payments), (viii) the interest rate spread over the Reference Rate (or stated interest rate, as applicable) of any obligations providing the Refinancing will not be greater than the interest rate spread over the Reference Rate (or, in the case of Fixed Rate Notes, the stated interest rate) of the Notes subject to such Refinancing; provided that with respect to any such Refinancing of (a) Fixed Rate Notes with the proceeds of an issuance of Floating Rate Notes, (b) Floating Rate Notes with the proceeds of an issuance of Fixed Rate Notes or (c) Floating Rate Notes using a reference rate of interest other than the applicable Reference Rate as of the 2024 Closing Date, the Issuer and the Trustee receive an Officer's certificate from the Portfolio Manager (upon which each may conclusively rely without investigation of any nature whatsoever) certifying that, in the Portfolio Manager's reasonable business judgment, the interest payable on the refinancing notes with respect to such Class is anticipated to be lower than the interest that would have been payable in respect of such Class (determined on a weighted average basis over the expected life of such Class) if such Refinancing did not occur, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority

pursuant to the Priority of Payments than the Class of Notes being refinanced and (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Notes being refinanced.

(g) Notwithstanding the foregoing, in the case of a Refinancing upon a redemption of the Notes in whole but not in part, the Portfolio Manager may, with the consent of a Majority of the Subordinated Securities, designate Principal Proceeds (which, for the avoidance of doubt, may include Refinancing Proceeds) in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par"), and direct the Trustee to apply such Designated Excess Par as Interest Proceeds on the applicable Redemption Date.

(h) The Holders of the Subordinated Securities will not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator, the Fiscal Agent or the Trustee for any inability to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate and/or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds).

(i) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least ten (10) days (or such later date as is reasonably acceptable to the Trustee) prior to the Redemption Date, notify the Trustee and the Fiscal Agent in writing of such Redemption Date, the applicable Record Date, the principal amount of Securities to be redeemed on such Redemption Date and the applicable Redemption Prices.

(j) In the case of a Refinancing, any Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied pursuant to the Priority of Redemption Proceeds on the related Redemption Date to redeem each Class being refinanced.

9.3 Tax Redemption

(a) The Securities shall be redeemed in whole but not in part (any such redemption, a "Tax Redemption") at the written direction (delivered to the Trustee and, in the case of the Preference Shares, the Fiscal Agent) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Securities, in either case following (I) the occurrence and continuation of a Tax Event with respect to payments under one or more Collateral Obligations forming part of the Assets which results in a payment by, or charge or Tax burden to, the Issuer

that results or will result in the withholding of 5% or more of scheduled distributions for any Collection Period or (II) the occurrence and continuation of a Tax Event resulting in a Tax burden on the Issuer in an aggregate amount in any Collection Period in excess of U.S.$1,000,000.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Subordinated Notes or Preference Shares, as applicable, may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Notes.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Portfolio Manager, the Holders and the Rating Agencies.

(d) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee, thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Securities and the Rating Agencies.

9.4 Redemption Procedures

(a) In the event of any redemption pursuant to Section 9.2, the written direction of (x) a Majority of the Subordinated Securities or (y) the Portfolio Manager (with the consent of a Majority of the Subordinated Securities, in the case of an Optional Redemption of the Notes), as applicable, to the extent required thereby, shall be provided to the Issuer, the Trustee, the Fiscal Agent and the Portfolio Manager not later than ten (10) days (or such later date as is reasonably acceptable to the Trustee and the Fiscal Agent) prior to the Redemption Date on which such redemption is to be made (which date shall be designated in such direction). In the event of any redemption pursuant to Section 9.2, 9.3 or 9.8, a notice of redemption shall be given by first class mail, postage prepaid, mailed not later than nine (9) days prior to the applicable Redemption Date, to each Holder of Notes and Subordinated Notes, at such Holder's address in the Note Register and the Rating Agencies.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes and the Subordinated Securities to be redeemed;

(iii) that all of the Notes to be redeemed are to be redeemed in full and that interest on such Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) the place or places where Notes and/or Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(v) if all Notes are being redeemed, whether the Subordinated Securities are to be redeemed in full on such Redemption Date and, if so, the place or places where the

Subordinated Securities are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided (i) in the case of the Subordinated Notes, in Section 7.2 and (ii) in the case of the Preference Shares, in the Fiscal Agency Agreement.

The Co-Issuers (subject to the consent of the Portfolio Manager as provided in clause (y) of the next sentence) may withdraw, amend or postpone any such notice of redemption delivered pursuant to Section 9.2 for any purpose on any day up to and including the Business Day before the scheduled Redemption Date. Any withdrawal of such notice of an Optional Redemption will be made (x) by written notice to the Trustee and the Fiscal Agent that the Portfolio Manager will be unable to deliver the sale agreement or agreements or certifications as described in Section 9.4(c) and Sections 12.1(e) and (f) in form satisfactory to the Trustee or (y) with the consent of the Portfolio Manager, by written notice to the Trustee. If the Co-Issuers so withdraw any notice of an Optional Redemption or are otherwise unable to complete an Optional Redemption of the Notes, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may during the Reinvestment Period, at the Portfolio Manager's sole discretion, be reinvested in accordance with the Investment Criteria described herein.

Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Security selected for redemption shall not impair or affect the validity of the redemption of any other Securities.

(c) Unless Refinancing Proceeds are being used to redeem the Notes in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Notes may be optionally redeemed unless (i) at least five (5) Business Days (or such shorter period as is reasonably acceptable to the Trustee) before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee (which may be an Officer's certificate of the Portfolio Manager), that (A) the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient or (B) the Portfolio Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction, for which the net proceeds or any pre-closing financing available to such collateralized loan obligation transaction or similar transaction will at least equal, in each case, an amount at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay all Administrative Expenses (regardless of the Administrative Expense Cap) payable in accordance with the Priority of Payments and redeem all of the Notes on the scheduled Redemption Date at the applicable Redemption Prices (or in the case of any Class of Notes, such lesser amount that the Holders of such Class have elected to receive, in the case of a Tax Redemption where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible

Investments and Collateral Obligations and (B) all other amounts as expected to be available, shall exceed the sum of (x) the aggregate Redemption Prices (or in the case of any Class of Notes, such other amount that the Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) of the Outstanding Notes and (y) all Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this Section 9.4(c). Any Holder of Securities, the Portfolio Manager or any of the Portfolio Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(d) In the event that a scheduled redemption of Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then, upon notice from the Issuer to the Trustee and the Collateral Administrator confirming the satisfaction of the conditions in (A) through (D) herein and certifying that sufficient funds are now available to complete such redemption and directing the Trustee to proceed with such redemption, such Notes may be redeemed using such funds on any Business Day selected by the Issuer upon at least two Business Days' notice to the Trustee provided that such Business Day selected as the redemption date occurs prior to the first Payment Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes being redeemed will accrue to but excluding such new redemption date. If such redemption does not occur within 30 Business Days after the original scheduled redemption date, such redemption will be cancelled without further action. The Issuer will provide notice to each Rating Agency of any Redemption Settlement Delay.

(e) Notwithstanding the foregoing, in the event of a delay of the Redemption Date of one or more Classes of Notes in accordance with the definition of Redemption Date, any such certification described above in respect of the expected proceeds or sufficient proceeds to be available on the related Redemption Date may address only the Classes of Notes then being redeemed (and any amounts payable prior thereto under the Priority of Payments); provided that the Portfolio Manager certifies that sufficient proceeds are expected to be received or otherwise available to redeem all of the Classes of Notes in full and to pay all applicable amounts payable or distributable (including all Administrative Expenses without regard to the Administrative Expense Cap) under the Priority of Payments prior to any distributions with respect to the Subordinated Securities, in each case no later than the latest Redemption Date scheduled for a Class of Notes.

9.5 Securities Payable on Redemption Date

(a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note, if applicable, at the place specified in the notice of redemption on or prior to such Redemption Date; provided that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Noteholder.

9.6 Special Redemption

Principal payments on the Notes shall be made in part in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period, if the Portfolio Manager notifies the Trustee at least five (5) Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager, in its sole discretion, and which would satisfy the Investment Criteria, in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations and the Portfolio Manager elects, in its sole discretion, to designate all or a portion of those funds as a special redemption amount (each a "Special Redemption"). On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date") the amount in the Collection Account representing all Interest Proceeds and all Principal Proceeds available for such purpose in accordance with the Priority of Payments will be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.6 shall be given not less than one Business Day prior to the applicable Special Redemption Date by facsimile, email transmission or first class mail, postage prepaid, to the Fiscal Agent and each Holder of Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Note Register and to the Rating Agencies.

9.7 Optional Re-Pricing

(a) On any Business Day after the applicable Non-Call Period, at the written direction of a Majority of the Subordinated Securities (with the consent of the Portfolio Manager) or the Portfolio Manager (with the consent of a Majority of the Subordinated Securities), the Applicable Issuers shall reduce the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to one or more Class of Re-Pricing Eligible Notes (such reduction with respect to any such Class, a "Re-Pricing" and any Class to be subject to a Re-Pricing, a "Re-Priced Class"); provided that, the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, subject to Section 9.7(f) below, no terms of any Re-Pricing Eligible Notes other than the interest rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Remarketing Agent") upon the recommendation and subject to the written approval of a Majority of the Subordinated Securities and the Portfolio Manager (or if such Re-Pricing was directed by the Portfolio Manager, the Portfolio Manager) (such written approval not to be unreasonably withheld, conditioned or delayed) and such Remarketing Agent shall assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with clause (b) below, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with this Indenture.

Each Holder, by its acceptance of an interest in Notes of a Re-Pricing Eligible Notes, agrees that (i) its Notes will be subject to Mandatory Tender and transfer as set forth in subsections (b) through (d) below and agrees to cooperate with the Issuer, the Remarketing Agent (if any) and the Trustee to effect such Mandatory Tenders and transfers and (ii) its Notes may be redeemed in a Re-Pricing Redemption.

(b) At least 14 Business Days prior to the Business Day fixed by the Portfolio Manager or a Majority of the Subordinated Securities, as applicable, for any proposed Re-Pricing (the date on which such Re-Pricing occurs, the "Re-Pricing Date"), the Issuer or the Remarketing Agent on its behalf, shall deliver a notice (with a copy to the Portfolio Manager, the Trustee and the Rating Agencies) (a "Re-Pricing Notice") through the facilities of DTC and, if applicable, in accordance with the immediately succeeding sentence (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Reference Rate (or, in the case of Fixed Rate Notes, the revised fixed interest rate or the range of fixed interest rates, as applicable) to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to communicate through the facilities of DTC whether such Holder approves the proposed Re-Pricing and the Re-Pricing Rate and elects to retain the Notes of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements"), (iii) specify the applicable Redemption

Price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may (x) solely in the case of any Holder of Global Notes, be subject to mandatory tender and transfer pursuant to the immediately succeeding paragraphs (a "Mandatory Tender") or (y) be redeemed in a Re-Pricing Redemption with Re-Pricing Proceeds and (iv) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; provided, that the Issuer at the direction of the Portfolio Manager may extend the Re-Pricing Date at any time up to the Business Day prior to the scheduled Re-Pricing Date (upon notice to each Holder of the proposed Re-Priced Class, with a copy to the Portfolio Manager, the Trustee and each Rating Agency). To the extent any Certificated Notes of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the Holders of Global Notes through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Portfolio Manager on behalf of the Issuer) to the Holders of such Certificated Notes on the Trustee's website. Holders of Certificated Notes shall be entitled to deliver an Election to Retain and a Holder purchase request directly to the Remarketing Agent. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing will be a "Non-Consenting Holder" and any Holder of the Re-Priced Class that does approve the Re-Pricing will be a "Consenting Holder."

