SENSIENT TECHNOLOGIES CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS
(Unaudited)

1. *Accounting Policies*

In the opinion of Sensient Technologies Corporation (the Company), the accompanying unaudited consolidated condensed financial statements contain all adjustments (consisting of only normal recurring adjustments) that are necessary to present fairly the financial position of the Company as of September 30, 2024, and the results of operations, comprehensive income, and shareholders' equity for the three and nine months ended September 30, 2024 and 2023, and cash flows for the nine months ended September 30, 2024 and 2023. The results of operations for any interim period are not necessarily indicative of the results to be expected for the full year.

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Expenses are charged to operations in the period incurred.

Recently Issued Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, which will require the Company to disclose segment expenses that are significant and regularly provided to the Company's chief operating decision maker (CODM). In addition, this ASU will require the Company to disclose the title and position of its CODM and how the CODM uses segment profit or loss information in assessing segment performance and deciding how to allocate resources. This ASU is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. The Company will adopt this ASU in the fourth quarter of 2024 using a retrospective transition method.

In December 2023, the FASB issued ASU No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which will require the Company to disclose specified additional information in its income tax rate reconciliation and provide additional information for reconciling items that meet a quantitative threshold. This ASU will also require the Company to disaggregate its income taxes paid disclosure by federal, state, and foreign taxes, with further disaggregation required for significant individual jurisdictions. This ASU is effective for fiscal years beginning after December 15, 2024. The Company will adopt this ASU in the fourth quarter of 2025 using a prospective transition method.

Please refer to the notes in the Company's annual consolidated financial statements for the year ended December 31, 2023, for additional details of the Company's financial condition and a description of the Company's accounting policies, which have been continued without change.

2. *Portfolio Optimization Plan*

During the fourth quarter of 2023, the Board of Directors of the Company approved a plan to undertake an effort to optimize certain production facilities and improve efficiencies within the Company (Portfolio Optimization Plan). As part of the Portfolio Optimization Plan, in the Flavors & Extracts segment, the Company evaluated the closure of its manufacturing facility in Felinfach, Wales, United Kingdom, the closure of its sales office in Granada, Spain, and the centralization and elimination of certain selling and administrative positions. In addition, in the Color segment, the Company evaluated the closure of a manufacturing facility in Delta, British Columbia, Canada, the closure of a sales office in Argentina, and centralizing and eliminating certain production positions and selling and administrative positions. The Company reports all costs associated with the Portfolio Optimization Plan in the Corporate & Other segment.

The Company's Felinfach site will continue to operate until all production activities have successfully transferred to other locations, and then will be closed. The Company has substantially completed all other actions contemplated under the Portfolio Optimization Plan in accordance with local laws.

The Company recorded non-cash impairment charges in *Selling and Administrative Expenses*, primarily related to certain property, plant, and equipment during the nine months ended September 30, 2024, when the estimated fair value of these assets was lower than the carrying value. The property, plant, and equipment related to a product line that was shut down and determined to not be usable at other plant locations.

The Company recorded \$2.7 million and \$3.7 million of accrued liabilities in *Other Accrued Expenses* on the Company's Consolidated Balance Sheet related to the Portfolio Optimization Plan as of September 30, 2024 and December 31, 2023, respectively. The Company expects the Portfolio Optimization Plan will cost approximately \$40 million, of which \$33.6 million has been incurred through September 30, 2024, primarily related to non-cash impairment charges and proposed employee separation costs, and upon completion would reduce annual operating costs by approximately \$8 million to \$10 million, with the full benefit expected to be achieved after 2025. The Company anticipates it would reduce headcount by approximately 100 positions, primarily in the Flavors & Extracts and Color segments, related to certain production and selling and administrative positions.

The following table summarizes the Portfolio Optimization Plan expenses by segment for the three months ended September 30, 2024:

(In thousands)	Flavors & Extracts	Color	Corporate & Other	Consolidated

⁽¹⁾ Other costs include professional services, decommissioning costs, accelerated depreciation, accelerated lease costs, and other related costs.

