If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

1. Text of the Proposed Rule Change

- (a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b-4 thereunder,² NYSE American LLC (“NYSE American” or the “Exchange”) proposes to amend NYSE American Rule 7.13E to remove references to the Chair of the Board.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and the text of the proposed rule change is attached as Exhibit 5.

- (b) The Exchange does not believe that the proposed rule change will have any direct effect, or any significant indirect effect, on any other Exchange rule in effect at the time of this filing.
- (c) Not applicable.

2. Procedures of the Self-Regulatory Organization

Senior management has approved the proposed rule change pursuant to authority delegated to it by the Board of the Exchange. No further action is required under the Exchange’s governing documents. Therefore, the Exchange’s internal procedures with respect to the proposed rule change are complete.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

- (a) Purpose

The Exchange proposes to amend NYSE American Rule 7.13E (Trading Suspensions) to remove references to the Chair of the Board of Directors of the Exchange (“Board”).

Under current Rule 7.13E,³ the Chair of the Board or the chief executive officer of the

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The current text of Rule 7.13E was adopted in 2017 to harmonize the Exchange’s rules with those of its affiliate NYSE Arca, Inc. See Securities and Exchange Act Release No. 80590 (May 4, 2017), 82 FR

Exchange (the “CEO”), or the officer designee of the Chair or the CEO, has the power to suspend trading on any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest. No such action shall continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension.

The Exchange believes that it is advisable to remove the references to the Chair in Rule 7.13E because the Chair has not acted under Rule 7.13E since the rule was adopted and the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule.

Moreover, the proposed changes to Rule 7.13E would make it substantially similar to the rule text governing Trading Suspensions currently in place on the Exchange’s affiliate the New York Stock Exchange LLC (“NYSE”) in its Rule 7.13.⁴ The proposed changes to Rule 7.13E therefore would harmonize the Exchange’s rules with those of its affiliate NYSE and provide for consistent authority to suspend trading across the Exchange and the NYSE.

To effectuate the change, the first sentence of the Rule would be amended as follows (proposed deletions bracketed):

The [Chair of the Board or the] CEO, or the officer designee of [the Chair or] the CEO, shall have the power to suspend trading in any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest.

The requirement that no such action continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension, would remain. No other changes to Rule 7.13E are proposed.

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(1)⁶ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its exchange members

⁴ The difference is that the NYSE rule uses “trading on the Exchange” instead of “traded on the Exchange.” See Securities and Exchange Act Release No. 101477 (October 30, 2024), 89 FR 87917 (November 5, 2024) (SR-NYSE-2024-58) (Order Approving a Proposed Rule Change to Amend NYSE Rule 7.13).

and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. In addition, the Exchange believes that the proposed rule change is designed to provide fair procedures for the denial of membership to any person seeking Exchange membership, the barring of any person from becoming associated with a member, and the prohibition or limitation by the Exchange of any person with respect to access to services offered by the Exchange or a member thereof, consistent with the objectives of Section 6(b)(7)⁸ and Section 6(d)(2)⁹ of the Act.

The proposed amendment would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Act, thereby furthering the objectives of Section 6(b)(1)¹⁰ of the Act. Amending Rule 7.13E to remove the references to the Chair would contribute to the orderly operation of the Exchange, as it would make Rule 7.13E more accurately reflect current practice, as the Chair has not acted under Rule 7.13E since the rule was adopted. It would also reflect the fact that the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule. At the same time, the Chair would continue to have an oversight role, since the requirement would remain that no suspension of trading continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension. Given that, the Board—including the Chair—would continue to oversee the length of time any suspension of trading made under the Rule would be in effect.

Because amended Rule 7.13E would more accurately reflect current practice while still giving the Chair an oversight role, the Exchange believes that the proposed change would be beneficial to both investors and the public interest, thereby promoting the maintenance of a fair and orderly market and the protection of investors and the public interest consistent with Section 6(b)(5) of the Act.¹¹ Moreover, the Exchange believes that the proposed change would remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, protect investors and the public interest because substantially similar authority to suspend trading already exists on the Exchange's affiliate NYSE, and therefore is not novel.

For the same reasons, the Exchange believes that the proposed changes would continue to provide fair procedures for the prohibition or limitation by the Exchange of any person

with respect to access to services offered by the Exchange consistent with the objectives of Section 6(b)(7)¹² and Section 6(d)(2)¹³ of the Act.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposal will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of Section 6(b)(8) of the Act.¹⁴ The proposed rule change is not intended to address competitive issues but rather is concerned solely with amending Rule 7.13E so that it more accurately reflects current practice and to make it substantially similar to NYSE Rule 7.13.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange believes that the proposal qualifies for immediate effectiveness upon filing as a "non-controversial" rule change in accordance with Section 19(b)(3)(A) of the Act¹⁵ and Rule 19b-4(f)(6) thereunder.¹⁶

The Exchange asserts that the proposed rule change (i) will not significantly affect the protection of investors or the public interest, (ii) will not impose any significant burden on competition, and (iii) by its terms, will not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate.

The Exchange believes the proposed amendment is non-controversial because it raises no novel issues and serves only to harmonize the Exchange's Rule 7.13E with NYSE Rule

¹³ 15 U.S.C. 78f(d)(2).

7.13. As such, it would provide for consistent authority to suspend trading across the Exchange and its affiliate NYSE. The proposed rule change would therefore not significantly affect the protection of investors or the public interest or impose any significant burden on competition.

