Explanatory Statement

This Explanatory Statement has been prepared to assist Shareholders of Harris Group Technology Limited (**Harris or the Company**) to understand the business to be put to Shareholders at the Annual General Meeting (**Meeting or AGM**) of the Company to be held on Thursday 28 November 2024 at 3pm (Melbourne time).

Resolution 1, which relates to approval of the 2024 Remuneration Report, is an advisory resolution, further details of which are included below. Resolutions 2 and 3 are ordinary resolutions. Ordinary resolutions require a simple majority of votes cast by Shareholders present and entitled to vote on the resolution. Resolution 4 is a special resolution which will only be passed if 75% (ie, at least three quarters) of the votes cast by shareholders entitled to vote (either on a show of hands at the meeting or by the inclusion of proxies if on a poll) are in favour of the resolution.

Financial Statements and Reports

The Annual Report and the associated reports of the Directors and the Auditor for the financial year ended 30 June 2024 will be presented for consideration.

The 2024 Annual Report is available on the Company website.

Shareholders should note that the Financial Statements and Reports will be received in the form presented. It is not the purpose, and there is no requirement either in the *Corporations Act 2001* (Cth) (**the Act**) or in the Constitution of the Company for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report at the Meeting, or that the Financial Statements and Reports be accepted, rejected or modified in any way.

Resolution 1: Remuneration Report

A resolution for adoption of the Remuneration Report is required to be considered and voted on in accordance with the Corporations Act. The Remuneration Report details the Company's policy on the remuneration of non-executive directors, executive directors and senior executives and is set out in the 2024 Annual Report.

Resolution 1 provides Shareholders with the opportunity to vote on the Company's Remuneration Report. Under Section 250R(2) of the Act, the Company is required to put the adoption of its Remuneration Report to the vote at the Annual General Meeting and, under section 250SA of the Corporations Act, the Chairman must allow the Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. If 25% of the votes are cast against two consecutive annual resolutions for the purposes of section 250R(2), the Act requires a shareholder vote on whether to convene a special meeting at which all directors (other than the managing director) who were in office when the second section 250R(2) resolution was voted on, must stand for re-election.

The Remuneration Report:

- (a) explains the Board's policies in respect of the nature and level of remuneration paid to directors and senior management of the Company;
- (b) discusses the link between the Board's policies and the Company's performance;
- (c) explains why the performance conditions were chosen and how performance is measured against them;
- (d) sets out the remuneration details for each director and each member of the Company's senior management team; and
- (e) makes clear that the basis for remunerating non-executive directors is distinct from the basis for remunerating executives and executive directors.

The vote on the adoption of the Remuneration Report resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion

In accordance with section 250R(4) of the Corporations Act, the Company will disregard any votes cast in respect of Resolution 1 by:

- A member of Key Management Personnel ("KMP"), details of whose remuneration are included in the Remuneration Report; and

- A Closely Related Party of such a member.

However, the Company will not disregard a vote cast in respect of Resolution 1 if it is cast by a person as proxy appointed in writing that directs the proxy how to vote on Resolution 1, and the vote is not cast on behalf of a member of KMP, details of whose remuneration are included in the Remuneration Report or a Closely Related Party of such a member.

If you are a member of the KMP or a Closely Related Party of a member of the KMP (or are acting on behalf of any such person) and purport to cast a vote on Resolution 1 that vote will be disregarded by the Company (as indicated above). Please read the information in the Proxy Form which deals with the Chairman's voting of proxies on Resolution 1 to adopt the Remuneration Report.

Resolution 2: Re-election of Alan Sparks as a Director

In accordance with clause 47(b) of the Company's Constitution, Mr Sparks retires as a Director by rotation and, being eligible, offers himself for re-election.

Mr Sparks is an independent non-executive director. The Board, other than Mr Sparks, recommend his re-election.

Resolution 3: Re-election of Brett Crowley as a Director

Article 47(c) of the Constitution requires that the Director who has been appointed as a director during the year, must retire at the next annual general meeting of the Company. Article 47(c) provides that a Director so retiring is eligible for re-election at that annual general meeting.