(c) Prior to the Issuer (or Trustee, upon Issuer Order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the Holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which Holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Portfolio Manager and the Remarketing Agent, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

(d) At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements

or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Portfolio Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

(e) If the Issuer, the Portfolio Manager and the Remarketing Agent, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Portfolio Manager or the Remarketing Agent on behalf of the Issuer, if any, shall deliver written notice thereof to the Consenting Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such Non-Consenting Holders, and shall request each such Consenting Holder to provide written notice to the Issuer, the Trustee, the Portfolio Manager and the Remarketing Agent (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the Non-Consenting Holders (each such notice, an "Exercise Notice") within five Business Days of receipt of such notice.

In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes held by Non-Consenting Holders to the Holders delivering Exercise Notices, sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders' Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Mandatory Tenders of Notes of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be *pro rata* (subject to the applicable minimum denomination requirements and DTC procedures) based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto or the Issuer may redeem such Notes with Re-Pricing Proceeds. Any excess Notes of the Re-Priced Class held by Non-Consenting Holders may be subject to Mandatory Tender and transferred to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer or redeemed with Re-Pricing Proceeds. All Mandatory Tenders and transfers and redemptions of Notes to be

effected as set forth in this Section 9.7 shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof and, in the case of a Mandatory Tender, in accordance with the Operational Arrangements. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer in connection with such Mandatory Tender.

(f) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee (at the direction of the Issuer) shall have entered into a supplemental indenture dated as of the Re-Pricing Date solely to (x) modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to the Re-Priced Class and/or (y) extend the Non-Call Period for the Re-Priced Class;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been subject to Mandatory Tender and transferred or redeemed;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) expenses related to the Re-Pricing will be paid from available funds, including Available Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use, amounts on deposit in the Expense Reserve Account and funds in the Permitted Use Account, on the Re-Pricing Date or, if the Re-Pricing Date is not on a Payment Date, the next Payment Date, unless such expenses shall have been paid or shall be adequately provided for by any entity other than the Issuer. Such expenses shall not be counted against the Administrative Expense Cap. The fees of the Remarketing Agent payable by the Issuer shall not exceed an amount consented to by the Portfolio Manager (so long as a Majority of the Subordinated Securities has not objected to such direction within five Business Days of notice thereof in writing); and

(v) the Trustee shall have received an Officer's certificate from the Issuer certifying that the conditions to such Re-Pricing have been satisfied.

The Issuer, or the Remarketing Agent on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer (or the Remarketing Agent) expects to have sufficient funds for the purchase or the redemption of all Notes of the Re-Priced Class held by Non-Consenting Holders.

Any notice of a Re-Pricing may be withdrawn by the Portfolio Manager at least three Business Days prior to the scheduled Re-Pricing Date by written notice to the Issuer and the Trustee for any reason. Any notice of Re-Pricing will be deemed to have been automatically withdrawn by the Issuer if there are insufficient funds to complete a related Re-Pricing Redemption (and the Issuer shall notify the Trustee of such automatic withdrawal promptly thereafter). Upon receipt of such notice of withdrawal, the Trustee (at the direction of the Issuer) shall send such notice to the Holders of each Re-Priced Class and the Rating Agencies.

The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee and certifying that such Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with in order to effect a Re-Pricing in accordance with this Section 9.7.

In connection with a Re-Pricing, the Non-Call Period for the Re-Priced Class may be extended at the direction of the Portfolio Manager prior to such Re-Pricing pursuant to a supplemental indenture entered into in accordance with Article 8.

The Portfolio Manager or a Majority of the Subordinated Securities may waive any notice period requirement set forth in this Section 9.7 with respect to any notice required to be given to the Portfolio Manager or the Holders of the Subordinated Securities, as applicable.

In effecting a Re-Pricing, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith.

9.8 Clean-Up Call Redemption

(a) At the written direction of the Portfolio Manager (which direction shall be given so as to be received by the Issuer, the Trustee, the Fiscal Agent and the Rating Agencies not later than ten (10) Business Days (or such later date as the Trustee may find reasonably acceptable) prior to the proposed Redemption Date), the Notes and the Subordinated Notes will be subject to redemption by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Business Day after the applicable Non-Call Period on which the Collateral Principal Amount is less than 20% of the Target Initial Par Amount.

(b) Any Clean-Up Call Redemption is subject to (i) on or prior to the fifth Business Day immediately preceding the related Redemption Date, the purchase of (or a binding commitment to purchase not later than the Business Day immediately preceding the scheduled Redemption Date) the Assets (other than the Eligible Investments referred to in clause (d) of this sentence) by the Portfolio Manager or any other Person from the Issuer, for a purchase price in Cash (the "Clean-Up Call Redemption Price") at least equal to the greater of (1) the sum of (a) the Aggregate Outstanding Amount of the Notes, *plus* (b) all unpaid interest on the Notes accrued to the date of such redemption (including any shortfall amounts, if any), *plus* (c) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Securities (including, for the avoidance of doubt, all outstanding Administrative

Expenses), *minus* (d) the balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Portfolio Manager, prior to such purchase, of certification from the Portfolio Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Portfolio Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Portfolio Manager.

(c) Upon receipt from the Portfolio Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date and the Record Date for any redemption pursuant to this Section 9.8 and give written notice thereof to the Trustee, the Fiscal Agent, the Collateral Administrator, the Portfolio Manager and the Rating Agencies not later than five (5) Business Days prior to the proposed Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to the Business Day prior to the related scheduled Redemption Date by written notice to the Trustee, the Fiscal Agent, the Rating Agencies and the Portfolio Manager only if amounts equal to the Clean-Up Call Redemption Price are not expected to be received in full in immediately available funds by the Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of the Notes and the Subordinated Notes to be redeemed at such Holder's address in the Note Register, by overnight courier guaranteeing next day delivery.

(e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Payments.

9.9 Purchase in Lieu of Redemption.

(a) The Portfolio Manager or its designee may elect, in its sole discretion, but will not be required, to purchase the Subordinated Securities of the Directing Holders that have directed an Optional Redemption (other than upon the occurrence of a Tax Event) at the Subordinated Securities NAV Amount, in lieu of effecting the Optional Redemption on behalf of the Issuer (a "Purchase in Lieu of Redemption").

(i) The Trustee will forward to the Portfolio Manager within one Business Day of its receipt a copy of the direction it received from a Majority of the Subordinated Securities (the "Directing Holders") to effect an Optional Redemption (the date on which the Trustee forwards such direction, the "Subordinated Securities NAV Determination Date"); provided that any direction received by the Trustee after 12:00 noon (New York time) on a Business Day shall be deemed received on the next Business Day.

(ii) No later than two Business Days after the Subordinated Securities NAV Determination Date, the Portfolio Manager will provide the Collateral Administrator with the NAV Market Value for all Margin Stock and Assets owned by the Issuer and request that the Collateral Administrator calculate the Subordinated Securities NAV Amount.

(iii) Within five Business Days of its receipt of such request and the NAV Market Value, the Collateral Administrator will notify the Portfolio Manager and the Trustee of the Subordinated Securities NAV Amount (the "NAV Notice") and the Trustee shall forward the NAV Notice to the Holders of the Subordinated Notes and request the consent of the Directing Holders to such Subordinated Securities NAV Amount, and the Directing Holders shall consent to such Subordinated Securities NAV Amount, provided that the Directing Holders shall be deemed to consent to such Subordinated Securities NAV Amount if they do not object thereto by notice to the Trustee, the Collateral Administrator and the Portfolio Manager within two Business Days of the delivery of such NAV Notice. If the Directing Holders object to the Subordinated Securities NAV Amount, the Purchase in Lieu of Redemption shall not proceed until the Subordinated Securities NAV Amount is an amount as agreed between the Directing Holders and the Portfolio Manager and as notified by the Portfolio Manager to the Trustee.

(iv) The Portfolio Manager or its designee (the "Electing Party") may, but is not required, to notify the Trustee (in form suitable for forwarding to the Directing Holders) of its intent to purchase the Subordinated Securities of the Directing Holders and the proposed Transfer Date (as defined below), and if the Trustee receives such notice within two Business Days of the date of the NAV Notice, the following procedures will be implemented:

(A) the Trustee will forward to the Directing Holders the Electing Party's notice (the "Election Notice") stating that such Holders' direction to effect an Optional Redemption has been cancelled and that the Electing Party has elected to purchase their Subordinated Securities. The Election Notice will include (1) the Subordinated Securities NAV Amount; (2) if any such Subordinated Securities are represented by Global Notes or Global Preference Shares, a statement that the related Directing Holders are required to give DTC all necessary instructions for the transfer of their beneficial interest in their Subordinated Securities to the Electing Party (or its designee) to be effected; (3) if any of such Subordinated Securities are represented by Certificated Notes or Certificated Preference Shares, instructions as to where such Certificated Notes or Certificated Preference Shares, as applicable, should be surrendered and that such Certificated Notes or Certificated Preference Shares, as applicable, be properly endorsed for assignment by the Directing Holder or their attorney duly authorized in writing to the Electing Party along with the applicable transfer certificate duly executed by the Directing Holder or their attorney duly authorized in writing with each such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar and the Fiscal Agent, as applicable, which requirements include membership or participation in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Note Registrar or the Fiscal Agent, as applicable, in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act (the "Certificated Securities Instructions"); (4) the date designated by the Electing Party by which the transfer must be completed, which will be (x) no earlier than 15 Business Days following the date of the Election Notice and (y) no later than 30 Business Days after the date of the Election Notice (the "Transfer Date"); and (5) a statement to the effect that

the transfer of the Subordinated Securities to the Portfolio Manager or its designee must be in accordance with all transfer requirements of this Indenture;

(B) no later than two Business Days prior to the Transfer Date, based on the information described in the Election Notice, each Directing Holder will (x) (A) provide instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee, as Note Registrar, or the Fiscal Agent, as applicable, to reduce, or cause to be reduced, the applicable Global Note by the aggregate principal amount of the Directing Holder's Subordinated Security to be transferred to the Electing Party, or (B) comply with the Certificated Securities Instructions, as applicable, and (y) provide necessary wiring instruction and such tax forms as requested by the Trustee for payment of such Holder's *pro rata* share of the Subordinated Securities NAV Amount (each Directing Holder complying with such requirements, a "Complying Holder");

(C) no later than one Business Day prior to the Transfer Date, the Electing Party will deposit, or cause to be deposited to an escrow account designated by the Trustee, the Subordinated Securities NAV Amount with respect to the Subordinated Securities of each Complying Holder and, if required by Section 2.5, deliver the applicable transfer certificate. Any such escrow account shall be established pursuant to the protocols and procedures of the Trustee. Any costs, expenses or liabilities incurred in connection with the establishment or operation of such escrow account (including any related legal expenses) shall be Administrative Expenses;

(D) on the Transfer Date, the Trustee (upon Issuer Order) will (x) remit to each Complying Holder its *pro rata* share of the Subordinated Securities NAV Amount and (y) effect the transfer of the Subordinated Securities of the Complying Holders to the Electing Party (or its designee) with delivery in the form of a Certificated Note or Certificated Preference Share, as applicable, which may be contemporaneously or subsequently exchanged for an interest in a Regulation S Global Note or Regulation S Global Preference Share, as applicable, subject to the transfer requirements of this Indenture; and

(E) the Electing Party will not be required to purchase the Subordinated Securities of any Directing Holder that is not a Complying Holder.

