Concerning Confidential or Extraordinarily Sensitive Information, parties and Staff are instructed to work together to agree upon the manner in which documents containing such information shall be served upon one another, to the extent practicable, in an electronically protected manner, even if such information is unable to be filed in the Office of the Clerk, so that no party or Staff is impeded from preparing its case.

(4) Networks Virginia hereby is granted interim operating authority to provide local exchange and interexchange telecommunication services in the Commonwealth of Virginia pending further order of the Commission.
