Respondent.	§	

CONSENT AGREEMENT AND FINAL ORDER

Preliminary Statement

The U.S. Environmental Protection Agency, Region 6 (“EPA” or “Complainant”), and Jupiter 120 LLC (“Respondent”) have agreed to a settlement of this action before the filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties initiated pursuant to Section 16(a) of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a).
2. This Consent Agreement and Final Order serves as notice that the EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E.

Parties

3. Complainant is the Director of Enforcement and Compliance Assurance Division of the EPA, Region 6, as duly delegated by the Administrator of the EPA and the Regional Administrator, EPA, Region 6.

4. Respondent is Jupiter 120 LLC, a company formed in the state of Texas and conducting business in the state of Texas.

Statutory and Regulatory Background

5. TSCA was amended with the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. §§ 4851 to 4856, with the addition of Title IV – Lead Exposure Reduction, Section 401 to 412 of TSCA, 15 U.S.C. §§ 2681 to 2692. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation’s housing stock. 42 U.S.C. § 4851.

6. Pursuant to Sections 402, 406, and 407 of TSCA, 15 U.S.C. § 2682, 2686, and 2687, the EPA promulgated the Lead, Renovation, Repair and Painting (RRP) Rule at 40 C.F.R. Part 745, Subpart E - Residential Property Renovation, to ensure that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin; and individuals and firms performing renovations are certified and following work practice standards during the renovations. 40 C.F.R. § 745.80.

7. The requirements set forth in the regulations at 40 C.F.R. Part 745, Subpart E, Residential Property Renovation, apply to all renovations performed for compensation in target

housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R.

§ 745.82.

8. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, inter alia, any provision of 40 C.F.R. Part 745, Subpart E.

9. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended, and 40 C.F.R. § 745.87(d), authorize a civil penalty of not more than \$37,500 per day for violations of Section 409 of TSCA, 15 U.S.C. § 2689. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, as amended, and the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$48,512 for violations that occur after November 2, 2015, and for which penalties are assessed on or after December 27, 2023.

The term renovation includes, but is not limited to, the removal, modification, or

repair of painted surfaces or painted components (*e.g.*, modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (*e.g.*, walls, ceilings, plumbing, windows); weatherization projects (*e.g.*, cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planning thresholds to install weather stripping); and interim controls that disturb painted surfaces.

12. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

13. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship, or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

20. As a result of the EPA inspection and additional information obtained by the EPA, Complainant, has determined that violations of the RRP Rule and Section 409 of TSCA, 15 U.S.C. § 2689, occurred as a result of Respondent’s renovation activity at the Properties.

21. Since the inspection, and after compliance assistance from the EPA, Respondent has in good faith obtained certification and complied with the other rules and regulations of TSCA to the best of its knowledge.

EPA Findings of Violation

22. The facts stated in the EPA Findings of Fact and Conclusions of Law above are herein incorporated.

23. Complainant hereby states and alleges that Respondent has violated TSCA and the federal regulations promulgated thereunder as follows:

30. Pursuant to 40 C.F.R. § 745.86(a), firms performing renovations must retain, and, if requested, make available to EPA all records necessary to demonstrate compliance with the

RRP Rule for a period of 3 years following completion of the renovation.

31. 41. Interest, Charges, and Penalties on Late Payments. Pursuant to 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay the full amount of the Assessed Penalty per this Agreement, EPA is authorized to recover, in addition to the amount of the unpaid Assessed Penalty, the following amounts.

- (a) Interest. Interest begins to accrue from the Filing Date. If the Assessed Penalty is not paid in full by the due dates, interest will continue to accrue until any unpaid portion of the Assessed Penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States the rate of interest is set at the IRS large corporate underpayment rate, any lower rate would fail to provide Respondent adequate incentive for timely payment.
- (b) Handling Charges. Respondent will be assessed monthly a charge to cover EPA's costs of processing and handling overdue debts. If Respondent fails to pay the Assessed Penalty in accordance with this Agreement, EPA will assess a charge to cover the costs of handling any unpaid amounts for the first thirty (30) day period after the Filing Date. Additional handling charges will be assessed every thirty (30) days, or any portion thereof, until the unpaid portion of the Assessed Penalty as well as any accrued interest, penalties, and other charges are paid in full.
- (c) Late Payment Penalty. A late payment penalty of six percent (6%) per annum, will be assessed monthly on all debts, including any unpaid portion of the Assessed Penalty, interest, penalties, and other charges,

that remain delinquent more than ninety (90) days. Any such amounts will accrue from the Filing Date.

42. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the Assessed Penalty, interest, or other charges and penalties per this Agreement, EPA may take additional actions. Such actions EPA may take include, but are not limited to, the following.

- (a) Refer the debt to a credit reporting agency or a collection agency, per 40 C.F.R. §§ 13.13 and 13.14.
- (b) Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, per 40 C.F.R. Part 13, Subparts C and H.
- (c) Suspend or revoke Respondent's licenses or other privileges or suspend or disqualify Respondent from doing business with EPA or engaging in programs EPA sponsors or funds, per 40 C.F.R. § 13.17.
- (d) Refer this matter to the United States Department of Justice for litigation and collection, per 40 C.F.R. § 13.33.

43. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the

outstanding Assessed Penalty amount.

44. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this Agreement shall not be deductible for purposes of federal taxes.

Effect of Settlement and Reservation of Rights

45. Full payment of the penalty proposed in this Consent Agreement shall only resolve Respondent's liability for federal civil penalties for the violations alleged herein. Complainant reserves the right to take any enforcement action with respect to any other violations of TSCA or any other applicable law.

46. The effect of settlement described in the immediately preceding paragraph is conditioned upon the accuracy of Respondent's representations to the EPA, as memorialized in paragraph directly below.

47. Respondent certifies by the signing of this Consent Agreement that it is presently in compliance with all requirements of TSCA and its implementing regulations.

48. Full payment of the penalty proposed in this Consent Agreement shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This Consent Agreement and Final Order does not waive, extinguish, or otherwise affect Respondent's obligation to comply with all applicable provisions of TSCA and regulations promulgated thereunder.

49. Complainant reserves the right to enforce the terms and conditions of this Consent Agreement and Final Order.
