## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.srgglobal.com.au>.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

## 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

## 4. RESOLUTION 3 – APPROVAL UNDER SECTION 260B(2) OF THE CORPORATIONS ACT 2001 (CTH)

### 4.1 The Acquisition

The Company, through its wholly owned subsidiary SRG Global Civil Pty Ltd (ACN 083 214 439) (the **Purchaser**) has purchased the entire issued share capital of SRG Global Infrastructure Pty Ltd (ACN 089 434 220) (previously WBHO Infrastructure Pty Ltd) (the **Target**) under a deed of company arrangement dated 30 March 2022 between, amongst others, the Target and the Purchaser (the **Acquisition**).

The Company is the Listed Australian Holding Company of the Purchaser. Accordingly, on completion of the Acquisition, the Company became the Listed Australian Holding Company of the Target and the Target Group.

### 4.2 Background to the requirement for financial assistance

#### (a) Restrictions on companies giving financial assistance

Pursuant to section 260A(1) of the Corporations Act a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- (i) giving the assistance does not materially prejudice:
  - (A) the interests of the company or its shareholders; or
  - (B) the company's ability to pay its creditors; or
- (ii) the assistance is approved by shareholders under section 260B of the Corporations Act; or
- (iii) the assistance is exempted under section 260C of the Corporations Act.

The requirements for shareholder approval of financial assistance under section 260B of the Corporations Act are described in section 4.1(b).

#### (b) Shareholder approval of financial assistance

Under section 260B(1) of the Corporations Act, for a company to financially assist a person to acquire shares in itself or a holding company of the company, the financial assistance must be approved by its shareholders by:

- (i) a special resolution passed at a general meeting of the company, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (ii) a resolution agreed to, at a general meeting, by all ordinary shareholders.

If, immediately after the acquisition, the company will be a subsidiary of another domestic corporation that is listed in Australia (**Listed Australian Holding Company**), then the financial assistance must also be approved by a special resolution passed under section 260B(2) at a general meeting of the Listed Australian Holding Company.

(c) **Approval by shareholders of the Company under section 260B(2)**

The purpose of this Explanatory Statement is to explain in further detail the proposed Resolution 3 set out in the Notice which must be passed under section 260B(2) of the Corporations Act to enable the Target Group (as defined below) of which the Company is the Listed Australian Holding Company to financially assist the Company and Purchaser in connection with the Acquisition (each as defined below).

(iv) **Other terms**

The CTPD includes events of default, undertakings, representations and warranties from the borrowers and guarantors under that document consistent with a facility of this nature or as required by the Lenders due to the particular circumstances of this transaction, which are applicable to the NAB Facilities.

(c) **CBA Facilities**

(i) **Facility limit and term**

The facilities provided under the CBA Facility Agreement (the **CBA Facilities**) are divided into separate facilities as set out below:

- (A) a term loan facility with an aggregate principal amount of \$3,375,000 repayable in full by 31 July 2023 (**CBA Term Loan Facility**);

- (A) the CBA Term Loan Facility is available for the purposes of refinancing the Existing Facilities (as defined in the CBA Facility Agreement);

(iii) **Borrower**

The CBA Facilities are provided to, amongst others, the Company and the Purchaser. Once each Target Guarantor has acceded to the facility documentation as a guarantor and security provider, each Target Guarantor will be entitled to use the CBA Facilities.

(iv) **Other terms**

The CTPD includes events of default, undertakings, representations and warranties from the borrowers and guarantors under that document consistent with a facility of this nature or as required by the Lenders due to the particular circumstances of this transaction, which are applicable to the CBA Facilities.

(d) **Hedging Agreement**

The Company has entered into hedging arrangements with National Australia Bank Limited ABN 12 004 044 937 to hedge its interest rate and foreign exchange exposure (the **Hedging Agreement**).

(e) **Guarantees**

The CTPD contains a guarantee and indemnity in respect of the facilities and related hedging. The initial guarantors under the CTPD include the Company and Purchaser. The members of the Target Group will accede to these documents as guarantors (**Target Guarantors**).

(f) **Security**

The Company, the Purchaser and the other initial guarantors under the CTPD have provided security over some or all of their assets to CBA Corporate Services (NSW) Pty Limited as security trustee (**Security Trustee**) to hold on trust for the Lenders under the NAB Facilities and CBA Facilities and the Hedging Agreement pursuant to a security trust deed dated 11 February 2019 (**Security Trust Deed**). The Target Guarantors will provide security over their assets in favour of the Security Trustee upon accession to the CTPD and Security Trust Deed.

#### 4.4 **Financial assistance**

(a) **Accession to the Finance Documents**

It is proposed that, pursuant to the terms of the Finance Documents, the Target Guarantors accede to the relevant Finance Documents pursuant to an accession deed under each of:

- (i) the NAB Facility Agreement;
- (ii) the CBA Facility Agreement;
- (iii) the Security Trust Deed; and
- (iv) the CTPD,

(each a **Subsidiary Deed of Accession**).

Upon execution of each of the Subsidiary Deeds of Accession, the Target Guarantors would (among other things) become bound by the guarantees, indemnities and undertakings and give the representations and warranties referred to above.

In addition, it is proposed that the Target Guarantors will grant security over their assets and undertakings (subject to agreed exceptions) in favour of the Security Trustee as security for the obligations of all borrowers and guarantors under the Finance Documents (the **Security**). The Security may take the form of a fixed and floating charge over all assets of the relevant Target Guarantor, a registered mortgage in respect of any land owned by the relevant Target Guarantor and/or such other form as may be agreed with the relevant financiers.