(v) If the Trustee has not received notice from the Portfolio Manager or its designee of its intent to purchase the Subordinated Securities of the Directing Holders within two Business Days of the NAV Notice, the Optional Redemption will proceed on the date set forth in the original direction from the Directing Holders, subject to the requirements of Section 9.2, and the Portfolio Manager will have no further right to elect to purchase the Subordinated Securities of the Directing Holders.

(vi) If the Electing Party fails to deposit the Subordinated Securities NAV Amount with the Trustee in accordance with clause (iv)(C) above, the Trustee will give notice to each of the Directing Holders that its direction of Optional Redemption will be

reinstated with respect to the next succeeding Payment Date that is at least 45 days after the date of such notice unless the Directing Holders notify the Trustee and the Portfolio Manager that it withdraws such direction in accordance with Section 9.4(b). The Portfolio Manager Parties will have no right to elect to purchase the Subordinated Securities of the Directing Holders in connection with such Optional Redemption.

(b) The purchase of Subordinated Securities by the Electing Party pursuant to the procedures set forth in clauses (i) through (iv) above will not impair the right of a Majority of the Subordinated Securities to direct an Optional Redemption in the future.

10. ACCOUNTS, ACCOUNTINGS AND RELEASES

10.1 Collection of Money

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Securities and shall apply it as provided in this Indenture. All Accounts shall remain at all times with a federal or state-chartered depository institution (which may be the Trustee) (a) that has a long-term issuer credit rating of at least "A" by S&P and a short-term issuer credit rating of at least "A-1" by S&P (or a long-term issuer credit rating of at least "A+" by S&P if such institution does not have short-term issuer credit rating), and if such institution's long-term issuer credit rating falls below "A" by S&P or its short-term issuer credit rating falls below "A-1" by S&P (or, if such institution either has no short-term issuer credit rating or has a short-term issuer credit rating below "A-1" by S&P, its long-term issuer credit rating falls below "A+" by S&P), the Issuer shall use commercially reasonable efforts to cause the assets held in such Account to be moved within 60 calendar days to another institution that has a long-term issuer credit rating of at least "A" by S&P and a short-term issuer credit rating of at least "A-1" by S&P (or a long-term issuer credit rating of at least "A+" by S&P if such institution has no short-term issuer credit rating) or (b)(x) in a segregated trust account with the corporate trust department of a federal or state-chartered deposit institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b) that has a long-term issuer credit rating of at least "BBB" by S&P; provided that if such institution's ratings fall below such required ratings, the Issuer shall use commercially reasonable efforts to cause the assets held in such account to be moved within 30 calendar days to another institution that satisfied such rating, or (y) if cash is being held in a trust account, with a federal or state-chartered deposit institution that has a long-term issuer credit rating of at least "A+" by S&P (or a short-term issuer credit rating of at least "A-1" and a long-term issuer credit rating of at least "A" by S&P); provided that if such institution's ratings fall below such required ratings, the Issuer shall use commercially reasonable efforts to cause the assets held in such account to be moved within 30 calendar days to another institution that satisfies such ratings.

Such institution shall have a combined capital and surplus of at least U.S.$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the

consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity; provided that the foregoing shall not be construed to prevent the Trustee or Custodian from investing the Assets of the Issuer in Eligible Investments described in clause (ii) of the definition thereof that are obligations of the Bank. Each Account shall be maintained with the Custodian in accordance with the Securities Account Control Agreement and shall be held in the name of the Issuer, subject to the lien of Citibank, N.A., as Trustee, for the benefit of the Secured Parties.

10.2 Collection Account

(a) Prior to the Original Closing Date, the Trustee established at the Custodian two segregated trust accounts, one of which is designated the "Interest Collection Subaccount" and one of which is designated the "Principal Collection Subaccount" (which together will comprise the Collection Account) and each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.5(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Payment Account, all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article 12). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.5(a), (i) any funds designated as Principal Proceeds by the Portfolio Manager (in each case, with notice to the Collateral Administrator and Trustee) in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article 12 or in Eligible Investments); provided that on any Business Day on or before the second Determination Date following the 2024 Closing Date, the Portfolio Manager may designate Principal Proceeds as Interest Proceeds (with notice to the Collateral Administrator and the Trustee) in an amount not to exceed 0.50% of the Target Initial Par Amount, and the Trustee shall, at the direction of the Portfolio Manager, transfer such amount from the Principal Collection Subaccount into the Interest Collection Subaccount as Interest Proceeds so long as after giving effect to such designation (w) each Collateral Quality Test is satisfied, (x) each Coverage Test is satisfied, (y) each Concentration Limitation is satisfied and (z) the sum of the Collateral Principal Amount plus the aggregate of the S&P Collateral Value of each Defaulted Obligation on such date, is greater than or equal to the Target Initial Par Amount (the "Interest Proceeds Designation Condition"). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them (with notice to the Collateral Administrator and Trustee) as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to

Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.5(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer shall use its commercially reasonable efforts to, within five (5) Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article 12, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations or exercise a warrant held in the Assets, in each case in accordance with the requirements of Article 12 and such Issuer Order; provided that the Portfolio Manager shall not direct such a withdrawal of Principal Proceeds to exercise a warrant under this clause (c) unless (x) the Collateral Principal Amount plus the aggregate of the S&P Collateral Value of each Defaulted Obligation is greater than or equal to the Reinvestment Target Par Balance (as determined by the Portfolio Manager following the withdrawal of such Principal Proceeds) and (y) the amount of Principal Proceeds (other than Principal Proceeds applied to the acquisition of Uptier Priming Debt) applied to exercise warrants under this clause (c) or clause (d) below or to acquire Workout Assets in accordance with Section 12.2(g), measured cumulatively from the 2024 Closing Date onward, does not exceed 5.0% of the Target Initial Par Amount. At any time, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Portfolio Manager on behalf of the Issuer may direct (which may be in the form of an email from an authorized officer of the Portfolio Manager) the Trustee (with a copy to the Collateral Administrator) to withdraw from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use" to pay (i) any amount required to exercise or acquire a warrant or, solely with respect to securities that the Issuer may acquire, receive or purchase pursuant to Article 12, right to acquire securities held in the Assets in each case in accordance with the requirements of Article 12 and such Issuer Order (provided that, as determined by the Portfolio Manager (A) solely with respect to the use

Any such deposit of Selling Institution Collateral shall satisfy the following requirement as determined by the Portfolio Manager: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests shall not have an Aggregate Principal Balance in excess of 5.0% of the Collateral Principal Amount and shall not remain on deposit with such Selling Institution or custodian for more than 30 calendar days after such Selling Institution or its custodian first fails to satisfy the rating requirements set out in the Third Party Credit Exposure Limits (and the terms of each such deposit shall permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution or its custodian fails at any time to satisfy the rating requirements set out in the Third Party Credit Exposure Limits); or (2) such Selling Institution Collateral shall be deposited with an Eligible Custodian that satisfies the Third Party Credit Exposure Limits and the requirements under Section 10.1.

Funds shall be deposited in the Revolver Funding Account (or, at the instruction of the Portfolio Manager, provided as Selling Institution Collateral to a Selling Institution or custodian) upon the purchase of any Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Restructured Asset and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation or Unfunded Restructured

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available at the direction of the Portfolio Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Restructured Assets; provided that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Restructured Assets that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or maturity of a Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Restructured Asset, (ii) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Restructured Asset or (iii) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Restructured Asset) may be transferred by the Trustee (at the written direction of the Portfolio Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof. Whenever the Trustee is instructed to invest funds in any of the Accounts, including by the identification of the Standby Directed Investment herein, the Trustee shall so invest such funds as soon as reasonably practicable after receipt of such instructions.

(b) The Trustee agrees to give the Issuer immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, the Rating Agencies, the Fiscal Agent and the Portfolio Manager any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies, the Fiscal Agent or the Portfolio Manager may from time to time reasonably request with respect to the Assets, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.6 or to permit the Portfolio Manager to perform its obligations under the Portfolio Management Agreement or the Issuer's obligations hereunder that have been delegated to the Portfolio Manager. The Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in Article 10, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

(e) Any account established under this Indenture may include any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts.

(f) For the avoidance of doubt, the Accounts shall be owned by the Issuer for U.S. federal income tax purposes. For all U.S. federal tax reporting purposes, all income earned on the funds invested and allocable to the Accounts is legally and beneficially owned by the Issuer. The Issuer shall provide to the Trustee (i) an IRS Form W-8BEN-E no later than the date hereof, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation upon the reasonable request of the Trustee as may be necessary (a) to reduce or eliminate the imposition of U.S. withholding taxes and (b) to permit the Trustee to fulfill its tax reporting obligations under applicable law with respect to the Accounts or any amounts paid to the Issuer. The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any tax

withholding amounts paid, or retained for payment, to a governmental authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Accounts absent the Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

(C) to the payment, *pro rata* based on amounts due, of accrued and unpaid interest on the Class X Notes and the Class A Notes;

(D) to the payment, *pro rata* based on Aggregate Outstanding Amount, of principal of the Class X Notes and the Class A Notes;

(E) to the payment, *pro rata* based on amounts due, of accrued and unpaid interest on the Class B-1 Notes and the Class B-2 Notes;

(F) to the payment, *pro rata* based on Aggregate Outstanding Amount, of principal of the Class B-1 Notes and the Class B-2 Notes;

(G) to the payment of accrued and unpaid interest (excluding Note Deferred Interest, but including interest on Note Deferred Interest) on the Class C Notes;

(H) to the payment of any Note Deferred Interest on the Class C Notes;

(I) to the payment of principal of the Class C Notes;

(J) to the payment of accrued and unpaid interest (excluding Note Deferred Interest, but including interest on Note Deferred Interest) on the Class D-1 Notes;

(K) to the payment of any Note Deferred Interest on the Class D-1 Notes;

(L) to the payment of principal of the Class D-1 Notes;

(M) to the payment of accrued and unpaid interest (excluding Note Deferred Interest, but including interest on Note Deferred Interest) on the Class D-2 Notes;

(N) to the payment of any Note Deferred Interest on the Class D-2 Notes;

(O) to the payment of principal of the Class D-2 Notes;

(R) to the payment of principal of the Class E Notes;

(S) to the payment of the Subordinated Management Fee due and payable (including any deferred Subordinated Management Fee) (including any accrued and unpaid interest thereon) to the Portfolio Manager;

(T) to the payment of (in the same manner and order of priority stated therein) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein;

(U) to pay to each Contributor and Reinvesting Holder (whether or not any applicable Reinvesting Holder continues on such Payment Date to hold all or any portion of such Subordinated Securities), *pro rata* based on the aggregate amount of Contribution Repayment Amounts and Reinvestment Amounts not previously paid to such Contributor and Reinvesting Holder pursuant to clause (U) of Section 11.1(a)(i), clause (S) of Section 11.1(a)(ii) or this clause (U), as applicable, the aggregate amount of such Contribution Repayment Amounts and Reinvestment Amounts owing to each such Contributor or Reinvesting Holder;

(V) to the Holders of the Subordinated Securities (allocated in accordance with the Subordinated Securities Allocation) until the Subordinated Securities have realized a Subordinated Securities Internal Rate of Return of 12%; and

(W) to pay the balance to the Portfolio Manager and to the Holders of the Subordinated Securities, such balance to be allocated as follows: (x) 20% to the Portfolio Manager as the Incentive Management Fee payable on such Payment Date; and (y) 80% to the Holders of the Subordinated Securities (allocated in accordance with the Subordinated Securities Allocation).

