FOR IMMEDIATE RELEASE

Penske Automotive Group Publishes its Inaugural ESG Report

BLOOMFIELD HILLS, MI, November 3, 2021 – Penske Automotive Group, Inc. (NYSE:PAG), a diversified international transportation services company and one of the world’s premier automotive and commercial trucks retailers, has published its 2021 Environmental, Social and Governance Report (“ESG”) highlighting its commitment to sustainability. The 2021 report represents the Company’s initial report and shares its vision, commitment, and efforts to:

- Respond to the Covid-19 Pandemic
- Invest in human capital and retention of employees
- Promote Diversity, Equity and Inclusion
- Reduce energy use and Green House Gas emissions
- Give back to the communities where we live, work and play
- Drive our long-term strategy, business objectives and sustainable value creation by the Board of Directors

Chair Roger Penske said, “As a leading diversified transportation services company, we recognize it’s our responsibility to ensure Penske Automotive contributes to a healthy environment and social equity in the communities where we operate around the world. This is driven by our core values and ensures that we enrich our communities, minimize our environmental impact, protect the health and safety of our team members and customers and provide a diverse and inclusive workplace.”