3. Trade Accounts Receivable

Trade accounts receivables are recorded at their face amount, less an allowance for expected losses on doubtful accounts. The allowance for doubtful accounts is calculated based on customer-specific analysis and an aging methodology using historical loss information. The Company believes historical loss information is a reasonable basis for expected credit losses as the Company's historical credit loss experience correlates with its customer delinquency status. This information is also adjusted for any known current economic conditions. Forecasted economic conditions have not had a significant impact on the current credit loss estimate due to the short-term nature of the Company's customer receivables; however, the Company will continue to monitor and evaluate as economic conditions change. Additionally, as the Company only has one portfolio segment, there are not different risks between portfolios. Specific accounts are written off against the allowance for doubtful accounts when the receivable is deemed no longer collectible.

The following table summarizes the changes in the allowance for doubtful accounts during the three and nine month periods ended September 30, 2024 and 2023:

(In thousands)	Allowance for Doubtful Accounts

4. Inventories

At September 30, 2024, and December 31, 2023, inventories included finished and in-process products totaling \$415.4 million and \$437.1 million, respectively, and raw materials and supplies of \$165.4 million and \$161.3 million, respectively.

5. Debt

On August 30, 2024, the Company entered into Amendment No. 11 (Receivables Amendment) to the Receivables Purchase Agreement, dated as of October 3, 2016. The Receivables Amendment extended the termination date of the Receivables Purchase Agreement from August 30, 2024 to August 29, 2025.

On October 31, 2024, the Company entered into Amendment No. 1 (Loan Amendment) to the Loan Agreement with PNC Bank, N.A., dated as of November 7, 2022. The Loan Amendment extended the maturity date of the Loan Agreement from November 7, 2024 to November 7, 2025.

6. Fair Value

Accounting Standards Codification 820, *Fair Value Measurement*, defines fair value for financial assets and liabilities, establishes a framework for measuring fair value in GAAP, and expands disclosures about fair value measurements. The carrying values of the Company's cash and cash equivalents, trade accounts receivable, trade accounts payable, accrued expenses, and short-term borrowings were approximately the same as the fair values as of September 30, 2024 and December 31, 2023. The net fair value of the forward exchange contracts based on current pricing obtained for comparable derivative products (Level 2 inputs) was a liability of \$0.3 million and an asset of \$1.0 million as of September 30, 2024 and December 31, 2023, respectively. The fair value of the Company's long-term debt, including current maturities, is estimated using discounted cash flows based on the Company's current incremental borrowing rates for similar types of borrowing arrangements (Level 2 inputs). The carrying value of the long-term debt at September 30, 2024 and December 31, 2023 was \$625.8 million and \$645.2 million, respectively. The fair value of the long-term debt at September 30, 2024 and December 31, 2023 was \$638.4 million and \$653.7 million, respectively.

7. Segment Information

The Company evaluates performance based on operating income before share-based compensation; restructuring and other charges, including Portfolio Optimization Plan costs; interest expense; and income taxes (segment operating income). Total revenue and segment operating income by business segment and geographic region include both sales to customers, as reported in the Company's Consolidated Statements of Earnings, and intersegment sales, which are accounted for at prices that approximate market prices and are eliminated in consolidation.

The Company determines its operating segments based on information utilized by its chief operating decision maker to allocate resources and assess performance. The Company's three reportable segments are the Flavors & Extracts and Color segments, which are both managed on a product line basis, and the Asia Pacific segment, which is managed on a geographic basis. 9. Derivative Instruments and Hedging Activity

The Company may use forward exchange contracts and foreign currency denominated debt to manage its exposure to foreign exchange risk in order to reduce the effect of fluctuating foreign currencies on short-term foreign currency denominated intercompany transactions, non-functional currency raw material purchases, non-functional currency sales, and other known foreign currency exposures. These forward exchange contracts generally have maturities of less than 18 months. The Company's primary hedging activities and their accounting treatment are summarized below.