(iv) On any Refinancing Redemption Date or any date on which a Re-Pricing Redemption occurs, Refinancing Proceeds, Available Interest Proceeds, funds in the Permitted Use Account and Re-Pricing Proceeds will be distributed in the following order of priority (the "Priority of Redemption Proceeds"): (i) to pay the Redemption Price (without duplication of any payments received by any Class of Rated Securities pursuant to Sections 11.1(a)(i), 11.1(a)(ii) or 11.1(a)(iii)) of each Class of Rated Securities being refinanced, re-priced or redeemed; (ii) to pay any expenses related to such Optional Redemption or Re-Pricing (which, for the avoidance of doubt, shall not be subject to the Administrative Expense Cap); and (iii) (A) in the case of a Refinancing or Re-Pricing Redemption upon a redemption of the Notes in part by Class, any remaining amounts will be deposited in the Collection Account as Principal Proceeds or Interest Proceeds, as determined by the Portfolio Manager or (B) in the case of a Refinancing or Re-Pricing Redemption upon a redemption of the Notes in whole, any remaining amounts will be (x) deposited in the Collection Account as Principal Proceeds or Interest Proceeds, as determined by the Portfolio Manager or (y) distributed to the Holders of the Subordinated Securities.

(v) In the event that amounts distributable to the Holders of the Preference Shares in accordance with Sections 11.1(a)(i), 11.1(a)(ii) and 11.1(a)(iii) cannot be distributed to such Holders due to restrictions on such distributions under the laws of the Cayman Islands, all amounts payable above will be held in the account for the Preference Shares established under the Fiscal Agency Agreement until the first Payment Date or (in the case of a payment by way of redemption) the first Business Day on which the Issuer notifies the Fiscal Agent such distributions can be made to the Holders of the Preference Shares (subject to the availability of such amounts under the laws of the Cayman Islands to pay any liability of the Issuer not limited in recourse to the Assets). Any amounts to be paid to the Fiscal Agent above will be released from the lien of this Indenture.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date.

(d) (i) The Portfolio Manager may, in its sole discretion, elect to irrevocably waive payment of any or all of any Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date. Any such Management Fee, once waived, shall not thereafter become due and payable and any claim of the Portfolio Manager therein shall be extinguished.

(ii) To the extent they are not paid when due on any Payment Date due to the operation of the Priority of Payments (and not as the result of a waiver by the Portfolio Manager), the Base Management Fee and the Subordinated Management Fee will be deferred and will be payable on subsequent Payment Dates in accordance with the Priority of Payments, and will bear interest at a rate per annum equal to (x) with respect to the Base Management Fee, three-month Reference Rate and (y) with respect to the Subordinated Management Fee, three-month Reference Rate *plus* 5.90%, in each case, for the period from (and including) the date on which such Base Management Fee or Subordinated Management Fee would be due and payable if sufficient Interest Proceeds and Principal Proceeds were available to (but excluding) the date of payment thereof. The Portfolio Manager, in its sole discretion, may elect to defer receipt of all or a portion of the Base Management Fee and/or Subordinated Management Fee payable in connection with any Payment Date by providing written notice of such election at least three Business Days prior to such Payment Date. Any amount of fees so voluntarily deferred by the Portfolio Manager will be payable without interest on the subsequent Payment Date or Payment Dates in accordance with notice from the Portfolio Manager to the Trustee at least three Business Days prior to any such subsequent Payment Date; provided that, no amount of previously deferred Base Management Fee which the Portfolio Manager has elected to receive will be paid on such Payment Date to the extent that such payment will cause the deferral or non-payment of interest on any Class of Notes.

(e) (i) Without any amendment to this Indenture, any confirmation from the Rating Agencies or the consent of any other holder of Securities, all or a specified portion of amounts that would otherwise be distributed on a Payment Date during the Reinvestment Period to the Reinvesting Holders under clause (U) or (V) of Section 11.1(a)(i) of this Indenture

in respect of such Holder's Subordinated Securities will instead be deposited by the Trustee in the Permitted Use Account, upon the written direction of any Reinvesting Holder to the Trustee or the Fiscal Agent, as applicable (with the Trustee or the Fiscal Agent, as applicable, providing a copy to the Collateral Administrator), in substantially the form of Exhibit C, not later than, in the case of the first Payment Date after the 2024 Closing Date, two (2) Business Days prior to such Payment Date and, in the case of any other Payment Date, three (3) Business Days prior to the applicable Payment Date. Any such deposit shall be deemed to constitute payment of such amounts for purposes of all distributions from the Payment Account to be made on such Payment Date.

(ii) Reinvestment Amounts deposited into the Permitted Use Account on such Payment Date will be remitted to the applicable Reinvesting Holder on a subsequent Payment Date after such Payment Date, without interest thereon and solely to the extent of Principal Proceeds available therefor as provided in clause (S) of Section 11.1(a)(ii) of this Indenture or proceeds in respect of the Assets available therefor as provided in clause (U) of Section 11.1(a)(iii) of this Indenture, as applicable.

(iii) Any such direction of any Reinvesting Holder to deposit any Reinvestment Amounts in the Permitted Use Account shall specify the percentage(s) of the amount(s) that such Reinvesting Holder is entitled to receive on the applicable Payment Date in respect of distributions under clause (U) or (V) of Section 11.1(a)(i) of this Indenture in respect of the Subordinated Securities held by such Reinvesting Holder (such Reinvesting Holder's "Distribution Amount") that such Reinvesting Holder wishes the Trustee to deposit in the Permitted Use Account. Reinvestment Amounts deposited in the Permitted Use Account may be used for any Permitted Use, at the direction of the Portfolio Manager.

(iv) The Issuer (or the Collateral Administrator on the Issuer's behalf) shall provide each Reinvesting Holder with a final estimate of such Reinvesting Holder's Distribution Amount not later than, in the case of the first Payment Date after the 2024 Closing Date, three Business Days prior to such Payment Date and, in the case of any other Payment Date, five (5) Business Days prior to such Payment Date. In addition, with respect to any Payment Date other than the first Payment Date after the 2024 Closing Date, the Issuer (or the Collateral Administrator on the Issuer's behalf) shall provide each Reinvesting Holder with an initial estimate of such Reinvesting Holder's Distribution Amount not later than six Business Days prior to such Payment Date.

11.2 Contributions.

At any time during or after the Reinvestment Period, the Portfolio Manager may, by written notice to the Holders of the Subordinated Securities in the form of Exhibit D (a "Contribution Notice"), provide the beneficial owners of the Subordinated Securities (or their designees) the opportunity to make a Contribution to the Issuer for application to a Permitted Use on a *pro rata* basis (based on the Subordinated Securities held by such beneficial owner) within the timeframe specified in such notice (which shall be not less than five Business Days); provided that each Contribution (other than any Contribution to be applied pursuant to clauses (vi) or (vii) of the definition of "Permitted Use") must be in an aggregate amount equal to at least $500,000 (counting all Contributions made on the same day as a single Contribution for this purpose). Any

beneficial owner of Subordinated Securities desiring to make a Contribution (such Holder, a "Contributor") shall provide written notice (in the form set forth in Exhibit E hereto) thereof to the Issuer (with a copy to the Portfolio Manager) and the Trustee (with a copy to the Collateral Administrator) within such timeframe specified in the Contribution Notice. In the event any beneficial owners of Subordinated Securities decline to make a Contribution within the timeframe specified in the Contribution Notice, the Portfolio Manager may make a Contribution itself. If the Portfolio Manager determines that the aggregate Contributions committed by beneficial owners of Subordinated Securities or the Portfolio Manager are still insufficient for the applicable Permitted Use, the Portfolio Manager may elect in its sole discretion to make an Elevated Contribution Request. Each Contributor of a Contribution shall fund such contribution in accordance with the instructions provided in the Contribution Notice or separately by the Portfolio Manager.

Contributions shall be received into the Permitted Use Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use as directed by the Portfolio Manager.

Contributions shall be repaid to the Contributor in accordance with the Priority of Payments together with a specified rate of return, as such rate of return may be agreed to between such Contributor and the Portfolio Manager, provided, that in no event shall such rate of return exceed the Reference Rate *plus* 5.90% without the consent of a Majority of the Subordinated Securities (such Contribution, together with any related return, the "Contribution Repayment Amount").

The Portfolio Manager, on behalf of the Issuer, may in its sole discretion at any time prior to the Issuer's receipt of a Contribution from a potential Contributor, reject any offer to make a related Contribution, and shall notify the Trustee (with a copy to the Collateral Administrator) of any such rejection. The Trustee and the Collateral Administrator shall be entitled to follow the instructions of the Portfolio Manager in respect of the acceptance, amount or application of any such Contribution. No Contribution or portion thereof will be returned to the Contributor at any time (other than by operation of the Priority of Payments). A repayment of a Contribution under the Priority of Payments is a payment to the related Contributor only and does not constitute a distribution on the Notes for purposes of reporting payments on the Notes or otherwise. As a condition to the repayment of a Contribution, the Trustee is entitled to receive and require each applicable Contributor's name, address, tax identification number, formation documents (if applicable), wire instructions and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations or as otherwise necessary for such repayment.

12. SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

12.1 Sales of Collateral Obligations

Subject to the satisfaction of the conditions specified in Section 12.3 and (except for sales pursuant to Sections 12.1(a), (b), (c), (d), (h) and (i)) unless an Event of Default has occurred and is continuing, the Portfolio Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Trustee to sell and the Trustee shall sell on behalf of the Issuer in the manner directed by the Portfolio Manager any Collateral Obligation or Equity Security (which shall include the direct sale or liquidation of the

equity interests of any Issuer Subsidiary or assets held by an Issuer Subsidiary) if such sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(h) or (i)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation, Credit Improved Obligation and Withholding Tax Obligation at any time without restriction.

(b) [Reserved].

(c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation or Swapped Defaulted Obligation at any time during or after the Reinvestment Period without restriction. The Portfolio Manager may direct the Trustee to consummate a Bankruptcy Exchange at any time during or after the Reinvestment Period without restriction so long as the conditions set forth in the definition thereof are satisfied. With respect to each Defaulted Obligation or Swapped Defaulted Obligation that has not been sold, exchanged or terminated within three years after becoming a Defaulted Obligation or Swapped Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation or Swapped Defaulted Obligation shall be deemed to be zero.

(d) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security at any time without restriction, and shall (unless such Equity Security has been transferred to an Issuer Subsidiary as set forth in Section 12.1(j) below) use its commercially reasonable efforts to effect the sale of any Equity Security (other than an interest in an Issuer Subsidiary), regardless of price, within one hundred eighty (180) days after receipt if such Equity Security constitutes Margin Stock, unless such sale is prohibited by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law.

(e) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Securities in accordance with Section 9.2, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article 9 (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Securities has directed (by a written direction delivered to the Trustee or, in the case of Preference Shares, the Fiscal Agent) a Tax Redemption, the Issuer (or the Portfolio Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article 9 (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation at any time other than during a Restricted Trading Period if (i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g)(i) (x) during the preceding period of 12 calendar months is not greater than 30% of the Target Initial Par Amount as of the first day of such 12 calendar month period or (y) for the first 12 calendar months after the 2024 Closing Date, during the period commencing on the 2024 Closing Date is not greater than 30% of the Target Initial Par Amount as of the 2024 Closing Date, as the case may be and (ii) either:

(A) during the Reinvestment Period, the Portfolio Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 20 Business Days after the settlement date of such sale; or

(B) at any time (I) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation or (II) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, the Permitted Use Account (including Eligible Investments therein) representing Principal Proceeds, will be (x) maintained or increased or (y) greater than or equal to the Reinvestment Target Par Balance.

