**Invitation to Cochlear's 2021 Annual General Meeting**

**Dear Shareholder**

I am pleased to invite you to Cochlear's 2021 Annual General Meeting (AGM) which will be held as a virtual meeting on Tuesday 19 October 2021 at 10:00am (AEDT).

In light of the continued uncertainty with current lockdowns and Government restrictions on travel and gathering, and the potential health risks to our shareholders, Cochlear will again host this year's AGM virtually. Shareholders will not be able to physically attend the 2021 AGM but will instead be able to watch and attend the meeting online.

We acknowledge that virtual meetings might cause disappointment for some shareholders; however, we will do our best to ensure an orderly and effective meeting.

You will be able to use your computer or mobile device through the Lumi online platform to submit written questions to the Chair and vote on resolutions. A telephone line will also be available to pre-registered shareholders to ask questions orally during the meeting. Further information on how to attend the AGM virtually is set out in the Notice of Annual General Meeting and on our Cochlear website at <https://www.cochlear.com/intl/about/investor/annual-general-meeting>.

The formal business to be dealt with at the AGM is set out in the Notice of Annual General Meeting, which also includes the explanatory notes and the Board's voting recommendations.

We invite shareholders to submit questions and comments in advance of the meeting on the enclosed Questions from Shareholders form. If you will not be able to attend the AGM online, you are encouraged to vote directly or appoint someone to attend and vote on your behalf as your proxy. Instructions on how to vote directly or appoint a proxy are set out in the enclosed Proxy/Voting Form.

Direct votes or proxy/voting forms must be received by 10:00am (AEDT) on Sunday 17 October 2021 to be valid for the meeting. Your proxy may be appointed in a variety of ways as described in the Notice of Annual General Meeting under 'Proxies'.

The AGM will be webcast live on Cochlear's website, [www.cochlear.com](http://www.cochlear.com). Also available on our website is:

# Explanatory Notes

## Item 1. Financial and other reports

As required by section 317 of the Corporations Act 2001 (Cth) (Act), the Company's Financial report, the Directors' report and the Auditor's report for the financial year ended 30 June 2021 (FY21) will be laid before the AGM. There is no requirement for a formal resolution on this Item; however, it is the Company's practice to do so.

### **Resolution 1.1 – directors' recommendation**

The Directors recommend that shareholders vote in favour of the resolution.

The Chair intends to vote all available proxies in favour of the resolution.

## Item 2. Remuneration report

As required by section 250R(2) of the Act, a resolution that the Remuneration report of the Company for FY21 be adopted will be put to a vote. The Remuneration report is contained in the Directors' report in the Company's 2021 Annual Report. The Annual Report is available on the Company's website ([www.cochlear.com](http://www.cochlear.com)).

The Remuneration report explains the structure of and policy behind the Company's remuneration practices and the link between the remuneration of executives and the Company's performance. The Remuneration report also sets out remuneration details for each director and for KMP. A reasonable opportunity will be provided for discussion of the Remuneration report at the AGM. Although there is a requirement for a formal resolution on this Item, by operation of section 250R(3) of the Act, the resolution is advisory only and does not bind the directors or the Company.

The Board believes Cochlear's approach to Board and executive KMP remuneration is a balanced, fair and equitable approach. The Company's executive remuneration practices are designed to reward and motivate a successful and experienced executive team to deliver ongoing business growth which meets the expectations of all shareholders. The Board welcomes feedback from shareholders on Cochlear's remuneration practices.

### **Resolution 2.1 – directors' recommendation**

The Non-executive Directors recommend that shareholders vote in favour of the resolution.

Ms Alison Deans and Mr Glen Boreham, AM are retiring at this AGM and standing for re-election in accordance with Rule 8.1(d).

Pursuant to Rule 8.1(b) of the Company's Constitution, the directors have the power to appoint any person as a director, either as an addition to the existing directors or to fill a casual vacancy. In accordance with Rules 8.1(c) and Rule 8.1(f), any person appointed as a director pursuant to Rule 8.1(b) (excluding the Managing Director, namely Mr Dig Howitt) must submit him or herself for election no later than at the next AGM following his or her appointment. Ms Christine McLoughlin, AM was appointed by the Board as a director of the Company with effect from 1 November 2020. ## **Item 4. Approval of securities to be granted to the CEO & President under the Cochlear Equity Incentive Plan**

### ***Why is shareholder approval being sought?***

The Cochlear Equity Incentive Plan (CEIP) requires that any shares to be delivered to a director upon the exercise of options or performance rights that are issued under the CEIP after 21 July 2015 must be existing shares acquired on the market. Accordingly, an exception to Australian Securities Exchange (ASX) Listing Rule 10.14 applies. Notwithstanding this, the Company intends to seek approval for the grant of CEIP long-term incentive (LTI) awards to the CEO & President as it is the Company’s practice to do so and for good corporate governance.

