# Forward Looking Statements & Additional Disclosures

This presentation contains statements regarding future events or the future financial performance of Hope Bancorp, Inc. (“Company”) and its proposed merger with Territorial Bancorp Inc. (“Territorial”) that constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements relate to, among other things, low-cost core deposit base, diversification of the loan portfolio, expansion of market share, percentage earnings per share growth, capital to support growth, and statements about the proposed transaction being immediately accretive. Additionally, the forward-looking statements also relate to, among other things, expectations regarding the business and economic environment in which we operate, projections of future performance and financial outlook, perceived opportunities in the market, and statements regarding our business strategies, objectives and vision and statements regarding our strategic reorganization. Forward-looking statements include, but are not limited to, statements preceded by, followed by or that include the words “will,” “believes,” “expects,” “anticipates,” “intends,” “plans,” “estimates,” “targets,” or similar expressions. With respect to any such forward-looking statements, the Company and Territorial each claims the protection provided for in the Private Securities Litigation Reform Act of 1995. These statements involve risks and uncertainties. The Company’s actual results, performance or achievements may differ significantly from the results, performance or achievements expressed or implied in any forward-looking statements. Upon completion of the merger, the combined company’s actual results, performance or achievements may differ significantly from the results, performance or achievements expressed or implied in any forward-looking statements. The closing of the proposed transaction is subject to regulatory approvals, the approval of the shareholders of Territorial, and other customary closing conditions. There is no assurance that such conditions will be met or that the proposed merger will be consummated within the expected time frame, or at all. If the transaction is consummated, factors that may cause actual outcomes to differ from what is expressed or forecasted in these forward-looking statements include, among things: difficulties and delays in integrating the Company and Territorial and achieving anticipated synergies, cost savings and other benefits from the transaction; higher than anticipated transaction costs; deposit attrition, operating costs, customer loss and business disruption following the merger, including difficulties in maintaining relationships with employees and customers, may be greater than expected; and required governmental approvals of the merger may not be obtained on its proposed terms and schedule, or without regulatory constraints that may limit growth. Other risks and uncertainties include, but are not limited to: possible further deterioration in economic conditions in our areas of operation; interest rate risk associated with volatile interest rates and related asset-liability matching risk; liquidity risks; risk of significant non-earning assets, and net credit losses that could occur, particularly in times of weak economic conditions or times of rising interest rates; the failure of or changes to assumptions and estimates underlying the Company’s allowances for credit losses, and regulatory risks associated with current and future regulations. For additional information concerning these and other risk factors, see the Company’s most recent Annual Report on Form 10-K. The Company does not undertake, and specifically disclaims any obligation, to update any forward-looking statements to reflect the occurrence of events or circumstances after the date of such statements except as required by law.

## **Additional Information and Where to Find It**

In connection with the proposed merger, Hope Bancorp, Inc. will file with the Securities and Exchange Commission (“SEC”) a Registration Statement on Form S-4, which will include a Proxy Statement of Territorial Bancorp Inc., that also constitutes a prospectus of Hope Bancorp, Inc. Territorial Bancorp shareholders are encouraged to read the Registration Statement and the Proxy Statement/Prospectus regarding the merger when it becomes available and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information about the proposed merger. Territorial Bancorp shareholders will be able to obtain a free copy of the Proxy Statement/Prospectus, as well as other filings containing information about Hope Bancorp and Territorial Bancorp at the SEC’s Internet site ([www.sec.gov](http://www.sec.gov)). Territorial Bancorp shareholders will also be able to obtain these documents, free of charge, from Territorial Bancorp at <https://www.tsbhawaii.bank/tsb/investor-relations/>.

# Territorial Bancorp (TBNK) Pending Merger Highlights

*Strategically  
Compelling*

*Financially  
Attractive*

*Culturally  
Aligned*

- Creates the largest U.S. regional bank catering to multi-ethnic customers across the continental United States and the Hawaiian Islands
  - TBNK bolsters Combined Company's core funding base with \$1.6 billion in low-cost deposits as of 12/31/23
  - Accelerates diversification of Combined Company's loan portfolio by more than doubling HOPE's residential mortgage balances
  - Market share growth opportunities by leveraging larger balance sheet, more resources, enhanced technology and broader array of banking products & services for enhanced customer experience
- 
- Merger consideration of \$78.6 million, or \$8.82 per TBNK share<sup>(1)</sup>
  - Fixed exchange ratio: 0.8048 HOPE shares per TBNK share in an all-stock transaction
  - Expected to be immediately accretive after the close with double-digit percentage EPS growth. Targeting deal close by year-end 2024
  - Strong capital to support growth of the Combined Company
- 
- Shared corporate values that preserve and build on TBNK's 100+ year legacy of providing personalized customer service and supporting local communities
  - To ensure continuity for customers and employees after the close, legacy TBNK will do business under the Territorial Savings Bank brand, as a trade name of Bank of Hope
  - Continued dedication to and investment in the Hawai'i communities