Mr Crowley was appointed as a director on 16 August 2024 in accordance with Article 47(c) of the Constitution.

Mr Crowley, being eligible under Article 47(c), offers himself for re-election as a Director

Mr Crowley is an independent non-executive director. The Board, other than Mr Crowley, recommend his re-election.

Resolution 4: Approval of Long Term Incentive Plan

ASX Listing Rule 7.1 provides that a company may not issue Equity Securities, or agree to issue Equity Securities, without the approval of shareholders, if the number of Equity Securities to be issued in any 12-month period (including shares issued on the exercise of any options) exceeds 15% of the issued capital of the company preceding the issue (15% Placement Capacity).

ASX Listing Rule 7.2 contains a number of exceptions to the 15% Placement Capacity rule in ASX Listing Rule 7.1. In particular, under Exception 13 in ASX Listing Rule 7.2, any Equity Securities issued under an employee incentive scheme within three years of the date on which shareholders approve the issue of those Equity Securities are not deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1. Resolution 10 is designed to satisfy the requirements of Exception 9 in ASX Listing Rule 7.2.

If Resolution 4 is passed, any Equity Securities issued under the LTIP within the three years after the date of the Meeting will not be deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1. If Resolution 4 is not passed, any Equity Securities issued under the LTIP within the three years after the date of the Meeting will be deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1.

Purpose of LTIP

The purpose of the LTIP is to provide incentives to Directors and employees of the Company who are integral to the operations and ongoing success of the Company. These incentives are designed to encourage greater productivity from Directors and management and to better enable the Company to retain its management personnel in a highly competitive industry.

Should Resolution 3 be passed, the Company will have the necessary flexibility to issue securities as an incentive to management personnel, and the issue of securities under the LTIP will not be deducted from the Company's 15% Placement Capacity pursuant to ASX Listing Rule 7.1.

A copy of the LTIP rules can be found at the following link: <https://ht8.com.au/investor-relations/corporate-governance> A summary of the LTIP is provided below.

Terms of the LTIP

General

The LTIP is intended to retain and motivate the Company's management team. Under the LTIP, the Board has the discretion to offer shares or grant options or performance rights to eligible employees (which includes Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares.

Both options and performance rights give a participant in the LTIP a right to acquire shares in the Company subject to the achievement of time based and/or performance-based vesting conditions, with options requiring the payment of an exercise price to acquire the shares and a performance right not requiring the payment of an exercise price.

The Board has the discretion to amend the rules of the LTIP (including respectively in respect of previous awards of shares, options or performance rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the participant.

Awards under the LTIP are made at the Board's discretion.

Eligibility

The rules allow for offers under the LTIP to be made to any employee of the Company or a related body corporate, including Directors, or such other person as the Board determines. However, it has been the case and it is currently intended to continue to be the case that participation in the LTIP will only be offered to the Company's senior executive leadership team including Directors.

Issue of shares and grant of options and performance rights

Shares, options and performance rights may be issued under the LTIP subject to vesting conditions, including time and performance-based hurdles.

The Board determines the details of the vesting conditions attaching to shares, options and performance rights under the LTIP prior to offers of participation being made. Shares, options or performance rights will only vest (under normal circumstances) upon satisfaction of the time and performance-based vesting conditions. If those conditions are not met, shares will be bought-back or the options or performance rights will generally expire and not be capable of exercise.

No amount is payable on the grant of options or performance rights offered under the LTIP.

Delivery of shares

Shares in the Company will be delivered to participants upon exercise of vested options or performance rights. On exercise, the Company may deliver shares by new issue or by purchasing shares for transfer to participants. No exercise price is payable on the exercise of performance rights unless otherwise determined by the Board at the date of grant.

Buy-back of shares

The LTIP provides for the buy-back of shares offered under the LTIP in certain circumstances, including on the forfeiture of the shares. Buy-back proceeds must be applied towards the repayment of any acquisition loan used to acquire the shares.

Change of control

On a change of control of the Company, the Board has discretion to waive the vesting conditions applicable to unvested options and performance rights, subject to such terms and conditions as it determines.