(h) Mandatory Sales. The Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale (regardless of price) of any Collateral Obligation that (i) no longer meets the criteria described in clause (vii) of the definition of "Collateral Obligation", within 18 months after the failure of such Collateral Obligation to meet any such criteria and (ii) no longer meets the criteria described in clause (vi) of the definition of "Collateral Obligation" as set forth in clause (d) above after the failure of such Collateral Obligation to meet either such criteria.

(i) Within ten (10) Business Days after the Issuer's receipt thereof (or within five (5) Business Days after such later date as such security may first be disposed of in accordance with its terms), the Issuer shall (unless such security or obligation has been transferred to an Issuer Subsidiary as set forth in Section 12.1(j) below) dispose of any Equity Security, Defaulted Obligation or security or other consideration that is received in an Offer that, in each case, would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes.

(j) The Portfolio Manager may effect the transfer to an Issuer Subsidiary of (x) any security or obligation required to be sold pursuant to Section 12.1(i) above within five (5) Business Days after the Issuer's receipt thereof (or within five (5) Business Days after such later date as such security or obligation may be disposed of in accordance with its terms) or

(y) any Collateral Obligation or portion thereof with respect to which the Issuer will receive a security or obligation described in clause (x) above prior to the receipt of such security or obligation. The Issuer shall not be required to obtain confirmation from each Rating Agency that such incorporation or transfer will not cause such Rating Agency to downgrade or withdraw its rating assigned to any Class of Rated Securities, provided that prior to the incorporation of any Issuer Subsidiary, the Portfolio Manager will, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer shall not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) a security that ceases to be considered an Equity Security, as determined by the Portfolio Manager based on written advice of nationally recognized tax counsel to the effect that the Issuer can transfer such security or obligation from the Issuer Subsidiary to the Issuer and can hold such security directly without causing the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes. For financial accounting reporting purposes (including each Monthly Report and Distribution Report) and the Coverage Tests, the Reinvestment Overcollateralization Test and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Equity Security, Workout Asset, Restructured Asset, Specified Equity Security or Collateral Obligation held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(k) After the Portfolio Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.8 hereof, the Portfolio Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; provided that the Sale Proceeds therefrom are used for the purposes specified in Sections 9.8 hereof (and applied pursuant to the Priority of Payments).

(l) Notwithstanding anything to the contrary herein, the Portfolio Manager may direct the Trustee in writing to consummate a Bankruptcy Exchange or sell, purchase or exchange any Collateral Obligation in connection with a Bankruptcy Exchange at any time.

(m) Notwithstanding the other requirements set forth herein, on any Business Day after the Reinvestment Period, the Portfolio Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this clause. Promptly after receipt of written notice from the Portfolio Manager of such auction, the Trustee will forward a notice in the Portfolio Manager's name (as prepared by and at the expense of the Portfolio Manager) to the Holders (and, for so long as any Rated Securities rated by a Rating Agency are outstanding, such Rating Agency) of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Securities may submit a written bid within ten (10) Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which will be at least fifteen (15) Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than twenty (20) Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Securities submits such a bid within the time period specified under clause (i) above, unless the Portfolio Manager determines that delivery in kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee will provide notice thereof to each Holder and offer to deliver

(at such Holder's expense) a pro rata portion (as determined by the Portfolio Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations; provided that, to the extent that minimum denominations do not permit a pro rata distribution, the Trustee will distribute the Unsaleable Assets on a pro rata basis to the extent possible and the Portfolio Manager will select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Trustee; and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee will promptly notify the Portfolio Manager and offer to deliver (at the cost of the Portfolio Manager) the Unsaleable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee will take such action as directed by the Portfolio Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means. The Trustee shall have no duty, obligation or responsibility with respect to any Unsaleable Assets other than to act upon the written instructions of the Portfolio Manager.

12.2 Purchase of Additional Collateral Obligations

On any date during the Reinvestment Period, the Portfolio Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Principal Proceeds, proceeds of additional notes or subordinated securities issued pursuant to Sections 2.13 and 3.2 or the Fiscal Agency Agreement, Reinvestment Amounts and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date of such purchase or the date on which the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to (it being understood that, if one or more purchases and/or sales are entered into as a single transaction, the Portfolio Manager shall determine in its sole discretion (with notice to the Collateral Administrator and the Trustee) the order in which such trades are deemed to have occurred for the purpose of determining compliance with such criteria):

(b) During the Reinvestment Period:

(i) such obligation is a Collateral Obligation;

(ii) such obligation is not as of such date a Credit Risk Obligation as determined by the Portfolio Manager;

(iii) such obligation is not, by its terms, convertible into or exchangeable for Equity Securities;

(iv) each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved; provided, if any Coverage Test is not satisfied, the

Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation shall not be reinvested in additional Collateral Obligations;

(v) (A) in the case of a substitute Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (3) the Aggregate Principal Balance (calculated, solely for purposes of this clause, with each Defaulted Obligation having a Principal Balance equal to its S&P Collateral Value) of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account, the Permitted Use Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than or equal to the Reinvestment Target Par Balance and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, either (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (2) the Aggregate Principal Balance (calculated, solely for purposes of this clause, with each Defaulted Obligation having a Principal Balance equal to its S&P Collateral Value) of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account, the Permitted Use Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than or equal to the Reinvestment Target Par Balance;

(vi) either (A) other than in the case of a Bankruptcy Exchange, each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation or an Equity Security, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(vii) the date on which the Issuer (or the Portfolio Manager on its behalf) commits to purchase such Collateral Obligation occurs during the Reinvestment Period.

During the Reinvestment Period, following the sale of any Credit Improved Obligation or any discretionary sale of a Collateral Obligation, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations within forty-five (45) Business Days after such sale; <u>provided</u> that any such purchase must comply with the requirements of this Section 12.2.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or any amounts for which the Issuer or the Portfolio Manager has received written confirmation of payment from the underlying obligor or administration agent during the Reinvestment Period) to effect the settlement of such Collateral Obligations.

(c) After the Reinvestment Period, without limiting any right of the Issuer to agree to an amendment or to effect a Bankruptcy Exchange in respect of any Collateral Obligation otherwise permitted by this Indenture, the Portfolio Manager may, but shall not be required to, invest Principal Proceeds representing prepayments on any Collateral Obligations (any such Collateral Obligations, "Prepaid Assets") and the Sale Proceeds of one or more Credit Risk Obligations in additional Collateral Obligations; provided that the Portfolio Manager shall not reinvest such Principal Proceeds in additional Collateral Obligations unless the following conditions are satisfied (the "Post-Reinvestment Period Investment Criteria"): (1) such reinvestment occurs within the longer of (x) 45 calendar days from the Issuer's receipt of such Principal Proceeds or Sale Proceeds and (y) the last day of the then-current Collection Period (the longer of (x) and (y), the "Post-Reinvestment Trade Period"), (2) the Portfolio Manager has a commercially reasonable belief that after giving effect to any such reinvestment (A) the Concentration Limitations and the Collateral Quality Tests that are in effect after the Reinvestment Period (excluding, for the avoidance of doubt, the S&P CDO Monitor Test) will be satisfied or, if not satisfied, will be maintained or improved, (B) each Coverage Test will be satisfied, (C) a Restricted Trading Period is not then in effect, (D) the additional Collateral Obligations purchased shall have the same or earlier maturity as the applicable Prepaid Assets or Credit Risk Obligations, (E) the additional Collateral Obligations purchased have the same or higher S&P Rating as the applicable Prepaid Assets or Credit Risk Obligations and (F)(i) the Aggregate Principal Balance of (x) additional Collateral Obligations purchased with prepayments of Prepaid Assets shall be equal to or greater than the outstanding principal balance of the applicable Prepaid Assets and (y) additional Collateral Obligations purchased with Sale Proceeds of Credit Risk Obligations shall be equal to or greater than the Sale Proceeds of the applicable Credit Risk Obligations or (ii) the sum of the Collateral Principal Amount plus the aggregate of the S&P Collateral Value of each Defaulted Obligation on such date, will be greater than or equal to the Reinvestment Target Par Balance and (3) no Event of Default has occurred and is continuing.

(d) Certification by Portfolio Manager. Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Portfolio Manager shall deliver to the Trustee and the Collateral Administrator a certification of the Portfolio Manager (which certification will be deemed to have been made by the Portfolio Manager by delivery of the related trade confirmation to the Trustee) certifying that such purchase complies with this Section 12.2 and Section 12.3, subject to Section 1.2(j).

(e) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account and the Permitted Use Account) may be invested at any time in Eligible Investments in accordance with Article 10.

(f) Maturity Amendment. During and after the Reinvestment Period, the Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if (x) a Majority of the Controlling Class consents to such Maturity Amendment or (y) the Portfolio Manager determines that, after giving effect to any relevant Trading Plan or purchase and sale of Collateral Obligations in connection with the Investment Criteria, (i) after giving effect to such Maturity Amendment, the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Notes and (ii) the Weighted Average Life Test will be satisfied immediately after giving effect to such Maturity Amendment; provided that clause (ii) above will not apply to any Maturity Amendment if the Aggregate Principal Balance of all Collateral Obligations owned by the Issuer at such time subject to Maturity Amendments approved in accordance with this Section 12.2(f) for which the Weighted Average Life Test will not be satisfied immediately after giving effect to such Maturity Amendment, (x) (1) then held by the Issuer shall not exceed 5.0% of the Collateral Principal Amount and (2) then held by the Issuer, together with all Credit Amendments described in the immediately succeeding proviso then held by the Issuer, shall not exceed 7.5% of the Collateral Principal Amount and (y) (1) measured cumulatively from the 2024 Closing Date onward, shall not exceed 10.0% of the Target Initial Par Amount and (2) measured cumulatively from the 2024 Closing Date onward, together with all Credit Amendments described in the immediately succeeding proviso, shall not exceed 12.5% of the Target Initial Par Amount; provided, further that clause (ii) above will not apply to any Credit Amendment if, immediately after giving effect to such Credit Amendment, the Aggregate Principal Balance of Collateral Obligations owned by the Issuer at such time subject to Credit Amendments approved in accordance with this Section 12.2(f) for which the Weighted Average Life Test will not be satisfied immediately after giving effect to such Credit Amendment (x) (1) measured cumulatively from the 2024 Closing Date onward shall not exceed 7.5% of the Target Initial Par Amount and (2) measured cumulatively from the 2024 Closing Date onward, together with all Maturity Amendments described in the immediately preceding proviso, also measured cumulatively from the 2024 Closing Date, shall not exceed 12.5% of the Target Initial Par Amount and (y) (1) then held by the Issuer shall not exceed 5.0% of the Collateral Principal Amount and (2) then held by the Issuer, together with all Maturity Amendments described in the immediately preceding proviso then held by the Issuer, shall not exceed 7.5% of the Collateral Principal Amount. Notwithstanding the foregoing requirements of this Section 12.2(f), the Portfolio Manager may consent to a Maturity Amendment with respect to any portion of an investment that it has sold but not yet settled at the direction of the buyer (for the avoidance of doubt, any such Maturity Amendment consented to in accordance with this sentence will not be included in the percentage limitations set forth above). For the avoidance of doubt, the Issuer will not be in violation of the restrictions in this paragraph if the maturity of such Collateral Obligation is extended without meeting the requirements of clause (i) or (ii) above so long as the Issuer (or the Portfolio Manager on behalf of the Issuer) did not consent to such amendment (provided, however, that such Collateral Obligation will be treated as a Defaulted Obligation for the purposes of calculating the Adjusted Collateral Principal Amount); provided that if the Issuer or the Portfolio Manager has not voted for a Maturity Amendment which would contravene the requirements of this paragraph, but (other than in respect of any

