## Illinois Power Agency Establishes DEI Advisory Committee

November 14, 2024

The Illinois Power Agency (IPA) has established a Diversity, Equity, and Inclusion (DEI) Advisory Committee to provide a structured platform for stakeholders to engage in dialogue, provide input, and offer feedback on the Agency's equity initiatives. The committee aims to ensure that the implementation of IPA-related equity initiatives of the Climate and Equitable Jobs Act (CEJA) are informed by diverse perspectives, thereby enhancing the effectiveness and inclusivity of these programs.

Please visit the [DEI Advisory Committee webpage](#) to learn more about the Committee's description of duties, membership and designation, meeting expectations, and how the Committee will inform the IPA.
