On a quarter-on-quarter basis, domestic visitor numbers rose by 16.8 per cent from the first quarter of 2024. Correspondingly, domestic tourism expenditure reached RM28.1 billion in the second quarter 2024, reflecting a robust year-on-year growth of 28.6 per cent and a 16.9 per cent rise from the previous quarter. This is reported by the Department of Statistics Malaysia (DOSM) in today's release of **MALAYSIA'S DOMESTIC TOURISM SURVEY (DTS) IN SECOND QUARTER 2024 AND ANNUAL 2023 BY STATE**.

In a statement today, Dato' Sri Dr. Mohd Uzir Mahidin, Chief Statistician Malaysia said, "The performance of Malaysia's domestic tourism in 2023 has been exceptionally strong, with domestic visitor arrivals reaching 213.7 million, a 24.6 per cent increase from 171.6 million in the previous year. Additionally, domestic tourism receipts rose by 32.5 per cent to RM84.9 billion, reflecting the positive impact of the full reopening of economic activities. However, when compared to pre-pandemic levels in 2019, total domestic arrivals were still 10.6 per cent lower, and receipts declined by 17.7 per cent."

Reflecting this national recovery, all Malaysian states reported notable increases in both tourism volume and receipts. Selangor led with the highest domestic tourism receipts at RM11.1 billion in 2023, up 27.1 percent from RM8.73 billion in 2022. The Federal Territory of Kuala Lumpur followed closely, recording RM11.0 billion in receipts, an increase from RM7.73 billion the previous year. Similarly, Sarawak and Pahang demonstrated strong growth, with receipts climbing to RM6.94 billion (2022: RM5.43 billion) and RM6.73 billion (2022: RM5.32 billion), respectively.

Shopping remained the primary driver of tourism receipts, contributing RM30.84 billion overall, with the Federal Territory of Kuala Lumpur leading at RM4.85 billion, followed by Selangor at RM4.14 billion, and Sarawak at RM2.66 billion. Other significant contributors included expenditures on food and beverages, accommodation, and automotive fuel.