Forward exchange contracts – Certain forward exchange contracts have been designated as cash flow hedges. The Company had \$24.3 million and \$58.4 million of forward exchange contracts designated as cash flow hedges outstanding as of September 30, 2024 and December 31, 2023, respectively. For the three and nine months ended September 30, 2024, the amounts reclassified into net earnings in the Company's Consolidated Statements of Earnings that offset the underlying transactions' impact on earnings in the same period were not material. For the three months ended September 30, 2023, a gain of \$0.8 million was reclassified into net earnings in the Company's Consolidated Statements of Earnings that offset the underlying transactions' impact on earnings in the same period. For the nine months ended September 30, 2023, a gain of \$1.4 million was reclassified into net earnings in the Company's Consolidated Statements of Earnings that offset the underlying transactions' impact on earnings in the same period. In addition, the Company utilizes forward exchange contracts that are not designated as cash flow hedges. The results of these transactions were not material to the financial statements of the Company.

Net investment hedges – The Company has designated certain foreign currency denominated long-term borrowings as partial hedges of the Company’s foreign currency net asset positions. As of September 30, 2024 and December 31, 2023, the total value of the Company’s net investment hedges was \$317.4 million and \$313.3 million, respectively. These net investment hedges included Euro and British Pound denominated long-term debt. Changes in the fair value of this debt attributable to changes in the spot foreign exchange rate are recorded in foreign currency translation in Other Comprehensive Income (OCI). For the three months ended September 30, 2024 and 2023, the impact of foreign exchange rates on these debt instruments increased debt by \$12.6 million and decreased debt by \$11.0 million, respectively, which has been recorded as foreign currency translation in OCI. For the nine months ended September 30, 2024 and 2023, the impact of foreign exchange rates on these debt instruments increased debt by \$4.1 million and decreased debt by \$2.8 million, respectively, which has been recorded as foreign currency translation in OCI.

10. Income Taxes

The effective income tax rates for the three months ended September 30, 2024 and 2023 were 23.7% and 17.5%, respectively. For the nine months ended September 30, 2024 and 2023, the effective income tax rates were 25.7% and 22.7%, respectively. The effective tax rates for the three and nine months ended September 30, 2024 and 2023, were impacted by changes in estimates associated with the finalization of prior year foreign tax items and the mix of foreign earnings. The effective tax rates for both the three and nine months ended September 30, 2024, were also impacted by the limited tax deductibility of costs related to the Portfolio Optimization Plan. The effective tax rates for both the three and nine months ended September 30, 2023, were also impacted by changes in valuation allowances.

Revenue was \$392.6 million and \$363.8 million for the three months ended September 30, 2024 and 2023, respectively. Revenue was \$1.2 billion and \$1.1 billion for the nine months ended September 30, 2024 and 2023, respectively. The increase in revenue for the three and nine months ended September 30, 2024 was primarily due to higher volumes and selling prices. LIQUIDITY AND FINANCIAL CONDITION

Financial Condition

The Company's financial position remains strong. The Company is in compliance with its loan covenants calculated in accordance with applicable agreements as of September 30, 2024. The Company expects its cash flow from operations and its existing debt capacity can be used to meet anticipated future cash requirements for operations, capital expenditures, and dividend payments, as well as potential acquisitions and stock repurchases. The Company's contractual obligations consist primarily of operational commitments, which we expect to continue to be able to satisfy through cash generated from operations and debt. The Company has various series of notes outstanding that mature from 2025 through 2029. The Company believes that it has the ability to refinance or repay these obligations through a combination of cash flow from operations, issuance of additional notes, and sufficient borrowing capacity under the Company's revolving credit facility, which matures in 2026.

As a result of our ability to manage the impact of inflation through pricing and other actions, the impact of inflation was not material to the Company's financial position and its results of operations for the three or nine months ended September 30, 2024. The Company has experienced increased costs for certain inputs, such as raw materials, shipping and logistics, and labor-related costs. We continue to expect to manage these impacts in the near term, but persistent, accelerated, or expanded inflationary conditions could exacerbate these challenges and impact our profitability.

Cash Flows from Operating Activities

Net cash provided by operating activities was \$135.8 million and \$106.8 million for the nine months ended September 30, 2024 and 2023, respectively. The increase in net cash from operating activities was primarily due to a decrease in cash used for performance-based compensation payments (which are determined based on prior year performance) made during 2024 compared to 2023 and an increase in cash provided by inventory during 2024 compared to 2023, partially offset by a decrease in cash provided by accounts receivable.