The Exchange also believes that the proposed rule change would not adversely affect investors or the public interest as it would remove reference to the Chair, who is currently not required to act under Rule 7.13E, while still preserving the authority of the CEO or his or her officer designee to act under the rule when it would be in the public interest. It would make Rule 7.13E more accurately reflect current practice, as the Chair has not acted under Rule 7.13E since the rule was adopted. It would also reflect the fact that the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule. Moreover, the Chair and the Board would continue to have an oversight role, since the requirement would remain that no suspension of trading continue longer than two days, or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension.

The Exchange believes that the proposed rule change would not impose any significant burden on competition. The proposed rule change is not intended to address competitive issues but rather is concerned solely with amending Rule 7.13E so that it more accurately reflects current practice and to make it the substantially similar to NYSE Rule 7.13.

Accordingly, the Exchange believes that this rule change is eligible for immediately effective treatment under the Commission's current procedures for processing rule filings.¹⁷

For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4.¹⁸ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

(Release No. 34- ; File No. SR-NYSEAMER-2024-71)

[Date]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change to Amend NYSE American Rule 7.13E

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on November 8, 2024, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE American Rule 7.13E to remove references to the Chair of the Board. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE American Rule 7.13E (Trading Suspensions) to remove references to the Chair of the Board of Directors of the Exchange ("Board").

Under current Rule 7.13E,⁴ the Chair of the Board or the chief executive officer of the Exchange (the "CEO"), or the officer designee of the Chair or the CEO, has the power to suspend trading on any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest. No such action shall continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension.

The Exchange believes that it is advisable to remove the references to the Chair in Rule 7.13E because the Chair has not acted under Rule 7.13E since the rule was adopted and the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule.

Moreover, the proposed changes to Rule 7.13E would make it substantially similar to the rule text governing Trading Suspensions currently in place on the Exchange's affiliate the New

⁴ The current text of Rule 7.13E was adopted in 2017 to harmonize the Exchange's rules with those of its affiliate NYSE Arca, Inc. See Securities and Exchange Act Release No. 80590 (May 4, 2017), 82 FR 21843 (May 10, 2017) (SR-NYSEMKT-2017-01) (Order Granting Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1, To Adopt New Equity Trading Rules To Transition Trading on the Exchange From a Floor-Based Market With a Parity Allocation Model to a Fully Automated Market With a Price-Time Priority Model on the Exchange's New Trading Technology Platform, Pillar).

York Stock Exchange LLC (“NYSE”) in its Rule 7.13.⁵ The proposed changes to Rule 7.13E therefore would harmonize the Exchange’s rules with those of its affiliate NYSE and provide for consistent authority to suspend trading across the Exchange and the NYSE.

To effectuate the change, the first sentence of the Rule would be amended as follows (proposed deletions bracketed):

The [Chair of the Board or the] CEO, or the officer designee of [the Chair or] the CEO, shall have the power to suspend trading in any and all securities traded on the Exchange whenever in his or her opinion such suspension would be in the public interest.

The requirement that no such action continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves the continuation of such suspension, would remain. No other changes to Rule 7.13E are proposed.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(1)⁷ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule

⁵ The difference is that the NYSE rule uses “trading on the Exchange” instead of “traded on the Exchange.” See Securities and Exchange Act Release No. 101477 (October 30, 2024), 89 FR 87917 (November 5, 2024) (SR-NYSE-2024-58) (Order Approving a Proposed Rule Change to Amend NYSE Rule 7.13).

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(1).

change is consistent with Section 6(b)(5) of the Act,⁸ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. In addition, the Exchange believes that the proposed rule change is designed to provide fair procedures for the denial of membership to any person seeking Exchange membership, the barring of any person from becoming associated with a member, and the prohibition or limitation by the Exchange of any person with respect to access to services offered by the Exchange or a member thereof, consistent with the objectives of Section 6(b)(7)⁹ and Section 6(d)(2)¹⁰ of the Act.

The proposed amendment would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Act, thereby furthering the objectives of Section 6(b)(1)¹¹ of the Act. Amending Rule 7.13E to remove the references to the Chair would contribute to the orderly operation of the Exchange, as it would make Rule 7.13E more accurately reflect current practice, as the Chair has not acted under Rule 7.13E since the rule was adopted. It would also reflect the fact that the Exchange does not anticipate that an independent or non-employee Chair will have sufficient involvement in the day-to-day operations of the Exchange to act under the Rule. At the same time, the Chair would continue to have an oversight role, since the requirement would remain that no suspension of trading continue longer than two days or as soon thereafter as a quorum of Directors can be assembled, unless the Board approves

the continuation of such suspension. Given that, the Board—including the Chair—would continue to oversee the length of time any suspension of trading made under the Rule would be in effect.

Because amended Rule 7.13E would more accurately reflect current practice while still giving the Chair an oversight role, the Exchange believes that the proposed change would be beneficial to both investors and the public interest, thereby promoting the maintenance of a fair and orderly market and the protection of investors and the public interest consistent with Section 6(b)(5) of the Act.¹² Moreover, the Exchange believes that the proposed change would remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, protect investors and the public interest because substantially similar authority to suspend trading already exists on the Exchange's affiliate NYSE, and therefore is not novel.

For the same reasons, the Exchange believes that the proposed changes would continue to provide fair procedures for the prohibition or limitation by the Exchange of any person with respect to access to services offered by the Exchange consistent with the objectives of Section 6(b)(7)¹³ and Section 6(d)(2)¹⁴ of the Act.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposal will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of Section 6(b)(8) of the Act.¹⁵ The

proposed rule change is not intended to address competitive issues but rather is concerned solely with amending Rule 7.13E so that it more accurately reflects current practice and to make it substantially similar to NYSE Rule 7.13.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or

otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments:

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
