## Creating a global leader in consumer and healthcare packaging solutions

Today, we [announced](#) an agreement to combine with Berry Global, creating a global leader in consumer and healthcare packaging solutions.

Watch a video from Amcor CEO, Peter Konieczny, and read the [FAQ](#) on how this combination will position us to accelerate the possible – right now – elevating brands, shaping lives and protecting Earth in a way that neither company could do on its own.

## Creating a global leader in consumer and healthcare packaging solutions

The Pod  
Tuesday, November 19, 2024

Today, we [announced](#) an agreement to combine with Berry Global, creating a global leader in consumer and healthcare packaging solutions.

Watch a video (*below*) from Amcor CEO, Peter Konieczny, on how this combination will position us to accelerate the possible – right now – elevating brands, shaping lives and protecting Earth in a way that neither company could do on its own.