Cash Flows from Investing Activities

Net cash used in investing activities was \$37.2 million and \$65.6 million during the nine months ended September 30, 2024 and 2023, respectively. Capital expenditures were \$36.1 million and \$67.7 million during the nine months ended September 30, 2024 and 2023, respectively.

Cash Flows from Financing Activities

Net cash used in financing activities was \$75.1 million and \$36.4 million for the nine months ended September 30, 2024 and 2023, respectively. Net debt decreased by \$19.8 million and increased by \$23.5 million for the nine months ended September 30, 2024 and 2023, respectively. For purposes of the cash flow statement, net changes in debt exclude the impact of foreign exchange rates. Dividends of \$52.0 million and \$51.9 million were paid during the nine months ended September 30, 2024 and 2023, respectively. Total dividends of \$1.23 per share were paid for both the nine months ended September 30, 2024 and 2023.

Amendment to Term Loan

On October 31, 2024, the Company entered into Amendment No. 1 (the Amendment) to that certain Loan Agreement, by and between the Company and PNC Bank, National Association. The Amendment amends the Loan Agreement to, among other things, (i) extend the maturity date of the Loan Agreement to November 7, 2025, and (ii) set the margin on the borrowings, which was previously determined on the basis of the Company's leverage ratio, to a fixed rate. The borrowings under the Loan Agreement bear interest on the unpaid principal amount at the Eurocurrency Rate (defined as reserve-adjusted EURIBOR) plus such margin.

FIRST AMENDMENT TO LOAN AGREEMENT

This FIRST AMENDMENT TO LOAN AGREEMENT (this "Amendment") is dated as of October 31, 2024 and is by and among SENSIENT TECHNOLOGIES CORPORATION, a Wisconsin corporation (the "Company" or the "Borrower"), the financial institutions signatory hereto as lenders, and PNC BANK, NATIONAL ASSOCIATION, a national banking association, as administrative agent (in such capacity, the "Administrative Agent").

Unless otherwise indicated, all capitalized terms used herein and not otherwise defined shall have the respective meanings provided such terms in the Loan Agreement referred to below.

WITNESSETH:

WHEREAS, the Company, the financial institutions party thereto (the "Lenders") and the Administrative Agent are parties to a certain Loan Agreement dated as of November 7, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement");

WHEREAS, each of the Lenders and the Administrative Agent entered into Assignment and Assumption Agreements whereby the Administrative Agent irrevocably purchased and assumed all of the rights and obligations under the Loan Agreement from each of the other Lenders; and

WHEREAS, the Company, the Administrative Agent and the sole Lender wish to amend the Loan Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the premises set forth above, the terms and conditions contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Amendments to Loan Agreement. Upon the First Amendment Effective Date (as defined below), the Loan Agreement is hereby amended as follows:

(a) The definition of "Applicable Margin" in Section 1.01 of the Loan Agreement is hereby deleted in its entirety.

(b) The definition of "Applicable Period" in Section 1.01 of the Loan Agreement is hereby deleted in its entirety.

(c) The definition of "Base Rate Margin" in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

"Base Rate Margin" means 0.125%.

(d) The definition of "Calculation Date" in Section 1.01 of the Loan Agreement is hereby deleted in its entirety.

(e) The definition of "Daily Simple SOFR" in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

“Daily Simple SOFR” means, for any day (a “SOFR Rate Day”), the interest rate per annum determined by the Administrative Agent (rounded upwards, at the Administrative Agent’s discretion, to the nearest 1/100th of 1%) equal to SOFR for the day (the “SOFR Determination Date”) that is 2 Business Days prior to (i) such SOFR Rate Day if such SOFR Rate Day is a Business Day or (ii) the Business Day immediately preceding such SOFR Rate Day if such SOFR Rate Day is not a Business Day, in each case, as such SOFR is published by the Federal Reserve Bank of New York (or a successor administrator of the secured overnight financing rate) on the website of the Federal Reserve Bank of New York, at <http://www.newyorkfed.org>, or any successor source identified by the Federal Reserve Bank of New York or its successor administrator for the secured overnight financing rate from time to time. If Daily Simple SOFR as determined above would be less than the Floor, then Daily Simple SOFR shall be deemed to be the Floor. If SOFR for any SOFR Determination Date has not been published or replaced with a Benchmark Replacement by 5:00 p.m. (Pittsburgh, Pennsylvania time) on the second Business Day immediately following such SOFR Determination Date, then SOFR for such SOFR Determination Date will be SOFR for the first Business Day preceding such SOFR Determination Date for which SOFR was published in accordance with the definition of “SOFR”; provided that SOFR determined pursuant to this sentence shall be used for purposes of calculating Daily Simple SOFR for no more than 3 consecutive SOFR Rate Days. If and when Daily Simple SOFR as determined above changes, any applicable rate of interest based on Daily Simple SOFR will change automatically without notice to the Borrower, effective on the date of any such change.

