NEWS RELEASE: Customer hearings scheduled for December to take testimony on Idaho Power application to increase rates.

BOISE (Nov. 1, 2024) – The Idaho Public Utilities Commission will host customer hearings in early December to take testimony on an application from Idaho Power to change the rates it charges customers.

The utility said its application focuses on recovering costs associated with infrastructure investments and labor expenses that were not included in the company's last rate case. If the commission approves the request, the average Idaho residential customer using 950 kilowatt hours per month would see a monthly bill increase of approximately \$7.48. The commission can approve, deny or modify the application.

Those interested in submitting testimony for the record can do so by attending a customer hearing in Twin Falls on Monday, Dec. 2, or on Tuesday, Dec. 3, in Boise.

The Dec. 2 hearing will be held at the Twin Falls American Legion Hall, 447 Seastrom St., Twin Falls, ID 83301. It will begin at 4:00 p.m. (MST) and end at 7:00 p.m. or after all testimony has been taken, whichever comes first. In-person attendance is required to submit testimony. Those interested in listening to the hearing can do so by calling 1-415-655-0001 and enter meeting number 2861 889 4514 when prompted.

The hearing in Boise will be held at the Idaho Public Utilities Commission, 11331 W. Chinden Boulevard, Building 8, Suite 201-A, Boise, ID 83714. It will begin at 4:00 p.m. (MST) and conclude at 7:00 p.m. or after all customer testimony has been taken, whichever comes first. In-person attendance is required to submit testimony. Those interested in listening to the hearing can do so by calling 1-415-655-0001 and enter meeting number 2869 194 4770 when prompted.

The commission is accepting written comments on Idaho Power's application until Tuesday, Dec. 3, 2024. Comments are required to be filed through the commission's website or by e-mail unless computer access is not available. To submit comments using the commission website,
