The TWSE "All-in-One Investment Knowledge Upgrade!" free online course will be available on August 30

To adapt to the digital trend and cater to the young generation, the TWSE cooperates with PressPlay Academy (PPA), an online course platform specializing in finance and business related courses, and NEWSVEG, a dedicated online course production company, to produce an online course "All-in-One Investment Knowledge Upgrade!"

The online course is free and will be available on the TWSE website and the PPA online course platform on Aug 30.