Maturity Amendment effected by way of a scheme of arrangement or similar process) the stated maturity of such Collateral Obligation has been extended, (A) the Issuer or the Portfolio Manager acting on its behalf shall use reasonable efforts to sell such Collateral Obligation within 60 days of the date of such Maturity Amendment effective date and in any event shall sell such Collateral Obligation prior to the Stated Maturity of the Notes and (B) any such Collateral Obligation that the Issuer (or the Portfolio Manager on its behalf) has not sold within 60 days of the date of such Maturity Amendment effective date shall be treated as a Defaulted Obligation. For the avoidance of doubt, the Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of any Maturity Amendment without regard to clauses (i) or (ii) above so long as the Portfolio Manager intends to sell such Collateral Obligation within 30 days after the effective date of the Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30 day period (provided, however, that, if the extended Collateral Obligation has not been sold within 30 days, such Collateral Obligation will be treated as a Defaulted Obligation for the purposes of calculating the Adjusted Collateral Principal Amount). Notwithstanding the foregoing, if the Portfolio Manager or the Issuer receives notice from the trustee or agent for a Collateral Obligation that lenders or debtholders, as the case may be, that constitute the required lenders or debtholders for approval of a Maturity Amendment have already consented (or are expected to consent) thereto or a fee is being paid to such lenders or debtholders that provide such consent, the Issuer (or the Portfolio Manager on its behalf) may consent (and such consent shall not be deemed to be a consent for purposes of this paragraph) to such Maturity Amendment; provided that not more than 12.5% of the Collateral Principal Amount may consist of Maturity Amendments to which the Issuer (or the Portfolio Manager on its behalf) are permitted to consent solely pursuant to this sentence.

(g) Workout Assets. Notwithstanding any other requirement set forth in this Indenture (other than certain tax-related requirements), Principal Proceeds or Interest Proceeds may be invested in Workout Assets; *provided* that (x) Interest Proceeds may only be used to invest in a Workout Asset to the extent that (i) such investment will not render insufficient the available Interest Proceeds remaining on the next Payment Date to pay in full all amounts due and payable through and including clause (Q) under Section 11.1(a)(i) and (ii) after giving effect thereto, each Coverage Test will be satisfied; (y) Principal Proceeds may only be used to invest in a Workout Asset to the extent that, after giving effect thereto, (i) each Coverage Test will be satisfied, (ii) the sum of (x) the Collateral Principal Amount and (y) the S&P Collateral Value of each Defaulted Obligation is at least equal to the Reinvestment Target Par Balance, (iii) the amount of Principal Proceeds applied in accordance with this Section 12.2(g) during such calendar year does not exceed 1.0% of the Collateral Principal Amount (determined as of the first Business Day of such calendar year) and (iv) the amount of Principal Proceeds applied in accordance with this Section 12.2(g), measured cumulatively from the 2024 Closing Date onward, does not exceed 2.5% of the Target Initial Par Amount; and (z) the Portfolio Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or that failing to do so, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Portfolio Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Portfolio Manager for its other clients or investment vehicles managed by the Portfolio Manager).

(h) Restructured Assets and Specified Equity Securities. At any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer may direct the payment of amounts permitted to be used therefor in accordance with the definition of "Permitted Use" to the purchase or acquisitions of Restructured Assets (including, for the avoidance of doubt, Restructured Assets that also qualify as Workout Assets) and Specified Equity Securities if the Portfolio Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or that failing to do so, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Portfolio Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Portfolio Manager for its other clients or investment vehicles managed by the Portfolio Manager). Notwithstanding anything to the contrary herein, the acquisition of Restructured Assets, Workout Asset and Specified Equity Securities will not be required to satisfy any of the Investment Criteria. For the avoidance of doubt, Principal Proceeds shall not be applied to acquire Restructured Assets (other than Restructured Assets that also qualify as Workout Assets in accordance with Section 12.2(g) above) or Specified Equity Securities.

(i) Swapped Obligations. The Portfolio Manager may instruct the Trustee in writing (with a copy to the Collateral Administrator) to exchange a Defaulted Obligation at any time, for another Defaulted Obligation or a Credit Risk Obligation of the same obligor (a "Swapped Defaulted Obligation" or a "Swapped Obligation"), notwithstanding any of the Investment Criteria restrictions described above, for so long as at the time of or in connection with such exchange:

(i) such Swapped Obligation is issued by the same obligor as the Defaulted Obligation and ranks no more junior in right of payment vis à vis such obligor's other outstanding indebtedness than the Defaulted Obligation to be exchanged vis à vis its obligor's other outstanding indebtedness; provided that if the Issuer is also required to pay an amount for such Swapped Obligation, the Issuer will only use Interest Proceeds or amounts subject to "Permitted Use" to effect such payment and only so long as, after giving effect to such purchase, if Interest Proceeds are used, there would be sufficient Interest Proceeds to pay all amounts required to be paid pursuant to Section 11.1(a)(i) prior to distributions to holders of the Subordinated Notes on the next succeeding Payment Date;

(ii) the Coverage Tests and the Collateral Quality Test will be satisfied or, if not satisfied, maintained or improved;

(iii) the expected recovery rate of such Swapped Obligation, as determined by the Portfolio Manager, must be no less than the expected recovery rate of the Defaulted Obligation for which it was exchanged;

(iv) as determined by the Portfolio Manager, the Concentration Limitations will be satisfied or, if not satisfied, maintained or improved;

(v) the period for which the Issuer held the Defaulted Obligation which was exchanged will be included for all purposes when determining the period for which the Issuer holds any Swapped Obligation;

(vi) the exchange does not take place during the Restricted Trading Period;

(vii) the Aggregate Principal Balance of all Swapped Obligations received or purchased by the Issuer on any Business Day does not exceed 5.0% of the Collateral Principal Amount;

(viii) the Aggregate Principal Balance of all Swapped Obligations received or purchased by the Issuer since the 2024 Closing Date (whether or not still held by the Issuer) does not exceed 10.0% of the Target Initial Par Amount;

(ix) as determined by the Portfolio Manager, such exchanged Defaulted Obligation or Credit Risk Obligation was not a Swapped Obligation;

(x) the price of such Swapped Obligation is at least equal to 55% of its Principal Balance (provided that at any point in time not more than 5.0% of the Collateral Principal Amount may consist of Swapped Obligations with a price of less than 60% of the Principal Balance thereof, in each case determined at the time of the exchange);

(xi) the Aggregate Principal Balance of (i) all Swapped Obligations received or purchased by the Issuer and (ii) all obligations received in a Bankruptcy Exchange, together, then held by the Issuer does not exceed 7.5% of the Collateral Principal Amount; and

(xii) the Aggregate Principal Balance of (i) all Swapped Obligations received or purchased by the Issuer and (ii) all obligations received in a Bankruptcy Exchange, together, measured cumulatively since the 2024 Closing Date (whether or not still held by the Issuer) does not exceed 12.5% of the Target Initial Par Amount.

12.3 Conditions Applicable to All Sale and Purchase Transactions

(a) Any transaction effected under this Article 12 or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article 12, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(ix); provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of an Issuer Order or Trade Ticket in respect thereof that is signed or sent by an Authorized Officer of the Portfolio Manager.

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation (x) that has been consented to by Securityholders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Notes and Holders of at least 75% of the Subordinated Securities (provided that, in each case, if a holder has not affirmatively objected to any such request for consent within ten (10) Business Days after request therefor, such holder will be deemed to have consented to such purchase or sale, as applicable) and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and 100% of the Subordinated Securities and (y) of which each Rating Agency, the Fiscal Agent and the Trustee has been notified.

13. SECURITYHOLDERS' RELATIONS

13.1 Subordination

(a) Anything in this Indenture or the Securities to the contrary notwithstanding, the Holders of each Class of Securities that constitute a Junior Class agree for the benefit of the Holders of the Securities of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Securities of each such Priority Class to the extent and in the manner set forth in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is not waived in accordance with Article 5, including as a result of an Event of Default specified in Section 5.1(f) or (g), each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Securities of any Junior Class shall have received any payment or distribution in respect of such Securities contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Securities of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Securities shall not demand, accept, or receive any payment or distribution in respect of such Securities in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Securities.

(d) The Holders of each Class of Securities agree, for the benefit of all Holders of each Class of Securities, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of all Securities (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year (or, if longer, the applicable preference period then in effect) plus one day, following such payment in full.

13.2 Standard of Conduct

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture or, if applicable, the Preference Share Documents.

14. MISCELLANEOUS

14.1 Form of Documents Delivered to Trustee

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations

by, an Officer of the Portfolio Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Portfolio Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

14.2 Acts of Holders

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Securities held by any Person, and the date of such Person's holding the same, shall be proved by the Note Register or the Share Register, as applicable.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Securities shall bind the Holder (and any transferee thereof) of such and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note or Global Preference Share will have the right to receive access to reports on the Trustee's internet website and will be entitled to exercise rights to vote, give

consents and directions which holders of the related Class of Securities are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note or Global Preference Share, and (ii) the amount and Class of Securities so owned; provided that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; provided further that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

14.3 Notices, etc., to Trustee, the Fiscal Agent, the Co-Issuers, the Portfolio Manager, the Placement Agent, the Initial Purchaser, the Collateral Administrator, the Paying Agent, the Administrator and the Rating Agencies

(b) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

(d) The Bank, in all of its capacities, shall be entitled to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email or other similar unsecured electronic methods, in each case, of an executed instruction or direction (which may be in the form of a .pdf file); provided, however, that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing authorized persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

14.4 Notices to Holders; Waiver; Information Regarding Holders

Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Note Register or the Share Register (or posted to the Trustee's website as provided in clause (c) below), as applicable (or, in the case of Holders of Global Notes and Global Preference Shares, emailed to DTC for distribution to each Holder affected by such event), and to the Fiscal Agent for forwarding to the Holders of Preference Shares, in each case, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of Euronext Dublin so require, documents delivered to Holders of such Listed Notes will be provided to Euronext Dublin.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the

Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

The Trustee will deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes and Subordinated Notes (by Aggregate Outstanding Amount), at the expense of the Issuer. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Securityholder status. The Trustee shall have no liability for such disclosure or the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(c) Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any documents (including reports, notices or supplemental indentures) required to be provided by the Trustee to Holders may be provided by providing notice of, and access to, the Trustee's website containing such document.

(d) The Trustee will provide to the Portfolio Manager all information in its possession that is reasonably requested by the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Portfolio Manager (or its parent or affiliates) to comply with regulatory requirements applicable to the Portfolio Manager (or its parent or affiliates) from time to time and a list of Holders (and, with respect to a holder of a beneficial interest in a Rule 144A Global Note or a Regulation S Global Note, unless such holder instructs the Trustee in writing otherwise, the Trustee will upon request of the Portfolio Manager share the identity of such holder with the Portfolio Manager).

(e) Each purchaser of Securities, by its acceptance of an interest in Securities, agrees to provide to the Issuer and the Portfolio Manager all information reasonably available to it that is reasonably requested by the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Portfolio Manager (or its parent or affiliates) to comply with regulatory requirements applicable to the Portfolio Manager (or its parent or affiliates) from time to time.

