SAUNDERS INTERNATIONAL SECURES \$10 MILLION IN NEW INFRASTRUCTURE PROJECTS

Sydney – 21st July 2021

Saunders International Ltd (ASX:SND) today announced that it has been awarded \$10 million in new Infrastructure projects. These new awards include:

- The design and construction of a 3-span concrete bridge for a NSW Local Government Authority in the Hunter Region.
- The manufacture of 77 Super-T precast concrete beams for a major bridge replacement project on the South Coast of New South Wales.
- The manufacture of precast concrete rail beams and components for a specialist private contractor on the North Coast of New South Wales.

These projects will contribute to Saunders' revenue from Q1-FY22 into Q4-FY22.

Chief Executive Officer, Mark Benson said: "We are excited with the continued growth of the Group's Infrastructure projects and the increase in the pipeline of opportunities within this sector. The roll out of the NSW Government's Fixing the Country Bridges Program remains a key strategic focus for the Group in FY22 and beyond."

Authorised for release by Mark Benson, Chief Executive Officer and Managing Director.
