Respondents.	)	Entered: October 11, 2024

BY THE HEARING OFFICER:

On August 16, 2024, an Order was entered scheduling the above-captioned matter for hearing on Tuesday, October 15, 2024 and, if additional time is necessary, Thursday, October 17, 2024 at 9:00 a.m. Central Time in the Commission Hearing Room. On or about October 10, 2024, the parties in this matter apprised the Commission of an agreed-upon Remediation Plan ("Plan"). The Commission has placed the approval or rejection of this Plan on the agenda for its October 16, 2024 Commission Meeting.

After consideration, I thus find that the hearing scheduled for October 15, 2024 and October 17, 2024 should be continued to a future date to be determined. This will allow the Commission to vote at its meeting on October 16, 2024 regarding the above-mentioned Plan. Should the Plan not be approved by the Commission, the hearings will be rescheduled.

## O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the hearing scheduled for Tuesday, October 15, 2024 and Thursday, October 17, 2024, at 9:00 a.m. Central Time be, and is hereby, continued to a future date to be determined by the Commission.
