29. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.
30. Persons who violate 40 C.F.R. Part 745, Subpart E or Subpart F, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

IV. FINDINGS OF FACTS

31. Respondent is, and was at all times relevant to this CAFO, a “lessor” and “agent” that offered contracts to lease “residential dwellings” that are “target housing” as those terms are defined at 40 C.F.R. § 745.103, and a “firm” that performs “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
32. On November 1, 2023, an inspector with the EPA emailed a Notice of Inspection (NOI) to Respondent advising that the EPA planned to inspect Respondent’s office on November 7, 2023, for purposes of determining its compliance with 40 C.F.R. Part 745, Subparts E and F, and that the inspection would include a review of Respondent’s records. The inspector also contacted Respondent by phone on November 1, 2023, and advised that the requested records could be provided prior to, during, and/or after the inspection. On November 3, 6, and 7, 2023, Respondent submitted copies of records in response to the NOI.
33. On November 7, 2023, the EPA inspector conducted an inspection at Respondent’s office located at 1240 Winnowing Way, Suite 102, Mount Pleasant, South Carolina 29466.
34. Based on the inspection and a review of Respondent’s records, the EPA determined that Respondent had entered into contracts to lease the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a. 704 A Martin Lane, Charleston, South Carolina 29407, built in 1975, lease entered into on October 1, 2023;
 - b. 4729 Marlboro Place, North Charleston, South Carolina 29405, built in 1941, lease entered into on August 1, 2023;
 - c. 6212 Murray Drive, Hanahan, South Carolina 29410, built in 1977, lease entered into on August 1, 2023;
 - d. 704 B Martin Lane, Charleston, South Carolina 29407, Charleston, South Carolina 29405, built in 1975, lease entered into on July 1, 2023;
 - e. 862 Lolandra Avenue, Charleston, South Carolina 29407, built in 1933, lease entered into on July 1, 2023;

- f. 4923 Victoria Avenue, North Charleston, South Carolina 29405, built in 1958, lease entered into on June 15, 2023; and
 - g. 805 Castle Avenue, Charleston, South Carolina 29407, built in 1940, lease entered into on June 1, 2023.
35. The records provided by Respondent to the inspector failed to demonstrate that prior to entering into the leases referenced in Paragraph 34, Respondent had:
- a. Included as an attachment or within the contracts to lease target housing the appropriate Lead Warning Statement, as required by 40 C.F.R. § 745.113(b)(1);
 - b. Included as an attachment or within the contracts to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards, as required by 40 C.F.R. § 745.113(b)(2);
 - c. Included as an attachment or within the contracts to lease target housing, a statement by the lessee affirming receipt of the information required under 40 C.F.R. § 745.113(b)(2) and 40 C.F.R. § 745.113(b)(3), and the lead hazard pamphlet required under 15 U.S.C. § 2686, in accordance with 40 C.F.R. § 745.113(b)(4);
 - d. Included as an attachment or within the contracts to lease target housing a statement by the agents involved in the transaction to lease target housing that the agents had informed the lessor of the lessor's obligations, and that the agents were aware of their duty to ensure compliance, as required by 40 C.F.R. § 745.113(b)(5); and

36. Based on the November 7, 2023, inspection and a review of the records submitted by Respondent on November 3, 2023, the EPA determined that Respondent had performed renovations for compensation on or about the dates listed below, at residential dwellings that are target housing (constructed before 1978) located at the addresses listed below (hereinafter "the Properties"):
- a. 805 Castle Avenue, Charleston, South Carolina 29407, on or about October 3, 2022; and
 - b. 1523 A Theresa Drive, Charleston, South Carolina 29412, on or about March 2, 2022.
37. The records provided by Respondent showed that at the time that the renovation work was being performed at the Properties, Respondent had not obtained "firm certification" as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1).
38. At the time of the EPA inspection on November 7, 2023, Respondent did not have any records

to show that it had provided the owner of the Properties with an EPA-approved lead hazard information pamphlet as required by 40 C.F.R. § 745.84(a)(1).

V. ALLEGED VIOLATIONS

39. Based on the EPA's inspection and review of Respondent's records as noted in Section IV of this CAFO, the EPA has determined that Respondent, acting in its capacity as a lessor and an agent concerning the leasing of target housing described in Paragraph 34, failed to:
- a. Include as an attachment or within the contracts to lease target housing, the appropriate Lead Warning Statement, in violation of 40 C.F.R. § 745.113(b)(1);
 - b. Include as an attachment or within the contracts to lease target housing a statement by the lessor disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards, in violation of 40 C.F.R. § 745.113(b)(2);
 - c. Include as an attachment or within the contracts to lease target housing, a statement by the lessee affirming receipt of the information required under 40 C.F.R. § 745.113(b)(2) and 40 C.F.R. § 745.113(b)(3), and the lead hazard pamphlet required under 15 U.S.C. § 2686, in violation of 40 C.F.R. § 745.113(b)(4);
 - d. Include as an attachment or within the contracts to lease target housing a statement by the agents involved in the transaction to lease target housing that the agents had informed the lessor of the lessor's obligations, and that the agents were aware of their duty to ensure compliance, in violation of 40 C.F.R. § 745.113(b)(5); and
 - e. Include as an attachment or within the contracts to lease target housing the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature, in violation of 40 C.F.R. § 745.113(b)(6).
40. Based on the EPA's inspection and review of records as described in Section IV of this CAFO, the EPA determined that, with regard to the renovations set forth in Paragraph 36, Respondent failed to:
- a. Apply to the EPA and obtain firm certification to perform, offer, or claim to perform renovations for compensation, in violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1); and
 - b. Provide the owners of the Properties with the EPA-approved lead hazard information pamphlet, in violation of 40 C.F.R. § 745.84(a)(1).

Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly as provided in 40 C.F.R. § 13.11(c).
 - c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided in 40 C.F.R. § 13.12.
50. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

53. Pursuant to 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
54. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
55. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard provided under the Act.
56. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