(f) The definition of “EURIBOR Rate” in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

“EURIBOR Rate” means the rate per annum equal to the Euro Interbank Offered Rate as administered by the European Money Markets Institute (or any other person that takes over the administration of such rate) for a period equal in length to the applicable interest period (one (1), three (3) or six (6) months), as displayed on the applicable Bloomberg page (or on any successor or substitute page or service providing such quotations as determined by the Administrative Agent from time to time) at approximately 11:00 a.m. (Brussels time) two (2) business days prior to the commencement of such interest period; provided, that if by such time the EURIBOR Rate in respect of such day has not been so published, or if such day is not a business day, then the EURIBOR Rate for such day will be the EURIBOR Rate as published in respect of the first preceding business day for which such EURIBOR Rate was published thereon; provided further that any EURIBOR Rate so determined based on the first preceding business day shall be utilized for purposes of calculation of the EURIBOR Rate for no more than three (3) consecutive business days (any such day, collectively, the “EURIBOR Lookback Day”).

(g) The definition of “Eurocurrency Rate Margin” in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

“Eurocurrency Rate Margin” means 1.125%.

(h) The definition of “Maturity Date” in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

“Maturity Date” means November 7, 2025.

(i) The definition of “Percentage” in Section 1.01 of the Loan Agreement is hereby amended and restated in its entirety to read as follows:

“Percentage” means, with respect to each Lender, the ratio of (a) that Lender’s Term Loan Commitment, to (b) the Aggregate Term Loan Commitment Amount. For purposes of this definition only, following the advance of the Term Loan, each Lender’s Percentage shall be deemed to be the portion (on a percentage basis) of the Term Loan held by such Lender.

(j) Article I of the Loan Agreement is hereby amended by adding a new Section following Section 1.6 to read in its entirety as follows:

Section 1.7 Benchmark Replacement Notification; Rates.

Section 2.13(1) of this Agreement provides a mechanism for determining an alternative rate of interest in the event that any Benchmark is no longer available or in certain other circumstances. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of or calculation of, or any other matter related to, any Benchmark, or any component definition thereof or rates referred to in the definition thereof, or any alternative or successor rate thereto, or replacement rate therefor (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, such Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of any Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower or any other person or entity. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any Benchmark, any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 5.3 Compliance with Laws.

The Company will, and will cause each Subsidiary to, comply with the requirements of applicable laws and regulations, the non-compliance with which would effect a Material Adverse Change. In addition, and without limiting the foregoing sentence, the Company will (a) ensure, and cause each Subsidiary to ensure, that no Person who owns a controlling interest in or otherwise controls the Company or any Subsidiary is or shall be a Sanctioned Person, (b) not use or permit the use of the proceeds of the Term Loan in a manner inconsistent with the second sentence of Section 4.20 and not repay the Term Loans with funds derived from any unlawful activity and (c) comply, and cause each Subsidiary to comply, with all Anti-Terrorism Laws in all material respects.

2. Representations and Warranties. The Company hereby represents and warrants that:

(a) The execution, delivery and performance by the Company of this Amendment have been duly authorized by all necessary corporate or other organizational action and do not and will not (a) require any consent or approval of the equityholders of the Company, or any authorization, consent, approval, order, filing, registration or qualification by or with any governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, other than those consents described in Schedule 4.2 of the Loan Agreement, each of which has been obtained and is in full force and effect, (b) violate any provision of any law, rule or regulation (including Regulation X of the Board of Governors of the Federal Reserve System and Section 7 of the Exchange Act or any regulation promulgated thereunder) or of any order, writ, injunction or decree presently in effect having applicability to the Company or of the Organizational Documents of the Borrower, (c) result in a breach of or constitute a default under any indenture or loan or credit agreement or any other material agreement, lease or instrument to which the Company or any Subsidiary is a party or by which it or its properties may be bound or affected, or (d) result in, or require, the creation or imposition of any Lien or other charge or encumbrance of any nature upon or with respect to any of the properties now owned or hereafter acquired by the Company or any Subsidiary.