14.5 Effect of Headings and Table of Contents

The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

14.6 Successors and Assigns

All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

14.7 Severability

If any term, provision, covenant or condition of this Indenture or the Notes or the Subordinated Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Securities, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes or the Subordinated Notes, as the case may be, so long as this Indenture or the Notes or the Subordinated Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes or the Subordinated Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

14.8 Benefits of Indenture

Nothing in this Indenture, the Notes or the Subordinated Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Noteholders, the Fiscal Agent and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

14.9 Legal Holidays

In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or the Subordinated Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity, as the case may be, and except as provided in the definition of "Interest Accrual Period", no interest shall accrue on such payment for the period from and after any such nominal date.

14.10 Governing Law

This Indenture, the Notes and the Subordinated Notes shall be construed in accordance with, and this Indenture, the Notes and the Subordinated Notes and any matters arising out of or relating in any way whatsoever to this Indenture, the Notes or the Subordinated Notes (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

14.11 Submission to Jurisdiction

With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

14.12 WAIVER OF JURY TRIAL

EACH OF THE ISSUER, THE CO-ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

14.13 Counterparts

This Indenture, the Notes and the Subordinated Notes (and each amendment, modification and waiver in respect of this Indenture, the Notes or the Subordinated Notes) may be executed in counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument, and the words "executed," "signed," "signature," and words of like import as used above and elsewhere in this Indenture or in any other certificate, agreement or document related to this transaction shall include, in addition to manually executed signatures, images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg" or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform) and other electronic signatures (including, without limitation, any electronic sound, symbol, or process, attached to or logically associated with a contract or other record and executed or adopted by a person with the intent to

sign the record). For the avoidance of doubt, any requirement in this Indenture or the Securities that a document, including the Securities, is to be signed or authenticated by "manual signature" or similar language shall not be deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by facsimile or electronic signature as described in this Section 14.13. The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

14.14 Acts of Issuer

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

14.15 Confidential Information

(a) The Trustee, the Collateral Administrator and each Noteholder will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) or such Holder in good faith to protect Confidential Information of third parties delivered to such Person; provided that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes and the Subordinated Notes; (ii) such Person's financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes and the Subordinated Notes; (iii) any other Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Securities in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Note or Subordinated Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally

recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) each Rating Agency; (ix) Intex Solutions, Inc. in accordance with Article 10 hereof; (x) any other Person with the consent of the Co-Issuers and the Portfolio Manager; or (xi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes, the Subordinated Notes or this Indenture or (E) in the Trustee's or the Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; and provided that delivery to Holders by the Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders shall not be a violation of this Section 14.15. Each Noteholder agrees, except as set forth in clauses (vi), (vii) and (xi) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes and the Subordinated Notes or administering its investment in the Notes or the Subordinated Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder of a Note or Subordinated Note, by its acceptance of a Note or Subordinated Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15 (subject to Section 7.16(f)). Any delivery or disclosure to a Holder's directors, trustees, officers, employees, agents, attorneys, affiliates, financial advisors or other professional advisors shall require the consent of the Co-Issuers and the Portfolio Manager.

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Noteholder by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder and the Trustee may make available to Bloomberg LP the information specified in Section 10.6.

14.16 Liability of Co-Issuers

Notwithstanding any other terms of this Indenture, the Notes, the Subordinated Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, the Subordinated Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, the Subordinated Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

14.17 S&P Rating Condition Disregarded

With respect to any event or circumstance that requires satisfaction of the S&P Rating Condition, the S&P Rating Condition shall be deemed disregarded for all purposes of this Indenture with respect to such event or circumstance if:

(a) S&P has made a public statement to the effect that it will no longer review events or circumstances of the type requiring satisfaction of the S&P Rating Condition in this Indenture for purposes of evaluating whether to confirm the then-current ratings (or initial ratings) of obligations rated by S&P;

(b) S&P has communicated to the Issuer, the Portfolio Manager or the Trustee (or their counsel) that it will not review such event or circumstance for purposes of evaluating whether to confirm the then-current rating (or initial rating) of the Rated Securities rated by S&P; or

(c) in connection with amendments requiring unanimous consent of all holders of Securities, such holders have been advised prior to consenting that the current ratings of the Rated Securities may be reduced or withdrawn as a result of such amendment.

15. ASSIGNMENT OF CERTAIN AGREEMENTS

15.1 Assignment of Portfolio Management Agreement

(a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under

the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Portfolio Manager will continue to perform and be bound by the provisions of the Portfolio Management Agreement and this Indenture. The Trustee will be entitled to rely and be protected in relying upon all actions and omissions to act of the Portfolio Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes and the Subordinated Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Portfolio Manager in the Portfolio Management Agreement, to the following:

(i) The Portfolio Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Portfolio Manager subject to the terms (including the standard of care set forth in the Portfolio Management Agreement) of the Portfolio Management Agreement.

(ii) The Portfolio Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Portfolio Management Agreement to the Trustee as representative of the Noteholders and the Portfolio Manager shall agree that all of the representations, covenants and agreements made by the Portfolio Manager in the Portfolio Management Agreement are also for the benefit of the Trustee.

(iii) The Portfolio Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Portfolio Manager to the Issuer pursuant to the Portfolio Management Agreement.

(iv) The Portfolio Management Agreement may be amended to (v) correct inconsistencies, typographical or other errors, defects or ambiguities, (w) conform the Portfolio Management Agreement to the final Offering Circular or to this Indenture (as it may be amended from time to time pursuant to Article 8), (x) permanently or temporarily remove any Management Fee payable to the Portfolio Manager, (y) effect a change that is currently necessary or necessary to avoid future lack of compliance, as determined by the Portfolio Manager in its commercially reasonable judgment to comply with the Volcker Rule or the U.S. Risk Retention Rules applicable to the Portfolio Manager, its Affiliates or the Issuer, or to reduce, eliminate or otherwise mitigate the impact, or applicability, of the Volcker Rule or the U.S. Risk Retention Rules on the Portfolio Manager, its Affiliates or the Issuer (and the Portfolio Manager will have the right to cause the Issuer to effect such amendment) or (z) take any action advisable to prevent the Issuer from becoming subject to withholding or other taxes, fees or assessments or to prevent the Issuer from being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise being subject to United States federal, state or local income tax on a net basis, in each case without the consent of the Holders of any Securities and without satisfaction of S&P Rating Condition. Any other amendment to the Portfolio Management Agreement shall be permitted (i) upon satisfaction of the S&P Rating Condition (or deemed inapplicability thereof pursuant to Section 14.17) and (ii) provided that a Majority of the Controlling Class or a Majority of the Subordinated Securities does not object to such amendment, modification or waiver within fifteen Business Days after the Issuer provides notice thereof. Notwithstanding anything herein to the contrary, the provisions set forth in the Investment Guidelines may be amended, eliminated or supplemented (without execution of a supplemental indenture or otherwise) by the Portfolio Manager if the Issuer and the Portfolio Manager shall have received Tax Advice to the effect that, assuming the Issuer complies with the Investment Guidelines as modified by such amended provisions or supplemental provisions the Issuer will not (or, although not free from doubt, will not) be engaged, or deemed to be engaged, in the conduct of a trade or business within the United States for U.S. federal income tax purposes and subject to U.S. federal income tax on a net basis.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Portfolio Management Agreement), the Portfolio Manager shall continue to serve as Portfolio Manager under the Portfolio Management Agreement notwithstanding that the Portfolio Manager shall not have received amounts due it under the Portfolio Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1.

The Portfolio Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Portfolio Manager under the Portfolio Management Agreement until the payment in full of all Notes and Subordinated Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and the expiration of a period equal to one year (or, if longer, the applicable preference period) plus one day following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Portfolio Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Portfolio Manager, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Portfolio Management Agreement, if the Portfolio Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Security and any other account or portfolio for which the Portfolio Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Portfolio Manager will give written notice to the Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Portfolio Management Agreement.

(vii) On each Measurement Date on which the S&P CDO Monitor Test is used, the Portfolio Manager on behalf of the Issuer will measure compliance under such test.

(g) Upon a Trust Officer of the Trustee receiving written notice from the Portfolio Manager that an event constituting "Cause" as defined in the Portfolio Management Agreement has occurred, the Trustee shall, not later than one Business Day thereafter, notify the Securityholders (as their names appear in the Note Register or the Share Register, as applicable) and the Fiscal Agent.

Diversity Score Calculation

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classification groups, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's Industry Classification group, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

Schedule 5

Moody's Rating Definitions

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) if the obligor of such Collateral Obligation has a Corporate Family Rating, then such Corporate Family Rating;

(b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;

(c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Portfolio Manager in its sole discretion;

(d) if not determined pursuant to clause (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an affiliate of the Portfolio Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15-month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that, if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) if not determined pursuant to clauses (a) through (d) above, with respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(f) if not determined pursuant to any of clauses (a) through (e) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(g) if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3".

MOODY'S RATING

(a) With respect to a Collateral Obligation that is a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(ii) if not determined pursuant to clause (a)(i) above, if the obligor of such Collateral Obligation has a Corporate Family Rating, then the Moody's rating that is one subcategory higher than such Corporate Family Rating;

(iii) if not determined pursuant to clause (a)(i) or (a)(ii) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion; or

(iv) if not determined pursuant to clause (a)(i), (a)(ii) or (a)(iii) above, the Moody's Derived Rating; and

(v) if none of clauses (a)(i) through (a)(iv) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation that is not a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(ii) if not determined pursuant to clause (b)(i) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;

(iii) if not determined pursuant to clause (b)(i) or (b)(ii) above, if the obligor of such Collateral Obligation has a Corporate Family Rating, then the Moody's rating that is one subcategory lower than such Corporate Family Rating; or

(iv) if not determined pursuant to clause (b)(i), (b)(ii) or (b)(iii) above, if the obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(v) if not determined pursuant to clause (b)(i), (b)(ii), (b)(iii) or b(iv) above, the Moody's Derived Rating; and

(vi) if not determined pursuant to clauses (b)(i) through (b)(v) above, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(i) (a) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Portfolio Manager, in accordance with the table below (or as otherwise provided in the then-current criteria from Moody's);

Type of Collateral Obligation	**S&P Rating (Public and Monitored)**	**Collateral Obligation Rated by S&P**	**Number of Subcategories Relative to Moody's Equivalent of S&P Rating**
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(b) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (i)(a) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (i)(b)); or

Obligation Category of Rated Obligation	**Rating of Rated Obligation**	**Number of Subcategories Relative to Rated Obligation Rating**
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

(c) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency; or

(ii) If not determined pursuant to clause (i) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Portfolio Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such

rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (1) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (ii) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1".

S&P NON-MODEL VERSION CDO MONITOR DEFINITIONS

If so elected by the Portfolio Manager by written notice to the Issuer, the Collateral Administrator, the Trustee and S&P, the S&P CDO Monitor Test shall be defined as follows:

"S&P CDO Monitor Test": A test that will be satisfied on any date of determination on or after the 2024 Closing Date and during the Reinvestment Period if, after giving effect to the purchase of any additional Collateral Obligation, the S&P CDO Monitor Adjusted BDR is equal to or greater than the S&P CDO Monitor SDR, in each case calculated on the basis of the Highest Ranking S&P Class. As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR": The threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the principal balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / [NP * (1 – Weighted Average S&P Recovery Rate of the Highest Ranking S&P Class)], where OP = Target Initial Par Amount; NP = the sum of the aggregate principal balance of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".

"S&P CDO Monitor BDR": The value calculated using the following formula relating to the Issuer's portfolio: C0 + (C1 * Weighted Average Floating Spread) + (C2 * Weighted Average S&P Recovery Rate), where C0=0.129482, C1=3.932031 and C2=0.901493. C0, C1 and C2 will not change unless S&P provides an update at the request of the Portfolio Manager following the 2024 Closing Date.

