2024 "AI Industry Chain" Investor Conferences Brought to a successful close

Taiwan Stock Exchange Corporation (TWSE) and SinoPac Securities Corp.co-hosted "AI Industry Chain" Investor Conferences from August 20 to August 22, 2024. During this week, Mr. Shihyu Chu, expert from MIC, delivered a keynote speech about Trend of AI, and a total of 6 listed companies presented their financial performances and prospects.

Investors interested in these conferences are welcome to watch VOD on the WebPro website (<https://webpro.twse.com.tw/WebPortal/vod/101/?categoryId=101>).

TWSE will continue to launch related events to make the information of companies more transparent to investors.

Mr. Shihyu Chu, expert from MIC, delivered a keynote speech about Trend of AI.

Enthusiastic participation of investors.
