Forward Looking Statement/Non-GAAP Financial Measures

Today's presentation contains a number of forward-looking statements based on current expectations, estimates and projections. These statements are not guarantees of future performance and are subject to certain risks and uncertainties. Therefore, actual results may differ materially.

Information about the Company's use of non-GAAP financial measures, why management believes presentation of non-GAAP financial measures provides useful information to investors about the Company's financial condition and results of operations, and the purposes for which management uses non-GAAP financial measures is included in the Company's Annual Report and on the Company's website at sonoco.com under Investor Relations, Webcasts & Presentations, Non-GAAP Reconciliations for Q1 2020 Earnings Presentation.

Pursuant to the requirements of Regulation G, the Company has provided definitions of the non-GAAP measures discussed during this presentation as well as reconciliations of those measures to the most closely related GAAP measure on its website at sonoco.com.

This presentation does not constitute the solicitation of the purchase or sale of any securities.

Howard Coker

President and CEO of Sonoco

R. Howard Coker, 57, is President and CEO of Sonoco. In this role, Coker has global leadership, sales and operating responsibility for all of the Company's diversified consumer, industrial and protective packaging businesses. He previously served as Senior Vice President, Global Paper/Industrial Converted Products.