<sup>(1)</sup> Based on HOPE closing price of \$10.96 as of 4/26/24

# Strong Capital Ratios

## Common Equity Tier 1 Capital Ratio

## Tangible Common Equity Ratio<sup>(1)</sup>

## Total Capital Ratio

## Leverage Ratio

- **All capital ratios increased QoQ:** All regulatory capital ratios meaningfully above requirements for “well-capitalized” financial institutions
- **Pro Forma capital very strong:** Adjustments for the allowance for credit losses (“ACL”) and hypothetical adjustments for investment security marks not otherwise already reflected in equity, still result in very strong capital ratios
- **Dividend:** Quarterly common stock dividend of \$0.14 per share, equivalent to \$0.56 per share annualized. Equivalent to a dividend yield of 4.87% at 3/31/24
- No stock buybacks during 1Q24
- **Equity:** Book value per common share of \$17.51 & TCE per share<sup>1</sup> of \$13.63 at 3/31/24. Equity stable QoQ, reflecting growth in retained earnings offset by a negative change in accumulated other comprehensive income (“AOCI”).

<sup>(1)</sup> TCE ratio and TCE per share are non-GAAP financial measures. Quantitative reconciliations of the most directly comparable GAAP to non-GAAP financial measures are provided in the Appendix of this presentation.

\* Pro Forma ratios at 3/31/24 are non-GAAP financial measures and reflect (a) inclusion of on- and off-balance sheet ACL not already in capital; (b) treatment of held-to-maturity (“HTM”) securities as if they were available-for-sale (“AFS”), with unrealized losses in AOCI; and (c) removal of the AOCI opt-out in calculating regulatory capital.

# Diverse & Granular Deposit Base

### Deposit Composition by Product Type

- Total deposits of \$14.8B at 3/31/24, stable QoQ
- Customer deposit growth across all business lines offset planned reduction of brokered time deposits

### Deposit Composition by Customer Type

- Average commercial & wholesale deposit account size: approx. \$265,000
- Average consumer deposit account size: approx. \$50,000

# Well-Balanced Loan Portfolio

- Loan portfolio well-diversified across major loan types of nonowner-occupied CRE, C&I, owner-occupied CRE, multifamily residential (“MFR”), and residential mortgage
- Total loans receivable: \$13.7B at 3/31/24, -1% QoQ
- 1Q24: growth in SBA and residential mortgage loans, offset by decreases in commercial and CRE loans

# Diversified CRE Portfolio with Low LTVs

**\$8.7B**

CRE Portfolio  
(at 3/31/24)

Total CRE: Distribution by LTV (excl. SBA)

<sup>(1)</sup> **Weighted average loan-to-value ("LTV"):** Current loan balance divided by updated collateral value. Collateral value updates most recent available appraisal by using CoStar market and property-specific data, including submarket appreciation or depreciation, and changes to vacancy, debt service coverage or rent/sq foot.

- **Total CRE loans** of \$8.7B at 3/31/24, -1% QoQ. Portfolio consists of \$4.6B of nonowner-occupied CRE, \$2.9B of owner-occupied CRE, and \$1.2B of MFR
- **CRE Office:** Represented less than 3% of total loans at 3/31/24, with no central business district exposure

<sup>(1)</sup> **Weighted average LTV:** Current loan balance divided by updated collateral value. Collateral value updates most recent available appraisal by using CoStar market and property-specific data, including submarket appreciation or depreciation, and changes to vacancy, debt service coverage or rent/sq foot.

- Loan-to-value ratios are consistently low across segments by size and by property type
- Vast majority of CRE loans have full recourse and personal guarantees
- 98.2% of total CRE portfolio was pass-graded at 3/31/24

CRE Portfolio by Geographic Submarket (\$ Millions)

# Net Interest Income & Net Interest Margin

## Net Interest Income & Net Interest Margin

(\$ Millions)

## QoQ Change in Net Interest Margin

- 1Q24 net interest income (“NII”) of \$115MM, -9% QoQ from 4Q23
- Paid off \$1.0B Bank Term Funding Program (“BTFP”) funding at end of 1Q24, using interest-earning cash. Paid off remaining \$695MM in early April, using interest-earning cash. NII from positive spread earned on BTFP: \$3.6MM in 1Q24, \$4.0MM in 4Q23
- All else equal, the payoff of the BTFP is expected to be a positive to NIM

- 1Q24 net interest margin (“NIM”) of 2.55%, -15bps QoQ
- QoQ decrease in NIM driven by a higher cost of IB deposits and a lower volume of loans and interest earning cash, partially offset by positive impact from a lower volume of interest bearing funding and a higher loan yield