If shareholder approval is not obtained, then, subject to the achievement of the performance conditions described in these explanatory notes, Mr Howitt will receive a cash payment at the end of the four (4) year performance period in August 2025 equivalent in value to the LTI he would have received had shareholder approval been obtained.

### ***Terms of the CEIP LTI***

***Purpose:*** The CEIP LTI is designed to reward participants for the long-term growth of the Company.

***Structure:*** For the financial year ending 30 June 2022 (FY22), Mr Dig Howitt receives a combination of 50% options and 50% performance rights (being rights to subscribe for or be allocated or receive the transfer of ordinary shares in the Company).

The CEIP rules permit the Company to satisfy its obligation to deliver shares under options or performance rights through an employee share trust.

Each option or performance right entitles Mr Howitt to receive the transfer of one ordinary share in the capital of the Company, subject to certain vesting restrictions.

Approval is being sought from shareholders for the FY22 grant of options and performance rights to Mr Howitt under the CEIP LTI. If shareholders approve the grant of options and performance rights to Mr Howitt in accordance with the proposed resolution, the Company will issue the options and performance rights within five (5) business days of the Company’s 2021 AGM.

The Company uses options and performance rights because they create long-term alignment between the interests of the Company’s executives and ordinary shareholders but do not provide the executives with the full benefits of share ownership (such as dividend and voting rights) unless and until the options and

performance rights vest. Options and performance rights are also used to incentivise the Company's executive team towards long-term sustainable growth of the business.

The options will be granted for nil consideration with an exercise price of A\$232.52, being the weighted average price of ordinary shares in the Company traded on the ASX during the five (5) business day period commencing the business day after the release of the Company's FY21 full year results on 20 August 2021, payable on exercise of the options.

Performance rights are granted for nil consideration with a nil exercise price.

#### **Mr Howitt's total remuneration package for FY22**

Mr Howitt's total remuneration package for FY22 includes:

Fixed remuneration	A\$1,952,799
Target short-term incentive	A\$1,900,000
Maximum long-term incentive	A\$2,375,000

Shareholders are referred to the Remuneration report for full details of Mr Howitt's remuneration.

#### **Other information**

Mr Howitt is the only director entitled to participate in the CEIP.

Mr Howitt has previously received 128,007 options (for nil consideration) and 14,271 LTI performance rights (at no cost) under the CEIP from and including FY18 when he was appointed as a Director.

There is no loan in relation to the options or performance rights.

Details of any securities issued under the CEIP will be published in the Company's 2022 Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of shares under the CEIP after this resolution is approved and who are not named in this Notice of Annual General Meeting will not participate until approval is obtained under that rule.

**Vesting restrictions:** The options and performance rights are subject to vesting restrictions, which will ultimately determine the final number of options and performance rights which will be exercisable. The relevant vesting restrictions for the FY22 offers are:

- (a) the options and performance rights will not vest before the full year results are announced in 2025. Mr Howitt will be unable to exercise the options and

performance rights before they vest unless the Board decides to allow early exercise pursuant to the CEIP rules. Should Mr Howitt cease to be an employee of Cochlear or a related body corporate due to termination for cause or resignation, all unvested options and performance rights will lapse. If cessation occurs for any other reason, the unvested options and performance rights will remain on foot and will be tested in the ordinary course. In each case, the Board has discretion to determine otherwise; and

- (b) the performance of the Company from 1 July 2021 to 30 June 2025 in terms of compound annual growth in basic earnings per share (EPS) and in terms of relative total shareholder return (TSR) as measured against the ASX 100 comparator group, each according to the table set out below. Half of the offer will be assessed against basic EPS growth and the other half using relative TSR, as follows:

Compound annual growth rate of basic EPS over the four (4) year vesting period		Ranking of TSR against ASX 100 comparator group over the four (4) year vesting period	
Performance	% vesting	Performance	% vesting
< 7.5%	0%	< 50 <sup>th</sup> percentile	0%
7.5% to 12.5%	50% to 100% (pro-rata)	50 <sup>th</sup> to 75 <sup>th</sup> percentile	40% to 100% (pro-rata)
> 12.5%	100%	> 75 <sup>th</sup> percentile	100%

#### **Calculation of the number of securities to be granted to Mr Howitt under the CEIP LTI for FY22**

##### **Assumptions:**

The value of the offer is A\$2,375,000, which is 125% of Mr Howitt's base salary in FY22.

