## **Carlisle Companies Earns “Most Honored Company” Designation from Extel All-America Executive Team Rankings for the Second Straight Year**

*The Globally Renowned Journal Awards Carlisle in Seven out of Eight Categories*

SCOTTSDALE, ARIZONA, November 22, 2024 - [Carlisle Companies Incorporated](#) (NYSE:CSL), is proud to be recognized among the “Most Honored Companies” in Extel’s (formerly known as Institutional Investor) 2024 All-America Executive Team rankings. Carlisle received top rankings in 7 out of 8 categories in the large cap Homebuilding & Building Products industry and was awarded first place in several categories for the second year in a row.

“We are honored to be recognized by the investment community among a prominent group of the Most Honored Companies in America,” said Chris Koch, Chair, President and Chief Executive Officer. “Our Vision 2030 value creation strategy provides a compelling platform for us to clearly articulate Carlisle’s growth strategy, and we appreciate the recognition of our concerted effort to be transparent and engaging with investors and sell-side analysts.”

Extel is a highly-respected source for research rankings among top analysts and portfolio managers. Extel publishes its annual survey considered the industry benchmark for institutional investors, investment managers and sell-side analysts. A total of 3,703 members of the investment community voted in this year’s America Executive Team survey, nominating a total of 1,435 companies.

### **About Carlisle Companies Incorporated**

Carlisle Companies Incorporated is a leading supplier of innovative building envelope products and solutions for more energy efficient buildings. Through its building products businesses – Carlisle Construction Materials (“CCM”) and Carlisle Weatherproofing Technologies (“CWT”) – and family of leading brands, Carlisle delivers innovative, labor-reducing and environmentally responsible products and solutions to customers through the Carlisle Experience. Carlisle is committed to generating superior shareholder returns and maintaining a balanced capital deployment approach, including investments in our businesses, strategic acquisitions, share repurchases and continued dividend increases. Leveraging its culture of continuous improvement as embodied in the Carlisle Operating System (“COS”), Carlisle has committed to achieving net-zero greenhouse gas emissions by 2050.
