About Greenlight Capital Re, Ltd.

Greenlight Re (www.greenlightre.com) provides multiline property and casualty insurance and reinsurance through its licensed and regulated reinsurance entities in the Cayman Islands and Ireland, and its Lloyd's platform, Greenlight Innovation Syndicate 3456. The Company complements its underwriting activities with a non-traditional investment approach designed to achieve higher rates of return over the long term than reinsurance companies that exclusively employ more traditional investment strategies. The Company's innovations unit, Greenlight Re Innovations, supports technology innovators in the (re)insurance space by providing investment capital, risk capacity, and access to a broad insurance network.
