STRIKE ENDS AT IMPALA BAFOKENG'S BRPM

Johannesburg, 3 July 2024 — Impala Platinum Holdings Limited (Implats or the Group) confirms that the illegal work stoppage the North Shaft of Impala Bafokeng's BRPM operation in the North West province has been resolved and that employee attendance at the shaft is at normal levels.

The unprotected action began on Thursday 27 June 2024, involving predominantly members of the contractor workforce. Following constructive engagement between the management team and employee representatives, the issues were resolved. As a result, normal attendance levels were recorded at North Shaft from the morning shift today.

To safeguard the health, safety and security of our employees, those responsible for instigating the illegal strike action were interdicted from participating or engaging in any acts of violence, intimidation and harassment.

The Group continues engage with its employees and other key stakeholders to ensure safe and uninterrupted production is prioritised.

About Implats

Impala Platinum Holding Limited (Implats) is a leading, fully integrated platinum group metals (PGMs) producer. Implats is structured around seven mining operations and Impala Refining Services, a toll-refining business. The Group's mining operations are located on the Bushveld Complex in South Africa, the Great Dyke in Zimbabwe — the two most significant PGM-bearing ore bodies in the world — and the Canadian Shield. Our mining operations include Impala Rustenburg, Impala Bafokeng, Marula, Two Rivers, Zimplats, Mimosa and Impala Canada.
