STUDIO CITY, CA – July 12, 2024 – Skyler Samuels (*Aurora Teagarden Mysteries*) and Kapil Talwalkar (*Zoey's Extraordinary Playlist*) have a romance that dreams are made of *My Dreams of You*, a new original premiering **Saturday, August 10 (8 p.m. ET/PT)** on Hallmark Channel.

Grace McMahon (Samuels) is a struggling novelist, who is more successful in getting temp work than being published. One night, Grace begins a series of dreams in which she experiences an ongoing romance with Michael (Talwalkar), an aspiring musician. Unbeknownst to her, Michael exists in the waking world. As it turns out, her recurring dreams of him are due to a clerical mix-up by Alura (Cecilia Lee, *The Holiday Swap*), a new hire in Dreamland. To avoid a rift in the natural course of events, Grace is transported to Dreamland to have her memory and dreams of Michael wiped. However, when she learns that Michael is real and living nearby, she cannot help but wonder if their romantic connection could be real and she rushes to find him before all of their special memories are erased. When they finally meet in person, she is shocked to find that Michael has no idea who she is. The Dreamland team pursue Grace and Michael across the country, determined to fix their mistake. Racing against time Grace hopes to form a connection with Michael that cannot be undone and to prove that for once fate is on her side.

*My Dreams of You* is from Hallmark Media. Joey Plager and Shane Boucher are executive producers. Hayden Baptise and Brooklin Watson serve as producers. The film is directed by Kevin Fair from a script by Gary Templeton and Marcy Holland.
