STUDIO CITY, CA – July 12, 2024 – A woman dreams about a man she's never met who was mistakenly inserted into her dreams by a clerical error in Dream Central. She tries to find him before any memories of each other are erased when Skyler Samuels (*Aurora Teagarden Mysteries*) and Kapil Talwalkar (*Zoey's Extraordinary Playlist*) star in ***My Dreams of You***, a new original premiering **Saturday, August 10 (8 p.m. ET/PT)**, on Hallmark Channel.

A struggling novelist Grace McMahon (Samules) is a lot more successful in getting temp work than being published. One night, Grace begins a series of dreams in which she experiences an ongoing romance with Michael (Talwalkar), an aspiring musician. Unfortunately, her recurring dreams of Michael are due to a clerical mix-up by Alura (Cecilia Lee, *The Holiday Swap*), a new hire in "Dreamland." Fearing the error will cause a rift in the natural course of events, Grace is transported to "Dreamland" to wipe her memory of Michael and the dreams. Arriving in "Dreamland," Grace learns that Michael is alive and living nearby. Wanting to see if their romantic connection could be real, she rushes to find Michael before all memories of him are erased. When they finally meet in person, she is shocked to find that he has no idea who she is. The "Dreamland" team pursue Grace and Michael across the country, determined to fix their mistake. Racing against time Grace hopes to form a connection with Michael that cannot be undone and to prove that for once fate is on her side.

*My Dreams of You* is from Hallmark Media. Joey Plager and Shane Boucher are executive producers. Hayden Baptise and Brooklin Watson serve as producers. The film is directed by Kevin Fair from a script by Gary Templeton and Marcy Holland.