Plan limits

Issues of shares including on exercise of options or performance rights granted under the LTIP will be subject to a cap of 5% of the issued share capital of the Company, inclusive of shares that may be issued under other employee

incentive schemes of the Company for employees and Non-Executive Directors, but disregarding offers made outside of Australia, made under a prospectus or other disclosure document or which do not require a disclosure document.

Expiry of options and performance rights

Unless otherwise determined by the Board in its discretion, options and performance rights which have not been exercised will expire and cease to exist on the expiry date specified at the date of grant or upon the Board making a determination that the options or performance rights are to be forfeited.

Restrictions on shares and forfeiture conditions

Shares, options and performance rights, and shares delivered on exercise, may be subject to forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. In addition, the Board can decide, on the offer of shares or the grant of options or performance rights under the LTIP the circumstances under which the shares, options or performance rights are to be forfeited in additional circumstances, such as the termination or cessation of employment.

Shares delivered on exercise of options or performance rights may be subject to disposal restrictions (subject to removal at the discretion of the Board).

Hedging economic exposure prohibited

Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the LTIP prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the LTIP.

Securities issued under LTIP

Since the date of the last approval by shareholders of the LTIP, being the Company's 2021 Annual General Meeting, there have been 8,880,000 securities issued.

Maximum number of securities to be issued

The maximum number of Equity Securities proposed to be issued under the LTIP following approval of shareholders is 9 million.

Board Recommendation

As the Directors may participate in the LTIP they do not provide any recommendation to shareholders in relation to this Resolution 4.

Chairman's available proxies

The Chairman of the Meeting intends to vote all available proxies in favour of this resolution.

Voting exclusion statement

The Company will disregard any votes cast on Resolution 4 by any person who is eligible to participate in the Long Term Incentive Plan, including any Directors, and any associates of those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- A person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- The chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- A holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - The beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - The holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 5: Approval of 10% Placement Capacity under Listing Rule 7.1A

ASX Listing Rule 7.1A enables small to mid-cap listed companies to seek shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary shares on issue by way of placements over a 12-month period (**10% Placement Facility**). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek shareholder approval for this additional placement capacity if it satisfies both of the following criteria at the date of the AGM:

- a) it has a market capitalisation of \$300 million or less; and
- b) it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will also satisfy both these criteria at the date of the Meeting. Any equity securities issued under ASX Listing Rule 7.1A must be in an existing quoted class of securities. The Company has only one quoted class of equity securities on issue, being ordinary shares.

Accordingly, Resolution 5 seeks Shareholder approval by special resolution for the issue of such number of ordinary shares as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3, to such persons as the Board may determine, on the terms as described in this Explanatory Statement, which forms part of the Notice of Meeting.

At the date of this Notice, the Company has on issue 299,135,481 ordinary shares. If Resolutions 5 is approved, the Company will have the capacity to issue:

- (i) 44,870,322 ordinary shares under ASX Listing Rule 7.1; and
- (ii) 29,913,548 ordinary shares under ASX Listing Rule 7.1A.

In addition to issues under rule 7.1, an eligible entity which has obtained the approval of the holders of its ordinary securities under this rule 7.1A may, during the period of the approval, issue or agree to issue a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

- A** = the number of ordinary securities on issue at the commencement of the relevant period:
- a) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - b) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
 - c) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
 - d) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,
 - e) plus the number of partly paid ordinary securities that became fully paid in the relevant period,
 - f) less the number of fully paid shares cancelled in the 12 months.
- D** = 10%;
- E** = the number of equity securities issued or agreed to be issued under rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4; and
“relevant period” has the same meaning as in rule 7.1.”