(b) This Amendment has been duly executed and delivered by the duly authorized officers of the Company and constitutes the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its respective terms, except to the extent that such enforcement may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by general equitable principles.

(c) Both immediately before and immediately after giving effect to this Amendment, the representations and warranties contained in Article IV of the Loan Agreement are correct in all material respects (or correct in all respects, if any such representation and warranty is qualified by materiality or reference to Material Adverse Change), except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties are correct in all material respects (or correct in all respects, if any such representation and warranty is qualified by materiality or reference to Material Adverse Change) as of such earlier date.

(d) Immediately before and immediately after giving effect to this Amendment, no event has occurred and is continuing, or would result from this Amendment, which constitutes a Default or an Event of Default.

3. Effectiveness. This Amendment shall become effective, and the “First Amendment Effective Date” shall be deemed to have occurred, upon the occurrence or satisfaction of each of the events and conditions below:

(a) the execution and delivery hereof by the Company, the Administrative Agent and the Required Lenders;

(b) the Administrative Agent shall have received, in form and substance satisfactory to it:

(i) a certificate of the secretary or an assistant secretary of the Company (i) certifying that the execution, delivery and performance of the Amendment and other documents contemplated hereunder have been duly approved by all necessary action of the Governing Board of the Company (or the Finance Committee thereof, if such committee is authorized to act on behalf of the Governing Board of the Company), and attaching true and correct copies of the applicable resolutions granting such approval, (ii) certifying that attached to such certificate are true and correct copies of the Organizational Documents of the Company, together with such copies (or a certification that no modifications have been made to such Organizational Documents since the date last delivered to the Administrative Agent), and (iii) certifying the names of the officers of the Company who are authorized to sign the Amendment and other documents contemplated hereunder, together with the true signatures of such officers (or a certification that there have been no changes to the officers of the Company since the Closing Date);

(ii) a certificate of good standing of the Company from the Secretary of State of its jurisdiction of incorporation, dated not more than thirty days before the First Amendment Effective Date;

(iii) such other documents (including “know your customer” information) as the Administrative Agent or the Required Lenders may reasonably deem necessary or advisable in connection with the Term Loan; and

(iv) a Beneficial Ownership Certification in relation to the Company (or a certification that the Company qualifies for an express exclusion from the “legal entity customer” definition under the Beneficial Ownership Regulation) to any Lender requesting the same; and

(c) The Company shall have paid all fees and expenses of the Administrative Agent required to be paid as of the First Amendment Effective Date under this Amendment, including fees of counsel for the Administrative Agent for which a statement has been received.

4. References, Effect, Etc. Upon the effectiveness of this Amendment, each reference to the Loan Agreement in the Loan Agreement or any other Loan Document shall mean and be a reference to the Loan Agreement as modified by this Amendment. For the avoidance of doubt, this Amendment constitutes a Loan Document.

5. Estoppel, Acknowledgement and Reaffirmation. As of the date hereof, the aggregate outstanding principal amount of the Term Loan is €75,000,000 and PNC Bank, National Association is the sole Lender with respect to the Term Loan and holds the entire outstanding principal amount thereof. The Borrower hereby acknowledges and reaffirms its obligations under the Loan Documents and agrees that this Amendment shall in no manner impair or otherwise adversely affect such obligations, except as explicitly set forth herein.

6. No Waiver. The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Administrative Agent or the Lenders, nor constitute a waiver of or consent to any provision of the Loan Agreement or any other Loan Documents executed and/or delivered in connection therewith.

7. Counterparts. This Amendment may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Amendment by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Amendment.

8. Governing Law. THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

9. Headings. Section headings in this Amendment are included herein for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.