- (a) The Company has received an independent valuation of options and performance rights using the Black-Scholes-Merton model to estimate the 'gross contract value' of each security as at 27 August 2021 with a closing share price of A\$226.85. The 'gross contract value' discounts for dividends not paid, share price volatility and the risk free rate of return. There is no discount for the likelihood of service or performance conditions. The value of an option is defined below and is A\$54.45. The value of a performance right is defined below and is A\$222.32.
- (b) The number of options and performance rights to be granted is calculated as:

Total value of offer (TVO)	A\$2,375,000
Components	Options and performance rights
Option value (OV)	A\$54.45
Performance right value (PV)	A\$222.32
Number of options and performance rights	$= \frac{TVO \times 50\%}{OV} + \frac{TVO \times 50\%}{PV}$
	$= \frac{A\$1,187,500}{A\$54.45} + \frac{A\$1,187,500}{A\$222.32}$
	= 21,808 options and 5,341 performance rights

where:

TVO = the total value of the offer made to the participant under the CEIP LTI (expressed in Australian dollars), which is a percentage of fixed remuneration of the participant;

OV = the value of an option, based on the Black-Scholes-Merton value before service or EPS and TSR performance discounts; and

PV = the value of a performance right, based on the Black-Scholes-Merton value before service or EPS and TSR performance discounts.

Exercise price (options)	A\$232.52
Exercise price (performance rights)	Nil
Expected volatility (options)	30.87%
Expected volatility (performance rights)	32.01%
Expected contract life (options)	4.42 years
Expected contract life (performance rights)	3.84 years
Expected dividend yield	0.51%
Risk free interest rate	0.30%

#### Other terms of the CEIP

**Eligibility:** Persons who are permanent full-time or part-time employees of the Company or a related body corporate of the Company are Eligible Employees.

**Allocation:** The CEIP is administered by the Board. Each year, the Board may decide to offer designated Eligible Employees the opportunity to participate in the CEIP. The number of options and/or performance rights to be offered to a participant depends upon the participant's salary and the Company's target remuneration package for the participant's position.

The Board has determined that any options or performance rights that do not vest will lapse or be forfeited automatically.

**Exercise:** Upon vesting of options, a participant may exercise options by providing to the Company's Share

Registry a Notice of Exercise Form – CEIP Options and effect payment of the exercise price by:

- paying to the Company, in immediately available funds, an amount equal to the exercise price multiplied by the number of options being exercised; or
- cashless exercise, in which the participant elects to receive a reduced number of shares reflecting the 'net' value of the options at the time of exercise in lieu of paying the exercise price of options to Cochlear. The number of shares issued to a participant that elects to exercise options granted to them under the CEIP using the cashless exercise mechanism will be determined according to the following formula:

$$A = \frac{B \times (C - D)}{C}$$

where:

A = the total number of fully paid Cochlear shares to be issued upon cashless exercise of vested options;

B = the number of fully paid Cochlear shares otherwise issuable upon the vested options being exercised;

C = volume weighted average price of Cochlear shares sold on the ASX in the five (5) business days up to and including the day before Cochlear's Share Plan Administrator receives the Notice of Exercise Form – CEIP Options; and

D = the exercise price otherwise payable per option.

**Rights:** Option and performance right holders will not be entitled to any dividend payments until the options or performance rights are vested and exercised.

**Discretion to pay cash:** The Board may elect to satisfy its obligations on exercise of options or performance rights by making a cash payment to the participant of an amount equivalent in value to the number of securities the participant would otherwise be entitled to on exercise of the options or performance rights.

**Additional conditions:** All participants will be bound by the applicable plan rules. A participant must exercise their options within seven months after the date of vesting; otherwise, the options will lapse. Performance rights will be exercised automatically on vesting. The shares delivered on exercise of options or performance rights will be held by an employee share trust until withdrawn by participants. While participants are employees of the Company, they must abide by the Company's Trading Policy (available in the 'Investor' section of [www.cochlear.com](http://www.cochlear.com) under Corporate Governance).

It is a specific condition of grant that no schemes are entered into by an individual or their associates that specifically protect the unvested value of options or performance rights allocated.

**Plan limit:** An overall limit applies on the number of options and performance rights that are offered under the CEIP, being that the aggregate of the number of options and performance rights offered together with outstanding offers under the CEIP and the total number of shares issued to employees under employee incentive schemes in the last five years cannot exceed 5% of the total number of issued shares of the Company at the time of the offer.

**Overriding restrictions:** No options or performance rights may be offered under the CEIP if to do so would contravene the Act, the ASX Listing Rules, or instruments of relief issued by the Australian Securities and Investments Commission from time to time relating to the CEIP or employee incentive schemes generally.

**Administration:** The Board may amend, terminate or suspend the operation of the CEIP and/or any relevant CEIP rules at any time.

#### **Resolution 4.1 – directors' recommendation**

If a company (pursuant to section 204A of the Act) does not have a company secretary, a sole director can also sign alone. For your vote to be effective it must be received by **10:00am (AEDT) Sunday 17 October 2021**.

# Proxy/Voting Form

## How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

### VOTE DIRECTLY

**Voting 100% of your holding:** Mark either the For, Against or Abstain box opposite each item of business. Your vote will be invalid on an item if you do not mark any box OR you mark more than one box for that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement.

### APPOINTMENT OF PROXY

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

### SIGNING INSTRUCTIONS FOR POSTAL FORMS

**Joint Holding:** Where the holding is in more than one name, all of the securityholders must sign.
