Make Justin's Celebration Truly Unforgettable**

STUDIO CITY, CA – September 30, 2024 – Lacey Chabert (*Mean Girls*, *The Wedding Veil trilogy*) celebrates a passionate young environmentalist dedicated to saving the planet in ***Justin's Rainforest Celebration***, the sixth episode of aspirational unscripted series ***Celebrations with Lacey Chabert***, premiering **Thursday, October 10 (12 a.m. ET/PT)** on Hallmark+.

In this episode, Chabert surprises Justin, a seventh grader who has been working tirelessly to raise awareness about frog conservation and the importance of protecting the rainforest. Inspired by his mom's words in first grade, Justin has already saved nearly 80 acres in the Rainforests of Ecuador and now leads his school's Environmental Club. With a goal of saving 100 acres by his 13th birthday, Justin is recognized for his incredible dedication to the planet. Chabert and her team organize an epic Rainforest Celebration to honor his achievements, but when both party planners are unable to help set it up, Lacey calls on her friend and Hallmark costar Jonathan Bennett (*Mean Girls*) to lend a helping hand.

Celebrations with Lacey Chabert is produced by UNConventional Entertainment, a part of Sony Pictures Television (SPT), and Lacey Chabert Productions. Executive producers of the series include UNConventional's Gena McCarthy, Sony Pictures Television's Eli Holzman and Aaron Saidman, along with Jill Garelick-Aron, Hollie Lobosky, Ashley Franklin, and Lacey Chabert.
