NEWS RELEASE: Commission approves telecom company's application to offer telecommunication exchange services in Idaho.

BOISE (Aug. 13, 2024) – The Idaho Public Utilities Commission has approved an application from Fybercom LLC that will allow it to offer local telecommunication exchange services in Idaho.

The telecom company asked for a Certificate of Public Convenience and Necessity in its application. Fybercom said it is incorporated within the state of Idaho and plans to offer service to businesses that want hosted voice services. Fybercom also plans to resell internet bandwidth that will enable it to offer several telecom services to customers, including basic telephone service.

The commission approved Fybercom's application after the telecom company submitted additional information regarding its proposed service area.