The effect of passing Resolution 5 will be to allow the Directors to issue the ordinary shares under Listing Rule 7.1A during the Relevant Period without using the Company’s 15% placement capacity under Listing Rule 7.1. The effect

of not passing Resolution 5 will be that the Directors cannot issue the ordinary shares under Listing Rule 7.1A during the Relevant Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Information required by ASX Listing Rule 7.3A

For the purposes of ASX Listing Rule 7.3A, the following information is provided:

- An approval under this rule 7.1A commences on the date of the Meeting and expires on the first to occur of the following:
 - a) The date that is 12 months after the date of the Meeting.
 - b) The time and date of the Company's next annual general meeting.
 - c) The time and date of the approval by holders of the Company's ordinary securities of a transaction under rule 11.1.2 or rule 11.2.
- The minimum price at which the ordinary shares will be issued will be no less than 75% of the volume weighted average market price for ordinary shares calculated over the 15 trading days on which trades are recorded immediately before:
 - a) the date on which the price at which the ordinary shares are to be issued is agreed; or
 - b) if the ordinary shares are not issued within ten trading days of the date in paragraph (a), the date on which the ordinary shares are issued.

If Resolution 5 is approved by Shareholders and the Company issues ordinary shares under the 10% Placement Facility, the existing Shareholders face the risk of economic and voting dilution as a result of the issue of ordinary shares which are the subject of this Resolution, to the extent that such ordinary shares are issued; including:

- a) the market price of ordinary shares may be significantly lower on the issue date than on the date on which this approval is being sought; and
- b) the ordinary shares may be issued at a price that is at a discount to the market price for those ordinary shares on the issue date,

which may have an effect on the amount of funds raised by the issue of the ordinary shares.

- The following table gives examples of the potential dilution of existing ordinary shareholders on the basis of the current market price of ordinary shares and the current number of ordinary shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the current market price.

No. of Shares on Issue	Dilution			
	Issue price (per Share)	\$0.005 50% decrease in Issue Price	\$0.01 Issue Price	\$0.02 100% increase in Issue Price
299,135,481 (Current)	Shares issued	29,913,548	29,913,548	29,913,548
	Funds raised	\$149,568	\$299,135	\$598,271
448,703,222 (50% increase)	Shares issued	44,870,322	44,870,322	44,870,322
	Funds raised	\$224,352	\$448,703	\$897,406
598,270,962 (100% increase)	Shares issued	59,827,096	59,827,096	59,827,096
	Funds raised	\$299,135	\$598,271	\$1,196,542

The table has been prepared on the following assumptions:

- (i) Resolution 5 is approved.
- (ii) The Company issues the maximum number of ordinary shares available under the 10% Placement Facility in Listing Rule 7.1A.
- (iii) No options over ordinary shares are exercised before the date of issue of ordinary shares under Listing Rule 7.1A.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of ordinary shares under ASX Listing Rule 7.1A, not under the 15% placement capacity available under ASX Listing Rule 7.1.
- (vi) The Issue Price is \$0.01, being the closing trading price of the ordinary shares on ASX on 15 October 2024.

- If any of the ordinary shares being approved by this resolution are issued, they will be issued during the Placement Period, that is, within 12 months of the date the AGM, i.e. by 28 November 2025, and the approval being sought by this resolution will cease to be valid if Shareholders approve a transaction under ASX Listing Rules 11.1.2 or 11.2 prior to 28 November 2024.

- The ordinary shares will be issued for the purpose of raising working capital for the Company and establishing and consolidating new sales, distribution and licensing opportunities for the Company's range of products for the benefit of all Shareholders.

- The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3 upon issue of any ordinary shares.

- The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of any ordinary shares that may be issued (subject to Shareholder approval of Resolution 4 have not been determined as at the date of this Notice, but may include existing Shareholders as well as new Shareholders who are not related parties or associates of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company and balancing interest from potential allottees with the interests of existing Shareholders;
- the effect of the issue of the ordinary shares on the control of the Company. Allocation will be subject to takeover thresholds;
- the financial situation and solvency of the Company and its projected need for working capital at any given time; and
- advice from corporate, financial and broking advisors (if applicable).

Previous Issues

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding the 2024 AGM.

Special Resolution

Resolution 5 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders entitled to vote on Resolution 5 must be in favour of the resolution.

Voting exclusion statement

The Company will disregard any votes cast in favour of Resolution 5 by or on behalf of a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) or any associates of such a person. However, this does not apply to a vote cast in favour of Resolution 5 by a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way; or the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

- the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of the person excluded from voting, on the resolution; and
- the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote that way.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
