Company Sales. The quarterly and year to date increases in Company sales were driven by Company same-store sales growth of 2% and unit growth.

G&A Expenses. The quarterly decrease in G&A was driven by lower expenses related to our annual incentive compensation programs, lower share-based compensation and higher management fees paid by the Taco Bell Securitization Entities, partially offset by higher digital and technology expenses.

The year to date decrease in G&A was driven by lower share-based compensation, higher management fees paid by the Taco Bell Securitization Entities and lower expenses related to our annual incentive compensation programs, partially offset by higher digital and technology expenses and higher headcount and salaries.

Operating Profit. The quarterly increase in Operating Profit was driven by same-store sales growth and lower G&A, partially offset by higher restaurant operating costs.

The year to date increase in Operating Profit was driven by same-store sales growth, lower G&A and unit growth, partially offset by higher restaurant operating costs and higher Franchise advertising and other service expense primarily related to digital and technology expenses.

Taco Bell Securitization Entities:

The Securitization Transaction and the exclusion of the Taco Bell Securitization Entities from the Restricted Group had the following pro forma impact on the financial and operating data of the Restricted Group and the Taco Bell Division of the Restricted Group in comparison to the corresponding data of YUM and the Taco Bell Division:

Units

 A total of 6,985 and 6,802 U.S. Taco Bell franchise units were excluded from the Restricted Group as of September 30, 2024 and 2023, respectively, as the Restricted Group no longer receives franchise fees from these restaurants.

Franchise and Property Revenues

- Franchise and property revenues of \$211 million and \$195 million were excluded from the Restricted Group for the quarters ended September 30, 2024 and 2023, respectively, due to the exclusion of the franchise fees paid by all U.S. Taco Bell franchise restaurants as a result of the Securitization Transaction.
- Franchise and property revenues of \$606 million and \$566 million were excluded from the Restricted Group for the years to date ended September 30, 2024 and 2023, respectively, due to the exclusion of the franchise fees paid by all U.S. Taco Bell franchise restaurants as a result of the Securitization Transaction.

Company Restaurant Expenses

- The Restricted Group includes \$15 million and \$14 million of additional Company restaurant expenses for the quarters ended September 30, 2024 and 2023, respectively, due to the payment of royalty fees of 5.5% of annual sales to the Taco Bell Securitization Entities by all U.S. Company-owned Taco Bell restaurants (which are part of the Restricted Group).
- The Restricted Group includes \$43 million and \$41 million of additional Company restaurant expenses for the years to date ended September 30, 2024 and 2023, respectively, due to the payment of royalty fees of 5.5% of annual sales to the Taco Bell Securitization Entities by all U.S. Company-owned Taco Bell restaurants (which are part of the Restricted Group).

G&A Expenses

- Management fees of \$26 million and \$24 million for the quarters ended September 30, 2024 and 2023, respectively, were paid by the Taco Bell Securitization Entities to Taco Bell Corp. as manager of the Taco Bell Securitization Entities, and were recorded as a reduction of G&A expenses for the Restricted Group.
- Management fees of \$72 million and \$67 million for the years to date ended September 30, 2024 and 2023, respectively, were paid by the Taco Bell Securitization Entities to Taco Bell Corp. as manager of the Taco Bell Securitization Entities, and were recorded as a reduction of G&A expenses for the Restricted Group.
- These management fees, on an annual basis, are equal to the sum of a base fee of approximately \$30 million (subject to 2% per annum escalation, compounded annually) plus 8.7% of total securitization cash revenue paid to the Taco Bell Securitization Entities by U.S. Company stores and U.S. franchisees for the year.

Consequently, the overall operating margins of the Restricted Group are negatively impacted due to the exclusion of franchise and license fees from U.S. Taco Bell franchised restaurants and the Restricted Group's obligation to pay franchise fees on U.S. Taco Bell Company-owned restaurants to the Taco Bell Securitization Entities, with no corresponding reduction of Restricted Group expenses (other than a partial offset by the management fee paid to the Restricted Group by the Taco Bell Securitization Entities as reimbursement for a portion of G&A expenses).
