

## MYERS INDUSTRIES, INC.

Fourth Quarter \& Full Year 2018 Earnings Presentation

## Safe Harbor Statement \& Non-GAAP Measures

Statements in this presentation include "forward-looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995. Any statement that is not of historical fact may be deemed "forward-looking". Words such as "expect", "believe", "project", "plan", "anticipate", "intend", "objective", "outlook", "target", "goal", "view" and similar expressions identify forward-looking statements. These statements are based on management's current views and assumptions of future events and financial performance and involve a number of risks and uncertainties, many outside of the Company's control that could cause actual results to materially differ from those expressed or implied. Risks and uncertainties include: raw material availability, increases in raw material costs, or other production costs; risks associated with our strategic growth initiatives or the failure to achieve the anticipated benefits of such initiatives; unanticipated downturn in business relationships with customers or their purchases; competitive pressures on sales and pricing; changes in the markets for the Company's business segments; changes in trends and demands in the markets in which the Company competes; operational problems at our manufacturing facilities, or unexpected failures at those facilities; future economic and financial conditions in the United States and around the world; inability of the Company to meet future capital requirements; claims, Iitigation and regulatory actions against the Company; changes in laws and regulations affecting the Company; and other risks as detailed in the Company's 10-K and other reports filed with the Securities and Exchange Commission. Such reports are available on the Securities and Exchange Commission's public reference facilities and its website at www.sec.gov and on the Company's Investor Relations section of its website at www.myersindustries.com. Myers Industries undertakes no obligation to publicly update or revise any forward-looking statements contained herein. These statements speak only as of the date made.

The Company refers to certain non-GAAP financial measures throughout this presentation. Adjusted EPS, adjusted income per diluted share from continuing operations, adjusted operating income, adjusted gross profit, adjusted EBITDA and free cash flow are non-GAAP financial measures and are intended to serve as a supplement to results provided in accordance with accounting principles generally accepted in the United States. The Company believes that such information provides an additional measurement and consistent historical comparison of the Company's performance. A reconciliation of the non-GAAP financial measures to the most directly comparable GAAP measures is available in the appendix of this presentation.

## 2018 OVERVIEW

## Achievements

$\checkmark$ Generated annual free cash flow of $\$ 55.3 \mathrm{M}$ or $9.8 \%$ of sales, an increase of $28 \%$
" Net working capital $3.8 \%$ at year-end
$\checkmark$ Double-digit sales growth in our Food \& Beverage market, leading to an increase in net sales of 6.6\% in Material Handling and $3.6 \%$ overall
$\checkmark$ Launched new spout at Scepter expected to drive mid-single-digit growth in the Consumer market in 2019
$\checkmark$ Expanded our adjusted gross profit margin by 160 basis points to $31.8 \%$ as a result of:
» Strategic footprint realignment completed in 2017
" Pricing initiatives
" 80/20 and lean continuous improvement actions
$\checkmark$ Adjusted operating income increased by $28.5 \%$ and adjusted diluted EPS up 49\%
$\checkmark$ Successful secondary offering to reposition balance sheet to support future growth initiatives

## Challenges

- Distribution Segment underperformed to expectations
" Sales decline of 4.3\%, due to lower equipment and international sales
" Implementing a set of transformational actions designed to increase sales force effectiveness, reduce costs, and improve contribution margins
» Low-single-digit sales growth at Myers Tire Supply in Q4 2018
- $\quad$ Sales to RV customers declined at more rapid rate than anticipated
» Focusing on funnel of opportunities in adjacent markets
" Reviewing potential cost savings measures

## Working Capital as a \% of TTM Sales

## Distribution Segment Transformation

" Strategic initiatives focused on 3 key areas:

1) Shifting go-to-market strategy to enhance sales effectiveness
» Expanding strategic accounts team focused on large key accounts
" Building inside sales team to focus on smaller, harder to reach accounts
" Segmenting sales organization to better align with market buying behavior
» Enhancing and expanding e-commerce platform utilizing an improved digital storefront and marketplace sites
2) $80 / 20$ implementation and contribution margin improvement
» Further enhancing and simplify pricing structure
" Implementing new freight policies and practices to recover freight costs
» Supplier consolidation and product rationalization to simplify offering and reduce costs
3) Implementing logistics and overhead efficiency programs
" Optimizing distribution network to improve productivity and service levels
" Reducing SG\&A costs through initiatives such as discretionary spending cutbacks
Anticipated initiatives estimated to deliver \$5-\$7M in annualized benefits in 2020
» Total costs to implement initiatives anticipated to be between \$1-\$2M in 2019
» Net benefits (gross benefits less implementation costs) anticipated to be \$1-\$2M in 2019
Goal is 10\% EBITDA margin at the end of 2020

## 2019 Fiscal Year Outlook

2019 Operating Framework

Mid-single
digits

Mid-
teens

Mid-single digits Growth from new product launch and market share gains

Expecting decline from unusually high demand in 2018 and competitive pressure; anticipating increased sales to food processing customers

Expect continued decline in sales to RV customers to be partially offset by increased sales to automotive customers

Anticipate increased sales with large industrial distributors

Sales expected to be flat; adjusted operating margin expected to grow
