

JACKPOT DIGITAL RECEIVES APPROVAL FROM THE SASKATCHEWAN LIQUOR AND GAMING AUTHORITY

Vancouver, British Columbia –September 26, 2024 – Jackpot Digital Inc. (the “Company” or “Jackpot”) (TSXV: JJ) (TSXV: JJ.WT.B) (TSXV: JJ.WT.C) (US OTCQB: JPOTF) (Frankfurt Exchange: LVH3), a leading manufacturer of electronic multiplayer dealerless poker tables, is pleased to announce it has received approval from the Saskatchewan Liquor and Gaming Authority (“SLGA”) to act as a registered supplier of gaming supplies and services to regulated casinos in the Canadian province of Saskatchewan.

The approval follows the Company’s news release dated February 6, 2024, announcing the signing of a licensing agreement with the Saskatchewan Indian Gaming Authority (“SIGA”) to install the Company’s Jackpot Blitz® dealerless poker ETGs into SIGA casinos.

SIGA operates seven casinos and Playnow.com in Saskatchewan. At the outset, SIGA proposes to install Jackpot Blitz® machines at its Dakota Dunes and Gold Horse Casino properties, located in Saskatoon and Lloydminster, respectively.

Jackpot CEO, Jake Kalpakian, states “We are excited to receive approval as a gaming equipment supplier in Saskatchewan. This represents the first major jurisdictional, non-tribal license received by Jackpot during our continuing expansion into the land-based casino market. We have many more license applications underway in the U.S. and other Canadian provinces, which will dramatically impact our ability to accelerate the rollout of Jackpot Blitz® across North America.”

In addition to Jackpot’s cruise ship customers, which include Carnival Cruises, Princess Cruises, Holland America, AIDA, and Costa Cruises, Jackpot has announced land-based installations or orders in Canada and the U.S., including California, Louisiana, Michigan, Minnesota, Mississippi, Montana, Oregon, Saskatchewan, U.S. Virgin Islands, Washington, as well as several international jurisdictions.