(b) **Other support**

In addition, the Target Guarantors may, or may be required to:

- (i) subordinate intercompany claims;
- (ii) transfer assets to, or assume other liabilities of, the Company or Purchaser or other subsidiaries or related parties of the Company;
- (iii) make available directly or indirectly their cash flows (whether through dividends, capital distributions, intercompany loans or otherwise) or other resources in order to enable the Company and the other guarantors to comply with their payment and other obligations in respect of the Financing;
- (iv) consent or agree to amendments to the Finance Documents, including amendments that make their obligations more onerous;
- (v) provide additional support which may include incurring additional obligations and/or providing additional guarantees, mortgages and/or charges on the same or different terms to the Security; and
- (vi) provide other financial assistance in connection with the Acquisition including, without limitation, in connection with any refinancing.

#### **4.5 Resolution - approval under section 260B(2) of the Corporations Act 2001 (Cth)**

##### **(a) Financial assistance approvals**

The entry by the Target Guarantors into, and the performance by each Target Guarantor of its rights and obligations under the Finance Documents and the Security and the participation by the Target Guarantors in the funding arrangements and other transactions, all as described above, constitutes the giving of financial assistance in connection with the Acquisition, within the meaning of Part 2J.3 of the Corporations Act.

Pursuant to section 260B of the Act, it is proposed that the giving by the Target Guarantors of the financial assistance be approved by:

- (i) a resolution agreed to by all ordinary shareholders of each Target Guarantor pursuant to section 260B(1) of the Corporations Act; and
- (ii) Resolution 3 pursuant to section 260B(2) of the Corporations Act.

##### **(b) Reasons for giving financial assistance**

The reason for the giving of the financial assistance described above is to enable the Target Guarantors to accede to the Finance Documents and have access to the facilities under those documents as borrowers.

##### **(c) Effect of financial assistance**

As the Purchaser, through which the Company has its interest in the Target Guarantors, is already liable for the amounts payable under the Finance Documents, the giving of the financial assistance described in this

explanatory statement by the Target Guarantors is unlikely to have any adverse effect on the Company, except the Target Guarantors will be restricted by the representations and undertakings given by them under the Finance Documents.

The substantial effect of the financial assistance on the Target Guarantors is that each Target Guarantor will have guaranteed all amounts payable under the Finance Documents and granted security for such obligations over its assets and undertaking. The operations of the Target Guarantors will also be restricted by the representations and undertakings given by them under the Finance Documents.

The directors of the Company do not currently believe that either the Company, the Purchaser, the other original guarantors or the Target Guarantors are likely to default in their obligations under the Finance Documents.

(d) **Advantages of the proposed resolution**

The advantage to the Company of the proposed resolution is that the Target Guarantors will be able to accede to the Finance Documents and so have access to the facilities under those documents.

The advantages of the proposed resolution to the Target Guarantors include:

- (i) the directors of the Company believe that the Financing provided sufficient funding to enable the Company to fund the group's operations and also to finance the Acquisition; and
- (ii) the Target Guarantors will have access to additional working capital facilities either directly by becoming a borrower under the Facilities or indirectly by greater access to funds.

The directors of the Company believe that approving the transactions contemplated by this Explanatory Statement is in the interests of the Company.

(e) **Disadvantages of the proposed resolution**

As the Purchaser, through which the Company has its interest in the Target Group, is already liable for and has provided security over its assets to secure the amounts due under the Finance Documents, the directors of the Company do not believe there are any disadvantages to the Company of the proposed resolution, except that the operations of the Target Group will be restricted by the representations and undertakings given by them under the Finance Documents.

The disadvantages of the proposed resolution for the Target Guarantors include the following:

- (i) they will become liable for the amounts due under the Finance Documents;
- (ii) their assets will be subject to the Security and their operations will be restricted by the representations and undertakings given by them under the Finance Documents;

- For personal use only
- (iii) the Borrower may default under the Finance Documents;
  - (iv) the Lenders may make a demand under the guarantees provided by the Target Guarantors requiring immediate repayment of the amounts due under the Finance Documents; and
  - (v) either of the Lenders may enforce the guarantee and/or security granted by the Target Guarantors to recover the amounts due.

A demand made under the guarantees may result in the winding up of a Target Guarantor and a sale of the Target Guarantors' assets by the Security Trustee upon an enforcement of the Security may result in a return to the Company (and ultimately its shareholders) significantly lower than could have been achieved by the Company had those assets been sold in the ordinary course of business or had the Target Guarantors continued trading.

(f) **Passing Resolution 3**

Resolution 3 is set out in the Notice that accompanies this Explanatory Statement.

Resolution 3 will be passed if 75% of votes cast are in favour of the resolution.

The shareholders may vote either for or against Resolution 3.

**4.6 Recommendation**

The directors unanimously recommend that the Shareholders vote in favour of Resolution 3 to approve the giving of financial assistance.

**4.7 Prior notice to Australian Securities & Investments Commission**

As required by section 260B(5) of the Corporations Act, copies of the Notice and this Explanatory Statement as sent to the Shareholders were lodged with the Australian Securities & Investments Commission prior to their dispatch to the Shareholders.

**4.8 Disclosure**

The directors consider that this Explanatory Statement contains all information known to the Company that would be material to the Shareholders in deciding how to vote on the proposed resolution other than information which it would be unreasonable to require the Company to include because it has been previously disclosed to the shareholders of the Company.