"S&P CDO Monitor SDR": The percentage derived from the following equation: 0.247621 + (SPWARF/9162.65) – (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) - (RDM/34.0948) + (WAL/27.3896), where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"S&P Default Rate Dispersion": With respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the principal balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Global Ratings' Rating Factor minus (y) the S&P Weighted Average Rating Factor *divided by* (B) the aggregate principal balance for all such Collateral Obligations.

"S&P Global Ratings' Rating Factor": For each Collateral Obligation (with an S&P Rating of "CCC-" or higher), a number set forth to the right of the applicable S&P Rating below, which table may be adjusted from time to time by S&P:

S&P Rating	S&P Global Ratings' Rating Factor	S&P Rating	S&P Global Rating's Rating Factor
AAA	13.51	BB+	784.92
AA+	26.75	BB	1233.63
AA	46.36	BB-	1565.44
AA-	63.90	B+	1982.00
A+	99.50	B	2859.50
A	146.35	B-	3610.11
A-	199.83	CCC+	4641.40
BBB+	271.01	CCC	5293.00
BBB	361.17	CCC-	5751.10
BBB-	540.42	CC, D or SD	10,000

"S&P Industry Diversity Measure": A measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure": A measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such aggregate principal balance by the aggregate principal balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Region Classification": The S&P Region Classifications set forth in Table 1 below, and such region classifications shall be updated at the sole option of the Portfolio Manager if S&P publishes revised region classifications.

"S&P Regional Diversity Measure": A measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Region Classification, then dividing each of these amounts by the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P Region Classifications in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life": On any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's principal balance by its number of years, summing the results of all Collateral

Obligations in the portfolio, and dividing such amount by the aggregate principal balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor": With respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Global Ratings' Rating Factor divided by (ii) the Aggregate Principal Balance for all such Collateral Obligations.

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant periodic Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest on any Class X-R2 Notes, Class A-R2 Notes, Class B-1R2 Notes or Class B-2R2 Notes or, if no Class X-R2 Notes, Class A-R2 Notes, Class B-1R2 Notes or Class B-2R2 Notes are Outstanding, any Note of the Controlling Class that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date. Notwithstanding the foregoing, the final payment on this Note shall be made (except as provided in the Indenture) only upon presentation and surrender of this Note at the applicable Corporate Trust Office of the Trustee.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article 2 of the Indenture, upon registration of transfer of this Note

or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the minimum denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Note Register kept by the Note Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Note Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

The Issuer, for value received, hereby promises to pay to the registered Holder of this Security or its registered assigns or nominees, upon presentation and surrender of this Security (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Security set forth in the Note Details (or, if this Security is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer promises to pay, in accordance with the Priority of Payments, an amount equal to the Holder's proportional share of Interest Proceeds and Principal Proceeds payable to all Holders of Subordinated Notes, if any, subject to the Priority of Payments set forth in the Indenture. Payment on the Subordinated Notes is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Priority Classes (including any defaulted interest and deferred interest, if any) and other amounts in accordance with the Priority of Payments. The failure to make any payments to the Holders of the Subordinated Notes on any Payment Date shall not be an Event of Default unless Interest Proceeds are available therefor in accordance with the Priority of Payments.

This Security will mature at the Stated Maturity, unless such Security has been previously repaid or become due and payable at an earlier date by redemption or otherwise. Holders of this Security will receive distributions of Principal Proceeds, if any, in accordance with the Priority of Principal Proceeds only after each Priority Class is paid in full. Principal payments on this Security will be made in accordance with the Priority of Payments of the Indenture.

Payments on this Security will be made in immediately available funds to the Person in whose name this Security (or one or more predecessor Securities) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Security on such Record Date bears to the Aggregate Outstanding Amount of all Securities of the Class of Securities to which this Security forms a part on such Record Date. Notwithstanding the foregoing, the final payment on this Subordinated Note shall be made (except as provided in the Indenture) only upon presentation and surrender of this Subordinated Note at the applicable Corporate Trust Office of the Trustee.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Security as a result of exchanges and transfers of interests in this Security and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Security, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Securities (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Security (or one or more predecessor Securities) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Security and of any Security issued upon the registration of transfer of this Security or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Security. Subject to Article 2 of the Indenture, upon registration of transfer of this Security or in exchange for or in lieu of any other Security of the

same Class, this Security will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Security.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Security mutatis mutandis as if fully set forth herein.

This Security shall be issued in the minimum denominations set forth in the Note Details.

This Security is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Security is set forth in the Indenture.

If an Event of Default occurs and is continuing, the Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Notes may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Security theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Security will pass by registration in the Note Register kept by the Note Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Security, but the Note Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

FORM OF ERISA CERTIFICATE

2. ☐ **Entity Holding Plan Assets by Reason of Plan Asset Regulations**. We, or the entity on whose behalf we are acting, are an entity or fund whose underlying assets include "plan assets" by reason of a Benefit Plan Investor's investment in such entity.

> **Examples:** (i) an insurance company separate account, (ii) a bank collective trust fund and (iii) a hedge fund or other private investment vehicle where 25% or more of the value of any class of its equity is held by Benefit Plan Investors.

If you check Box 2, please indicate the maximum percentage of the entity or fund that will constitute "plan assets" for purposes of Title I of ERISA or Section 4975 of the Code: ______%.

AN ENTITY OR FUND THAT CHECKS BOX 2 AND CANNOT PROVIDE THE FOREGOING PERCENTAGE HEREBY ACKNOWLEDGES THAT FOR PURPOSES OF DETERMINING WHETHER BENEFIT PLAN INVESTORS OWN LESS THAN 25% OF THE VALUE OF EACH CLASS OF THE ERISA RESTRICTED SECURITIES ISSUED BY THE ISSUER, 100% OF THE ASSETS OF THE ENTITY OR FUND WILL BE TREATED AS "PLAN ASSETS".

ERISA and the regulations promulgated thereunder are technical. Accordingly, if you have any question regarding whether you may be an entity described in this Section 2, you should consult with your counsel.

3. ☐ **Insurance Company General Account**. We, or the entity on whose behalf we are acting, are an insurance company purchasing ERISA Restricted Securities with funds from our or their general account (*i.e.*, the insurance company's corporate investment portfolio), whose assets, in whole or in part, constitute "plan assets" for purposes of the Plan Asset Regulations.

5. **No Prohibited Transaction**. If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of ERISA Restricted Securities do not and will not constitute or give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

6. **No Violation of Similar Law and Not Subject to Other Plan Law**. If we are a governmental, church, non-U.S. or other plan, we represent, warrant and agree that (i) our acquisition, holding and disposition of the ERISA Restricted Securities do not and will not constitute or result in a non-exempt violation of any state, local, other federal or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code and (ii) we are not, and for so long as we hold such ERISA

Restricted Securities (or any interest therein) will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in the ERISA Restricted Securities (or any interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any state, local, other federal or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.

7. **Controlling Person**. "Affiliate" shall have the meaning set forth in the Plan Asset Regulations. Any of the persons described in the first sentence of this Section (7) is referred to in this Certificate as a "Controlling Person".

Note: We understand that, for purposes of determining whether Benefit Plan Investors hold less than 25% of the value of each class of the ERISA Restricted Securities, the value of any ERISA Restricted Securities held by Controlling Persons (other than Benefit Plan Investors) are required to be disregarded.

8. **Compelled Disposition**. We acknowledge and agree that:

(i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% Limitation, the Issuer shall, promptly after such discovery (or upon notice from the Trustee if the Trustee makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to us demanding that we transfer our interest to a person that is not a Non-Permitted ERISA Holder within 7 days after the date of such notice;

(ii) if we fail to transfer our ERISA Restricted Securities, the Issuer shall have the right, without further notice to us, to sell such ERISA Restricted Securities or our interest in such ERISA Restricted Securities, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;

(iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to such ERISA Restricted Securities and selling such securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

(iv) by our acceptance of an interest in ERISA Restricted Securities, we agree to cooperate with the Issuer to effect such transfers;

(v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and

9. **Fiduciary Representation**. If we are, or are acting on behalf of, a Benefit Plan Investor, we represent, warrant and agree that (i) none of the Transaction Parties or any of their respective affiliates has provided and none will provide any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary") in connection with its decision to invest in, hold or dispose of the ERISA Restricted Securities, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Fiduciary in connection with its acquisition of ERISA Restricted Securities, and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the ERISA Restricted Securities.

10. **Required Notification and Agreement**. We hereby agree that we (a) will inform the Trustee or Fiscal Agent, as applicable, of any proposed transfer by us of all or a specified portion of ERISA Restricted Securities and (b) will not initiate any such sale or transfer after we have been informed by the Issuer or the Transfer Agent in writing that such transfer would cause the 25% Limitation to be exceeded. We hereby agree and acknowledge that after the Trustee effects any permitted transfer of ERISA Restricted Securities owned by us to a Benefit Plan Investor or a Controlling Person or receives notice of any such permitted change of status, the Trustee shall include such ERISA Restricted Securities in future calculations of the 25% Limitation unless subsequently notified that such ERISA Restricted Securities (or such portion), as applicable, would no longer be deemed to be held by Benefit Plan Investors or Controlling Persons.

11. **Continuing Representation; Reliance**. We acknowledge and agree that the representations, warranties and agreements contained in this Certificate shall be deemed made on each day from the date we make such representations, warranties and agreements through and including the date on which we dispose of our interests in the ERISA Restricted Securities. We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Trustee to determine that Benefit Plan Investors own or hold less than 25% of the value of each Class of the ERISA Restricted Securities upon any subsequent transfer of ERISA Restricted Securities in accordance with the Indenture or the Fiscal Agency Agreement, as applicable.

12. **Further Acknowledgement and Agreement**. We acknowledge and agree that (i) all of the representations, warranties, agreements and assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Placement Agent, the Initial Purchaser and the Portfolio Manager as third-party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Trustee, the Placement Agent, the Initial Purchaser, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of ERISA Restricted Securities by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.

10. It will treat the Issuer, the Co-Issuer, and the Securities as described in the Offering Circular under the heading "*Certain U.S. Federal Income Tax Considerations*" for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

11. It will timely furnish the Issuer or its agents any tax forms or certifications (including, without limitation, IRS Form W-9, an applicable IRS Form W-8 (together with appropriate attachments), or any successors to such IRS forms) that the Issuer or its agents may reasonably request in order to (A) make payments to the purchaser without, or at a reduced rate of, deduction or withholding, (B) qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) satisfy reporting and other obligations under the Code and Treasury regulations or under any other applicable law, and shall update or replace such tax forms and certifications as appropriate or in accordance with their terms or subsequent amendments. It further acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to such purchaser, or to the Issuer. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to a purchaser by the Issuer.

In the event it fails to provide such information or documentation, or to the extent that its ownership of the Securities would otherwise cause the Issuer or any non-U.S. Issuer Subsidiary to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Transferee as compensation for any Tax imposed under FATCA as a result of such failure or such ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or such ownership, the Issuer will have the right to compel the Transferee to sell its Securities and, if it does not sell its Securities within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Securities at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to it as payment in full for such Securities. The Issuer may also

assign each such Security a separate securities identifier in the Issuer's sole discretion. It further agrees that the Issuer, the Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Securities to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and any non-U.S. Issuer Subsidiary complies with FATCA, the Cayman Islands Tax Information Authority and the CRS and for the Issuer to achieve AML Compliance.

14. It will provide the Issuer and the Trustee and their agents with a properly completed and executed self-certification form (in form and substance acceptable to the Issuer), and will update any information contained therein in the event that any such information becomes incorrect.

15.
