ILLINOIS POWER AGENCY

**Illinois Power Agency Files 2025 Electricity Procurement Plan
with Illinois Commerce Commission**

September 30, 2024

The Illinois Power Agency has filed its [2025 Annual Electricity Procurement Plan](#) with the Illinois Commerce Commission for approval.

The Annual Electricity Procurement Plan sets forth the IPA's block energy and capacity procurement approach to meet the supply requirements of residential and small commercial customers taking electricity supply service from Ameren Illinois, Commonwealth Edison, and MidAmerican Energy Company.

To view the petition, appendices, and redline comparison of the filed and draft Plans, please visit the IPA's [Plans Under Development](#) page.