# Average Loans & Deposits, Yields & Rates

**Average Loans Receivable**  
(\$ Billions)

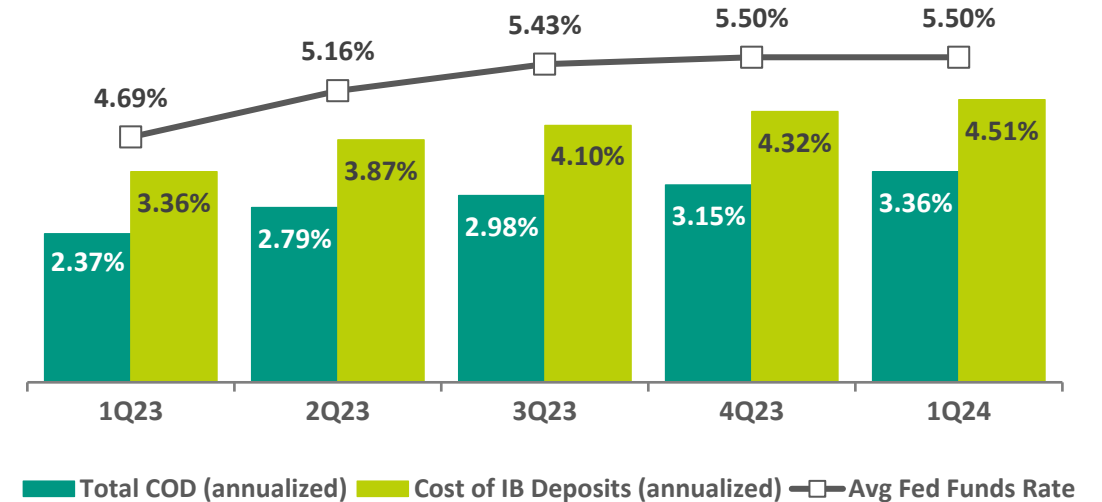

**Average Loan Yield Relative to Fed Funds Rate**

**Average Deposits**  
(\$ Billions)

**Average Cost of Deposits ("COD") Relative to Fed Funds Rate**

# Noninterest Income

- 1Q23 noninterest income of \$8MM vs. \$9MM in 4Q23
  - QoQ growth in deposit service fees offset by a decrease in other noninterest income
- No SBA loan gain on sales (“GOS”) in 1Q24: continuously evaluating premiums available in the secondary market
  - Secondary market premiums have improved by April 2024 compared with beginning of year

# Noninterest Expense & Efficiency

## Noninterest Expense<sup>(1)</sup>

(excl. notable items)  
(\$ Millions)

GAAP Noninterest Expense

## Efficiency Ratio & Noninterest Expense to Average Assets

- 1Q24 GAAP noninterest expense of \$85MM
  - Notable items (pre-tax): \$1MM merger-related expenses, \$1MM incremental FDIC special assessment & \$143K restructuring-related costs
- Excluding notable items, 1Q24 noninterest expense of \$83MM<sup>(2)</sup> down 2% QoQ and down 7% YoY, reflecting benefits from 4Q23 restructuring
- Salaries & employee benefits expense increased +1% QoQ, due to seasonal factors, and are down 16% YoY, largely reflecting benefits from restructuring

<sup>(1)</sup> The Noninterest expense chart columns present noninterest expense excluding notable items. Noninterest expense excludes provision for unfunded loan commitments, which has been reclassified to the provision for credit losses.

<sup>(2)</sup> Noninterest expense excluding notable items totaled \$82.7MM in 1Q24, \$84.1MM for 4Q23 and \$86.3MM for 3Q23.

<sup>(3)</sup> Noninterest expense excluding notable items, efficiency ratio excluding notable items and noninterest expense/average assets (annualized) excluding notable items are non-GAAP financial measures. Quantitative reconciliations of the most directly comparable GAAP to non-GAAP financial measures are provided in the Appendix of this presentation.

# Asset Quality Metrics

## Allowance for Credit Losses & Coverage Ratio

(\$ Millions)

## Nonperforming Assets Ratio

## Provision for Credit Losses & Net Charge Offs (Recoveries)

(\$ Millions)

## Criticized Loans Ratio

- Allowance for credit losses (“ACL”) stable QoQ at \$159MM at 3/31/24.
- ACL coverage ratio: 1.16% of loans receivable at 3/31/24, +1bps from 1.15% at 12/31/23 and +7bps from 12/31/23
- Net charge offs (“NCO”) ratio: 10bps of average loans, annualized, in 1Q24
- Nonperforming assets (“NPA”) of \$107MM at 3/31/24, vs. \$46MM at 12/31/23 or \$80MM at 3/31/23
  - Increase largely driven by one relationship consisting of three CRE loans. Exposure fully secured with sales agreements in place for the collateral properties
